

**Chapter 378: Can't plot against me (1)**

"Shut up, I don't want to hear it anymore." Xu Youyou berated him angrily.

He was afraid that if he continued to listen, he would either be angered to death or beat him to death.

The more she trusted him in the past, the more angry she was now!

Mo shenbai lowered his eyes, pursed his lips, and did not say anything else.

Xu Youyou's eyes were red with anger. She felt wronged, but her expression was extremely stubborn.

moshen Bai, I don't like you because you're so good to me, and I don't pity you because I know how pitiful you were in the past. I like you only because I like you. I want to love you more, and love is something you can't get.

With that, she picked up her bag and left.

Mo shenbai sat on the chair and did not move. He did not chase after her, but his eyes were full of tenderness as he followed her back ...

Guilt welled up in her eyes as she slowly lowered her head and laughed bitterly.

Of course, he knew that love could not be calculated. That was why he felt that he was selfish and despicable. He was not worthy of her sacrificing her dream to stay by his side.

From the very beginning, he was not worthy of her pure love, so he was destined to lose her in the end.

He told himself again and again that it didn't matter. No matter how angry she was, no matter if she still loved him in the future, they would always be husband and wife.

He could never lose her.

Xu Youyou walked out of the building. Cangming was about to step forward but she retorted, " don't follow me ...

Cang Ming:

Is Madam eating a meal or a gun?

Xu Youyou strode forward angrily and couldn't help but curse, " stinky da Bai, bad da Bai, you bastard, you've been lying to me all this time. Is it fun to watch me being played like an idiot? "

Although she said not to follow, how could cangming dare to not follow? if something went wrong again, he would probably have to die to atone for his sins.

He followed her from a distance and listened to her mumble. She seemed to be scolding Mr. Mo.

She touched the tip of her nose in embarrassment. Women were really scary. A soft and cute girl like Madam did not repeat her words when she scolded someone. Fortunately, she was single!

“So what if you’re smart? You’re so smart, but I don’t see you trying to save the Earth. Is it fun to bully an innocent person?”

The more Xu Youyou thought about it, the angrier she became. She was so angry that she was about to cry.

But why should I cry?

It wasn’t worth it to shed tears for a bastard. Today’s mascara was quite expensive!

Xu Youyou ran all the way until her feet hurt. When she saw a bench not far away, she walked over and sat down. She sniffled and took out her phone.

The phone was clean and there were no messages.

“Amazing, you don’t even try to coax me when you’re doing something wrong.” Xu Youyou was even angrier. Her cheeks puffed up like a pufferfish. if you don’t call me, I won’t talk to you anymore!

He opened his WeChat and called su lanxu. At this moment, he must get his best friend to complain.

Su lanxu listened to her patiently and scolded mo shenbai ten times. She couldn’t help but laugh.

“Lan lan, I’m already so angry, and you’re still laughing?” Xu Youyou felt that the boat of friendship was about to capsize. are you still a friend or not? ”

“If I wasn’t a friend, I would have hung up long ago.” “I just feel that the two of you are a match made in heaven!” Su lanxu said with a soft and pleasant voice.

“We’re not. I’m not worthy.” Xu Youyou, whose intelligence had been humiliated, sounded resentful.

“Think about it, that’s mo shenbai! His shrewdness and means were an instinct to survive in the business world. Such a powerful person actually spent so much effort to scheme against you. If he didn’t really like you, why do you think he spent so much effort? It’ll also affect the company’s profits.”

uh ... Xu Youyou could not refute him, but she was not willing to be deceived like this. but he lied. It’s wrong to lie! And whose side are you on? Why do I feel like you’re mo shenbai’s friend?”

baby, of course I’m on your side, but ... su Lan Xu dragged out her words and chuckled, ” I can be single, but the couple I’m in can’t BE!

Xu Youyou snorted and stopped talking.

“Then what do you plan to do?” su lanxu asked after a moment of silence.

“What can we do?” Xu Youyou was instantly discouraged. you can’t get a divorce in Ireland. I’ll never be able to get rid of the title of Mrs. Mo.

Stinky da Bai was really too treacherous!

“But you can’t take this lying down!” Su lanxu knew her very well. you’re not angry because he set you up to register the marriage, and you’re not angry because you can’t get a divorce in Ireland. You’re angry because you felt that your IQ was crushed and your pride was hurt. You’re angry from embarrassment!

“So what if I flew into a rage out of humiliation?” Xu Youyou felt indignant. he’s bullying me. I can’t be angry!

“Yes, yes, yes!” Su lanxu had never seen her so angry before. It was obvious that mo shenbai had really pissed her off.

you’re my good friend,” Xu Youyou warned her. you’re not allowed to put in a good word for him again.

“Yes.” Su lanxu went along with her and pretended to be confused, “ but he could’ve hidden it from you for the rest of his life. Why did he suddenly reveal everything and tell you all this personally? ”

Xu Youyou bit her pink lips and did not say anything else.

Su lanxu didn’t ask this question as she was very clear about it.

It was because she wanted to stay in Mo City and be by his side, and he did not want her to sacrifice her dreams for him, so he told her everything.

“Oh, moshen Bai really loves you.” As a bystander, su lanxu could see it more clearly than Xu Youyou. you can be angry with him and throw a tantrum, but don’t hurt his heart. Otherwise, you’ll be the one who gets sad in the end.

Xu Youyou suddenly deflated like a balloon and mumbled, “ I know ...”

He didn’t want to talk about this anymore, so he changed the topic. “By the way, how are you doing overseas? Did you meet any handsome guys?”

“There is!” Su lanxu replied.

“Ah!” “Are you two together?” Xu Youyou asked nosily.

of course ... su lanxu teased her and dragged out her words on purpose, “ No.

“Why?” “Don’t tell me you haven’t let go ...” Xu Youyou asked carefully, puzzled.

“That’s not the case.” Su lanxu knew who she was referring to and said generously, “ I just haven’t met someone who can really move my heart and make me fall in love with him! As for that silly Xu Jialu, I’ve stopped liking him for a long time.”

Xu Youyou was still in doubt. really? ”

“Of course it’s true,” Su lanxu’s tone was no longer filled with unconcealed disappointment when she mentioned Xu Jialu. Instead, she regained her usual decisiveness. life is short. I don’t want to waste a few more years on that stupid b \* tch! It’s his loss that he doesn’t like me, not mine.”

“Yes.” Xu Youyou did not refute her words. Instead, she was happy for her. then, I wish you to meet the right man soon. Let that silly roe deer regret it.
