CEO Daddy Is Too Passionate - Chapter 1501

The words of the northern Qin Dynasty overwhelmed the last psychological defense line in Xia Ye's heart.

She didn't care so much any more. She rushed up directly and surrounded Li Xingchen's thin waist from behind, "no! Stop fighting! He will be killed by you

"Let go, let me kill him, such scum scum, living in the world is a waste of air!"

"No!"

Li Xingchen hit red eye, the anger sea in the heart completely submerges reason, dare to bully his person unexpectedly, really don't want to live.

I can't stop at all. I just want to beat this scum to death.

Summer leaves more flustered, afraid of the body are shaking, "Li Xingchen, don't fight, I don't want you to go to jail, if you go to jail, what do you want me to do?"

"I'm not going to jail. Let me go!"

Summer leaf listened to this words, in the heart more anxious.

She knew that the Li family was very powerful. Maybe Li Xingchen didn't have to go to jail. After all, Ma Xingguo was the one who did wrong, but killing someone would affect his reputation.

She didn't want him to do anything for her and get hurt.

Xia Ye was so worried that she choked and cried out: "Li Xingchen, if something happens to you, what do you want me to do? So please, stop, please think about it for me"

She burst into tears, hot tears dripping on his back.

Li Xingchen's back suddenly froze and looked back at Xia ye in disbelief.

"What did you say?"

Didn't she want to draw a line with him? Didn't you ignore him?

Xia Ye nods and pours into his arms. She holds his collar in her little hand and cries with rain.

"After you protect me, I rely on you. Don't you want me to be your girlfriend? I promise you"

In fact, her heart has been shaken.

Li Xingchen is such a good man, how can she not be moved?

It was because she knew the difference between them that she did not dare to force. The more she expected, the more disappointed she was. So she kept her feelings sealed up and did not dare to touch them.

But tonight, when she was in danger, she was full of Li Xingchen.

Is it a pity to think that if she died here tonight?

It's a pity that she didn't tell Li Xingchen what she had in mind and didn't tell him. In fact, she also liked him and wanted to be with him, but the gap between them was too big. She didn't have a sense of security, so she retracted herself into a heavy shell like a snail.

Li Xingchen's dark eyes burst out with a huge surprise. He looked down at the woman in his arms with a look of nostalgia,

her chin was lifted by her sharp fingers, and his heart was suddenly excited when he looked at her pitiful little face.

"Is that true? You didn't lie to me?"

Xia Ye shakes her head, tears in her eyes are very firm, "I didn't cheat you, as long as you don't dislike me, I promise to be your girlfriend."

"But..."

Li Xingchen's heart is still nervous, worried that Xia Ye deliberately said this in order to prevent him from killing Ma Xingguo.

Xia ye saw that he didn't believe himself. She blinked her tears, bit her lips and stamped her feet.

"You You're so beautiful! Hum, I'll never talk to you again

Xia ye had tears in her eyes. Seeing Li Xingchen, she still didn't believe in herself and looked at her with that kind of eyes. She was worried to death.

But no more superfluous words can be said. After all, she just said that she would be his girlfriend.

She was a conservative girl, and she was not old enough to say that.

As soon as she was worried, her tears flowed more fiercely, and now her face was still injured, she looked more embarrassed and pitiful.

Li Xingchen worried bad, quickly coax a way: "don't like this, I know wrong!"

Ma Xingguo is just an outsider after all, and it's not worth it because he destroys the rare atmosphere between them. Even if she coaxes herself, she can't escape in front of so many people.

After Li Xingchen wants to understand, he will not worry about this problem.

He took her hand painfully, "let's go, I'll take you to the hospital for an examination first."

There are injuries on the face and body. I don't know if there are more serious injuries.

Thinking of Xia Ye just like a frightened bird, his eyes condensed a layer of hostility.

He thought of a problem in his mind.

Did Xia ye be bullied by Ma Xingguo just now?

Looking at her just now, she was afraid of someone approaching her, but her mental state seemed to be OK.

It's not easy to ask this kind of question directly. It will hurt her self-esteem, right?

However, no matter whether she was bullied or not, he would not want her.

Thinking of this, Li Xingchen became firm again. But Xia Ye resists going to the hospital, and doesn't know what Li Xingchen thinks.

In fact, she didn't think so much. What she thought was that she was not bullied by Ma Xingguo. She just thought that if Ma Xingguo's dirty hand touched her, she would be disgusted.

She's like this now. She just wants to go home and take a shower and change into clean clothes.

Just thinking about that, Xia Ling called.

The tone is very anxious, "little leaf, where are you? Why don't you come home so late?"

Xia Ye is a good girl. She will never spend the night outside for no reason.

Xia Ye is not good at lying. She grabs her mobile phone and doesn't know what to say for a moment, "sister I am..."

Li Xingchen sighed, snatched the mobile phone from Xia ye, and said with a smile, "elder sister, Xia Ye is with me!"

"Li Shao?"

Xia Ling's voice has a trace of vigilance, but also an imperceptible joy.

It's hard to change a person's idea. Although Xia ye had a long talk with her last time, she didn't force Xia ye to do anything any more, but she still felt that it was better to be with noble young masters like Li Xingchen than to read many books.

Li Xingchen doesn't know Xia Ling's idea, but he doesn't care what she thinks. What he cares about is Xia Ye's idea.

He said, "sister, today we have activities in our school. It's too late to go home, so we live outside."

This excuse is so bad that you don't even need to think about it. But Xia Ling doesn't care what the truth is, as long as Xia Ye is with Li Xingchen.

Xia Ling immediately said with a smile, "if it's OK, we'll ask you to take care of Xia Ye." "

with that, Xia Ling hangs up happily.

Xia Ye curled her little mouth and muttered in a low voice: "she is relieved..."

Li Xingchen took Xia Ye's hand and asked softly, "don't go home tonight. I'll take you to the hotel to clean and change your clothes."

Hotel?

Thinking of what Li Xingchen plans to do to her in the hotel tonight, her heart is subconsciously tight.

Hesitated for a while, finally nodded, voice if mosquito chant tunnel: "good."

Li Xingchen laughs and touches her head, "good boy!"

CEO Daddy Is Too Passionate - Chapter 1502

After taking Xia ye for two steps, he remembered that Bei Qin was still here. He stopped, turned around and said to him: "Uncle Bei, it's hard for you tonight. Go back first!"

Beiqin looked at him and Xia Ye holding hands together, but shook his head.

Li Xingchen is a devil of the world. He has been mischievous since he was a child. It's very troublesome. He often faints Wenqiao's anger. Now he's still in love. It's said that Xia Ye is still a top student in the class.

