CEO Daddy Is Too Passionate - Chapter 1421

“Hum!” Yi Meimei thinks Xia Ye envies her. She raises her chin and looks proud like a peacock. The next second she hears Xia ye say, “this classmate, I don’t know you. What can I do for you?”

“You

Yi Mei almost fell.

The two big eyes widened to the extreme, looking at the summer leaves as inconceivable.

“You I’m Li Er Shao’s girlfriend. You said you didn’t know me? You must be jealous of me

“Oh Xia Ye’s face suddenly realized that it was Li Xingchen’s dead and proud girlfriend. No wonder it looked like a virtue.

Yi Meimei feels that she is despised, or despised by a bumpkin who is nothing.

“What’s your attitude?”

Xia Ye smiles, “I will treat you as you treat me.”

Yi Meimei didn’t expect that she should be so hard mouthed and pointed to Xia ye with her fingers angrily.

“To talk about Xueba is to fish for fame! I’m entangled with my boyfriend, but I don’t want to be a phoenix one day, just like you? ”

Yi Meimei looks up and down at Xia Ye. She is dressed in a white hospital uniform. Her thick bangs almost block her whole face. She is also wearing a pair of big black frames. It must be shameful to cover herself so tightly.

Thinking of this, Yi Mei sneered coldly.

“Xia ye, I still advise you to look at yourself in the mirror. No man can want you just like you! And I’m different. Li Er Shao fights with brother Qiang because of me. Do you know?”

Speaking of two men for her, her heart can not say the superiority.

This words, pour is to let the summer leaf face Yi Mei to see one eye carefully.

It turns out that Li Xingchen is fighting in the alley because of Yi Meimei!

Tut Tut, fighting for such a vain woman is really

Xia Ye narrowed her eyes and grinned brightly. “A person like Li Xingchen will think he is a treasure. I can’t see such rubbish. Miss Yi Meimei, you can rest assured!”

“What what? Garbage?” Yi Mei almost thought that she had heard wrong and asked in disbelief: “do you know who you are talking about? How can you say Li Er Shao is rubbish

Just as she looks like a bumpkin, I don’t know what the young master of Li family means!

The man in the Li family on the list has a permanent banknote printing machine. There is more money than can be used up.

Since then, I have been a young grandmother whom everyone envies.

Yi Mei sneered and took two steps to catch Xia Ye’s hair.

“You dare to say my dear is rubbish. I won’t kill you today!”

A sharp pain hit, summer leaves face gradually pale.

If it wasn’t for her leg, she couldn’t move now, and she wouldn’t be bullied by Yi Meimei so casually.

“Let go!” Xia Ye roared angrily.

“Not loose!”

Yi Meimei’s delicate face flashed a trace of ferocity, “I warn you, you leave Li Er Shao quickly, he belongs to me!”

“Yi Meimei, what’s wrong with you? I think everyone likes to eat shit just like you

Eat shit

Li Xingchen just came back from the outside to hear this sentence, and his face turned green.

He pushed the door open and yelled, “what are you doing?”

Yi Meimei was stunned. She turned her head and looked at Li Xingchen standing at the door. The ferocious expression on her face disappeared immediately. She stamped her feet and pursed her ruddy mouth,

“dear, she scolded you. It’s too much!”

Xia Ye looks at Yi Mei’s face. She is shocked. It’s a pity that she doesn’t act.

However, Yi Meimei is right. She just scolds him. What's the matter?

In the face of Yi Meimei's accusation, Xia Ye looks at Li Xingchen calmly.

Li Xingchen grinds her teeth secretly, this girl He's so righteous.

Yi Mei sees two people look at each other and completely ignores her appearance. She is very dissatisfied. She pulls Li Xingchen's arm and rubs it on his arm.

"Star, look at her, look at her! She scolded you for not paying attention to you at all

Li Xingchen hummed coldly, pushed Yi Mei away and went to the door.

Summer leaves! Summer leaves! When her legs are ready, he must kick her out of school.

"Honey, wait for me!"

Yi Meimei looks at Li Xingchen's angry appearance, happily hooks her lips, and quickly chases her out.

It seems that her worry is superfluous. Xia ye and Li Xingchen don't deal with it.

Yi Mei pursues, wants to pull the star's hand, but is thrown away.

"Why What's the matter?" Yi Mei looks aggrieved.

Li Xingchen's sharp eyes with a cold thin cold light, coolly looking at Yi Meimei, "who let you find here?" It's a simple sentence, and even the voice doesn't have much fluctuation, but Yi Mei's heart trembles with fright and tears come.

“I Don’t I miss you? You haven’t come to me for a long time! I’m worried about you. How are you doing? Worried if you’re hurt?”

Listening to yimeijiao Didi’s words, I became more and more impatient.

Before how did not notice, women deliberately coquettish appearance, really disgusting.

It’s not as comfortable as Xia Ye’s fierce look.

Thinking of this, Li Xingchen was stunned and quickly shook his head to get rid of the strange ideas in his mind.

That bumpkin is the worst!

Li Xingchen took back his sight and said, “Yi Meimei, we have never been together again. Don’t pester me in the future.”

The tears in the corner of Yi Meimei’s eyes were solidified, her face turned pale, and she screamed excitedly.

“What? I beg your pardon? You’re breaking up! No, I will never agree to break up with you!”

It’s hard to become Li Xingchen’s girlfriend. No, not even a girlfriend. She’s only allowed to appear beside him.

But even in this way, she can enjoy the envious eyes of people around her and satisfy her great vanity.

How can this be done?

Seeing Li Xingchen go far without looking back, Yi Meimei catches up.

“Li Er Shao, I’m wrong. Please don’t kick me away! I will never come to the hospital again, and I will not trouble Xia Ye. I will be very good! I’ll listen to you

Yi Meimei cried with tears, but Li Xingchen was indifferent.

Hands in their pockets, the pace of natural and unrestrained into the elevator.

The elevator was full of people, all looking at them with strange eyes.

At this moment, in everyone’s heart, Li Xingchen seems to have become a ruthless slag man, and Yi Meimei is a humble woman abandoned by her boyfriend.

“Don’t you comfort your girlfriend for crying so badly?”

CEO Daddy Is Too Passionate - Chapter 1422

“Men are so cruel! How could such a beautiful girlfriend make her cry? ”

“Scum man!”

Li Xingchen dangerously squints his eyes and turns around to air them one by one.

Everyone shut up immediately.

This young man is not very old. How can he have such a sense of oppression? Just one look makes people dare not make mistakes easily.

When the elevator arrived, Li Xingchen took back his sight and was the first to walk out of the elevator.

Yi Meimei followed him, but sobbed.

“Dear...”

“Shut up! When did I become your boyfriend? Have I promised you?”

Li Xingchen stops and shouts out.

Yi Meimei quickly put away her tears. She knows that the way a woman wants to cry or not is the most fatal temptation for a man.

Most men have little resistance to her like this.

“How can you say such a thing? A few days ago, you were fighting with Qiangzi because of me. Are these all fake?”

Smell speech, Li Xing Chen sneers, “you don’t wear high hat to yourself, I don’t fight with you.”

It’s just that she can’t get used to that little bastard and find a reason to fight. Does she really think she is so charming?

Yi Mei’s whole body stopped.

He said the fight wasn’t because of her, and he really hated her.

Looking at Li Xingchen’s back, Yi Meimei clenched her fist, turned to see the hospital, gritted her teeth and said, “it must be because of Xia Ye! Otherwise Li Xingchen couldn’t have done this to me!”

She has no way to take Li Xingchen, so she puts all her faults on Xia Ye’s head.

.....

Since this happened, the relationship between Li Xingchen and Xia Ye was not good at all, but now it's even more fierce, and no one cares.

Half a month later, Xia Ye finally discharged from the hospital and was received by Wen Qiao.

Wenqiao let people to understand the situation of Xiaye family, is a poor child, parents died early, plus an unreliable sister, her life is very poor.

The children of the poor family are in charge of the family early, and her academic performance is particularly excellent. Her tuition basically depends on scholarships, and her living expenses depend on working part-time on weekends, living frugally and so on.

