## Chapter 1311

The bodyguard stayed here just to tell Leng Si.

Finish saying, a few people lifted foot to leave.

Leng Si looked at the empty corridor and felt a sharp pain in a corner of his heart.

It's like something important is going away from him.

He rubbed his heart and laughed at himself.

What else is important for him now?

His life came and went empty handed, and he worked hard for most of his life, but in the end he got nothing.

But this is not the time to be sad.

One day has passed, and Li Xin has not come back.

Leng Si dials a call to Li Xin, but it shows that it has been turned off.

Leng Si's heart clapped for a while, and a bad premonition surged up.

Something must have happened to Li Xin.

That night, Leng Si changed into a strong suit and quietly dived into the dark and humid basement.

Before long, Leng Si found the dying Li Xin.

“Li Xin, wake up, I’ll take you out!”

When Li Xin opened his eyes, he could hardly see the original appearance of his delicate facial features.

Li Xin tried his best to open his eyes and gave lengsi a pale smile.

“No, I feel a little tired! You can go first. After Mo Tianci finds out, you can’t go any more!”

How could Leng Si leave Li Xin like this.

Leng Si squatted in front of Li Xin and said, “I’ll carry you!”

“No You go

Li Xin knows what he looks like now. It’s difficult for him to stand up. He can’t escape with him.

“Don’t talk! Now that I’m here, I’ll take you away!”

Can’t help but say, Leng Si carries Li Xin, strides toward the door.

They hid all the way and finally ran to the door.

Just at this time, the kilowatt headlights on the roof suddenly lit up, making the whole castle like day.

Before Leng Si could turn around, he heard a loud noise in his ear.

A bang.

Then, a painful murmur came to his ears, accompanied by warm liquid splashing on his face.

Leng Si was stunned, as if he had been hit by a acupoint, and his brain was blank.

“Boss Let’s go...”

Ear, weak voice came, cold Si this just thoroughly recovered.

He quickly put Li Xin down, and a huge panic appeared in his eyes.

Li Xin was shot through a big hole in his back, and blood flowed down from the hole.

Leng Si stretched out his hand to cover the wound and cried out in fear: “Li Xin!”

Li Xin holds Leng Si’s hand, pale to transparent face, still squeeze out a hard smile.

“Boss, don’t be sad for me. I don’t regret meeting you all my life!”

With that, Li Xin’s hand slipped from his palm and closed his eyes completely.

“Ah

Leng Si hugs Li Xin’s gradually rigid body, with a ferocious face, and looks at the people coming out of the gate.

“Mo Tianci! I’ll fight with you!”

Leng Si releases Li Xin and rushes towards Mo Tianci.

All of a sudden, the bodyguards surrounded and protected Mo Tianci.

A black muzzle, aimed at lengs.

“Stop! One step further and we’ll shoot!”

Instead of stopping, Leng Si stepped forward and kicked over the bodyguard.

Other people see this, all toward lengsi surrounded up.

Leng Si hit red eye, hit a punch more than a punch, and soon hit ten bodyguards.

Mo Tianci looked at his crazy appearance, and finally had a trace of fear in his heart.

Step back, he snatched a gun from the bodyguard and fired into the sky.

“Leng Si, if you move again, I’ll kill you!”

Leng Si twisted his fist, looked at Mo Tianci coldly, and walked towards Mo Tianci step by step.

“You’re dealing with me. Why kill him?”

Mo Tianci said with a sly smile: “I promised Nana that I would not kill you, but you caused me such a disaster and made me lose so much money. You let me just let you go. There is no way! Since I can’t do anything to you, let your brother bear my anger for you

“Mo Tianci!”

Listening to Mo Tianci's understatement, Leng Si's blue veins on his forehead jumped.

A few lunges rushed to Mo Tianci's face. In Mo Tianci's panic eyes, he kicked off the gun in his hand and put out his hand to pinch his collar.

"Mo Tianci, today I want you to pay for my brother's life!"

The words fell on his arm and fell feebly. The bodyguard took the opportunity to come over and put Leng Si on the ground.

Just now, he was almost strangled by this boy. Mo Tianci had never been such a coward. He grabbed the gun in his hand and hit Leng Si.

Leng Si's eyes were cold, and he turned over and dodged.

The bodyguards surrounded Leng Si again, with guns pointing at him.

Mo Tianci has been angered, cold voice roared: "give me a shot to kill this boy!"

"No!"

Mona came running from the door barefoot in her white pajamas.

The hair is still dripping with water, it looks a bit embarrassed.

She stood in front of Leng Si. "Dad, let him go!"

"Nana, do you know what he just wanted to do with me? He promised to let him go, but he was going to kill me

“Let him go!”

Mona had red eyes, clenched her fist, and a stubborn face.

“You Mo Tianci angrily roared at her, “get out of the way, or I’ll kill you!”

“I won’t get out of the way! Dad, you promised me, if you want to kill him, kill me first

Mona clenches her fingers and looks at Mo Tianci with cold and bone piercing eyes.

She knew that Mo Tianci would not kill her. He wanted to take advantage of her marriage with chadeli. How could he let her die at this time!

Mo Tianci’s fingers holding the gun turned white. At last, he closed his eyes and dropped his arms.

“Go away! Don’t show up in front of me in the future! ”

Mona breathed a sigh of relief and quickly turned to look at Leng Si.

See him still standing there, motionless, upright, anxious way: “you go!”

“Leng Si, go quickly. You can’t fight my father now. If you don’t go, I can’t keep you!”

Mona gave lengs a push and yelled angrily.

Leng Si was pushed back two steps. Leng Bing’s eyes made people shudder.

After a long time, he turned to pick up Li Xin and strode toward the door.

Dark sky, I don't know when it will rain.

Ice cold pats on his face, on the body, soon the whole body is wet.

Cold rain through the skin, like a knife into his body wound, but he did not feel pain, cold face, not even frown.

Mona looked at his lonely back, heart pulled into a ball.

She lowered her voice to her confidant bodyguard and said, "find a reliable person to follow him. Don't let him have an accident."

"Yes, madam."

It's two o'clock in the night. It's a dark bar.

Lengs was very drunk.

The bodyguard called Mona's cell phone number.

"Miss, lengs is drunk."

"Where is it?"

Mona couldn't sleep when she was lying in bed. Leng Si's angry face and lonely figure flashed through her mind repeatedly.

Li Xin died. Leng Si, who is so emotional, must be very sad and sad now.

“I’ll be right there!”

Mona turned over, changed her clothes and drove herself to the bar.

“What about people?”

The bodyguard took a look at the card seat in the corner and stammered: “in Over there...”

Mona followed the bodyguard’s line of sight.

A girl in cool clothes was sitting on Leng Si’s knee, feeding him a drink.

A stream of blood rushed to the forehead, Mona three or two steps over, a foot will be the girl from Leng Si body kicked down.

“Ah

The girl was suddenly kicked to the ground and looked at Mona angrily.

“In broad daylight, you can hit people at will. Is there any royal law?”

“I hit you! Shout and see if anyone dares to help you

“You shrew Ah

The girl had not finished her words when Mona stepped on the back of her hand.

Mona leaned up in front of her and said, “did you touch my man with this hand just now? This is just a small lesson for you. Get out of here

The girl's face turned white with pain. When she looked at it, she was immediately scared into a cold sweat.

"You Are you Miss Mo

"Go away!"

Mona released the girl's hand and frowned in disgust.

The girl recognized Mona's identity and quickly got up and ran away.

"Is this your Mo family's style? If you don't like it, you can trample on it

Ear, came the man's low cold ridicule.

Leng held his head and drank all the wine in the glass.

Mona turns around and looks at Leng Si, who is drunk, but still satirizes her. She comes forward and grabs the glass in his hand and falls to the ground."Come back with me!"