Although all of them have reached the age of 18 and are adults, as a student, they should focus on their studies.

Beiqin thought about it, but he couldn't help but remind him.

"Stars, you are students now. You should focus on your studies."

"I know. I'll try."

Li Xingchen said with a smile.

What he said was very casual. In addition, he was a lousy person at ordinary times. Naturally, no one took his words seriously and thought it was perfunctory. No one knew that his mentality had changed.

Anyone will grow up unconsciously. Li Xingchen is just like that. At the moment when he likes Xiaye and wants to lean on her, he has become mature.

However, no one will understand him now. It doesn't matter. He just knows what he wants to do.

Li Xingchen thinks so in the heart.

He took Xia ye to the hotel. It was too late and all the clothes shops outside were closed.

After thinking about it, he called his elder sister.

The elder sister's figure is similar to that of Xia Ye. She should be able to wear her clothes.

Li Qichen is sleeping soundly with her little wife in her arms. When she receives a call from Li Xingchen, she is very angry.

“If you don’t sleep in the middle of the night, don’t you owe me a beating?”

Li Xingchen looks disgusted, “brother, you want to be angry at me, let elder sister answer the phone, OK?”

Li Qichen looked down at his wife who was shrinking in his arms. Her eyes softened a little.

“She’s asleep!”

“I’m in a hurry, brother. Please help me! Either you send me a dress or I’ll let my elder sister answer the phone.”

“.....”

Li Qichen grits his teeth, “Li Xingchen!”

“Brother, please help me. You can send me a new dress that my elder sister hasn’t worn yet. Thank you.”

With that, Li Xingchen hung up directly.

Listening to the busy voice from the phone, Li Qichen reluctantly rubs his eyebrows, reluctantly releases his wife, gets up to put on his clothes, finds a new dress in the wardrobe, and drives to the hotel in person.

Li Xingchen hung up and sat on the big bed of the hotel, listening to the clattering sound of water coming from the bathroom. He was very upset.

In fact, clothes came second. He suddenly wanted to talk to his elder brother.

He’s in a bad mood right now.

Xia Ye has been going to the bathroom for more than ten minutes, but there is still no sign of coming out. Thinking of the news he saw on the Internet before, his fingers holding a cigarette are shaking.

Will Xia ye have been bullied by Ma Xingguo?

Yes, it's very possible.

Thinking of this, his heart could not help but want to kill.

After a while, Li Xingchen had several more cigarette ends in front of him, but Xia Ye was still in the bathroom and had not come out.

Li Xingchen can't help but walk over and knock on the bathroom door.

"Summer leaf, have you finished washing?"

Xia ye thought that she was touched all over by several people just now. Although she was not bullied, she was taken advantage of. This is for sure.

Xia Ye is very uncomfortable. Her head is filled with the laughter of Ma Xingguo and the man. She rubs her skin red.

Even if it's not enough, I still feel dirty.

"No No You wait a little longer. "

The voice of summer leaves is trembling.

Li Xing Chen Jun Lang's brow wrung fiercely, just hesitated for a moment, then directly stretched out his hand to push open the bathroom door.

The girl stood under the shower, rubbing her body hard.

Originally white skin, now red and swollen up, looks shocking.

He strode forward, holding Xia Ye's almost self abusive hand, turned off the shower, and forced her to wrap up with the bath towel around her.

"Xia ye, what are you doing? Don't wash it, you'll hurt yourself

Summer leaf just all the way to endure, at this time can no longer control crying out.

As a child, she had no parents. The two sisters were too beautiful. They were coveted by the wretched men around her. Every day, she was restless. Even several times, she wanted to disfigure her face.

For more than ten years, the feeling of tightening her heart all the time is about to push her to the extreme.

Tonight, when she was pressed by two people, watching Ma Xingguo feel her body excitedly, she even thought of death and understanding.

Why do people live so hard when they are born in this world? Xia ye thought of such a bad thing and held Li Xingchen's clothes tightly. She cried hard, as if she wanted to cry out the tears she had repressed for more than ten years.

But Li Xingchen misunderstands and is more sure that she has been trampled by Ma Xingguo.

His eyes flashed bloodthirsty cold light, clenched fist because of anger, in a slight tremble.

Ma Xingguo's three men have been sent to the police station. They must spend their whole life in prison, but this is far from enough. He must let them die rather than die.

He stretched out his hand and patted the back of Xia Ye's hand gently. He restrained his fierce expression, and his voice coaxed him gently.

"It's all right, it's all over. Don't think about it any more. I'll protect you in the future. I won't let others bully you again."

The temperature of his body is very high, along with the two people close to the skin, gradually spread to her body, her cold body gradually become warm up.

Summer leaves cry, cry tired, coupled with what happened tonight is too exciting, too tired.

She was lying in Li Xingchen's arms and fell asleep with a burp.

The little nose is red. Even if I fall asleep, I am still smoking. It looks very pitiful.

Li Xingchen put her on the bed, looking at her pitiful appearance, staring at the purplish red lips for a long time.

He's been thinking about this lip since he forced her to kiss her that day.

He knows how sweet this mouth is. It's like an invisible temptation. He can't help but want to get close to it and taste it again.

Li Xingchen stares at for a while, more and more feel thirsty, finally swallow a mouthful of saliva.

Thought, she is already his girlfriend, a kiss should be no problem?

Thinking about this, Li Xingchen summoned up courage, slowly lowered his head and leaned towards the red lips.

A kiss from a dragonfly skimming water, gently, just like a feather falling down, so light that you can hardly feel it.

He was afraid to disturb her.

But his heart began to thump, his ears could not hear anything, he could only hear his heart beating, faster and faster.

“Plop, plop!”

CEO Daddy Is Too Passionate - Chapter 1503

Just at this time, the mobile phone rings, Li Xingchen seems to be surprised and jumps away.

He realized what he was doing and his white cheeks were red.

Grab the cell phone and rush out of the room.

When he came downstairs, Li Qichen was waiting for him at the door of the hotel. Seeing his face flushed and dejected, he couldn't help patting him on the shoulder and saying, “you don't hide a woman in the room, do you? You're only 19 years old. Is it too early for something?”

Li Xingchen took the clothes from Li Qichen's hand, clenched his fingers, and flashed a tangle on his handsome face.

“Big brother Let me ask you a question...”

Looking at the younger brother's appearance, Li Qichen twisted his brows, “what?”

“If you like a woman, but she is bullied by others What would you do? ”

He is only 19 years old after all, although he knows that even if Xia Ye is bullied, he will not want her for this reason.

But There is a place in my heart that is always blocked in a panic. This gap is like killing Ma Xingguo and the two men, which can't be made up.

Li Qichen a Leng, thought of Li Xingchen tonight's performance, in the heart had a bold guess.