Xia Ye stood at the golden gate, looking at the magnificent house in front of her, she couldn't help sighing.

"Wow, auntie, your home is so beautiful!"

Such a house, she only saw in the TV series, thought the TV series are exaggerated, did not expect the reality will only be more exaggerated.

Li Xingchen glanced at her and couldn't help rolling his eyes.

A bumpkin who has never seen the world.

Summer leaf feels the sight that he despises, cold hum toward Li Xing Chen.

Everyone has their own way of life, and she never felt inferior to these young boys and girls born with golden keys.

Li Xing Chen dangerously squints Mou son, this wench why always follow oneself not to go?

When on earth did he offend her?

“Xingchen, help Xiaye with her luggage. Go in!”

Li Xingchen protested discontentedly: “Mommy, why should I carry her luggage? She has her own hands and feet... ”

“Are you still interested in saying that?” Wen Qiao angrily scolds a way, “hurt a muscle to move bone 100 days, summer leaf’s foot is not also completely good, can’t carry heavy things, go quickly.”

“.....”

Li Xingchen turned his lips.

Is he born, or is this girl born?

Why does Mommy always help her!

Back home, Wenqiao asked Xiaye to take a seat, and asked the servant to bring snacks and drinks.

“Xiaye, you will take this place as your home in the future.”

Summer leaves sitting on the sofa, seems a little cramped, “Auntie, wait a moment, I go back to my own home, tutor time I won’t delay.”

Wenqiao pretended to be alive: “your feet are not completely good. It’s troublesome to run back and forth. We have a place to live here. It’s convenient for you to live here. I can rest assured. Otherwise, your feet are not convenient. Who will take care of you when you live alone?”

“.....”

Summer leaves in the heart of the influx of a warm current, no longer refuse, nodded, “thank you aunt!”

“Be polite to me. Make this your home.” Wenqiao smiles.

Several people were talking, a clear voice came down the revolving stairs.

“Mommy, second brother, you’re back!”

“Poof!”

Xia Ye is holding up a cup to drink a mouthful of water. When she hears this, she spurts it out directly.

Li Xingchen sits opposite her, and Xia Ye sprays all his saliva on him.

Time seems to solidify, Li Xingchen’s handsome face is not generally ugly, black like the bottom of a pot.

“Summer! Leaf is ready to attack, was Wen Qiao slap on the head, “roar what roar, worry that others don’t know you are loud voice?”

Li Xingchen immediately gave up.

There’s no way to live this life. He must not be his own!

“Hum!” Li Xingchen toward summer leaf cold hum a, get up to go upstairs.

Xia Ye looks at Li Xingchen’s shriveled appearance and tries to suppress her smile.

I was really impolite just now. I didn't control it for a moment.

That's funny.

"Second brother" is too close to his image.

A girl in a white princess dress with a ball on her head stood in front of her. Her big eyes flickered and looked at her. She was so cute.

"Hello, my name is Xia Ye!"

Li Anxin came forward and took Xia Ye's arm. "I know. I've heard from Mommy. Sister Xia ye, my name is Li Anxin. You can make me feel at ease!"

"Nice name!"

"Sister Xia ye, I heard that every one of your subjects is the first in the school. No one has ever broken your record. Xueba in Xueba, I want to learn from you."

Xia Ye is quite impressed by this young lady who is as clear as glass.

In her impression, most of the children from rich families are spoiled and have a high eye. They disdain to be friends with common people like her. However, she is relieved to call her sister directly and say that she wants to learn from her.

She has heard from her aunt that she is a diligent and progressive child and a genius. It seems that what she said is true.

Xia Ye relaxed a lot and said with a smile: "that's the exaggeration of others. We'll make progress together in the future."

“Good! I’m going to have a grade jump test recently. Please follow me upstairs. I have a math Olympiad problem. I’m a little confused. ”

Can’t help but say, pull summer leaves to go upstairs.

A few minutes later, there was a burst of laughter in Li Anxin’s room.

“Sister Xia ye, you are so powerful that you can solve such a difficult problem by dividing five into two!”

“You’re also very good. You’re only in the third grade of primary school now. It’s really rare that you can solve the problem very quickly with a little improvement!”

“You taught me well!”

“You are smart!”

Li Xingchen’s room is next to Li Anxin’s room. Originally, he was lying on the bed playing games, listening to the constant laughter and rainbow farts in the room, the whole person was angry.

“Be quiet! Business blows to each other and rolls down! ”

Two shameless people compliment each other.

CEO Daddy Is Too Passionate - Chapter 1423

“Second brother, I’m doing my homework. Are you playing games again? Have you finished your homework? Be careful I tell Mommy

Li Anxin’s voice came from the door. Li Xingchen lost his game machine, jumped out of bed and kicked open the door of Li Anxin’s room.

“Li Anxin, what does the second brother do to you? Can you threaten me at any moment!”

Li An’s heart was small, his mouth was shriveled, his face was aggrieved, and he said, “second brother
You yelled at me

Li Xingchen was originally fierce. Seeing Li Anxin’s aggrieved expression, he immediately let off his anger.

“Stop, stop, stop, what are you doing? I’m not cruel to you!”

“You haven’t been cruel to me yet!”

Li An’s little mouth pouted higher and seemed to be about to cry. He complained wrongly: “Li Xingchen,
you yelled at me. You don’t care for my sister! Wu Wu ~ ~”

Li Xingchen scratched his head irritably.

As a brother, he should love his younger brother and sister.

He was originally the fourth in the family. Li Anxin was the only sister who loved him. Naturally, he held
it in his hand.

As soon as Li An’s heart cries, Li Xingchen has no way. He takes the initiative to admit defeat and says,
“OK, the second brother is wrong. The second brother promises that he will never yell at you again next
time! Go on with your homework

Li Anxin immediately put away his tears and pretended to ask, “what about you, second brother?”

“I’m going to play with my friends!”

Li Xingchen said and turned to go out.

Xia Ye stares at his pocket, and Li Xingchen is so hard to make that he has been dealt with by Li Anxin.

How could such a bully be so gentle to his sister?

Even she could see that it was deliberate just now.

Sure enough, as soon as Li Xingchen left, Li Anxin put away his grievances and said happily: "sister Xia ye, let's continue."

This appearance, where can you see the appearance of a little grievance.

Xia Ye

These two brothers and sisters are really There's a saying, it's not that a family doesn't see a family.

Li Anxin is a Xueba. He has inherited Li Fengbei's high IQ. Naturally, he also likes smart people. He is familiar with Xiaye at first sight.

From astronomy to geography, she and Xia ye are very happy.

Li Xingchen played basketball with his friends. When he got home, he heard their laughter from a distance.

Li Xingchen was stunned, then frowned.

This summer leaves is really not simple, reassure that little girl is not so easy to deal with people, even his brother is often in her that eat the door shut.

As soon as Xia Ye comes home, she will become one with Li An Xin?

Li Xingchen looked at the closed door, and suddenly he had some bad taste in his heart.

This situation seems to be a little bad, not only mummy, now even my sister is bought by her, this summer leaves, not simple!

He has to do something to stop this guy from showing off in his house.

Yes, that's it!

Early the next morning, Li Anxin yawned and came down the stairs.

Last night, I discussed Mathematical Olympiad with Xia Ye. I slept too late and yawned in the morning.

Li Xingchen is usually the laziest one, and breakfast is basically the last one.

But when Li Anxin comes to the dining room and looks at Li Xingchen sitting at the dining table, he almost thinks he is dazzled.

"Li Xingchen, how can you get up so early?"

Li Xingchen immediately sank his face, "don't call my name, it's not big or small."

Li an heart curled his lips, "you let me respect you, you are to make a pair of elder brother's appearance to come!"

"Why don't I look like my brother?"

Li Xingchen glances at Li Anxin. The corner of his eye glances at Xia Ye coming from outside. He immediately changes into a smiling face and pulls Li Anxin to sit beside him.

“Peace of mind, my brother ignored you during this period of time. It’s just a holiday today. Shall I take you to the playground?”

