Chapter 1301

Leng Yinian's kindergarten is adjacent to song Ruiqi's primary school, just across the road.

Every morning we walk together, just by the way. The driver only needs to send us one.

Song Xiaoya packed two breakfasts to catch up, "wait, you two children, how can you not eat breakfast? Now is the time to grow up!"

Leng Yinian and song Ruiqi took breakfast respectively, "thank you, Mommy!"

"Thank you, Auntie!"

Song Xiaoya is not at ease to exhort: "Ruiqi, take good care of Niannian on the way."

"I see, Mommy!"

When I got into the car, I saw song Xiaoya disappear in the rear-view mirror of the car. Leng Yinian pulled song Ruiqi's sleeve and whispered: "brother Ruiqi, why didn't you let me talk just now? There will be a parents' meeting in school today

"Parents' meeting?"

Song Ruiqi's eyes were stiff for a few seconds, and then said angrily, "why didn't you say that earlier? You said it was going to be a parents' meeting

"But But you won't let me say it! You cover my mouth. What can I say? "

Leng Yinian pouts his little mouth and is very aggrieved.

“You...” Song Ruiqi rubbed her eyebrows with a headache, “what time?”

“Ah?”

“What time is the parents’ meeting?”

“After school at four in the afternoon, it’s just a meeting. Just sign.”

Song Ruiqi frowned and said in a cold voice, “I’ll help you to have a parents’ meeting this afternoon.”

“Brother is the best!”

Leng Yinian suddenly raises his head and kisses song Ruiqi on the cheek.

“Baji” is very loud.

Song Ruiqi’s ears are red and her eyes are wide open. She looks at Leng Yinian strangely.

“What are you doing?”

“Thank you Leng Yinian’s pure eyes blinked innocently.

“.....” Song Ruiqi had a heart attack.

He remembered that this guy had been kissing mommy so much just now.

She won’t kiss anyone, will she?

Think of this, song Ruiqi small face more heavy, ferocious roar: “in the future, don’t kiss others, girls should be more reserved!”

“What is reserve?” Leng Yinian looks curious.

Song Ruiqi almost spits out a mouthful of blood.

Forget it. What’s the point of telling her so much?

It’s her future husband who doesn’t want to worry about her.

Leng Yinian saw that he was angry. He gave a douzui discontentedly, shook his two pigtales, and looked out of the window with a cold hum.

He doesn’t want to talk to her, she doesn’t want to talk to him!

When the kindergarten arrives, song Ruiqi gets out of the car and leads Leng Yinian to the small class.

Mommy told me that I had to send my recitation to the teacher before I could leave.

As soon as they got to the door, a voice of surprise came from behind.

“Reggie!”

Song Ruiqi’s eyebrows wrinkled and her steps didn’t stop. She went on.

Leng Yinian turns his head and looks behind him suspiciously.

I saw a beautiful girl coming towards them.

“Brother Ricky, someone called you!”

“Never mind!”

Cold a read immediately dissatisfied, “originally you heard, you deliberately ignore the little sister!”

“So what?” Song Ruiqi glanced at her.

Does he care about everyone who wants to flatter him?

He is the young master of the Mu family. If everyone takes care of him, he basically doesn't need to do anything in a day. It's hard to deal with these people with ulterior motives.

Leng Yinian suddenly got angry and threw song's hand away.

“It's impolite of you to do so! The teacher said, “when you meet a child, please answer politely!”

Song Ruiqi choked, “what the teacher said is not necessarily right, but also what the situation is!”

When they talked, the girl behind them caught up with them.

“Ricky, who is she? Is that your sister? ”

“.....”

Song Ruiqi glanced at Jiang Yu and said coldly, “is she my sister? It has nothing to do with you?”

Jiang Yu was stunned. She was a girl. She was thin skinned. She was blushed and embarrassed by his unkind words.

Leng Yinian stares at Soong Ruiqi, pulls Jiang Yu's hand and shows a sweet smile.

"Little sister, I'm his sister! What's your name? Are you in the same class as my brother?"

It's really his sister!

Jiang Yu also smiles at Leng Yinian, "yes! I'm a member of the learning committee, and he's the monitor!"

"Learning committee member? That elder sister studies very much

"It's all right, too!" Jiang Yu took a look at Song Ruiqi, a little embarrassed, "your brother is better than me, he is the first, I am the second!"

"Wow! How awesome!" Song Ruiqi looked at Leng Yinian's exaggerated eyes and said: "I'm really ignorant!"

The small class is here.

The head teacher is not far away.

Song Ruiqi said, "here you are, go in yourself!"

Looking at the Dean not far away, Jiang Yu was shocked and said, "my sister is going to kindergarten here! The director is my grandmother

Jiang Yu said vigorously, Song Ruiqi did not even give her a look.

“I’m not interested in who your grandmother is. Please be quiet, OK?”

Jiang Yu immediately closed his mouth and his eyes were red. He looked pitiful.

Seeing this, Leng Yinian sighed. Learning from adults, he reprimanded with a cold face: “brother, it’s wrong for you to be gentle with girls!”

Song Ruiqi glared at Xiaotuanzi, “what do you know! Go in, I’m going

With that, Song Ruiqi turns around smartly.

Jiang Yu quickly followed up.

At this time, a cheerful voice came from the front, “Niannian, why did you come so early today? Have you had breakfast?”

Song Ruiqi stops and looks at the source of the sound.

See Bai Mu Chen to walk small short leg, with a small box in the hand, ran toward cold a read to come over.

As if he was gallant, he handed the small box to Leng Yinian.

“This is my breakfast. Let’s have it together.”

“Good! Thank you

Or, two people go to the classroom hand in hand.

Bai Muchen is also in this kindergarten, but he was not in a class before. Later, when he was doing exercises between classes, he saw Leng Yinian.

When they talked, they knew that Leng Yinian was in the same school with him now.

After returning home, Bai Muchen asked his father to transfer his class to the same class as Leng Yinian.

Song Ruiqi looked at the scene and twisted her eyebrows.

Being ignored by two kids, I was very upset.

Before the change, Bai Muchen was also his little fan. Since Leng Yinian appeared, Bai Muchen has defected and followed Leng Yinian everywhere.

“Mu Chen!”

“Who is calling me?”

Bai Muchen heard the voice and turned his head doubtfully.

“Brother Ricky, what are you doing here?”

“.....” Song Ruiqi rolled her eyes silently in her heart.

What do you mean he’s here? He’s here all the time, OK?

Song Ruiqi chuckled, “I send Niannian to school!”

White Mu Chen a face is muddled, toward cold a read to see one eye, “why do you send her?”? What about Uncle Yu and aunt Leng? ”

“They went on their honeymoon, and she lived in my house during this time!”

“In your house?”

Bai Muchen’s eyes brightened, took Leng Yinian’s hand and said, “Niannian, I’ll move to Ruiqi’s brother’s house, too, OK? So we can play together every day! ”

Leng Yinian frowned and said with a smile: “good!”

Song Ruiqi’s face sank as she listened to the conversation.

“What are you thinking? Do you think I’m a hospice? ”

Bai Muchen curled his mouth. “How can brother Ruiqi be so mean now? Let’s go, no matter who he is, as long as aunt song agrees, now it’s not up to him to decide the Mu family! ”

Leng Yinian tilted his head to think about it, nodded with approval, “that’s reasonable. Let’s go first and have breakfast!”

“Good!”

Bai Muchen leads Leng Yinian to the classroom.

Song Ruiqi was ignored again, and her heart was extremely angry.

Then he shook his head helplessly.

It’s just two little kids. Why is he angry with them?

At 3:40 p.m., all the parents of Xiao pengyou in the class were almost there, but the parents of Leng Yinian didn't come yet.

Leng Yinian stood at the school gate, anxiously looking at the door.

Brother Ruiqi said that she would hold a parents' meeting for her, but do come!

Chapter 1302

At 3:55, the parents' meeting will start soon, but song Ruiqi's figure still doesn't appear.

Leng Yinian's big eyes are full of tears.

"Why hasn't my brother come yet?"

The teacher stood beside her and comforted her: "Niannian, why don't we call your parents? There may be something wrong with your brother!"

"No! My brother promised me that he would come and hold a parents' meeting for me!"

Said coldly and persistently.

Ricky's brother promised her, and he will do it.

The teacher saw that she couldn't move, so she had to wait at the door with her in a hurry.

Anyway, five minutes at most. If she doesn't come out after five minutes, there's nothing she can do.

At three fifty-eight, across the road, a tall and thin figure came with a long step towards this side.

"Brother!"

Leng Yinian's eyes lit up and waved happily to song Ruiqi: "brother, I'm here, here!"

Kindergarten teacher along Leng Yinian's line of sight toward the door looked in the past, the whole person was stunned.

"He's the brother you're talking about?"

"Yes! He is my brother Leng Yinian said haughtily.

"....."

The teacher thought he was going to faint.

He thought Leng Yinian's brother was an adult, but he didn't expect to be a teenager.

From the children's uniforms, they are the primary school students in the school headquarters.

"Niannian, is he the parent you called? I'm afraid it won't work! "

"Why?" Leng Yinian asked suspiciously.