Leng Si waves Mona's hand, Leng Sen's eyes are full of deep hatred.

"Mona, have you made it clear that my brother was killed by your father, and I haven't killed you now. I've done my utmost. Get out of here!"

"....."

Mona's back was stiff.

They looked at each other for a few seconds. Mona's face changed. She turned quickly and walked towards the door.

He's right. She's his enemy's daughter. He must hate her now.

"Miss, Leng Si is so bad. You are so kind to him that he even drives you away. What a shame!"

Mona frowned unhappily and glanced coldly at the bodyguard, "I don't want you to speak ill of him! Do your own thing

"Yes

The bodyguard immediately silenced and did not dare to say more.

Mona was sitting in the back of the car, her eyes closed, a little pale and weak on her face.

Just now in the bar, smelling the strong aroma of wine, the stomach kept rolling, it was hard to suppress, did not spit out in front of Leng Si's face.

The bodyguard looked at her anxiously, "Miss, are you ok? You look terrible

"Nothing!" Mona resisted nausea and rubbed her eyebrows.

"Well Miss, where are we going next? "

"Wait for him here!"

"....." The bodyguard felt unworthy of the young lady in his heart.

The first lady really loves Leng Si, but Leng Si doesn't know how to cherish it at all.

## Chapter 1312

Ten minutes later, Leng Si staggered out of the bar.

The bodyguard reminded, "Miss, Leng Si is out!"

Mona opened her eyes and was about to get off when she saw a white figure walking towards Leng Si.

The man grabbed Leng Si's collar and punched Leng Si in the face.

"You bastard! Give him back to me, give him back to me

Leng Si was knocked down on the ground with a punch and raised his eyes to look forward.

Yi An stands in front of him with an angry face. His fingers are clenched into fists and his eyes are red. He looks like a small animal with angry and desperate hair, but he is so fragile and sad. He looks like a bow string stretched to the extreme, which will break in the next second.

Leng Si wiped his face and said in a voice he couldn't hear clearly: "I'm sorry! Yi An

But Li Xinren is gone. No matter how much I'm sorry, it's useless to give him back his life.

"I don't want your sorry! I want him, I want him

How can he live without him?

Yi An strides forward, grabs Leng Si's collar again, and punches the other half of his face with his backhand.

Leng Si lay on the ground and burst into laughter.

"You fight! Fight to your heart's content! I'm the one who implicated him. If it wasn't for me, he wouldn't die!"

Yi An roared angrily. Because he was so excited, he even broke his voice. "Do you think I can forgive you if you say that? Leng Si, you are a loser! loser!"

Yi'an was mad, and he punched and kicked Leng Si.

Leng Si didn't fight back, just lying on the ground laughing, as if to hear something funny joke, can't stop.

"Can you still laugh?"

Yi An was so angry that he was about to explode. His chest kept rising and falling, and his fists and hands and feet ignored him.

In the back seat of the black luxury car, Mona clenched her fingers with the door handle, and her big eyes flashed with deep worry.

When the bodyguard saw this scene, he said: "Miss, I'll go down and help you!"

"No! Come back

"Miss?" The bodyguard looks at Mona suspiciously.

Mona said, "don't go, let them vent!"

Li Xin died, Yi An must be very sad now, Leng Si is even more sad.

She has always known that he is a very emotional person, Li Xin because he died, if you do not vent, his heart can not pass the barrier.

Yi An was tired. He sat aside, covered his face and began to cry.

"Leng Si, you are an asshole! You know how much I hate you, you know? "

"I hate it, I envy you, I envy you!"

"Do you know who he really likes? He probably will never tell you, because the person he likes is you! I have no regrets for anything I do for you. Five years ago, I went to take the blame for you. I had a big fight with him. He said he had no way to get rid of me! "

"What a fool he is! Unfortunately I'm just as stupid as him. Knowing that the person in his heart has always been you, I'm willing to follow him and watch him do all kinds of stupid things for you! "

"I really envy him, even if he just gives me a little care and love, I will be happy like a fool, I know you don't like men, like women, he knows this, he will never say his mind to let you worry, even if he can't say his mind, he dare not!"

"As long as he says what's on his mind, you won't trust him any more, or even drive him away!"

"In the end, he died for you!"

"How could he be so cruel? I just left me like this

Yi An lay on the ground, looking at the black and dreary sky, crying and laughing.

He laughed at himself and Li Xin. In fact, they were the same people.

Isn't it better to treat that bastard like that when he dies?

Why is still so sad, sad want to die, that bastard regardless of him, but he can't leave him.

After listening to Yi An's words, Leng Si was struck by lightning, and his dark eyes were full of wonder.

How is that possible, and why?

Li Xin even likes him?

“No! It's impossible

Leng Si gets up and grabs Yi An's collar. His red eyes look like a beast on the verge of collapse.

“What's the point of denying it now?” Yi An looks at Leng Si coldly, sneer tunnel.

Leng Si is decadent.

He loosened Yi An's collar and stumbled down the street.

In his mind, he kept thinking about the days when he met Li Xin.

He will listen to him for everything. At any time, as long as he says a word, no matter how difficult it is, he will finish it for him. Five years ago, he went to jail instead of him, regardless of his own life.

Five years later, for his sake

Thinking about it, Leng Si suddenly laughed.

He always thought that the whole world was sorry for him.

No one can warm him, he depends on himself, he is so lonely!

So, he was wrong! It's wrong!

In this world, there are also people who will be desperate for him, and some people think his life is more important than their own.

Mona got out of the car and quietly followed Leng Si.

She had never seen him like this. It was like the belief she had insisted on for the first half of her life suddenly collapsed overnight.

What's on your mind, Leng Si? Since so afraid of loneliness and loneliness, why is not willing to let me into your heart?

Leng Si is wringing wine bottle in hand, drinking, and walking to the apartment.

Mona followed him, blowing cold all night.

When lengs returned to the apartment, he fell asleep at the door.

Mona just walked over, smelling the strong wine smell on his body, frowning.

“Leng Si, get up! Go home first

Leng Si originally closed his eyes and heard Mona's voice. He suddenly raised his eyelids and looked at Mona.

Mona's eyebrows jumped. Just when she thought lengs was going to push her away, he closed his eyes and went to sleep.

Mona breathed a sigh of relief. She said to the bodyguard who was not far away: "come here and give me a hand!"

The bodyguard and Mona work together to get lengs back to the apartment and put him on the bed.

Mona took off his dirty clothes, then his shoes, socks

She didn't know what to dislike at all. She did it seriously and carefully.

The bodyguard took this scene in his eyes and was shocked.

The first lady is the most beautiful girl in heaven. She has always been served by others. When did she serve others?

"Miss, shall I come?"

Mona looked at the bodyguard, "you go out first, guard the door, no one is allowed to disturb!"

"..... Yes

The bodyguard came out of the room.

Chapter 1313

Mona goes to the bathroom to help lengs put the bath water.

He was so smelly, dirty and smelly, and he smelled of wine.

It was the first time she saw such a sloppy lings.

In her impression, Leng Si has always been delicate and noble, aloof and unruly.

He would never know that he took root in her heart at the first sight of him.

Since then, the proud miss of the Mo family has been completely occupied.

In order to match him, he knocked himself down from a high princess and returned to the world.

Seeing that he is nice to lengbing, she is very jealous, so she always tries to find each other's troubles, which makes him even more bored.

He was not warm or cold to her, so she tried to paste it. As long as she could get a response from him, she would be very happy.

She reached out and tried the water temperature, only to find that there was no hot water in the apartment at all.

Leng Si doesn't usually live here. There are a lot of things here.

Mona came to the kitchen again, turned on the gas and began to boil the water.

This is her first time in the kitchen, the first time in contact with those kitchen utensils. After studying for a long time, she knew how to turn on the natural gas stove.

