

Chapter 384: Not going to hug me (1)

Xu Youyou might not even be able to come back during the spring Festival, so a large group of people went to the airport to send her off.

Mo shenbai didn't send her to Paris personally because Xu Youyou had requested not to send her, and also because he had some things to deal with.

Along the way, the two of them held each other's hands tightly, their fingers intertwined like old tree roots, without a single gap.

At the airport, Xu Youyou checked in her luggage and got her boarding pass. She turned around and walked to the crowd that had come to see her off.

Cheng Ying and Xu Jiushu kept telling her to take good care of her outside, to eat three meals a day on time, to remember to wear more clothes in the cold weather, and not just to look beautiful.

Xu Youyou obediently agreed to all of them, repeatedly swearing that she would take good care of herself.

When they heard this, they didn't say anything, but they were still worried.

After all, a mother would be worried when her son traveled a thousand miles.

Mo Zhiyun was reluctant to leave. Oh, you have to call back more often. Any time is fine. I don't have anything to do anyway.

Xu Youyou nodded and agreed.

Mo Qinghuan did not leave Mo City, so he naturally came to send her off and gave her a set of pearl jewelry.

Xu Youyou wanted to decline.

"This is my gift to you. You're the Mo family's daughter-in-law. When we get married, I'll make it up to you with a better one." The last time she came back in a hurry, she didn't have time to prepare. This time, she was going abroad, so she couldn't pick anything that she thought was good.

She had bought this set of pearl jewelry from an auction abroad previously, and it was considered a good item.

Since it was a meeting gift, Xu Youyou naturally couldn't reject it. Thank you, little aunt.

Just focus on your studies when you go out. Don't worry about anything else. When you come back, the Mo family will give you a grand wedding. This was Mo Qinghuan's promise to Xu Youyou as Mo Shenbai, and also to the Xu family.

Xu Youyou hugged the jewelry box and smiled shyly.

Mo Qinghuan glanced at the Rose Gold Diamond watch on her wrist. I still have something to do, so I won't send you on board.

Xu Youyou waved goodbye to her.

Mo Qinghuan, Cheng Ying, and Xu Jianshe greeted each other, then turned around and left in high heels.

Xu Jialu kept his hands in his pockets and didn't say a word. His eyelashes were lowered, and it was obvious that he couldn't bear to see his precious sister leave.

Xu Youyou walked up to him and opened her arms. brother, aren't you going to hug me? "

"Hug my ass! It's so mushy!" Xu Jialu raised his head and glanced at her. When Xu Youyou pouted, he stepped forward and wrapped his long arms around her, pulling her into his arms tightly.

"Brother, I'm not at home. You have to take good care of mom and dad! They're old, don't always quarrel with them."

This hug filled the air with a sense of parting and Xu Youyou's nose began to sting.

I don't care about them, " Xu Jialu said stubbornly. if you're so worried, you should finish learning and come back soon! Take care of yourself!"

Xu Youyou smiled helplessly. also, you're not young anymore. If you meet a girl you like, pursue her and marry her as soon as possible.

The corner of Xu Jialu's mouth twitched, and he reached out to slap her on the head. you're so rude. You're even trying to control me.

Xu Youyou puffed up her cheeks in anger. I'm serious. You can still find a good one now, but in a few years, when you're middle-aged and bald, there won't be any young girls who like you.

"You're the one who's bald!" Xu Jialu retorted angrily.

"I didn't say that programmers go bald easily."

Xu Jialu raised his hand and wanted to knock her head again, but Mo Shenbai came forward and pulled Xu Youyou to his side. He warned him with his eyes, " Enough is enough.

How many more times did he want to hit his wife in front of him?

Xu Jialu rolled his eyes at him, "just protect me!" I'll shit on your head sooner or later!

Mo Shenbai, I'm happy to!

Xu Jialu was speechless.

Kang Mingcheng was stuck in a traffic jam on his way here. He got out of the car and wanted to go in to look for someone, but he caught a familiar figure from the corner of his eye.

He suddenly stopped in his tracks and looked at the blurry figure behind the car door in surprise. His pupils were locked.

Could it be that she had returned?

The car left the airport in no time. Kang Mingcheng snapped out of his daze and chased away the ridiculous thoughts in his mind.

How could she have come back?

She hated this city to death, and she hated herself to death.

He walked into the airport quickly and found Xu Youyou.

“Fortunately, I made it in time.”

Xu Youyou was surprised to see him. teacher Kang, why are you here? ”

you’re my favorite student. I have to send you off. Kang Mingcheng passed her the bag in his hand.

“Here’s some information, as well as the contact information of a few of my friends abroad. If you encounter any difficulties, you can contact them at any time. I’ve already informed them.”

“Thank you, teacher Kang. You’ve really put in a lot of effort.” Xu Youyou did not reject her teacher’s kindness and took the bag.

Teacher Kang looked at her lovingly and patted her on the shoulder. I wish you a safe journey. I wish you success in your studies and that your dreams come true.

“I’ll definitely work hard and not let you down, teacher,”

Xu jiushu looked at the time and reminded him, ” it’s almost time. You should go in quickly. Remember to call more often. It’s fine if you don’t want to call or send messages!

“En!” Xu Youyou nodded and handed the things to mo shenbai. She stepped forward and hugged everyone, waving goodbye to them.

Mo shenbai accompanied Xu Youyou through the security check and entered the VIP lounge.

There was still half an hour before the plane took off. The two of them sat on the gray sofa with their fingers crossed and did not speak.

From time to time, there would be the sound of a plane taking off outside, and there would also be noise from the hall.

Xu Youyou raised her head and looked outside. Her eyes were wide open, seemingly filled with curiosity.

Mo shenbai seemed to have seen through her thoughts. you want to go out? ”

Xu Youyou nodded. I want to go out and take a look.

Mo shenbai got up and pulled her out of the VIP room. They passed through the waiting crowd and stood in front of the huge glass wall. There were planes parked on the tarmac outside.

One of them would soon take Xu Youyou to a distant country.

“When I was young, I often saw planes in the sky in the countryside. At that time, I was very curious about what it looked like inside a plane. Where will it fly to?”

Mo shenbai turned his head, his black eyes warm, and his thin lips pursed without saying a word.

I only understood after I grew up that every plane carries not only one person, but also the reunion of a family and the longing of many people.

Xu Youyou looked up at moshen Bai. dabai, I'll work hard to study and see the world, then I'll come back to you without stopping. But even so, you'll miss me very much and become depressed and unhappy.

Mo shenbai's eyes narrowed slightly, and he pursed his lips, still not saying anything.

"Da Bai, I hope you won't become depressed and unhappy just because I'm not by your side. A good love is for two people to work hard together to walk towards a better future, not to fall into the abyss with each other."