“You mean Summer leaves? She was bullied? ”

“.....”

Li Xingchen's back was stiff and his eyes dodged, but he finally nodded.

Li Qichen knows Xia Ye. He thinks she is very good. In terms of her own excellence, her brother, who is like a devil in the world, really doesn't deserve her smart little girl.

Li Qichen heavily patted Li Xingchen on the shoulder, didn't say much, just said: “if you really love her, don't care about these, if you care, then don't start, Xia Ye is a good girl, you think clearly.”

“I...”

Li Xingchen suddenly doesn't know what to say. Big brother is right. If you can't accept others, don't start.

But he likes her and wants to be with her, but there is still a small corner in his heart, which is very uncomfortable.

This kind of thing can only rely on his own to understand, others say too much let people interfere with his decision, Li Qichen did not say more, to the clothes to drive away.

Li Xingchen carrying clothes, back to the room, the heart is still thinking of Li Qichen's words just now.

He said if you care, don't start.

It's impossible!

He's sure he wants summer leaves!

When he thought about it, he was more sure.

He is absolutely possessive of her, but this kind of thing is a great harm to anyone. He should pity her more.

Open the door, Xia Ye has woken up, wrapped himself in a quilt and sat on the bed with his eyes dazed.

Hearing the sound of the door opening, she turned her head and looked at the door.

The look in his eyes was like a wounded animal. When he saw the stars, there was a flash of surprise.

Xia Ye lifts the quilt, jumps down from the bed and runs towards Li Xingchen.

"Where did you go just now? I'm so scared

She didn't wake up to see him, thinking he had abandoned her.

Li Xingchen just tangled all the way mood, at this moment all disappear, suddenly enlightened.

As long as it's her, as long as she's still around him, holding hands with him and smiling at him, he should be content.

There are many regrets and imperfections in life, which is a lesson they must bear.

"Don't be afraid. I'm just going to get your clothes."

The haze of Li Xingchen's eyebrows is gone, and he hugs Xia Ye tightly.

There was a dead silence in the air.

The man's Adam's apple rolled up and down, swallowing his saliva, his muscles tensed, and his Qi and blood rushed in the same direction.

"I..."

Xia Ye's eyes dodged and her brain was blank.

After staying for a few seconds, he timidly wanted to take back the arm around his neck and wanted to run away. However, he grabbed him hard again, turned his body and bumped into his broad arms.

"Li Xingchen Well..."

Xia Ye looks up in panic.

Li Xingchen's dark eyes are like two burning flames. She clasps her chin and kisses her head.

His kisses were reckless and unskillful, and several times his teeth hit her lips, causing her to gasp.

But she couldn't bear to push him away. Her hand around his neck pulled down, and subconsciously stood on tiptoe.

He is very tall, 19 years old has been 1.8 meters tall, she is 1.65 meters, among the girls is not very short, standing in front of him can not say petite.

His slender white leg is tight into an elegant straight line, which is even more white as porcelain against the background of his black suit pants.

It was also her first serious kiss. Instinctively close your eyes and slightly open your lips.

The long eyelashes are like butterflies perched on branches, shaking uneasily, and like pupae about to break cocoons, waiting for the courage to break through everything.

The breath is more and more heavy. In the quiet room, there is only the sound of two people's violent heartbeat.

I do not know when, Xia Ye has been put on the bed by the man, the man's tall body is lying on her body.

Xia Ye nervously grasped the sheet. Her reason had returned to her mind. She knew that she should push him away.

Can think of his just save her gentle eyes, her arm how can't make strength.

It's strange.

If it was another man, she would be afraid.

If it was him, there was a little desire and expectation in her heart besides fear, even though she didn't know what she was longing for.

Just when Xia Ye is ready to offer his best self to him, Li Xingchen suddenly stops.

He rolled over to her side, closed his eyes, calming the rising and falling breath.

This situation makes Xia ye a little confused. It seems that she is a little lost in a certain angle in her heart, but it is more fortunate.

“Hoo ~ ~”

it’s a shame that she didn’t push him away just now.

How could she?

She grabbed the quilt and wrapped her blushing body tightly, even covering her head.

Li Xingchen opened his eyes and sat up. The bath in his eyes had been suppressed, and he recovered his pure brightness.

He opened a little quilt, is changing the voice of the male voice, low alcohol and hoarse, chuckled, “don’t cover yourself.”

Xia Ye’s red face is exposed from the quilt. Her clear eyes are flustered and don’t know where to put it. She confronts her fingers.

“I We So It’s not right

“I know! I won’t touch you now. “

CEO Daddy Is Too Passionate - Chapter 1504

Summer leaves smell speech, long ground relaxed a breath.

She thought in her heart, it's still early to graduate. They are only senior three now, and there are still four or five years to go before they graduate from university.

Obviously, she misunderstood Li Xingchen.

Xia Ye nodded shyly, feeling a little touched and warm.

It turned out that he had been thinking so long. She secretly decided to do his homework well, and then they would be admitted to the same university.

To tell you the truth, Li Xingchen belongs to the kind of very naughty, but also very smart people.

This kind of person, unless he does not want to do, as long as he is determined to do things, anything can be done successfully.

Looking at the girl friend's clever and sensible appearance, Li Xingchen's unspeakable satisfaction.

That night, the two people put their arms around each other and slept quietly all night.

Since that day, the relationship between the two people has suddenly become sticky.

Some time ago, the two people who were fighting each other openly "showed their love" in the classroom, which made people surprised.

Li Xingchen always stares at Xia ye with his wolf like eyes, for fear that others will not know what he thinks of her. Xia Ye is always shy and blushes.

Li Xingchen studied very hard during this period of time. He even stopped playing his favorite basketball.

Qi Jinyu and Wang Xinran once bet whether they would be together. Obviously, Wang Xinran won.

Qi Jinyu very depressed to Wang Xinran washed a semester of smelly socks, very confused tangled appearance.

“How can the boss like that nerd Xia ye?”

Before the boss so gossip girlfriend, which is not the school flower Department flower? Xia Ye is wearing a pair of big glasses. She is also rustic. She is standing with the noble child brother of the eldest brother. She doesn't match it.

Wang Xinran didn't agree with Jin Yu's words. He said coldly, “you're a shallow person. You're the one with the same beautiful skin and the one with the same interesting soul!”

He did not do well in his studies. He admired Xiaye, the omnipotent Xueba. Xiaye was his goddess.

The goddess is a good match for the boss.

As for Wang Xinran's explanation, Qi Jinyu has no way to refute it. Otherwise, what else can the boss like?

If you want to have no body, well, you can't see any body. If you want to have no face, he doesn't think Xiaye is worthy of their handsome and golden boss.