He must not let his sister get along with Xia Ye too much, or she will bring his lovely and clever sister to bad.

“Good morning!”

Xia Ye comes from the door.

As soon as Li Anxin sat down and saw Xia ye, he immediately got up and happily took her arm.

“Sister Xia, come and sit down. There are so many delicious things this morning!”

Li Anxin pulls Xia ye to sit on the chair opposite Li Xingchen. He also takes a piece of bread for Xia Ye wisely and spreads Gold Caviar on it.

“Sister Xia, try this. I like it best!”

That appearance falls in Li Xingchen, especially dogleg.

Li Xingchen sneered coldly, grabbed the bread in front of him and put it into his mouth, as if the bread had a grudge against him.

Although Xiaye hasn’t eaten caviar, she has seen it on TV and heard about a mouthful of caviar and a mouthful of gold. Suddenly the bread in my hand became a little hot.

She is a person who doesn’t like to trouble others. She has known since she was a child that she has a soft tongue when eating others and a short hand when holding others.

“This...”

Li Anxin’s bright eyes looked at her expectantly, “sister Xia, you eat it. If it’s delicious, I’ll ask the chef to make it for us tomorrow. The bread is baked now. It’s best to eat while it’s hot.”

Looking at Li An’s innocent eyes, Xia Ye suddenly smiles.

“Good! I’ll eat it

The smile on Li Anxin’s face is more brilliant, “I eat too! After eating, let’s go to the playground together!”

“.....”

Opposite, Li Xing Chen looks at Li An Xin, the eye bead son almost stares out.

This guy Don’t you usually treat him arrogantly? What kind of ecstasy did Xia ye give her!

He is so angry!

He doesn’t want to go out with this bumpkin!

Li Xingchen was very angry, but Li Anxin and Xia Yeli didn’t pay any attention to him, as if they couldn’t see his existence.

After breakfast, Li Anxin thought of his brother.

“Second brother, aren’t you going to invite me to the playground? There should be no problem with sister Xia!”

“Of course...” something the matter!

Before Li Xingchen’s words were finished, Li Anxin took Xia Ye’s arm affectionately, “second brother agreed, let’s go!”

Said, pulling the summer leaves to go ahead, leaving Li Xingchen standing in the same place, almost biting a silver tooth.

At three o’clock in the afternoon, three people came home from the playground.

Li Anxin and Xia ye hold hands, talking and laughing. Along the way, they seem to have endless words.

Li Xingchen twisted a lot of things in his hand and was forgotten by them. He could not bear to roar: “Li Anxin!”

Li Anxin stopped and turned around in doubt. “Second brother, what’s the matter?”

“Take your things away!”

Li Xingchen dislikes the tunnel.

Every time I go out with Li An Xin, it’s him who carries things, but now he doesn’t want to do it.

Along the way, both of them directly ignored him, which made him very unhappy.

Li An Xin walked back, snatched the big and small parcels from his hand, and spat out his tongue discontentedly, “stingy! Second brother, you are not a gentleman

“I Why am I not a gentleman

Li Xingchen was angry at her words.

However, Li An Xin no longer pays attention to Li Xing Chen, carrying the package and pulling Xia ye to leave.

“Sister Xia, let’s go and ignore him!”

“Li An Xin!” Li Xingchen is furious.

It’s not flattering to give money and effort!

Xia Ye looks at Li Xingchen’s shriveled appearance and can’t help laughing.

A person who dominates in school is so angry with his 10-year-old sister.

CEO Daddy Is Too Passionate - Chapter 1424

Li Xingchen glared at Xia Ye.

It’s all the fault of this bumpkin, who is trying to sow discord between him and his sister.

Xia Ye curled her lips. What’s in her way? boring!

Li Anxin takes Xia Ye’s hand and stares at Li Xingchen.

“Sister Xia, let’s go! Ignore him

Li Xingchen was so angry that he gritted his teeth and kicked on the stone steps beside him, “cut!”

Since Xia ye came to the house, he has damaged his lovely sister. No, it can’t go on like this.

Li Xingchen watched the two go away and hurriedly catch up with him, "peace of mind, wait for the second brother!"

In the afternoon, Li Xingchen continued to play games with his friends, but when he thought of something, he left the game machine and opened the door of the opposite room.

Li Anxin is sitting at a small desk doing his homework. His posture is standard and his back is straight.

His eyes in the room looked around, did not see the summer leaves, suddenly a joy in the heart, asked: "summer leaves?"

"Sister Xia has something to do at home. Let's go home."

"Oh

Li Xingchen made a pretentious reply, then sat down beside Li Anxin and said, "in fact Your homework is in the fifth grade of primary school. My second brother is in high school now, and I still know the problems of primary school students."

Li An Xin listened to, turn round to see to him, "second elder brother, how do I do this problem?"

She pushed the exercise book in her hand to Li Xingchen.

"It's on me!"

Li Xingchen is very happy and finally has a chance to express himself. He doesn't believe that he is a high school student who can't solve the problem of primary school students.

"Take the four corners of the square as the center of the circle, the side length as the radius to make the circle, and make the circle respectively, so as to find the area of the last overlapping part..."

Li Xingchen read the title in his hand and looked at it twice in a row. He suddenly looked embarrassed.

“Peace of mind Is this a wrong question

“.....”

Li An’s heart turned a big white eye.

Take back the exercise book from Li Xingchen’s hand, disdain a way: “second elder brother, you don’t know to say don’t know, how can say is the topic is wrong!”

Li Xingchen was enraged by Li Anxin’s eyes and jumped excitedly, “the topic is wrong. This kind of abnormal topic can be solved. I eat excrement live!”

Li Anxin looked at his second brother and shook his head helplessly.

“Second brother, this is what you said. When sister Xia Ye comes back, she will be able to do it.”

Li Xingchen was even more unconvinced. He reached out and poked Li Anxin’s head and said, “Li Anxin, are you still my sister? How do you turn your arms out? ”

“Ah! It hurts

Li Anxin’s small facial features wrinkled into a ball, rubbing his head, “second brother, you’d better study hard, learn more from other people’s sister Xiaye!”

Speaking of Xia ye, Li Anxin admires her. “Sister Xia Ye is so powerful that no problem can defeat her. She is my idol.”

With that, she did not forget to look up and down at Li Xingchen. Then she gently shook her head and sighed: "Alas, they are all human beings. Why is the difference so big?"

Li Xingchen feels that he has been hurt by 100000 points. He stares at his eyes and says angrily: "Li Anxin, what's that look in your eyes?"

Li Anxin looked at Li Xingchen seriously and asked, "second brother, why don't you wait to see sister Xia ye so much? Sister Xia Ye is good at everything!"

"You dead girl!"

Li Xingchen is more angry, "that local steamed stuffed bun has ulterior motives. When she came to the house for only a long time, she abducted mommy and you!"

"....." Li an was speechless. "What do you mean to abduct us, second brother? How can you be so prejudiced against sister Xia ye! In fact, sister Xia Ye is really good..."

"Well, well, I don't want to hear that guy's name. I just hate her, especially!"

Li Xingchen impatiently interrupted her words, gently rubbed her sister's round hair, and said: "you are good at doing your homework, and the second brother won't disturb you!"

As soon as I turned around, I saw Xia Ye's thin figure standing at the door.

Li Xingchen was stunned, even stepped back and patted his chest. He roared angrily: "what are you doing behind others? Don't you know that people are frightening people to death?"

Xia Ye glanced at him speechless. "You speak ill of me so hard. How can I disturb you?"

"....." Li Xingchen choked.

This person looks honest. Look at her, but she has such a smart mouth. She is the one who has led her sister to be bad.

Li Anxin saw Xia Ye coming back and said: "sister Xia ye, come here and have a look at this problem. I bet with my second brother just now that if you can solve this problem, he will eat excrement live!"

Li Xingchen

Or is it not his own sister?

Xia ye walked towards Li An Xin. He glanced at the exercise book on the exercise book, then gently raised his lips, pushed the eyeglass frame on the bridge of his nose, and said, "Li Xingchen, you mean what you say?"