"Because..." The teacher's words had not been spoken, but was interrupted by a clear voice.

“A cold thought!”

When Leng Yinian hears song Ruiqi calling her, he immediately runs to song Ruiqi.

Meat toot toot’s small face, a face innocent, “brother, how do you come now, you almost late, you know?”

Song Ruiqi looked at her wet eyes, heart a soft, explained: “just a little thing!”

The teacher couldn’t help interrupting the two teachers: “I’m sorry, parents’ meeting can only be attended by adults!”

Song Ruiqi turned her head and looked at the teacher with dark eyes, “are there any rules?”

“What What’s the rule? ” The teacher was at a loss.

Song Ruiqi said seriously, “didn’t you just say that parents’ meeting can only be attended by adults? Does the school have clear rules? ”

“This...”

The teacher choked and was speechless when he asked.

The school really does not have the explicit stipulation in this aspect, but who can think that the parents are minors?

However, this little boy’s aura is really strong. He doesn’t look like a teenager at all.

When the teacher is in a daze, song Ruiqi has been holding Leng Yinian’s hand and swaggering to the classroom.

“.....” The teacher sighed and had to give up.

In fact, there is nothing important about the parents’ meeting, which is to ask parents to sign a letter and say something to pay attention to on the way to school.

Song Ruiqi quickly glanced at the form in her hand and directly signed her name in the column of Leng Yinian’s parents.

Looking at the whole three words of Gonggong, a strange idea suddenly appeared in his heart.

It’s like he’s really the parent of xiaotuanzi.

On the way to school, he was in charge of safety, and he signed the name of the parents’ meeting. He was not a parent, but he was doing what parents should do.

He looked at xiaotuanzi, who was sitting next to him, and couldn’t help hooking his lips.

When they got home from their parents’ meeting, it was already six o’clock in the afternoon.

After dinner, song Ruiqi and Mu Junhao take their two children for a walk in the garden of the villa. As soon as they get home, they see a black RV driving into the villa.

The sign on the car is recognized as Bai’s car at a glance.

Song Ruiqi immediately frowned.

He suddenly remembered that in the morning, Bai Muchen said that he would move to his house. The boy won’t come. Really?

Thinking of this, he hastened to walk towards the door.

Bai Muchen got out of the car and looked around the crowd. When he saw Leng Yinian, he immediately waved to her happily.

“Read!”

Leng Yinian sees Bai Muchen and opens his eyes unexpectedly.

“Mu Chen, you are really here!”

“Niannian, I’ve moved here, so we can go to school together every day and finish school together!”

“Junhao, Xiaoya, my Mu Chen is going to trouble you!”

Bai Yichen leads Bai Muchen to song Xiaoya and Mu Junhao, with a look of regret.

White star is sitting on the moon, listening to Bai Muchen chirping at home every day, disturbing her rest.

In addition, the boy didn’t know what was going on today. He had to come to Mu’s home after school. Bai Yichen has no way but to bring his son here.

Although he’s a good brother, he’s a troublemaker. I’m a little embarrassed.

“It’s all right. There are many children in the family. It’s busy!”

Song Xiaoya waved to Bai Muchen with a smile, “Muchen, come here, aunt!”

Bai Muchen immediately breaks away from Bai Yichen’s hand and runs towards song Xiaoya.

White star at home, white also Chen anxious to go back, and told White Mu Chen a few words, then drive away.

“Brother Ricky, I’ll play with you!”

“.....” Song Ruiqi raised her eyebrows and didn’t speak.

Don’t think he doesn’t know whether to accompany him or that guy.

He pretended to be magnanimous and said, “there are many rooms in my house, as long as you like!”

“Thank you Baimuchen sweet tunnel.

Song Ruiqi said, went back to the room, began to brush the topic.

After two days is the Olympic Games, he needs to review a lot.

However, these two guys are too noisy.

The sound of the TV, the laughter, the quarrel, was very annoying.

It’s useless for song Ruiqi to cover her ears.

After two hours, I couldn’t bear it any more. I stood up angrily, opened the door, and yelled at the two people who were playing the game: “can you be quiet? If you don’t be quiet, I’ll just throw you two out of the window!”

When Leng Yinian saw song Ruiqi, he immediately waved to him, “brother Ruiqi, you also come to play together!”

“I want to learn. Keep your voice down!”

Sure enough, kids are the most annoying.

Leng Yinian said, “Bai Muchen, let’s ignore him, let’s play by ourselves!”

“Well, let’s play our game and ignore him!”

With that, they played happily again, completely treating him as a transparent person.

Song Ruiqi stood at the door, suffering from a myocardial infarction.

Is there any mistake?

This is his family. How dare these two guys ignore him?

Who can bear it!

Song Ruiqi took a look at the computer screen and said in a negative tone: “don’t you want to play games? I’ll play with you

An hour later, song Ruiqi linked the two little kids and beat them to pieces.

Leng Yinian and Bai Muchen look at Song Ruiqi admiringly.

“Brother Ricky, you are so good!”

Song Ruiqi put down the remote control and raised her eyebrows.

“In the future, play less games and learn more, you know?”

From the game room, song Ruiqi is comfortable.

After a lesson to the two little boys, the whole person was comfortable, but then he frowned again.

He’s fine. Why is he having trouble with two kids?

He is five or six years older than them. Why should he make himself as childish as them?

Thinking of this, song Ruiqi was more upset.

Chapter 1303

On this side of the island, I’ve had a lot of fun these days.

Yumochuan’s vision is really wonderful. The natural scenery of this place is hard to see both at home and abroad.

Have a good time. I’m very tired when I come back to the villa.

For the first two days, both of them fell asleep on the bed. ”

but as soon as the freshness is over, Leng Bingbing finally remembers one of the most important purposes of his honeymoon here.

That is to have a baby.

Such a beautiful two person world, naturally, is not willing to miss.

On the third night, yumochuan came out of the gym. His clothes were wet and sticky.

Eight distinct abdominal muscles, perfect Sexy Mermaid line, looming.

Leng Bingbing is sitting on the bed reading a magazine. When he hears the door open, he looks up.

Such a hormonal explosion was brought into view.

He swallowed coldly.

I have to say, this guy's body is really great.

No one knows the strength of the waist better than her

Think of this, cold spine a burst of numbness, even the legs do not feel soft.

Twenty is the best age.

The language Mo Chuan picked next eyebrow, low voice, tone ambiguous way: "look at me to do what?"? Do you really want to touch it? "

Icy: "I'm not..."

It's shameless!

Cold is a woman in the end, some things even if you want to also dare not speak out.

Yumochuan thinks she's shy, grabs a bathrobe and goes to the bathroom.

There is a bad smell of sweat on the body, and the clothes are wet and sticky to the skin, which is very uncomfortable.

Listen to the sound of the bathroom closing, coldly and quickly open the quilt to get up.

Come to the closet, open the closet, in the closet one by one clothes to look for.

Finally, I found a box at the bottom of the wardrobe.

This box was given to her by sister Xiaoya. Needless to say, I know what it is.

She opened the box and there were several sets of sexy little insides in it.

He stretched out his hand and pulled the black ribbons. His cold white face turned red instantly.

What a shame!

But

For the sake of the baby, no matter how shameful you are, you should wear it.

Take yumochuan down for everything you say tonight.

Today is the best time for her to conceive. After this village, there will be no such shop.

However, thinking of the last time, she was also wearing this kind of clothes. Yumochuan tore up her clothes and turned into a wolf. She shivered coldly.

The man who incarnates as "wolf" is really terrible. How can there be such a terrible creature in this world.

No, she'd better be more conservative. It's too exciting, or she'll die.

In the end, lengbing gave up the behavior of death and chose the most conservative one.

But even if it is the most conservative, the cloth is also pitifully thin, if there is nothing, it will be more fatal.

wore cold silk pajamas on ice and sprayed some elegant perfume on his body. He drew a sexy red lip and put a chestnut wavy hair aside.

It's very feminine.

Looking at himself in the mirror, he blushed with shame.

When yumochuan took a shower and opened the bathroom door, he was stunned.

The headlights in the room were off, and only dozens of candles were burning at the foot of the bed.

Candle placed into a sweet love, the light yellow light, the whole room shrouded in an ambiguous atmosphere.

The room is filled with a light fragrance, which smells good.

Is this a surprise for her?

When did this guy become so romantic?

Language Mo Chuan picked pick eyebrows, eyes in the room looking for.

Looking for a circle, did not find the little woman, immediately frowned.

What's this guy up to? Anyone here?

At this moment, a soft boneless arm wrapped around his thin waist from behind.

“Mochuan...”

With a soft voice, a warm body stuck to his back.

“.....”

A stream of blood rushed to the forehead. Almost in an instant, yumochuan was provoked to react.

Strictly speaking, they haven't lived in this area for some time.

It's not that I don't have any idea. It's just that I'm too tired to watch her again.

But today, she even took the initiative to pester him, which had never been before.

No surprise, that's not true.

The sexy Adam's apple rolls up and down. Yumochuan grabs lengbing's hand, turns around and holds lengbing tightly in his arms. He chuckled and said, "what's going on today? Why are you so active?"

"Don't you like it?"

