

# Passionate 1371

## Chapter 1371

Wang Meijiang took An'an by the hand and said, "An'an, it's like this. Our Tang family and Qin family have made an engagement for a long time. It's a pity that both of them have sons for so many years! The last time you fulfilled your promise, your father, Xiao Si, and Qin's youngest daughter, Qin Chuan's aunt, were about the same age. They had originally made an engagement, but you know what happened later. Your father broke the engagement and walked with your mother, causing Qin's youngest daughter to commit suicide. After that, the Qin family began to complain about the Tang family. I don't know what you're going back to. When they come, the Qin family will come and try to fulfill this marriage."

Tang Wen said unhappily, "Wang Meijiang, what are you talking about? If you want An'an to marry such an asshole as Qin Chuan, the Tang family will never agree!"

Wang Meijiang was so angry that her liver ached. She was unconvinced and said, "am I wrong? The Qin family and the Tang family had an engagement."

"You! One more word, I'll tear your mouth."

Tang Wen was so angry by Wang Meijiang that he lost all his manners.

Seeing that there was going to be another quarrel, Mr. Tang said, "shut up."

Master Tang is still very dignified in the Tang family. He roared all his life, and everyone shut up at the same time.

Master Tang's fierce eyes swept to Wang Meijiang and said coldly, "An'an has just returned to the Tang family, and you can't wait to marry her. What's your intention?"

Wang Meijiang was reprimanded and flushed.

“Dad, you misunderstood me. I didn’t mean that at all! What’s more, Mrs. Qin suddenly came home to propose marriage. It’s not my idea. How can I blame it on me?”

“Well! Do you know for yourself

Mr. Tang closed his eyes and didn’t want to see these things again.

He waved to An’an, who was stunned at one side, “girl, grandpa is tired, you accompany him upstairs!”

“Good!”

An’an bit his lip, squeezed a smile on his pale face, and went to push the wheelchair behind him.

Before they entered the elevator, there was a low and dignified voice at the door.

“Mr. Tang, Mr. Li is disturbing me!”

Familiar voice into the ear, Ann heart a joy, turn to look at the door.

Li Fengbei and Wen Qiao stood at the gate of the Tang family, looking at her anxiously.

In fact, they have already come. They can see the quarrel of the Tang family.

Just now they met Mrs. Qin and the young master of the Qin family.

Li Fengbei and Wen Qiao are celebrities. Naturally, Mrs. Qin recognized them at a glance and nodded to them for a long time.

It’s a pity that Li Fengbei and Wen Qiao don’t want to talk to them. They just walk away.

The Tang family is in a mess, and the servants are watching. So Li Fengbei and Wen Qiao come to the door, but no one knows.

“Daddy, Mommy! What are you doing here?”

An’an was pleased and walked towards them.

Wenqiao hugged An’an and comforted him: “I’ve heard what you said just now. Don’t worry. As long as you don’t want to marry, no one can force you!”

Tang did not expect that this scene was just seen by the Li family. He asked the servant to push the wheelchair forward and said with guilt: “I’m sorry! I swear with my personality, as long as I breathe again, no one can force An’an.”

Li Fengbei’s face was a little heavy. It was obvious that master Tang’s words did not reassure him.

“Well said, how many years can you protect her?”

Mr. Tang is old now, and he is not in good health. How long can he protect An’an.

Wenqiao quickly pulled Li Fengbei, a pair of clear eyes glared at him.

How do you talk?

After all, master Tang is an elder. No matter how angry he is, he can’t say that!

Li Fengbei choked and shut his mouth reluctantly

Wen Qiao said with a smile: “master Tang, since we have your promise, we can rest assured! Besides, no one can bully An’an as long as our Li family is around. No matter her surname is Li or Tang, she will always be our Li family’s daughter!”

Wenqiao’s words are very gentle, even with smiling eyes, but the words are full of threats.

With her promise, no matter where Ann goes, she’s the top lady of the Li family. She won’t make any difference because of her family name.

Ann can’t say how moved she is. Daddy and Mommy are so kind to her. She has nothing to repay in her life.

The three brothers of the Tang family all have some bad looks on their faces, especially Tang Wen, who glares at Wang Meijiang with gnashing teeth.

“Mr. and Mrs. Li, please sit down! This is a misunderstanding. The three of us uncles can promise you that we will never force ANN to do anything

Li Feng North picked pick eyebrow heart, to their noncommittal.

Ann is the treasure he holds in his hand. No matter how angry he is, he can’t be too angry. If it’s not that they don’t trust to come and have a look, they don’t know that An’an just returned to the Tang family yesterday, and today someone is coming to force her to get married.

And all this is the result of the Tang family’s failure to deal with things, and this woman

His sharp eyes swept to Wang Meijiang.

Don’t think he doesn’t know. This man wants to marry an an to Qin Chuan.

“Well! You don’t have the guts

Wang Meijiang's eyes on Li Feng's sweeping from the north were absolutely murderous. Her heart trembled and she said with a quick smile: "yes, Mr. Li, you can rest assured that no one dares to do so!"

At the gate of the Tang family, Mrs. Qin and Qin Chuan did not leave immediately.

They secretly hide under the window, looking at Li Fengbei and Wen Qiao how to protect An'an. They look at each other.

On the way home, Mrs. Qin took Qin Chuan's hand, patted it gently, and said shrewdly: "son, I think that girl's status in Li's husband and wife's heart is more intimate than her own daughter. I was worried that the girl was not liked by Li's husband and wife before. Now it seems that this worry is unnecessary!"

Although Qin Chuan is here, his heart has long gone.

Thinking of the beautiful girl, he said, "don't worry, I will get her, and then our Qin family will be able to bully in B city!"

Mrs. Qin thought of something and frowned suspiciously, "are you strange? Since Li's husband and wife are so good to that girl, why does that girl want to go back to Tang family? Is she stupid? How can the Tang family compare with the Li family? "

Qin Chuan was not happy and said with a straight face: "Mom, her name is An'an. What a nice name. Can you always be a girl?"

As soon as Mrs. Qin choked, she put out her hand and stabbed Qin Chuan's head, "I think your soul has been taken away by her! Don't think I don't know. Just now you look at her straight. Don't blame your mother for not reminding you that the more beautiful a woman is, the more poisonous she is. Be careful! "

Qin Chuan rubbed his head and said, "I know!"

## Chapter 1372

Li and his wife didn't stay in the Tang family for a long time, so they left soon.

Anxiously, he escorted them to the door.

"Mommy..."

Wenqiao is also very reluctant, "Ann, you go back with Mommy?"

Ann clenched her fingers and clenched her lips.

Although the three uncles of the Tang family are very kind to her, they have nothing to say, but the third aunt

There are many people in this family. Unlike the Li family, they are all happy.

More people, more things.

She didn't like the atmosphere very much. She couldn't sleep well even at night. She didn't sleep for almost a night. She didn't recognize the bed!

She really seems to go home!

But Thinking of Li Qichen, she gritted her teeth and shook her head.

"Mommy, I'm fine at the Tang family. Don't worry!"

Wenqiao frowned. "Ann, do you have something on your mind? Why do I feel like you want to break away from us?"

"No! There's nothing wrong with it

Ann anxiously explained: "there is really no such thing, I really love mom and Dad!"

Li Feng stood on one side, cold face, heard an an's coquetry voice, discontented: "the mouth said good, not to return to the Tang family!"

"....."

Ann bowed her head in shame.

Wen Qiao glared at Li Fengbei and comforted him with a distressed face: "well, don't be unhappy. No matter where you are, you should remember that your backer is Li family. No one can bully you!"

"I know!"

Ann was both happy and remorseful.

Seeing off Li Fengbei and Wen Qiao, An'an tidies up and goes back to school.

Tang Jin was waiting for her at the door, smiling with a sign on her face.

"Get in the car! I know you have classes this morning, and I'm going to school, too!"

Ann opened the door and got into the co driver's seat. She said with a smile, "if I say that, I can rub the car in the future!"

“Of course! My brother is willing to do it

Ann was amused by his serious manner. When she thought of something, she said, “brother, do you know how your students evaluate you?”

“Well? How do you evaluate it? ”

“Handsome, warm, a big God! Many girls are secretly in love with you

Tang Jin joked: “it’s not my fault to be handsome!”

Ann looked at the smile on his face and exclaimed in shock, “how could you be narcissistic? I thought people like you were spoiled, if not surprised! ”

Tang Jin took a look at her and said, “that’s who you want to talk to and stay with!”

“.....”

An an’s heart warms, covers his mouth and laughs, “your sister is very happy!”

Tang Jin gently patted her head, and suddenly said solemnly: “I wronged you about that thing in the morning, but you can rest assured that my position is consistent with that of my grandfather. As long as we are here, no one can force you!”

“Mm-hmm!”

Ann nodded.

To tell the truth, she was flustered to hear that she had an engagement with the Qin family just now.

After all, it's because of this that mom and dad get hurt.

The Tang family is also the most famous family. She is really worried that everyone will marry her to Qinchuan for the sake of her family's reputation.

Fortunately, so many people promised her that she was not worried at all.

Looking at An'an coming down from Tang Jin's car, the students all gathered around.

"Ann, what's your relationship with Professor Tang? Why did you get out of his car?"

Ann deliberately played the key role, "you guess!"

Zhang Mengmeng squints and looks at An'an up and down. Her two big eyes are full of gossip.