But when pouring the water, I accidentally splashed the boiling water on the back of my hand and scalded a big blister.

Mona was in such pain that tears were coming out.

She washed Leng Si's face and gently wiped the wound on her body.

Looking at the wounds on her body and face, Mona was very distressed.

Yi An is so heavy!

Mona wiped him clean and put on the medicine.

Do all this, she was completely relieved, sitting beside the bed, carefully looking at the man lying on the bed.

He closed his eyes and frowned, looking very uncomfortable.

Even when I fell asleep, I frowned. How many things are on my mind?

She took off her shoes and sat down on the bed. She put Leng Si's head gently on her leg and rubbed her boneless fingers gently.

The pregnant woman was sleepy, and she didn't sleep all night. Mona yawned, closed her eyelids and went to sleep.

In her sleep, she felt a pair of powerful arms around her waist.

Then, warm breathing sprinkled on her neck.

There was a prickle.

Mona opened her eyes.

Before she could see the scene clearly, her body was turned over.

Then a tall body covered her.

Mona's eyes were still a little confused when she just woke up, but soon she woke up suddenly.

Leng Si's long fingers began to untie her clothes.

Mona was stunned for several seconds and grabbed his finger.

"Leng Si, what are you doing?"

Leng Si's muscular arms stood on both sides of her body, and her bright eyes were staring at her, with a trace of unreal confusion.

The next second, he leaned down and blocked her lips.

"Well..."

Realizing what he wanted to do, Mona you opened her eyes wide and began to struggle.

The last time she dared to do this to him, it was because she was determined that she would never see him again, and at that time, she handcuffed him, so she could control the propriety.

But now, she is the one who was pressed.

No way!

It's going to hurt the baby in the stomach.

Thinking of this, Mona began to struggle.

But now, she is no match for a man at all.

What's more, now the other party is full of wine, and is still a drunkard. It's estimated that he doesn't know what he's doing at all.

Otherwise, to the extent that he hates her, he won't take the initiative to sleep with her, will he?

Seeing that she was not good, Leng Si frowned unhappily.

His hands tried hard to tear the clothes that were in her way.

Listening to the tearing of the cloth, Mona was stunned.

It was the first time that she saw such an impatient Leng Si.

They did it a lot, but she knew that he only accepted her when he had a need.

But every time, even if each other climbed to the top, the person out of control is always her, he has always been cold and self-supporting appearance, even at that time, he is still in forbearance, will not indulge himself.

But now

Mona's all in a daze.

Is it because Li Xin's incident has hit him too hard?

Mona can still think freely at the beginning, but soon, all her breath is taken away by him, and she has no ability to think any more.

I don't know how long it took, Mona looked out the window at the light getting brighter and brighter, the golden sun broke the horizon, blooming all over the sky. Her fingers clung tightly to the sheet, and the other man consciously protected her stomach.

In the middle of the confusion, the people behind finally calmed down.

She fell on the bed with a long sigh of relief.

She wiped the sweat on her forehead. When her breath was smooth, she turned around.

I saw the man fell asleep with his eyes closed, and the frowning brow stretched out, which should not be so uncomfortable.

Maybe I was too tired to snore.

Mona sighed helplessly, lifted the quilt and got out of bed quietly.

It was already bright outside the window. First she went to the kitchen and cooked some porridge. Then she told the bodyguard to buy the medicine for the injury and put it on the bedside table.

Finally, after thinking about it, I found a marker in the drawer and wrote a few words on the bedside table.

When she stopped writing, her heart was very heavy. She could not help kissing him on the forehead again. Then she reluctantly left.

As soon as Mona got into the back of the car, she covered her stomach and frowned, looking very uncomfortable.

The bodyguard looked at Mona anxiously, "Miss, what's the matter with you? He looks so white. Is he ill? "

"Go to the hospital!"

I didn't feel it just now. I just felt that my lower abdomen was a little heavy. When I came down from upstairs, I felt that my lower abdomen was getting heavier and heavier. At this time, I felt a kind of falling pain.

Mona thought of the possibility and turned pale.

The bodyguard took Mona to the nearest hospital, and the doctor gave her a B-ultrasound.

"Miss Mo, you are pregnant, do you know?"

Mona bit her lip and nodded gently.

The doctor sighed and said, "how can we not have the same room in the first three months of pregnancy? The child almost disappeared! "

Mona's heart flashed a trace of remorse, "doctor, please try to help me hold the child!"

"Fortunately, I came early! Don't worry too much. The mood of pregnant women is the most important thing. Stay in bed a lot during this period of time. I'll prescribe some more medicine for you. Remember that you can't have any more intense exercise in the future! "

Mona, no matter how calm she was, blushed.

“I will pay attention, thank you, doctor!”

Coming out of the hospital, Mona recovered her cold face and told the bodyguard, “I can’t be known about my pregnancy. Go and seal it for the relevant medical staff!”

“Don’t worry, I’ve already warned you!”

#### Chapter 1314

When Leng Si woke up, the sun was high in the sky, and the strong light made him unable to move his eyes.

There was a smell of sandalwood in the room.

Leng Si narrowed his eyes and subconsciously raised his hand to block the sunshine.

Looking at the naked arm, he was stunned for several seconds.

There was a kind of conjecture in his heart, but he still felt ridiculous.

He lifted the quilt and looked down at the mess under it.

Scattered memories poured into his mind, his face changed, the whole person was settled.

He thought he was dreaming, but he didn't think it was real.

He took the initiative to sleep Mona!

Crazy!

Leng Si's sexy facial features flashed a trace of anger.

But it's just chagrin. Anyway, that woman is not reserved at ordinary times. There is a difference between one more time and one less time.

However, there was a strange feeling in his heart.

Every time in the past, she would wake up in his arms, like a sentimental kitten, but these two times, when he woke up, she had already gone.

This kind of feeling, inexplicably let him feel a little uncomfortable.

Cold Si fire big lift quilt to get up, the canthus remaining light sweeps what, the vision Er ran a Zheng.

On the bedside table, there was a line of words written in black marker.

Leng Si, I'm gone. I won't pester you any more! For our sake, I will give you a big gift before we leave. Don't thank me!

There is a naughty smile behind the black words.

Looking at these words, he saw Mona Guling's face.

Leng Si Leng hissed, "what's this guy doing?"

However, no matter what she does, he is not in the mood to play with her now.

Leng Si got up and went to the bathroom. When she passed the cabinet, she found that there was a thermos and several bottles of medicine for fall injury in the cabinet.

Leng Si went over and opened the thermos.

Inside was a bowl of porridge. He frowned slightly and put a spoonful into his mouth.

It doesn't taste like it was bought outside. It even has a scorched smell. It's a bit bad.

You don't have to think about who did it.

What a bore!

Leng Si put down the thermos and turned to the bathroom.

However, when he came out of the bath, he found a lump in the quilt.

It's a small group. You don't have to think it's a woman.

"Mona, are you having fun like this?"

Leng Si rubs his eyebrows and shouts to the voice.

Is that what she said about leaving?

Learn those bloody plots in TV series, pack her up and give her to him, and say goodbye to her past?

Think of this, Leng Si feels incomparable headache.

Instead of paying attention to her, he went to one side, took a hair dryer to dry his hair, shaved with a razor, changed his clothes and was ready to go out.

But when he came to the door, his steps stopped again.

The person on the bed is silent, according to Mona's acute son, she can't pretend so long?

Leng Si shrugged his nose and keenly smelled a strange smell.

It's not Mona!

Leng Si's eyes suddenly narrowed, across a trace of danger.

He walked quickly to the bed and pulled back the quilt.

"Who?"

Looking at the people under the quilt, Leng Si froze.

For a long time, he was surprised and said, "Xiaoya, how are you?"

