

**Chapter 431: Never make it public (1)**

Xu Youyou held the microphone and replied in a sweet voice, " my favorite work is 'white'.

"White?" The host had obviously done his homework in advance. as far as I know, there's no work called 'white' among all the works that you've released to the public. Is this a new work that you're about to release to the public? "

Xu Youyou shook her head with a smile. this painting is my gift to you, Sir. I'll never make it public.

There was an uproar below the stage, and the people who were originally looking forward to it were all disappointed.

The emcee reacted quickly and jokingly said that he didn't need to eat his supper. He was really full from eating dog food.

Xu Youyou smiled brightly, bowed to the audience, and left the stage with her skirt.

After she got off the stage, she didn't continue to watch the awards ceremony. Instead, she went directly to the parking lot with the trophy and certificate.

When Cang Ming saw her coming out, he quickly opened the door of the business car and reached out to help Xu Youyou, who was wearing high heels, get in.

Mo Zhiyun had brought the chaperon with him to the canvass lunar restaurant, and he was only carrying Jiayue in his arms. When he saw Xu Youyou, he was so happy that he was dancing and asking for a hug from his mother.

Xu Youyou put down the trophy and certificate, hugged her daughter, and kissed her on the cheek. we've only been separated for a while, and Jiayue already misses her mother.

Jia Yue raised her head and kissed her on the cheek, expressing her longing for her mother.

Mo shenbai reached out and pulled her into his arms. He said in a low and hoarse voice, " "Jiayue isn't the only one who misses you."

In other words, he missed her too.

Even though he had just watched the live broadcast of her receiving the award.

Xu Youyou tilted her head and kissed him on the cheek. how about this? "

Mo shenbai's eyes flashed with a smile.

Just as Cang Ming was about to close the car door, he saw the flashing lights not far away from him and his eyes turned cold.

Xu Youyou sensed something and said softly, " "What's wrong?"

Cang Ming turned his head. there's paparazzi. I'll deal with it. Sir, Madam, please wait a moment.

Xu Youyou raised her head and looked outside. She didn't see anything and said softly, "Forget it, they're just working."

They didn't take any pictures anyway, so there wouldn't be any negative news.

Cang Ming looked at mo shenbai. Seeing that he didn't respond, he nodded and said yes.

The paparazzi who was hiding in the dark thought that he had hidden well and had not been discovered. He was secretly glad.

The moon Pavilion.

Back at the canvass lunar restaurant, mo Zhiyun was playing with Suisui in her arms. However, Suisui's round little face was full of impatience, and it really wanted to escape from her arms.

When she saw Xu Youyou and Mo shenbai return, she smiled and said, "Congratulations, you've really become a famous artist."

Xu Youyou smiled indifferently. She took the attendant from her legs and put him on the ground, letting him crawl on his own.

"Senior Lu hasn't come to pick you up yet?"

The smile on mo Zhiyun's face faded a bit, but he soon returned to normal. the company has been very busy recently, so he's not free. I'll just have to wait for cangming to send me back.

Xu Youyou raised her head and looked at her. why don't you stay over tonight? "

Mo Zhiyun shook his head with a smile. I still have to go to class tomorrow. Besides, I don't know how to sleep in a new bed. I won't be able to sleep in another one.

Xu Youyou did not force her to stay.

Mo Zhiyun's gaze fell on the sleeping Suisui. Suisui is too much like big brother. He's so young and doesn't like to talk to people.

"When da Bai was young, he wasn't as well-behaved and sensible as his attendant." Xu Youyou didn't mind her habit of ignoring others. Every child had their own personality.

"How do you know that big brother was disobedient when he was young?" mo Zhiyun asked in confusion.

Xu Youyou paused in her action of carrying sui sui. She did not explain but looked at mo shenbai.

Mo shenbai put down Jia Yue in his arms and said, "it's late. Let cangming send you back.

Mo Zhiyun thought that mo shenbai had told Xu Youyou about it, so he didn't ask any more questions and said goodbye to them.

"Do you think Zhiyun has something on her mind?" Xu Youyou asked after she had left.

Mo shenbai took the attendant from her arms. she's already an adult and can make her own decisions. You don't have to worry about her.

I'll take Suisui to rest and run a bath for you. You've been tired all night, so you should take a hot bath later.

Xu Youyou nodded and watched as he went upstairs. In the past two years, da Bai's unkind and unapproachable aura had faded. Instead, he was more like the most ordinary husband and father in the world ...

Jia Yue sat on the carpet, her soft little hand holding her bracelet, as if she wanted it.

Xu Youyou patted her head. no, this is a gift from your grandmother. I can't give it to you. When you grow up, I'll give it to you, okay? "

Jia Yue seemed to understand her words, but she was not happy. She turned her head and crawled to the side.

Xu Youyou was stunned for a moment before she couldn't help but laugh. Great White and I aren't petty people. How did we give birth to you? " Who did he take after? He looks a little like my brother ..."

"Don't say bad things about me when I'm not around, okay?" Xu Jialu walked in with an unhappy face. I've doted on you for so many years in vain.

Xu Jialu bent down and picked up little Jiayue.

When Jia Yue saw him, she smiled at first. When she saw Fu jianchen, she became even more excited. Her saliva was even dripping down her mouth. She kept reaching out to Fu jianchen, asking for a hug.

Fu jianchen took Jiayue from her arms and didn't mind her drooling over the new clothes he had just bought.

"F \* ck, who is your real uncle?" Xu Jialu couldn't understand it. Fu jianchen was obviously an uncle, but he had to fight for the position of uncle with her.

"Brother, don't say vulgarities in front of the child," Xu Youyou stood up and invited them to sit down. why are you here? "

"It's such a big deal that you won an award, how can I not come and congratulate you?" Xu Jialu glanced at her.

Fu jianchen sat on the sofa and let Jiayue sit on his lap. someone took a fancy to your painting tonight, and I've already discussed it. Sign the contract, and I'll go and move in the procedures tomorrow.

He handed the briefcase to Xu Youyou and let her take the contract.

Xu Youyou's work was handled by Fu jianchen, so she didn't have to worry about the contract and signed it without even looking at it.

Xu Jialu did not come empty-handed tonight. He bought her a gift as a congratulatory gift for her winning the award.

Xu Youyou thanked him and started to talk about her parents.

Fu Jianchen was focused on playing with Jia Yue. Jia Yue was very interested in the Buddha beads on his wrist, but he didn't care. He took them off and let her play with them.

As Jia Yue played with it, she put it into her mouth, which was covered in saliva.

Xu Youyou took a piece of paper and handed it to him. You treasure this string of Buddha beads the most, but today you're generous enough to let Jia Yue play with it. It's really strange.

Previously, at the Art Gallery, someone had accidentally touched the Buddha beads on his wrist with a painting, and he had been furious.

That posture was terrifying, as if it wanted to eat people.

Fu Jianchen didn't wipe the prayer beads but wiped the drool from the corner of Jia Yue's lips. If she likes to play, she can play. As long as she doesn't bite it and swallow it, it's fine.
