## CEO Daddy Is Too Passionate - Chapter 1441

After Xia Ye ran out of the classroom, she wanted to go to the head teacher to discuss whether she could change her position.

I didn't expect to meet an Chenxi in the corridor.

An Chenxi is wearing a white suit. Her black hair is all behind her head, revealing her bright and full forehead, and her warm facial features.

Black eyes with a touch of sadness, people can't help but want to protect.

Xia Ye was a little distracted. An Chenxi was standing at the entrance of the stairs, discussing something with a teacher. He felt Xia Ye's eyes and turned to her with a faint smile.

Xia Ye's face turned red in an instant.

Miss an looks so good when she smiles.

It has nothing to do with whether you like it or not. It's just an appreciation of good-looking people.

An Chenxi said something to the teacher. The teacher took a look at Xia ye and left.

An Chenxi walked toward Xia ye and said in a gentle voice, "I heard you had a fight with your classmates just now?"

Xia Ye shakes her head, "no!"

She almost bit her tongue. She was good at lying.

Seeing this, an Chenxi laughed happily. "It's normal to quarrel with classmates. Don't think it will make you lose face. For those students who deliberately find fault, the more you shrink back, the more arrogant they are."

Smell speech, summer leaf clenched teeth.

She knows this truth. Tolerance to these people is connivance, which will only make them worse.

But She doesn't want the teacher to solve this problem, and she doesn't want to target Li Xingchen again.

Xia ye said with a serious face: "thank you, Mr. an. I will deal with it well, but I don't think everything needs to be solved by the teacher. The teacher is usually busy enough to solve the contradiction with his classmates, which is also one aspect that we should learn."

An Chen West hears speech, but unexpectedly picked next eyebrow heart, "thought you would take the opportunity to let me ask for help."

Xia Ye chuckled, "in fact, I want to, but I don't want to trouble teacher an."

An Chenxi's eyes darkened.

She clearly looks very ordinary, heavy bangs, wearing big black frame glasses, her school uniform has been washed white, but her smile is inexplicably good-looking.

An Chenxi shakes her mind, remembering the scene of meeting her at the school gate for the first time.

She was the same at that time. Three years later, she was still the same. The only difference was that she didn't wear these glasses at that time. Her delicate and pure face was purer than the lily with dew in the morning.

Girls love beauty, but she deliberately disguises herself as ugly. She is really a special girl.

Xia ye saw an Chenxi looking at herself, and she felt her face in embarrassment, “teacher an, is there anything on my face?”

An Chenxi stretched out her hand and patted her hairy head. “It’s OK. Go to your head teacher quickly.”

With that, an Chenxi went to the other end of the corridor.

Xia Ye is stunned. Why is teacher an’s look so gentle just now? Her heart is about to melt.

“Miss an, please Goodbye

However, before her words were finished, an Chenxi turned her head and looked at her with a smile, “Xia ye, are you interested in joining the debate team of the school?”

“Why?”

The topic jumps too fast, and Xia Ye doesn’t respond for a moment.

An Chenxi thought she was worried about her study and explained, “don’t worry. It’s just to cultivate interests after class. It won’t delay her study.”

Xia Ye has heard about it for a long time. The school is blocking the debate team, and teacher an is in charge of leading the team. It is said that in another month, she will compete with other schools.

Seeing her hesitation, an Chenxi didn’t force her any more.

“Think about it first. You don’t need to answer me now. If you want to join me, come to my office! Do you know where my office is?”

Xia Ye hesitated and said, “I know.”

“Well I’ll wait for your good news. Goodbye

“Goodbye!”

.....

Xia Ye goes to find Li Jing and asks for a change of position.

Li Jing heard about Li Xingchen’s quarrel with her. Li Xingchen’s progress during this period is amazing and makes her the head teacher proud.

In addition, the first and second place of the whole school are in their class. Li Jing suddenly feels that the task on her shoulders is a bit heavier. In this case, she is determined not to let these two children affect her study.

She thought for a moment and said, “would you like to ask which student is willing to change his position with you? If no one wants to, the teacher will find a new table for you to put under the platform, and you will sit there.”

Xia ye thanks and goes back to the classroom.

Li Xingchen this kind of mixed world big devil king nature is not willing to change position with Xia ye, except Wang Xinran.

Wang Xinran nerve big, can’t bear to look at the summer leaves lost, didn’t think much agreed, but Li Xingchen a fierce eyes sweep over, Wang Xinran immediately counselled.”I still don’t want to change. Go and ask other students.”

Xia Ye takes a deep breath helplessly.

It seems that it's impossible to change the position. It's better to move the position to the one under the platform.

Li Xingchen shakes her legs and thinks she has given up, but her smile is still on her face. She sees that Xia Ye has packed up her books and moved them to the empty position under the platform.

“You

Li Xingchen's face turned green with anger, and he wanted to crush his silver teeth.

Wang Xinran felt that the atmosphere was not good, and half of his head came out from behind.

“Boss, what's the matter? Did you break up with Xia ye?”

“.....”

Li Xingchen stares at Wang Xinran coldly.

“.....”

Wang Xinran choked. It seems that he really broke up.

But then he thought of something, Wang Xinran suddenly showed a cheap smile, “boss, do you remember the bet you played? Hey, hey, hey

Li Xingchen vowed to catch Xia Ye. As a result, he was ignored.

Li Xingchen a face chagrin, “who says I lost? You wait for me!”

He looked at Xia Ye’s thin back and clenched his teeth.

She doesn’t like to see him, but he wants to like her!

Hang her for a few days, and he doesn’t believe she won’t come back to beg him.

Li Xingchen attributed the change of Xia Ye’s attitude to him to jealousy.

So for the next few days, Li Xingchen constantly takes the new girl to the classroom and shows off in front of Xia Ye.

These girls don’t follow the same pattern every day. They have all kinds of styles.

“You are Xia ye? Why are you so ugly? I tell you, ugly, you stay away from Li Shao. I’m the one Li Shao likes

These days, summer leaf ear is about to cocoon.

Whether these girls have paranoia, they always feel that they are special.

Have they not inquired about the fact that Li Xingchen’s girlfriend has not exceeded the deadline of one day?

For Li Xingchen’s provocative behavior, Xia Ye is not moved at all, and even feels a little funny.

#### **CEO Daddy Is Too Passionate - Chapter 1442**

Summer leaf to Li Xingchen this kind of behavior, feel a little funny.

And these days, she has more and more collected her mind and spent all her energy on her study.

Because of the current situation, it is no longer appropriate for her to go to the Li family as a tutor. Xia Ye thinks in her heart that she must find a time to make it clear to Aunt Wen.

Thinking that aunt and Li Anxin were so kind to her, her mood became a little low.

However, what should come will come.

That day after school, Xia Ye tutored Li Anxin's homework as usual.

Li Xingchen came back from the outside. As soon as he stepped up the stairs, he heard the sound coming out of the room. His steps were fast and his heart beat faster.

He raised his foot and walked by, glancing casually into Li An Xin's room.

"Sister."

With the sound of a smile into the ear, Xia Ye's back can't help a stiff, and Li Anxin is smiling and turning his head, "second brother, why don't you go home from school with Xia Ye's sister today?"

Li Xingchen looked at Xia Ye's cold cheek and said with a smile: "there's something wrong with the second brother."