It's true that Xia Ye is a Xueba, but obviously this advantage no longer exists. The eldest is the second in the school, which is a little worse than Xia Ye.

At first, the teacher was worried that their falling in love would affect their academic performance, but later, their performance did not retreat, but improved by leaps and bounds, one by one, and they seemed to leave the third place in the school far behind.

As long as it doesn't affect their study, the teacher turns a blind eye to their little actions.

Of course, the students in the class have no opinions.

Li Xingchen used to be the devil of the world. He always beat people. Now he doesn't beat people, and he's polite.

This kind of harmonious classmate relationship is the holy land of learning!

Qi Jinyu put down the smelly socks in her hands and put them close to Wang Xinran's ear.

"Wang Xinran, or Let's make another bet

"What?"

"Bet boss can't talk to Xia Ye!"

"How can it be!" Wang Xinran immediately jumped up and wanted to refute.

A few days ago, he saw the elder general Xia Ye blocking up in the small passage and kissing him. However, he thought that since Qi Jinyu wanted to be the wronged leader, why didn't he do it?

Wang Xinran said with a smile: "good! Bet on it! What's the bet this time? "

"Smelly socks for the whole university."

Qi Jinyu and Wang Xinran are the bottom students in the class. Naturally, they can enter the University, and they will become classmates without any suspense.

"Well, who's going to say it's a puppy?"

Wang Xinran was overjoyed and agreed without hesitation.

Time passed quickly, six months passed in the blink of an eye, and the tense college entrance examination came as scheduled.

Wang Xinran and Qi Jinyu started to read in the early morning. They were extremely nervous. On the contrary, Li Xingchen had a light face.

Thinking of going to the same university with Xia ye after graduation and doing whatever you want, I feel very happy and can't help singing.

Wang Xinran and Qi Jinyu curiously come together, "boss, aren't you nervous and worried?"

Li Xingchen glanced at them faintly and hummed haughtily, "why should I be nervous? Only the dregs will worry about such a simple problem as the exam

"....."

Qi Jinyu and Wang Xinran suddenly felt the 1000 points of critical attack from Xueba.

Xueba is really the most unlovable creature in the world. Did he forget that just a year ago, just like them, he was a scum in scum, a fighter in scum?

At the end of the examination, Li Xingchen and Xia Ye ranked first and second in the school.

Li Xingchen's score is a few points higher than that of Xia ye, only a little less than the full score of metamorphosis.

When winjo saw the score, he couldn't believe it.

"Son, you are It's really... "

I'm so excited that I don't know how to express it. I've been worried that my son won't go on the journey. Now that he's OK, he almost becomes the number one in the national college entrance examination.

Naturally, she also heard the rumors about Li Xingchen and Xia Ye's puppy love.

In this regard, she is a gentle mother, the child has grown up, she will not deliberately intervene in these things.

In particular, the two children were almost under her nose, and she knew that nothing could happen to them.

They appreciate each other and make progress together. Why stop them?

Moreover, Xia ye, the "expectant daughter-in-law", has always been very satisfied.

The Li family was originally a family at the top of money and power. She didn't have to find a daughter to marry her children.

As soon as Wenqiao was happy, he suggested to his son.

"Xiaobao, it's your birthday in two days. How about a party? Invite all your classmates home to play. After graduation, we will go our separate ways, and there will be few opportunities to meet each other in the future."

Li Xingchen likes to be lively originally, to this kind of proposal nature won't refuse.

However, this matter has not been handed over to Wenqiao, let alone to hold at home.

"Mommy, I'll do it myself. Do you still have a headache recently? Don't worry about my business. I know what I'm doing."

Li Xingchen gently pressed Wen Qiao's temple with his fingers.

Wenjo hummed comfortably.

I thought that Xiaye was responsible for her son's transformation. When they graduated from university and got married, she would not have to worry about anything and would give Xiaobao to Xiaye directly.

CEO Daddy Is Too Passionate - Chapter 1505

At the Ellison Hotel, Li Xingchen threw a lot of money and made a grand package.

Champagne, disc music, cake The atmosphere is at its height.

Female students to summer leaf can become Li Xingchen girlfriend, is simply envy hate.

But Li Xingchen is indifferent to the other girls in the class, so they admire Xia ye more.

After all, we can only envy what we can get, and we can only envy what we can't get.

The male students are playing cards and drinking, while the female students are playing the truth game.

We are not curious about Xia ye and Li Xingchen, but there are some shameful things. Xia Ye is embarrassed to answer, so she chooses to drink. After a while, she drinks two or three cups in succession. She looks very cute with a red face.

Li Xingchen plays cards with people, but his eyes are always involuntarily glancing at Xia Ye.

Their eyes collide with each other in the air from time to time. Xia Ye's heart beats faster, and her blushing face is even more red.

Seeing this, Li Xingchen twisted his eyebrows slightly.

This girl won't get drunk, will she?

Another round of drinking, Xia ye once again lost, this time students directly asked the most powerful, most concerned about the problem.

"Xia ye, did you give Li Shao the first time?"

Smell speech, summer leaf originally chaotic brain become more dull, originally hot cheek scald to the extreme.

They never crossed that line.

She blushed and replied, "no!"

"Ah? You didn't? It's impossible

Female students have coax, "Li Shao so handsome, you don't beat him, it's outrageous!"

"Xia ye, you should not be

"Er..."

The voice of the female students is not small, and the male students who are playing cards here hear the laughter, and they also follow it.

"Li Shao, you are so greasy that you haven't had a relationship yet?"

"It's impossible!"

Li Xingchen lightly raised his eyelids and looked at the talking classmate, “she is still small, not urgent.”

“Small what small, you are 20 years old today, already familiar.”

Wang Xinran and Qi Jinyu also began to coax, “boss, Xia Ye really wanted to drink a lot of wine, take her tonight!”

Wang Xinran does not forget to wink at Qi Jinyu when he speaks. They have made a bet. If Li Xingchen takes Xia ye, Qi Jinyu University will wash Wang Xinran’s smelly socks for four years.

Qi Jinyu was also in a good mood to watch the drama. She urged him to say, “boss, can’t you talk? It must be, right? ”

It must be Platonic love to fall in love with ugly women.

It must be spiritual!

Li Xingchen slapped Qi Jinyu’s head directly and retorted: “my summer leaf is a fairy!”

Qi Jinyu rubbed her painful head and exclaimed in disbelief: “boss, how can you do this? Is it possible to be blind in love

It’s Xia Ye. It’s a fairy!

Oh, he’s going to throw up.

Li Xingchen gives Qi Jinyu a white look. When he hears the girl’s voice, he turns to Xia ye and looks at her sparkling eyes.