Leng Bingbing blinked his watery eyes, stood on tiptoe, and the red lips of evil touched his thin pink lips.

Although yumochuan can't see if lengbing is wearing lipstick, it's just a look in her eyes, and his soul has already been explained to her.

Exultation unceasingly, the powerful arm holds her buttock, a turn, put her on the bed.

At ordinary times, coldness is bound to be shy.

But this evening, instead of pushing him, she wrapped her soft arm around his neck again, took him to bed, raised her head, and took the initiative to put her lips on.

"....."

Yumochuan didn't expect that she would take the initiative, caught off guard, the whole person fell towards her, the tall body pressed on her.

Yumochuan opens his eyes and looks at the little woman in front of him incredulously.

This evening she is too abnormal, too bold.

Coldly provocative very hard, but the other side seems to be a pair of unmoved.

Leng Bingbing was the first time to do such a thing. Seeing that he just looked at himself, he felt guilty.

She gradually let go of yumochuan and said innocently: "how What's the matter? "

Language Mo Chuan sharp eyes, from top to bottom looking at the woman in front of.

Sexy pajamas, sultry hair

He swallowed saliva, low voice close to her ear, said: "tell me, what's the purpose of this evening?"

"No There is no purpose

Leng Bingbing is a little annoyed. They have been on their honeymoon for two or three days. Hasn't he thought about this?

No!

With his exuberant energy, he should not be!

Is it that her charm has been greatly reduced?

It's said that after getting married, a man will not cherish a woman as much as before. Isn't he tired of her?

Thinking of this, lengbing suddenly feels very depressed.

"Let's go to sleep!" she said with a look of disappointment

With that, she loosened her arm around yumochuan's neck.

Yumochuan chuckled.

This is his coquettish and shy wife.

Yumochuan grabs her wrist and presses her backhand over her head. A low, slow voice says in her ear, “do you want to run away at this time? You can put out the fire yourself

Finish saying, then ruthlessly blocked cold lips.

Strong breath instantly swept her whole person up, cold first Leng, then hook up lips, showing a successful smile.

Outside the window, the night is as cool as water, insects are singing and birds are singing. It’s peaceful, but the room is quite different from the outside.

While kissing coldly, yumochuan reaches out to pull the drawer.

However, his hand felt in the drawer, empty, nothing at all.

Yumochuan was stunned.

He let go of the cold ice and pulled the drawer open.

There is nothing in the drawer.

“What’s the matter?” Coldly winked, pretending not to know.

She threw it all into the sea.

Joke, want to have children, how can you use this thing.

Language Mo Chuan subconsciously wring eyebrows, toward the cold look, looking at her face.

Did she hide it?

“Bingbing, what’s in it?”

“What is it?”

Looking at yumochuan with a cold face.

The language Mo Chuan rubbed to knead eyebrow center, helplessly turn over and rise, “wait for me at home, I go out first!”

With that, he quickly pulled out a set of casual clothes from the wardrobe and put them on.

Coldly embracing the quilt, she gets up and looks at yumochuan in amazement.

“Where are you going?”

Yumochuan put on his clothes, went to the bedside, gave a kiss on the cold forehead, and said in a low voice, “wait for me, I’ll be right back! Good boy

Cold eyebrow a jump, hold his hand.

“Don’t go, it’s so dark outside!”

Language Mo Chuan clenched his teeth and looked down at him.

On that Jun’s face, he said angrily: “don’t you have the heart to look at me like this all night? I’ll be right back! ”

“Hello! Don’t go

Lengbing wants to stop it, but it’s too late.

She knew that yumochuan must have gone shopping.

Well, her whole night’s work was in vain.

Lengbing originally wanted to hold him and tell him that she could be pregnant, but yumochuan was too fast to give her a chance to stay, so she walked out of the door eagerly. Coldly and angrily kicked the quilt, “yumochuan, you idiot!”

And someone who was called “idiot” walked out of the villa and drove downtown.

I asked several stores, but they didn’t buy it.

“I’m sorry, sir. The suit is sold out.”

“Sorry, it’s sold out.”

“Sold out...”

At the speed of 100 meters, yumochuan asked several 24-hour convenience stores in a row, and they were all sold out.

This is an island with romantic writing style.

Supplies will not be so timely, so out of stock is the most common thing.

Yumochuan is going crazy.

Thinking of waiting for his wife at home, he had no choice but to pinch his eyebrows.

Suddenly, a pungent smell came.

Language Mo Chuan a Leng, looked toward the front in the past.

Deep in the alley, a roasted chestnut shop, business is booming.

Roasted chestnuts

Yumochuan gave up looking for condoms and went to the roasted chestnut shop instead.

Chapter 1304

Half an hour later, yumochuan returns home and brings the sugar fried chestnuts in his arms to the cold front.

Worried that chestnuts will cool down and affect the taste, yumochuan has been putting chestnuts in the inner layer of his coat.

The chestnuts were still warm when they were taken out of the clothes.

“Bingbing, you like to eat fried chestnuts with sugar best. Try it quickly!”

Sitting on the bed coldly, he looked at yumochuan in amazement. He had fried chestnuts with sugar in his hand.

Is he going to buy her fried chestnuts with sugar in the evening?

Did she misunderstand him just now?

In fact, he is not going to buy that thing, but to buy her fried chestnuts with sugar?

It's cold. It's stupid.

One face looks at someone responsibly, and the line of sight gradually goes down. It seems that it looks like a casual look towards someone somewhere.

She was biting her red lips and her heart was full of tangles.

Is there something wrong with his health?

What's wrong?

When I was at home, I was fine. How could I have a problem as soon as I got here.

God, although she was afraid that he would turn into a wolf, she couldn't work any more. She would be very sad.

Feel sorry for this man!

What a proud person, how can he accept such a thing?

She's so miserable. She's cured. As a result, something happened to him again!

Is it really doomed that their husband, wife and children are not well connected?

Coldly thinking of this, when he looked up at yumochuan again, he felt that the smile on his face was actually forced to smile.

The cold feeling is difficult from oneself, pours into the language Mo Chuan's bosom, hugs him tightly.

"Yumochuan, it doesn't matter. This kind of disease can be cured. We won't go on our honeymoon. We'll go back tomorrow morning. We'll go to see a doctor and get treatment earlier. We can't delay it."

The language Mo Chuan handsome Yi's eyebrow center ruthlessly wring, helpless way: "ice ice, what are you talking about?"

Why can't he understand? What's the mess of seeing a doctor?

Coldly seeing that he still didn't admit it, he reached out and hammered his shoulder angrily.

"Are you going to lie to me? I know you can't, but I won't look down on you. Let's go back for treatment. It's not a terminal disease!"

With that, Leng Bingbing was about to cry. It was too miserable.

Yumochuan finally realized what she was talking about. Her eyebrows wrinkled into a Sichuan word, which was funny and angry.

"What are you talking about? Don't you know if I'm sick?"

"Don't try to be brave any more. I know that you men love face and refuse to admit that you can't do it, but it's not a small matter. Good, we'll go back tomorrow and I'll go to pack up now!"

The colder I think about it, the more serious it is. I just don't sleep any more. I get up and pack up.

However, as soon as I got up, I was caught by the man's little hand and pressed it on my body.

"Feel it? Is there any disease?"

"....."

His cold face was stiff, and his little white face turned red. He was so embarrassed that he wanted to find a hole in the ground.

But

She looked at the sugar fried chestnuts in his hand and said, "aren't you going out to buy a set? Why buy fried chestnuts with sugar?"

"You can't buy that here!"

"Er..." A cold face of suspicion.

Yumochuan explained helplessly: "this is an island. The supply of materials is not so timely. The people here are open and the demand for family planning supplies is relatively large."

This serious explanation made the cold ears red.

It turns out that the people here are so fierce that they can even sell this out of stock. It seems that this kind of thing is still normal.

Yumochuan sighed, put her in his arms with one hand, and said softly in a low voice: "Bingbing, between you and me, we no longer need to influence our feelings with such things as husband and wife life!"

I love you, pain is you, do not want to do this kind of thing with you to love you!

I think there should be a lot of things between us, which are more important than husband and wife Dunlun! ”

Cold understand, the heart is like pouring into a sweet stream.

She nodded, coquetry that way: “such as?”

“For example, fried chestnuts with sugar! What you like best, try it

With that, yumochuan picked up a chestnut, peeled it off and fed it to his cold mouth.

Coldly open your mouth and catch it.

Just fried chestnuts, but also with fragrant heat, delicious people want to swallow the tongue.

Cold heart sweet honey, this sugar fried chestnuts suddenly sweeter than honey.

“Yumochuan!”

“Well?”

He raised his head coldly and pressed his lips.

She gave him a kiss and walked away laughing, happy as a child who had stolen sugar. “Yumochuan, I must have saved the galaxy in my last life to meet you!”

Language Mo Chuan picked the next eyebrow, heart up, warm.

One night, they were wrapped in blankets and sat on the balcony.

As they watched the stars in the sky at night, they ate fried chestnuts with sugar. Laughter came from the balcony.

The next morning, when yumochuan opened his eyes, he subconsciously reached out and hugged the woman around him.

But the outstretched hand did not catch anything, only a piece of cold air.