With that, he leaned over and looked at the dense topics on her test paper. "Second brother was the first in the school last time. Second brother knows all your homework. You can ask him if you don't understand it later."

That tone is a little harsh.

Li Anxin was a little embarrassed immediately. "Second brother, I have sister Xia ye to help me! You'd better study hard and keep your good grades. Next time, sister Xia ye will be the first in the exam."

After listening to this, Li Xingxing looks at Xia Ye casually, but the old God of the other side is sitting on the ground. He doesn't want to pay attention to him at all, so he is angry.

He and his sister have talked about her for several times in a few short sentences, but she didn't even give him a look, a cold, aloof attitude.

Li Xingchen's anger, which is not easy to suppress, once again rushes up.

"What's so great about first place? I don't care about it!"

Li Xingchen's face was even colder than the stormy weather. He turned around and went back to his room. He threw the door hard, and the house trembled.

Li An Xin has no language to support the forehead, "second elder brother is hair what nerve?"

Didn't she just make a joke? As for the anger?

It can be seen how small the second elder brother is!

Then she frowned, "sister Xia ye, did you quarrel with your brother?"

Some time ago, the second brother and sister Xia Ye got along very well, didn't they? And with the help of Xia Ye's sister, her academic performance also went up in a straight line.

At the moment when the door was slammed, Xia Ye felt a stab in her heart, sighed, and her little face squeezed out a forced smile, "I can't teach you any more."

I'm afraid I can't stay with him any longer.

“Ah? Why? Is it because of my second brother?”

Li an was anxious, and the more he thought about it, the more likely he was. He gritted his teeth angrily, “it must be because he bullied you!”

But Xia Ye shook her head, “no, it’s my reason I’m going to take part in the debate competition at school. I’m afraid I don’t have time to tutor you any more.”

Originally, I didn’t make up my mind whether to participate in the debate contest. At the moment when I was just looking for an excuse, I blurted out the reason.

Maybe that’s the will of God.

“Debate contest?” Li Anxin’s lovely eyes immediately showed the lustre of yearning, “sister Xia Ye is so powerful, that’s not what ordinary people can go in! If it is for this reason, I accept it! You need to refuel. I’ll refuel you when the game is over!”

Xia Ye likes Li Anxin very much.

if she had such a smart, lovely and kind sister Summer leaves think of this, eyes slightly a dark, can not help showing a wry smile.

Does a sister suffer with her like a sister? If so, she would rather never have a sister.

I’m glad.

Wen Qiao heard that Xia Ye was going to take part in the debate competition and had no time to give Li Anxin any more homework guidance. Although she was reluctant to give up this calm and sensible girl, she could not say anything to refute, so she had to bless her.

“Xia ye, it’s a good thing that you have your own interests and hobbies. The debate contest can exercise a person’s ability. If you have such an opportunity, you should naturally seize it. In the future, you should often come home to see your aunt!”

Xia Ye was an orphan when she was a child. Most of her children fell into the well, and few of them were as gentle as Wen Qiao.

When Xia’s mother died, Xia Ye was still young, and her other memories had faded, but her mother’s gentle eyes and voice often appeared in her dreams.

And winjo was the only one who made her feel like a mother.

Xia Ye’s eyes were red. She sniffed and pretended to be relaxed. “Auntie, I will come to see you often. If you have time, you can go to school to watch my competition.”

Wenqiao nodded with a smile, “aunt will go.”

Xia ye lived in the Li family for more than a month. She came with a simple snake skin bag and left with a box. She didn’t want any of the things the Li family bought for her. The only thing she took away was

Thinking of this, Xia Ye pursed her lips and blushed on her face.

“Auntie, don’t worry. I’m leaving. Take care of yourself. Goodbye!”

“Goodbye!”

“Sister Xia ye, I’ll go to school to play with you as soon as I have time!”

Li an was heartless with laughter.

Xia Ye looks at the innocent smile on her face and is envious in her heart.

Not long ago, she was just like her. She was full of thirst for knowledge. She was eager in the ocean of knowledge.

But now, even the smile is a bit bitter.

Originally, like a person's taste, is bitter.

If there is no future, don't start early.

Goodbye, Li Xingchen.

Xia Ye's eyesight, long ago saw the straight figure hiding behind the pillar.

She didn't look back.

Li Xingchen looks at the figure that she also leaves, in the heart is angry.

"Damn it

Reluctant to give up this, reluctant to give up that, only he did not have half nostalgia.

.....

Xia Ye began to participate in the school's debate team training.

The head teacher originally wanted her to concentrate on her study, but an Chenxi said something to Wang Jing, and Wang Jing finally nodded if she didn't agree.

Xia Ye feels that this kind of life is very good. After school, she no longer has to Tutor LI Xingchen one-on-one and feel the excitement of heart pounding.

Li Xingchen didn't bother her childishly any more. He just recovered the previous high-ranking and rambling Li Er young master. Even after Xia Ye moved away from him, he kept bringing the girls outside to the classroom. He didn't avoid hugging them in front of everyone, which made the students talk about them behind him.

The two people who were very close some time ago suddenly became indifferent overnight, as if they had never known a stranger.

### **CEO Daddy Is Too Passionate - Chapter 1443**

When everyone thought that Xia ye would be sad and regret, she put herself into the study like a nobody.

Every day is not only studying, but also debating in school. Every day is very busy.

With Li Xingchen, even if they meet in the classroom, they are strangers to each other and pass each other without expression.

This summer, it's extremely hot and dry. The temperature of nearly 40 degrees is baking the road. Even the air is full of the smell of rubber.

That is, this summer, summer leaves have become a myth of the whole school.

In just two or three months, she was eloquent and led the school debate team to sweep the champion and defeat the invincible.

It was this summer that he won the national championship on behalf of the school's senior high school Olympiad Mathematics, and even ran for the national top ten outstanding young people on behalf of the school.

Because of the existence of summer leaves, the school became famous.

For a while, Xia Ye became an idol in everyone's mind. Before, many students looked down on her and thought that she was just a nerd. They began to make friends with her one after another and adored her all over the world.

The outside world is not stingy praise words, but Xia ye did not take these honors as one thing, wholeheartedly into the study.

In order to expand the influence of this event, the school held a grand commendation meeting for Xia ye the day after she won the national top ten young people.

The headmaster, who is over 50 years old, is standing on the platform, giving a generous speech, excitedly pulling Xia Ye's sign language incoherent.

"Xiaye is the pride of our school. Everyone should learn from Xiaye. Let's give our best wishes to Xiaye with warm applause."

Xia Ye pulls out her hand from the headmaster, stops the burst of cheers under the stage, draws straight from the corner of her mouth, but her eyes can't help looking at the big tree beside the playground.

Even far away, she could feel the sharp sight of the other side looking at her.

However, when looking at the girl glued to him, the smile on her face suddenly froze.

They looked at each other for a second, Li Xingchen then looked away and left with the girl in the white princess skirt.

Xia Ye takes back her sight, but her heart is blocked.

After playing basketball with Wang Xinran, Li Xingchen came home and heard the laughter from the living room.

“How can sister Xia ye be so powerful?”

“It’s my idol in life!”

Suddenly heard the name, Li Xingchen’s step, eyes gradually bright, three or two steps past, eyes scan a circle, but did not see the expected figure.

Xia Ye won the prize, and did not tell Li Anxin and Wenqiao, but does not prevent them from knowing, because the TV news is about Xia Ye.