Female students suddenly coax, let Xiaye on the spot Pro Li stars.

Xia Ye was very shy at first, but under the contrast of alcohol and anger, she hesitated for a moment and actually stood up from the sofa and nervously walked towards Li Xingchen.

Li Xingchen's evil eyebrow, slightly upward, flashed a smile.

"Wow ~"

"kiss one, kiss one!"

Everyone stood up, clapped and whistled.

Xia Ye soon came to Li Xingchen.

After half a year, the man has grown two centimeters tall. His slender posture is sitting on the sofa. Xia Ye stands in front of him and can almost look straight at him.

Xia Ye blinked her big eyes, leaned over and suddenly grinned at him naively.

"I Can I give you a kiss?"

Such a bold summer leaf was the first time Li Xingchen saw it.

The blush of her little face added a little bit of loveliness to her.

Li Xingchen stretched out his hand and pinched her lovely little face, and said with a smile, "well, you kiss me, I want to kiss back."

"Hee hee."

Summer leaves drunk, did not feel danger coming, ring his neck, full Yan red lips stick up.

Very light, very gentle, with the sweet smell of red wine.

Lightly touch, then want to retreat, but was Li Xingchen buttoned the back of the head, mercilessly kiss down.

Romantic French kiss.

His kisses are very strong, just like his people. Xiaye's brain is blank, and he can't hear or see anything in his ears, just the sound of his heart beating. Students have never seen such a strong scene kiss, all eyes were wide open in shock, the scene was chaotic, the atmosphere reached the top.

At the end of the kiss, Li Xingchen loosens her waist. Xia Ye's legs are soft and almost falls down.

"Ah

"Be careful!"

Li Xingchen quickly put his arms around her waist again and put her on his slender and strong thigh.

Xia Ye subconsciously put his hand around his neck and looked up at him in panic.

The whole brain was dizzy, blinking big eyes, Wei gave a cry: "stars ~ ~"

the soft voice made Li Xingchen's heart tremble.

The burning eyes moved down, and fell on her red and swollen mouth that he had been kissing. She still swallowed her saliva.

This little mouth is surprisingly sweet and addictive.

Gather in her ear, smile: "it's too noisy here, I'll take you to a quiet place."

Xia Ye felt that her whole body was hot and her little face was hot. She didn't want to stay here. She wanted to stay alone with him. Today is his birthday.

Xia Ye nodded her head gently, "well."

The next second, Li Xingchen took her hand and stood up from the sofa.

"Thank you for your birthday. Have a good time. I have something to do with Xia Ye. Let's go first."

Hearing that they were going to leave, everyone's eyes became ambiguous.

This is to think that they are in the way, they want to find a clean place!

Wang Xinran patted Qi Jinyu on the shoulder and said with a smile, "which school do you want to apply for? I'm with you"

Four years' stinky socks in college, hey, hey!

When Qi Jinyu saw Li Xingchen kissing Xia Ye just now, she almost lost her chin.

I'm a mother!

When did the boss become so greedy?

It's unreasonable!

However, looking at Wang Xinran's humble appearance, it was obvious that they had been so close for a long time.

He had already lost a game before. He washed Wang Xinran's smelly socks for half a year and let him wash them for another four years. Are you kidding?

Qi Jinyu quit. He put his hands around his chest and began to play tricks.

"Kissing is nothing. If they go to bed tonight, I'll wash it for you!"

"Qi Jinyu, you are cheating! If you lose, you lose!"

"Do you dare to gamble again? Smelly socks and underwear!"

"Bet Bet on it

Qi Jinyu is secretly happy in the heart. As Xia Ye looks, the boss can't make a mouth.

Hum, Wang Xinran, just wait to wash my smelly socks and underwear!

At this time, the rustic girl in his mouth was taken off her thick glasses by their boss, took off her broad and rustic school uniform, and the long horsetail was scattered, like seaweed, on her small shoulder, which set off her white face, becoming more and more beautiful.

She put her hands around her chest in shame. Her skin is as white as porcelain. Being shy is like painting a layer of light pink rouge. It's like a beautiful angel coming down to the world. It's exquisite everywhere, and it's like a perfect work of art. It's amazing.

CEO Daddy Is Too Passionate - Chapter 1506

“!!!...”

Xia Ye was so anxious that she was about to cry.

Why did he bring her here and take off her clothes without saying a word?

Li Xingchen's hot eyes, sexy throat rolling up and down, swallowing saliva.

“Xia ye, you are so beautiful!”

Xia ye put her hand over her face and said, “this is very strange!”

He was dressed neatly, but she was naked.

It's so shy and weird.

Li Xingchen stepped forward, supported her slender arms on both sides of her body, and said in a low voice: “didn't you just say you wanted to give me a gift? I don't want any other gifts. I want this one.”

Xia Ye's face turned red instantly.

Since she was sensible, her parents have left the world. She doesn't know how to get along with her husband and wife, but from her sister's experience, caring too much about one person won't come to a good end.

And a girl, the most precious first time, should be left to her husband, stay in the wedding night.

Xia Ye is tangled and contradictory in her heart. She doesn't want to let Li Xingchen down, but she doesn't want to have a relationship at this time.

She bit her lip and blushed. Her face was so red that she could bleed quickly. She faltered and said, “Li Xingchen, you said you would touch me after graduation! How do you How can you say nothing?”

“Why not? Aren’t we graduating now?”

Li Xingchen bit his earlobe gently, and his voice became more hoarse, “do you know? It’s so cute to be shy. Every time I look at you blushing, I just want to press you down, bully you and make you cry!”

This straightforward words, let Xiaye more shy, what’s more, the distance between the two people is so close, she can feel the breath from his body, the same is hot, like to melt everything.

Xia Ye bit his teeth, closed his eyes and said: “since you want it, come on!”

Li Xingchen lowers his head and kisses her lips. The next second, the two of them turn around and fall into the soft big bed.

The atmosphere in the room rose again and again, with pink bubbles.

Li Xingchen had planned to have a relationship that night, but when they were honest with each other and Xia Ye covered her face and cried, it was like a basin of cold water pouring on her face.

“Wuwuwuwu ~”

Xia Ye covers her face and cries, her crystal tears flowing down her fingers.

Li Xingchen’s whole person is all muddled, distressed ground embraces her, “how? Don’t you want to?”

“I I I’m in pain...”

Summer leaves cry more loudly, with a strong grievance.

She felt that this should not be the case between them. The first time they should stay in a beautiful wedding night. She was really afraid. She was very conservative. Her sister's tragic experience made her unable to trust a man wholeheartedly.

Even if this man is his beloved.