Li Xingchen looks at her confident appearance, in the heart secret way is not good, but the strong spirit let him not want to easily admit defeat.

He insisted on his face and said, "when can I not keep my word, young man?"

"Just don't cheat!"

With that, Xia Ye raised the pen on her desk and began to write in the draft book.

Li Xingchen looks at her not slow appearance, in the heart secretly cries bitterly.

Why did you try to be heroic just now?

Maybe, this abnormal guy can really solve the problem!

How can Li Er, a wise and powerful young master, live eat excrement? It's just a joke.

It's better to leave quickly, or there's no way to end.

Li Xingchen's eyes twinkled slightly and said solemnly: "you slowly solve it. I have something to do now. You can tell me the result later. Anyway, you can't solve it."

I don't want to escape much, but I don't forget to taunt Xia Ye.

Who knows, turn around to be called to stop.

"Wait!"

"What's the matter?" Li Xingchen turns around stiffly.

Summer leaves Yang Yang hand in the grass manuscript, "has solved."

"How is that possible?"

Li Xingchen said with a smile, "you are teasing me!"

Such a perverse problem can be solved in two minutes.

"What am I teasing you for?" Xia ye made out the standard answers of the exercise book and put them in front of Li Xingchen, "look, the answers are here."

Li Xingchen looks at the standard answer of the examination paper in Xia Ye's hand, and it's really solved by her.

Li Xingchen has been complaining in his heart. He has heard that this local boy is learning to be abnormal, but he didn't expect to be so abnormal.

But He is a respectable Li Er young master. How can he do something to damage his image.

Li Xingchen pretends to take the standard answer from Xia ye, glances at it faintly, and suddenly a flash of light comes to mind.

CEO Daddy Is Too Passionate - Chapter 1425

“Xia ye, what do you mean? You see the answer clearly, otherwise how can you solve such a complicated math problem!”

With that, Li Xingchen seems to have found a good reason for himself, and his face gets rusty.

Yes, he’s going to play it to the end. How can he eat shit live!

Summer leaf speechless ground rolled a white eye, “Li Xingchen, I think you are intelligence quotient is not high a bit, now look, the eye is not good!”

Li Xingchen is angry, “how can you attack yourself! Is what I said wrong? It’s not normal for you to read the answer in advance and be able to do it.”

“Take a good look at it for yourself. I use two ways to solve problems with the standard answer.”

“.....”

Li Xingchen looks at the exercise book in her hand and finds that she and the standard answer use two kinds of solutions.

“how can this be possible!”

How can such a difficult problem be solved in two different ways?

It's not scientific!

Xia ye said with a proud face: "Li Xingchen, you just ate, you mean what you say, now you want to live that..."

Li Anxin had already bent over with a smile, "second brother, I'll talk big, don't talk ahead, you'd better study hard! Otherwise, senior high school students will not be able to do primary school problems, it would be embarrassing!"

"Li! Ann! Heart

Looking at the expression of schadenfreude on her sister's face, Li Xingchen wants to hang her up and beat her up.

It's impossible for young master Li Er to eat that live. He can only play it to the end.

Because of this. Li Xingchen has been depressed for several days.

He wondered why women are so powerful now, and dare to despise him?

He was unconvinced.

Wang Xinran and Qi Jinyu accompanied him to play basketball. Seeing that he was listless, just like Yan's eggplant, they couldn't help asking, "what's the matter with you? Why do you look glum? Is something wrong?"

"Is it because I broke up with Yi Meimei?"

Li Xingchen coldly glanced at Wang Xinran, "I can't see that kind of goods!"

Don't think that he doesn't know. She fawns on him while hanging on strongman. He doesn't care about such a woman at all. The reason why she fights with strongman is purely because she wants to fight.

Wang Xinran and Qi Jinyu look at each other.

"Boss, what's the matter with you? You have been like this for several days. If you have something to say, I will help you to solve it!"

"Alas Li Xingchen sighed heavily and frowned, "you said that summer leaf..."

"Summer leaves?"

Wang Xinran and Qi Jinyu looked at each other in shock and said with one voice: "boss, you are so upset because you like summer leaves?"

"....." Li Xingchen coldly glanced at the two second goods. He didn't know whether he was ashamed or angry. His ear tip was a little hot. "Which eye of yours can see that I have a crush on her?"

"....."

Wang Xinran felt his neck awkwardly, "the boss What happened to Xia ye?"

Mention summer leaf this name, Li Xing Chen matchless fire big.

He waved to them and said mysteriously, "can you help me find a way to drive that bumpkin out of my house?"

Qi Jinyu lifted the bangs in front of her forehead and said with a proud face: "it's not easy. Just drive her out of the house. It's your house, not her house. Does she want to stay in your house all her life?"

Li Xingchen slapped on Qi Jinyu's head, "if you can drive her out, you need to talk about it."

Mummy and that fool's sister are protecting her, and it's not sure who will drive her out in the end.

Wang Xinran echoed, "boss, what's the difficulty? It's still the same as before. If you dare to fight against us, you can beat each other until they are convinced."

Li Xingchen despised the ground white Wang Xinran one eye, "young master, I never beat a woman!"

Wang Xinran and Qi Jinyu face flashed a bit of embarrassment, "this can't, that can't, boss, then how do you do?"

Li Xingchen curled her lips and looked depressed. "I don't understand. What's good about her? Isn't it that her academic performance is better? As for looking down on people

"What? How dare she look down on you

"....." Li Xingchen stares at Wang Xinran, "make a fuss!"

When Wang Xinran and Qi Jinyu saw Li Xingchen's weakness for the first time, they couldn't help laughing, "ha ha ha ha ~"

both of them trembled with laughter and turned back.

In his lifetime, I can see that Li Er is planted in the hands of a woman. What's the matter?

Li Xing Chen dangerously narrowed his eyes and said coolly, "are you two itchy? Do you want to try the taste of being beaten?"

"No, no, no! Boss, it's not so troublesome to deal with women! "

“Hum!” Really, since she is so arrogant, let her like you. I heard that once a woman falls in love with a man, she will concentrate all her heart on him. At that time, she won’t listen to you all.”

“.....” Li Xingchen thought of Xia Ye wearing glasses and bangs blocking all her face. She couldn’t help shivering, “did you let me sacrifice my hue?”

Just as she looked like a bumpkin, he got goose bumps when he thought about it.

He’s so boring that he’ll ask for ideas from these two bastards.

“Gone!”

Li Xingchen really got up from the steps, patted his ass and left.

Behind him, Wang Xinran pushed Qi Jinyu’s shoulder, “goldfish, do you think the boss likes Xiaye?”

Qi Jinyu retorted: “how can it be? Don’t you see that the boss’s girlfriends are all school flower? Don’t make a joke about Xiaye’s appearance as a bumpkin

“No The boss is so calm. Why can’t he do anything for Xia ye? ”

Wang Xinran still believes in his intuition.

Otherwise, there are many ways to deal with Xia Ye.

“Goldfish, let’s make a bet. The boss must like Xiaye!”

“Cut, bet what?”

“Losers wash socks and underwear for a semester.”

“Wow, Wang Xinran, you have a strong taste!”

“Hey, hey, how dare you gamble?”

“Bet on bet, who’s afraid of who!”

If Li Xingchen knows that they are making a bet behind their back, they have to be cut off.

He came home listlessly and found that there was no one at home.

“What about Wang ma?”

Wang Ma came out of the kitchen and replied respectfully, “second young master, my wife has taken Miss San and Miss Xia ye out for shopping. I think she will be back soon.”

“Shopping?”

Li Xingchen tightened his eyebrows.

It seems that this guy is really going to take root in his family!

Hum!

Sure enough, as soon as the voice fell, the sound of the car engine rang out at the door.

Wang’s mother said happily, “it should be my wife who has come back. I’ll go out to meet them.”

At the door, Li Anxin’s chirping voice came, and Li Xingchen turned around.

Li Anxin took a girl by the arm and walked into the room.

