CEO Daddy Is Too Passionate - Chapter 1482

Bai Lin's head dropped a little lower, and she bit her lips in a tangled way. Her voice could not hide her loss. Her voice was like a mosquito song: "you don't remember me."

Smell speech, North Qin one Leng, "eh?"

Why doesn't he have an impression?

It's reasonable that he should remember. He's not a man with a bad memory.

Bailin is really not remembered by Beiqin. She is so lost that she suddenly wants to tell him the secret of her heart.

She twisted her fingers, summoned up courage, looked up at him seriously, and said: "that night I met a gangster, you rushed out to save me at the critical moment, and then you sent me to the hospital to help my father contact the bed!"

Beiqin thought about it carefully. It seemed that there was such a thing, but it was just a little effort. He didn't pay attention to it at all.

"It seems that there is such a thing, but..."

Beiqin carefully looked at Bailin's beautiful white face and joked with a smile: "I really don't see it. The longer it is, the more beautiful it is. Moreover, my hair has been cut short."

Bai Lin's face turned red.

What he remembered was not that he could not remember her at all. He said that her hair had become shorter.

Just now, I was very disappointed, and I became excited because of his words.

Bai Lin blushed and said, "I've cut my hair short."

Beiqin looked down at Bai Lin's shy appearance and said with a smile: "that night, your face was dirty, your hair was messy, and your white skirt was dirty. It was a bit silly to laugh. I didn't connect you with that little girl for a moment, and I didn't recognize you at the first time. I'm sorry!"

Dirty?

Bai Lin's face was very hot. That night, she was too anxious. When she slipped out of the dormitory, she accidentally fell. It happened that it had just rained and she fell all over with mud. Even her face was covered with mud.

"No It's nothing It's normal not to recognize me. I'm ordinary and I don't have anything special to notice."
"

"If you're average, how thrilling are those who can be called beauties?"

Beiqin said, slender fingers touch her down on the cheek side of a wisp of hair, that action can not say gentle.

When he laughs, his eyes seem to be filled with stars, so dazzling that people can't move their eyes.

Bailin's brain is in a mess. She looks at the man in a daze. Her heart beats faster and rolls like a storm.

Sure enough, good-looking men are such monsters.

Bailin felt that her heart was about to jump out of her throat. She swallowed and forced herself to look away.

“Don’t be kidding, I’m just an ordinary woman —...”

However, before the words were finished, he was pinched by the slender fingers of the man’s thin chin, and the next second, a warm lip came up.

Familiar and strange touch, Bailin brain a blank, just like a thunder in the mind, hands subconsciously support on his hard chest, want to push him away, but greedy of this person’s taste, reluctant to push away.

Beiqin originally only tentatively lifted her lips, and did not dare to move closer, for fear of arousing her antipathy.

Feeling her obedience, Beiqin no longer hesitated, clasped the back of her head, and then fell the fanatical kiss, conquering the city, wantonly sucking every inch of beauty in her mouth.

Bailin’s white face has become red, like the best rouge, beautiful and moving, and her lips are like good cotton candy, addictive, reluctant to let go.

“Goblin!”

Beiqin’s eyes became dim, and his voice was dull, which made people’s heart beat faster.

His palm is like a long memory in general, opened the hem of women’s clothes.

Suddenly a cool body, unconsciously into a sense of confusion, Bailin suddenly wake up, restore a trace of reason.

However, at this time, the door of the ward was pushed open, and a clear voice rang out, “President Bei, I bought clothes and porridge!”

Is entangled in together of two people are all one Leng, together turn a head to see toward the door.

Hangyu stood at the door with porridge and shopping bag, watching the scene, the whole person was stunned.

No wonder North always around white assistant turn, the original two people is such a relationship!

Bai Lin was shocked by Hangyu's eyes, and her red cheeks immediately turned red. She wanted to find a hole in the ground and hang herself with noodles.

Looking down, a hand of Beiqin was still in her clothes.

"Er..." Her head was about to smoke. She pushed Beiqin away and covered her head when she picked up the quilt.

She was so worried that she forgot that there was a drip on the back of her hand. A deep pain came from her heart, which made her face pale.

Beiqin listened to her pain, his face changed in a moment, and he quickly opened the quilt and grabbed her hand.

On a woman's small white hand, which is as white as an egg, the needle has been moved and the back of her hand is red and swollen. Even the red blood begins to flow back into the needle. Beiqin was so distressed that he turned his head to Hangyu, who was still standing at the door, and coldly ordered, "what are you doing in a daze? Hurry up and call a doctor."

Hangyu finally came back to herself, "Oh, I'll go right away!"

He put his things on the table and ran to the doctor.

Looking at the back of the girl's red and swollen hand, Beiqin was distressed. Thinking of how she looked just now, she yelled angrily, "what did you do just now? Isn't it just seen by Hangyu? Why are you so excited? Now, the needle has run away. There's a time for you to suffer! "

Bai Lin originally felt aggrieved. When she was yelled by him, her nose became sour and her eyes became red instantly.

"It's all because of you. I'm like this. How can you scold me?"

The girl's watery eyes glared at him, and his delicate and angry appearance made him feel like a swing.

Beiqin's cold and hard heart softened a little, grabbed her hand, lowered her head and gently blew a breath of heat on her red and swollen wound.

"How about it?" he said? Do you feel better? "

"Well!"

By his gentle blow, Bai Lin felt half of her body softened.

She blushed, "don't take advantage of me in the future. If you are seen by others and jump into the Yellow River, you can't tell."

Beiqin smiles and pinches her red cheek. He is discontented with her eyes. "Is there innocence between us?"

When he said this, his tone was calm, but it fell in Bai Lin's ears, and his eyes were too shy to lift up.

"This It's not because of you

After such a fuss, she didn't feel that much pain in the back of her hand.

After a while, Hangyu came with a doctor in a hurry.

“Come on, let me see!”

Beiqin released Bailin’s hand.

After such a fuss, she didn't feel that much pain in the back of her hand.

After a while, Hangyu came with a doctor in a hurry.

"Come on, let me see!"