"You won't be together again, will you?"

Ann reached out and poked her fleshy little face, "what are you talking about! He's my brother

Zheng Meng immediately breathed a sigh of relief, "it's your brother! It seems that in the future, I'll have to have a month to get close to the water."

Ann said, "Mengmeng, don't tell me, do you like my brother?"

Zhang Mengmeng blushed and said shyly, "do you see it now?"

"....."

Ann thought of Tang Jin's elegant smile.

Although it is always a smiling face and a good way to speak, it is the most difficult for you to enter his heart.

Ann patted Zhang Mengmeng on the shoulder and said, "then you have to refuel!"

Zhang Mengmeng came over and said, "Ann, don't talk about me! What kind of boy do you like? "

Ann blushed and said, "in fact, I don't know what it means to like! Maybe it's just dependence! "

Zhang Mengmeng rolled his eyes silently, "don't you even know how it feels to like someone? Like is to see this person's heart will accelerate, do not see this person, you will lose, as if the heart is missing a piece  
The heart is missing a piece

Ann thought of Li Qichen and felt very uncomfortable.

Is this feeling like it?

Alas, ~

when she thought of Li Qichen, she gave a long sigh.

"Well, I still don't want to. The more I think about it, the bigger my head is!"

Now that Li Qichen doesn't answer her phone or return her message, she's going to be so depressed that she doesn't know what he's up to?

Suddenly, Zhang Mengmeng takes out her mobile phone and puts it in front of An'an.

"Ann, let me show you the news! "

” what’s the news? ” Ann looked puzzled and said.

Zhang Meng Tut, a look of disgust, said: “Li family, you know? By the way, your surname is Li. Do you have any relation with him? ”

Zhang Mengmeng only transferred to a university half a year ago. Before that, she had been in other cities all the time. She didn’t know much about the Li family. She only knew that she was the richest plutocrat.

She is an ordinary girl who can’t get in touch with the top family.

Ann felt her nose awkwardly.

Have you ever slept in a quilt? Are you relatives?

But

“Mengmeng, what’s the news? Is it about the Li family? ”

“Hi! In fact, it’s not news, but it’s the normal operation of the child of the upper class! ”

An an is more puzzled. She takes Zhang Mengmeng’s mobile phone and looks down at the news.

– Li Qichen, the second generation of Li family’s successor of Ningguo’s top rich family, reveals his love abroad!

The picture shows Li Qichen holding a foreign woman with blue eyes and blonde hair at a party.

Although the light is dim, the picture is not so clear.

But for a person who has been together for more than 20 years, he can recognize Li Qichen's figure at a glance.

And the girl beside him has a happy smile.

Ann's face turned pale, a chill came from her feet, and the whole person became cold.

Looking at her pale face, Zhang Mengmeng asked anxiously, "how What's up? Is there anything wrong with the news?"

Ann got up and went to the door.

Zhang Mengmeng responds and shouts, "Ann, where are you going? You haven't given me my cell phone yet!"

Ann stops, turns to stand in front of Zhang Mengmeng and returns her mobile phone.

"Thank you

Zhang Mengmeng took the phone and said, "Ann, what's the matter with you?"

Did she say something she shouldn't have just said?

Ann pursed her lips and said in a soft voice, "it's OK! I'll go first

Seeing her figure disappear at the door, Zhang Mengmeng responds, "Hey, where are you going? Class is coming soon

If an anwang didn't hear of it, he walked faster and faster. At last, he had a chance to run all the way out of the teaching building to the lake.

She took out her cell phone and kept dialing Li Qichen's cell phone number.

No one answers every time.

After more than 20 phone calls in a row, a low and indifferent voice finally rang out on the phone.

"What's the matter?"

Long lost voice.

Ann clenched her fist, her nose was sour, and she almost burst into tears.

I haven't heard his voice for many days. At this moment, I feel that this person is so strange.

"Li Qichen..."

She has a lot to ask, she wants to ask him if the news is true.

But when the words came to my mouth, I swallowed them.

At this time, Li Qichen is standing at the entrance of the airport. In more than ten hours, he will be back to her.

He was really angry, but looking at so many unknown calls, he still couldn't bear to answer them.

As a result, he heard her sobbing.

He holds the finger of mobile phone, drama however tighten, pretend to ask coldly: "what's the matter?"

What's the matter?

His light words completely knocked down a trace of happiness in her heart.

He really didn't want her and didn't care about her any more!

She did not want to hear him say more heartless words, suddenly did not dare to confront him.

For a person who doesn't care about you, any confrontation will turn into self humiliation in the end.

"Nothing! I'm going to class. I'll talk next time. Goodbye

An an hung up the phone in a mess, with a sense of running away.

After hanging up, an an covers her aching heart and sits on a stone bench, staring at the clear lake in a daze.

The original heartache is such a feeling, why the heart so empty?

That's what Zhang Meng said. Do you like it?

She doesn't depend on Li Qichen at all, but likes it!

Just as she was in a daze, a clear voice came from behind her.

“Miss Ann?”

Ann quickly converges her expression and turns to look at her. Qin Chuan, dressed in a purple suit, walked towards her.

An'an stood up with a light face and said, “master Qin, I have something else to do. I'll go first!”

Qin Chuan was stunned and quickly took her hand.

“No, I have something else to tell you!”

An'an's delicate eyebrows suddenly frowned, and his hand came out of his palm.

“Master Qin, please respect yourself!”

Qin Chuan

He rubbed his fingers, as if the temperature of her body was still on the tip of his fingers. His heart swayed and he said with a flattering smile: “miss An'an, I mean well. Don't be angry! This morning's affair is indeed our recklessness. Don't worry, what's the age? Where is the saying of arranged marriage! It's all about love freedom now. I will never force you! ”

Smell speech, Anne accidentally picked next eyebrow center.

“Do you really think so?”

Qin Chuan patted his chest and vowed: “of course! Don't worry, I just want to make friends with you! I think you were depressed just now. Would you like to go out with me? ”

Ann won't go out with him. She doesn't know him well.

“Thank you for your kindness, master Qin, but I’m going to class now! Goodbye

## Chapter 1373

Ann said and left.

Qin Chuan looks at an an’s slim and graceful back, and his eyes flash a trace of obsession.

Ann went back to the classroom again, and the bell had already rung.

The teacher looked at Ann, who was late, and asked, “angel, is there something wrong with you?”

An’an is a good girl in everyone’s mind. She studies very seriously at ordinary times. Her academic performance has never been in the top three in the class.

Ann was late for the first time. Facing the eyes of teachers and classmates, she clenched her fingers.

“I’m sorry, I just had something wrong!”

The teacher couldn’t bear the look of her serious apology.

“It’s OK. Since I have something to do, I’ll ask the teacher for leave in advance next time. Come in!”

“Thank you, teacher!”

Ann is in her place.

Zhang Mengmeng, her deskmate, came to her and said, "Ann, what happened to you? Why do you look so ugly? Is there something wrong?"

"No! I'm fine!"

Ann's mouth obstinately shut.

Zhang Meng Meng rolled a white eye, "you are in a bad mood, so you have to write it on your face. Don't you know?"

"....."

Ann grabs the book and suddenly becomes silent.

Was she in such a bad mood?

She cares so much about morning

Zhang Mengmeng sighed, "you look like this, let me think of a word! Can you guess what the word is?"

"What?"

"Distressed for love!"

"....."

Ann frowned and retorted excitedly: "don't talk nonsense! No

“.....”

Her voice was a little loud and excited.

Both the teacher and the students looked at them.

Zhang Mengmeng looks embarrassed for a while. She quickly blocks her face with her textbook and gnashes her teeth.

“Angel Li!”

Originally, Zhang Mengmeng didn't want to pay attention to An'an. After all, she made her lose face in class, but looking at her face, she couldn't help being cruel.

She pushed Ann's arm and said, “Hey, originally I didn't want to talk to you. I won't talk to you until you take the initiative to talk to me! But looking at you out of your mind, I know you must be in a bad mood now. For the sake of this, forget it, I won't care about you! Today is my birthday. I invite you to my birthday party after school

“Today is your birthday?”

An an finally got a little reaction and turned to look at Zhang Mengmeng.

“Now I know your birthday. I didn't have time to prepare a present for you!”

“What's the gift?” Zhang said

When she thought of something, she blushed, bit her lip and said shyly, “if you really want to give me a gift, I have one thing I want you to help me with.”

“What’s up?”

“That is That is...”

Zhang Mengmeng looked around her eyes and put her face to Ann’s ear. She said mysteriously, “I want to invite Professor Tang to my birthday party. Can you help me invite him?”

Ann picked the center of her eyebrows and looked at Zhang Mengmeng seriously.

At this time, the girl’s face was white and red, and she was very shy. Looking carefully, Zhang Mengmeng was the kind of person who could stand to see. She was naive, lovely and kind-hearted.

It’s a good match for Tang Jin.

Ann said with a smile, “what’s wrong with this? I’ll invite you right away!”

After school, Ann came to the classroom Office of the art department.

Tang Jin was the last one to leave the office. Looking at the girl standing in the corridor, he walked past with a slender step.

“Ann, are you waiting for me here?”

Ann bit her lip. “Brother, what are you doing at night?”

Tang Jin’s eyes flashed slightly, “how, do you offer me?”

“Yes Ann is a little guilty.

Zhang Mengmeng told her to lie. She was worried that Tang Jin would not go to the party because she knew it was her birthday.