A few hours ago, B city.

Song Xiaoya finished her work early and went to black swan to pick up the cake ordered a few days ago. Today is mu Junhao's birthday.

When he took the cake and walked out of the shop, he was covered with a white cloth from behind before he could open the door.

A pungent smell poured into her nose, and then she fainted.

By the time she woke up, she was already lying in a luxurious room.

There was a strange woman sitting by the bed.

“Who are you?” Song Xiaoya makes a weak voice.

Mona turns around and looks up and down at Song Xiaoya with a pair of beautiful Phoenix eyes.

Song Xiaoya is no longer young. She is in her thirties, but her skin is still fragile, and she is full of femininity.

This kind of taste, only obtains the happy moistening woman to be able to have.

Mona raised her lips and said with a faint smile: “Miss Song, I’m sorry to invite you in this way!”

When Mona looks at Song Xiaoya, song Xiaoya also looks at her.

She tried to search her mind for information about this person, but she had no impression of her at all.

“Who are you? Why did you tie me here?” Mona came forward and sat on the leather seat opposite song Xiaoya. “Sorry, I forgot to introduce myself. My name is Mona!”

“Mona?”

Mo

Song Xiaoya frowned, "are you the daughter of Mo Tianci?"

"Yes Mona nodded, "but what you dare to be interested in is my other identity!"

"What?"

"The woman of lengs!"

"....." Song Xiaoya frowned more tightly, and the look on her face cooled down, "Miss Mo, please don't make such a joke! I have nothing to do with Leng Si. You can rest assured! "

Hearing this, Mona shook her head and played with her fingers carelessly.

"Well, you are heartless! Leng Si doesn't think that there is no relationship between you. From his teens to his thirties now, he has only you in his heart. He has always been you! For you, he almost paid all, but you are cruel to abandon him, into another man's arms, you are really not good

Song Xiaoya's eyes flashed a little doubt.

She didn't understand what Mona meant?

Is that what she's saying?

Song Xiaoya said solemnly: "Miss Mo, you can rest assured that I have nothing to do with Leng Si!"

Mona looked out of the window with a trace of unspeakable sadness on her beautiful face.

"Miss Song, I'm going to get married! The object is not Leng Si. It is doomed that there will be no result between him and me! "

“What?”

Song Xiaoya stares in shock.

As a woman, she sensitively feels that Mona is not hostile to her.

I just don't understand. Why did she get her here?

“Miss Moda, what do you want me to do? Whatever your relationship with Leng Si is, it's none of my business, is it?”

Mona looks at the worried look on Song Xiaoya's face and raises her lips sarcastically.

“What I want is you to replace me and stay with him!”

Song Xiaoya is shocked to stare big eyes, “you are crazy! I have a husband, I have children

“Yes, I am! Crazy as hell

Mona had a look of prayer.

“Do you think I'm willing to give him up to you? But he loves you! Whenever he has a little bit of me in his heart, I will follow him regardless! Do you know how jealous I am of you?”

“He's really bitter. He has nothing now! All the hard work is gone. For the sake of his love for you, please give him some hope to live!”

Chapter 1315

Song Xiaoya looks at Mona in shock.

“I just said that I have a husband and children. I don’t love Leng Si! If you really know love, you should know that love is not charity

“Yes, I know love is not charity! But I can’t manage so much. I love him, so I would rather be sad silently than help him! ”

Song Xiaoya is Mona’s gift to Leng Si. As long as he is happy, she can do anything for him. Even if she wants the stars in the sky, she will try her best to pick them off for him..

Leng Si was so lonely. After calculation, he got nothing in the end.

Even the people around him left him one by one, leaving him alone.

Mona originally wanted to stay with him all her life. As long as he didn’t drive her away, she could stay with him all her life without getting married.

But not now. In a week’s time, it will be her wedding to Chadley.

In order to keep her baby alive, she had to finish her wedding with Chadley as soon as possible. When she got big, she couldn’t hide everything.

She knows that Leng Si’s obsession is Song Xiaoya, and only Song Xiaoya can make him happy and happy.

“You

Song Xiaoya is stunned and almost laughs at Mona’s words.

“Can you do this for your love? You release me quickly, my husband and children are still waiting for me at home, today is my husband’s birthday, can’t find me, he must be crazy now! ”

Mona raised her eyebrows, her beautiful face said with a smile, “you don’t need to worry about that. They have company naturally!”

Song Xiaoya’s heart surges up a bad premonition, frowning tightly.

“Mona, what did you do?”

Mona straightens up, picks up a tablet computer from her desk, clicks on a video and puts it in front of song Xiaoya.

“Look, they’re having a good time now! Don’t worry. I’ve thought about all these problems for you. There will be another song Xiaoya with them! ”

Song Xiaoya turns her head and looks at the video in front of her.

The background is Mu’s villa. On the long dining table, the whole family is singing birthday songs happily.

Beside Mu Junhao sits a woman.

The woman turned around, her beautiful little face with a happy smile, is gently giving Mu Junhao soup.

Song Xiaoya was stunned.

this face is as like as two peas, and more importantly, the look and smile on her face are so similar to her.

“Why? Why are you doing this? ”

Song Xiaoya panicked and looked at the beautiful woman with a small face in front of her.

Mona looks at Song Xiaoya's face in panic, showing a trace of satisfaction.

"Looking at your reaction, I knew that I was right to spend so much time on that woman! As early as five years ago, I began to collect information about you, your every move, smile, these five years, what you do, she will learn! So much energy and effort has not been wasted at last

Song Xiaoya looks at Mona incredulously.

It took someone five years to imitate her, just to replace her one day?

"Mona, you are really a madman! Have you ever thought about how I feel? Have you ever thought about how my family feels?

A lie is a lie after all. They will know about it one day. What do you want them to do then? "

Mona shrugged her shoulders helplessly and said with a natural face: "this is not the scope I have to consider! If they really love you, they will be able to know the difference between you and the stand in, as you said, even if you like again, she is not you!

Just like Leng Si, I once let that woman seduce Leng Si, but he recognized it at a glance!

If Mu Junhao loves you enough, he will be able to identify the stand in! "

"....."

Song Xiaoya put her little hand on her side and held it tightly.

The human heart is the most untested thing.

She doesn't doubt Mu Junhao's love for her. Just because she loves her too much, she has the lowest vigilance towards her.

He doesn't suspect that his wife has changed for no reason.

Song Xiaoya closed her eyes and said, "Mona, let's make a bet! In three days, if Mu Junhao doesn't find me exchanging identities with the stand in, I'll stay here!

If he recognizes the identity of that woman, you can't embarrass me any more. How can you get me here? You can only send me away!"

Mona picked a delicate eyebrow, "good! It's a deal!"

She doesn't believe that Mu Junhao can recognize that woman!

Song Xiaoya looked at the picture on the tablet again, and her heart beat nervously.

She prayed in her heart, Mu Junhao, don't be fooled by Mona! If Mu Junhao doesn't recognize the woman and is with others, what should she do?

.....

After Mona talks to Song Xiaoya, she is sent to Leng Si's home by Mona.

In front of her eyes, light suddenly comes in. Song Xiaoya opens her eyes and stares at the man standing in front of her.

"Well..."

Leng Si looked back and reached for the white cloth in her mouth.

“Xiaoya, why are you here?”

How many years have they not looked at each other face to face like this?

Four years? Five years?

It’s like a century!

He knew that she had a good and happy life, but he was not willing to disturb her happiness.

This kind of contradictory feeling tugged at him day and night, and made him constantly struggle in the abyss of pain.

But now he met, he didn’t expect to be happy, even a little uneasy at the bottom of his heart.

It’s like something’s out of control.

He covered his heart and forced the inexplicable idea down.