Beiqin released Bailin's hand.

CEO Daddy Is Too Passionate - Chapter 1484

From the hospital, Bailin and Beiqin once again said, "thank you. Thank you today. I'll go first. See you tomorrow. Goodbye!"

Bai Lin just wanted to leave here as soon as possible, but after a step, she was stuck in the wrist by Bei Qin. "Wait, I'll take you home!"

His palm was clean and warm, and the beautiful touch came. Bai Lin was so scared that she quickly took back her hand. "No, I've bothered you enough today. I'll go back myself!"

It's reasonable to say that if something like that happens, you'll feel scared. But now Bai Lin doesn't want to be with Bei Qin. Why did she tell him just now?

What a shame!

If you don't tell the secret in your heart, you can continue to pretend in the future, but now, everything is open, and you can't even pretend.

If didi had not just finished, she would have found an excuse to escape. Maybe Beiqin really wanted to pursue this matter to the end.

Bailin is a counsellor after all.

But how could Beiqin's decision be easily changed? He forced Bailin's hand and walked to the black car. He still joked: "don't dare to go with me. Are you worried that I'll eat you?"

Bai Lin's little white face turned red. Why does this guy always speak the hooligan's words with such high sounding, and his face doesn't change.

Bailin's strength is not Beiqin's rival at all. Beiqin leads her to the car, opens the front passenger's door for her, and pushes her in.

Bailin flustered to shout: "you let me go, I can go back!"

But Beiqin didn't seem to hear her resistance, so he forced her into the car and closed the door for her.

Bailin didn't understand why Beiqin asked her to sit in the co pilot's seat. However, she took a look at Hangyu around her and felt a little relieved.

She doesn't have the courage to get along with Beiqin alone now. She is afraid that he will continue the question whether he likes it or not. It's really embarrassing.

Hangyu, who was originally in the driver's seat and was going to be a driver for two people, got out of the car and handed the car key to Beiqin with a smile. He said, "Mr. beizong, I think I suddenly have something wrong. I'll take a leave tonight. Please approve."

Hangyu said that he was very sincere. I don't know what happened to him.

After hearing this, Beiqin said nothing, took the key from his hand, raised his eyebrows and gave him a look of appreciation.

Hangyu breathed a sigh of relief, and the smile on his face became deeper. It was originally small eyes, but now it's even narrowed into a crack. It's really a little happy. I still remember to wink at Beiqin. You must grasp such a good opportunity!

Northern Qin Dynasty

They were all men. Beiqin didn't understand Hangyu's hint. He immediately jumped his eyebrows and subconsciously looked at the woman sitting in the co pilot's seat.

His eyes darkened, and even his body tightened.

It's been a long time since he met this little girl that day. He was not interested in anyone. He just had some sweets in the office.

But this sweet for a man with just square blood, at most is an appetizer, not enough to plug his teeth.

Bailin was stunned to see Beiqin get on the bus, and her heart was in a panic.

He tried to escape by holding the other handle, but it was still a step too late. The door was locked by Beiqin from the inside and couldn't be opened at all.

Bai Lin was so angry that she gritted her teeth. Her wet eyes stared at him warily, "don't mess with me!"

That look is like looking at a big gray wolf. This little girl is really not cute. Just now, she didn't look at Hangyu like this. How can she feel that he is a devil as soon as she comes to him?

Beiqin took back his sight and drove calmly, but he was thinking about how to abduct the little white rabbit by his side tonight.

However, the little white rabbit's eyes were too strong and defensive. Beiqin suddenly sighed and parked his car on the side of the road.

Bailin's family originally lived in the far city, and there was no one on the road. Bailin was very scared. Thinking of this person's repeated bad behavior, her back was close to the car door, her big black and

white eyes widened to the extreme, and her hands were in front of her body. She yelled angrily: "Beiqin, don't mess around. If you dare to mess around like before, I'll call someone."

the tall figure of Beiqin came close to her in an instant, blocking the halo on her head, and her petite figure was all shrouded in the shadow by him.

His hand reached over and wiped her waist

Well

Bai Lin's back was numb, but he just touched her waist. She was so sensitive that she almost cried out. She quickly bit her lips, and her eyes were filled with mist, angry and anxious.

But there was a little expectation in her heart. Her heart beat uncontrollably, which made her grasp the fingers behind her subconsciously.

However, just as she closed her eyes and was bewitched to greet his kiss, the man's low and harsh voice, accompanied by a warm breath, penetrated into her ears."Are you waiting for me to kiss you?"

The banter was so annoying that Bai Lin bit her lip and even dared not open her eyes.

No face to see anyone. What was she thinking just now! You think Beiqin wants to kiss her?

Why is she so unprincipled? What a fool, what a shame!

Bai Lin make complaints about it in his heart, and suddenly a "click" sounds coming from his ear.

Random man's voice also came, "what are you doing with your eyes closed? Do you want me to kiss you?"

.....

Bai Lin's face was so red that she could bleed quickly. She wanted to find a hole in the ground.

Thought he was going to kiss her, but he just wanted to buckle her seat belt?

She thought he was going to kiss her. What a shame!

Ah, while she was wailing in her heart, she couldn't help losing.

She bit her lips, endured the shame, opened her eyes, and put on a pair of deep eyes, while the man's overbearing kiss fell down in this instant.

"Well..."

Bailin was unable to breathe for a moment, and was forced to open her teeth by him. She danced with her lilac tongue.

Bai Lin put her hands on Bei Qin's shoulders and subconsciously tried to push him away, but her whole body was so soft that she couldn't make any effort at all. The man's kissing skill was so strong that the air in her lungs was about to be drained by him, and her brain became dizzy because of lack of oxygen.

She thought vaguely in her heart, what did she want to do just now?

She felt like she was going to die, suffocated by his overbearing kiss!

Just when she began to roll her eyes, the man finally mercifully let her go.

The sudden air made Bai Lin limp and pant.

This person is so terrible, why do anything to her can make her have the illusion that she is about to die? But she seems to be bewitched by him. No matter what he does to her, she can't refuse.

This feeling is really terrible!

