

Chapter 379: Let's beat him up (1)

Xu Youyou hung up the phone, sat on the bench, and looked up at the moon hanging in the night sky. It was big and round, like a shaobing.

He thought about su lanxu's words and recalled the little things that happened after he met mo shenbai.

It was undeniable that he had played tricks on her, but all the good he had done for her was real.

It had nothing to do with how much money he had spent, but the effort he had put in was only for himself in the end.

He had been lonely for so many years, and it was not easy for him to see a ray of light. It was understandable that he wanted to try his best to catch it.

Xu Youyou took a deep breath and knocked herself on the head. he was clearly in the wrong. Why did you forgive him so quickly? he's not learning from his mistakes.

Cang Ming, who was standing in the distance, looked at her and was puzzled. Had Madam gone mad from anger?

Xu Youyou got up and continued walking after she had rested.

Only then did Cang Ming follow him. He struggled in his heart and asked, "Madam, it's late. Let's go back."

"I don't want to go back. If you want to go back, you can go back by yourself." Xu Youyou lowered her head and kicked the stones on the side of the road.

Cang Ming was speechless.

If you don't go back, how would I dare to?

Xu Youyou seemed to have thought of something and turned to look at him. "You're not allowed to call him to report my whereabouts. Otherwise, I'll tell him that you bullied me."

Cang Ming:

It was really like when the gods fought, the little devil suffered.

Xu Youyou walked to the entrance of an alley and caught a glimpse of a light sign hanging on the wall. She hesitated and walked in.

Cang Ming hurriedly followed him in.

As soon as Xu Youyou entered, she heard the man's lazy voice. it's time to knock off.

"Can't you work overtime?" Xu Youyou asked.

The man had a head full of instant noodles, and he was wearing a tank top that revealed his tattooed arms. He was also wearing colorful shorts. When he looked up and saw her, he said impatiently, "I don't accept minors here."

Xu Youyou was speechless.

“Little girl, it’s late. Go home and do your homework! Study hard and don’t keep thinking about unreliable things like love. There aren’t many good things about men.”

The corners of Cang Ming’s mouth twitched. So you’re not a man anymore?

Xu Youyou was immediately furious. Why did he still treat her as an underage girl?

“I’m an adult now. If you don’t believe me, you can ask him!”

The man glanced at Cang Ming. your daughter? How can there be such open-minded parents? they brought their daughter to get a tattoo in the middle of the night!”

Xu Youyou was speechless.

Cang Ming was standing in the shadows at the door. When he heard his words, he couldn’t help but walk in and slam his palm on the table. if your eyes are useless, you can donate them. She’s my wife!

The man was speechless.

Suspicious eyes looked back and forth between the two of them. After a moment of hesitation, he asked, ” “Are you guys cosplaying?”

Xu Youyou took a deep breath and turned to cangming. “Why don’t you just beat him up!”

“Sure!” Cang Ming nodded.

The man immediately waved his hand. no, no, no, I was just joking, just joking!

She immediately looked at Xu Youyou and asked eagerly, ” “Little wifey, what do you want to get tattooed?”

Xu Youyou had already thought about it. She stretched out her right hand. I want to tattoo on my hand.

“Are you sure? The nerve endings in the fingers are several times more than the rest of the body, so the pain should be second only to the ribs, but it will be very painful.”

Xu Youyou felt pain in her fingers when she heard his words, but she thought of something and said with confidence, ” “Tattoo.”

“Then follow me.”

The man brought her to the working area of the store.

Cangming was not allowed to come in, so he could only sit outside and wait. Before Xu Youyou went in, she warned him, ” “You’re not allowed to tell him, or I’ll deduct your salary!”

Cang Yun’s scalp tightened and he said seriously, ” don’t worry, Madam. I will definitely not tell sir that you are no longer angry.

Xu Youyou was speechless.

Forget it, I’ll just deduct the money.

.....

Xu Youyou wanted to draw, so she refused to use anesthetics and asked him to tattoo her.

“Little wifey, you’re very brave.” The man teased her as he disinfected the tools and her hands.

The man had just inserted the first needle, and Xu Youyou was in so much pain that tears welled up in her eyes, and her face was red.

Usually, she was most afraid of pain. She didn’t even dare to receive an IV, let alone get a tattoo.

“Why don’t we just stop?” The little girl’s eyes were full of tears. He was afraid that half of the tattoo would not be able to take it and he would not be able to do it.

Xu Youyou shook her head firmly. Her voice was soft but firm. I can do it.

The man did not ask any more questions and focused on tattooing her.

Xu Youyou only tattooed one word. It did not take long, but it was not short either. Although she did not cry out in pain throughout the entire process, she was drenched in cold sweat and felt dizzy.

“It’s done,” The man complimented as he packed up, ” “Little wifey, you’re quite brave.”

Xu Youyou lay on the chair and let out a long sigh of relief. She took the tissue he handed over and wiped the sweat from her forehead.

The man told her about the things to take note of when they went back and then went out.

Xu Youyou lay on the chair for a while before she recovered.

Cang Ming lifted the curtain and walked in. Seeing her pale face, he asked worriedly, ” “Madam, are you alright?”

Xu Youyou nodded. I’m alright.

It’s just so painful QAQ

“Should I call a car to send you back?”

Xu Youyou shook her head. I want to go home. Back to my own home.

Cangming was afraid that his salary would be deducted, so he didn’t dare to say anything and immediately called a taxi.

When Xu Youyou returned to the Xu family, it was already twelve o’clock. Xu Jiali and Cheng Ying had already gone to bed, but Xu Jialu was sitting on the sofa watching TV.

She said she was watching TV, but she kept changing the channel with the remote control in her hand. She was absent-minded, and only dropped the remote control when she heard movement at the door.

Xu Youyou was stunned to see him. brother, why aren’t you resting yet? ”

Xu Jialu leaned on the sofa with his hands crossed in front of him. He stared at her with a faint smile. you’re back at your mother’s house so late at night. Did you fight? ”

Xu Youyou lowered her eyes and did not say anything.

Xu Jialu waved. come here.

Xu Youyou walked to his side and sat down. She drooped her head like a frozen cabbage.

even though that old dog mo is full of evil tricks, he's still sincere towards you. Xu Jialu's thin lips opened slightly, and he said seriously, "it's wrong of him to lie to you and get married in Ireland, but for the sake of his deep love, go back to your mother's house for a few days to punish him. Don't be angry, it's not worth it.

Xu Youyou raised her eyes. you ... Already knew?"

Xu Jialu chuckled. my silly sister, I've already reminded you. Who was the one who said that Great White was a good person and had a kind heart?"

Xu Youyou was speechless.

Which great resentment seed said such silly words?

Oh, I'm the big wronged seed.

Xu Jialu ruffled her hair. it's good that you know what kind of person he is now. Don't be so silly as to believe whatever he says in the future. Be more careful about everything. It's a lesson for you.

Xu Youyou was silent for a long time, then pursed her lips and said, "Brother, I've decided to go to Paris."