It has become the “children of other people’s families” in the eyes of parents all over the country.

I thought she was at home Li Xingchen’s black and bright eyes darkened instantly, pursed his lips and went upstairs in silence.

Li Anxin came upstairs and looked inside through the slit of the door. Seeing Li Xingchen sitting in a daze at his desk, he couldn’t help frowning.

Push the door in.

“Second brother, what happened to you these days?”

It seems that since sister Xia Ye moved out of the house, the second brother seems to have changed.

People who used to chatter and have too much to say are becoming more and more reticent.

Hearing this, Li Xingchen puts down his exercise book, which seems to be Xia Ye’s first math problem

“Peace of mind...”

Li Anxin felt that his brother's desire to talk stopped. He felt very strange. He sat down on the sofa opposite him, worried and said, "second brother, do you have something on your mind?"

Li Xingchen pursed his lips and looked up at Li Anxin.

"Peace of mind, why do you like summer leaves so much?"

"....." Li An's heart can't help laughing, "is that the problem you are tangled with?"

Although Li Xingchen knew that his sister's grade was still small and his mind was simple, he might not be able to understand his mind, but he was still annoyed.

"I'm asking you a question, you answer me."

Li Anxin's clear eyes looked at Li Xingchen quietly for a while, then seriously replied: "it's very comfortable and interesting to get along with sister Xia ye, so I like her. It's so simple."

Obviously, such an answer can't satisfy Li Xingchen. He stubbles his neck and retorts: "but there are many interesting people..."

Li an thought also don't think, interrupt: "but that isn't her! She is her, others are others

In this world, we will meet a lot of people.

Some people pass us by, others become lovers, friends and relatives There are a lot of interesting people, a lot of suitable people for us, but only a few of them can finally come to us. This is the destiny of fate.

Li Xingchen opened his eyes, and in an instant, his mind was rolling. Something was coming out of his heart.

Li Anxin went to stand up, patted him on the shoulder and said with a smile, "second brother, don't think I don't know anything. I know you like sister Xia Ye." "You..."

Li Xingchen's face turns red, and suddenly he is a little at a loss. His younger sister, who is worried about something, exposes it, and is more or less annoyed.

Li an heart mischievously toward her tongue, "second brother, sister Xia Ye is so excellent, you have to become excellent to be worthy of her, oh, by the way, tell you a secret, sister Xia ye said that the boy she likes must work hard and be a gentleman."

Strive to be a gentleman

Li Xingchen suddenly felt nervous.

He has a perfect appearance and life experience, but not the character she said.

Li Xingchen's heart suddenly disordered a beat.

He suddenly realized a problem, Xia Ye is not playing hard to get with him, but really don't like his type!

.....

In the school library, an Chen turns out a complete book of history, and sees Xia ye, who is standing opposite and carefully turning over the books.

Golden soft sunlight from the door projected in, shining on her thin shoulders, there is a kind of unreal sense of dream.

An Chenxi walked over and patted her on the shoulder. She lowered her voice and said, "what are you looking for?"

Xia Ye was looking at the book seriously. She was startled and turned around. She grinned at an Chenxi.

“Miss an, why are you here?”

An Chenxi raised the book in his hand and said, “look for the book. Have you found it?”

Xia Ye nodded, “well.”

Xia Ye follows an Chenxi. When she walks out of the library, Li Xingchen happens to follow Wang Xinran and Qi Jinyu. After playing the ball, her white T-shirt turns black, her forehead is full of sweat, and her black hair is all wet. She is still dripping with sweat, which is in sharp contrast to an Chenxi who is full of sunshine and sunshine.

Li Xingchen steps, the basketball from the fingertip slide, fell to the ground.

#### **CEO Daddy Is Too Passionate - Chapter 1444**

Looking at the two people’s eyes overflow a cold light, just like the knife is falling on the two people.

Xia Ye is slightly stunned, but after a short absence, she doesn’t see anything. She raises her feet to keep up with an Chenxi, and tries to ignore the look in her eyes.

In the hot summer, the sun hanging in the sky scorched the earth.

Xia Ye is not a particular girl, she is not so concerned about a person’s appearance.

An Chenxi takes out a black sun umbrella from her backpack and hands it to Xia Ye. “The sun is big outside. Here’s the umbrella. Girls don’t sunburn.”

His voice is so gentle. When he looks at her, he carries the sunshine behind his back and casts a circle of fluffy halo on his face. It’s very beautiful.

Xia Ye originally wanted to refuse, but after seeing Li Xingchen behind an Chenxi, she swallowed her words and said with a smile, “thank you.”

An Chenxi touched her head, “you’re welcome!”

Xia Ye smiles shyly and avoids without any trace.

This curtain fell in someone’s eyes, almost crushed a silver tooth, his face heavy as if he could drip water.

“It’s a school, and I don’t know how to avoid suspicion. I’m not ashamed!”

Wang Xinran and Qi Jinyu just got together and were not afraid of dying to mend the knife: “no wonder Xia Ye rejected the boss. It turned out that they had a crush on teacher an!”

“Miss an is handsome and gentle. If I were a girl, I would like it too!”

Listen to two people you a word I a language, the anger of Li Xing Chen in the heart reaches the summit, want to rush forward to tear that thin figure into a piece.

Take a deep breath and hum coldly: “gone!”

Wang Xinran and Qi Jinyu exchange a clear look, boss, this is eating wrong! It looks like they’re going to win the bet.

They said that Xia ye and the eldest brother are not the same people at all, and they can’t get together.

.....

After school, Xia ye, as usual, was the last one to pack his schoolbag and leave the classroom.

However, as soon as I got to the door, I was caught by a strong hand on my wrist. With one effort, my body was brought back to the classroom.

The wooden door of the classroom was kicked by someone with a bad temper.

With a loud bang, Xia Ye's heart trembled.

"Li Xingchen, what do you want to do?"

In front of the man's face is too terrible, summer leaves even back two steps, big eyes under the black frame vigilantly looking at him.

Li Xingchen's sharp heart stabbed and strode forward, holding her arm in both hands.

"Ah! Li Xingchen, let me go

Xia Ye's face suddenly turns white. There are bad pictures in her mind. Even her little face turns pale.

She is like a frightened bird, the body constantly back, but let Li Xingchen homeopathy pressure in the corner, no way back.

Realizing what he wanted to do, she panicked. Even her breath became heavier. Her pale lips moved, "Li Xingchen You let me go..."

Li Xingchen looks cold. Thinking about the scene when she and teacher an came out of the library in the afternoon, she almost blew up.

"You like an Chenxi!" He asked in a cold voice.

Since what she likes is others, why did she give him such a promise at the beginning?

He met her requirements, and she turned around and refused to admit it. Is it fun to play with him?

At this time, his heart was only the anger of being cheated, and he didn't find that Xia Ye's face was pale and terrible.

"What What?" Xia Ye was stunned for a few seconds, and her wet eyes looked at him in fear.

How did he come to this conclusion because he saw her walking with teacher an at noon?

Li Xingchen saw that she didn't speak. Her two distinct fingers raised her chin and lowered her head to kiss her.

"Li Xingchen! Let go of me! Let go of me

Xia Ye's face turned white to the extreme. Those nightmares repeatedly entangled in her dreams seemed to be staged in reality. She tilted her head, pushed him open with both hands, opened the door and ran away.