CEO Daddy Is Too Passionate - Chapter 1484

From the hospital, Bailin and Beiqin once again said, "thank you. Thank you today. I'll go first. See you tomorrow. Goodbye!"

Bai Lin just wanted to leave here as soon as possible, but after a step, she was stuck in the wrist by Bei Qin. "Wait, I'll take you home!"

This feeling is really terrible!

CEO Daddy Is Too Passionate - Chapter 1485

Beiqin looked at the girl's silly eyes, and finally fell on her red and swollen lips. She licked spring in aftertaste, like a cat stealing fishy.

"Satisfied?"

Are you still satisfied

Bai Lin covered her face shamefully. Why did he ask such a question?

She wanted to slap herself at the thought that she had been touched by him just now.

Beiqin recalled the girl's obedience just now. She rolled her Adam's apple around her ear, breathed and said in an ambiguous voice: "do you want to go to the hotel with me?" Ah

Before the words of the northern Qin Dynasty were finished, the soft meat on the waist was severely pinched by the woman.

Bai Lin stares at him angrily. It's too much. She thinks she's easy to be bullied?

"Hum!"

The girl put her hands around her chest and gave him a cold snort with disdain. She shook her ponytail and turned her head to look out of the window.

The North Qin sighed helplessly.

It seems that it is not so easy to get the rabbit.

Looking at the girl's breath, a pair of gas by him is not light, he can't help but want to laugh, even the heart has become soft a bit.

Instead of teasing her, Bei Qin broke her shoulder and pinched her fleshy face.

"Silly girl, I won't force you before you disagree. Don't look at me like that."

His palm is so warm, his voice is so gentle, and Bai Lin's unhappiness disappears immediately.

She blushed, hung her head down, bit her lips and did not speak.

In fact, she didn't believe what he said. This person is obviously the kind of old-fashioned, dealing with women one by one, and especially knows the psychology of girls and what they want.

Such a man is not something that she, who has no experience in emotion, can control.

Bai Lin coughed lightly and sat upright.

All the way back to the community, two people did not speak, as soon as the car stopped, Bailin wanted to get off, but he did not open the door, she could not open it at all, her eyes for help fell on him.

Just at this time, Beiqin's mobile phone rang.

He tightened his brow and took it up to see that it was Gu Tiantian. He hung up without thinking about it.

Gu Tiantian has been suffering for a long time.

She had thought that the hotel was doing things without knowing it. Unexpectedly, the employee of the hotel confessed her within an hour. The most important thing was that Beiqin personally handled the matter and accompanied Bailin to the hospital.

Bailin was unharmed, but she was as anxious as an ant on a hot pot. Her father just told her that Lishi group wanted to get in touch with all the cooperation with Gushi group. Originally, the cooperation between Gushi group and Lishi group was not one or two days, but it was very stable all the time. Today, all the supplies of Gushi group were suddenly replaced.

Without Li group as the main partner, Gu had to go bankrupt.

Gu Tiantian originally just guessed that there was some kind of unclear relationship between Beiqin and Bailin. However, when she tried, the relationship came out and caused her a big trouble.

But this afternoon he made countless calls from Beiqin, but he didn't answer them.

Gu Tiantian had no choice but to go to Beiqin, so he had to inquire about Bai Lin's residence and wait downstairs.

It really made people find Beiqin.

Beiqin hung up the phone, looked up, and saw Gu Tiantian standing in front of the car, looking at him with tears.

"Qin, I'm wrong! Listen to me, I can explain this..."

Beiqin originally didn't want to pay attention to Gu Tiantian. It's a waste of time for a woman like Gu Tiantian to pester him. However, the other party will pester him.

Beiqin could not bear it. He opened the car door and walked up to her with long legs. His handsome face was cold and overcast.

“Gu Tiantian, do you want Gu group to disappear from B city completely?”

Gu Tiantian is infatuated with looking up at the man with a cold face in front of him, but he is frightened because of his words.

Gu Tiantian and the man are looking at each other in the eyes. Her beautiful big eyes gradually appear a layer of fog.

She took him by the corner of his coat carefully and begged pitifully: “Qin, I do it all because I love you. Please see, if I do something wrong because I love you, will you forgive me this time? I’ll never dare again

She knows what a woman looks like most beautiful, and it’s easy to make a man soft hearted, but she miscalculated that in front of a man who doesn’t love you, no matter how beautiful you are, there is no attraction for him.

North Qin is about to be Gu Tiantian’s big words to angry smile, angry very anti smile.

“When I drugged a girl and wanted to take pictures, I said it was because of love? Gu Tiantian, your noodles are too cheap! ”

In the face of criticism, Gu Tiantian did not reflect on herself, but was extremely aggrieved.

“If she didn’t seduce you, how could you empathize? She’s the one who’s sorry for me first! “”You!”

Beiqin is about to be angry with Gu Tiantian’s words. Can this woman still order her face?

“Apologize to Bailin!” He was too lazy to argue with her and yelled at her.

“I’m not!”

Gu Tiantian has a stubborn face.

Beiqin suddenly grabbed his mobile phone and dialed a phone to go out, "from now on, no one is allowed to take over all Gu's projects!"

After hearing this, Gu Tiantian turned pale and came to grab Beiqin's mobile phone.

"Who are you calling? Don't do that! How can you do this! Gu Shi, you can't decide life and death with one word!"

As soon as Beiqin raises his hand, he easily avoids Gu Tiantian's hand. In the blink of an eye, Beiqin dials another phone.

"It's me. Do me a favor and say hello to that guy. All banks are not allowed to lend money to gu!"

What?

If you don't let the bank lend to Gu, Gu will die.

Gu Tiantian's little face turned white, and even the last bit of blood on her lips faded. Relying on Beiqin's mother's love for her and Beiqin's filial piety, she felt that even if she made a little mistake, it would be OK for her. It's a big deal to ask her aunt to talk about her love. But this time Beiqin was so determined that she didn't even answer her aunt's phone.

Beiqin hung up and looked at her sarcastically.

"Do you want to apologize? I'll ask you one last time!"