Li Xingchen sighs helplessly and kisses her forehead, "don't cry, silly girl, I won't touch you again, you sleep at ease!"

After listening to Li Xingchen's words, Xia ye took a long breath of relief, wiped away her tears and jumped down from the bed.

"Wait a minute, I haven't given you your birthday present yet!"

"What?"

Li Xingchen looks at her buttocks and feels very cute.

She is so pure, he shouldn't be so anxious.

After all, she is his all her life. They still have time. Take your time.

Xia ye took out a book from her bag and handed it to Li Xingchen, "I don't know what to give you. I don't have much money, so I made this album myself. When I make money later, I'll buy you a decent gift."

Said, the summer leaf's small face some distress.

She really doesn't have much money. She doesn't want to buy things for Li Xingchen with the money given by her sister. She won't move a cent of the money given by her sister.

Li Xingchen then turns to the album. There is a group photo of them on each page, and her mood monologue, all expressing her love for Li Xingchen.

Li Xingchen looks at Xia Ye's bright eyes, and his heart moves.

Finally, the impulse to press down surged up again.

In the end is young and energetic, originally intended to let her go, at this time looking at her eyes looking forward to the appearance, this impulse how can not be suppressed.

Since she loved him so much, he didn't have to worry so much.

At two o'clock in the morning, xiayewo fell asleep in Li Xingchen's arms. Her small nose was red and her eyes were red and swollen.

Li Xingchen coaxed most of the night, and finally coaxed her to sleep.

Looking at the bright red on the sheet, his heart could not say the satisfaction.

She's finally his. She belongs to him completely.

It's her first time. What a surprise. I thought she was given by Ma XingguoThinking of the recklessness, Li Xingchen bowed his head and kissed Xia ye on the cheek. He secretly vowed in his heart that he would be nice to her in his life and make her the happiest woman in the world.

When they graduated from University, he proposed like her and put her name on his household register.

Probably too excited, Li Xingchen can't sleep instead.

At this time, the mobile phone on the bedside table rang.

Li Xingchen picked up his mobile phone and saw that it was Qi Jinyu.

Thinking that they are still in the hotel to attend his birthday party, Qi Jinyu may call him for something urgent. He releases Xia ye, gently gets up, picks up his mobile phone and goes to the balcony.

“What’s the matter?” Li Xing Chen looked into the room and then lowered his voice.

Qi Jinyu’s clear voice said, “boss, what’s the matter with you and Xia ye? Where are you now? Is it Hey, hey, hey

What an evil laugh.

The meaning is self-evident.

Li Xingchen knew that his two good brothers were gossiping one by one. He lay down on the rattan chair on the balcony, narrowed his eyes comfortably, and said with a smile: “nature! Or who’s your boss? Can’t a woman do it?”

He is their boss, boasting or something, it’s not a big deal.

At the other end of the phone, because of Li Xingchen’s words, he began to quarrel, “it’s not fair. You must have cheated me in partnership!”

Wang Xinran complacently laughs along the mobile phone, “Qi Jinyu, you lost! Four years of College stinky socks and underwear, you wash them for me

“Wang Xinran, you bastard, that’s what you did on purpose! I see. You have a good relationship with the boss. You’re just trying to cheat me by working together!”

Listening to the brothers fighting, Li Xingchen feels headache.

He sort of recognized it. These two guys bet on him and Xia ye, and they immediately turned cold.

“You are so boring!”

CEO Daddy Is Too Passionate - Chapter 1507

Qi Jinyu couldn't accept the fact. She grabbed the mobile phone from Wang Xinran and said in a loud voice, “boss, how can you like Xia ye? I don't believe it! It must not be true! By the way, I know. Didn't you say last time that she was always against you, that you wanted to conquer her, and that's why you made her your girlfriend?”

Li Xingchen picked the next eyebrow, think of before with summer leaf tit for tat day, smile.

At that time, he was too naive and naive. In the face of Xia Ye's “indifference”, he was always so angry that he didn't know what to do. Finally, he even thought of taking Xia Ye as his woman and conquering her in this way.

In fact, I fell in love with her at that time, right?

Otherwise, why care so much about what she thinks?

However, this kind of thing does not need to explain to these two idiots. They can think whatever they like.

“Whatever you think, I'm going to sleep with my woman!”

Li Xingchen hung up the phone and smoked another cigarette on the edge of the balcony. Then he turned back to the bedroom.

What he didn't know, however, was that Xia ye had woken up when he got up.

When he got back to his bedroom, he found the bed empty.

Li Xingchen twisted his eyebrows and subconsciously looked in the direction of the bathroom.

“Summer leaves?”

There was no echo. The room was horribly quiet.

Thinking of the phone call with a joke just now, his heart became uneasy.

“Summer leaves!”

He went to the bathroom and pushed the door open.

There’s no one in the bathroom!

Li Xingchen’s face suddenly changed, completely flustered.

She must have heard him calling, so she misunderstood that he had no purpose to approach her, so she left angry.

Li Xingchen quickly put on his clothes, opened the door and rushed downstairs.

.....

After Xia Ye wakes up, she subconsciously goes to bed and walks towards the balcony.

As soon as they got close, they heard Li Xingchen’s show off voice, and the faint voice from Wang Xinran and Qi Jinyu’s mobile phone.

It turns out that everything tonight is not from love, but because of a gamble.

Her heart began to cramp, like rolling on glass, bleeding with pain.

Just as she clenched her fist and was ready to rush forward, Li Xingchen asked for an explanation. The mobile phone beside her rang.

It's a text message reminder.

My sister's ringtone.

It's three o'clock in the morning. How could my sister send her a message at this time.

Where are you now, ye? Come back quickly! My sister is dying!

Her mind a tight, can't attend to looking for Li Xingchen to interrogate, grasps the mobile phone to walk.

She took a taxi at the door and urged the driver to go home with a red light. She found that the house was in a mess and all the furniture was knocked upside down.

It's like being ransacked, but not my sister.

Xia Ye's heart was instantly mentioned in her throat, "sister? Sister! Sister, where are you? Don't scare me

She was too worried, thinking about what might happen, her voice was trembling, and tears came out.

"Sister!"

Just when she screamed in despair and didn't know what to do, a clear voice rang out at the door, "ye ye, you've finally come back. It's too late. Let's go now!"

"Sister..."

Xia Ye is shocked to see Xia Ling who suddenly appears at the door.

Anxious eyes up and down looked at her, see her nothing completely relieved.

"Sister, what happened?" he asked

Xia Ling anxiously took her hand, looking very eager, "don't say so much, you go with me first, a friend of mine is waiting for us downstairs, let's go! There's no time to explain that much to you now! "

"But..."

Xia Ye hesitated and flustered.