Li Xingchen's tall body was pushed away, and for several seconds, looking at her flustered back, her fingers on her side were deeply pinched into her palm.

.....

It was a sunny afternoon that Wenqiao looked for Xiaye again.

Black lassles stopped by the side of the school gate.

In the back seat of the car, Wen Qiao holds Xia Ye's hand and looks sad. "Xia ye, originally my aunt didn't want to disturb you, but Xiao Bao This period of time has become very disrespectful. I'm a mother and I can't control him."

Xia Ye pursed her lips tightly and said in a warm voice: "aunt, Li Xingchen I really care about how you feel."

Wenqiao shook his head and his eyes were red. "If he cared about our feelings, it would not be like this He hasn't been home for three days. I really can't control him."

Didn't go home for three days?

The summer leaves frowned almost imperceptibly.

Since she pushed him away in the classroom that day, he never showed up from school. He didn't go home for three days and three nights. Wenqiao excitedly grabbed her hand, like the last straw, with a struggle request in his eyes, "my aunt has been young, I can see that my little treasure just likes you."

"Ah Auntie I..."

Xia Ye nervously grabs the hem of her clothes, just like a child who does something wrong. She doesn't dare to look at Wenqiao in the eyes.

"I don't want to interfere with you. Don't be nervous," he continued! When you lived in our house, Xiaobao worked very hard. Now you draw a clear line with him, and he's back to his original appearance.

I know, my aunt is very selfish to say that. My little treasure doesn't deserve you. She is so smart and sensible. She has her own ideas at a young age. My silly son has been spoiled since childhood, and only knows how to make trouble!

But Aunt is really no way, if he has a good or bad outside, let me do?

Xia ye, please help me, help me persuade Xiao Bao! ”

“.....”

Xia Ye secretly clenched her fist, and a tug flashed in her heart, but at last she nodded heavily, “aunt, don’t worry, I will help you find him.”

Wen Qiao tears into a smile, pleased to pat the back of Xia Ye’s hand, “well, that aunt is waiting for your good news.”

.....

The sky darkened and a strong wind was blowing. The weather forecast said there was a typhoon today, reminding the public to go out carefully.

Xia Ye is standing in front of Meiyue bar with her umbrella according to the address on her mobile phone.

Cold ice raindrops hit the body, a cold wind blowing, thin body in the wind shivering slightly.

She tightened her fingers and walked slowly into the hall.

When Xia Ye finds Li Xingchen’s box, he is guessing with the gangsters in the society.

“Li Er lost less, this cup should be punished!”

“I’ll punish you when I’m afraid of you!”

Li Xingchen stepped on the tea table with one foot, picked up the full wine cup in front of him, looked up and drank it boldly.

## CEO Daddy Is Too Passionate - Chapter 1446

Xia Ye is in the classroom looking at the math papers, suddenly a clear and arrogant voice from the door.

“Summer leaf, come out for a while!”

Quiet down in the classroom, have pinched a sweat for her.

Li Er Shao is very close to Su Xinyao during this period of time, mostly to find Xia Ye’s trouble.

Xia Ye looks up at the door and looks at Su Xinyao’s angry face. Then she lowers her head and continues to do her test paper. She seems to have never heard of Su Xinyao’s words.

Su Xinyao was so angry that she took three or two steps and slapped Xia ye on the table.

“Leave him and stop pestering him. Do you understand?”

Xia Ye sighed and slowly put down her black watercolor pen and looked up at the angry girl in front of her.

“Su Xinyao, what qualifications do you have to ask others to do according to your requirements?”

Su Xinyao didn’t expect that Xia ye would dare to talk back. The woman had two faces, one in front of her, and the other in front of Li Xingchen.

Su Xinyao picks her eyebrows and suddenly laughs wickedly.

From the bag out of a bank card, showing off like placed in front of Xia ye, “know what this is? This is the card given to me by Li Xingchen. Let me spend it as I please

When she said this, Su Xinyao felt a little guilty.

Although this card is Li Xingchen's, it is a compensation for using her some time ago.

Why, this woman who is nothing can get Li Xingchen's love, and she only deserves to be used?

She was very reluctant.

Anyway, no one else can get the man she can't get.

Xia Ye looks at the golden bank card in front of her. Her face is light, and she has no expression. Her fingers, which can be put in her pocket, have already clenched.

After a few seconds of silence, she raised her head, swallowed bitterness and gave a faint smile.

"Don't worry, as long as you don't disturb me, I will never disturb you!"

With that, Xia Ye stands up and pushes Su Xinyao away to walk outside the classroom.

Step faster and faster, and finally almost all the way trot, came to no one in the woods, the tears finally collapsed.

Why does everyone have to force her!

Is it a terrible crime for her to fall in love with someone she shouldn't?

Think of Su Xinyao show off proud look, the first time indulge their emotions cry sad.

She said to herself that Xia ye can only cry once. After crying, she forgot that person and completely eliminated him from her heart.

Just at this time, I think of a low alcohol voice behind me, "classmate Xia ye?"

Xia Ye was stunned, tears stopped and turned to look behind her.

Between an Chenxi holding a textbook, is a face hesitant to judge her.

"Why are you crying? Have you been bullied by your classmates? "

Summer leaves quickly dry tears, used to strong people, the first cry was seen, embarrassed eyes do not know where to put.

"No I didn't cry... "

She refused to admit that she was dead.

With a helpless sigh, an Chenxi takes out a handkerchief from her pocket and wipes her tears naturally.

"Don't cry next time. Girls are ugly when they cry."

His movement is very natural, and his expression is very gentle. The sun shines on his face from the gap between the leaves, and his face looks kind as if it would shine.

Xia Ye immediately thought of the big brother next door.

Soon reaction, at this time two people's action is too ambiguous, her face a little red, from an Chenxi hand took the handkerchief, casually wipe a tear.

"Thank you. I'll do it myself."

An Chenxi's eyes darkened as she looked at her obvious defensive action.

But soon he raised his lips again, "why did you cry just now? Can you talk to the teacher?"

"No Nothing..."

The smile on an Chenxi's face is as gentle as ever. When she talks, she always gives people the illusion of doting.

"Well, if you don't want to say it, it's better to cry."

Xia Ye felt guilty. Teacher an was so kind to her, but she had to hide something from him.

She nodded, "much better. Thank you for your concern."

An Chenxi light smile, "in fact, I want to be your brother!"

"Why?"

A very abrupt sentence, Xia Ye looks up at the man who is as warm as jade in front of her, "brother?"

An Chenxi smiles more brightly. Her hairy head is so cute that she can't help reaching for it.

"Good boy! I'll be your brother in the future. Who will bully you in the future? Don't hide and cry. Tell your brother to stand up for you."

Xia Ye was shaken by his gentle eyes.

I don't know which girl can marry miss an. She will be very happy in the future. The scene of two people looking at each other is "sentimental" in one eye.

Li Xingchen, who used to play golf on the golf course outside the school, received a call from Wang Xinran. He heard that Su Xinyao was looking for Xia ye to get in trouble, so he came in a hurry.

I didn't expect to see such a scene as soon as I walked into the school.

Under the sun, a black and a white, handsome men and beautiful women, it is really unspeakable, let people hate fire!

It's normal for him to quarrel with Xia ye, but it's unforgivable for a third party to intervene.

Li two little cold face, took out the mobile phone directly dial the principal's phone number.

