

**Chapter 383: He's really crazy (1)**

PEI Chuan continued, " Qin zhengzhen's son has been pampered since he was a child. He's ambitious. A few years ago, his investment and company failed. In the past two years, he's been working for his relatives. However, he's not clean and often quarrels with them. It's just that Qin zhengzhen's side is not good to fall out with him. Besides, he's a gambler and I think he often hits his wife.

pa! Xu Youyou slammed her chopsticks on the table in anger. men who beat their wives are scumbags. They should be shot to death!

PEI Chuan was so frightened by her that he shivered and looked at mo shenbai helplessly. President mo, I swear to God, I don't hit my wife.

Mo shenbai glanced at him indifferently. You have a wife?

PEI Chuan was speechless.

Yeah, I don't have a wife yet.

Mo shenbai looked at Xu Youyou and said in a gentle voice, " if you're angry, just be angry. Don't slam the table, or your hands will hurt.

Xu Youyou raised her hot palm. I couldn't help it.

Mo shenbai glanced at her fair and tender little hand, which seemed to be a little red. He frowned slightly and said in a deep voice, " deal with it. Consider it as helping the heavens.

Qin zhengzhen's son was a gambler, and as long as he could make use of this, he would be able to send him to the 18th level of hell, never to rise again.

"Yes, I'll get someone to arrange it." After PEI Chuan finished speaking, he did not leave. Instead, he stood on the spot with a hesitant look on his face. He seemed to have something to say.

Mo shenbai raised his eyes and glanced at him. what else? "

PEI Chuan replied carefully, " there's news from the prison. Bai Ying seems to have gone crazy because she couldn't take the blow.

Xu Youyou was stunned. She turned to look at PEI Chuan, surprise flashing in her eyes.

Had Bai Ying gone crazy?

Mo shenbai's hand paused, and his voice was calm without any emotion. have you really gone crazy? "

PEI Chuan nodded. the prison has asked a psychiatrist to do a test. It's confirmed that he's mentally unstable. He'll be transferred to a mental hospital after going through the procedures.

Many years ago, Bai Ying thought that mo shenbai was sick and wanted to send him to the mental hospital.

She didn't expect that she would be the one going in.

Perhaps this was the cycle of karma, the retribution of reincarnation.

Mo shenbai was silent.

“Do you need me to arrange for a doctor to diagnose her again?” PEI Chuan could not read the emperor’s mind and could only ask for instructions carefully.

“No need. From now on, her matters have nothing to do with me.”

What he meant was that he didn’t want to hear any more news about the white cherry blossom.

PEI Chuan understood and turned to leave, not wanting to disturb them.

Xu Youyou licked her lips and looked at mo shenbai. Bai Ying has really gone crazy.

Mo shenbai gave a faint “hmm” and didn’t want to mention this person again.

“Could it be that she couldn’t take it when I told her the truth last time ...” Xu Youyou mumbled.

“Let’s eat,” Mo shenbai helped her pick up some food.

“Da Bai, are you sure you’ll be fine?” Xu Youyou asked worriedly.

Mo shenbai put down his chopsticks, his expression calm, and said seriously, “ my mother-and-son relationship with her was broken the moment she raised her butcher’s knife at you.

No matter what Bai Ying did to him, he could still tolerate it. However, if Bai Ying wanted to hurt Xu Youyou, he would not tolerate it anymore.

Xu Youyou was his bottom line, a reverse scale that no one could touch.

Xu Youyou heaved a sigh of relief when she heard him say that. The next second, she began to worry again. does Fu jianchen know about it too? Will he hate me to death?”

He had saved her, but she had made his mother crazy!

At the mention of Fu jianchen, her dark and white eyes seemed to have been doused in cold water. is he very important to you? ”

Xu Youyou smelled the sourness in the air and quickly corrected herself, “ let him hate me then. I didn’t do anything anyway. I just told Bai Ying the truth about what happened back then.

Mo shenbai snorted softly. Don’t think that he didn’t know that she was just playing with him.

Xu Youyou smiled adorably and innocently.

Mo shenbai didn’t argue with her. eat more. You won’t be able to eat it when you go abroad.

“Why would I?” Xu Youyou answered casually, “ I can make it myself.

Mo shenbai looked at her without saying anything.

Xu Youyou came back to her senses and smiled foolishly again. She lowered her head and obediently ate her food.

Life isn't easy, Oh sigh ε=(\*))

When Bai Ying was transferred to the mental hospital, Xu Youyou still went there secretly. However, she did not go in to see her. Instead, she waited outside for Fu Jianchen, who had just come out.

Fu Jianchen hadn't seen her for a long time and taunted, " what wind has blown the Honorable Mrs. Mo here? "

Xu Youyou looked apologetic. are you angry at me? "

Fu Jian lowered his eyes. if you're referring to my mother's madness, I'm not angry. It's better for her to be here than in prison. It's even better for her to forget about the past.

Xu Youyou was surprised. then why are you angry? "

She couldn't think of how she had offended this Master Chen again!

Fu Jianchen looked at her from the corner of his eyes. Xu Youyou, if you get stabbed for someone and you can't take care of yourself for a month, but that person doesn't say anything other than a thank you, Won't You Be angry? "

Xu Youyou finally reacted and immediately said, " I was busy before. I'll treat you to a meal. Why don't we do it today? "

"I'm not going if I'm not sincere." Fu Jianchen said as he walked to the car by the roadside.

Xu Youyou followed behind him. what do you want then? " Tell me, as long as it's within my power, I'll definitely help you."

Fu Jianchen stopped abruptly and turned back to look at her. you said you were busy. What are you busy with? "

What else could she be busy with? she was still busy being lovey-dovey with that mo guy. She clearly knew, but she still couldn't help but ask and torture herself.

"I'm busy learning a language to go abroad."

Fu Jianchen's eyes tightened. you're going overseas? Where are you going? "

"The Paris Academy of Fine Arts." Xu Youyou answered, her eyes twinkling like stars. my teacher recommended it to me. It's a paradise for art. I want to go and see it too.

Paris Academy of Fine Arts.

That was also the place he yearned for the most. Unfortunately, he had been rejected many times after applying, but now ...

The hands by his side slowly clenched, but he couldn't even clench his fists.

"When are you leaving? "

"In another two months."

Fu Jianchen nodded and said absent-mindedly, "Oh, then I wish you a safe journey."

She turned around and was about to get into the car.

"Eh?" Xu Youyou said gloomily, "I took a plane there."

Who would wish someone a safe flight? They would definitely go missing halfway.

Fu Jianchen straightened his back and turned to look at her. "You still remember what you promised me?"

"What?" Xu Youyou was stunned.

He knew that she had forgotten.

"I'll be your manager," Fu Jianchen said angrily. "I'll be in charge of everything you do in the future."

Xu Youyou reacted and said with a smile, "From now on, I'll only hang my paintings in your gallery, okay?"

Fu Jianchen snorted and reluctantly agreed.

Two months was a long time, but it passed by very quickly. Xu Youyou was going to fly to Paris before the Mid-Autumn Festival.

Mo Shenbai had asked someone to air her luggage in advance, so she only had to carry a large box of her clothes and set off to the airport.