Song Xiaoya rubbed her wrist and said excitedly to Leng Si: “Leng Si, all these are Mona’s pranks. Can you send me back quickly? I beg you

Later, Mu Junhao may be with that woman

Maybe even with that woman

Thinking of this, her heart was in a panic to the extreme.

“.....”

Leng Si tightly pursed her lips and looked at her still young face.

Suddenly turned around, stood at the window, lit a cigarette, looked at the hot sun outside the window, closed his eyes, low voice said: “you go! I’ll get you out of here!”

Song Xiaoya is a Leng, didn’t expect Leng Si to talk so well.

Thinking of something, she jumped out of bed and went to lengs.

Hesitated for a moment, pulled his arm, “Leng Si, how did you get the wound on your face?”

Leng Si’s smoking fingers were stiff, and his eyes flashed a trace of joy.

But it was only a second, and his face returned to normal.

“Nothing! It’s just a small thing!”

Chapter 1316

Song Xiaoya is no stranger to Leng Si.

Once they lived abroad for five years together, she knew better than anyone what pride they had in their bones.

Song Xiaoya rubbed her eyebrows and opened her mouth earnestly.

“Leng Si, I’m sorry! You probably do the most wrong thing in your life is to fall in love with me! If it wasn’t for me, you wouldn’t be like this! In the dead of night, I have asked myself countless times, if I had known that there would be such a result today, would I regret having saved you?”

Smell speech, Leng Si tall and straight body suddenly a stiff, stiff turn head to see to song Xiaoya.

Song Xiaoya took a deep breath and then said, "I can tell you clearly that I have no regrets!

Until now, I still believe you are a good man!

It's just that you spend so much effort on me that you forget to be nice to yourself!

Sometimes, if the obsession is too deep, you will tie yourself up, turn it into practical action, and end up in a cocoon! "

Leng Si looked at Song Xiaoya's serious face and frowned deeply, "what do you want to say?"

"Leng Si, in fact, you will have a better life than anyone else! You have the ability, you are very smart, resourceful, even if you have nothing, but no matter how bad the environment is for you, you can make a comeback and become the most dazzling person at the top of the pyramid! You can have a good life, as long as you put down the bigotry in your heart! "

Smell speech, cold Si that pair of cold pool general deep Mou son slightly a flash, seem to hear a joke, cold Chi a smile.

"But tell me, what should I do?"

From his teens to his thirties now, all his goals from beginning to end are to get her and be with her.

How to give up?

Many things have already become a habit, there is no way to easily change!

“Alas

Song Xiaoya suddenly felt a deep helplessness.

She spread out her hand and said frankly: “good! Since you say so, I’m standing here now, and I can’t run anyway. Do what you want to do to me?”

Leng Si Junyi’s eyebrows suddenly twisted, and his tone coldly said: “Song Xiaoya, what do you mean, you?”

“Didn’t you say you wanted me? Even if I’m married and have two children, you’ll never forget it

Leng Si suddenly got angry, “Song Xiaoya, you know I don’t mean that!”

Song Xiaoya put down her arm, put away the joking look on her face, and said seriously: “Leng Si, in fact, you don’t love me for a long time. The reason for this is just the obsession in your heart! If you don’t believe it, you can kiss me!”

With that, Song Xiaoya closed her eyes.

“.....” Leng Si choked all over.

Looking at Song Xiaoya’s peaceful face, his eyes fell on her cherry blossom lips, and he turned patiently.

“Song Xiaoya, you know that’s not what I want!”

He thought that he really wanted to get her. If it was just to get her, he would have slept with her for five years abroad.

But what he wants is not like this at all!

But in Song Xiaoya said let him kiss her that moment, he suddenly the whole person is confused.

After so many years of obsession, he suddenly felt very boring.

There is no impulse to song Xiaoya at all. What flashed through my mind is the face of Mona, the dead girl.

What's wrong with him?

Song Xiaoya opened her eyes, suddenly laughed and said clearly: "Leng Si, you just don't want to admit it. You don't love me long ago. In other words, from the beginning, you didn't really love me. You just see your shadow in me. You want to be good to me, which is actually a kind of compensation for your psychology!"

"Song Xiaoya!"

Leng Si is interrupted angrily by song Xiaoya about the central issue.

Thinking of what Mona said to her, song Xiaoya continued: "Leng Si, I really thank you for your five years together! Although the enmity between us is not clear in a few words, I still want to tell you

"In fact, you always have a lot! Bingbing used to be a silly girl. Her whole heart was on you. Leng's family went bankrupt. She had nothing to do with her. She never complained about you. Where are you going? Where is she going!

Later, even if she married yumochuan, it was because she wanted yumochuan to help you. Now she is living a good life and has found real happiness. I'm glad for her! "

"But now There is a girl standing in front of you, for you heart and lung, pay everything, you don't again and again deceive yourself, don't disappoint those who wholeheartedly pay for you! "

Song Xiaoya's words are loud, just like fists falling on his heart, his heart pulled into a ball.

He's really sorry for Bingbing!

As for Mona Song Xiaoya slightly raised her lips and said, "Leng Si, Mona is getting married! Follow others

"....." Cold Si suddenly a shock, calm face has already set off waves.

Mona's getting married?

This How could that be!

How could she marry someone else!

Leng Si suddenly panicked.

At this moment, he finally understood where the difference of these two days came from.

Looking at Leng Si's dull face, song Xiaoya knows that Leng Si really doesn't know that Mona is going to get married.

"Leng Si, I don't know what happened between you and Mona, but She really loves you! Love to sacrifice everything! You should cherish her

Mona is still hopeful about lengs.

She was ready to leave, but all the time waiting for Leng Si to change her mind and take her away from that home.

Leng Si's fingers in his pocket, clenched into a fist, hesitated.

“This How is that possible? ”

How could he and Mona be?

His father killed his brother!

But Mona has never been sorry for him, but he has been using her!

Song Xiaoya showed a positive and encouraging look at him, “Leng Si, don’t miss it again, you go to find her quickly! I hope you can be happy

Leng Si suddenly showed a smiling face, a cloud to see the sun, suddenly enlightened.

Unknowingly, he has fallen in love with Mona, but he is too slow, until this moment he was awakened by song Xiaoya.

“Xiaoya, thank you!” Said lengs heartily.

Maybe it should have been said 15 years ago.

If at that time, he calmly faced his heart, after Song Xiaoya saved him, he would say “thank you” to her.

No bigotry, no distortion, only magnanimous, now is not able to live a completely different life?

Leng Si can understand that song Xiaoya is very happy.

She hugged Leng Si hard. “It’s so good that you can figure it out!”

Just now, she dared to let Leng Si kiss her, because she could see that Leng Si had not loved her for a long time.

With a sincere woman like Mona by his side, his heart should be warmed even if it is made of stone.

Just at this time, the door of the room was violently kicked open from the outside.

With a loud bang, Mu Junhao's cool face appeared at the door.

## Chapter 1317

Looking at the two people holding each other, he quickly steps forward with a look in his eyes, grabs song Xiaoya's arm and pulls her out of Leng Si's arms.

At the same time, he shook his fist and waved to Leng Si's face.

Leng Si is caught off guard and is hit by Mu Junhao.

"Ah

As soon as song Xiaoya's face changed, she quickly grabbed Mu Junhao and said, "Junhao, what are you doing?"

Mu Junhao was very angry. He waved song Xiaoya's hand and asked angrily, "Song Xiaoya, you are so good! When I found out that you were kidnapped, I was so anxious at home that I rushed here day after day. It's good for you to cuddle with him here!"

Song Xiaoya rolled a big white eye.

“Mu Junhao, there’s a limit to being jealous! Do we have something to hold together? Maybe it’s just a polite hug!”

