

**Chapter 394: My wedding (1)**

“What?”

“You’re going to have a wedding with mo shenbai when we get back.”

Xu Youyou was overseas, but mo shenbai had already started preparing for their wedding in China. It could be said that everything was ready except for the bride.

“I’m not nervous, I’m just looking forward to it.” Xu Youyou smiled at the thought of being able to see Great White soon. I haven’t seen him for more than two years. I’m sure he misses me a lot. I wonder what his expression will be when he sees me? ”

Su lanxu thought about how that cold and Noble man had been waiting for Xu Youyou to come back in Mo City and her eyes were filled with envy. Youyou, you’ll definitely be very happy.

Xu Youyou looked at her and nodded with a smile. She changed the topic. “You haven’t been in a relationship for the past two years?”

“I’ve talked to one!” Su lanxu replied.

Xu Youyou’s eyes widened and she immediately asked, “ are you still together? ”

Su lanxu smiled and nodded. yeah.

Xu Youyou was happy for her. is she good-looking? Do you have any photos?”

Su lanxu opened the photo album on her phone and showed her a picture of her and her boyfriend. this is my boyfriend.

“It’s not the handsome blond man!” Xu Youyou looked at the black-haired, black-eyed young man in the photo. He looked refined, clean, and not bad.

handsome blond men are too passionate and unrestrained. I still prefer the restraint of us Easterners. Su lanxu put down her phone.

it doesn’t matter if he’s a handsome man with blond hair or black hair. As long as you like him and he likes you and treats you well, it’s fine! Xu Youyou laughed.

At the mention of her boyfriend, su lanxu’s eyes were full of smiles. She said with certainty, “Don’t worry, he’s very good to me.”

The two of them chatted until the middle of the night. Unable to resist Duke Zhou’s urging, they fell asleep.

.....

The next morning, Fu jianchen knocked on the door. When he saw the two of them with panda eyes, his expression was indescribable.

“You guys didn’t talk all night without sleeping, did you?”

“No, no, I didn’t,” Xu Youyou quickly denied.

Su lanxu yawned and added, “ we talked until 3 am.

Xu Youyou was speechless.

Fu jianchen’s face darkened visibly. He put the breakfast he had bought on the table and reprimanded in a low voice, “ how many times have I told you that staying up late is bad for your body? can’t you just listen to me for once? ”

Xu Youyou nodded carefully. I’m listening. Wasn’t it an accident last night? ”

Fu jianchen sneered. you say that every time, but you never change. If mo shenbai said it, would you listen? ”

Xu Youyou scratched her ear and signaled him with her eyes to save her face. Lan lan is still here!

Ever since Fu jianchen had become her manager, he had become a strict father and was stricter with her day by day!

Fu jianchen ignored her and said in a deep voice, “Hurry up and finish your breakfast. I’ll send you to the airport in half an hour.”

Xu Youyou heaved an obvious sigh of relief as she watched him leave.

Su lanxu couldn’t help but laugh.

Xu Youyou returned to the dining table and sat down. She glanced at her. what are you laughing at? ” Is it that funny?”

I thought you were only afraid of mo shenbai. I didn’t expect you to be afraid of another person now.

“I’m just listening to my manager, not afraid of him.” don’t spout nonsense. I’m not afraid of Great White,” Xu Youyou argued.

Su lanxu didn’t believe her at all. As she ate her breakfast, she tried to hold back her laughter and almost choked on it.

Half an hour later, Fu jianchen drove them to the airport. As he drove, he reminded Xu Youyou.

She couldn’t indulge herself when she went back. She had to draw every day and take care to protect her hands. If a company in the country wanted to cooperate with her, she couldn’t agree, and she couldn’t just give her drawings to others!

Xu Youyou agreed to all of them.

Fu jianchen was about to say something, but Xu Youyou could not take it anymore. why don’t you send a document to PEI Chuan? my memory is bad and I can’t remember so many things.

Fu jianchen was silent for a moment. send me PEI Chuan’s WeChat later. I’ll contact him.

Xu Youyou was speechless.

You really dare to post it!

Su lanxu laughed all the way to the airport until Fu jianchen said, " she's been drawing for a long time, so her shoulders aren't in good condition. Her arms and hands can't be injured. Don't let her carry the luggage!

Su Lan Xu stopped smiling and said seriously, manager Fu, don't worry. I will definitely take care of our great artist Xu. I will not let our future superstar fall.

"Yes." Fu jianchen nodded without changing his expression.

Su lanxu was speechless.

Xu Youyou was speechless.

The atmosphere was awkward for a few seconds. Xu Youyou quickly changed the topic. the school ...

Before she could finish, the man interrupted her. I'll help you with the remaining procedures at the school. I'll go back when the house is settled.

Xu Youyou nodded. She hesitated for a moment before saying, " "Can you come back in time to attend my wedding?"

Fu jianchen's expression was calm and unmoved. He said softly, "As long as none of you are crazy enough to hold the wedding in half a month, you should be able to make it."

"I won't." Xu Youyou's face was full of smiles when she heard that. I'll wait for you to come back and attend my wedding. If you like any girl, let me know and I'll help you matchmake.

"The painting you owe Mrs. Wilson ..."

ah, it's almost time. Lan lan, let's go!

Su lanxu, who was originally enjoying the show, was dragged by her to the security check.

Fu jianchen looked at her running away in a panic and his lips twitched mechanically.

Little guy, I can't control you!

\*\*\*

At an altitude of 30000 feet, Xu Youyou was sitting against the window and looking at the clouds outside with excitement in her eyes.

She could finally go home and see da Bai.

In contrast to Xu Youyou's anticipation, su lanxu was not as excited. After all, she would not be able to see her boyfriend for a while after returning to the country.

Xu Youyou teased her, " we've only been apart for a few days and you're already missing him? "

Su lanxu looked at her. you sound like you don't miss mo shenbai!

"I do. I'm thinking about it all the time." Xu Youyou touched the words on her ring finger. but he's always been in my heart. No matter where I go, I always feel that he's by my side and has never left me.

Su lanxu took a deep breath. I'm not as high as you. I'll fly back immediately after I finish renovating the house and attend your wedding! Don't ever be separated from him again!"

Her parents were getting old and were about to retire. They wanted to return to Mo City to settle down. However, she had been abroad for almost three years and no one took care of her house in Mo City. This time, she wanted to renovate the house so that her parents could spend their old age in peace.

With su lanxu accompanying her to chat and relieve her boredom, time passed by very quickly. When the plane landed at Mo City International Airport, Xu Youyou stepped off the plane and stepped on the soil of her hometown, feeling a wave of excitement.

He was back.

I'm finally back!

Su lanxu went with her to get the luggage. While they were waiting for the luggage, the noisy crowd suddenly quieted down, and there was the sound of urgent but steady footsteps.

Xu Youyou turned around curiously and was instantly stunned.
