

PAMPERING 400

Chapter 400: I lied to you (1)

Mo shenbai's principles were defeated again.

Bo Qi asked the waiter to bring the dice. He shook it first, and there were two sixes. He was obviously a veteran at gambling.

After one round, Xu Youyou was the smallest, 1 and 2.

Bo Qi gave a meaningful smile and stared at Xu Youyou. little loli, I won't let you off on account of your husband.

Xu Youyou was a little nervous because of him, and her little hand clutched mo shenbai's sleeve tightly.

Mo shenbai furrowed his brows and glanced at Bo Qi unhappily. don't scare her.

"I know, I'm just joking." After Bo Qi finished speaking, he looked at Xu Youyou, coughed lightly, and asked, "How many times a night?"

Xu Youyou was stunned. When she came to her senses, her face turned red. She bit her pink lips and did not know how to answer.

I can't be serious ()

Mo shenbai's eyes were cold. Bo Qi!

Bo Qi had an innocent look on his face. this question is already at the beginner level. I didn't even ask which position is the best, or if it's high ...

Xie tingxi coughed and interrupted him, " there's an unmarried woman present. Be careful.

Bo Qi reacted and looked at su lanxu apologetically, " "I'm sorry, I'm sorry ... I'll drink this as punishment!"

Su lanxu smiled and didn't reply.

No matter how mature and bold Xu Youyou had become from her training abroad, she could not bring herself to talk about this topic. She picked up her glass and wanted to drink.

A hand reached out from the side to take the cup from her hand and drank it all in one gulp.

da Bai ... Xu Youyou bit her lip. She had not expected him to drink for her.

Mo shenbai put down his cup and opened his thin lips. I'm fine.

The game restarted. This time, Xu Jialu was the biggest and Xie tingxi was the smallest.

Xu Jialu crossed his legs and looked at Xie tingxi. He asked in a lazy tone, " how many women have you had after Yun Youwei? "

When the people present heard the name 'Yun Youwei', their expressions changed. Only Xie tingxi remained calm and replied with two words.

“Yingluo didn’t.”

Xu Jialu squinted her eyes as if she didn’t believe him. She was about to speak when Xie tingxi said, ” again.

He successfully stopped Xu Jialu from asking the second question.

In the third round, Xu Jialu still had the biggest number, but the smallest was not Xie tingxi, but su lanxu.

Xu Youyou suddenly became nervous and stared at Xu Jialu, afraid that he would ask something that would embarrass lan lan.

Xu Jialu glanced at su lanxu with a sly look in his eyes. have you ever told Xu Youyou that one of the people who bullied her was your cousin? ”

The moment he said that, the atmosphere instantly froze.

Mo shenbai’s face was visibly gloomy, and his eyes were like knives.

Xu Youyou was also surprised. Lanlan ...

She had never known about this.

Su lanxu’s face was drained of blood. She thought that Xu Jialu would ask something embarrassing or embarrassing, but she did not expect this!

It turned out to be the truth that she had been hiding in her heart, the truth that she had been uneasy about and did not dare to let Xu Youyou know.

The atmosphere was dead silent.

Su lanxu gritted her teeth until she tasted something metallic. Her voice was almost squeezed out of her throat.

“No, I didn’t,”

Oh,” Xu Jialu said lightly and looked at her with interest, as if he was watching how she would end this.

Su lanxu didn’t know how he found out, but it didn’t matter anymore.

The important thing was that her cousin had bullied Youyou before. The important thing was that she had deceived Youyou for so many years.

Su lanxu’s pale face was filled with shame. She lowered her eyes and almost did not dare to look at Xu Youyou. She picked up the drunken life on the table ...

“Oh, I’m sorry ... I lied to you!”

She sobbed, her eyes glistening with tears, and her lips curved with bitterness.

at first, I didn’t share a table with you because you were cute. I heard about you from my cousin. I wanted to see what kind of person you were and why you wanted her to be expelled. However, the longer I knew you, the more I liked you. I also gradually realized that you were different from what she said ...

but these are not reasons for me to lie to you. I solemnly apologize to you today. I'm sorry.

After he finished speaking, he drank it all in one go. The spicy liquid flowed from his throat into his esophagus and all the way to his stomach. It was so hot that his stomach seemed to be in pain.

She put down the cup and picked up another one. She squeezed out a smile that was uglier than crying.

"All these years, I've really treated you as a good friend, a good bestie, but in the end, I failed to live up to your trust in me! This glass of wine is for your trust!"

He drank it all in one gulp.

She picked up the third glass of wine.

Bo Qi couldn't help but say, "the aftereffects of a drunken dream are very strong. Something will happen if you drink like this.

If she drank three glasses in a row, she would probably not be able to walk out of LAN Huo's house.

Su lanxu acted as if she didn't hear him. She stood up and raised her glass to Xu Jialu. Tears were in her eyes, but she refused to let them fall. She only smiled sadly and sadly.

so you've known all these years. So this is the reason you hated me all these years ...

Xu Jialu's face was originally calm and unruffled, but when he saw her red eyes, his throat couldn't help but tighten, and the corners of his mouth sank.

"Xu Jialu, I lied to your sister. You have the right to be angry! I should also apologize to you, I'm sorry ..."

Su Lan Xu, who only knew how to bicker with him and even when she lost, she would bare her fangs and brandish her claws, bowed deeply in front of him.

Xu Jialu's face was tense and he didn't say anything. Su lanxu's bent back stiffened for a long time before she got up. She raised her head and was about to drink the third glass of wine.

Xu Youyou stood up abruptly and grabbed her arm. Lanlan, stop drinking.

Su lanxu was slightly stunned. The tears that had been rolling around in her eyes fell uncontrollably because of what she said.

"I'm ... I'm sorry ..."

She lowered her head slowly, not daring to look into Xu Youyou's clear eyes.

He ignored Xu Youyou's obstruction and drank the third cup of wine.

With a "bang," the cup was heavily placed on the table.

Su lanxu covered her mouth and held back the urge to vomit. I'm sorry, I've ruined everyone's mood today. I'll be leaving first.

She got up and walked out, not even hearing Xu Youyou's call.

Xu Youyou was no longer in the mood to continue sitting. She stood up and walked out to find su lanxu.

Mo shenbai got up and followed her.

Bo Qi looked at the three empty glasses on the table and couldn't help but give her a thumbs up. she's the first woman to drink three glasses of wine in lanhuo.

Xie tingxi had been watching the show the whole night. He glanced at Bo Qi, then at Xu Jialu, who had his eyes lowered and was thinking about something.

you've gone a little overboard tonight, " she said faintly.

Hearing that, Xu Jialu raised his eyes. have you been taking care of the child for too long? "

She was the one who lied.