The girl is wearing a pink princess skirt, thin body, slender waist, not looking at Yingying a grip, but the place is not small, perfect S-shaped curve.

Wow, beauty!

His eyes went up, fell on the face of the place, and immediately frowned in disgust.

“Who do you think! So it’s this bumpkin!”

Don’t mention, change clothes temperament immediately up, of course, wearing that pair of old-fashioned glasses, or can’t change the fact that she is a bumpkin.

CEO Daddy Is Too Passionate - Chapter 1426

Xia Ye looked up and saw Li Xingchen looking at him. The smile on her face became stiff and she nuzui toward him.

Li Xingchen turned his eyes

Cut, as if he loves to see her!

Wen Qiao pushed Xia ye in front of Li Xingchen and asked with a smile, “son, does Xia Ye look good in this way?”

“That’s it.”

Li Xingchen replied haughtily.

Xia Ye was forced to go shopping by Wenqiao and Li Anxin today. Wenqiao bought her a lot of good-looking clothes. She thinks that girls should wear beautiful clothes.

Wen Yan is not happy, "Li Xingchen, what is your vision? Xia Ye is very beautiful. She is the most beautiful girl I have ever seen

Li Xingchen eyebrows up and down a pick, a face strange looking at his mother.

Mommy, are you telling a joke?

This bumpkin is a beauty!

"Mommy, what did she give you? It turns black and white upside down

Wenqiao hastily explained: "it's really beautiful..."

Oh, my son is so stupid! I don't even believe my mother's words!

Xia Ye quickly interrupted: "Auntie! If you praise me like this again, I will doubt that you are not praising me, but damaging me."

Wenjo had to swallow what he said.

Li Xingchen drew back his eyes and said to Wen Qiao, "Mommy, I'll go upstairs first."

Wen Qiao looked at Li Xingchen's back. He shook his head helplessly and comforted: "Xia ye, don't pay attention to him. His character is like this."

Xia Ye smiles, "it's OK."

She really did not put Li Xingchen in the eye, usually in school Li Xingchen can not bully her, so he to her in the end what attitude she did not care.

Wenqiao smiles, but his heart is full of helplessness.

If her son was half as obedient as the other girls, she would not be so worried.

Wenqiao said with emotion: "if this boy can be half as good as you, I will be able to wake up with a smile when I go to bed. By the way, Xia ye, can aunt ask you one thing?"

"Aunt, it's serious to ask, you say."

Aunt to her so good, in aunt body, she can feel long lost maternal love.

Wen Qiao sighed: "Xiao Bao is like this now. I really don't know what to do with him! Can you help your aunt and take care of him?"

"This..."

Xia Ye was embarrassed and said, "but I don't care about him."

She has no ability to control Li Xingchen, such a big devil.

Wen Qiao took her hand and clapped her hands on the back with admiration. "You are a good child with excellent character and learning. Li Xingchen is lawless at school. I hope you can enlighten him a lot."

Xia Ye doesn't feel that she has the ability to enlighten Li Xingchen, but since Wenqiao has opened this mouth, she can't refuse.

"Auntie, I see."

“Then I’ll give him to you!”

“.....”

Summer leaf canthus take out two, this words listen so let a person misunderstand?

Xia Ye chats with Wen Qiao a few words and then returns to the guest bedroom on the second floor.

When I passed Li Xingchen’s room, I couldn’t help stopping and frowning.

Li Xingchen’s cry of playing games came from the room, “tell you to throw a grenade. Now it’s OK. Blow yourself to death. Goldfish, you’re a pig!”

Xia ye can’t help rolling a white eye, “idiot!”

But as soon as the words were finished, the door of the room was opened from inside.

Li Xingchen was stunned for a moment, and then he raised his lips and whistled: “what are you doing at my door? Still looking at me with such a pair of obsessed eyes, do you have a crush on me? ”

Like him?

“Cut!”

Xia Ye looked at him scornfully, ignored him and walked to the guest room.

Li Xingchen’s face turned black immediately. “Hey, you make it clear. What’s your expression just now?”

But Xia Ye didn't care to talk to him at all. She closed the door and turned away Li Xingchen's voice.

"Summer leaves!"

Li Xingchen was so angry that he gritted his teeth and felt a strong sense of frustration in his heart.

When did he get such a cold shoulder?

When a woman sees him, she doesn't rush over like a butterfly, but this girl is different.

He doesn't believe it!

Just now she was standing at the door of his room Is

What do you think of? Li Xingchen's eyes brighten. "Is she secretly in love with me, playing hard to get?"

Yes, it must be.

If you think about it this way, it's reasonable. Otherwise, it's not scientific.

But Mommy and Li'an are obviously facing her. If his relationship with her goes on like this, let alone the cost of living, he will have a lower status at home.No, no, No. He has to change the situation like a way.

Xia Ye doesn't know what's wrong with Li Xingchen. She even begins to greet her with a smile. It's just that she doesn't mean well.

But, think of Wen Qiao to tell her those words, she absolutely don't with Li Xing Chen tear the skin, at least two people maintain on the surface of politeness and peace.

"Xia ye, what about your math homework? Give me a lesson! "

Li Xingchen pokes Xia Ye's back with his pen.

Summer leaves turned around, a face speechless tunnel: "copy homework copy homework, what reference, said so delicious."

"You..."

Li Xingchen took a deep breath and tried to keep calm. He said with a smile, "aren't you a member of the learning committee? Is it not your responsibility to help you finish your homework and improve your academic performance?"

"You

In the face of someone with a thick face, Xia Ye is speechless.

thinking of Wenqiao's advice to her, she forbore her temper and said, "which question won't? I'll teach you!"

Li Xingchen eyebrow twist, "teach don't need, give homework on the line."

Xia Ye hesitated for a moment, and finally handed the exercise book to Li Xingchen, "it's said that good reference is not allowed to copy."

"Long winded!"

Li Xingchen stretched out her long hand and snatched the exercise book directly from her.

Xia Ye shakes his head disappointedly. This guy can't support the wall with mud. It's impossible for him to study hard.

Time passed quickly, slanting to the west, and it was five o'clock in the afternoon.

Xia Ye lives in Li Xingchen's home during this time. Wen Qiao specially orders the driver to take Xia Ye home together.

Xia Ye was worried about being seen by her classmates and said that she fawned on Li Xingchen, but now her legs are not completely good, and she has no strength to resist because she is twisted by Li Xingchen.

"Li Xingchen, slow down!"

Around a lot of people around, it is school bully and school bully stand together, this scenery is too disobedient.

"Why does Xia ye have such a good relationship with Li Er Shao?"

"It's said that she lives in Li Er Shao's house now. She's hurt her foot. I'll take the opportunity to get on Li Er Shao!"

"This woman is so shameless that she doesn't know how to look at herself in a mirror when she looks like this."

The words of the wind are constantly introduced into the ear, and the face of the summer leaves becomes a little cold.

Li Xingchen stopped, cold eyes one by one swept the whispering crowd, "who is chewing the tongue behind!"

"Ah! He's looking. Go, go! Watch out for him to hit you

As soon as their faces changed, they scattered.

Li Xingchen takes back his sight and glances at the summer leaves. He doesn't know whether it's consolation or how. He says something casually.

"Don't listen to them."

CEO Daddy Is Too Passionate - Chapter 1427

Xia Ye accidentally picks her eyebrows.

Is Li Xingchen comforting her?

No, how could it be? This guy has such a bad temper. How could he want to comfort her.

On the way to the car, Li Xingchen used to play games with his mobile phone, but suddenly the phone rang.

"Boss, where are you now? Qiangzi is bringing people to pick things up again!"

"How dare you come?" Li Xingchen sneered coldly and moved his wrist. "Last time I begged for mercy like my grandson, I forgot so soon. It seems that I have to teach him a good lesson this time."

My younger brother exclaimed, "old Boss, they brought guys, twice as many as last time..."

"I'm afraid of a ball! Call up the brothers who can, and wait for me."

"Well, we'll wait for you. Come quickly!"