Mu Junhao was angry and laughed at Song Xiaoya’s boastful words, “you can say that too! If you want to run with other men, have you ever thought about those two children Well

Song Xiaoya walks in front of Mu Junhao and holds the back of his head, stands on tiptoe and kisses him directly, blocking his chatter.

“.....”

Mu Junhao stares big eyes, the flame in the heart, by her overbearing kiss instantly subsided.

Just as he reacts, seizing her waist and preparing to turn away from her, song Xiaoya releases him and takes two steps back.

She grinned, her curved eyes brighter than the sun in the sky.

“I’m very happy, Mu Junhao,” she said! Within three days, you recognized the woman’s identity!”

Mu Junhao turned his lips and was happy in his heart, but he sneered with pride on his face.

“Where does it take three days? In an hour, I recognized it as a fake! She can look like you, or learn to talk like you, but there is no way to know your taste!”

Taste

Why does that sound so serious?

Song Xiaoya's cheek is inexplicably hot. She stealthily pinches Mu Junhao's waist, lowers her voice and says, "just your nose!"

Looking at two people show love, Leng Si helped the forehead, "you want to show love, please go out to show, I don't welcome it here!"

Mu Junhao released song Xiaoya. His face hesitated. His sexy thin lips moved, "brother, come home with me!"

As soon as Mu Junhao's words came out, Leng Si was shocked.

He called him brother?

How long has he not heard Mu Junhao call him that?

After a long time, he was about to forget that his surname was not "Leng", but "Mu"!

Once, Mu family was his obsession, but now, everything has changed, everything has no meaning.

Leng Si suddenly let go and burst out laughing.

"Mu Junhao, I won't go back with you. What's good about the Mu family? I'm out there in heaven and earth!"

This is mu Junhao's first time to see Leng Si's bright smile.

Mu Junhao hammered his shoulder and laughed, "when you want to come back, Mu's family is always welcome!"

Now, Mr. Mu has passed away, and Mrs. Mu has been devoting herself to eating fast and chanting Buddhism, and has long since stopped asking about family affairs.

He can make decisions for the whole Mu family. As long as Leng Si likes, he can give Leng Si half of everything in Mu family.

Leng Si gave Mu Junhao a hug, “thank you! But There won’t be a day like that

Although Mu Junhao was a little lost, he did not force any more.

You can see that lengs has changed a lot.

As long as he can be happy, he will not interfere in what he wants to do.

Before leaving, song Xiaoya can’t help reminding: “Leng Si, remember to go to Mona and make it clear! Go as soon as possible

A few days later is Mona’s engagement ceremony. By that time, it’s too late!

As soon as they left, Leng Si couldn’t wait to call Mona.

But the other party’s phone couldn’t get through.

“Sorry, the number you dialed is off!”

No matter how many times, the other party is turned off.

Leng Si’s fingers held the mobile phone tightly.

It was discovered that he knew nothing about her except her mobile phone number. Even after her mobile phone was turned off, he didn't know where to find her.

Moreover, Leng Si also found a fact.

He never took the initiative to call her, even once.

It was the first time he had called her in five years.

Cold Si Zheng for a long time, he just dial a phone call to the previous subordinate, "check a person for me, send me the address immediately!"

Within ten minutes, for convenience, Mona's address was sent to Leng Si.

It's the address of an auditorium.

Leng Si's heart beat fast. Is she getting married today?

Leng Si stretched out his hand and pulled a black windbreaker over him. He strode out of the door and drove to the church himself.

An hour later, the car stopped at the church gate.

Outside the majestic church, there are long red carpets and beautiful flower arches.

The church gave out warm applause and whistles. Leng Si twisted his eyebrows and strode toward the church.

Far away, he saw a figure in a white wedding dress and a man in a black suit.

They were standing in front of the priest and swearing.

“Beautiful bride, today, you are going to marry Mr. Reese. No matter how old you are, how poor and rich you are, you will never give up. Will you?”

“I...”

“No!”

Leng Si’s heart beat to his throat. He must stop the farce immediately.

However, he was about to jump to the stage when a soft, boneless hand reached out and grabbed his arm.

“Leng Si, what are you doing?”

“.....”

The angry and familiar voice came into his ears, and Leng Si was stunned.

He turned around and looked at the angry little face in front of him. He grabbed Mona’s hand excitedly with his backhand.

“You’re not married? The bride is not you

Mona frowned, wondering why he was suddenly so happy.

But this is obviously not a good place to talk.

“Follow me!”

Mona led him outside the church.

They stopped at the end of a remote corridor.

Mona released lengs's hand, put her hands around her chest, and looked at him speechless.

"What did you want to do? Do you want to have a big wedding?"

"No It's not..."

Leng Si's handsome face turned red at the thought of a big oolong.

Mona looked up and down at him hesitantly. "Why are you here? What about song Xiaoya?"

Speaking of song Xiaoya, Leng Si gnashes her teeth.

"What do you mean, Mona? Why did song Xiaoya come here?"

"It turns out that song Xiaoya is in love with me and has come to ask me for a crime?"

Mona's heart is aching.

She didn't do it for him. He came here to question her.

Leng Si choked and realized that her tone might have misunderstood her.

He approached Mona step by step, his eyes glowing, the hot temperature was about to burn her, with some unknown pleasure.

Instead of answering her question, he asked, "what are you doing here? Are you not married?"

Mona's heart was trembling. She retreated warily. Soon she retreated to the wall, and there was no way back.

She tightened her fingers and forced herself to calm down.

"Today Today, my good friend got married. Do I have to tell you when I attend the wedding? A joke

Chapter 1318

Didn't he ask her to leave?

Now, with the expression of "husband catching adultery", what is the point?

Besides, shouldn't he be happy now?

Don't accompany song Xiaoya, run here to ask her such boring questions, really drunk!

Think of song Xiaoya is now in his home, her heart began to roll thick jealousy.

She pushed lengsi away, raised her delicate face, gritted her teeth and said, "I have nothing to do with you! Mind my business in the future

Mona turned and walked towards the church.

Lengs grabbed her by the wrist. "Wait, where are you going? Did I let you go?"

Mona was originally sad, and immediately became angry after hearing Leng Si's words.

"What do you mean, Hans? I stay, you are not welcome! I'm going, and you won't let me go. What do you want me to do? "

Mona shouts at Leng Si regardless. A layer of water light emerges tightly in her beautiful big eyes.

He knows not to know, tie song Xiaoya to give him, completed him, the aggrieved is her own.

She is clearly pregnant with his child, is the father of his children, but she personally pushed him to other women.

Does he think she feels better?

This asshole!

Mona has always been a superior young lady. She is unruly and willful, and seldom shows weakness in front of others.

Even if it is rare to show weakness, the next second, she will be fierce back.

Very strong character.

But now, I cry like a confused child.

It's the first time lengs has seen such Mona.

Leng Si looked at the way she tried to hold back her tears, just like a knife gouging out his heart.

He strode towards her, clasped her on the back of the head, bowed his head and kissed her.

“.....”

The warm and greasy touch stunned Mona.

It's like being struck by a thunderbolt, leaving the whole brain blank.

For a long time, until Leng Si released her, she stepped back, her big wet eyes widened to the extreme, and looked at Leng Si strangely.

“You Did you kiss me on your own initiative?”

He kisses her?

Isn't she dreaming?

Leng Si looked at her face with unbelievable eyes, and thought of the cold shoulder to her some time ago. He felt very guilty.

It's all his fault that he didn't trust her enough.

He took her by the wrist, forced her into his arms, and gave her a kiss on her white forehead.

Very devout, with debt.

“Mona, I'm sorry! I wake up too late, can you give me another chance?”

Mona is more confused. Is this a confession?

Is that unrealistic?

“What do you mean? I don’t quite understand!”

What about song Xiaoya?

Isn’t song Xiaoya in his home now?