Language Mo Chuan suddenly opened his eyes, looking at the empty side of the body, the whole person panic God.

He lifted the quilt and yelled at the bathroom, "Bingbing!"

"Ice?"

He called twice in a row, but there was no response.

Yumochuan opens the quilt, puts on his slippers in a hurry, and runs downstairs.

"Bingbing! Bingbing, where are you? "

In order not to be disturbed, the servants in the villa were given a holiday by them.

So early in the morning, in such a Big Island villa, only his low and anxious voice reverberated. In addition, there was no response.

Yumochuan is more flustered.

I'm not familiar here. She'll have an accident if she runs out alone.

Thinking of this, yumochuan suddenly opened the door and ran towards the door.

Just as he opened the door and was about to drive to find her, there was a voice of doubt behind him.

"Where are you going, mochuan?"

Sweet voice into the ear, language mochuan suddenly stopped.

Turn your head and look behind you.

In front of this scene, the whole person of yumochuan was shocked. He looked straight at the woman standing in the flower layer and lost all his words.

In the early morning, the golden and soft sunshine covered the whole garden.

Lengbing, wearing leather gloves and holding a water pipe, stood in the flower layer.

Bright flowers, red, pink, yellow, purple There are roses, roses, hyacinths A colorful, and even colorful butterflies flying in the middle of the flower layer.

Against the sun, her clear eyes were looking at him, smiling at him.

The smile on the face is brighter than the sun in the sky.

Yumochuan was stunned,.

He can see the color!

His eyes were filled with all kinds of beautiful colors. At last, those beautiful colors turned into her sweet smile.

“Bingbing!”

Yumochuan’s eyes burst out with a huge surprise. He strode toward the cold and put his arms around her.

“Bingbing...”

Chapter 1305

“Bingbing Bingbing !! I don’t know

Yumochuan was very excited and incoherent.

He can see it!

He can see it!

No wonder Dr. George said that life needs a little surprise.

The surprise came so fast!

“Bingbing, I’m so happy!”

“Wait a minute, wait a minute!” Cried coldly and anxiously.

She was watering the flowers just now, and she was covered with mud. Without saying a word, this guy rushed over and hugged her.

What happened to him?

“Yumochuan, please release me quickly, don’t make you dirty too!”

With that, he broke away from the embrace of yumochuan.

At this time, yumochuan happily did not know what words to use to explain his mood.

I always thought that it didn’t matter whether I could see the color. After all, it didn’t matter at all. As long as she was by his side, she was the most beautiful color in the world.

Originally, see the color is so wonderful.

At this time, no words can express his excited mood.

Yumochuan strides forward again, embraces lengbing and kisses her strongly.

Pry open her lips and teeth, all the way to conquer the city, strong sweep.

“Well...”

Cold eyes wide open, the whole person is confused.

What's going on, he looks so happy?

But Since he is so happy, it's better to take advantage of this time

Hey, hey, hey!

Lengbing still didn't give up the idea of having a baby, and the little devil in her heart revived.

Isn't it out of stock here? Can't you buy that?

Hehe, he was able to sit still last night. Can he still stick to his principles in the morning?

Coldly closed his eyes, took the initiative to embrace his waist, catering to him.

Kiss, the deeper, the more emotional.

Finally, Leng Bingbing is forced by yumochuan under a laurel tree.

Cold back hit the tree, shake the golden osmanthus, fall on the two people's hair, shoulder, kiss lips.

Coldly opened his eyelids, secretly looked at the language of ink.

Looking at the intoxicated look on the man's face, her hand quietly stretched out from the hem of his clothes and touched his waist.

His waist is strong and strong, his eight abdominal muscles are well-defined, and feel as smooth as chocolate.

A burst of numbness came from the back, and yumochuan suddenly froze and recovered from the excitement.

He released the cold, took her little paw out of the clothes, and frowned solemnly.

“For what?”

“.....”

He gave him a cold, silent look.

This guy is not cute at all recently!

When did you get so serious?

“Bingbing, what’s the matter with you?”

Language Mo Chuan looking at his wife angry appearance, confused.

Just at this time, the bodyguard came from the outside and said, “Sir, the chief wants to see you!”

“Chief?”

The language Mo Chuan doubts ground wring next eyebrow center.

He came here for his honeymoon and didn’t want to reveal his identity. He just wanted to live here quietly for a month.

Yumochuan and lengbing go home to change their clothes, and then they come down from upstairs to receive the chief.

When the chief saw yumochuan and lengbing, he stood up and bowed respectfully to them.

“Hello, sir and madam! Welcome to love island

“Have a seat, chief!”

Yumochuan sat down on the sofa opposite to the chief and said, “I’ve come to love island to spend my honeymoon with my wife. I don’t want to disturb everyone!”

With a smile, the chief took out a gilded card from his pocket and said respectfully, “Mr. Yu, I don’t mean to come here today, and I don’t talk about work. I just want to invite you and your wife to participate in the annual activities of our island.”

“Activities?”

“Today is the annual queen’s day on our island!”

Queen?

Leng Bingbing and yumochuan look at each other in a tacit way.

“That sounds interesting!”

Yumochuan took the invitation from the chief. He opened it and looked at it. The rules of the game were written on it. As soon as his eyes lit up, he closed the invitation and said, “thank you! My wife and I will go

Love Island, by its name, is a very romantic island.

The biggest festival here is the annual “Queen’s Day”.

The rules are very simple. Every woman on the island can take part, but it’s men who take part in the competition.

Which man is the best, win the game, then his woman can become the queen of the day. And on that day, no one can resist any order of the queen.

The temptation is great, so the competition is also very cruel.

But the game was surprisingly simple.

That is to pick up shells on the beach.

Whoever picks up the most shells and colors is the winner.

It’s rich in products, people live and work in peace and contentment, and they naturally don’t like the projects of fighting and killing.

Later, we used this romantic and fun way to compete.

Even if you lose the game in the end, you will have a happy competition process.

When I heard the rules of the game, I was stunned.

In the laughter, she looked at the man standing beside her.

“Mochuan, let’s go back!”

His eyes can't see the color. How can he take part in the competition!

Yumochuan knows what she's worried about.

This morning, he had planned to confess to her that his eyes could see the color of things, but before he could say it, the chief came.

Later, he read the contents of the invitation and had a plan in mind.

Maybe he can surprise her.

Yumochuan holds her hand and shows a mysterious smile.

"Don't worry! It's about participation, isn't it?"

Looking up coldly, he looks at yumochuan seriously.

She knows that he wants to take part in the competition for her, but others can see the color, but he can't. must he feel bad?

I don't want to make him unhappy.

She shook her head and said against her heart, "no, let's go back. I don't want to participate in this kind of activity. It's boring."

Language Mo Chuan to insist, "but I want to play, play with me and then go back!"

"....." Cold delicate eyebrow slightly a Cu.

She didn't know whether yumochuan really wanted to participate or just to make her happy.

But no matter what kind, since he wants to play, she will accompany him.

“Good! Then we’ll stay and play, but you know me, I’ve never been competitive, so I don’t care whether I can win or not!”

Yumochuan knew that she was comforting him and worried that he would lose the game.

His heart was warm.

He touched her head with his hand and said, “don’t worry, I won’t lose!”

The chief personally presided over the activity. With his order, dozens of men rushed to the white beach.

Yumochuan gave a kiss on the cold forehead and told him, “don’t run around. Stand with the bodyguards. They can protect you!”

“I know, you pay attention to safety, and I really don’t care what queen I’m not, I don’t care whether I win or lose!”

“Well, I see! I’m going

“Mochuan...”

Leng Bingbing could see the figure of Yumo before, but gradually, the distance became farther and farther, and soon he could not be seen.

Leng Bingbing was worried.

“Yumochuan!”

She shouldn't have agreed to let him go into the water just now. His eyes can't see the color. What's the point of mixing it?

Waiting for every minute is long, the sun moved from the sea level to the sky, the sun is more and more spicy.

Just when I couldn't wait, there was a whistle on the high stage.

The translator said happily, “madam, the game is over!”

“Is it over?”

As soon as her eyes brightened, she got up from her position and raised her toes to look at the beach.

Language Mo Chuan bare arm, carrying a white bucket came from the beach.

His whole body was wet by the tide of the sea, and his hair was messy on his forehead.

As soon as her eyes were hot, she ran over.

She looked him up and down anxiously, “yumochuan, are you ok?”

“Don't worry!” Yumochuan grinned and showed his big white teeth.

I can see that he is in a good mood.

Lengbing looked at the white bucket in his hand, which was full of colorful shells.

White, purple, yellow There are all kinds of colors.

She didn't know how many kinds of shells were put on the beach, but she thought that he must have picked them up casually.

However, it doesn't matter whether we can win the game or not.

Yumochuan rubbed her head and said with a smile, "I'll go there first and wait for me!"

"Well!"

Leng Bingbing took a white bath towel from the bodyguard and put it on yumochuan's shoulder.

Yumochuan used to hand over the "spoils" to the competition team and return to the cold side. Leng Bingbing was completely relieved, and his heart fell down.

After waiting for half an hour, the chief stood on the stage again and announced the champion of this competition and today's Queen.

"Congratulations to Mr. yumochuan, Ms. lengbing!"