Looking at the caller ID, the headmaster only felt that the mobile phone was a hot potato. He just wanted to throw it away, but he finally got through with a smile and said, "second young master, what can I do for you?"

Li Xingchen's evil eyes stare at the two people in the grove, saying: "fire an Chenxi for me!"

"Er..."

The headmaster looked embarrassed, "second young master Mr. an is the youngest doctor of history and the first one in our school."

"I don't care! Fire him

The headmaster's persuasion was interrupted by Li Xingchen's cold voice, even colder.

Isn't that a doctor? Isn't he the youngest and most promising scholar?

What he dislikes most is these scholarly people!

The principal didn't dare to offend Li Xingchen. He knew that half of the school's funds were provided by the Li family. Li Xingchen was a big Buddha in the school, so he had to nod his head repeatedly.

"Yes, I'll have a good talk with Mr. an."

Hang up the phone, the principal wiped a cold sweat, puzzled to mutter: "teacher an so gentle a person, how can suddenly offend Li Er Shao this second ancestor?"

Li Xingchen hummed coldly, put away his mobile phone, put his hands in his pocket and walked slowly to the classroom.

He will destroy anyone who dares to approach her.

What he can't get, no one else can get it!

After talking with an Chenxi, Xia Ye calms down and returns to the classroom. She finds that Li Xingchen is also there.

The two eyes collided for a second, and then they looked away from each other at the same time with tacit understanding. They thought each other was air.

### **CEO Daddy Is Too Passionate - Chapter 1446**

Xia Ye is in the classroom looking at the math papers, suddenly a clear and arrogant voice from the door.

"Summer leaf, come out for a while!"

Quiet down in the classroom, have pinched a sweat for her.

Li Er Shao is very close to Su Xinyao during this period of time, mostly to find Xia Ye's trouble.

Xia Ye looks up at the door and looks at Su Xinyao's angry face. Then she lowers her head and continues to do her test paper. She seems to have never heard of Su Xinyao's words.

Su Xinyao was so angry that she took three or two steps and slapped Xia ye on the table.

"Leave him and stop pestering him. Do you understand?"

Xia Ye sighed and slowly put down her black watercolor pen and looked up at the angry girl in front of her.

"Su Xinyao, what qualifications do you have to ask others to do according to your requirements?"

Su Xinyao didn't expect that Xia ye would dare to talk back. The woman had two faces, one in front of her, and the other in front of Li Xingchen.

Su Xinyao picks her eyebrows and suddenly laughs wickedly.

From the bag out of a bank card, showing off like placed in front of Xia ye, "know what this is? This is the card given to me by Li Xingchen. Let me spend it as I please

When she said this, Su Xinyao felt a little guilty.

Although this card is Li Xingchen's, it is a compensation for using her some time ago.

Why, this woman who is nothing can get Li Xingchen's love, and she only deserves to be used?

She was very reluctant.

Anyway, no one else can get the man she can't get.

Xia Ye looks at the golden bank card in front of her. Her face is light, and she has no expression. Her fingers, which can be put in her pocket, have already clenched.

After a few seconds of silence, she raised her head, swallowed bitterness and gave a faint smile.

“Don't worry, as long as you don't disturb me, I will never disturb you!”

With that, Xia Ye stands up and pushes Su Xinyao away to walk outside the classroom.

Step faster and faster, and finally almost all the way trot, came to no one in the woods, the tears finally collapsed.

Why does everyone have to force her!

Is it a terrible crime for her to fall in love with someone she shouldn't?

Think of Su Xinyao show off proud look, the first time indulge their emotions cry sad.

She said to herself that Xia ye can only cry once. After crying, she forgot that person and completely eliminated him from her heart.

Just at this time, I think of a low alcohol voice behind me, “classmate Xia ye?”

Xia Ye was stunned, tears stopped and turned to look behind her.

Between an Chenxi holding a textbook, is a face hesitant to judge her.

“Why are you crying? Have you been bullied by your classmates? ”

Summer leaves quickly dry tears, used to strong people, the first cry was seen, embarrassed eyes do not know where to put.

“No I didn’t cry... ”

She refused to admit that she was dead.

With a helpless sigh, an Chenxi takes out a handkerchief from her pocket and wipes her tears naturally.

“Don’t cry next time. Girls are ugly when they cry.”

His movement is very natural, and his expression is very gentle. The sun shines on his face from the gap between the leaves, and his face looks kind as if it would shine.

Xia Ye immediately thought of the big brother next door.

Soon reaction, at this time two people’s action is too ambiguous, her face a little red, from an Chenxi hand took the handkerchief, casually wipe a tear.

“Thank you. I’ll do it myself.”

An Chenxi’s eyes darkened as she looked at her obvious defensive action.

But soon he raised his lips again, “why did you cry just now? Can you talk to the teacher? ”

“No Nothing... ”

The smile on an Chenxi's face is as gentle as ever. When she talks, she always gives people the illusion of doting.

"Well, if you don't want to say it, it's better to cry."

Xia Ye felt guilty. Teacher an was so kind to her, but she had to hide something from him.

She nodded, "much better. Thank you for your concern."

An Chenxi light smile, "in fact, I want to be your brother!"

"Why?"

A very abrupt sentence, Xia Ye looks up at the man who is as warm as jade in front of her, "brother?"

An Chenxi smiles more brightly. Her hairy head is so cute that she can't help reaching for it.

"Good boy! I'll be your brother in the future. Who will bully you in the future? Don't hide and cry. Tell your brother to stand up for you. "

The two eyes collided for a second, and then they looked away from each other at the same time with tacit understanding. They thought each other was air.

#### **CEO Daddy Is Too Passionate - Chapter 1447**

Originally thought that from now on, the two people go their own way and live their own lives.

After school, Li Xingchen blocks Xia Ye's way, and his face is full of evil ruffian temperament.

“Wait, I have something to tell you.”

Summer leaf rolled a white eye, “want to say quickly say, I still have business.”

Li Xingchen is not happy with Xia Ye's attitude, but he is in a good mood to think of an Chenxi being driven abroad by him.

Proud to show off like, meaningful to open a mouth: “you know I like you, so you dare so unscrupulous, do not put me in the eye!”

Summer leaves wring eyebrows, heart beat suddenly failed to speed up a few seconds.

This is the first time that he confesses that he likes her

Before Xia ye had time to be excited or make other reactions, he heard him say: “it doesn’t matter if you don’t like me. You are not the only woman in the world, but I always have a beginning and an end. Since you are the one who started and fooled me, you should take charge of this matter to the end.”

Xia Ye obviously felt that there was something in his words, and his heart sank, “what do you mean? What do you want me to do? ”

“It’s easy!”

Li Xingchen walked toward her. Under Xia Ye’s panic eyes, he grabbed the black eyes of her nose, revealing a white and pure face.

“Ah, Li Xingchen, give me back my glasses!”

Without the cover of her glasses, she felt very uncomfortable.

“Isn’t there no myopia? Why cover your face? ”

Li Xingchen approached her step by step, and her bone clear fingers grabbed her jaw. Her voice was colder than the snow on the mountain. “You know your face is very attractive, don’t you?”

Li Xingchen’s abnormal appearance makes Xia Ye feel a burst of fear in her heart.

Know this time can't meet with him hard, had to soft ground beg for mercy, "ache ~ ~ you loosen me first!"