She's gone now, and she hasn't had time to ask Li Xingchen what happened when she arrived just now?

She didn't want to leave in the dark.

Seeing her hesitation, Xia Ling burst into tears.

"Ye ye, my elder sister knows that she is wrong, but she is pregnant with that person's child. That person deceives me. In fact, she is married and has a wife long ago. Her wife is still a daughter with money and power in her family. I can't fight her at all. She knows that I'm pregnant, so she asks someone else to get rid of the child in my stomach!"

“Child?”

Xia Ye looks at Xia Ling’s flat abdomen and stares in shock. “When did you get pregnant?”

How can my sister be so confused and

“Ye ye, my sister has no time to explain so much to you. They came here tonight. Fortunately, I knew ahead of time to hide.”

Xia Ye looked at Xia Ling with tears in her nose and muttered, “what about that man? Does he care about you?” Xia Ling shook his head in despair. “He can’t manage anything. He cheated me. In fact, he has no money at all. All the money is in his wife’s hands. I was cheated by him!”

Xia Ye

If it wasn’t for her sister’s pregnancy, she really wanted to slap her sister in the face.

She clenched her fist, clenched her teeth, and growled: “sister, how can you be so confused!! Is the lesson not painful enough?”

It’s not the first time that such a thing has happened. She doesn’t understand why her sister must lead a good life like this!

Why always place the hope of life on men?

Isn’t it good to live on your own?

She really wanted to shake Xia Ling’s head and ask her why she did it?

But in the face of Xia Ling’s tearful face, he couldn’t say a word.

There was not a moment when she was as angry and desperate as she is now.

Xia Ling cried: "I'm sorry, it's my sister who has bothered you. We just go outside to avoid the limelight. When the limelight is over, we'll come back immediately. I know you can't bear it, but you can come back to him soon. He will understand you."

When it comes to Li Xingchen, Xia Ye's eyes darken.

How could he care about her?

He approached her just to be angry, just to conquer her!

Now, she has given it to him without reservation. Where can he cherish it?

Thinking of this, Xia Ye was disheartened. She wiped her eyes and walked out of the room.

"Let's go!"

Go or not, at least give yourself a calm time, also give Li Xingchen a calm time.

As soon as they left, Li Xingchen ran up in a hurry.

Because I ran too fast, my forehead was full of sweat.

"Summer leaves!"

He pushed the door open and watched the mess in the house. He was stunned.

“Summer leaves? Summer leaves

He cried at home, but no one could answer him.

He took out his mobile phone to call Xia ye, but the other side went to show that the mobile phone was turned off.

She must have heard him and Qi Jinyu on the phone. She must be angry!

Li Xingchen clenched his fist and hit the wall.

With a brittle sound of broken bones, the back of his hand was dripping with blood. He laughed bitterly as if he could not feel the pain.

“Xia ye, why are you so cruel? He refused to give me a chance to explain! “

CEO Daddy Is Too Passionate - Chapter 1509

Hang up the phone, Jiang He said with a smile: “finally sent this Buddha, Xia ye, wait a moment, the lawyer over there will hand over the information with us, sister Cheng resigned, this matter will be handed over to you, I’ll send your number to the other lawyer later.”

Xia ye said nothing more and nodded, “OK. I’ll go out to work first

“Go

Jiang He twisted his brows and waved his hand in disgust. “One by one, they are as stubborn as a donkey.”

Xia Ye steps, turns and looks at Jiang He, with a trace of banter in her eyes.

“The senior is the same as before. He is still the one who is brave and pursues the thief for three streets.”

Looking back, Jiang He couldn't help laughing.

Xia Ye was robbed of his wallet at the school gate that time. As a result, Jiang He ran three blocks after the thief, and Shengsheng paralyzed the thief to the ground.

Speaking of stubbornness, no one loses.

Xia ye back to work, and did not take this matter too seriously.

After all, this kind of thing is a hot potato, refusal is the best choice.

Since the firm accepted this list, the whole company's employees have become street mice. They really want to fight a lawsuit. Maybe the company's reputation will be bad in the future.

So those who have a little brain will not take the list of Lujiang!

Just now I forgot to ask which law firm took over Lu Jiang's mess.

Is their boss crazy about money?

Xia Ye is thinking, suddenly the mobile phone rings, is a strange landline number.

Xia ye thought it might be the other party's lawyer. Then, her voice was not cold, with a trace of gentle affinity, “Hello, I'm Xiao Xia from Zhonghe law firm. Who's calling, please?”

At the end of the mobile phone, there was an obvious pause, and then a low and soothing voice came.

“I’m Jun Cheng’s lawyer. I’ll hand over Lu Jiang’s information to you.”

Familiar and strange sound, low alcohol, such as wine, can make people intoxicated, but it is like a thunder in the mind of summer leaves “collapse” to burst!

For a moment, the things that had been sealed for a long time broke apart in her mind, which made her panic.

Long time did not hear the answer, the other side’s cold voice came again, “Miss Xia, are you still listening?”

A cold “Miss Xia”, Xia ye from the memories back to God, some sorry way: “you say an address, I’ll send the information to you later.”

“Half an hour later, you come to Juncheng.”

“OK, which one should I give the information to Juncheng...” lawyer?

Xia Ye’s words have not finished, the other party has hung up.

Listening to the busy sound from the mobile phone, Xia Ye was stunned for a moment, then raised her lips with self mockery and secretly scolded herself for not being calm.

He is the second young master of the Li family. How can he be a lawyer?

Even if Juncheng is the most popular law firm in B city in recent years, it can’t hide the Buddha.

Xia Ye looked at the time. It’s 11:30 a.m. now. It’s 12:00 in another half an hour. If it’s faster, she should be able to send the information back to catch up with lunch.

What she didn’t know was that Juncheng had already started his lunch break at 11:30.

Xia Ye takes a taxi to Juncheng and stands at the door of Juncheng. He looks inside, but there is no one.

A gust of cold wind blew and poured into the coat. Xia Ye shivered fiercely. She rubbed her red hands. Then she raised her hand and knocked on the door? Is anyone there, please

There was no echo.

The door was not closed tightly. Xia Ye hesitated for a moment, pushed open the glass door and looked inside.

This one sees, the facial expression becomes a little surprised.

The outside looks ordinary, but I didn't expect that the decoration inside is so low-key and luxurious.

The spacious office is divided into several areas with white shelves on both sides. It's a small supermarket with drinks and snacks. Besides, there is a small baking room and game room.

Xia Ye is surprised. Compared with Juncheng, Zhonghe is just an old-fashioned holy land.

She couldn't help thinking that Juncheng's boss must be a playful person. Judging from the office full of modern science and technology, he is probably a young man.