Hung up the phone, Li Xingchen knocked down the front driver's seat, "Lao Li, put me down, you take her home."

Li, the driver, knew that he was going to fight. He looked embarrassed. "Second young master, if your wife knows that you are going to fight again, she will be sad. Let's go home."

Li Xingchen annoyed: "my brothers are waiting for me. Do you want me to be a joke?"

Lao Li choked, knowing that the young master was in his prime, he couldn't even persuade him.

"All right, stop! It's not the first time I've had a fight. Don't worry, my mom won't blame you."

With that, Li Xingchen reached out to open the door.

Seeing this, Lao Li stepped on the brake and pulled over to the side of the road.

Xia Ye pursed her lips and did not speak, but her fingers on her knees clenched.

My aunt asked her to take care of him. Do you want to take care of him?

Will you listen to me?

In her hesitation time, Li Xingchen has opened the door, jumped from the car.

Seeing that Li Xingchen was about to leave, Xia ye had no time to think and summoned up the courage to shout: "Li Xingchen!"

"What's the matter?"

Li Xingchen stops and looks at her impatiently.

The black windbreaker is casually put on his shoulder, and the simple white shirt is put on him, which has the charm of reversing all living beings.

Xia Ye tightened her fingers and whispered, "but Can we not go?"

Li Xingchen was stunned, and then he seemed to hear some funny joke and burst out laughing, "Xia ye, are you telling a joke? Why do you care about me! Who are you to me?"

"....."

Xia Ye's face is red, like a shrimp that has been cooked.

She is not his who, really did not care about his right, however, aunt to her so good, she does not want to let aunt down.

"When When I didn't say..."

Li Xingchen twisted his eyebrows into a Sichuan character and told Lao Li: "send her home!"

Lao Li just shook his head. Obviously, he was not surprised by this situation. He asked Xia Ye behind him, "Miss Xia ye, I'll take you back. The second young master is like this. No one can take care of him."

Xia Ye looks out of the window. Li Xingchen has got on a yellow sports car and is driving in another direction of the intersection.

Xia Ye was very tangled in her heart, and the hem of her school uniform was pinched by her fingers.

The car restarts and goes ahead.

Looking at the backward scenery outside the window, Xia Ye's heart is about to jump to her throat, and her heart is becoming more and more uneasy.

Aunt to her so good, she can not be afraid of trouble, regardless of Li Xingchen.

No, she's going back to him.

After thinking about it, Xia Ye breathed a sigh of relief and said to Lao Li, "Lao Li, could you please send me to Xicheng lane?"

"You want to go to the second young master?"

Lao Li asked suspiciously.

"Well!" Xia Ye nodded, thought about it and said, "Lao Li, please don't tell your aunt about it in advance."

Lao Li was a little uncertain and said, "are you sure you want to go to the second young master? He will be angry

"I know..."

"Forget it, I'll take you there."

Lao Li finally turned the car around.

At this time, Xicheng alley, is in full swing dry frame.

Xia ye came down from the car and looked at Li Xingchen. He was really one against three. His heart was about to jump out of his voice.

This guy is really not afraid of death. There are many people on the other side. Do you want to die?

Li Xingchen turns over the last gangster, steps on the other side's face, and says with pride: "dare to challenge me, I'll let you lose today!"

As soon as the voice dropped, a scream came from behind.

"Li Xingchen, watch your back!"

Smell speech, Li Xing Chen Leng for a while, quickly turn round to see behind.

Before I could react, I saw a small figure flying towards him. The little gangster who used to attack Li Xingchen behind with a stick knocked on Xia Ye's back.

"Er ~ ~"

a sharp pain came, and Xia Ye's body fell down with a groan.

Li Xingchen raises a foot, a foot will face of small hun kick open.

Eyes a Lin, a hug Xia Ye's waist, will she buckle in front of his body, looking down at her.

"Summer..."

Li Xingchen's whole body was fixed, and his eyes were staring at the girl close at hand.

In front of my eyes, except for Xia Ye's beautiful face, I couldn't see or hear anything. It was like being hit by a acupoint.

At this time, the black glasses on Xia Ye's face fell to the ground, and her long hair, like a waterfall, spread gently over her shoulder. The heavy bangs in front of her forehead spread around her white cheek, revealing a delicate and charming face.

“Fairy.”

After the short circuit of the head, Li Xingchen can't help popping out a word in his mouth.

He always thought that the woman who covered her face with glasses and bangs was so beautiful and amazing.

It's just like immortals coming down to earth, and there's no flaw in it.

Looking at Li Xingchen's stupefied appearance, Xia Ye returns to mind.

Regardless of the back pain, he pushed away Li Xingchen, picked up the glasses on the ground, put them on again, and then pulled the bangs in front of him to block his face.

As if only in this way, her heart can have a sense of security.

Li Xingchen looks at her action, in the heart is full of a lot of doubts, but obviously now is not the time to ask questions, wait to solve the little gangster again.

He pulled the summer leaves behind him, “hide behind me, don't move!”

Finish saying, one foot kicks to turn over a small thug, looking at summer leaf a burst of fear.

To put it bluntly, she had never experienced such a thing before. Just now, she rushed out to block Li Xingchen because she didn't want to see her aunt sad.

Just at this time, the sound of a police car whistle suddenly sounded at the entrance of the lane.

As soon as their faces changed, they immediately stopped fighting and fled around.

“Li Xingchen, the police are here.” Summer leaves flustered tunnel.

“Run, what are you doing?”

Li Xingchen pulls Xia ye and runs away.

CEO Daddy Is Too Passionate - Chapter 1428

But without taking two steps, he was surrounded by the police.

“Don’t move, don’t run! Hands up

Li Xingchen silently pinches her eyebrows, and finally releases Xia Ye’s hand and raises it.

Dozens of people were taken to the police station.

Xia Ye sits next to Li Xingchen and looks at the wound on the back of Li Xingchen’s hand bleeding down. She hesitates for a moment, zips open her schoolbag and takes out a pink band aid from inside.

“What for?”

Li Xingchen takes back his hand reflexively and stares at her with a pair of cold eyes.

Xia Ye’s band aid sticks out in the air, and the atmosphere becomes awkward.

Summer leaf reaction come over, quickly take back.

Can just move, was grabbed by Li Xingchen wrist, a pair of cold eyes in her flustered small face walk.

“You want to take care of my wound?”

“.....”

Xia Ye’s white cheek turned red. For the first time, she was so close to a man that she was at a loss.

She regretted that she should not have let Lao Li send her back just now. She should have gone home earlier.

White teeth bite the ruddy lip, summer leaves simply do not do two endlessly, break away from Li Xingchen’s palm, the wound stick directly on the back of his hand.

“Yes.”

She is over 1.6 meters tall. Li Xingchen is nearly 1.8 meters tall. As soon as he lowers his head, he can see her hairy head.

Li Xingchen looked at the pink band aid on the back of his hand, and then at Xia Ye’s Scarlet side face. He couldn’t help raising his lips.

I didn’t find out before. This girl is very cute.

Think of just now she rushed to stop in front of him, handsome face across a trace of guilt.

“Are you ok?”

She knew he was talking about the stick on the back.

Xia Ye bowed her head and answered softly, “it’s OK.”

Maybe the gangster saw her jump over and relaxed her strength.

Smell speech, Li Xing Chen not at ease to exhort a way: "wait a moment to take you to the hospital to have a look."

"No

What she hates most is hospitals.

She can't remember a lot of things when she was a child, but the scene that her parents died in the hospital is deeply engraved in her mind, even after so many years, it has been lingering.

Li Xingchen saw that she was stubborn and said nothing more.

The police who record the confession are very familiar with Li Xingchen. They are frequent customers of the police station.

Only Xia Ye has a fresh face, or a girl who looks good and clever.

"Summer leaves!" The policeman looked at the information in his hand and suddenly called out.

Xia Ye immediately stood up, a pair of watery eyes looking down at the toes, dare not look at the police.
"I am."

She this appearance, let originally want to open mouth to scold her a few police don't know how to open mouth for a moment, "they force you to follow them?"