Gu Tiantian bit her fingers tightly, and her eyes were flushed with excitement.

She went to the car and looked at the woman in the co pilot's seat, gnashing her teeth.

“I’m sorry!”

Although he said the words of apology, the tone was not the appearance of apology at all, but with a sense of hatred.

Bai Lin pursed her lips, thinking that she was just a little closer to being There was a strong anger in her heart.

CEO Daddy Is Too Passionate - Chapter 1486

Bailin opened the door, got out of the car and stopped in front of Gu Tiantian as she passed by.

“Miss Gu, I’m afraid I can’t stand your apology. If you think it’s right to give a girl medicine to vent her anger, I have nothing to say.”

Gu Tiantian grits her teeth and looks at Bai Lin with anger and discontent. But when she thinks that Bei Qin is still looking at her, she immediately shrinks her discontent and looks at Bei Qin pitifully.

“Qin, you see, it’s not that I don’t want to apologize for her, but that she doesn’t want to accept it.”

Beiqin is not a fool. Don’t he know what the matter is?

Just with her perfunctory apology, it’s impossible for Bai Lin to forgive her.

The look on Beiqin’s face is colder, and he doesn’t want to talk to Gu Tiantian any more. After all, to deal with this kind of person, he doesn’t need to say that. It’s the most severe punishment for her to let Gu accompany her and make her lose her status as a miss of Gu’s family.

“Let’s go!”

He reached out to pull Bailin, but Bailin dodged him.

“I think Miss Gu has a lot to say to you. You finish first. I’m just a passer-by. Don’t pay attention to me. I’ll go first!”

Bailin’s calm tone made Beiqin a little flustered.

Is it because of this that Bailin is going to give up liking him.

“Wait, I swear what I told you is true. I know her on a blind date, and I have no feelings at all.”

Not to mention any emotional entanglement.

He didn’t like Gu Tiantian, and didn’t feel how much she liked him. Maybe he was rich and generous, so Gu Tiantian was reluctant to give up on him.

Obviously, men who fall in love think more than women.

Bai Lin is really angry. Gu Tiantian and Lin Zhan work together to frame her, but the relationship is between two people. The entanglement between them needs to be solved by themselves.

Bailin looked at Beiqin, and then looked at her. Standing beside Beiqin, she was staring at her with a pair of beautiful big eyes. She wanted to eat Gu Tiantian alive.

When I think of Gu Tiantian’s shopping in a shopping mall, I think that she treats Beiqin as a big wrongdoer. When I think of her vicious mind, I can casually give a girl medicine, shoot a video, and ruin her life. I don’t even feel like I’ve done something wrong.

She felt that Gu Tiantian was not worthy of Beiqin.

Her heart suddenly brightened.

All the time, she didn't know how to deal with the chaotic relationship between her and Beiqin. When Gu Tiantian looked at her with such hatred, she suddenly didn't want to push Beiqin out.

Didn't he say he liked her?

Bailin drooped her eyes and looked at Beiqin holding her hand. She suddenly showed a smile, patted the back of Beiqin's hand, and said with a smile: "don't think so much. I don't have any other meaning. You have to talk about it well. This matter will be clear. When you finish talking, I'll wait for you at home."

Waiting for him at home?

Beiqin suddenly laughed.

He contentedly released Bailin's hand and fondly rubbed her hair. "OK, wait for me at home. It won't be long. I'll go up right away."

"Well!"

Bai Lin nodded shyly and went to the elevator.

Knowing that Bailin's graceful and slender figure disappeared at the elevator door, Beiqin's eyes came back.

Also in this instant, the gentle expression on his face disappeared, replaced by the cold eyes.

"Miss Gu, what do you want to say? Give you five minutes. If you can't convince me, Gu group will pay for your stupidity and mistakes!"

Gu Tiantian looks at Bei Qin protecting Bai Lin, so angry that her fingers are shaking. Her jealousy is like poison, spreading a little bit.

She roared angrily, “is she that good? Why do you have to be her? Her family is so poor, she looks so old-fashioned, and she is a common university graduate. She has parents and younger brother to support. Being with her will only become a burden to you. Why do you have to be with her?”

“Oh

North Qin lit a cigarette, spit out a breath of white fog, swallow the clouds, driving in the fog, his handsome face unspeakable irony.

“Gu Tiantian, don’t compare yourself with her, because you don’t deserve it!”

“Why?” Gu Tiantian’s tears come out. It doesn’t matter whether she likes it or not. She’s just unwilling to lose to Bai Lin, a woman who wants nothing. “Beiqin, you’re blind. If you don’t choose me, I’ll choose her. You’ll regret it later!”

North Qin is not angry, but appreciate Gu Tiantian jump foot appearance.

“Gu Tiantian, what qualifications do you have to despise her? Her family condition is really bad, but she has always been self reliant, so what if you have money? Sell the hue, play tricks, try to make men pay for you! You know, every time I take you to the shopping mall and look at you looking at those luxuries and greedy eyes, it really makes me sick. “”I...”

Gu Tiantian never gives up trying to argue.

Beiqin didn’t give her a chance to speak. He interrupted, “do you think you had hidden your greed well at that time?”

Clearly very greedy, but also can suppress the desire, pretending to be a clean appearance, this appearance will only make him more annoying.

Gu Tiantian was stabbed by the northern Qin Dynasty and completely flustered.

“Qin, I’m not like this...”

“You say she’s old-fashioned. I’ll tell you that even if you wear the latest skirt of the season, you’re not as beautiful as her!”

“You Gu Tiantian is so ashamed and angry that she wants to die. For a woman who thinks she is very beautiful, such words are just like putting a knife in her heart.

However, Beiqin did not let her go because of this, and then said: “compare with your family, your father’s brilliant feat of spending a lot of money in Macao this year and losing half of Gu’s shares overnight, don’t you need me to say more? Your Gu family’s mess is a hole that can’t be filled. I’ll tell you something about her family. It’s not worth mentioning! ”

“.....”

Gu Tiantian looks pale.

Her self-confidence was destroyed. She thought she was superior, but Beiqin said that she couldn’t even compare with Bai Lin, a woman of no good.

