The grandmother went home on the same day, and the person who oppressed the loudest thing about this incident was Chu Yunrong.

‘Mom, the doctor said the current state of your body, living in the hospital is more insurance.’ Chu Yunrong bitterly, she is really worried about her mother’s body.

It’s just that the old lady’s attitude is firm, no matter how Chu Yunrong persuaded, she did not succeed.

‘Clearly, you should persuade your grandmother, your grandmother’s current physical condition, can not withstand any sloppy.’ Chu Yunrong saw Shen Qingying sitting on the side of the apple to cut the apple, dawn, his mother-in-law The most painful thing is this granddaughter. If she is clear, she will definitely listen.

Shen Qingyi cut the apple into small pieces of equal size, and carefully inserted the toothpick so that it was convenient for the grandmother to eat.

‘Grandma, today’s apple is very sweet, you can taste it.’

The grandmother was taken happily.

‘Clear, do you hear your mother’s words?’ Shen Qingyi is not slow, Chu Yunrong is anxious.

Shen Qingyi picked up the wipes on one side and wiped her hands clean before I saw Chu Yunrong. 'This is Grandma's decision. I respect her.' The old man wants to have his family on the side in the last days, so tiny. The desire, as a younger generation, should not be opposed.

'Qing, how is your child so ignorant, what do you know about your grandmother's body? If grandma has a case, how do you tell your father?' Chu Yunrong looked at his daughter, really Angry, let her persuade the old lady, she is good, not only do not persuade, but also support, her grandmother really hurt her, such a daughter to raise her to do? It is better to raise a pig than to raise her.

'Yun Rong, enough.' Shen Grandma snorted. 'This is my own decision. What does it have to do with you? You blame her for doing something.'

'Mom, I am doing it for you.' Chu Yunrong was scorned by the old lady in front of her daughter, and was wronged.

The grandmother slowed down her look. 'Yun Rong, I know that you are good for me, but my mother is not good enough to stay in the hospital, but it is only a few days off. I have lived for decades. I am used to it. In the last days, I still want to stay here.'

In a word, Chu Yunrong said that she was tearful. She really used her grandmother as her own mother. When she heard the words of her grandmother, she felt pain in her heart.

'Mom, don't say it, it's not good for me.' Chu Yunrong wiped the tears of his eyes. 'Mom, you love the fish \*\*\*\* I made, I will do it for you tonight.'

Chu Yunrong left the living room, and Grandma looked at her granddaughter's quiet face and sighed silently.

‘Clearly, your cell phone rang.’ Outside the bathroom, the voice of Xiao Xiao was heard.

‘who is it?’

‘I don’t know, it’s a strange number.’ Yu Xiaotong said loudly, Shen Qingyi, who was afraid of taking a bath inside, couldn’t hear clearly.

Shen Qingyi did not live in school recently, because Grandma hoped that she would go home, although Shen Qingyi did not like to go back to Shen, but she could not refuse the grandmother who really loves her.

I will take a shower in the dormitory just because I had a physical education class in the afternoon. I played a badminton with Yu Xiaotong and sweated. She didn’t like the feeling of being sticky.

When Shen Qingyi heard a strange number, he did not put it in his heart, and he took care of himself slowly. When she went out, the phone was no longer ringing. She glanced at the missed calls, the strange numbers, no impressions, and no attention.

I was about to put down my mobile phone, and the screen lit up again, or the number just now.

‘Hello, I am Shen Qingyi.’ Qingyue’s female voice was transmitted to the other end by telephone.

‘I am Fu Hengyi.’

Shen Qingyi looked at the phone and seemed to wonder why he would call himself.

‘Where is it now?’ Fu Hengyi’s low-pitched voice sounded.

‘In the school dormitory.’ Truthfully answered.

‘Is there time tonight, I want to invite you to have a meal.’ Fu Hengyi glanced at him, his ears, and his father, who was on his face, opened his mouth.

Shen Qing’s meal didn’t say good or not.

‘It is a thank you.’ Fu Hengyi opened before Shen Qingyi, scruples to the presence of Father Fu, Fu Hengyi did not explain the words, but Shen Qingyi understood.

And if she wanted to refuse, she swallowed it, ‘Okay.’

Hearing Shen Qingyi’s promise, Fu’s father opened his eyes and smiled, carrying his hand and taking a little song away. He did not pay attention to the thank-you thing that Sun Zi said.

Shen Qingyi does not like to owe others people’s feelings. Although the restaurant’s business that day, even if Fu Hengyi does not shoot her, she can solve it, but after all, people help her. If a meal can solve this problem, Shen Qingyi thinks that he will not refuse.

Shen Qingyi did not let Fu Hengyi pick up himself, but took a taxi to the restaurant that Fu Hengyi said. Shen Jia bought a car for Shen Qingyi, but she was used to low-key, and did not like to drive to school.

Fu Hengyi arrived earlier than Shen Qingyi, and looked at the woman who entered the restaurant. Although she was only a simple casual suit, her face was only powdered, but because of the delicate face and the indifference of her body, she added her. A little bit of rarity, as if the flower of Gaoling is visible but not reachable.

Fu Hengyi's eyebrows unconsciously glanced at him, even he did not notice it. Looking at Shen Qingying, who seemed to care about everything, his heart was a bit uncomfortable.

Shen Qingyi originally thought that Fu Hengyi was looking for help. As a result, Fu Hengyi did not speak from the beginning to the end. It was really just a pure meal.

Seeing that it was about to be finished soon, Shen Qing couldn't help but watch Fu Hengyi look at him again.

Fu Hengyi is who, for Shen Qingyi's undisguised look, how could not be aware of it, but at this moment he is also very helpless.

He can't tell Shen Qingyi, and today she asked her to accompany her to eat this meal was forced by her grandfather.

'I heard that Grandma was discharged from the hospital?' Fu Hengyi had nothing to say.

Shen Qingyi nodded, and Grandma was discharged from the hospital for three days. With the relationship between Shen and Fu, she could not believe that the other would not know.

Somehow, Shen Qingyi saw a glimpse of Fu Hengyi's calm and self-confident face.

Fu Hengyi is a 'children of other people's families' who existed in the mouth of Shen's grandfather. Although he returned to Shen's family, he was not mistaken. Shen Qingyi had never seen this person, but his deeds knew quite a lot.

He knew that when he was 13 years old, he was sent abroad to study. At the age of 19, he entered the military camp. Then he was selected into

the special forces in the same year. He was also named ‘Military General’ when he was 30. This is the youngest in their country. Major general, no one.

Shen Jia is a military and political family. Shen Qingyu naturally understands that he wants to be promoted to ‘Little League’ when he is 30 years old. I am afraid that the troops in front of him are not ordinary special forces.
