

**Chapter 370: Let Me Love him properly (1)**

Xu Youyou smiled shyly. Auntie, I didn't want to sleep with him. He insisted. If you want to blame someone, blame him.

She pointed at mo shenbai and pushed the blame to him without hesitation.

Mo shenbai took the blame for no reason without explaining. His gaze fell on her feet on the floor, and he turned to pick up her slippers in the room before turning back.

"Put on your shoes first."

Xu Youyou lowered her head and put on her shoes. "Auntie, have you found the person I asked you to find?"

"I found it." Mo qinghuan replied. She paused for a moment before asking, "But why are you looking for her?"

"Naturally, there's something." Xu Youyou kept him in suspense. when will that person arrive? "

"Tomorrow," Mo qinghuan did not ask any further.

Xu Youyou nodded and turned to mo shenbai. da Bai, can you get a few credible media outlets to come to our house tomorrow? "

"What do you want to do?" Mo shenbai asked with a frown.

Xu Youyou still did not say anything. don't ask. Just promise me, okay? "

Mo shenbai had always granted her every request, not to mention after this incident.

Xu Youyou heaved a sigh of relief when she saw that he had agreed. She then asked mo qinghuan, "little Auntie, are you staying for the night? " I'll get the Butler to prepare a guest room for you!"

"No need," Mo qinghuan decisively rejected her good intentions. I still prefer to stay in a hotel.

After so many years, she was used to staying in hotels. She didn't even go back to the mo family's old house, let alone the canvass lunar restaurant.

Xu Youyou thought of the embarrassing situation she had encountered when she went to the hotel to look for her last time and did not force her to stay. let's go to the hotel after dinner. I'll cook tonight.

"You're cooking?" Mo qinghuan raised her eyebrows, clearly not believing in her cooking.

Xu Youyou felt that she had been looked down upon. She raised her head and said, "Little aunt, just wait and see. Although my cooking skills can't be compared to the chefs of five-star hotels, it's still pretty good."

"Alright, then I'll wait and see."

Xu Youyou raised her head and met mo shenbai's dissatisfied eyes. Before he could speak, she quickly said, " I'll make the menu and get the kitchen to prepare the ingredients. I'll just cook, okay? "

Mo shenbai could only agree when he saw that she had already put it this way.

Xu Youyou hurried to the kitchen to prepare while mo shenbai invited mo qinghuan downstairs for tea.

Mo qinghuan raised her cup and took a sip. I've seen the news on the internet," she said calmly. how do you plan to deal with Bai Ying? "

"He's already in. We'll leave the sentence to the court." After mo shenbai answered, he couldn't help but look in the direction of the kitchen.

He didn't feel at ease with her.

Mo qinghuan coldly snorted. just a few years in prison? that's too easy on her.

"Youyou doesn't like it when I overstep my boundaries." He would not do anything that Youyou disliked.

Mo qinghuan glanced at him. good for nothing.

Mo shenbai turned around and looked at her. who did Aiyo ask you to find? "

Why didn't she look for him? Was there anything that mo qinghuan could do that she couldn't?

"We'll know tomorrow." Mo qinghuan also learned from Xu Youyou to keep her in suspense and leaned back in a relaxed manner. but this little girl is very loyal to you. Your eyes are much better at choosing a wife than your father's.

Back then, even if mo Teng had married anyone randomly, she would have been better than Bai Ying. Mo shenbai would not have suffered so much.

Mo shenbai picked up his teacup and changed the topic with a smile. you're still alone after so many years? Don't you want to settle down with one?"

"You still want to meddle in my Affairs?" Mo qinghuan glanced at him and changed the topic, " Men are like clothes. It would be too shabby to only wear one, so I like to have different clothes in my closet."

Over the years, she had had many boyfriends. Some were short-lived, and some were serious for several years, but she had never thought of entering the grave of marriage again.

One could not fall down in the same place twice.

Mo shenbai's brows moved slightly. He put down the cup and said sternly, " In the future, stay away from my triplets!"

He was afraid that the triplets would be led astray.

Mo qinghuan snorted coldly and focused on drinking tea, too lazy to pay attention to him.

Xu Youyou was busy in the kitchen for more than an hour and prepared a table full of dishes.

Mo qinghuan looked pretty good, but she didn't know if it tasted bad.

Xu Youyou handed her a pair of chopsticks. little aunt, try it.

Mo qinghuan took the chopsticks, picked up a small piece of fish, dipped it in the soup, and put it into her mouth with an attitude of trying it out. A hint of surprise instantly appeared in the bottom of her eyes.

“Little girl, you’re really something. The heat is just right. One minute more and the fish will age. One minute less and it’ll be too tender. The soup is just right, and it doesn’t cover the tenderness of the fish.”

She had traveled all over the world for so many years and had eaten a lot of delicious food. Her taste had long been developed, and ordinary food really didn’t catch her eye.

Xu Youyou raised her head proudly and said in high spirits, “ I’m not lying, am I? my cooking skills are pretty good.

Mo qinghuan nodded in agreement, and her chopsticks went to pick up other delicacies.

In the face of delicious food, all words were a waste and disrespectful.

It had been a long time since mo shenbai had eaten the food made by Xu Youyou. He picked up his chopsticks and began to concentrate on eating.

Xu Youyou felt an indescribable sense of satisfaction when she saw them eating the food she had cooked seriously.

Good food could really cure all negative emotions.

Mo qinghuan paid a lot of attention to her health and figure management. She usually only ate 30% full at night, but today she ate 90% full.

Mo shenbai didn’t want Xu Youyou’s work to be wasted, so he took action on the CD.

Mo qinghuan’s eyes carried a hint of disdain as she glanced at him, “ When did he become a rice bucket?

Mo shenbai, “how are you any better?”

Mo qinghuan was speechless.

Forget it, half a catty is enough.

Xu Youyou and Mo shenbai stood up to send mo qinghuan out. The two of them had eaten too much and were taking a walk along the tree-lined path to digest their food.

Xu Youyou’s blood was very popular with small animals. She had only taken a few steps when she felt a mosquito bite her.

Mo shenbai took out mosquito repellent from his pocket, squatted down, and sprayed it on her leg.

The mosquito repellent water was cold and had a minty smell. Xu Youyou immediately felt that the place where she was stung was no longer itchy.

“Da Bai, why did you bring this?”

Mo shenbai got up and took her hand as they walked forward. you said that the animals like your blood very much.

Xu Youyou had only mentioned it once, but she didn't expect him to remember it and even bring mosquito repellent with him.

Da Bai was such a good person, so how could those people be so cruel to hurt him?

Mo shenbai felt her stop and turned back to look at her. what's wrong? "

Under the moonlight, Xu Youyou's pretty face was filled with a bright smile. She stood on her tiptoes and kissed him on the lips.

God, if no one loves this man, then Let Me Love him well.

Mo shenbai was stunned for a moment. He wrapped his warm palm around her slender waist and deepened the kiss.

Not long after, Xu Youyou's face turned red and she was panting. The moonlight was mesmerizing, but it was not as bright as her eyes.

Mo shenbai's thin lips were close to her ear as he asked, " can we do it tonight? "