Gu Tiantian couldn’t stand it any more and ran away crying with her face covered.

“Beiqin, you bastard, I hate you!”

Beiqin doesn’t worry about her hating herself. It doesn’t matter whether she hates or likes a person who doesn’t like or doesn’t matter.

However, if such a thing happened again today, it would not be as simple as letting Gu go bankrupt.

CEO Daddy Is Too Passionate - Chapter 1487

His cold voice opened, with a strong threat, “Gu Tiantian, if you are smart enough, you will know what you should do next!”

Gu Tiantian stops and turns to look at the man not far away.

The look on his face was very serious. His cold eyes looked at her like a cold sword, which could stab her at any time.

Gu Tiantian is heartbroken to the extreme. She knows that Beiqin is not willing to let go of caring for her family. If she doesn't ask others for help, maybe caring for her family will disappear completely from city B, and Bailin will be loved by Beiqin and will be extremely happy.

Although Gu Tiantian is very unwilling, he can only let go.

.....

Bailin walked out of the elevator and took out the key to open the door.

As soon as the key was picked up, a dark figure ran towards her and grabbed her arm excitedly.

"Ah

Bai Lin thought that when she met the gangster, her face turned pale. She said in a panic: "help! Help.. "

The next second, the mouth was covered, the body was a man's hand on the wall.

"It's me, don't cry, I won't hurt you!"

It's Lin Zhan's voice.

The light was dim, and suddenly something like this happened. Bai Lin was worried, so she didn't recognize Lin Zhan just now.

Familiar voice into the ear, but Bai Lin did not breathe a sigh of relief.

Thinking of Lin Zhan's intention to destroy her at night, she felt even more nervous. She looked around and found that there was no one here. The place where she lived was an old community. Many tenants felt unsafe and moved out of the place one after another. If she was shouting now, it was estimated that there would not be many people coming out.

Bailin was scared to death, but she nodded after several times of weighing.

Seeing this, Lin Zhan released her hand.

"Cough!"

Bai Linfu gasped for breath and touched her neck. She took two quick steps. Her big watery eyes were watching Lin Zhan warily.

"Lin Zhan, don't mess around. If you mess around, I'll shout out!"

Lin Zhan stepped forward, his eyes full of pain.

He didn't know how he was bewildered. He even listened to Gu Tiantian's instigation and did such things to her.

Gu Tiantian said that her relationship with Beiqin is very good, and they are going to get married soon. Bai Lin is a third party who interferes in their relationship at this time.

Gu Tiantian also said that Beiqin people just like to have fun. Their marriage is agreed by their parents, and they will definitely get married, so it must be Bai Lin, the third party, who will get hurt at that time.

Lin Zhan agreed to her.

He did not want to see Bailin continue to make mistakes. Maybe it was a good idea to cook the raw rice directly.

Until now, he didn't regret doing it, but he never had a chance.

He stepped forward two steps painfully, trying to hold her hand.

"Bailin..."

"Don't come here!"

Bailin flurried to the edge of the stairs, delicate pure little face flashed a trace of thick fear.

Seeing this, Lin Zhan quickly stopped, "I'm just here. Don't step back. You'll fall."

Bailin looked behind her and found that she had reached the edge of the stairs.

She hurried forward two steps, trying to negotiate with Lin Zhan.

"Lin Zhan, I don't care about what happened tonight. You were very kind to me and helped me a lot. I've always been very grateful to you. From then on, I can't face you any more!

We work in a company and a department. It's impossible to avoid meeting each other. But you can rest assured that I will apply for transfer from tomorrow."

Lin Zhan suddenly laughed at himself and interrupted, "it's not necessary."

"What do you mean? Lin Zhan, all I can think of is such a way."

“No, I’ve been dismissed by the company, and I can’t work in this field for the next 30 years!”

He loves his work very much, but now he is banned by Li, because the projects he carried out in Li in the past ten years were very confidential.

Of course, he felt that it was not just because of this, but because of Beiqin. He wanted to find a reason to vent.

Bai Lin was stunned, “you You said you were fired?”

In their business, the competition is particularly fierce, and they are still young. After 30 years, everything has changed, but the hard work in my life has become the present result because of the impulse.

Bai Lin suddenly became speechless.

But Lin Zhan said with a smile: “Bailin, actually I don’t think I’m wrong now. I really love you. Beiqin is not suitable for you at all. He and Gu Tiantian are going to get married soon. It’s impossible to marry you. It’s just to tease you. Don’t be naive any more!”

“.....”

Bailin was silent.

Obviously, Lin Zhan’s words are very different from what she saw just now. There is no relationship between Beiqin and Gu Tiantian any more, let alone marriage.

Why does Lin think so?

“Lin Zhan In fact, Beiqin and Gu Tiantian can’t get married. They have nothing to do with each other. I don’t know who said that to you, but obviously you were cheated!”

“What What?”

Lin Zhan took two steps back in disbelief, and his face began to turn white.

At this time, he reflected that he was used by Gu Tiantian.

He probably guessed that Beiqin wanted to break up with her, but she was not reconciled, so she found him and asked him to hurt Bai Lin, but she just moved her lips and sat down to get the benefit.

It turned out that the innocent person was him, not her.

Lin Zhan has no face to face Bai Lin and runs away.

“Bailin, I’m sorry. Fortunately, it didn’t lead to a big mistake. I’m gone. I wish you happiness!”

Bai Lin looked at his flustered back and suddenly called out: “Lin Zhan!”

As soon as Lin Zhan’s eyes brightened, he stopped and turned to look at her, with a smile on his face, “what’s the matter? Is there anything else you want to tell me?”

“I’m sorry!”

Bailin looked into his eyes and said very seriously.

She owes him an apology. If she finds out that he has other ideas about her, she will definitely draw a clear line with him. Won’t he be like this?

But Lin Zhan understood her idea.

She is still so kind, in fact, she is not wrong, is he step by step in inducing and breaking her heart defense.

Lin Zhan suddenly felt that he really didn't deserve such kind-hearted her.