"Lady Leng Bing is the real queen today!"

As the chief's voice fell, there was a burst of intense applause and cheers.

"Your Majesty, your majesty!"

He opened his mouth in disbelief and his eyes were full of surprises.

“We won! We won?”

“Yumochuan, we won? Is that true?” I still can’t believe it.

Yumochuan’s eyes can’t see the color at all. How can he win?

Is there anything inside the program?

Yumochuan looks at his wife’s happy appearance and grins.

As long as she can be happy, it’s all worth it.

Looking at the smile on yumochuan’s face coldly, he suddenly twisted his eyebrows and asked with some hesitation: “you Can you see the color

“.....”

“Tell me, can you see the color?”

Chapter 1306

The language is mo Chuan, but the smile is silent.

That pair of deep eyes looking at her, two thin lips of Cherry Blossom color, with a faint smile.

“Really! You did see it

Coldly surprised to cover his mouth, can't believe, "you really see, see!"

Too happy, a sour nose, unexpectedly unconsciously red eyes.

I really cry with joy!

Yumochuan said in a trembling voice: "yes! I can see the color. You are wearing a beautiful light blue skirt today. The hairpin on your head is also blue. Your skin is very white, like a lily in early spring Well

Before he had finished his words, he threw himself into his arms and kissed him with his toes.

At this moment, nothing is more appropriate than a kiss, no words need to be said, as long as he can feel her joy.

Language Mo Chuan light hook up the corner of the lip, revealing a doting smile.

He can feel her happiness, and he is very happy.

They hugged each other tightly, and there were cheers and whistles. "

people think they cry because they won the game.

Leng Bingbing is the queen of today. She is privileged to go everywhere. Shopping and eating on the island are free.

Even, she can ask anyone, the other party can not refuse.

"Can't you refuse any conditions?"

He blinked his wet eyes and looked at yumochuan meaningfully.

Language Mo Chuan picked under eyebrow tip, “certainly!”

With him, she is the queen every day. As soon as she says what she wants, he will try his best to satisfy her.

Cold eyes flashed a trace of cunning, the heart of the little devil recovery.

She put her finger in front of yumochuan and pointed to his heart, “this is what you said, but you can’t go back!”

Murakawa chuckles, grabs her finger and kisses it in her mouth.

“Never go back, my queen!”

Coldly proud to raise eyebrows, “this is about the same!”

Lengbing took yumochuan to the island to buy a circle, played another circle, and enjoyed a circle of free service.

This kind of feeling is quite fresh. Everywhere she goes, people call her “Lord Queen”. Everywhere she goes, there are special services.

I’m very happy, but I don’t know that all the activities on the island are funded by yumochuan.

Yumochuan followed her in silence. On her deep and clear face, she always had a dotting smile.

As long as she’s happy, it’s worth the money.

On this day, I had a good time and enjoyed myself.

When I came home at night, I was tired and paralyzed, but my head was still very excited.

It's the kind of physical fatigue, but the heart is still like playing chicken blood in general, do not want to stop.

As soon as yumochuan got home, he answered a phone call and then went to the study.

Listen to the content of the phone, it's probably that the company has something urgent to deal with.

As soon as yumochuan left, lengbing turned out the red box from the wardrobe again.

Last night, she chose the most conservative one. Tonight, she will choose the most irritating one.

Hum! How can he refuse this evening?

With a cold sly smile, he took his pajamas to the bathroom.

She put a bathtub full of water, added essential oil and rose petals in the water, and took a beautiful bath.

When yumochuan finished dealing with the company, he went back to his bedroom.

Push open the door, the whole person is a Leng.

The headlight in the room turned off, leaving only the warm yellow light at the head of the bed, which enveloped the whole room in an ambiguous luster.

"Mochuan, you're back!"

Cold and sultry, he lay on the big bed and winked at him.

Yumochuan's heart beat.

This goblin

If she hadn't wrapped herself up so tightly, he would have suspected that this guy wanted to do the same thing again.

We can't do the same today.

I'm really sorry. I knew to bring more necessities.

Yumochuan went to the bedside and gave his wife a kiss on her bright and clean forehead. In a gentle voice, he said with a light favor: "you lie down first and have a rest. I'll come right after taking a bath!"

"Well, go!"

Coldly trying to suppress the smile, the soft boneless hand mischievously drew a circle in his heart.

The place that is glided lightly by the finger, seem to have a small electric current to pass through, a burst of numbness on the back.

The language Mo Chuan grabs her finger in a hurry, don't let her disorderly.

He gave her a kiss on the back of her hand and said with a smile, "I'm gone."

With that, she let go of her hand and turned to take her bathrobe to the bathroom. Coldly looking at his big and broad back, he squinted.

These two days, this person suddenly became so serious, but she was not used to it.

Before, this man was no different from a wolf.

But during this time, how did the roles between them change?

Cold looking at the ceiling, a burst of melancholy.

But when she thought of what would happen later, she was full of expectation. She couldn't help but look at the direction of the bathroom and smile cunningly.

Yumochuan took a bath very quickly and came out of the bathroom ten minutes later.

In front of the scene, the eyes were shocked.

Someone who used to sleep in bed was sitting on the balcony with a bottle of 1982 red wine on the table.

Language Mo Chuan full of doubts, "today is not tired?"

Coldly beckoned, "come and sit down!"

Language Mo Chuan according to speech, sit down on the rattan chair beside her.

Coldly poured a glass of red wine for him, smilingly said: "cheers!"

Language Mo Chuan chuckles a, take over, touched the cup with her, don't forget to tell a way: "you drink less, drunk uncomfortable."

“Well, I see!” Reply coldly and cleverly.

Sipping a sip of red wine, cold eyes looking at the man sitting opposite, eyes also seem to be stained with a layer of magnificent scenery.

Her ruddy lips, now stained with a little red wine, looks more charming.

She wrongly tooted her mouth and said, “mochuan, I’m very happy today!”

Yumochuan seldom sees her coquettish and angry appearance. She reaches out her thumb and rubs her red lips little by little to wipe off the wine stains.

Coldly looking at the man’s affectionate eyebrows, eyebrow movement, mouth on the bite of his fingers.

“.....”

As soon as the back of yumochuan was shocked, a puff of numbness quickly ran from the fingers to the tail vertebrae.

“Bingbing...”

Coldly as if at this time to realize what they have done in general, quickly opened his mouth, release his fingers.

“Sorry, I didn’t mean to!”

“.....”

The language Mo Chuan in the heart suddenly can’t say is to lose or what, the Shan Shan ground withdraws a finger.

Coldly see his expression in the eye, in the heart suppress smile.

She got up and walked in front of him. She farted on his thigh and said, "husband, I'm the queen today. Can you help me realize what I say?"

"Well?"

The language Mo Chuan in the heart doubts, always feel this guy want to start to make a thing, however, still hesitant ground bottom head, "eh! What do you want to do? "

"Just give me a kiss!"

"That's it?" Yumochuan looks at her more hesitantly.

"Kiss or not?"

"What's so hard about that?" Language Mo Chuan helpless smile, bow to kiss on the cold lips, "is this OK?"

"Not yet, more!"

With that, she put her cold hands around yumochuan's neck and raised her head to kiss her.

With a long French kiss, she felt the palm on her waist and began to swim unconsciously. She showed a successful smile.

Quietly open the body of the bathrobe belt, white bathrobe Shua to slip from the shoulder.

"Ah

Leng Bingbing seemed to be scared, and he quickly put his hands around his chest, “husband, can you help me pick up the clothes?”

Her face innocent expression, language Mo Chuan eyes all looked straight.

Rose red clothes, cool only see a few belts.

After you can see the color, the temptation is multiplied. The bright red sets off the white skin, which is better than snow and crystal clear.

The man is intolerable to swallow saliva, the deep eye color is deeper.

The dark pupil, like a closed beast, is about to break through the cage.

Yumochuan grabs her cold and slender wrist, clasps her petite body in her arms, gnashes her teeth in her ear, and says: “goblin, don’t you just want to seduce me? Don’t cry later

With that, he picked her up and hurried to the bedroom, threw her on the bed, closed the balcony and curtains with his backhand, and rushed to her.

But yumochuan has a sense of propriety, what to do and what not to do, he will never let her pregnant, so hurt her body.

Coldly looking at his miserable but enduring appearance, he was deeply moved.

She dropped a pious kiss on his forehead and said in a low voice, “fool, I’m in good health and can be pregnant! You can do whatever you want! ”

“Really?”

“Well!”

Coldly and seriously nodded, knowing that he didn't believe it, he grabbed the mobile phone on the head cabinet and called out the picture taken in the morning, the B-ultrasound sheet.

Yumochuan looks at the signature on the B-ultrasound sheet, then looks at the signature, and finally understands why she tries to tease him these days. It's because of this!

Yumochuan kneaded his eyebrows helplessly.

I knew that. What did he endure yesterday?

This tormenting goblin!

He clung to her ear, hoarse sexy voice, ferocious way: “see I will not kill you!”

“Ah Leng Bingbing suddenly gets scared and stares in fear.

She is playing with fire!

But it's obviously too late to realize this. The breath is taken away strongly, and even Li Zhi is out of the air.