Tang Jin patted her on the head, "OK! No matter how busy I am, I'll put off my sister's invitation!"

"Yes! Then we'll go there together

It's rare to see an an with a smile on her face. Tang Jin also shows a smile.

"Good!"

At seven o'clock in the evening, An'an and Tang Jin come to Zhang Mengmeng's address.

When they got to the door, they knew it was a new bar.

It's not very large, so they haven't heard of it before.

Tang Jin turned to look out of the window, frowned, "you invited me here?"

"Er..."

Ann scolded Zhang Mengmeng a hundred times in her heart. This guy is too unreliable! She was embarrassed and said, "in fact, today is a classmate's birthday. She wants to invite you to her birthday party, but she's worried that you don't agree. That's why she let me lie!"

Just when an an thought that Tang Jin was going to be angry, Tang Jin sighed, untied his seat belt and got out of the car.

"Let's go! Don't keep your classmates waiting long!"

“Thank you, brother!”

As they walked into the bar, the last plane landed at night.

Chen Chen came out of the airport with his suitcase and took a taxi back to Li’s home.

It was already ten o’clock in the night. Wenqiao had a headache twice because of Li Xingchen. She and Li Fengbei went to bed early.

Li Xingchen is still playing outside and doesn’t go home.

Li Anxin is a student bully. His daily routine is very regular. He falls asleep at ten o’clock on time.

When Li Qichen came home, only the housekeeper was still checking the hygiene.

At the sound of footsteps, the housekeeper turned.

Is the second young master back?

However, when he turned around, he saw a cold but handsome face, which had begun to be manly.

He exclaimed in surprise, “young master, how did you come back?”

“Grandfather housekeeper, where are my daddy and Mommy?”

“Madame and Sir are asleep. I’ll call them for you.”

Li Qichen stopped: “forget it! Don’t disturb their rest so late! ”

It's rare to be so filial. The housekeeper explained, "madam, I've had a headache several times, so I have to rest early."

Li Qichen's eyes flashed and cherished, "then you can't disturb me any more. You can have a rest too. I'm going upstairs!"

"Well, young master, have a rest early."

Li Qichen came to the second floor with a suitcase.

Passing by Ann's bedroom door, he couldn't help stopping.

He subconsciously raised his hand to knock on the door, but thinking of what happened that night, he slowly lowered it.

No way!

Although he was no longer angry, he could not forgive her so soon, otherwise her nose would be up in the sky.

Li Qichen took a bath and lay on the bed.

Thinking that she was in the next room, lying a wall away from him, he couldn't help raising the corner of his lip.

This day on the road, really tired.

Li Qichen pinched his eyebrows and closed his eyes.

Take a night off and surprise that fool tomorrow.

## Chapter 1374

At the youth bar, when an an and Tang Jin appear, Zhang Mengmeng covers her mouth in surprise.

“Professor Tang, you are here! Thank you

“.....”

An an looks at Zhang Mengmeng’s flower maniac and turns her eyes.

She invited her brother here, OK? Why don’t you say thank you to her?

Mr. Tang Jin nodded, “I’m in a hurry today. I don’t have time to bring a gift. Please forgive me. I’ll make it up next time!”

Zhang Mengmeng covered her mouth shyly and couldn’t close her mouth with a smile.

“You are the best present when you are here. What else do you need?”

An an fainted with the appearance of a flower maniac.

She leaned close to her ear and said, “take a look at your drooling expression. Will your saliva come out soon?”

Zhang Mengmeng quickly touched the corner of her mouth, “do you have one? Do you have any saliva?”

An Fu Er.

It's said that a woman in love has an IQ of 0. Look, Zhang Mengmeng is like this now.

But

An an looks at Tang Jin suspiciously.

Why do you think I'm happy?

Maybe it's his delusion?

Zhang Mengmeng patted her chest and said, "today is my birthday. Thank you two for coming. We won't be drunk tonight."

An'an used to be a poor drinker, so she would not drink easily. However, when she thought of the gossip photo of Chen Chen and that woman, she felt depressed and suddenly wanted to drink.

Maybe drunk, the heart will not be so blocked.

"Good! Drink! Don't get drunk or come back tonight! "

She is very forthright.

Zhang Mengmeng echoed, "don't get drunk, don't go back!"

"Drink less, you two!"

Tang Jin looks at two people of one face excited, headache ground is pinching temple.

However, they had a good time, and no one listened to him at all.

At this time, Tang Jin's mobile phone rang.

He picked it up and saw that it was the principal of the school.

It must be an emergency at work to find him so late.

He looked at them and told them, "I'll go out to answer the phone. Just sit here and don't run around."

"Good! You go

There are so many people here, are they still afraid of being captured?

An'an and Zhang Mengmeng were happy to taste the wine. However, they didn't find it. Not far from the door, Qin Chuan had been staring at them when they walked into the bar.

I didn't expect that it would take no effort.

He was going to invite ANN to the party he gave her, and then at the party

But this proposal was refused by her without face.

Unexpectedly, when he was depressed, she put the opportunity in front of him again.

Qin Chuan said to the two younger brothers behind him, "go and get the woman beside her away!"

“Boss, don’t worry, it’s on us!”

After two drinks, Zhang Meng suddenly wants to go to the toilet.

“Ann, I’ll go to the toilet. I’ll be right back!”

Ann looked into her drunken eyes and said, “I need Do you want me to go with you? ”

She couldn’t straighten her tongue after two glasses of wine.

Zhang Mengmeng waved in disgust, “I I’ll go myself! ”

As soon as Zhang Mengmeng walked away, Qin Chuan walked towards An’an.

He patted ANN on the back. “Ann!”

An an’s heart is startled, turn round, what lead into the eye is an evil handsome face.

“Qinchuan?”

She frowned suspiciously.

“Ann, it’s me!”

With a smile on his face, Qin Chuan suddenly breathes out a mouthful of white fog towards An’an’s face.

A pungent smell into the nose, an an eyes closed, fainted.

“Ann, what’s the matter with you? You are drunk

Qin Chuan quickly put his arms around her waist and put her in his arms.

It's like Ann is drunk and pours at him.

Qin Chuan's eyes catch a glimpse of Tang Jin coming from the door. He is surprised and walks towards the back door with an an in his arms.

There's already someone at the back door to meet him.

This one was jointly opened by him and his friends. It opened on the first day today. I didn't expect to catch such a big fish. It's worth the money.

Tang Jin hung up and strode toward the bar.

However, both of them are gone!

The whole person is a meal, in the heart surges up a bad premonition.

"Ann! Zhang Mengmeng

He anxiously searched in the hall, and then the bar was so big that he soon searched all over, but he still didn't see them. He called Ann anxiously.

After a while, the phone rang in my ear.

His heart a joy, quickly turned around, but in the bar to see the pink mobile phone.

He went to pick up his mobile phone and began to call Ann's head teacher.

The head teacher had already gone to bed. When Tang Jin asked for Zhang Mengmeng's phone number, he was shocked.

"Mr. Wang, I don't have time to explain so much to you now. Please tell me the phone number first, please!"

Listen to the tone is very urgent, the teacher in charge also put aside curiosity, quickly find out Zhang Mengmeng's way of communication.

However, Tang Jin took the head teacher's phone number, still couldn't get through.

It shows that the other party has turned off.

Think of some bad rumors, Tang Jin back surprised a cold sweat.

If something happens to Ann under his nose, he's to blame.

He thought of a place, suddenly in front of his eyes, raised his legs and ran towards the women's toilet.

The door of the women's toilet was guarded by two big men, and there was a shriek in the toilet.

Zhang Mengmeng's voice!

"Zhang Mengmeng!" He yelled at the toilet.

"Wu Wu Wu ~ ~ Professor Tang! You let me go, you bastards

Tang Jin's eyes are one Lin, stretched out a hand to fight with the two big men at the door.

Although Tang Jin was a scholar, he also studied Taekwondo and was an expert in fighting.

It's easy to deal with two big men.

When the door of the women's toilet was opened, Zhang Mengmeng was two big men pressing on the door.

Tang Jin's forehead jumped abruptly, and his angry face was covered with frost. He came forward and started fighting with his fist.

"Ah

Zhang Mengmeng watched Tang Jin fight with them and screamed.

"Professor Tang, behind you!"

"Watch your left side!"

"Ah! Watch your right side

Tang Jin had the upper hand, but he was yelled by Zhang Mengmeng, and Tang Jin got a few punches.

Tang Jin rubbed the swollen temple and growled in silence: "shut up

"....."

Zhang Mengmeng covers her mouth with an aggrieved face.

When Tang Jin rescues Zhang Mengmeng, Zhang Mengmeng looks at Tang Jin with confused eyes and adoration.

“Don Professor Tang You were so handsome

“.....”

Tang Jin pinched the temple, speechless way: “who let you drink so much wine? What about Ann? Why isn’t she with you?”

Zhang Mengmeng pointed to the bar beside him, “she’s over there!”

Tang Jin was very happy and followed Zhang Mengmeng’s fingers.

Where is Ann’s shadow?

The blue tendons on his forehead jumped straight, almost gnashing his teeth and yelling: “Zhang! adorable! Cute

He shouldn’t talk so much to a drunk.

Tang Jin took out his mobile phone and called one of his classmates, “Wang Jie, do me a favor, help me find someone!”

After a while, Wang Jie came to the bar with his good friends.

