

**Chapter 399: A gift from the madam (1)**

Xie tingxi, Xu Youyou, and Mo shenbai greeted each other and sat down. He took off his suit and placed it on the back of the chair.

Seeing this, mo shenbai also raised his hand to unbutton his shirt. Not only did he take off his coat, but he also unbuttoned his sleeves. His movements were extremely slow, and his slender fingers were beautiful. Moreover, the diamond on the wedding ring was shining, and it was hard for Bo Qi and Xie tingxi to not see it.

Xie tingxi's eyes flashed, and he picked up his glass to drink.

Bo Qi raised his eyebrows. Aiyo, where did this big diamond ring come from!

Mo shenbai calmly put down his hand and said, "Madam gave it to me. She designed it herself."

Xu Jialu couldn't help but roll his eyes.

This Dog Man is here again!

Bo Qi choked. He felt that he should not have said so much. He couldn't help but complain to Xie tingxi, "tingxi, look at this person. When his wife isn't around, he's like a dead dog. When his wife comes back, he f\*cking abuses us single dogs!

Xie tingxi smiled. do you think he really wants to unbutton his shirt?"

Bo Qi was stunned. When he reacted, he could not help but spit. shameless.

Mo shenbai said as he picked up his glass and drank without changing his expression.

"Jealousy makes one unrecognizable."

Bo Qi was speechless.

He had seen shameless people, but he had never seen someone so shameless!

"Little loli, aren't you going to do something?"

Xu Youyou didn't want to join in the childish bickering between the men. I'm going to the bathroom.

Mo shenbai raised his eyebrows. I'll accompany you.

"No need," Xu Youyou stood up and walked in the direction of the washroom.

Mo shenbai was worried, and his eyes were glued to her back, full of warmth.

Bo Qi sighed helplessly. alright, she can't run away from my place! Can't you give us single dogs a chance to live?"

When the figure disappeared from his sight, mo shenbai retracted his gaze and glanced at him indifferently without saying a word.

Bo Qi could not be bothered to deal with him, seeing him like this when his wife was not around.

By the time Xu Youyou came out of the bathroom, the men had already changed the topic.

Xu Youyou sat down and Mo shenbai brought her a glass of fruit juice and some delicate and pretty small cakes.

More and more guests were coming to the Bar and Bo Qi was about to change their location when Xu Youyou suddenly saw a familiar figure. She waved and said, "Lanlan ..."

Xu Jialu's hand that was holding the wine glass paused. He followed her gaze and saw su lanxu walking over from the crowd.

She was wearing a white lace dress, waist-length hair, simple jewelry, and light makeup. In this scene, she looked a little pure.

Su lanxu walked over and greeted them. When her eyes met Xu Jialu's, she was not surprised, nor did she have any reaction. She just smiled.

"Aiyo, what are you guys doing here?"

"Bo Qi is holding a welcome party for us." Xu Youyou answered, "what about you?"

"Two of my friends know that I'm back and asked me to come out for a gathering." Su lanxu pointed at the two girls sitting at the bar. they said that LAN Huo would provide free drinks tonight. I didn't expect it to be because of you.

Xu Youyou saw that her friend was also looking in her direction and said considerately, "Then you should go."

He wasn't jealous that su Lan Xu was playing with someone else the moment she came back.

"Then I'll come and find you later!" Su lanxu blinked at her, then greeted Bo Qi and the rest before walking towards her friend.

Bo Qi touched his chin. it feels like she's different.

Xu Youyou was surprised and asked curiously, "What's different?"

Bo Qi thought for a moment and replied, "I think she's more mature. She's more feminine now."

When Xu Jialu heard that, he couldn't help but sneer. feminine? Her? ERHA Bo, if your eyes are useless, you can donate them."

Bo Qi threw a pillow at him. get lost, who are you calling an idiot!! You silly roe deer!"

Xu Jialu nimbly turned his head to avoid it, and the pillow fell to the ground. When he raised his glass to drink, he subconsciously glanced at the bar.

Su lanxu chatted with her two friends for quite a while before she came over with a glass of wine.

Xu Youyou asked her to sit beside her. you're done talking so quickly?"

Su lanxu: "the two of them are working at a renovation company. I'm just looking for them to ask about the renovation. We'll talk about the details at their company tomorrow.

“Renovation? Little beauty su is also going back to Mo City to settle down?” Bo Qi asked casually.

“My parents are going to retire soon, so I’m back to help them renovate their house.” Su lanxu explained.

Bo Qi replied with an “Oh.” He suddenly thought of something and said, I think the biggest renovation company in Mo City is mo shenbai’s company!

Su lanxu immediately looked at Xu Youyou.

Xu Youyou looked at mo shenbai again.

you can contact PEI Chuan directly tomorrow. Mo shenbai’s words were concise and to the point. He naturally would not personally ask about such a small matter.

then, I’ll thank President mo first. Su lanxu saluted him and winked at Xu Yu. of course, I have to thank Mrs. Mo too.

Xu Youyou patted her arm. don’t make fun of me.

To show her sincerity, su Lan Xu downed the entire cup.

“Little beauty su, you’re a good drinker.” Bo Qi clapped.

Xu Jialu’s lazy body slumped on the sofa, and a trace of sneer flashed across his handsome face. the SU family is going bankrupt! You even want to take this little advantage!”

brother ... Xu Youyou glared at him.

Su lanxu didn’t fly into a rage as he expected. Instead, she smiled faintly. my family isn’t bankrupt, but I want to find a good designer. Since I have a friend’s connections, there’s no harm in using them.

This was a society where people were worldly. She didn’t think it was a sin to use her friend’s connections to do something. It wasn’t like she didn’t pay.

Xu Jialu choked. Faced with her reasonable answer, he couldn’t find any words to fight back.

Bo Qi poured her another glass of wine. well said. Don’t worry about that stupid spore. He’s a King of flame and will scold anyone he doesn’t like!

Su lanxu smiled nonchalantly. I haven’t thanked boss Bo for treating me to a drink tonight.

“You’re welcome!” Bo Qi raised his glass. since you’re little loli’s friend, you’ll be my friend in the future too. If there’s anything you need, just say the word. Don’t stand on ceremony with me!

Su lanxu raised her glass. She had finally befriended Bo Qi.

Xu Jialu looked at her talking and laughing with them with ease, and he felt a little unhappy.

Bo Qi felt that it was too boring to only drink and suggested playing games.

Xu Youyou leaned on su lanxu’s shoulder and asked curiously, “ what game are we playing? ”

“Time to shake the dice.” Bo Qi thought for a moment. this is the simplest. We’ll just compare the sizes.

“What’s the punishment?” Su lanxu had played this before.

“The one with the most points can ask the one with the least amount of points. If you don’t answer, you’ll have to drink a cup of wine.”

The drunken life was the strongest wine in LAN Huo.

Mo shenbai frowned. Youyou won’t be participating.

da Bai ... Xu Youyou had never played a game in a bar before and really wanted to experience it. She tugged on his sleeve and looked at him with pitiful eyes.