.....

I lay in bed for three days.

For the first time, I know what death is.

As long as she saw yumochuan, her legs trembled involuntarily.

Yumochuan pushed the door in and brought her a bowl of stewed rice porridge and put it beside the bed.

Looking at her delicate and weak appearance, a trace of guilt flashed through her heart, and her deep voice was unspeakable tenderness.

Chapter 1307

“Still uncomfortable? Do you want to go to the hospital?”

“No! Not bad!”

Leng Bingbing holds his waist up and kisses the fragrance of the food. He is really hungry.

On the one hand, yumochuan cherishes his wife, but on the other hand, he is extremely satisfied.

“Come on, I’ll hold you and feed you!”

Yumochuan holds lengbing in his arms and feeds her porridge bit by bit.

Cold delicate body nest in his wide mouth of the arms, hot millet porridge, the whole person survived.

“Honey, where are we going today?”

“Take you to sea!”

After asking, yumochuan looked at her pale face hesitantly, “is that ok?”

Cold eyes a bright, quickly nodded, “can!”

After breakfast, yumochuan takes a cruise ship to the middle of the sea.

The water was blue and there was no wave. Lying on the deck in the sun, my bones were almost crisp.

Looking at her lazy appearance, yumochuan squatted down, touched her small nose and said, "get up and take you fishing!"

Then he picked her up from the deck.

"Ah Coldly scared face a change, subconsciously hand around the language of Mo Chuan's neck, "scared me!"

With that, they looked at each other and laughed, and happiness filled their faces.

Two people are driving a cruise, aimlessly toward the depths of the sea.

During the day, they would sit on the deck and go fishing. When they got excited, they would go swimming in the sea.

Sitting on the deck, her feet swaying by the boat, watching yumochuan's vigorous posture swimming around her feet.

From time to time, yumochuan grabs her feet and kisses her on the back of her feet, which makes her cold and itchy, giggling.

At night, they lay on the deck and looked at the stars.

The breeze gently blowing, two people warm kiss, even the natural moon also shy to hide inside the clouds.

Happy days always go by quickly.

A month passed quickly.

When Leng Bingbing and yumochuan return to city B after their honeymoon from the island, the first thing they do is to pick up their daughter from Song Xiaoya's home.

When Leng Yinian saw his parents, he happily ran into their arms and gave them a kiss on their cheeks.

"Mom and Dad, I miss you so much!"

"Really?"

She looked at her coldly and suspiciously.

Every night, she would send her a video, but many times, she had a good time, even the video was very perfunctory, so she was anxious to hang up.

It seems that my daughter is very happy at Mu's.

Leng Yinian scratched his head sheepishly, "Mom and Dad, how did you come back?"

She also wants to live in aunt Xiaoya's house!

Lengbing and yumochuan are both choking.

Daughter, this is too much fun, do not want to go home?

Yumochuan squatted in front of her daughter and gently shaved her small nose, "little guy, didn't you say you missed us just now? Why don't you want to go home now?"

Leng Yinian turned his mouth.

You can only play one at home. You can play with brother Ruiqi and Bai Muchen here!

Finally, Leng Yinian was brought home by yumochuan and his wife.

At Mu's Grand Manor, Bai Muchen stands by the window in a daze, holding his chin in his fat little hand, sighing at the tall laurel tree outside the window.

"Ai ~ ~"

when he sighed for the third time, song Ruiqi could not help pinching her eyebrows, put down her pen and said, "Bai Muchen, if you sigh again, you will get out of this room!"

He just wanted to threaten the little guy, but he didn't want to. Bai Muchen really climbed down from the stool and walked to the door with his short legs.

"Brother Ricky, I'm home! Goodbye

Song Ruiqi was stunned and called out: "Hello, where are you going?"

"Go home!" Bai Muchen looks old and says, "I find it's not fun here!"

"....."

The veins on Song Ruiqi's forehead jump abruptly.

This one or two, I really want to piss him off!

Thinking of the guy Leng Yinian, he left without waiting for him to come back. I was annoyed.

It's a bad wolf.

He swore in his heart that he would not believe song if he cared about the two kids next time!

.....

Cold home, at this time a lot of people.

Leng Yinian had a high fever after dinner.

This scared lengbing and yumochuan, and rushed her to the hospital.

After more than half a night, the fever finally subsided. Looking at her daughter's haggard face, she felt very sad."Niannian, it's my mother who doesn't take good care of you. Get better soon!"

Song Xiaoya and Mu Junhao, when they learn that Leng Yinian is in the hospital, shout song Ruiqi out in the evening and take them to the hospital to see Leng Yinian.

Song Ruiqi is sleeping soundly. She doesn't want to go out at all. Her mouth pouts high and her face is not happy.

However, when he saw lying in the hospital bed, a pale face of cold thought, subconsciously a tight heart.

"What's the matter with you, xiaotuanzi?"

Leng Yinian opens his eyes and looks at Song Ruiqi's worried eyes. His eyes brighten and show a pale smile.

“Brother Ricky, you’ve come to see me!”

“Well, I came to see you! Are you better? ”

Song Ruiqi stood on the edge of the hospital bed, holding her hand and looking at her anxiously.

At this point, this guy is really pitiful. It’s said that he will always have a fever and get sick. His physical fitness is too poor.

Strange to say, since Song Ruiqi came, Leng Yinian’s spirit has changed for the better.

Looking at the two children’s tightly held hands, song Xiaoya joked to lengbing: “these two children are so loving. It’s better to set a baby kiss for them. I think it’s very good!”

Coldly happy way: “good, I have no problem!”

Song Ruiqi knows her roots. She was naughty when she was a child, but now she is very calm, and her academic performance is also very good. She is a super Xueba. She is so satisfied.

However, at this time, there was a faint voice in my ear, “the child is still young, Ruiqi is six years old, everything is unknown!”

Song Xiaoya said with a smile: “six years old is nothing. It’s better to be older. You know how to love people.”

Mu Junhao took his wife’s hand and said, “Ruiqi was a little naughty when she was a child, but it’s ok now. The child has a good relationship, so we can decide our life as soon as possible. Xiaoya and I will love Niannian as our own daughter.”

“No way...” Yumochuan immediately turned cold.

He is reluctant to marry his daughter. At least now he is reluctant to make a marriage for her so early.

But the words haven't said to export, was coldly ruthlessly stare one eye.

The wife is not happy, language Mo Chuan a choke, bitterly shut up.

At this time, Leng Yinian, who is only three years old, and song Ruiqi, who is nine years old, can't imagine that their fate has already been predestined in this quiet night.

Chapter 1308

Forest edge, adjacent to the sea, towering magnificent castle, towering into the clouds.

The castle is on the ground floor, in a dark room.

Lengs was stripped of his coat and tied to the post.

Bare upper body, full of scars, red blood flowing down the wound, shocking.

Through a few wisps of light from the window, shining on his pale cheek.

With his eyes closed, his long eyelashes cast a silhouette on his eyes. His face was quiet, and he didn't know whether he was asleep or fainted.

The rusty iron door was pushed open from the outside.

Several bodyguards came into the room with a tall figure.

Mo Tianci stood in front of Leng Si, with two big Buddha beads in his hands, and a pair of smart eyes moving on Leng Si.

Looking at the wounds all over his body, he raised the corner of his lips and came forward to grasp Leng silingjiao's distinct jaw.

"It's a tough guy. It's a pity that if you want to fight me, you're still a little young!"

Leng Si frowned and opened his eyelids to see Mo Tianci.

He hooked the corner of his lips, his pale face showed a sneer, "Mo Tianci, I've never been controlled by others!"

Mo Tianci was very annoyed to see that he could still laugh.

Originally, he used lengsi to let him break the capital chain of Yushi group step by step according to his plan, and then buy the shares of Yushi group at a low price.

Seeing that he was about to succeed, Leng Si gave the shares to his sister.

In Brunei, he has always been a bully, and no one has ever dared to disobey his words. This is the first time that he has been fooled around by people he trusts.

Five years ago, Leng Si was just a little bodyguard beside him. He took a fancy to his ability and constantly promoted him.

In just five years, he was given the position of vice president of Mo family. Why didn't he know how to be grateful?

Those who dare to use him are not born in this world.

Mo Tianci's eyes flashed a trace of ruthlessness, stretched out his hand to his hands, "give me the whip!"

He put a thorn whip in Mo Tianci's hand.

Mo Tianci clenched the whip and took it to Leng Si.

The wound that just stopped bleeding on the body cracked again.

Mo Tianci laughed obscenely. Looking at the wounds in front of him, he burst out laughing happily.

"Leng Si, I tell you, the person who dares to challenge me has not been born from this world! If you kneel down and beg me, I'll consider sparing your life!"

Leng Si clenched his teeth, clenched his fist, and the veins on the back of his hand burst out.

After a while, the sweat of pain was flowing down his forehead, but he was smiling, "if you want me to beg for mercy, there is no door!"

"Son of a bitch! Do you think I really dare not kill you? I keep you, but I want to torture you slowly!"

The more Leng Si smiles, the more evil the smile on Mo Tianci's face is, and the heavier he starts.