“What’s the matter? How dare you rob people with your brother?”

Wang Jie is a big brother in this area. When he was studying, no one would agree with him, so he obeyed Tang Jin.

Tang Jin said eagerly, “my sister is missing in the bar. Is there any way to get surveillance?”

“I don’t mean it

Wang Jie went directly to the monitoring room and stepped on the table.

“Call out the monitoring for you!”

After a while, Wang Jie gets the video surveillance. Tang Jin sits in front of the computer, watching an an be taken away by Qin Chuan. He pinches his fingers angrily and almost bites a silver tooth.

“Qin Chuan! I’m not finished with you! ”

Li family.

Li Qichen lay on the bed, but tossed and turned, difficult to sleep.

Although very tired, but how can not sleep, there is a kind of inexplicable excitement.

He simply turned over, opened the balcony door, and turned from the balcony to the next bedroom.

He said in his heart, he just looked at her secretly, he did not take the initiative to make peace with her.

However, when he made some mental preparation and gently opened the balcony door, the whole person was stunned.

Then, in the white moonlight outside the window, he could see the whole bedroom clearly.

White British bed, quilts folded flat, where is her figure?

What about people?

There was a sudden jump in the center of his brow.

He immediately opened the door, which startled the people in the corridor.

Li Xingchen is creeping to the door, suddenly, the bedroom door was suddenly opened from inside.

Looking at the face in front of him, he patted his chest with fright.

“Brother, why are you back? You’re scared to death. However, Li Qichen looked at him coldly, obviously didn’t realize how much fright he had just caused to others.

Li Xingchen has known for a long time that this elder brother is a facial paralysis since he was a child.

He felt his nose awkwardly, found a step for himself, changed the topic and said, “brother, why are you in the elder sister’s room?”

Li Qichen said coldly, “what about her? Where have you been so late? ”

“Ah?”

Li Xingchen opened his mouth in surprise, “don’t you know about elder sister?”

Li Qichen’s heart suddenly jumps, “what’s the matter?”

Li Xingchen was stunned, “elder sister has found her relatives! Didn’t the elder sister tell you? ”

“.....”

Li Qichen frowned abruptly.

Ann called him a lot a few days ago and sent him a lot of messages, but he ignored them all.

She had something to tell him!

Li Qichen suddenly regretted it. At that time, there must be a lot to say to him, right?

But when she needed him most, he was not by her side, and even didn't answer her phone.

Thinking of this, Li Qichen wants to slap himself in the face.

Just at this time, his mobile phone rang, and Lu Ziyan's voice of surprise rang.

"Morning, I found An'an's family!"

Li Qichen pinched his eyebrows and said, "I already know!"

"You know?" Lu Ziyan was angry. "If you know, don't tell me. I'm here to find it for you day and night. It's light for you to say."

Chapter 1375

Li Qichen pinched his eyebrows. "I just knew that, so I hung up first!"

Finish saying, regardless of his friends can give accept, can't wait to hang up the phone.

Lu Ziyan gritted his teeth in anger, this shameless guy!

Daren Qing worked hard there to help him investigate day and night. Now he has finally found out. The result is good. He knows the result first.

There's nothing more irritating than that!

However, an an is the daughter of the Tang family. What's the matter?

Li Qichen patted Li Xingchen on the shoulder. "Thank you for telling me this. Have a rest early!"

Seeing him walking downstairs, Li Xingchen called in doubt: "brother, where are you going so late? "

" find Ann! "

Li Qichen smiles at him.

Ann found her biological parents, they no longer need to worry so much.

He can pursue her openly, he can date openly.

There is nothing more wonderful than this!

He's in a good mood now. He wants to fly to Ann's side and tell her how much he thinks of her these days.

When Li Qichen drove to the Tang family, he didn't even notice that he was humming all the way.

Thinking of the photo of an an and Tang Jin, I feel very happy and remorseful at the same time.

So Tang Jin is her brother!

What's he jealous of with her brother?

When he thought of it, he felt chagrined.

Because of wanton jealousy, I wasted an opportunity to brush my sense of existence in front of An'an.

Li family and Tang family are in two directions of the city. When Li Qichen came to Tang family, it was two hours later.

He stopped the car and looked at the closed door of the Tang family from a distance. At this time, he realized that it was late at night and everyone had a rest. It was really inappropriate to come and disturb at this time.

With his slender fingers tapping on the steering wheel, he took out his mobile phone and sent a message to Ann.

"Ann, are you asleep?"

Did you sleep?

In a simple word, he felt a touch of tenderness in his heart.

He had never been so happy to think that he could be together in the future.

But the message sent out for a long time did not receive any reply.

Li Qichen's right eyebrow jumped abruptly.

Why didn't she return his message?

You must be angry with him!

When I received her call this morning, her voice didn't sound very happy.

Thinking of this, he could no longer afford to be reserved and dialed her phone number directly.

Quiet square, Tang Jin looking at the hands of the caller ID, fingers subconsciously a shake, unexpectedly surprised a cold sweat.

He and Wang Jie, as well as other people, just went through the whole city B, but they didn't find An'an.

It happened that Li Qichen called her at this time.

Escape is not the way

He closed his eyes, picked up his cell phone and said, "Hello!"

At the other end of the phone, he obviously stopped, "Tang Jin?"

Li Qichen's memory is very good, quickly distinguish Tang Jin's voice.

It's so late. Why did Tang Jin pick up An'an's call?

Li Qichen's heart is full of doubts.

"Why are you? What about Ann? "

"....."

Tang Jin tightened her finger, “she She disappeared in the bar. I’m looking for her...”

Tang Jin’s words haven’t finished, Li Qichen interrupts a way: “where are you?”

Tang Jin reported an address.

Li Qichen’s eyes were awe inspiring. He turned the front of the car with one hand and stepped on the accelerator with one foot. The car rushed out into the dark night like an arrow.

While driving, Li Qichen contacted Lu Ziyang.

“Help me. Where’s Ann? Right now

Lu Ziyang was just about to go to bed, and now he was angry!

Does this person really regard him as something? Do you come when you call him?

“Well! I’m going to sleep. I’m going to ask you to find it yourself!”

This person is really inhuman, so late ANN is not at home, where can I go?

Li Qichen gritted his teeth hard, “hurry up! I’m not kidding you! I’ll give you ten minutes!”

Lu Ziyang saw that he was really worried. He didn’t seem to be joking with himself. He quickly got up from the bed.

“Wait, I’ll get in touch right away!”

Li Qichen worried that Lu Ziyang was too slow. After thinking about it, he called Beiqin.

After so many years of hard work, Beiqin is now the general manager of Lishi group.

Responsible for the powerful network of Li's group.

Looking at Li Qichen's phone call, Beiqin was so sleepy that he almost thought he didn't wake up. "Young master? Why am I calling so late?"

"Uncle Bei! Ann is missing in the bar, now help me find her specific location!"

"What? Is the first lady gone

Beiqin's drowsiness disappeared immediately. He turned over and said, "OK! I'll have someone look for it!"

With Li's and Lu's strong network, we found An'an's current address half an hour later.

A top seven star hotel.

When Li Qichen and Tang Jin arrived, the door of the hotel was surrounded by reporters.

Li Qichen looks at each other, and there is a bad feeling in their eyes.

When the hotel manager heard that Prince Li was coming, he immediately came.

"Master Li, what brings you here?"

But Li Qichen ignored him and ran from the green channel to the seventh floor.

When he ran to the door, he found that her door was also full of people.

Beiqin has brought people here.

“Young master?”

“Get rid of all these people!”

“Yes

Reporters carrying long guns and short guns to take photos in the room, everyone’s face with excitement.

Li Qichen’s bad premonition is more and more strong.

Ann

Ann, don’t let anything happen to you!

The reporter was forced to leave, and even the camera was forcibly detained by Li’s bodyguards.

When the crowd dispersed, the room quieted down.

Li Qichen walked towards the room step by step, each step was extremely heavy, and his heart beat faster and faster.

I’m so big, I’m so flustered this time.

It's like that luxurious door is the entrance to hell.

From then on, there was no end to it.

Ann

Li Qichen steps into the room, introduces the scene of the eyelid, his pupil suddenly shrinks.

Ann curled up in bed, eyes empty looking out of the window, pale, red eyes, it looks like people are still here, but the soul has long been flying away.

And an an's side, Qin Chuan, who is also barearm, is whispering to her for mercy.

"Ann, I'm sorry! We were all drunk last night. I didn't mean it. I swear to you, I will be responsible for you and I will marry you!"

"....."

Li Qichen looked at this scene, his tall body suddenly shook, and his arm quickly supported the wall beside him before he didn't fall down.

Hearing the movement at the door, Ann finally turned her head.

Four eyes opposite, an an thin body suddenly, originally pale face, even the last trace of blood also fade clean.

Morning!

He came back at this time!

It's time to come back!

When she was at her worst

An an's nose is sour, and her eyes overflow involuntarily.

Her fingers were holding the sheets under her, and the strong one was about to crush them.

Li Qichen walked towards her step by step, messy room, clothes scattered a low.

His heart was so painful that he couldn't breathe. It was like a knife wringing repeatedly, dripping with blood.

He moved his pale lips and asked in a voice he could hardly hear himself, "why?"

Why don't you wait for him to come back?

Why sleep with other men?

Why lie to him, not willing to be happy with him, but willing to come to a place like a hotel with other men

All of a sudden, he lifted his pale lips and laughed.