Lin Zhan smile with a trace of bitterness, "Bailin, you just said right, we'd better not meet again."

Can see, can't get, will only let the heart more miss, so beautiful she, the first time to touch the feelings of him, how to forget?

Looking at Lin Zhan's lonely back, Bai Lin's nose is sour and her eyes are suddenly red.

After chatting with Gu Tiantian, Bei Qin goes upstairs and just meets Lin Zhan who comes down from upstairs.

"General manager of Beijing..."

The two people's eyes were stunned. Lin zhangang wanted to say hello and waved his fist at him.

CEO Daddy Is Too Passionate - Chapter 1488

Ten minutes later.

Bailin heard the knock, opened the door, looked at the man standing at the door, eyes choked.

"You are..."

On the man's handsome face, the corners of his eyes were obviously scratched with a dark mark.

Looks like a fight with people, face as heavy as water, a face unhappy.

With a flash in her eyes, Bai Lin asked speculatively, “with Did you fight with Gu Tiantian? ”

Although Gu Tiantian is a little hateful, she is a woman, so she should not fight with a woman, right?

However, the sign of scratching with paws is too obvious. It is likely that Gu Tiantian caught it.

Voice down, the man’s face more black, a face of wind and rain, three or two steps forward, unhappy geology asked: “you just talked with Lin Zhan for so long?”

The strong sour smell made Bai Lin speechless. “I didn’t say anything to him.”

What’s the matter with this damn overbearing tone? Didn’t he talk to Gu Tiantian alone?

This man is not good at double standard!

“Hum!”

With a cold snort, Bei Qin walked past Bai Lin and stood in the living room of several square meters. His eyes looked around. The old room, simple furniture, two rooms and one living room.

When he thought of something, he twisted his handsome eyebrows and pushed away the master bedroom. It was very old-fashioned furniture. At first glance, it was the room where his parents lived.

He turned to push the bedroom next to him. As soon as he put his palm on the door, he was stopped by Bai Lin.

“Well, what do you want to do?”

Bailin looked up at him warily.

It's impolite for anyone to look at other people's houses as soon as they come.

But Beiqin turned a deaf ear to her warning, coldly pushed her hand away and opened the bedroom behind her.

"Hey, don't go in!"

Bian Lin's face changed and she wanted to hold him, but now she couldn't stop him.

Beiqin stood at the door and looked at the room in front of him.

In the small bedroom, a small compartment is separated by a curtain. In the compartment, there is a one meter wide bed. Half of the wardrobe is hung with a woman's skirt, and the other half is hung with a boy's school uniform.

Beiqin clenched his fist and his face became very ugly.

He turned to look at Bai Lin, dark eyes staring at her, with a bit gnashing teeth to ask: "you and your brother live in a room?"

"....."

Bailin was startled by his cold eyes.

Isn't that obvious?

There are only two rooms in the house. She and her brother can only live together for the time being.

Her eyes had already explained everything. Beiqin secretly clenched her teeth, and her chest seemed to be blocked by something.

“How can you live in the same room with your brother?” he blurted out? Don’t you know that men and women are not compatible? ”

Bai Lin was stunned by his roar. Her nose was sour, and a layer of water mist gradually appeared in front of her eyes.

She thought that he might think that her family is too poor and look down on her, but he didn’t think that he was concerned about this problem, and his words were really ugly.

A wet idea came to my eyes. “He’s my brother. Only people with dirty thoughts can connect sister and brother to the relationship between men and women!”

If it is not because of the limited conditions at home, who is willing to do so? But is forced by life, no way to do it!

Her embarrassment is beyond the reach of rich people like them.

For the first time, she felt that the gap between them was so obvious that she was very depressed.

Beiqin droops his eyes and looks at the teardrops of the girl’s grievance hanging in the corner of his eyes. In retrospect, what he just blurted out is more or less hurtful.

The long arm stretched out and put her in her arms.

“Sorry, I didn’t mean anything else...”

Bailin is like an angry bird. She pushes Beiqin away angrily, goes to the gate and roars angrily: “you are not welcome in my family, you go for me!”

Beiqin went to the door and stopped in front of Bailin.

Bai Lin snorted coldly. She turned away from him and didn't want to pay attention to him.

This person is really puzzling. What does her family care about him?

Beiqin closed the door with his backhand and once again put his arms around Bai Lin's waist, pressing her on the door strongly.

"I don't mean to blame you, I just love you!"

"Well! Don't touch me

Bailin struggled to push him away from her.

She is really angry, how can this person say such a natural thing?

They have not yet determined the relationship between, is not a formal boyfriend and girlfriend, began to pick her that.

Beiqin's tall body did not move. Instead, he hugged her more tightly and said, "you and your brother are both adults. It doesn't matter if they live in the same room as when they were young, but they can't now! Be good, I don't mean anything else, but I'm not allowed to live together any more. I'll buy you a house, and we'll go to see the house now!" Beiqin took her and left, which was quite impatient.

What he said has been very euphemistic. In fact, he cares very much.

How can his woman live with another man?

Even if this man is her brother, he won't allow it!

It's good to say that he is male chauvinist. There are some things that he can't force himself to endure.

Bailin heart a pain, a waved his hand, wet eyes disappointed to look at him.

"Beiqin, I didn't expect you to be such a person. There is no relationship between us. You have no right to blame me! I live in a room with my brother. It's my business. It's none of your business. Please identify yourself

"What?"

Beiqin heard this, and his eyes were cold. "Bailin, please repeat what you just said!"

Bailin's heart jumped, and she felt afraid subconsciously, but she felt uncomfortable when she thought that he had just used those words to describe her and her brother.

"Beiqin, originally I really like you, secretly love you, but I also know that the gap between us is very different, you are the clouds in the sky, I am the low earth!

I live in a poor life with limited conditions. I can only live in a room with my adult brother. Maybe it hurts your self-esteem, but I'm sorry, this is me, the real me! You can't accept it. I can't change it, but it's OK. At least it's not started yet. It's too late! "

"In time?"

Beiqin's sexy thin lips are tightly pressed. Her sharp eyes are like a sword. She wants to break her heart to see if there is him in it!