When Mo Tianci was tired, he threw the whip in his hand and hummed: "sprinkle some salt on the whip and continue to beat!"

Leng Si's pupils suddenly shrank, but he bit his teeth and closed his eyes. He let those people flog him, but he didn't make a sound until he fainted completely.

He can die, but he will never beg for mercy.

One in the morning.

The locked door was opened again, and a dark figure came towards him quickly.

"Boss, wake up! Follow me

The speaker is obviously Li Xin.

Originally, Li Xin sentenced Leng Si to a ten-year term for lack of evidence for murder. Later, Leng Si found a relationship and only stayed there for three years, then he came back to Leng Si.

With all his strength, Leng Si opened his eyelids and raised his head.

As soon as he looked up, Li Xin could see him clearly and clenched his fist angrily.

"Mo Tianci son of a bitch, I'll fight with him!"

Leng Si quickly took Li Xin's hand and said with pain: "leave here first!"

"Well, let's get out of here first!"

Li Xin bribed the guard and took Leng Si out of the basement.

However, the manor of Mo family is too big.

In addition, Leng Si was injured, and Li Xin was unable to move with Leng Si.

The training dogs in the castle smell the bloody smell of Leng Si and start barking in the direction of their escape.

“Who’s that over there? Leng Si has run away. Go after him

Li Xin looked behind him, and Mo Tianci’s followers came after them.

“Boss, they are catching up. Let’s go separately!”

Li Xin pushed Leng Si out of the wall and told him, “jump down quickly, someone will meet you at the door!”

With that, Li Xin ran to the other side. Cold Si in the heart a tight, lowered a voice to shout: “Li Xin, come back!”

But as soon as he turned around, Li Xin disappeared.

Those people ran after Li Xin in the direction. Leng Si’s eyes were cold and he jumped down from the wall.

Under the wall, there was a car to meet him.

Leng Si escaped from the castle and went straight to the apartment in the center of the city.

The most dangerous place is the safest place.

If you want to leave here, you have to go to the wharf, but the wharf is all Mo Tianci's territory. Knowing that he has escaped, he must have ordered to block all the exits for a long time.

What's more, Li Xin hasn't come back yet. He will wait for Li Xin here.

Leng Si opened the door and took off his bloody clothes.

His clothes were stained with blood and stuck to his skin. He gritted his teeth in pain.

He pulled aside his nightgown and put it on his body. He lay on the sofa and closed his eyes.

He had not slept for two days and nights. He was lying on the sofa, and he closed his eyes and went to sleep.

As soon as I fell asleep, there was an urgent sound of footsteps at the door.

"....."

Leng Si suddenly opened his eyes, got up from the sofa, and stared warily at the door.

However, the door is a beautiful slender figure.

Mona walked quickly to Leng Si and said with a surprise: "you are really here, Leng Si! Where have you been these days? Why doesn't the mobile phone turn on? I have a very important thing to tell you Ah, what's the matter? Where did these injuries come from?"

With a close look, Mona could see clearly the scar on Leng Si's face.

With a tight heart, he dropped his bag and squatted in front of Leng Si, looking at him anxiously.

She wanted to reach out and touch him, but she was afraid of hurting his wound.

Leng Si lazily raised his eyelids, looked at the sad look on Mona's face, sneered, sarcastic.

"You are all the masterpieces of your father. Don't you know that

Mona was stunned and shook her head, "I really don't know! I've been looking for you for several days. I thought you were avoiding me on purpose. I really don't know what happened!"

Mona's crying appearance made Leng si more upset. "OK, I've finished reading it. Do you want to report to your father or take me back to ask for credit? Please do as you please!"

Mona was completely stunned and looked at the man in front of her in shock.

"Leng Si! You know that I love you and know that I will face you. Why do you still say such piercing words to hurt me?"

"Ha ha! Love me?"

Leng Si seemed to hear some funny joke. Her bony fingers pinched Mona's thin chin and said in a vicious tone: "don't you think your words are funny? We just use each other to talk about feelings. What a joke!"

Leng Si merciless words, like a knife in Mona's heart stabbed a knife, painfully.

She squeezed the heart of her fist, raised her small face and looked at him stubbornly.

"I don't believe it! You can't have no feelings for me! Otherwise, why do you want to sleep with me?"

The warmth of the night will never be false.

Smell speech, cold Si evil Si's handsome face, smile more and more enlargement.

"Miss Moda, we are all adults. You take off your clothes and go into my quilt. Don't you beg me to do you? Now what feelings are you talking about? Is there something wrong with your brain?"

Is there something wrong with your brain

Mona's brain is blank, her fingers are deeply pinched into her palm, and even her body is trembling slightly.

She stares at Leng Si's decadent but still sexy face, tentatively reaches for his hand, and her pale little face squeezes out a smile that is uglier than crying.

"You're talking angry, aren't you? You are not happy that my father treated you like this, but I really don't know about it

Leng Si pushed Mona's hand away with a cold look. "Don't touch me! If you don't want me to die right away, get out of my house right away!"

Mona, caught off guard, was overthrown on the ground by him.

Wrist knock on the side of the tea table, a sharp pain hit.

As the daughter of the Mo family, Mona is the most favorite daughter of Mo Tianci. She is the first lady. When did she suffer from such anger.

Mona picked up the bag on the ground and threatened angrily: "Leng Si, since you are so merciless, don't blame me for being unjust!"

With that, he walked towards the door in high heels.

Leng Si looked at her back and frowned, “Mona, what do you want to do?”

Mona came to the door, stopped again, turned around, and drew her lips towards him.

“Just stay here. Don’t go anywhere for the time being. Wait for me to come to you!”

With that, Mona told her bodyguard to slide a trace of cruelty across her beautiful face.

“Keep watch here. If he runs away, you’ll cut off your legs and thank him for your death!”“Yes

The bodyguards were terrified one by one.

The first lady’s temper is not better than that of Mo Tianci at all, and her means are cruel. She perfectly inherits the characteristics of Mo Tianci. No wonder Mo Tianci likes her daughter so much.

Leng Si knows Mona’s temper. She decides that few people can control him.

He lay down on the sofa again and looked out of the window with a hint of irony.

Leng Si, Leng Si, it seems that you will be planted in their father and daughter’s hands all your life.

Mona came out of her apartment and sat in the back of a luxury car.

She opened the zipper of the bag and took out a carefully stored color B ultrasound sheet from the sandwich.

The content on the B-ultrasound sheet shows that she has been pregnant for five weeks.

Chapter 1309

These days, she is looking for him everywhere, trying to tell him the news of her pregnancy, but he seems to have disappeared in the world, only to find the whole city.

Thinking of his ruthless words just now, he tore the B-ultrasound sheet to pieces and threw it out of the window.

“Big Miss, where are we going? ”

“Go home!”

The car started and headed for the castle.

When she got off the bus, she looked at the driver coldly and said, “my whereabouts must not be disclosed to anyone, even if my father asked me! Is that clear? ”

“Clear, miss!”

Mona is a famous “witch”. It’s no better to fall into her hand than her father’s.

Get the driver’s answer, Mona this satisfied with the foot toward the home.

“And father?”

“The master is in the study upstairs!” The servant wanted to talk and said, “Miss, the master is losing his temper.”

“I see!”

Mona's delicate eyebrows frowned tightly, and she walked into the elevator, which went directly to the study on the fourth floor.

The door of the study was not closed tightly. From a distance, she heard Mo Tianci's voice.

"You rubbish, you can't even find half dead people. What's the use of keeping you?"

"Don't come back if you can't find Leng Si!"

Mo Tianci is angry about Leng Si's escape.

Mona clenched her fists and pushed the students away. She yelled to Mo Tianci, "Dad, why do you want to deal with Leng Si?"

Mo Tianci turned and looked at his daughter's angry face, frowning unhappily.

"You go out first!"

"Yes

As soon as his men left, Mo Tianci sat down on the seat, looking cold and dignified.

"Nana, are you going to question me for that boy? Do you know how much dad lost because of him?"

Mona took a breath, softened her tone, and prayed a little: "Dad, you know I like him. Can you let him go this time? He'll know what's wrong, and he won't do that kind of stupid thing again

Mo Tianci snorted coldly, "he will know wrong, unless the sun comes out from the West!"

Mona walked to Mo Tianci's back, put a ring around Mo Tianci's neck from behind, and said, "Dad, you know he's stubborn. You have a lot of adults. Don't you have the same opinion with him? He is so capable that if he can become a member of our Mo family, it will be a great help to you

"You don't have to be unfaithful a hundred times at a time!"

Mo Tianci thought of something. He took his daughter's hand, gathered the fierce color on his face, and patted Mona's hand with a smile.

"Nana, there are many good men in the world. Don't be cheated by that boy! As a matter of fact, dad has made a marriage decision for you. Today, Charlie will come to the house to ask for a marriage! "

"Charlie? Are you going to marry me to Richard

Cha family is a century old family. They are real aristocrats with noble status. They can't match Mo family financially.

However, in terms of status, compared with them, the Mo family can only be regarded as an upstart.

Richard is a notorious jerk with ten wives.

Her father married her to such a scum man in order to consolidate her position?

Mona looked at Mo Tianci in shock, waved his hand, even retreated two steps, "Dad, I love Leng Si, except for him, I don't marry anyone!"