"Angel Li, you are so cheap!"

"....."

Ann's body shrunk and her heart cramped with pain.

In her most helpless time, she thought of him, but he said she was cheap enough!

She's really cheap!

In order to be with him, regardless of everyone's eyes, he said that he would go back to the Tang family, but what about him?

Just because she didn't listen to him, she left her and went abroad without saying a word. She didn't even answer her phone information.

If you want to be so heartless, why do you want to come back at this time?

Ann covered her painful heart and suddenly laughed, "Li Qichen, why do you say that to me? Who am I to you?"

She has been dirty, but also he saw this embarrassing scene, any man will not accept.

There is no possibility between them!

She was sad that he didn't believe her!

I thought she was willing!

Tang Jin came from the door, looking at the scene in the room, burning with anger.

Three or two steps to the past, carrying a fist toward Qin Chuan, the face is a punch.

Qin Chuan didn't even wear clothes at the moment. After receiving Tang Jin's fist, Sheng's face changed. He quickly picked up his bathrobe and put it on him.

“Big brother! Don’t fight, don’t fight, it’s all your own people! ”

When he and Ann get married, they are all family.

Tang Jin was so angry that he gnashed his teeth. “Who’s with your family, Tang Jin? Don’t be so disgusting! If I don’t kill you today, I won’t be Tang! ”

Here, Li Qichen stands there, confronting an an with a pale face.

And over there, Tang Jin grabbed Qin Chuan’s clothes and beat him black and blue.

But he didn’t even fight back, but he kept hiding. He was even very happy to be beaten. A pair of clear eyes looked at An’an, and his eyes were full of doting.

“Brother, our Qin family and Tang family have an engagement, and it’s not illegal for us to be together. Why do you have to oppose us?”

“Shut up! If you say one more word, I’ll tear your mouth

Tang Jin was so angry that she gritted her teeth and gaped, but more of it was self blame.

Ann went out with him. This happened!

Even if he committed suicide, there is no way to make up for the damage to An’an.

Thinking of this, the harder he started, he wanted to kill Qin Chuan with one blow, and he wanted to kill himself.

Qin Chuan cried in pain, “an an, would you please stop your elder brother? If you fight again, you will be killed!”

An an is biting Cang white lips, suddenly way: “elder brother, don’t hit.”

Chapter 1376

“Brother, stop fighting.”

It’s already happened. It’s no use killing people again.

Tang Jin gritted his teeth, “an an, don’t worry. Today I’ll kill this beast, and I’ll turn myself in!”

Wen Yan, an An’an was surprised, and then he turned to look this way.

Qin Chuan was pressed on the ground by Tang Jin, and his face was covered with blood.

Ann suddenly woke up, “brother, stop! Stop it! If you go on fighting, you’ll beat him to death!”

It’s not worth killing Qin Chuan, but it’s not worth paying for his life for such a person.

Ann can’t bear to see this happen.

However, the scene of her pleading fell in Li Qichen’s ears, especially harsh.

He put the finger on the side of the body gradually clenched, fingers deep into the palm, did not feel pain.

All of a sudden, he laughed angrily and looked at An'an in despair.

"Good, angel Li!"

Then he turned and left the room.

"....."

Looking at the figure that Li Qichen leaves, an an's heart is empty all of a sudden.

Sitting in bed, my brain is blank.

"An an..."

Tang Jin picked up the clothes on the ground and wrapped them around her. She said: "it doesn't matter. Now it's not feudal society. As long as you don't want to marry Qin Chuan, we can find a good man for you! If a man cares about a woman's first time, it means that the man doesn't love you enough. Don't be such a man!"

Tang Jin wanted to comfort An'an, but An'an suddenly began to cry.

"Brother!"

Forced to endure the tears all the way, once the opening is opened, it's like the flood of breaking the dyke, constantly pouring down.

"Why does my heart hurt so much? My heart hurts! Wu Wu ~"

Tang Jin hugs her tightly, "it's OK! Don't think about the nightmares of this night. You are the little princess of our Tang family. My brother will protect you in the future. No one dares to bully you any more! This time, it's my brother who shouldn't answer the phone or leave you in the bar!"

"No..."

Ann kept shaking her head, tears rolling on her pale face, "it's none of your business!"

Qin Chuan has ulterior motives towards her. Even if it's not tonight, there will be tomorrow night impossible to guard against!

Qin Chuan just wanted to make her submit in this way. The Qin family and the Tang family had an engagement.

However, what makes her heartache more is that Li Qichen doesn't believe her!

He doesn't believe her!

Qin Chuan got up from the ground and suddenly knelt down in front of An'an. Regardless of his bruises, he raised his hand and slapped himself hard.

"Ann, I know I'm sorry for you. I'm not human, but I really like you! You're drunk, you're in my arms, and I'm drunk, and that's what happened!"

"Don't worry, I will be responsible for you! I know that I have a lot of bad reputation now, but you can rest assured that after we get married, I will change my ways and listen to you! I swear, if I cheat you, I'll die a terrible death and suffer from thunder and lightning!"

Mother really let him use bad means to get her, but he really loved her.

At the first sight of her, he felt that he had been shot by Cupid's arrow.

He was sure that she was the girl he was looking for, and that she was the 24th rib on him!

Hearing what Qin Chuan said, Tang Jin wanted to kick him again.

“Shut up

But he was held by an an, “brother I want to go home! Will you take me home?”

Tang Jin quickly took back her feet and picked her up painfully.

“Good! I’ll take you home!”

When Tang Jin came out of the room with an an in her arms, Zhang Mengmeng was so anxious that she didn’t know what to do. She was so drunk that she woke up early.

“I’m sorry, I’m sorry! I’m to blame for this

Tang Jin didn’t look at her either. Instead, he told Wang Jie, “please send someone to take her home!”

“Don’t worry, it’s on me!”

Zhang Mengmeng looks at an an’s thin figure. She suddenly covers her mouth and starts to cry.

“Wu Wu Wu ~”

all blame her for her birthday.

If it wasn’t for her, Ann wouldn’t have happened!

When Tang Jin came home with an an, it was almost early in the morning, and all the family were asleep.

Don't want to wake everyone up, two people walked into the room, and then, the living room headlight was suddenly turned on, in front of a strong light.

"Oh, who!"

Wang Meijiang woke up in the middle of the night with thirst and went downstairs to drink water. Unexpectedly, as soon as she turned on the light, she saw two people standing in front of her. She was so scared that her heart almost jumped out of her throat. Ann is dressed in a white bathrobe, her hair is messy, her eyes are red and swollen, like this

Wang Meijiang patted her chest fearfully and said: "I'm fooling around outside in the middle of the night. Let the old man know what the lovely granddaughter she's protecting looks like. I have to be very angry!"

The Tang family is the one who pays the most attention to ethics and reputation. If you let your grandfather know about her and Qin Chuan

Ann's face turned white again, and her little hands subconsciously grasped the hem of her clothes.

Tang Jin frowned and stood in front of An'an, with a displeased face, and said, "Ma, An'an is not the kind of girl you said. Don't always aim at her!"

Wang Meijiang saw that her son was protecting An'an, and she was so angry that she gritted her teeth.

"You unfilial son, like your useless father, protect an outsider with everything!"

Tang Jin's face Shua ground chills down, "she is not an outsider! She's the fourth uncle's daughter, my sister!"

“You...”

Wang Meijiang was so angry that her heart and liver were shaking. She poked Tang Jin’s head with her fingers. “You are all fools! Protect a wild girl who is fighting with you! Who knows if she’s the seed of your fourth uncle? Maybe...”

The more Wang Meijiang said it, the more she went too far. Tang Jin was in an unstable mood, and her guilt for An’an reached its peak. Now she heard her mother say it in such a vicious way that she couldn’t bear it. She reached out to push Wang Meijiang.

“Mother, please respect yourself!”

Originally, Tang Jin didn’t use much force. Unexpectedly, Wang Meijiang was overthrown on the ground by him.

“Ouch!”

Wang Meijiang sat on the ground and yelled, “Tang Jin, you are an unfilial son. You even gave birth to your own mother for this wild girl. Your conscience won’t scold you?”

“I...”

Tang Jin clenched her fingers, and a trace of regret flashed in her heart.

He didn’t want to overthrow her just now. He didn’t expect that he had so much strength in his hand.

After scolding her son, Wang Meijiang began to scold an an again. How can she be ugly.

“When I was young, I knew how to stir up the relationship between jin’er and me. You are the same as your shameless mother, a husband robbing others and a son robbing others, shameless!”

## Chapter 1377

Wang Meijiang's cry soon brought everyone out, and even Mr. Tang went out.

"What's the matter? What on earth happened, such a quarrel?"

Looking at Ann's bathrobe and swollen eyes, everyone was shocked.

The old man worried and said, "Ann, what's the matter with you? How can you dress like this

In the face of a pair of eyes, the shame in An'an's heart has reached its peak.

She covered her face and ran upstairs.

"An'an!"

There was a cry of concern behind him, but Ann quickened her pace as if she had not heard it.

He ran upstairs, put his back against the door, slid down slowly, squatted on the ground, holding his head in both hands, and inserted his ten fingers into his hair.

Why is that?

What did she do?

God will punish her like this!

Thinking of Li Qichen's desperate eyes and Wang Meijiang's vicious words, her mood is surrounded by a strong sense of despair.

She's sorry for Chenchen now. Chenchen won't take her anymore.