"?"

Xia Ye pushed the big glasses on the bridge of his nose, looked up at the police, shook his head, "no, I followed him."

The policeman said earnestly: "just now I talked to your school on the phone. Your teacher said that you are a good student with excellent grades and a bright future. Why do you want to follow these rotten people?"

Rotten people?

Li Xingchen's face sank and retorted unconvinced: "officer, this is a personal attack!"

"What? Isn't it rotten to be caught fighting every day at the police station? "

"You..."

Li Xingchen jumped up in anger.

Don't you fight back after being bullied?

The little gangsters in that society often bully the students in the school. If they don't stand up, they will only make them more unscrupulous.

Seeing Li Xingchen quarrel with the police officer, Xia Ye quickly holds Li Xingchen's arm.

"Well, stop fighting. It's wrong to fight."

"Don't hold me! How can you turn your elbow out, you girl

Li Xingchen shouts Xia ye with a cold face.

Xia Ye's face is even more embarrassed. When did she become his person?

“Don’t talk nonsense! We have nothing to do with each other! ”

Li Xingchen choked

What did he say just now? Is he wrong?

After receiving an education, Bei Qin came with his lawyer in a hurry.

“Second young master, why are you The president is very angry. You’d better think about what to say when you go back! ”

Last month, when I entered the police station, I was beaten by the president. How long has it been? I started fighting again.

Referring to his dignified father, Li Xingchen finally has a trace of fear in his heart.

As soon as I entered the house, an ashtray was smashed.

Li Xingchen’s eyes are one Lin, pulling the summer leaf to the side to hide, annoyed tunnel: “Daddy, how do you casually hit people?” Even if you hit him, if you hit Xia ye, her small body, I don’t know if she can get that.

Li Fengbei sat on the sofa, his face was as black as the bottom of a pot. He slapped heavily on the tea table and was furious.

“How dare you talk back! Look, I won’t kill you today! ”

Wen Qiao sat beside Li Fengbei, looking worried.

Although my son is too ridiculous and really needs a good lesson, I’m worried when I think that he was almost knocked out last month.

It's no joke that Li Fengbei starts beating people up.

From this point of view, Li Xingchen's fierce fighting power is really inherited from him.

Wen Qiao pulled Li Fengbei and comforted him: "husband, don't be angry. Let me handle this matter, OK?"

Li Fengbei originally wanted to say something, but when the words came to his mouth, he was reluctant to yell at his wife and shut up.

Wen Qiao made a wink at Li Xingchen and said in a cold voice, "take Xia Ye upstairs first and deal with the injury on your body."

Li Xingchen pursed her lips and walked upstairs.

Seeing this, Li Feng complained unbearably, "it's all your fault for being used to him! What is he doing day by day?"

Wenqiao pushed his hand away, and the amorous water eyes glared at him.

"He's my son. You don't care, I do."

"....." Li Feng North a choke, looking a little aggrieved, "how do you roar me?"

"If I don't yell, who are you yelling at? Usually you don't have time to educate him. If you make a mistake, you either beat or scold him. Have you considered the feelings of your child?"

His wife was really angry this time. Li Fengbei immediately put away his face and put his arms around her to please her.

“It’s my fault. Don’t be angry with my wife. It’s my responsibility not to be a good father. In the future, I will try my best to correct it and care more about my children.”

Wenjo nodded, and immediately burst into tears and a smile, “that’s what you said! Be patient with your children

If beating and scolding were useful, Xiaobao would not be so rebellious as now, so he had to take his time.

She looked towards the second floor with a twinkle in her eyes.

Just now she noticed that Xiaobao didn’t forget to pull Xia ye when she went upstairs.

Xia Ye is a child with excellent character and learning. She was caught in the police station with Xiao Bao this evening. It’s absolutely fishy.

On the second floor, Li Xingchen finds a bottle of medicine in the room and takes it to the next room.

CEO Daddy Is Too Passionate - Chapter 1429

Xia Ye just took a bath and came out of the bathroom. Her hair was still dripping.

Hearing the sound of opening the door, he looked at the door. Then he turned his head and walked to the desk in a hurry. He picked up the big black glasses and put them on his face.

“What are you doing here?”

Li Xingchen sees her a series of actions in the eye, and wring her eyebrows suspiciously.

Why did she deliberately cover up her appearance?

Does anyone like to look ugly?

Xia Ye didn't hear his answer and turned to glance at him.

Li Xingchen looked back and put the medicine bottle in her hand in front of her, "on your back You really don't need to go to the hospital to have a look? "

"No need."

Xia Ye's answer was very simple, and she almost refused without thinking about it.

Li Xingchen pursed her lips, and a trace of anger flashed across her face.

"You are a woman, why do you always treat others with such a tough attitude?"

Which woman is not jiaodidi, as long as she is a Jiao, a man can do anything for her. Why should she be like a man, always rejecting other people's kindness, and always holding a high position.

Smell speech, summer leaf delicate eyebrow twisted once, light voice way: "this is my business."

"You

Li Xingchen choked by her words and said helplessly: "OK, it's your business. I don't mind my own business. I hope you don't mind your own business in the future. Don't rush out again under the situation like today! I am a man, want a woman to block in front of me, my face doesn't need

I almost bit my tongue.

That's not what he meant at all

Xia Ye picked the next eyebrow, slightly self mocking smile, “I block in front of you, just don’t want to let aunt worry about you, have nothing to do with you.”

“.....”

Li Xingchen’s handsome face flashed a trace of anger, “OK, I know, you don’t care about my affairs in the future.”

With that, Li Xingchen slams out the door.

With a bang, Xia Ye’s ears were shocked.

She rolled her eyes speechless. “It’s really a young man’s temper.”

It’s terrible.

She looked down at the white medicine bottle on the bedside table with a twinkle in her eyes.

Back in his bedroom, Li Xingchen kicked the edge of the bed.

“Pull what! I care about you. It’s your blessing! But is the academic performance a little better? As for the arrogance

“No, no! You have to poke this guy like a way! ”

Li Xingchen seemed to be very angry. He put his hands on his waist and walked around the room angrily.

.....

Early the next morning.

For the first time, Li Xingchen went downstairs early for breakfast, walked into the dining room and grinned at Xia ye who was sitting beside Li Anxin, showing a brilliant smile.

Good morning, Xiaye

Er

Everyone a pair of ghost's facial expression, look at Li Xingchen together.

Is this man taking the wrong medicine? A 180 degree change in attitude.

In the face of everyone's questioning eyes, Li Xingchen said: "how can you all look at me with such eyes? Am I wrong? "

Li Anxin looked up and down at Li Xingchen with strange eyes, "second brother, what's your idea? You tell me, if you dare to think of sister Xia ye, I won't recognize you as the second elder brother. "

"Little boy! Is your second brother such a man? "

Li Xingchen pretends to be dissatisfied and knocks a note on Li Anxin's head.

"Ah! Li Xingchen, you hit me

Li An Xin gets up to fight Li Xingchen, but is pulled by Wen Qiao.

"Well, don't make a fuss. When you are so big, you are not afraid of being laughed at. Eat quickly and go to school."

Wenqiao looked at the stars and the summer leaves, and his eyes were filled with joy.

It seems that she's right, son. It's changing for the better.

.....

"Students, in view of the results of this monthly exam, I think we should make an adjustment. The teacher announced a decision here."

With a serious face, Li Jing helped the mirror frame, glanced at the students one by one, and then said, "this semester, we will help each other. An excellent student leads a poor student, and we will take the principle of mutual willingness."

As soon as the teacher's voice fell, Wang Xinran raised his hand happily, "teacher, I want to choose a group of Xiaye."

As soon as I finished, I felt a chill on my back.

He turned his head to look at the table beside him, and looked at Li Xingchen's eyes.

Wang Xinran trembled with fright and said with a smile, "boss, what's the matter?"

Li Xingchen hands ring chest, back on the chair, sexy thin lips cool open mouth, "summer leaf classmate with me a group, who dares to grab with me, I with who urgent!" Li Xingchen's words, the whole class are boiling.