Mo Tianci's face was cold again. "I've accepted the dowry of Charlotte. If you don't want to get married, you should get married!"

"Dad! How can you do that? "

Mona seemed to know Mo Tianci for the first time. Her beautiful eyes were full of disappointment, "I will never marry him, nor will I marry him when I die!"

"Pa", Mo Tianci slapped heavily on the desk and said coldly, "you have to marry if you don't want to, or you'll be waiting for Leng to collect the corpse!"

Mona's heart tightened and her eyes widened. "You dare!"

"Unfilial girl, you dare to threaten me! Do you think I dare or dare not?"

With that, Mo Tianci yelled at the door, "come on, call the driver and bodyguard of the first lady in!"

Mona's eyes were flustered, and finally realized that Mo Tianci was really coming. She begged for mercy and said: "no! Don't hurt him

Mo Tianci looked at Mona coldly, "whether to let him live or to let him die is all in your hands."

Mona clenched her fist because she was too hard and her fingers were white.

She understood everything. It was all arranged by her father.

Deliberately let Leng Si go, use Leng Si and she to restrict each other.

She knew better than anyone what her father was like.

In order to achieve the goal, what does family love mean to him?

Mona closed her eyes, gritted her teeth, and said almost word for word, "I'm married! Let him go" Oh, do you think you have the capital to negotiate with me?" Don't be angry.

Mona hooked the corner of her lips, showing a sneer of sarcasm, “if you don’t want to turn around with chadley, you don’t dare to push me too hard, otherwise I don’t know what kind of things I will do! You know, your daughter’s character is up to you! ”

With that, Mona turned and left the study.

She knew that her father would agree that she would not move lengs until she married chadley.

Mona was shaking all over when she came out of the study.

She couldn’t believe that her father, whom she had always respected, would marry her to that scum of Richard in order to consolidate his position.

Mona looked up at the blue sky, warm sunshine shining on her body, she did not feel any warmth.

Mona came to the apartment again with a thermos and a box of medicine.

Leng Si heard the sound of opening the door, opened his eyelids and looked at the door, then closed his eyes again.

Mona put down the thermos, squatted down in front of him and pulled open his robe without saying a word.

“A little bit...”

I was stunned before I could say anything.

The big and small wounds on his body, like centipedes crawling on it, were startling.

Mona’s eyes filled with tears as soon as her nose was sour.

She looked up at the sky and forced her tears down.

He squeezed the ointment on his finger and began to give him a little medicine.

Sharp pain accompanied by warm soft greasy touch came, Leng Si suddenly opened his eyes, coldly staring at Mona.

“What are you doing? Take your hands away

Mona gritted her teeth, not only did she not take it away, but her hands tried harder and harder to smear him.

“Let go!”

Leng Si’s forehead was sweating with pain. He reached out and tried to push Mona away, but Mona lissso gave him a hook and grabbed him with his backhand. His wrist was pressed on the top of his head.

Red and moving lips, slightly a hook, said with a smile: “if you are not injured, I am not your opponent, but you are injured! If you don’t want the wound to break open again, just give me some peace! ”

“You Lengs gritted his teeth with anger.

For the first time, I was crushed to death by a woman.

Leng Si thin lips up a hook, “you really think I’m not what you do?”

“Shut up

As soon as Leng Si’s voice fell, his mouth was blocked by a warm lip

Chapter 1310

Leng Si was stunned for several seconds. He was forced to kiss by a woman and pushed away the woman who was pressing on him.

Mona was not annoyed when she was pushed away. She stretched out her thumb and dried the remaining water stains on her lips.

“Kissing is so bad that I don’t dislike you!”

“You

Leng Si turned over and turned his cold face into a pig liver color.

“Mona, you’re a woman. Can you look like a woman?”

“What does a woman look like?”

Mona opened her arms, looked up and down at herself, then straightened her heart, blinked her big eyes and said, “don’t I look like a woman?”

Everyone knows that Miss Mo is a fairy from heaven. She has the face of an angel and the figure of a devil. It is even reported that if she goes to the entertainment industry, she will definitely be gorgeous.

Leng Si looked at her proud heart and frowned slightly.

“As a woman, you should be more reserved!”

“What is reserve?”

Mona walked up to him, and fingers with red nail polish were picking up his chin lightly.

“If the other party doesn’t take the initiative, then take the initiative to attack. I will create my own opportunities to get what I want.”

“.....”

“You see, haven’t you become my courtier?”

“.....”

Leng Si helped the forehead and rubbed the eyebrow wearily. “Mona, what do you want?”

Mona looked at his sexy, cold face and suddenly fell silent.

For a long time, she zipped the back of her big red skirt with her backhand.

The dress falls off, and the perfect figure is displayed.

“Sleep with me again, and I’ll let you go!”

Leng Dun lived and looked up at the naked woman in front of him incredulously.

The green tendons on the forehead stretch to the extreme, and the eyes like a cold pool are faintly beating with anger.

Almost biting her teeth, she said, "Mona! Do you have any sense of shame?"

Shame

Mona's fingers on the side of her body tightly grasped, her heart was cut by a knife, and her heart was dripping blood.

She just froze for two seconds, then burst out laughing.

"Since you say I have no sense of shame, I can't let you go like this!"

Leng Si flashed a bad premonition in his heart, and frowned, "what do you want to do?"

Mona leaned in front of him, one foot on the sofa.

Reach out to lift his sexy chin, red lips hook out a demon sneer, looks like a soul sucking goblin.

"You

Leng Sifei's forehead.

For the first time, he saw such a difficult woman and such a woman with no sense of shame!

He gritted his teeth. "If you touch me, I'll kill you!"

Mona patted him on the face, laughing more proud, "as long as you have this ability, I beg you to kill me!"

With that, Mona pulled one side of the pajamas wrapped in her body, and yelled to the bodyguard at the door: “come on, buckle him on the bed for me, Miss Ben will be lucky for him today!”

“Yes

The door was pushed open and two bodyguards came in.

The bodyguard handcuffed lengs to the bed.

Leng Si’s face turned green with anger, and her eyes glared at Mona who was watching the play.

“Let me go! Or you’ll be dead! ”

“Young lady, it’s handcuffed.”

Mona waved to the bodyguard, “get out of here!”

“Yes

The bodyguard walked out of the room and didn’t forget to close the door for them.

Leng Si’s eyes were fixed on Mona, hoping to make some holes in her body.

“Mona, untie me quickly!”

Mona’s white fingers slipped through lengs’s sulky face one by one, and there was deep attachment and madness in her eyes.

“Now Where else do you think you can go? ”

Mona kisses him in the face, but he turns away.

“Don’t touch me!”

Mona was stunned, and her face sank suddenly. She grabbed his jaw, lowered her head and kissed him.

Leng Si could resist at first, but gradually, he could only keep panting.

Mona is his only woman, and she knows where his weakness lies.

He is a normal man, in Mona’s deliberate provocation, the body gradually heat.

Mona felt his body change, released him, raised her head and looked at him with burning eyes.

“Do you see that? You like me. Your body is more honest than your mouth! ”

“.....”

Leng Si’s red eyes stare at Mona.

If it wasn’t for the wrist, he would have let her know what it was.....

At five in the afternoon, the vast sky has been dyed into a beautiful oil painting by the sunset.

Breeze blowing in from the window, blowing light screen gently swaying, draw a beautiful arc.

Mona opened her eyes in a daze and saw a handsome face that was suffocating.

Deep and charming facial features, clear water chestnut, even with eyes closed, it looks indifferent and aloof, rebellious.

Mona's eyes finally fell on his thin lips.

It is said that men with thin lips are fickle. Why are you different?

Things have been going on for so many years. Why don't you just give others a chance to be obsessed with that woman?

Do you love her that much? Is she really that good?

Good enough for you to love her, love to sacrifice everything, can give up everything!

Her fingers gently stroked his face, as if to remember him thoroughly, over and over again

There was a trace of astringency in her eyes. Mona gave a wry smile and whispered in his ear.

"Leng Si, I have a secret to tell you. I'm pregnant!

If you know the news, will you be happy? Will you forget everything and stay with me for the sake of your children?

But I can't tell you anymore, because I'm getting married.

In order to consolidate his position, my father wants to marry me to a scum!

I think the news doesn't matter to you, does it?

Never mind, I will take care of myself, take care of our children! Take care of yourself, too

Mona finished, leaned over and gave Leng a soft kiss on the forehead.

Leng felt something hot dripping on his face. He suddenly opened his eyes and woke up.

He reached out and wiped his face. Sure enough, he found a drop of water.

He just dreamt that Mona was crying.

How is that possible?

That woman devil can cry?

Leng Si looked at the water stains on his fingers, stunned for several seconds, and then found that his side was empty.

When I reached for it, there was still her body temperature on the sheet.

It seems that he has just left.

Leng Si lifted the quilt and got up. Looking at the trace on her shoulder, she frowned irritably.

This guy, wild like a horse on the grassland, and no sense of shame, is really a headache.

Leng dressed quickly and opened the door.

“And she?”

The bodyguard replied respectfully: "Miss has just left! She said, "you can leave. The master won't trouble you again!"