And Wang Meijiang can't hold her

Downstairs, the old man's face was very heavy. He turned to look at Tang Jin and said, "follow me!"

Tang Jin tightly pursed his lips and pushed him to the study.

Closing the door of the study, Mr. Tang patted the armrest of a wheelchair heavily.

"What's the matter? What happened in the evening? "

Tang Jin's eyes flashed slightly, "nothing."

"Don't you tell me the truth? I'm your grandfather. I'll know if you're lying with one look in your eyes! "

Tang Jin was surprised, and suddenly knelt down in front of him.

"Blame me for not protecting her!"

"What's the matter?" he said

"It's all Qinchuan's fault!"

Thinking of Qin Chuan, he gritted his teeth in anger. If an an hadn't stopped him just now, I'm afraid Qin Chuan would have been killed by him.

Tang Jin told him the whole story. He covered his heart, his eyes were wide open, and he gasped.

"Ouch Ouch..."

Tang's heart is not good, Tang Jin flustered up, "grandfather, grandfather!"

The old man of Tang was so angry that he couldn't breathe and fainted as soon as he turned his eyes.

"Grandfather!"

Mr. Tang just came back from the hospital. It's another rush of people.

An'an hears the movement at the door and opens the door. She just sees Tang Jin come out of the study with the fainted old man on her back. Her face turns pale and her brain is blank.

It's all her fault!

Grandfather must have known about her before he fainted.

She wanted to catch up, but she felt like she was too heavy to walk.

Seeing everyone out of the door, Wang Meijiang came to her with a cold hum and a look of disdain, and said, "you are a broom star. I have long said that you are a wild seed and will bring disaster to your family. You don't listen to me. Now, my words have come true."

An an's big wet eyes, looking at Wang Meijiang's shrew's face, feel very empty.

Unprecedented fatigue.

So much so that she didn't want to speak at all, and didn't want to refute anything.

What's the use of refutation?

Since she came to this home, in a few days, she has turned all the people in this home, and everyone is restless.

Maybe she is really a bad luck star!

A person who always brings unhappiness to others!

Ann pursed her lips. Instead of refuting, she turned around and slowly went back to the room. She closed the door with her backhand.

Wang Meijiang was so angry that her lungs were about to explode when she looked at her.

"Well, are you well bred? I'm your elder. I'm talking to you. Is that your attitude?"

Outside the door, Wang Meijiang's noise rang out. As if she didn't hear it, An'an sat by the window and looked at the moon out of the window. Her heart seemed to fall into the cold water.

The next morning I woke up from the cold.

I fell asleep by the window last night.

At this time, the door was knocked, the second aunt Bai Yixin's gentle voice sounded.

"Ann, are you up?"

Ann was very impressed with this gentle second aunt, so she quickly got up and opened the door.

“Second aunt.”

Bai Yixin broke a bowl of millet porridge in her hand and said with a smile: “last night I smelled that you were full of wine. Were you drunk? This is millet porridge. It’s good for your stomach

Ann felt warm in her heart. She sat down and began to eat.

It’s hard to swallow, but I don’t want to disappoint the second aunt, so I forced myself to take a few bites.”Second aunt, grandfather Is he all right? ”

“It’s all right! Don’t worry, your second uncle called me just now! ”

Bai Yixin sits opposite her, looks at her low expression, and sighs.

“Blame us for not taking good care of you!”

Ann shook her head. “It’s none of your business!”

Although Bai Yixin didn’t know what it was, since the old man was so angry that he fainted, and Tang Jin kept the bottle like a mouth, it was definitely not easy.

“Don’t worry, other people in this family will stand on your side except Wang Meijiang. Don’t think so much. When the sky falls down, someone will stand for you.”

Smell speech, an an wry smile a, “yes, the sky falls down to open, all have a person to support for me!”

Isn’t that always the case?

No matter what happens to her, someone will clean up the mess for her.

Because of the Li family background, she is the little princess of B city.

However Maybe she had a good time in her life, so that she was overjoyed, so that she gave her a fatal blow last night.

What face does she have to let Li family support her?

What face does she have to stay in the Tang family?

Pale face forced out a smile, "second aunt, thank you for your concern, I know how to do."

Bai Yixin thinks that she really listens and nods with satisfaction, "if you want to understand, you can eat first, then go downstairs after eating, and go out more to relax. Don't always stay at home."

"Good."

An an finished eating a bowl of millet porridge, packed himself up, and was about to go downstairs when he heard something coming from under the door.

She hurriedly went downstairs, a downstairs, on a black and blue face.

Qin Chuan saw her with bright eyes.

"Ann, I've come home to ask for a wedding! Don't worry, I will never let you be wronged!"

The three brothers of the Tang family all went to the hospital with the old man. The women or the young children stayed at home.

As soon as Bai Yixin went downstairs, she saw the news and finally knew what happened last night.

An'an and Qin Chuan are actually opening a room outside, but they were caught by reporters. The news came out early this morning.

Anyone with eyes can see that this is a trick of the Qin family.

The Tang family and the Qin family were originally married, but now the rice is cooked, and it's known all over the city. Even if the Tang family and the Li family don't agree, for the sake of An'an's reputation, they can only agree!

Bai Yixin's lungs are about to explode. She slaps the newspaper on Qin Chuan's face.

"You bastard, dare to bully our family. I'll fight with you!"

Qin Chuan didn't reply to his abuse or fight back. As long as he could get the beauty back, what was the grievance.

Mrs. Qin quit.

Things have come to this point, this girl has no place to run, do not marry his son who would like to marry?

To understand this, she has enough confidence.

She goes to Bai Yixin and gives her a good push.

"Bai Yixin, why do you beat my son?"

“Ah

Mrs. Qin is five big and three thick. Bai Yixin has thin arms and legs. She is not her opponent at all. She is overthrown on the ground.

“Second aunt!”

Ann exclaimed, and quickly went to pick up Bai Yixin, “are you ok?”

“I’m fine!”

Bai Yixin’s waist bumps into the tea table, causing blunt pain. But for the sake of safety, she tries to hold back and pats her hand, comforting: “the child is afraid. As long as there is a second aunt, no one can force you!”

After hearing this, Mrs. Qin was not satisfied.

“Bai Yixin, who do you think you are? What makes you decide for her! ”

“I’m her second aunt!”

Seeing that they were going to quarrel, Ann interrupted quickly: “OK, stop quarreling!”

This family has been restless, her brain is also dizzy, and if the noise goes on like this, she worries that she will not persist and faint.

Everyone was quiet and turned to look at her.

Wang Meijiang said, “Ann, do you want to marry the young master of the Qin family?”

An'an didn't pay attention to Wang Meijiang, but his big and empty eyes looked at Qinchuan and spoke slowly.

"Do you really want to marry me?"

"I really want to marry you! It's true

Qinchuan excitedly said.

An'an pursed her lips and said, "OK, I promise to marry you!"

Anyway, that's it. Don't give us any more trouble.

You can't marry the person you like. It doesn't matter who you marry.

Qin Chuan was overjoyed, with a huge surprise in his eyes. He asked in disbelief: "is that true? Do you really want to marry me? I'm not dreaming?" Ann nodded.

"Well."

Qin Chuan pinched his thigh so hard that he frowned.

"It's true! I'm not dreaming! Ann, don't worry. I will treat you well and never let you regret marrying me!"

Ann is so frustrated that she can't believe the man's words any more.

Can use such mean means to get her, after really cherish her, to her good?

Bai Yixin looks at An'an incredulously, "what are you talking about? Ann, you really want to marry this man

Bai Yixin points at Qinchuan, and her eyes are full of contempt.

Qinchuan, the second ancestor, who doesn't know who he is.

Such a man is not a good match at all.

When she thought of something, she quickly said, "Ann, how can marriage be a joke? Well, let's just talk about it for a while. The people who can make decisions in the Tang family are not at home. Wait until they come back from the hospital!"

She saw that Ann had a lot of disappointments. Maybe this decision was made by her impulse. Maybe she will regret it later.

Chapter 1378

"This is your Tang family's style of doing things. What's wrong with you?"

Mrs. Qin put her hands on her waist and looked discontented.

Qin Chuan quickly grabbed her, "Mom, let's go back first! Ann promised to marry me. She won't break her promise

Worried that they would quarrel, Qin Chuan hurriedly took Mrs. Qin to leave the Tang family. When she left, she did not forget to smile at An'an.

Grinning with white teeth, it looks a bit silly.

No one noticed that at the door, a pair of evil eyes were staring at An'an's white face, which seemed to swallow her alive.

.....

One and a half hours, Li family.

Li Qichen comes down from upstairs. Wenqiao is arranging breakfast in the dining room. When she hears the footsteps coming down, she subconsciously thinks it's Li Xingchen.

"Star, why do you get up so early today?"

"Mommy

Li Qichen said.

Wenqiao was shocked by Li Qichen's Scarlet eyes and decadent chin.

"Chenchen, when did you come back?"

"I came back last night. I didn't disturb you because I was too late!"

Li Qichen said and sat down on the dining chair.

"What time did you come back last night?"

Wenjo looked at him suspiciously. "Why do you look like you haven't slept all night? What happened?"

Li Qichen's fingers holding chopsticks were stiff. He looked up at Wen Qiao. His scarlet eyes were shining with dark cold light, and there were many emotions Wen Qiao could not understand.