Li Xingchen looked at her pale face, and finally threw away her chin. Like disgust, she took out a white handkerchief from her pocket, wiped her fingers, threw it into the garbage can, and said: "before I completely forget you, you can't go with other men! Otherwise, I will bear the consequences! "

"What?"

Xia Ye's heart is stabbed fiercely. Her heart is bleeding. Li Xingchen, are you a little overbearing? "

She can't get along with other men until he forgets her?

How funny!

Isn't he associating with Su Xinyao, only allowing the officials to set fire and not allowing the people to light the lights?

Li Xingchen sees her shocked look as she wishes, and a burst of resentment in her heart, and evil spirit stirs up her lips.

"If you dare to disobey me, you'll try."

Finish saying, no longer pay attention to her, carrying a slender step toward the Li family and so on in the side of the black luxury car walked past.

"....."

Xia Ye looks at his back and frowns.

The next day, Xia Ye left school and wanted to go to the debate team to have a look. As a result, she saw an Chenxi with a box, packing things.

Summer leaf a Leng, walk over, “an teacher, what are you doing?”

An Chenxi picked up the box and said with a helpless smile, “she was driven abroad by the school in the name of further study.”

“Ah? Why? ”

Summer leaves a burst of consternation.

Mr. an is the youngest professor in the school. He is young and promising, and has strong teaching ability. He is very popular among students. How can he be driven abroad?

Yesterday, an Chenxi was called to the office by the headmaster. When he said that, he also felt incredible.

This Li Er Shao, he also heard of, school bully, the devil.

But he has never been in touch with him. Why do you have to drive him abroad?

An Chenxi didn't understand this question after thinking about it all night.

Xia ye saw him in a daze, reached out and waved in front of him, “teacher an, what are you thinking?”

An Chenxi looks at Xia ye and suddenly thinks of something and asks, “Xia ye, is Li Xingchen in the same class with you?”

“Yes It's Mr. an, what's the problem? ”

An Chenxi looked puzzled and muttered, "I didn't offend him. I don't even remember when I met him. Why did he deal with me?"

Smell speech, summer leaf palm big small face, become brush white, eyes shocked to open big.

"You said Li Xingchen drives you away? "

An Chenxi frowned in distress, but said with a bitter smile: "probably for these rich young masters, there is no reason to do things."

You don't need any reason. If you don't like it, you will be killed.

Xia Ye brain Weng buzzing, only yesterday after school li Xingchen threat her words, "dare to associate with other men, try."

So Is miss an transferred because of her?

Yes, yesterday in the woods, teacher an comforted her. She must have been seen by Li Xingchen. That's why he was so angry."Miss an, I have something else to do. I'll go first!"

Xia ye turned and hurried to the door.

An Chenxi looked at her and turned to leave. She shook her head helplessly and said to herself, "bear, I'm good to her at ordinary times. Seeing that I'm leaving, I don't even say goodbye. It's a pain in vain."

Xia ye came out of the debate society, took out her mobile phone and dialed the familiar numbers.

It rang for a long time, until she thought the other party didn't answer, then there was a slow voice.

“What’s the matter?”

Tone with a touch of impatience, and seems to have expected that she would call him.

Xia Ye listened to his noisy voice and guessed that it was somewhere in the club. She was even more angry and asked, “Li Xingchen, why are you so naive? Mr. an, did you go abroad?”

Li Xingchen’s face sank, “so what if it’s me? I’ve told you for a long time that if you dare to associate with others, you’ll have a try!”

Summer leaf chokes, “I have nothing to do with other people, as if it has nothing to do with you?”

“it doesn’t matter. I has the final say.”

Li Xingchen’s overbearing voice came into his ears along the mobile phone, and Xia Ye was about to be blown up by him.

Take a deep breath and try to be calm.

“Well, I won’t fight with you now. How can you let miss an go?”

Teacher an is innocent. They have nothing to do with each other. Moreover, teacher an is so young and talented, and she loves her teaching work so much that she can’t bury her future.

Or she’ll have a bad conscience all her life.

“Oh, it’s not impossible to intercede for him. I’ll only give you one chance. You can come to Elton hotel to see me.”

“Hotel?”

Summer leaf complexion a white, “can change a ground...” Fang?

Before the words were finished, the mobile phone was hung up by the man.

Summer leaves a burst of speechless, think of so gentle teacher, finally bite teeth, hit a car toward the Elton hotel.

I don't think Li Xingchen will do anything to her. Anyway, he hates her so much now.

Maybe just trying to humiliate her.

#### **CEO Daddy Is Too Passionate - Chapter 1448**

When Xia Ye arrives at the hotel, she finds that Li Xingchen hasn't arrived yet.

She called Li Xingchen, but the other party showed that she was busy and no one answered.

It's obviously pulling her black.

Xia Ye was so angry that she gritted her teeth and felt powerless.

She is found, Li Xingchen is a stubborn person, there is so little don't pinch.

When he called her here, he certainly didn't have such a good face. He couldn't get along with her.

He doesn't like her much. He is just curious and fresh for a moment. It's like a child who wants to eat candy. If you don't give her a hand, he will always make trouble with you.

But Li Xingchen thought of sugar, she simply can't afford, also dare not give.

For him, she is just one of thousands of women, and he is the only one in the world in her heart.

He is so dazzling that she can't afford the star.

If you can imagine the final outcome before you start, it's better not to start at the beginning.

Xia Ye doesn't dare to make Li Xingchen angry, so she has to wait at the door of the hotel.

As a result, his feet were numb and he didn't appear. Xia Ye looked at the time, and it was already seven o'clock in the evening.

Suddenly, a strong grievance surged in my heart, squatting on the side of the flower bed, angrily pinching the grass.

"Li Xingchen, you bastard! Why do you have to be so hard on me?"

Xia Ye didn't know how many times she picked up her mobile phone and dialed the number that could be dialed by conditional reflection without thinking.

As a result, the other party is still busy.

"You can't be too busy! Asshole! Li Xingchen, big bastard

She stamped her foot in anger, not noticing it.

As long as she turned around, she could find that under the flyover not far away, a tall and proud figure stood with her for three hours.

Li Xingchen doesn't know what kind of psychology he is out of. When he receives Xia Ye's phone call, he leaves everything behind and comes here. But when he really sees her, his heart begins to be unbalanced again.

She couldn't wait to see him, not because of him, but to intercede with another man.

Think of here, the anger in the heart like vines in general spread in the bottom of the heart, tight his heart tingle up.

He covers hair painful in the heart, in the heart way: exactly is when to begin, this wench occupies his atrium?

Clearly, at the beginning, it was just a bet. He just didn't want to be looked down upon. He was just trying to be brave for a while. Why did he feel upset when he saw her close to other men now.

But since she provoked him, she was responsible to the end.

She makes him feel unhappy, so he can let her go when he feels happy.

Li Xingchen is such a bully.

Summer leaves are angry to grasp the leaves, suddenly came a lazy voice behind.

"Do you want to pluck all the leaves at the door of the hotel?"

"....."

Summer leaf a Zheng, immediately turn around, looking at in front of hands inserted pocket, a face of indifference man, her eyes a dark.

"Li Xingchen, what do you want me to do here? What do you want to do to let miss an go? "

Miss an, it's very friendly.

Li Xingchen wants to kill people in his heart. He gnashes his teeth with jealousy, but he has a light smile on his face. Even his smile is faint, but he has a evil spirit in his heart.

"I just don't like him. What can you do with me?"

"You..."