"Bailin, you're not fair to me! Do you want to deny me all because of my words? "

"I..." Bai Lin was silenced by his questioning.

Beiqin was so angry that the veins on his forehead jumped abruptly, and a nameless anger welled up in his heart. He ran about in his chest and couldn't find a vent.

The slender fingers pinched her chin and bowed down to kiss her lips.

CEO Daddy Is Too Passionate - Chapter 1489

“Well...”

Bai Lin suddenly stare big eyes, small hand clenched into a fist, angry beat on him.

The strength on his fingers was so strong that her tears were about to burst out. She could no longer control it and sobbed sadly.

“Wuwuwuwu ~”

her hands hurt, but Beiqin didn't move, even her eyes didn't change.

He closed his eyes, focused on kissing her, plundered every inch of her mouth, forced her to retreat, and finally defeated.

This man This man

Bai Lin was helpless.

What should she do?

She was sad and sobbing, but she was helpless. Beiqin's heart pricked. The next second, he released her lips, picked her up, and walked eagerly to the bedroom.

Throw her on the big bed, can't help but say, three two take off the shirt on the body, tall body shape pressed down.

Bailin looked at his series of actions. Her beautiful big eyes widened in disbelief. She was so shocked that she forgot to run away. She watched him kiss her lips again.

“You Well...”

Ruddy mouth was blocked by him again, even his hands and feet were easily pressed by him, unable to move half a minute.

With one hand, Beiqin held her two palms, and with the other hand, he untied the zipper of her skirt and forcefully took it off.

Bai Lin's face changed, her eyes widened and she began to struggle, but she was not his opponent at all.

Beiqin was very angry, very angry. How could she easily say “I like you” and draw a clear line between them.

How could she be so heartless and indifferent to him.

In the heart of the northern Qin Dynasty, there was an unprecedented desire to conquer. He wanted to stamp her sharp claws and conquer her thoroughly.

His technique of flirting is really superb. Everywhere his palm goes, he lights a bunch of flames. His whole strength seems to be gradually drained by him, and he can only gasp.

Bai Lin is shy and angry. How could her body be so sensitive? This feeling made her feel very ashamed!

Beiqin felt her emotion, and her eyes were happy, and she did not hesitate.

However, at this moment, the door suddenly heard the sound of the key turning.

Both were stunned.

Beiqin raised his head, looked at the woman under him suspiciously, and asked silently, "who?"

Bailin's face changed. It occurred to her that her younger brother called her yesterday and he would go home today.

There are so many things happened in the past two days that she has forgotten about it.

Listening to the approaching footsteps, Bai Lin was so angry that she was about to cry.

Brother's habit, the door will put the bag into the bedroom.

To die, if her brother knocked her out in bed with a strange man, she would rather die.

Bailin pushed Beiqin hard, so anxious that sweat was about to come out.

"You go, my brother is back!"

"Where are you going?"

The northern Qin asked in silence.

The room is so small, there is no hiding place, even a bathroom, where to hide?

Bai Lin was so anxious that she was about to cry, "what should I do then?"

She even felt that the next second, her brother would open the bedroom door.

You're dead!

Blame this man!

Beiqin looked at her resentful eyes, and with a sharp heart, he stretched out his hand and pulled the quilt to wrap them tightly.

At this moment, the bedroom door was pushed open.

Bai Qi wring his bag into the bedroom, walked two steps, the whole person was stunned, turned to the ground.

Men's white shirts, black suit pants, women's commuter A-line skirts are scattered on the ground, and even a pair of men's black shoes are not far away.

A thunder exploded in his mind, and Bai Qi looked at the big bed incredulously.

Bai Qi said tentatively, "elder sister It's Is that you?"

My sister has always loved herself, and she has never heard of any boyfriends she has ever had. How can she bring people home?

Bai Lin didn't dare to breathe. She closed her eyes and wanted to turn herself into a wisp of air.

She deluded herself to pretend to be dead, but Beiqin was deliberately scratched by her waist.

"Ah..."

Bai Lin's back was numb, and a groan came out of her lips.

"Sister, it's really you!"

"....."

Bai Lin clenched her teeth, the air in the quilt was not smooth, and she was pressed by a man of more than one meter eight. Her little face was red, and she looked very lovely.

Beiqin used to be a little nervous. It's not glorious to do such a thing, but now she's not in a hurry. She wants her brother to lift their quilts and catch them, so that their relationship can be implemented. Bai Lin worried that the northern Qin Dynasty would continue to make trouble. Her eyes full of water mist glared at him. Then she said to Bai Qi, "ah Qi, go out first!"

In this case, it is obviously inappropriate for him to stand here and watch.

Bai Qi was silent for two seconds, turned around and went out of the door. He didn't forget to close the door for them. "Hurry up, I'll wait for you in the living room."

He wants to see which bastard has been abducted by his sister. He will look good later!

Bai Qi secretly clenched his teeth in his heart. However, when he saw a tall and handsome figure coming out of the bedroom, and her sister hung her head and blushed to follow the man, he was stunned and his eyes gradually widened.

"You You are vice president of Lishi group, Beiqin

Beiqin is a legend of Q University, and Bai qiganghao is also a computer major. He is the younger brother of Beiqin Zhenger Bajing.

Although Beiqin graduated for many years, his legend has been circulating in Q University.

Bai Qi has been secretly worshiping the northern Qin Dynasty in his heart. He thinks that if he can meet the northern Qin Dynasty one day and discuss with him in person, he will surely benefit a lot.

Is this really his sister?

Beiqin thought that Bai Qi wanted to blame Bai Lin, so he took Bai Lin's hand and said firmly: "don't worry, I will be responsible for your sister!"

Bai Lin glared at him and said: "don't talk nonsense! I don't need you to be responsible!"

The best they can do is to play a few P's. what do they say is responsible?

No matter how high Bai Qi's IQ is, he doesn't know how to deal with this situation. Just now, he wanted to scold the man who bullied his sister, but in the face of his idol, he not only couldn't scold, but also became a little nervous.

