

PAMPERING 371

Chapter 371: It's all your fault _1

Xu Youyou's face heated up and she pinched his waist. "I don't understand what you're saying!"

She had little strength, so she was like a kitten scratching an itch. Mo shenbai's waist was itchy, and his heart was even more itchy.

"If you don't understand, why are you blushing?" His low and hoarse voice was mixed with a smile and sounded frivolous.

Xu Youyou glared at him with a teasing look in her eyes and turned to leave. "I'm not talking to you anymore."

Mo shenbai grabbed her wrist and pulled her back to him. He held her face in his hands and lowered his head to kiss her pink lips.

It was passionate and extremely intoxicating.

In the end, Xu Youyou was carried back by him. He kicked the door open and went straight into the bathroom.

Xu Youyou pounded on his shoulders and protested against taking a shower with him.

Mo shenbai pinned her hands against the cold wall. His thin lips pressed against her ear and he said in a mesmerizing low voice, "Mrs. Mo, you saved Zhiyun. As your husband, I should repay you with a spring ..."

Xu Youyou was stunned. When she came to her senses, her eyes were wide open. She was about to press her red lips together when he stopped her.

It was destined to be a wonderful night.

The next day, when Xu Youyou opened her eyes, it was already late in the morning. Her throat was a little dry. When she sat up, she saw a glass of water on the bedside table. A smile appeared in her eyes. She reached out for the glass and found that the temperature was just right. It was not too hot or too cold.

After drinking a glass of water, the door of the room was pushed open. Mo shenbai was dressed more casually and comfortably at home. He was in high spirits, without his usual unattainable aura, and had a warm base.

"You're awake." His thin lips parted slightly, his voice gentle. He sat down and gave her a good morning kiss.

Xu Youyou nodded. "What time is it?"

"Ten O'clock."

Xu Youyou's eyes widened. "Is little Auntie here?"

It's over, little aunt will definitely think that I'm a big lazy worm QAQ

Mo shenbai nodded. "She's drinking coffee downstairs. The person you're looking for hasn't arrived yet, so you don't have to worry. Wash up first."

Xu Youyou pouted and complained, "It's all your fault. I already said I wanted to rest, but you insisted."

Mo shenbai readily admitted his mistake. "Yes, it's all my fault. Don't be angry. I'll carry you to wash up and help you change your clothes, okay?"

He raised his tone at the end and spoke in a doting tone.

In the beginning, Xu Youyou was a little embarrassed by his meticulous care, but as time passed, she could now enjoy his service with peace of mind.

Mo shenbai first carried her to the bathroom and prepared all the toiletries for her. Then, he turned back and picked out clothes for her in the closet.

In summer, one should wear bright and beautiful clothes, like a rose in full bloom.

Mo shenbai had chosen a red dress for her. It had pearls to match it, and it was exquisite and cute like a little princess.

When Xu Youyou was doing her skincare routine, he stood behind her and helped her comb her hair. His slender fingers gently weaved through her hair and tied it into a bun, which he was not very familiar with. There were a few strands of hair that he did not tie up, and they hung down on both sides of her forehead, making her look even more beautiful.

Xu Youyou looked at the man in the mirror with a smile in her eyes. "Great White, you can even comb your hair into a bun now. You're even better than the real Great White."

"What?" Mo shenbai raised his eyebrows.

Xu Youyou reacted and explained, "There's a movie called 'super Marines' and big white is a robot in it. He's amazing at everything! A lot of people liked it, and I liked it too!"

Mo shenbai's brows twitched, and something flashed in his eyes. He bent down and whispered in her ear, "Anything? Including Jin's?"

The scene from last night flashed across Xu Youyou's mind, and her fair face flushed red. She pinched his arm angrily and said in a soft voice without any deterrent, "If you keep talking nonsense, I'll really ignore you."

Mo shenbai's thin lips curled into a smile, and his warm palm wrapped around her small hand. "Okay, I won't say it. If we don't go on, little aunt will be anxious."

He held Xu Youyou's hand as they went downstairs.

Mo qinghuan had finished two cups of coffee. Seeing them slowly walking down the stairs, she couldn't help but say in a strange tone, "You guys can come down later, just in time for lunch."

Xu Youyou blushed and bit her pink lips, not daring to refute.

On the other hand, Mo Shen said calmly, " "Youyou had a late breakfast. You can postpone lunch. "

Mo Qinghuan glanced at him coldly. He really dared to say that!

Xu Youyou was too embarrassed to eat breakfast. She tugged at Mo Shenbai's hand and whispered, " "I'm not eating. I'll just eat lunch. "

"No," Mo Shenbai's voice was deep and cold, and he said firmly, " "I have to eat breakfast. "

Xu Youyou couldn't argue with him, so she looked at Mo Qinghuan for help.

Mo Qinghuan knew Mo Shenbai's character. He would not go back on his word. Moreover, he regarded Xu Youyou as his baby. If he did not let his baby eat, he would immediately turn hostile.

"Let's go and eat. It'll be a while before they arrive anyway. "

Since the elders had said so, Xu Youyou obediently went to have breakfast with Mo Shenbai, her eyes glancing at Mo Qinghuan in the living room from time to time.

Mo Shenbai's warm palm patted her small head. " "eat well. "

Xu Youyou pursed her lips and focused on her meal, not daring to be distracted.

.....

At 11 am, the media personnel arrived first. They were all traditional media personnel who had worked with the Mo Corporation a few times and were more trustworthy.

Mo Shenbai asked the Butler to take care of them and let them sit down to rest, drink tea, and eat snacks.

Ten minutes later, Cang Ming and another man in a black t-shirt and army green pants came in with a white-haired old lady.

When she saw Mo Shenbai, her face was filled with shock. Fear and panic flashed in her eyes, and she quickly lowered her head.

Mo Shenbai's attention was on Xu Youyou and he did not care who had entered.

Mo Qinghuan leaned back on the sofa in a relaxed manner, scrolling through her phone. She glanced at the person who came in and said in a faint tone, " "This is the person you're looking for. "

"W-why are you guys looking for me?"

Xu Youyou sat up straight with her hands in front of her. She looked up at the old grandma in front of her. She looked kind and kind. If she had not seen it with her own eyes, she would not have known that she had done so many evil things!

"Let me introduce myself first. I'm Xu Youyou, Mo Shenbai's wife. "

The corners of her lips curled up, but there was no smile in her eyes. They were cold.

“I don’t need to introduce who Mo Shenbai is, do I?”

The old lady’s face was full of panic. She stammered, “Young Master.”

Mo Shenbai lazily lifted his eyes and glanced at her. He pursed his thin lips and did not say anything.

There were many servants in the Mo family. In addition, after so many years, she was old. It was even more impossible for him to recognize her at a glance.

However, he was a little curious. Why did Youyou ask a servant to come back?

“Now do you know why I asked you to come?” Xu Youyou asked.

She wanted to give him one last chance, hoping that he would take the initiative to tell her what had happened back then.