Is he

The surprise came so suddenly that she couldn’t react at all. It was like a dream.

Even dream, she dare not have such extravagant hope.

Leng Si was so distressed that he swallowed his throat and said in a low voice: “I’m sorry, I know I may not be your happiness, but please forgive my selfishness, I want to treasure you, only belong to me

“.....”

On the man’s affectionate eyes, Mona quickly back two steps, the whole body against the wall.

She covered her heart. Her heart beat fast, like a drum.

She gave her thigh a good pinch.

“Hiss ~ ~”

the next second, the pain makes the facial features wrinkle together.

It hurts!

It's not a dream!

Leng Si even confessed to her and even said that she liked her?

How is that possible?

"Leng Si, you tell me, am I dreaming?"

Mona felt that pinching herself was not enough. She had to pinch herself a few more times.

Leng Si's eyes slipped with a touch of heartache and stepped forward, holding Mona's hand in his heart.

"It's true! Do you feel it? "

"Well? What? " Mona thinks her brain's down. It's a mess.

"My heart beat!"

Across a layer of warm skin, "bang bang" heart beat very rhythmic.

Mona finally recovered.

Leng Si really likes her and confesses to her!

She kept the dream for so many years, and finally gave her a result when she was about to despair and give up.

Mona's nose was sour, and a layer of mist appeared in her eyes.

"Leng Si, is that true? You tell me, it's true. Mona is overjoyed, pours into Leng Si's arms, and kisses her on tiptoe.

A long French kiss. When it was separated, they both laughed like fools.

Leng Si took Mona's hand and said with a serious face, "you may suffer a lot with me. Now I have nothing. Do you really want to?"

"Mm-hmm! I will, I will. Mona nodded hard.

Leng Si added: "when you're with me, you can't go abroad to watch shows with your little sister in a special plane. You can't go to an auction to buy hundreds of millions of diamond rings without blinking your eyes because you're worried about which dress looks good."

Before Leng Si's words were finished, Mona put her hand over her lips.

"I've owned diamonds, bags, clothes, jewelry and luxury things. I don't care for those things. If you're not with me, those things don't appeal to me at all!"

"Mona!"

It's false to say that she is not moved. Leng Si holds Mona in her arms.

Tightly, as if to put her into his body.

He is not sure if he really fell in love with Mona, but at the moment when song Xiaoya said she was going to marry another man, he didn't want to care about anything, just wanted to take her away.

He said solemnly in her ear.

"Don't worry, I can bear hardships, I have the ability, I can make a comeback, give me a little time, and I can let you become the big lady who can squander freely. I will never let you bear hardships for too long!"

"Well! I believe you

Mona's heart is like drinking wine, Just smelling the aroma of wine, she is about to get drunk!

She was overjoyed. For the first time, she heard Leng say so much to her.

Can think of what, the smile on her face gradually cold down.

She gently pushed Leng Si away, walked from Leng Si's arms and raised her head.

"Leng Si, I I have something to tell you

Leng Si's thick fingers caressed her white face, and her deep voice was slightly spoiled.

"What's the matter?"

A low voice came into her ears, and Mona felt that her ears were about to be pregnant.

She looked down at her toes and said with some apprehension, "it's just It's my father who wants to marry me to Richard. He has accepted the dowry from his family! "

Leng Si twisted his eyebrows.

Chadley. He knows him. He's a scum.

Mo Tianci is willing to marry Mona to such a man!

Leng Si's heart slipped a trace of heartache, holding her face in both hands, deep eyes staring at her eyes, asked: "what about you?"

Chapter 1319

"I..." Mona's eyes flashed slightly and her heart was very tangled.

Although Richard is a scum, his family is powerful, and Leng Si can't afford to offend him.

Don't mention Richard, even father will not let them go.

Thinking of this, Mona finally recovered from her ecstasy.

"Leng Si, I'm sorry!"

Leng Si touched her forehead with a persistent and painful expression, "I don't want you to say sorry! I just want to ask you, "what do you think?"

"I I..."

Mona was flustered.

For the first time, it's so contradictory.

All along, she did not expect Leng Si to love her, so she never thought about the consequences of being with Leng Si.

Without that engagement, she would have gone with him without saying a word.

But If she goes with him, it will bring her disaster.

She knew her father.

“I don’t know Leng Si, give me a little more time and I’ll think about what to do next?”

There is no way to get married again, but she can’t be so radical, and she can’t let Leng Si take risks. She will bear all the consequences alone.

Leng Si is so smart that she can’t see what she thinks.

At this time, she is still thinking about everything for him. What a heartbreaking fool!

Leng Si kisses again on her forehead, voice unprecedented gentleness.

“Don’t worry, leave this problem to me, and I’ll negotiate with your father!”

“No Don’t go Mona said in a panic.

She knows her father’s character better than anyone else. He can’t agree.

In his heart, there is no family at all. Everyone has marked the price and chips.

She is more favored than other brothers and sisters because her publicity, her beauty and her ability can bring him more benefits.

White teeth bite the lip, she made up her mind, suddenly took Leng Si's hand, eagerly went to the outside of the church.

"Leng Si, let's go! Leave this place, go to a place far away from strife and start again

"Mona..."

Leng Si droops her eyes and looks at the girl's firm little face. She is deeply moved.

She can give up everything here for him?

Knowing that he would hesitate, Mona stopped and looked up at Leng Si.

"It's impossible for my father to agree with us together. This is the only way. We'll come back after a few years, when his anger is gone!"

What's more, she has a baby in her stomach. When the baby is born, there is no way for her father to agree or not.

Leng Si doesn't want to. He doesn't want Mona to sacrifice so much. He holds her hand.

"Wait, there will be other ways, not necessarily!"

After five years of contact, Leng Si knows Mo Tianci very well.

They can't get away!

"Get out of here first!"

Mona kept him going outside.

It's too late if my father doesn't react now.

However, as soon as they got to the door, they were surrounded by a circle of people.

"Where are you going, miss?"

Mo Tianci is a very vigilant person. In a few days, she will have a wedding with Chadeli. In order to ensure that the wedding is safe, Mo Tianci has already sent people to watch Mona's every move.

Mona looked at the bodyguard in front of her, subconsciously stepped forward to protect her in front of Leng Si, and said with a cold smile: "it's very fast to come!"

It's much faster than expected. It seems that her father will not let her go this time.

Leng Si looks at Mona's subconscious action of protecting him, which is very unpleasant in her heart.

As a man, she has been protecting him for so many years.

Leng Si grabbed Mona's wrist, pulled her behind him and said to the bodyguard, "I want to talk to Mr. Mo!"

The bodyguard picked an eyebrow and took a look at Leng Si, with a light contempt in his eyes. "I'm sorry, Mr. Mo said that we don't want to talk to you! Take the first lady away"

With that, the bodyguard went to Ramona.

Leng Si kicks that person, a face fiercely protects in front of Mona, "who dares to take her?"

The bodyguard sneered, "Leng Si, I advise you to see the reality clearly. With your current strength, you are not our opponent at all. You'd better be obedient to one side, so that you can suffer less!"

"Then try it!"

Leng Si wrists fist to come forward, but be pulled by Mona, "don't! I'll go back with them

Leng Si had been seriously injured, and with so many bodyguards, he was no match at all.

Leng Si took Mona's hand and prayed in her eyes, "don't go!" Mona took Leng Si's face, gave him a kiss on the forehead, lowered her voice and said, "I'm sorry, you get out of here quickly! It's no use. We can't resist it! "

With that, Mona pushes lengs away and gets on the car quickly.

"Mona, don't go!"

Leng Si strode to catch up, but was stopped by the bodyguard.

"Mona!" Leng Si clenched his fist and yelled hysterically at the back of the car.

