

Chapter 427: The initiator (1)

The temperature outside was low. Mo shenbai did not want Xu Youyou to catch a cold outside, so he asked the Butler to invite her to the living room.

He went to the living room with Xu Youyou to see who it was.

Xu Youyou was stunned when she saw Lin Yin, who was wearing a black down jacket and looking uneasy.

Lin Yin turned to look at her and gave her an awkward and impolite smile. Aiyo, long time no see.

"It's been a long time," Xu Youyou quickly came back to her senses and greeted him graciously, " please have a seat.

As time went by, both Wang Xiaohui and Lin youhuan received the punishment they deserved. As for Lin Yin, he was just a familiar stranger to her.

Lin Yin glanced at the genuine leather sofa that was worth hundreds of thousands and waved his hand. no, I'm not sitting. I just heard that you had a child, and I came back to do something, so I thought of coming to congratulate you."

Although the Lin and Xu families no longer had any contact, their previous connections were still there, so it was not strange to hear some news about the Xu family.

Xu Youyou said, " thank you. the atmosphere suddenly fell into a dead silence and awkwardness.

Lin Yin rubbed his hands against his pants uneasily and took out two red packets from his pocket and passed them to her.

"Congratulations, this is a small token of my appreciation for the two children."

Xu Youyou hesitated and did not take it, but mo shenbai reached out to take it and said, " thank you.

Seeing this, Xu Youyou added, " "Thank you," he said.

Lin Yin sensed the awkwardness in the air and tried his best to maintain his composure. then, then I won't disturb you anymore. Goodbye.

Xu Youyou nodded. goodbye.

After that, she asked the Butler to send Mr. Lin off.

Lin Yin limped to the door. When he passed Xu Youyou, his heart was filled with endless disappointment and sorrow.

If he had not abandoned her to look for Bai Qingyu at the wedding, they would have been together by now, and he would have been the one holding the two children and hearing the congratulations.

One wrong step led to many more wrong steps. It was useless no matter how much regret he had now.

Lin Yin gathered his chaotic thoughts and was about to leave when the man's cold and unhappy voice suddenly came from behind him.

"I say, what are you two doing? Are you still going to drink or not?"

Lin Yin's expression froze. It was as if he had been struck by lightning and was unable to move.

what are you doing?" Fu Jianchen walked over and said disdainfully, "who are you meeting?"

don't drink so much," Xu Youyou said in a light and pleasant voice. no one's going to send you back later.

"Who needs a ride? I'll drive back myself." Fu Jianchen scoffed. do you think I have an undeserved reputation as the God of racing of Mo City?"

Xu Youyou: " I'll call and report you. You're mo Cheng's God of cars!

Fu Jianchen was speechless.

When Lin Yin heard his voice, the humiliation and anger hidden in the deepest part of his heart surged up.

The man's voice from that night kept ringing in her ears.

"You're not worthy of her!"

"Go back and get a divorce, if you still want your dog life."

"I'm not very patient. Don't make me wait too long."

"Don't bully her. I'll take one of your eyes if you make her shed a tear!

He couldn't remember the details of that night, like what the other person looked like, but he remembered the person's voice very clearly.

He didn't forget even in death!

Lin Yin turned around and looked at Fu Jianchen. His eyes were red, and his voice trembled. it's you ... It's you ...

Fu Jianchen's unruly eyes swept over him and he almost blurted out, "who the f * ck are you?!"

Lin Yin was overwhelmed by anger and pounced on Fu Jianchen. I'll fight you to the death!

He limped towards Fu Jianchen, but before he could touch his sleeve, he was kicked away.

Fu Jianchen frowned and said in a cold voice, "Who the f * ck are you?"

Lin Yin was kicked to the ground. He raised his head and glared at him unwillingly. you're the one who caused me to be in this state. My face, my legs, it's all because of you!!

He touched his cheek. The scar on it was from the night he had been burned by a cigarette, and it had followed him for the rest of his life with this humiliation.

Fu Jianchen still couldn't remember who he was. His expression was arrogant and presumptuous. I've harmed so many people. Who the hell knows who you are? "

Xu Youyou frowned. Fu Jianchen ...

Fu Jianchen immediately added, " the past. That was the past. I'm a proper manager now, and I definitely won't do anything illegal!"

When Lin Yin heard what he said, he could not help but burst out laughing, laughing so hard that tears were about to come out.

Xu Youyou looked at him with a strange expression. Lin Yin, what are you laughing at? "

Lin Yin was still laughing madly.

Lin Yin, did you have any grudges with Fu Jianchen in the past? can you ...

Before she could finish, Lin Yin stopped laughing and said in a sinister voice, " Xu Youyou, do you know that this person killed your grandmother? You let him be your manager, but you treat your enemy as your friend!"

Xu Youyou's face darkened. what nonsense are you talking about? "

what nonsense are you talking about? " Fu Jianchen also said with a straight face.

"I'm talking nonsense?" Lin Yin stood up shakily and looked at Fu Jianchen with a vicious gaze. back then, in the alley of that bar, you got someone to break my legs, burn my face with a cigarette, and threaten me to divorce Xu Youyou!!!

Fu Jianchen's expression suddenly froze, and the image that had faded appeared in his mind.

Seeing that he was silent, Lin Yin looked at Xu Youyou and pointed at Fu Jianchen. did you know that he was the one who beat me up and sent me to the hospital that night? " If it wasn't for him, my mom wouldn't have gone to find grandma Xu, and grandma Xu wouldn't have died. This man is the one who started all of this!"

Xu Youyou shook her head gently, refusing to believe his words. it's impossible ... It can't be Fu Jianchen! You must have gotten the wrong person!"

Lin Yin sneered. I've admitted my mistake. Why don't you ask him yourself? did he really hit me? "

Xu Youyou didn't say anything in the face of his angry questioning. Instead, she looked at Fu Jianchen.

Fu Jianchen ... she wanted to say something but stopped, her eyes full of pleading.

She hoped that Fu Jianchen would not have anything to do with grandma's death, be it directly or indirectly.

Faced with the pleading look in her eyes, Fu Jianchen couldn't say a single word to deceive her.

Back then, she had mistakenly thought of Lin Yin as her husband and felt that Lin Yin was not worthy of her. That was why she wanted them to get a divorce. However, she had never thought that this would lead to the death of her family!

He did not speak, but Xu Youyou had already gotten the answer from his expression. The last bit of hope in her heart was shattered.

“Pa!”

He slapped Fu Jianchen’s face hard.

He turned his face to the side, and as if someone had pressed his acupuncture points, he remained frozen in place.

Xu Youyou did not say a word. She just turned around and went upstairs with disappointment in her eyes.

Fu Jianchen suddenly panicked. He looked at her back helplessly like a child who had been abandoned by an adult ...

“Right, right ...” He said.