Idol becomes brother-in-law? It seems to be pretty good!

CEO Daddy Is Too Passionate - Chapter 1490

Excited, Bai Qi blurted out: "will you marry my sister?"

The room suddenly fell into a dead silence.

Beiqin didn't expect that he would ask such a question directly, but Bailin wanted to be killed, as if she couldn't get married.

She secretly glanced at Beiqin. The man's face was a little stunned. He should have been shocked by this sentence.

That look is not going to marry her.

Bai Lin felt embarrassed and said, "Bai Qi! Shut up

Bai Qi was yelled by his elder sister and blinked her big clear eyes innocently, "have you all been like this Aren't you going to get married yet?"

If so, he decided that Beiqin was no longer his idol, but his enemy. He would fight irresponsible villains again and again in the future.

Beiqin looked at Bai Qi's angry face and recovered.

He took Bailin's hand and said firmly: "yes, as long as she is willing to marry me, I am willing to marry her."

Bai Lin felt uncomfortable, as if she had to marry her because of this.

She didn't want that.

Bai Lin's heart gradually became a little cold, and she drew her hand back from his palm.

"Ah Qi, my sister is an adult. Don't say that. You'll embarrass others!"

The word "others" in her mouth naturally refers to Beiqin.

Bei Qin tightened his brows and looked down at Bai Lin.

"I mean it. I want to marry you, not just talk about it!"

"No need!"

Bai Lin cold next face, tone also involuntarily increased a few minutes.

The atmosphere in the room suddenly became dignified.

Bai Qi looked at Bian Lin and North Qin, confused.

Just now Beiqin didn't mean to be responsible, but his sister didn't want others to be responsible.

What kind of situation is this?

Just as they were in a stalemate, footsteps and voices came from the door.

"I'm still comfortable at home. After lying in the hospital for a long time, my bones are about to fall apart!"

"You don't want to save some money. Just when you're getting better, you're making a fuss about going home. It's really upsetting."

"It's OK. I'm at this age. Don't make trouble for the children any more. Seeing that their brothers and sisters are so promising, I have enough to live."

The voice of Bai PA and Bai Ma comes into the room, and Bai Lin immediately turns to Bai Qi.

"How can my parents come back at this time? Why didn't you just say that?"

Yesterday, Bai Qi went to the hospital to take care of his parents, so he must know that his parents came home.

Bai Qi scratched the back of his head and apologized: "sister, I just forgot My parents asked me to come back early to clean up the house. I didn't expect to see you and So I forgot. "

Bai Lin

She stamped her foot and led Beiqin to the bedroom.

“My parents are back, you hide first!”

North Qin Junyi’s eyebrows twisted into a Sichuan word, cold hum voice with a strong displeasure, “why hide? Am I so shady?”

The footstep of the door is more and more close, Bai Lin is anxious to have cold sweat to all come out.

“Hurry up! There’s no time to explain to you now!”

Her parents are very conservative people. If they know that they have done that, they have to chop her up, or even sever the relationship between father and daughter.

However, the tall body of Beiqin was not moving. Her feet were like nails on the ground. She could not pull him with all her strength.

Just as the two people were fighting, the door was pushed open.

“Lin...”

Bai Ma saw Bai Lin at home happily, but before she could be happy, she saw the strange man she was pushing.

The man is noble, the suit is straight, the bearing is dignified, that style only has seen in the television.

“He Who is he

Bai Ma looks at Bai Lin in doubt.

Bai Lin immediately threw away Bei Qin's hand, with an embarrassed smile on her face, "I Vice president of our company, my boss."

"It's you who lead it!"

Bai Ma quickly put down the things in her hands, wiped her hands on her body, and warmly said, "leader, please sit down. Our house is simple, don't give up!"

Said, but also took a clean towel out of the sofa has been wrinkled wipe clean, "please!"

As the older generation, the company's leaders are very powerful people, to work to maintain a sense of awe.

But Bai Ma's flattering attitude made her feel very uncomfortable.

She took the towel from Bai Ma's hand and said in a low voice, "I'll do it. Just sit down and have a rest!"

"Oh, you silly girl, the leaders didn't sit down. How can we sit down?"

Bai Ma scolded Bai Lin and turned to look at Bei Qin with a smile. "I don't know how to call you?" Bei Qin walked towards Bai Ma, bent down, held her in both hands, sat on the sofa and said politely, "aunt, you just call me Bei Qin. You don't need to be so polite. I'm not Bai Lin's boss here, I'm her boyfriend."

"Well, well, now young people are modest..."

Bai Ma didn't react. She thought of the word "boyfriend". She immediately stood up from the sofa and said, "what do you say? Are you her boyfriend?"

Bei Qin was startled by Bai Ma's reaction, but he nodded honestly, "yes, I want to associate with her."

“This...”

Bai Ma’s face became not calm, and she looked at Bai PA in a panic.

There was something I wanted to tell my daughter. In fact, when she was very young, she was given a baby kiss. The Li family came to B city from the countryside some time ago. Yesterday, they went to the hospital to see them. The Li family also mentioned the marriage of the two families.

The daughter is in love. How can she tell the Li family?

Bai dad didn’t speak. He sat down on the sofa in silence. He took out a cigarette from his pocket and washed it in his mouth.

“Beiqin, right? As you can see, we can’t give her anything when lin’er gets married. I don’t care about what kind of man she will marry and whether she has money or not. I just want to treat her sincerely and cherish her.”

Although Bai PA’s words were very euphemistic, Beiqin understood them.

Bai dad doesn’t want Bai Lin to associate with him.

“Uncle, I really like her. Please help me.”

“I think you must be very rich in your dress. The conditions of our family are very different from yours. There will be a lot of conflicts in the future. Even your family may embarrass her. You are not suitable.”

Although Bai dad didn’t read many books, he was stubborn in all kinds of ideas, and he was a very principled and honest man. He had to do what he promised others.

The Li family is a good monument to the population. I met the Li family's child yesterday. He was polite, sweet and diligent. The key is that the two families are well matched. After her daughter married, she won't suffer and will not be looked down upon.