Xia Ye was speechless because of his impudence.

Li Xingchen walked towards her step by step. Her sharp eyes were shining with cold light, as if she was going to be eaten alive.

"Are you willing to do anything for an Chenxi?"

"I I..."

The summer leaf is sending out cold light eyes to him, to the words of the mouth how all can't say export.

She just doesn't want to involve innocent people. It has nothing to do with whether an Chenxi is innocent or not. Even if it's because of Wang Xinran or other people, she will do the same.

There is no way to reason with a paranoid person.

Xia ye took a deep breath weakly. "Yes, if my teacher lost my dream because of me, I would have a bad conscience."

“All my life...”

Li Xingchen burst out laughing.

She wants to be with him for the rest of her life.

Good idea!

Xia Ye frowns. She sees a touch of paranoia and irony on Li Xingchen’s face. Has he misunderstood something?

Well, he’s always misunderstood her.

Li Xingchen suddenly shut down his voice, and his face was cold in an instant. He said without expression: “if you want me to let an Chenxi go, it depends on your sincerity!”

With that, he ignored her and went to the hotel.

Xia Ye couldn’t help looking up and looking at the big characters composed of several neon lights on her head, she felt nervous. At her age, in her environment, the things she touches are pure.

She subconsciously resisted and felt a trace of fear for such things as single men and few women coming to the hotel.

But thinking of an Chenxi, she pinched her fingers and plucked up her courage again.

Keep up with the stars.

He had opened the room and said to her in a cold voice, “take the card!”

“.....”

I really take her as his servant!

Xia Ye stares at Li Xingchen fiercely, but still takes the card with no backbone.

Walking into the elevator, Li Xingchen put his hands in his pocket and looked at her with a drag. “Press the elevator, don’t you still wait for my young master to press the elevator for you?”

“.....”

Summer leaves gnash their teeth.

I want to beat this guy up.

Xia Ye stretched out her finger, but stopped again, gritted her teeth and asked, “what floor?”

“.....”

Li Xingchen looked at her in the eyes of the alien, a burst of speechless, “don’t tell me you are the first time to the hotel? Don’t you know how to read the house card?”

“.....”

The summer leaves blush.

Where does she know this? It’s her first time in the hotel. What’s the matter?

She looked down angrily at the number 8088 on the room card and pressed the number “8”.

When they arrived at the gate of 8088, Xia Ye was in trouble again.

How do I open this door?

I heard that a brush would do, but she didn't know where to brush.

At this time, it was obvious that her knowledge which won numerous awards could not help her, and Li Xingchen's sharp eyes had been on her, which made her have the illusion that he would swallow her alive.

As soon as she was afraid, she didn't know what to do next.

She was sweating and biting her lips. She was very embarrassed and said, "Li Li Xingchen, I can't drive..."

Li Xingchen narrowed her eyes and looked at her up and down. "You don't really come to the hotel for the first time, do you?"

What a bumpkin!

I haven't even been to the hotel!

He began to doubt whether he was blind. He even fell in love with such a silly girl. He thought she was very powerful, but he couldn't even open the door of a hotel.

#### **CEO Daddy Is Too Passionate - Chapter 1449**

However, does it mean that her life is just like a piece of white paper?

Seeing that she was about to cry, Li Er was merciful. He took her by the hand, put the room card on the door handle and brushed it. The door opened.

“Go in!”

Xia Ye

So simple.

It’s all his fault. She’s just staring at him. When she’s nervous, her brain will be short circuited.

However, there are only two of them in this room. Do you really want to go in?

Why do you feel uneasy?

Li Xingchen sits on the sofa and turns to look at her, who is not coming in at the door. Her anger is coming up again.

“What are you doing at the door? Either come in or get out!”

Come on, I’ve offended the young master again!

Xia Ye hurried into the room. Li Xingchen looked at her carefully and roared again: “close the door!”

Xia Ye was so scared that her heart was trembling. Without time to think about it, she closed the door with her backhand.

As the door closed, Xia Ye became more and more uneasy.

“Li Xingchen, I have come here to find you according to your agreement. Can you let miss an go?”

Li Xingchen is appreciating her flustered appearance, evil spirit ground stirs up the corner of the lip.

Now I know I'm afraid!

Didn't you pull at him before?

He must admit that, looking at Xia Ye's flustered look, there was a flash of revenge in his heart.

In this world, people who dare to play with him are not born yet.

"Come here!"

"Just Just say it here

Summer leaves tongue knot, even can't speak clearly.

Li Xingchen put his legs on the tea table in front of him, lit a cigarette, took a puff, and then spat out a beautiful eye, a pair of beautiful eyes, looking at her in his spare time.

"I told you to come here, don't let me say it three times!"

"I I don't..."

Xia Ye looked at his evil look, the bottom of his heart is like playing a drum.

I always think the atmosphere is subtle.

To be honest, Li Xingchen called her here. At first, he didn't know what he wanted to do.

He just wants to see her. She doesn't like to go to bars. He thinks about it. Only hotels are the purest.

But she was a defensive mentality, let his heart very angry.

It's like he's some kind of predator.

If you are really afraid, don't come to please him for an Chenxi.

A nameless fire in the chest around, want to vent but can not find the outlet.

Li Xingchen kicks the coffee table in front of him, and the glass cup on the coffee table falls to the ground, making a bang.

"Ah

Xia Ye screams with fright. She holds the door handle with her fingers and turns to run away.

She did not know that this action just met the man's scale.

She just doesn't want to see him?

"Off!"

"What?" Xia Ye's face suddenly turned white, as if she didn't hear that. She asked incredulously, "what did you say just now?"

"I said off!"

Li Xingchen's angry eyes were filled with fierce anger and roared at her like a lion.

Xia Ye understood the sight that swam on her. She didn't hear it wrong just now. What he said was to ask her to take off her clothes.

It seems to confirm the idea in my heart, and it seems that I have expected this moment to come.

Xia Ye's teeth are trembling. She is flustered and doesn't know what to do. She begins to ask in fear.

"Li Xingchen, don't do that. I know it's wrong. I really know it's wrong. Can you stop it?"

"Oh

Smell speech, Li Xing Chen sneers coldly, "you say you are wrong, where are you wrong?"

"I..." The pale lips of summer leaves kept trembling, and quickly condensed into a layer of water mist in front of my eyes, "I shouldn't cheat you like that, I shouldn't bet with you, and then I'll stand you up!"

"How can you make up for me?"

Li Xingchen's leisurely eyes fell on her, which made her feel that she was entangled by a poisonous snake.

Forced by him again and again, Xia Ye's heart also burst out a stream of anger, regardless of the ground toward Li Xingchen roared: "what qualifications do you have to say me? Aren't you fighting with other girls? You just want to get back at me, because I lied to you, you just want to get back at me!"

Say what the truth, say what like, it is just to find an excuse for themselves.

How much is the truth? Not to find a reason for yourself!

Li Xingchen's handsome eyebrow suddenly wrinkled, got up and walked towards her step by step.

Her eyes were red and her long eyelashes were full of tears, but she raised her head and refused to shed tears. This is what it looks like. This is what it looks like.

Li Xingchen walked by in three or two steps. Before she turned to run away, she stretched out her slender arm and stopped her in front of her. Her tall figure pressed her between the door and her chest.

"Where do you want to go?"

Xia Ye's back is close to the door, even her eyes dare not blink, her heart beats like thunder.