He asked knowingly, "Mommy, I heard that Ann has found her family?"

Speaking of this, the look on winjo's face began to lose. She sighed and sat down on the dining chair.

"I can't bear to talk about it. Do you think Chenchen is neglected by us? Otherwise, I really can't think of any reason why she must go back to the Tang family?"

Li Qichen gradually closed his fingers, because he was too hard, his fingers turned white.

"Maybe she has her reasons," she said, almost gnashing her teeth

Last night, he didn't sleep all night. A question repeatedly appeared in his mind. What was wrong?

Why would an rather accept that Qinchuan than him?

He is crazy to investigate the affairs of Qinchuan and Tang family.

It turns out that Qin Chuan is such a person, a playboy, with star models, but without a serious girlfriend.

Maybe this kind of man is the style that women like!

Can say sweet words, make a woman happy.

And he's a bit stupid

In addition, the Qin family and the Tang family have been engaged for a long time, so when they are together, they have a right name. They don't need to hide everything like they do when they are with him. Even if they make an appointment, they are worried.

Wenqiao was there secretly distressed. Chenchen was in a trance

Suddenly, mother Wang came out in a hurry.

“Madam, young master, look at what the newspaper is talking about!”

“Wang Ma, what happened?”

Wang Ma put the mobile newspaper and entertainment gossip magazine in front of Wen Qiao. “Madam, they said that the first lady But is it really the case? Those unscrupulous journalists must be talking nonsense

“What happened to Ann?”

Wenqiao was shocked. He picked up the newspaper and looked at the contents and the boastful headlines. Wenqiao almost fainted.

“Why? Ann is not such a girl at all

The nightclub got drunk, the hotel opened a room, and was blocked by the reporter.

Li Qichen, with a look in his eyes, stands up and grabs the newspaper in Wenqiao’s hand.

Eyes from the top to the big, quickly scan the content of the report.

No one dares to risk his life to report on the Li family, so it can only be done by the Qin family.

“Qinchuan!”

Li Qichen slaps the newspaper on the table, gnashing his teeth.

He grabbed the newspaper and went to the door.

He didn't call Qinchuan last night because he was waiting for an explanation.

But she didn't want to explain from the beginning to the end. She even asked Qin Chuan for help.

Angel Li!

He was really worried that he would slap her to death, so he turned around and left.

Wen Qiao looked at his angry back and yelled, "Li Qichen, where are you going?"

"Come back to me!"

Li Qichen turns a deaf ear and takes out his cell phone to make a phone call while walking outside the door.

"Press down this morning's news, I can pay as much as I want!"

In less than half an hour after Li Qichen made a phone call, all the news on the Internet was withdrawn, and even the entertainment newspapers that had been sold were recovered one by one. Li Qichen drives to the Tang family.

I just saw this scene.

An an agrees to marry Qin Chuan!

She said yes!

As soon as Qin Chuan and Mrs. Qin left, Li Qichen came out of the door and walked towards the door.

Familiar with the sound of footsteps, Ann's heart beats suddenly and raises her head.

Against the light outside the gate, she couldn't see the expression on his face clearly, but her cold eyes were staring at her, as if to devour her.

"Morning

An an suddenly stares big eyes, subconsciously flustered ground backed a step.

She has no face to see him now.

She doesn't know why she should be afraid. He doesn't want her anymore. He has made new friends. Why should she be flustered?

Thinking of this, she raised her face again and squeezed out a smile that was uglier than crying.

"Chenchen, why did you come early in the morning?"

Bai Yixin and Wang Meijiang have never met Li Qichen, but when they hear an an's words, they probably guess that this handsome young man is the eldest young master of the Li family and the successor of the Li group.

But there was something wrong with his eyes.

Bai Yixin quickly stepped forward, stood in front of An'an, and said with a smile, "Master Li, why are you here?"

Li Qichen did not look at her, a pair of cold eyes straight at Li Anqi.

Ann can hardly bear his eyes. Her thin teeth are biting the lip, as if to bleed the pale lips.

“Chenchen, let’s go outside and talk about something.”

Li Qichen snorted coldly and turned to walk towards the door.

Bai Yixin turns her head and looks at An’an. She looks worried and says, “An’an, it seems that young master Li is very unhappy!”

“It’s all right, I’ll be right here!”

Ann comforts Bai Yixin and raises her feet to follow her.

At the rockery corridor of the Tang family, Li Qichen stops and turns to look at the girl not far away.

“Don’t you have anything to tell me?”

An’an stands three meters away from him, quietly looking at him, and suddenly laughs at himself.

“Say what?”

Now, what else can they say?

She has lost her innocence, and he has other girls. There is nothing to say between them.

As soon as she knew what to like, fate made a big joke on her.

## Chapter 1379

Her indifferent attitude deeply irritated Li Qichen.

She really wants to marry that Qinchuan!

He was a little impulsive yesterday, but after thinking all night, he realized that she should be given a chance to explain things to him.

Some things, say don't care, that really some self deception, but he can as don't care.

As long as she is willing to explain to him, they can still be fine.

But He came to the Tang family early in the morning, only to hear such a passage.

She really wants to marry Qin Chuan!

How could she

Li Qichen clenched his fist and walked towards An'an step by step.

His face was cold and his eyes were like cannibalism.

Ann subconsciously looked around and took two steps back in panic.

“Li Qichen, what do you want to do? This is the Tang family. Don't mess around!”

Tang family! Tang family!

Li Qichen's anger is even worse. It's really good. Now he even knows how to use the Tang family to threaten him!

Li Qichen ignored, big long legs fast and urgent, three or two steps will be an an pressure in the corridor behind the white wall.

His powerful arms on both sides of her body, tall figure completely shrouded her in the shadow.

With a strong and terrible aura, the unique hormone breath of men, accompanied by a light mint fragrance, instantly filled her whole chest.

An an's small white face suddenly changed and stretched out her hand to support Li Qichen's chest. Her big eyes looked at him in a panic.

"Don't This is the Tang family! It's going to be seen!"

She was flustered and afraid of being seen close to them. Li Qichen only felt that her heart was like a fire.

He laughed angrily, his bony fingers pinching her thin chin.

Gnashing his teeth and saying: "Li Anqi, do you really think I won't do anything to you?"

"Chenchen Well

Li Qichen didn't want to listen to her nonsense any more, so he bowed his head and kissed her.

Strong, conquering the city and territory, with the waves, vowed to beat her thin body on the shore.

How could she

How can

Thinking of a man who had treated her like this and appreciated her beauty, his heart was like a layer of cotton, unable to get up and down, unable to vent.

He wanted to strip her naked and take her here.

Isn't she afraid of being seen?

When Qin Chuan sleeps, he marries Qin Chuan. When he sleeps?

Will you marry him? Anyway, the Qin family dare not offend the Li family. They dare not make trouble anyway.

Think of this, his heart is like living in a devil, the devil's grasp in the heart began to open teeth and claws.

All of a sudden, I heard footsteps.

It's Bai Yixin's voice.

"An'an, Master Li, where are you?"

An'an struggles the movement, Li Qichen also stopped.

The four eyes are opposite, and Ann's eyes are all praying.

This is in the Tang family. Please ask him to keep the last trace of dignity for her.

However, such eyes will only stir up the anger in Chenchen's heart.

Eyes a Lin, powerful arm around her waist, a turn, dodge into the side of the rockery.

Bai Yixin looks for a circle here, doesn't see the figure of two people, and walks out again.

"Why? Ah, young master Li's face was so ugly just now. Don't quarrel with An'an."

Bai Yixin talks to herself and walks to the other end of the corridor.

An'an is holding her breath. She dares not breathe. Her heart is all over the rockery. She doesn't feel the danger is approaching her.

Li Qichen's tall body was close to her back, and a pair of burning eyes seemed to light a string of flames.

The eyes, clearly is the hunter saw the prey, vowed to devour her clean.

Her warm and half wet lips were walking up her neck. Her slightly cocooned fingers lifted the hem of her dress and penetrated into it.

An an's back trembled and suddenly regained his consciousness.

She pressed his hand, turned and looked at the man in front of her with big wet eyes.

In his eyes, there is a strange madness, paranoia, with a strong desire for possession and destruction.

"You What do you want to do?"

“What do you say?”

Li Qichen looked at her panicked face, with a joy she had never had.

It turned out that she would panic and be afraid.

Unfortunately, the object of fear is him!

It's better to be afraid than not in any mood!

But She clearly promised him that she would give him time and they would be together Why cheat him like this?

As soon as he left, she couldn't wait to get married.

Is it so fun to cheat him?

An an is right to see Li Qichen this appearance once.

Even last night, even if he was angry, he was extremely restrained.

Even, he is not as excited as brother Tang Jin.

At this time, all his reserve and concerns were put aside. He was no longer the alienated and indifferent noble child. The desire for encroachment in his eyes was like a wild animal. He was about to tear her apart and swallow her one by one.

She was pressed on the rockery by him, and her body trembled with fear, so that tears came out.

“Chenchen Don't do that Don't do that, will you? ”

This is the Tang family. When they are seen here, how can they behave in the future?

Li Qichen didn't intend to let her go at all.

Today, it's useless for her to say anything and beg for mercy.

He is too soft hearted, again and again can't bear to take her first time, will let other men get ahead.

He leaned close to her ear, gritted his teeth and said, "it's useless! If you want to call it out, I promise the people of the Tang family will be absolutely shocked to see it! "

"....."

