

Chapter 376: All the assets _1

On the second day after Bai Ying was sent to the women's prison, Xu Youyou applied to visit her.

Across the glass, Bai Ying was wearing a prison uniform with her number pasted on her chest. Her long hair was cut short and she looked ten years older without makeup. She stared at Xu Youyou with a pair of malicious eyes and asked in a hoarse voice, "You haven't seen enough of me making a fool of myself in court and you still want to come here?"

"Now that I'm in prison, are you still not satisfied? Do you want me to die because I can't stand this humiliation? Don't worry, I won't die. I want to live and curse you to go to hell day and night!"

Xu Youyou was not surprised by her reaction at all. She had been self-centered and extremely selfish for so many years!

I didn't come here today to see you make a fool of yourself. You don't have a joke that's worth my time to make this trip.

Bai Ying scoffed coldly. then what are you doing here? "

"I just feel that there are some truths that you should know." Xu Youyou replied softly.

"What truth?"

Xu Youyou did not answer. Instead, she took out her cell phone and played the video that was taken that day.

When Bai Ying saw Qin Zhengzhen in the video, she was stunned for a moment. Then, as she listened to their conversation, her eyes widened, and her facial features gradually crumbled. It wasn't like this! You're lying to me, these are all fake ..."

She stood up agitatedly and kept slamming her hands on the table. Her fingers were red from the slapping, as if she didn't feel pain.

please sit down, " the prison guard warned coldly. keep quiet!!

Bai Ying was pressed down onto a chair by the prison guard, barely managing to control her emotions.

Xu Youyou put away her phone and looked calm. you're already here. Do I still need to lie to you? "

Bai Ying still shook her head. I don't believe you. I won't believe a single word you say.

"Whatever you want!" Xu Youyou's Red lips curled up slightly, and her clear eyes were full of sympathy. because you don't like the mo family, you didn't want to get close to da Bai after he was taken away by Grandpa for a period of time when he was young!

But they were clearly your biological children, yet you were so biased that you only loved qianyu and refused to give any to Great White! Even if he has never done anything wrong!"

Bai Ying's eyes were bloodshot, and the mist in her eyes slowly condensed into beads and rolled down. She was still shaking her head stubbornly.

Stubborn!

“If you give him a little bit of love, even if it’s just a little, it won’t make your family feel pain and your enemy feel happy!”

“Shut up!” Bai Ying covered her ears with both hands. Her face was full of tears and she looked a little crazy. what you said isn’t true. It’s not like this ... It’s not true.

She seemed to be saying it to Xu Youyou, but it was more like she was saying it to herself.

Xu Youyou laughed awkwardly. you know what? Great White has always cared about you. He didn’t explain for so many years not because he felt guilty, but because he knew how much pain you were in because of qianyue’s death. He used this method to punish himself and suffer with you!

Even if he hates that you don’t love him and hates that you did something to let his father down, he still cares about you! But you’ve never thought about him, not even once!”

Bai Ying was already sobbing uncontrollably. She lowered her head and no longer looked at her. Her tears fell on the table drop by drop, reflecting her pained and twisted facial features.

it’s time for your pain to end. It’s time for da Bai’s pain to end as well. Xu Youyou stood up and took a deep breath. I won’t come and disturb you again. Great White won’t come either. Your mother-son relationship ends here. Don’t meet again in your next life.

The so-called mutual debt was the only way to become a family, but it was fine to abandon a family like Bai Ying.

The prison guard walked over and was about to bring Bai Ying back to her cell.

Bai Ying kept shaking her head as she walked. no, it’s not like that ... It’s all fake. Yes, everything is fake ...

Her expression was strange and she was in a daze. After a few steps, she fell to the ground with a ” bang ” and fainted.

.....

Xu Youyou walked out of the prison. Although it was evening, the sun was so bright that she could not open her eyes.

Cang Ming took an umbrella and walked over to pick her up. Madam, Sir is in the Sky Garden. He said that if you’re done, you can go over for dinner.

Xu Youyou smiled brightly. okay, let’s go over quickly.

In the space garden.

Xu Youyou sensed something was wrong the moment she walked into the restaurant. There were no other customers except for the waiters.

Da Bai had already proposed to her last time, so why did he book the entire restaurant this time?

Under the manager’s guidance, Xu Youyou walked to mo shenbai’s seat.

It was still the same position as before.

Mo shenbai was not wearing a suit today. Instead, he was wearing a casual blue shirt with a ribbon around his arm. When he saw her walking over, he stood up and pulled the chair opposite her like a gentleman.

Xu Youyou sat down and put down her bag. She said with a smile, " "Why did you think of coming out for dinner today? you even booked the entire restaurant?"

"I don't want anyone to disturb our candlelight dinner."

Xu Youyou's eyes lit up with a smile and she joked, " "You're not planning to give me another surprise, are you?"

Mo shenbai didn't answer, but said in a low voice, " "Let's eat first."

He gave the manager a look, and the manager immediately snapped his fingers. The kitchen began to serve the dishes.

The setting sun outside the window slowly set. The dining room was not lit, but white candles were lit, making the atmosphere warm and romantic.

The air was filled with the faint fragrance of flowers. In the swaying candlelight, Xu Youyou's cheeks were flushed as if she had applied a thin layer of blush, cute and seductive.

After the meal, the manager asked for desserts and led them downstairs.

Xu Youyou dug into the dessert with a rose-gold spoon. The sweetness in her mouth seemed to melt into her heart. She looked at him from time to time with her bright eyes and a sweet smile.

Mo Shen's Black eyes also had a smile in them as he gazed at her affectionately, as if he wanted to engrave her appearance into his bones.

Xu Youyou was a little embarrassed by his gaze. why are you staring at me like that tonight? "

my Mrs. Mo is so pretty. I'll never get tired of looking at her!

Xu Youyou was elated by his words. She glared at him coquettishly and lowered her head to continue eating.

When mo shenbai saw that she was almost done with her dessert, he turned his head and gave PEI Chuan a look, who had been standing at the door for almost two hours.

PEI Chuan walked over with a document bag in his hand. President mo, Madam.

"Good evening," Xu Youyou greeted him.

PEI Chuan nodded and handed the document to mo shenbai.

Mo shenbai placed the document in front of Xu Youyou. this is for you.

Suspicion flashed in Xu Youyou's eyes, and she said in a half-joking tone,"What is this? Did you transfer all your assets to me?"