"Li Xingchen Don't mess about

"What is chaos?"

He stretched out his thumb, slightly thick fingers in her delicate lips, gently rub.

"Is that so?"

Summer leaves are sweating all over

"Is that so?"

Li Xingchen suddenly raised her chin and bowed her head to kiss her.

Xia Ye struggles violently and her face turns red.

But the power of men and women is not his opponent at all.

Xia Ye was so angry that she burst into tears, wringing her fists with both hands and beating him wildly.

But Li Xingchen didn't dare to ignore it. He caught her hands and locked them on the door.

Summer leaves struggle tired, the last trace of strength is about to be drained.

Just when she thought she was going to be killed by this man today, he let her go.

Xia Ye's legs softened and she slid down the door.

Li Xingchen's eyes are one Lin, the skill extremely quick ground embraces her waist.

However, it was a slap in the face that responded to him.

"Pa" ground a crisp ring, summer leaf's palm heart all red, fingers are shaking, and Li Xingchen's cheek, quickly red swelling out of five obvious finger print.

"You are crazy!"

Li Xingchen pinches her neck, and her angry eyes are like an invisible sword, trying to shoot her through.

#### **CEO Daddy Is Too Passionate - Chapter 1450**

Summer leaf clenches the palm that sends ache, use up whole body strength suddenly, push Li star away.

"Li Xingchen, I hate you!"

He pushed the door open and ran out.

It rained heavily outside the door, and silver lightning flashed over the black sky.

Cold wind accompanied by cold ice drops on the body, in a short time, she will be the whole person drenched.

Summer leaves as if not feel that, regardless of rushed into the rain.

As she ran forward, she rubbed her lips hard.

His breath seemed to linger on his lips.

“Li Xingchen, you bastard!”

Her heart seems to be strangled by something. Why did he humiliate her like this?

What did she do wrong?

She is just an orphan girl who has nothing. He is a young master who wants wind and rain. Why do you hold on to her?

She was too sad to notice. Not far away, Su Xinyao was holding a black umbrella and wearing a cap. She looked at her back when she left, with a cruel sneer on her lips.

Xia ye, dare to rob a man with me, and don't look at his weight.

“Ah

A sharp cry sounded in the quiet lane, and immediately returned to calm.

In the presidential suite of the hotel, Li Xingchen looks at the summer leaves that slip away and kicks on the door in anger.

Suddenly, a loud thunder sounded out of the window, like to split the whole sky in two.

Why is it raining so hard outside?

No, according to the weather forecast for these days, there will be a typhoon tonight.

As soon as Li Xingchen's face changed, he raised his foot and chased out.

From a distance, he saw the figure of Xia ye, and his face suddenly sank. It was like the bottom of a pot.

Such a heavy rain, she ran into the rain like this. Does she know how to cherish her body?

Li Xingchen scolds fiercely on the mouth, but in the heart is anxious unceasingly, pull a leg to catch up with.

But a turn, you don't see the shadow of summer leaves, suddenly anxious.

"Summer leaves! Summer leaves

He yelled in the alley, but there was no echo in the empty street.

It was raining heavily and there was a typhoon. Everyone closed the door and hid at home.

A flash of lightning glided across the sky, illuminating the dark earth.

Li Xingchen looked at the long alley, but there was no little woman.

“Xiaye, Xiaye, where are you?”

He was flustered, his right eyelid was jumping, and a bad premonition flashed in his heart.

Xia ye, you silly girl, you must not have an accident.

If she has an accident because of him, what should he do in the future?

Li Xingchen is looking for blankly in the street, took out mobile phone to dial a telephone to go out.

It's the voice of the northern Qin Dynasty.

“Second young master, why did you call me so late?”

“Uncle Bei, she's gone. Help me find her!”

“Who?”

“Summer leaves! Help me find her

Even he didn't realize it. Li Er, who was always calm, seemed to have lost his soul. Even his voice trembled slightly in the cold wind.

Beiqin frowns slightly. Some time ago, the president's wife found a tutor for Miss Li Anxin. It seems to be the summer leaf that the second young master said.

How did the two of them get together?

Beiqin was puzzled, but he didn't dare to delay. He worked overtime for three days and three nights, and finally got to sleep early. After finishing the business of the president, he had to work on the business of the young master. Why did he cry so much for his life?

At this time, a pair of gentle hands on his shoulder, Jiao didi said: "Qin, what's the matter? Are you going out so late?"

Beiqin gave his little wife a kiss on the face and said gently, "I have something to do when I go out. You can sleep again. Don't wait for me!"

"Well, I'll wait for you!"

Bailin lay down cleverly.

Bai Lin is more than ten years younger than Bei Qin.

It's also a wonderful fate.

Li Feng's northern eyes looked at his children, but Beiqin was still single.

Today, although Beiqin is still his special assistant, his status has long been different. Now he is the general manager of the overseas region, plus the deputy general manager of the company.

In B city, it's also a tough role to stamp one's feet and shake the ground three times.

Bailin does not look carefully, looks somewhat similar with Wenqiao, is simply the low configuration version of Wenqiao.

At that time, Li Fengbei took Beiqin with him to talk about cooperation with others. It was obvious that the other side was well prepared and did their homework.

I know that Li Fengbei and Wen Qiao are deeply affectionate, so I don't know where to find a girl who looks similar to Wen Qiao, but who just graduated from the University.

Those people just saw this kind of thought. Wenqiao is now in her forties. No matter how well maintained she is, there is no way to compare her age with that of a young girl who has just graduated. Get hint, Bai Lin has been toasting to Li Fengbei, even finally was pushed, petite body directly fell into Li Fengbei's arms.

The crowd roared and asked them to have a drink.

In fact, this kind of thing is very common in this circle.

Successful and promising men are like poor people who have been hungry for eight generations. They suddenly see gold. Their inner expansion makes them constantly look for women outside, as if the more women they have, the more they show their ability.

So they think that Li Fengbei doesn't cheat, but there are no suitable people and opportunities.

As long as Bailin is sent to his bed, the business will be concluded.

When Li Feng was in Peiping, he never let women get close to him.

This day, looking at Bai Lin's face which is similar to his wife's, I was very unhappy.

But looking at this face, he forced himself not to attack.

As for what to drink, he used other reasons to prevaricate and politely refused, which gave the little girl enough face.

However, some people are not interested.

In the evening, taking advantage of Li Fengbei to go out, Bai Lin is secretly placed in his hotel in advance.

Li Feng North home, looking at the woman in the quilt, furious, completely burst out.

Without leaving the slightest affection, let the bodyguard throw her naked out of the room, and let people change all the sheets.

On this day, in order to give her husband a surprise, Wenqiao secretly went out to see him.

And that's what happened.

Wen Qiao knew Li Fengbei's temperament, looked at the girl hiding in the corner, and immediately felt sympathy.

At that time, at her age, she had been so helpless.

Maybe the girl has something to do with it.

Wenqiao appeases Li Fengbei, takes a new blanket to Bai Lin, and walks in. Now the little girl's face is not right.

His face turned red and his eyes were blurred. He was calculated at all.

Wenqiao wants to meddle in her own business, but Li Fengbei pulls her and doesn't allow her to pay any attention to it. This kind of woman is self indulgent and doesn't love herself.

Bai Lin's head was dazed, and the sentence "don't love yourself" was clearly heard by her, and her tears fell down.