Ann really did not dare to struggle, biting her lips, tears in her eyes begged him pitifully.

Li Qichen is full of anger originally, just want to revenge her.

But at this time, looking at her small face, like some kind of poor animal, in great need of protection.

The anger in my heart is gradually fading, replaced by the most primitive human desire.

A strange temperature came, and the body tensed quickly.

Li Qichen clasps the back of her head and kisses her strongly.

His action was so rough that it was not so much a kiss as a bite.

Ann held her head high and passively accepted it.

She dare not struggle, can only bully her by Li Qichen like this.

He was right. She didn't dare to call someone at this time. She didn't have the courage to let people know what happened between her and him.

Letting others know about it will only make things worse.

At that time, both homes will be upset by her.

Daddy and Mommy are so kind to her, they will be disappointed with her.

No way!

An'an suddenly returns to his senses and pushes Li Qichen away with all his strength.

"You..."

Li Qichen didn't expect that her strength would be so strong that she could push him away?

Ann leaned against the rockery, gasping for breath.

"Li Qichen, why do you question me?"

Isn't he cuddling with that blonde girl? Still in the nightclub kind of place!

She can understand the openness of foreign customs.

But isn't he the one who betrays their feelings?

Why is she now questioning her like a victim?

“Why should I?”

Li Qichen was angry at her words.

But at the same time also tighten eyebrows, always feel that she has other meaning in this sentence.

“Li angqi, please make it clear to me. What do you mean by this sentence?”

What is he not qualified for?

Obviously, Master Li has forgotten something completely.

“You and...”

When an an was very angry and was about to ask him about the girl, a worried voice suddenly interrupted her.

“An an So here you are

Qin Chuan stands in the false mountain pass, a face curiously looks at two people.

“Ann, did you fight with your brother?”

Brother

Li Qichen clenched his fists, and the blue tendons on his forehead jumped.

The cold eyes swept to Qin Chuan, and coldly raised the corners of his lips, "who said I was her brother..."

"Li Qichen!"

Cried Ann angrily.

Her fingers on the side of her body hold tightly. She can guarantee that what Li Qichen wants to say is that I am not her brother, but her man!

Li Qichen snorted coldly and walked towards the rockery.

When passing by Qinchuan, he deliberately hit Qinchuan with his shoulder.

Qinchuan was hit even back two steps, face a change.

"Master Li, I'm really sorry about what happened last night, but you can rest assured that I will take good care of your sister!"

Smell speech, Li Qichen stop, cold eyes forget to stand there an an one eye, then cold hum.

"We'll see!"

He will never let her go!

Let him go, unless he's dead.

Otherwise, he could divorce her as many times as she married. Let's spend it like this!

Ann put her finger in her palm and turned pale.

I don't know why. I'm very upset.

Qin Chuan saw her face was not good, worried to come forward to hold her hand.

"Are you all right? Don't take it to heart if your brother said something unpleasant. Our affair is really a little sudden, but give me time and I'll prove it to them. It's a good decision to leave you to me. "

Ann drew her hand back from his palm and asked coldly, "Why are you back? Didn't you just leave? "

Qin Chuan scratched his head shyly.

"My mother's temper is not very good. I'm afraid if she makes you sad again, I'll take her away! But you can rest assured that my mother still listens to me. After we get married, you don't need to contact her. I will buy another villa outside and we will move out! You don't have to worry about the disharmony with my mother, and if you have a conflict, I will stand by you unreservedly! "

Wen Yan, an an an looks at Qinchuan.

She didn't know what he said was true or false.

However, after marriage, she wanted to move out of the house. Even he took the initiative to do so, which was unexpected.

Chapter 1380

"Qinchuan!"

Ann suddenly gave a serious cry.

She gnashes her teeth at Qin Chuan.

Don't think she doesn't know. He took her to the hotel that night

If it wasn't for the reputation of the Tang family, if it wasn't for Li Qichen She would never agree to marry him.

But Thought she was stupid, she understood.

Qin Chuan, such a playboy, is willing to say some sweet words to her, but he just likes the Li family behind her.

If the Qin family wants to curry favor with the Li family, they must please her.

Qinchuan is very happy because of the word "Qinchuan".

It was the first time she had looked him in the eye and called him that way.

It turned out that his name was so beautiful when she called it out from her mouth!

"Ann, what do you want to say? I'm listening!"

Ann pursed her lips and said coldly, "I promise to marry you. It's not a real marriage, but a deal!"

"A deal?"

Qin Chuan looked at An'an in shock. After a while, he said with an unnatural smile: "how can it be a deal? I really want to marry you

For Qin Chuan's sweet words, an an always feels extremely noisy, let alone moved.

She frowned impatiently, “there are only two of us here, so you don’t have to pretend any more! Do you really think that I will believe you, a person who dares to poison me and do such dirty things?”

“I...”

Qin Chuan’s face suddenly turned white, just like a dumb man eating Huanglian.

“Ann, why don’t you believe me? Do you believe me? I really won’t hurt you

It’s just my mother’s idea to take the medicine!

He didn’t want to hurt her at all!

Ann is not a fool. It’s strange to believe that.

“Well! There’s no need for you to say more about these words. I know why you want to do this. Don’t you just like the Li family behind me? I can fake marriage with you to make your Qin family more and more powerful, but after marriage, we are only nominal husband and wife, you can’t touch me, and you can’t interfere in my freedom! Of course, I won’t interfere in your freedom. As long as my family doesn’t know which woman you like, I won’t care!”

“Do you really think so?”

Qin Chuan gritted his teeth and pinched his fingers into his palm.

After hearing what Ann said, he was really disappointed.

What he wanted was never like this.

Maybe he did think about it when he didn't see her at first.

Although he has a lot of women around him, he never really likes a person, and he doesn't really put his mind on women. It's just a play on occasion.

When his mother asked him to marry the daughters of the Tang family and the Li family, he agreed.

Why didn't he do the best of both worlds?

However, at the first sight of her

He was completely occupied.

Up to now, he still remembers.

She was dressed in a white dress, and walked down the stairs slowly, with melancholy eyes and a face of love.

His heart is like being shot an arrow, that is the feeling of heartbeat.

Can be the first heart, she was ruthlessly ignored.

"Why?" He asked reluctantly.

An an sneered, "we each get what we need. I need a place to settle down, and you need the backing of the Li family!"

Is she still in love with the man who drugged herself?

Qin Chuan looked at the firmness on her face, pinched her fingers, gritted her teeth and agreed: "good! I promise you! I will never touch you before you accept me"

"You said that!"

Ann said that and left.

Qin Chuan grabbed her and said, "wait a minute. I have another thing to tell you. My family has given us an auspicious day. The first day of next month is a good day, so we don't have much time. We will take wedding photos tomorrow!"

"The first day of next month?"

An'an asked in shock, thinking of something and sneering, "the Qin family can't wait!"

"No..."

Qinchuan, a big man, looks a little embarrassed.

"It's me Can't wait

Can't wait to marry her home, can't wait to make her his woman.

Now she has some resistance to him, not willing to be a real husband and wife with him, but it doesn't matter, he will use his heart to move her.

Ann frowned, "OK, I see!"

Qin Chuan Yang lip laughed, "then I'll drive to pick you up at eight tomorrow morning!"

“I see.”

Since you can't avoid it, you'd better accept it as soon as possible.

She said in her heart: “Li Anqi, since you have made a decision, be firm. Don't be hesitant and indecisive any more!” As soon as Qinchuan left, Tang Jin returned home. He had not had a rest for a day and a night. He looked very tired.

“Ann, Grandpa wakes up and wants to see you!”

“Grandfather wants to see me?”

Ann was nervous.

Grandfather's health is not good. If anything happens to him because of her, she is the sinner of the family.

Because of this, she agreed to marry Qin Chuan, pretending to be a loving couple, so that they would feel better.

Tang Jin changed a suit of clothes at home and returned to the hospital with An'an.

Everyone already knows that she promised to marry Qin Chuan.

Tang bin was the first to come over with a kind face. “An'an, do you really want to understand that you want to marry Qinchuan? As long as you don't want to, none of us will force you, and the Qin family can't force you!”

“Yes! Yes

Tang Huai and Tang Wen echoed.

Looking at everyone's concerned eyes, An'an's heart swelled with warmth.

She said with a smile: "Qinchuan and I have always been in love. We really want to be together. Will you bless us?"

"This..."

If you look at me and I look at you, you still can't accept the rush of young people.

Tang Wen looks behind an an an, and suddenly his eyes light up.

"Mr. Li, Mr. Li, young master Li, why are you here?"

Such a big thing happened that even Mr. Tang fell ill. It's impossible that everyone didn't know.

Wen Qiao and Li Fengbei are also worried about An'an. When they learn that she has come to the hospital, they quickly prepare gifts and come to the hospital.

"Ann, why are you so ignorant? Don't you dare to tell us about such a big thing?"

Wenqiao reproaches the tunnel, but holds Ann's hand painfully.

Li Feng North is more direct, "I heard that Qinchuan boy reputation is not good, don't marry! Do I worry about getting married when I seal the north

Ann pursed her lips and felt very guilty.

But his eyes could not help looking at Li Qichen behind Li Fengbei.

His deep eyes staring at her pale face, that look straight, no taboo.

Ann looks at him and moves away.

Daddy and Mommy are so angry that they don't know what he told them.

But she was sure that he must have said a lot more.