"Li Shao even took the initiative to ask for a group with Xia ye?"

"They don't deal with it all the time? When did the relationship become so good? "

"Hey, you don't know. They both go in and out at the same time. Xia Ye has gone to Li Shao's house."

Male students tone with ridicule.

After all, Xia Ye dressed so old-fashioned, and usually do not want to talk, business, we do not like such girls.

Compared with boys, girls' tone becomes sour.

"People don't want to be shameless, the world is invincible. It's true. I don't want to see what I look like, but I have to seduce Li Shao!"

Xia Ye listens to Li Xingchen's words and opens her eyes incredulously. She turns around and looks at him.

"You're going to join me? Are you sure? "

Doesn't this person always dislike her? What the hell are you doing.

Li Xingchen evil four ground raised Yang lips Cape, peep out a bewitching person not worth life smile.

"Isn't it moving?"

"Move your head!" Xia Ye raised her hand, "teacher, I don't agree. I don't want to be in the same group with Li Xingchen."

The head teacher was in a dilemma, "this..."

Li Xingchen is the most troublesome student in the class. It's best to solve his problem, but Xia Ye is the top student in the class and the hope of the whole school, and the head teacher can't ignore it.

Li Xingchen also raised his hand, magnetic voice line lazily opened a mouth, "teacher, I'm going to a group with Xia ye, you see to do it!"

“.....”

Dare to threaten the head teacher, in addition to Li Xingchen can not find a second.

The head teacher is really worried about his disorderly behavior. After all, he is famous for his fierce behavior. Besides Xia ye, it is estimated that no one dares to join his group.

“Classmate Xia ye and classmate Li Xingchen have taken the initiative to form a group with you, which means that he really wants to study hard. The teacher in charge of the class will make his own decision. Once you form a group with him, it’s settled.”

Summer leaf clenches teeth, stare Li star one eye, unwillingly promise a way: “yes.”

Li Xingchen selects the tip of his brow with pride. He dares to fight with you, so you don’t know how to die.

The teacher also announced: “we choose our own help object, and then change the position, a group of students do the same table.”

The classroom was boiling at once.

After choosing the person to help each other, we began to move the table.

Li Xingchen kicked Wang Xinran’s ass, “help me move the table.”

Wang Xinran was so angry that he was very unconvinced and couldn’t get rid of him. “Boss, why do you want to do this?”

He is really like summer leaf classmate, the eldest brother is really more and more not lovely, unexpectedly live split him and goddess.

Compared with those men who like appearance, although Wang Xinran is a scum, he is full of yearning for Xueba in his heart.

Li Xingchen very backward to Wang Xinran a smile, "I just want to with her a group, there is no other reason."

" ! "

I'm angry, but he can't beat the boss.

Wang Xinran was sulky and helped Li Xingchen to move the table and chair to the front to make a table with Xia Ye.

When setting up the tables and chairs, I don't forget to grin at Xiaye and say, "Xiaye, the boss actually looks fierce. In fact, he is good. Don't be afraid Ah! Boss, why did you hit me on the head again? You've messed up my hair

Li Xingchen stares at him coolly, "you talk too much nonsense, you can go away."

Wang Xinran nodded wrongly, left silently and went to tidy his desk.

Li Xingchen sat down on the chair and glanced at the summer leaves beside him, "Hey, how do you like this expression? It's your pleasure to be your deskmate. You should feel happy."

Xia ye turned her eyes silently and put the pencil box in the middle of the table.

"I don't need your honor. Don't disturb my study. My body can't cross this line."

Line 38?

Ha ha!

Li Xingchen picks eyebrows and shows a funny expression.

“It’s like I’m going to take advantage of you. It’s said that if I cross this line first, I’ll wash the socks for one month.”

Wash socks?

Summer leaves two slender willow eyebrows pick up and down, speechless glance at him, “boring, I don’t need you to wash my socks.”

She would never take the initiative to provoke him, so he washed the socks for her, and she unwanted.

“Why don’t you dare?”

Li Xingchen is holding a handsome face with one hand, with an evil smile on his face.

If you want more of that, you’ll have more of a flat front.

Xia Ye really wants to slap and wave it. He excites her and says impulsively, “what dare I do? I’ll never cross this line. Don’t go back on it then.”

“I’ve never had regret in my life dictionary

“That’s good!”

Xia Ye finished and got up to clean the blackboard on the platform.

Li Xingchen looked at Xia Ye's rebellious back and narrowed his eyes slightly.

Wang Xinran leaned out half his head from behind, "boss, do you really want to wash her socks for a month?"

Li Xing Chen coldly glanced at him, "what's in your head? Do you think I can wash her socks?"

"I think it's possible Xia Ye doesn't like you at all. How can she cross the 38th line ahead of time?"

Don't like him?

Li Xingchen is inexplicably angry and knocks on Wang Xinran's head, "how can you see that she doesn't like me? I'm so handsome, which woman won't bow down at the foot of my suit pants. "

Wang Xinran screamed with exaggeration: "ouch, boss, you hit lightly!"

Li Xingchen looks at Xia Ye's thin figure and shows a meaningful smile.

Little wildcat, right?

Just like you are a little tiger, I can make you obedient.

After cleaning the blackboard, Xia Ye turns around to smile on the sky, her heart beats suddenly.

This guy is definitely having some bad ideas.

Xia Ye goes back to his position and sits down. However, the stool is suddenly hooked by Li Xingchen.

“Ah

As soon as Xia Ye’s face changed, she rushed to Li Xingchen uncontrollably and directly fell in his arms. Her two little claws were holding him tightly

Xia Ye Hou opens her eyes fearfully and looks at her holding the two salty pig claws on the man’s chest. Her little face turns red instantly and quickly takes back her hand.

“Li Xingchen, what are you doing kicking my stool?”

She asked angrily.

“.....”

Li Xingchen looks at the appearance that the summer leaves breath, double eyes stare straight, the whole person is stunned.

For the first time, I realized the real meaning of the word “fragrant soft jade”.

Fragrant, soft, the original woman’s body and man so big difference.

Li Xingchen’s ear tip was a little hot, and even his heart beat out of control. It’s a strange feeling.

He didn’t like the feeling of being out of control.

Li Xingchen put away his wishful thinking, raised his lips and said with a smile: “what are you staring at me for? Even if you stare out your eyes, you should wash my socks obediently

“You

Xia Ye's face turned green with anger.

This guy's prank is to make her cross the line?

That's too much!

Can't help but clench a fist, angrily roar a way: "Li Xing Chen, you don't too much, clear is you play to depend on."

Li Xingchen lazily stretched a stretch, a face danger languid way: "you said not to play on it?"

"You..."

Xia Ye's chest is constantly undulating, and is about to be angry to death by Li Xingchen's shameless face.

However, the other side stood up and whistled happily.

"Xueba, remember to wash my socks when you go home!"

"....."

Under Xia Ye's angry eyes, Li Xingchen leaves the classroom with a smile.

.....

In the evening, Xia Ye tutors Li Anxin in the Mathematical Olympiad and goes back to the guest room to do her homework. Suddenly, the door is opened and the next pair of smelly socks flies towards her.

"Hey, Xueba, today's socks are here. Please wash them for me."

“Ah

Xia Ye’s face turned white and she screamed to avoid.

Almost hit on her head, Xia Ye was so angry that she bit her silver teeth and threw the textbook to the door, “Li Xingchen, you bastard!”

Li Xingchen made a face and quickly closed the door.

“Clean up, Xueba!”

“Li Xingchen!” Xia Ye is so angry that she pinches her nose.

How dirty are these socks? Why do they stink?

“Ouch ~ ~”

Xia Ye picked up her socks and almost vomited.

I wanted to throw my socks into the garbage can, but after thinking about it, I finally went to the bathroom.

If you don’t wash his socks, there won’t be any trouble.

Forget it. It’s bad luck for her to have such a person on the stall.

.....

The next day.

“Li Xingchen, you stand up for me!”

The head teacher pats a stack of exercise books on the platform and stares at him fiercely.