Mona closed her eyes and yelled at the cab, "drive quickly!"

"Yes, miss!"

When the car started, Leng Si watched Mona leave, and soon even the car body disappeared in sight, his heart suddenly empty.

Decadent, he took two steps back, reached out and punched the tree beside him.

A burst of bone fragile voice, red blood down the back of the hand, Leng Si did not even change his face.

He leaned feebly against the tree, covering his heart.

Originally that kind of love but not, helpless feeling is like this.

It was evening when Leng Si came back to his apartment. After a long cold wind by the river, he understood everything and was not so excited as before.

This time, he couldn't let Mona marry that scum of Charlie.

However, this matter should not be rash. We need to plan and act well.

He can no longer let Mona stand in front of him and let a woman protect him.

As he stepped down the elevator, his steps gave him a thump.

At the door stood a thin figure.

Yi An's back is against the wall of the corridor. His two slender fingers hold a cigarette, and his clear eyes look at him quietly.

He looks decadent a lot. He used to be clean and more delicate than a woman.

But now, even the beard has not been shaved, the eyes are red, the dark circles are very heavy, and the face is pale.

He had a hoarse voice and a low smile: "what do you want me to do here?"

Leng Si pursed his lips and said in a deep voice, "Yi An, I'm going to leave here soon. What about you?"

Yi'an is a native of B city. Later Li Xin found him, and Yi'an followed Li Xin here.

It's a totally strange country.

No relatives, no friends, language barrier, even eating habits are not the same place.

## Chapter 1320

Smell speech, the finger of Yi an clip cigarette end is stiff, a few can't smell ground Cu next eyebrow heart, "where do you want to go?"

"I don't know!" Leng Si said with a smile, but there was no confusion on his face.

Heaven and earth, there will always be his shelter!

"....." Yi an suddenly fell silent.

After a long time, he said tentatively, "I heard that Mona is going to marry Charlie. You..."

"I'll take her out of here," Leng said firmly

"....."

Yi An was stunned for several seconds.

He wiped a face, suddenly silently hook the corner of his lip, "I knew today, what did you do before? I don't know how to cherish it when it's time, but now it's time to mend it!"

Leng Si recognized the ridicule in Yi An's words. Instead of getting angry, he said with a smile, "you're right! It's really late to understand. I hope it's all in time!"

Yi An sighed, "I can see that you have feelings for her! If Li Xin is still alive, he will certainly feel happy for you. What can I do for you?"

Leng Si felt warm.

Although Yi An hates him for implicating Li Xin, he still stands up to help him at the critical moment.

"I don't need you to do anything! I've bought you a plane ticket. You can leave here now and go back to city B!"

The only thing he's worried about right now is Yi'an.

When he takes Mona away, Mo Tianci will vent his anger on Yi An's head.

Yi An was indifferent to smile, "you don't worry about me, you'd better take care of yourself!"

With that, he walked to the elevator. When he got to the door, he turned to Leng Si and said, "Mona is under the care of Mo Tian. Your only chance is the wedding day! I'll arrange for someone to meet you on the other side of the church!"

With that, Yi An put her hands in her pocket and left naturally.

Looking at the elevator door closed, Leng Si stood in place, silent for a long time.

Yi An Mingming can't do this for him. He not only forgives him, but also helps him.

In the elevator, Yi An gently rubs the ring on her ring finger and suddenly raises her lips to show a sneer.

Love is really terrible.

Once you fall in love, you never know where your bottom line is.

Clearly full of anger, he hated that person to death, but when he thought that person was his favorite, he was ruthless and even helped him in turn.

.....

Five days later, Mo villa.

Early in the morning, Mona was surrounded by a group of servants to the dresser.

A few meters long dresser, neatly placed with a variety of jewelry, each of which is priceless, shining with dazzling light.

The servants looked enviously.

“Miss, you used to be the miss of Mo family, now you are the wife of Charlie family, and you will be the dragon and Phoenix in the future. I don’t know how many women want to envy you!”

“Envy?”

Mona looked at her haggard face in the mirror and raised her lips sarcastically.

“There’s nothing to envy!”

Except for money, everything is arranged.

Even if they marry, they don't have the right to choose.

The servant recognized the loneliness in her words and said with a smile, "Miss, would you like to be happy? Master Charlie is coming to meet you soon

Smell speech, Mona turns to see the time on the wall.

The auspicious time is 11:38. It's 7:30.

In four hours, she will be someone else's bride.

These days, she was kept at home. Her father didn't let her go out or contact the outside world. She didn't know where Leng Si was or what he was doing.

When I got up this morning, my eyelids kept jumping, and I felt uneasy, as if something was going to happen!

Thinking of this, Mona subconsciously grasped her expensive wedding dress.

The makeup artist quickly put on her make-up and praised her sincerely: "Miss, you are so beautiful! It's like a fairy from the sky

Mona turned to look in the mirror.

's thick foundation covered up her pale face. The red blush made her look good.

Mona sneered from the bottom of her heart.

It seems that everything can be hidden, as this pale face, no one cares about her mood.

“Miss, master Charlie’s car has arrived downstairs. Please come downstairs!”

Mona got up and walked by the window. She couldn’t help looking up and looked out of the window. The sky was blue and white, the sky was high and the clouds were broad.

Blue sky, sparkling sea, white gulls in the sky, free to fly.

In Mona’s beautiful eyes, there was a trace of envy. Seeing that she was standing still, the servant urged her to go downstairs! It’s too late. Today is your wedding day. You can’t miss the auspicious time. It’s unlucky! ”

Mona takes her eyes back and walks downstairs under the support of the servants.

Chadley was standing in the living room, walking up and down impatiently.

“Have you not come down yet? Do you want me to invite you to come down? What a big shelf

Seeing this scene, the servant changed his face and quickly comforted: “Miss, don’t take it to heart. Today is your wedding day!”

“Oh! The wedding day? ”

A touch of irony flashed across Mona’s beautiful little face.

This attitude towards her on the day of her marriage, and the day after marrying him can be imagined.

However, she didn’t expect much from the marriage. It was just a joke.

Listening to the movement on the stairs, Charlie turned.

Looking at the beautiful bride in front of me, I was stunned for a moment.

Mona walked in front of him, stifling nausea, no expression, said: "can we go?"

Charlie had always been fond of beauty. Before, he had been coveting Mona. Now he finally married the beauty home. He was so excited that he forgot his shape.

He took a big step forward, put his arms around Mona's waist and tried to kiss her.

"Wife, you are so beautiful!"

"Ah! "

Mona didn't expect that he would suddenly be like this. She was so scared that she turned pale and pushed away chadeli in panic.

Chadley was unprepared for a moment. She stepped back two steps, and he was furious.

"What to wear? Your father sold you to me at a high price. I'll kiss you. What's the matter? Just like I've made you right here, your father won't say anything. Do you believe it or not? "

Mona's hand on her side was clenched tightly, and her sharp nails were pinched into her palm.

She closed her eyes and said, "chadley, you are still in Mo's house. Please pay attention to your words!"

Mona's voice is not big. Today she really has no energy to deal with this straw bag. What she worries about is Leng Si.

These days, everything is too calm, it's not like his style at all.

What does he want to do?

The words fell in Chadley's ears, and he almost jumped up and came forward with his fist clenched.

"You dare to teach me a lesson before you go through the door!"

The servant was startled and quickly stood in front of Mona, "don't do it, master Charlie! It's your big day

Chadley gave a cold snort, put down his fist and threatened.

"I'll let you go for a while! When I marry you home, I'll take care of you!"

Mona's face is calm, only she knows, her heart is dripping blood.

Richard is unreasonable and rude. He has no education. He's just a loser who eats, drinks and plays.

His father clearly knew what kind of person he was, but he still wanted to marry her to him, regardless of her life or death.
