

Chapter 368: Let me hug you for a while (1)

A hint of slyness flashed in Xu Youyou's eyes. why don't you give it to sister Siyu? "

An unnatural expression flashed across Bo Qi's face. I ... Why would I give it to her? I'm not here to see her!"

Qin Siyu's brows were also tightly furrowed. She clearly did not expect that she would get shot while sitting down.

Xu Youyou shrugged her shoulders helplessly. even if you dare to give it to me, I don't dare to accept it.

Bo Qi glanced at mo shenbai's dark expression. He hesitated for a moment before handing the flowers over. why don't you make do with it?!

Mo shenbai's Black eyes swept across his face coldly and ruthlessly. "Get lost," he said.

Bo Qi was speechless.

In the end, it was Xu Youyou who came to his rescue. put it there. I'll give it to the lady at the nurses 'station later.

Bo Qi nodded. up to you.

Qin Siyu picked up her silver shoulder bag and stood up. "I should go back. I'll come back to see you later!"

there's nothing wrong with my body. I'll be discharged in a few days. Come home for dinner! Xu Youyou didn't like the hospital. She didn't feel uncomfortable except for her weak body when she woke up, so she naturally didn't want to stay in the hospital for too long.

Qin Siyu nodded in agreement. However, if Bo Qi were to go, she would definitely find an excuse to reject him.

It was not a good time for her and Bo Qi to meet now.

Bo Qi didn't expect her to leave so soon after he arrived. He didn't show anything on his face, but he couldn't help but follow her back from the corner of his eye.

Xu Youyou and Mo shenbai looked at each other and smiled in tacit understanding.

Mo shenbai coughed lightly. if you have something to do, you can go first. Aiyou needs to rest.

Bo Qi had been worried that he could not find a suitable reason to leave when he had just arrived, and Mo shenbai's order to leave was simply a timely help.

rest well, sister-in-law. I'll visit you at home later.

With that said, she turned and left, as anxious as if her house was on fire.

Xu Youyou could not help but laugh out loud. Bo Qi seems to really like sister Siyu.

Mo shenbai was not interested in Bo Qi and Qin Siyu's Affairs. His thin lips parted slightly, his voice low and gentle. I like you a lot too.

Xu Youyou's face heated up and her eyes lit up. why did you flirt with me all of a sudden? "

Mo shenbai sat down by the bed and caressed her cheek with his fingertips. He couldn't bear to let go of her. it's not a stroke. I can't control my feelings.

Xu Youyou's bright eyes were filled with shyness. She lowered her head and leaned into his arms. I like you a lot too.

Qin Siyu's car had been sent for maintenance, and she had taken a taxi here today. When she walked to the side of the road in front of the hospital, she wanted to take a taxi back, but there were not many cars on this road. She stood there for a few minutes and did not see an empty car.

No one picked up the order for the online car. She disliked the sun, so she took out a pair of sunglasses from her bag and put them on. A car stopped in front of her.

Bo Qi lowered the car window and said with a cold face, " "You can't get a taxi here. Get in and I'll give you a ride."

Qin Siyu really didn't expect that he would still be willing to respond to her even after she had said that.

"No need, I've already called a cab. I'll be back soon!" Since they had decided to separate, there was no need to be entangled. They had to break up and leave him any room for fantasy.

Bo Qi turned to look at her. Qin Siyu, are you scared? "

Qin Siyu was speechless.

Bo Qi's thin lips curled up slightly, and he said nonchalantly, " "If you're not afraid of me, why don't you take my car? Or that old man doesn't even allow you to sit in other people's cars?"

Qin Siyu rolled her eyes in her sunglasses. He could not see her anyway.

"I'm not afraid of you, and I don't want to sit in your car, okay?"

Bo Qi gave him a meaningful look. you'd rather bask in the sun than sit in my car. Is it because you regret it? And you're too embarrassed to look for me?"

Qin Siyu opened the door to the front passenger seat and sat inside nimbly. She took off her sunglasses, her charming eyes filled with impatience. Bo Qi, when did you start talking so much nonsense? I don't want to sit in your car because I don't want to have anything to do with you anymore. I don't want you to think that I still have any feelings for you ... You ..."

Before she could finish her sentence, Bo Qi suddenly locked the car door and started the engine.

Qin Siyu finally reacted. what are you doing? Stop the car and let me out!"

It wasn't convenient to talk outside the car, so she sat in.

It definitely wasn't because it was too hot and he wanted to take a breather from the cold air.

Bo Qi ignored her, looking straight ahead, his thin lips spilling out three words. "Seat belt!"

Qin Siyu was speechless.

Indignantly, she pulled out her seatbelt and fastened it. If she had known earlier, she wouldn't have come up. She wouldn't have died from the sun.

Bo Qi glanced at her posture of turning sideways to face the window. He did not say anything and focused on driving.

The two of them did not speak along the way until the car stopped in front of her apartment.

Qin Siyu unbuckled her seat belt and wanted to get out, but the door was still locked.

"Open the door."

Bo Qi sat there without moving, turning his head and staring at her without blinking.

Qin Siyu took a deep breath and turned to look at him. Bo Qi, I told you to open the door!

Not only did Bo Qi not say anything, he even reached out and pulled her over to hug him.

Qin Siyu was stunned for a few seconds, then struggled fiercely. what are you doing? Let me go ... I told you to let me go ..."

Bo Qi's arms were like reinforced concrete, restraining her. His thin lips were close to her ear, and his voice was very low. don't move, let me hug you for a while, just a while.

His low and hoarse voice was a mix of pleading and gentleness. Just like when they were together in the past, he would also use this method to seduce her and make her endure it ...

Qin Siyu's struggling stopped. She felt his breath was even hotter than the hot air outside, blowing into her ears. She could not help but feel a little sad.

In the past, she had chased after him, dreaming that he would change his mind and start a family with her. He had always been disdainful, as if she was just a pet he raised.

Now that she was tired and didn't want to chase him anymore, she didn't expect them to have a future together, but he turned around and pestered her again and again!

"Didn't you say I was dirty?" Qin Siyu's Red lips curved up slightly as she spoke in a self-deprecating tone.

Bo Qi hugged her tightly, not willing to let go. He craved her body temperature and breath. His thin lips twitched. I admit defeat, Qin Siyu ...

No matter how bad her attitude towards him was or how much she had said, he just couldn't let it go.

Qin Siyu's heart trembled violently, and she immediately tightened her grip, pursing her lips and not daring to speak.

She was afraid that the answer he would give her would make it impossible for her to refuse. She was afraid that her resistance to him was not thorough enough!

Bo Qi released her slightly and licked his lips dryly. He took a deep breath and asked, "Qin Siyu, I can give you anything. I can give you anything you want. Can you turn around?"

Qin Siyu's eyes brightened for a moment before they quickly darkened again. I can have anything I want, including ... The position of Mrs. Bo?"