It was an outsider. At this time, the office was empty. Xia Ye didn't dare to see more. She took out her mobile phone and sent a message to the strange number just now.

Hello, I'm Xiao Xia from Zhonghe. I'm in your office now. Where are you?

After sending the message, he looked up again and curiously appreciated the Dunhuang Flying murals on the wall.

Looking at it, I fell in love.

Xia ye, where do you want to travel after graduation?

Or Go to Dunhuang!

Why do you want to go?

— Li Xingchen Do you think there are flying Fairies in the desert of Dunhuang?—If you go, there will be!

When she heard this, she covered her face shyly. This person Love words are always easy to say.

At that time, she felt very sweet. Although she said she didn't like it, in fact, she was very sweet. Which woman didn't want to hear the sweet words of the man she liked?

It was only later that she realized the feeling that she could not see what she wanted, that she realized that there was no easy way to say love.

Love that can be easily expressed is not love at all.

Xia Ye felt a stab in her heart and her eyes turned red involuntarily.

Thinking that it was in someone else's office, she blinked and forced the astringency in her eyes down.

But she didn't know that in the left office on the second floor, a tall and straight figure stood behind the glass window, a pair of deep eyes staring at her for a moment, and the cold vision was obscure.

The girl took off that green, took off her thick glasses, and transformed into a beautiful white swan, so dazzling, with women's unique charm and amorous feelings.

When I grow up, I'm a big girl.

Li Xingchen looks down at the information coming from the mobile phone, and his fingers are on it.

I'm sorry, I'm outside now. You wait.

"Ding Dong" sound, Xia Ye is pulled back by the prompt sound of information.

Click on the message, look at the content of the message, slightly frown.

He was the one who said he had time for half an hour, but now he told her to wait a little longer. Isn't that playing tricks on her?

However, people have arrived here, there is no reason to leave immediately, so they have to give each other a message and continue to wait here.

Considering that there is no one in the office to avoid unnecessary trouble, Xia ye walked out of the office and stood at the door waiting.

Just walk to the door, the mobile phone rings again.

It's a call from the kindergarten teacher. I'm worried about the sound.

"Hello, mother Xia Yueyue. I'm Yueyue's head teacher. Yueyue fainted at school just now. Now she's sent to the school hospital. Please come to the school immediately!"

The summer leaf listened to, the facial expression Shua ground white, on the face flashed a flustered, even the voice all took to tremble.

"All right, all right, I'll be right there, I'll be right there!"

## CEO Daddy Is Too Passionate - Chapter 1509

Hang up the phone, Jiang He said with a smile: “finally sent this Buddha, Xia ye, wait a moment, the lawyer over there will hand over the information with us, sister Cheng resigned, this matter will be handed over to you, I’ll send your number to the other lawyer later.”

"All right, all right, I'll be right there, I'll be right there!"

CEO Daddy Is Too Passionate - Chapter 1510

Xia Ye ignored the information and ran across the road.

Li Xingchen has been staring at her, see her after answering a phone call to the outside, eyebrow a tight, stride down the stairs.

Is something urgent happened to her?

Why does the expression on the face look so nervous? It's like the sky is falling.

"Summer..."

Li Xingchen catches up and stands behind Xia ye a few meters away. Before he can shout out, he sees a black Benz stopping in front of Xia Ye.

The next second, a tall figure came down from the car.

The man took off his coat and wrapped it on her shoulder and asked painfully, "look at you, are you frozen?"

Xia Ye looked up at Jiang He, who suddenly appeared. He was a little confused. "How are you here?"

Her nose was red with cold, and her beautiful eyes were full of tears. She looked like a kitten on the street.

Jiang he pinched her face and said with a smile, "I happened to have something wrong here. When I passed by, I saw someone standing on the side of the road like a stray cat."

Xia Ye is not in the mood to joke with Jiang He. She says anxiously, "senior, please send me to a place. I have something urgent now."

Seeing that Xia Ye was very worried, Jiang He realized that Xia ye had really met something. He put away his cynical attitude and opened the co driver's door for Xia ye in person. "Go up, I'll send you!"

"Thank you

Summer leaf way a thanks, quickly climb on the car to sit.

Fasten the safety belt, suddenly a look up, on a pair of cool eyes.

Eyes meet in the air, Xia Ye is frozen.

Time fixed frame in that moment, her brain a blank, ear can't hear anything, only Li Xingchen that pair of cold eyes engraved in her heart.

After four years, he seems to have grown taller, more mature and more masculine.

I have imagined for countless times what they would look like when they meet again. I didn't expect that this moment would come so suddenly and in such a mess.

The tears in her eyes had not been pressed down, but they came up again, and the bitter taste came from the corner of her mouth.

Xia Ye quickly reached out to wipe away her tears and looked away in a hurry.

She has no time to reminisce now. Xiao Yueyue is still waiting for her in the hospital.

However, he had already seen her. Did he just walk away?

It's a dilemma.

Jiang He got into the car, looked at her look flustered, frowned, "Xia ye, what happened? This is the first time I've seen you so flustered!"

Xia Ye turns her head and looks at Jiang He, forcing out a smile on her pale face.

"No, nothing!"

She eagerly said: "send me to kindergarten, xiaoyueyue fainted at school."

When Xiao Yueyue was born, she was premature and not full-term. The doctor said that her lungs were not fully developed and her body was weaker than other children. A little wind and grass may cause great harm to her.

So she has been very careful, looking for the best kindergarten in B city, this just put a little snack.

But after three days of class, she suddenly fainted.

Thinking of this, Xia Ye is very anxious. She wants to grow a pair of wings and fly to Xiao Yueyue's side.

Li Xingchen stares at her for a moment. It should be said that he stares at them. The fingers on his side have already clenched into fists, and even his fingernails are deeply pinched into the palm of his hand.

At this time, a concerned voice came from behind, "brother star, how can you stand outside? It's so cold outside

Sun Xuefu's voice is a little loud and falls into Xia Ye's ears. She turns her head and sees a beautiful tall girl holding Li Xingchen's hand intimately.

Li Xingchen frowned, subconsciously about to get rid of sun Xuefu's hand, but feeling the sight of Xia ye, he took back his hand.

He didn't refuse sun Xuefu. He followed her around and walked back without saying a word.

But Jiang He didn't see Xia Ye's pale face, so he quickly started the car and left.

Xia Ye looks at Li Xingchen's tall and straight figure through the rearview mirror. His smoky gray suit is as handsome as the bridegroom.

And the girl holding his arm, nestling in his side, wearing a white skirt, beautiful and noble like a princess.

They look so close. Did he find a girlfriend?

Or married?

Now that they have grown up and are old enough to get married, isn't it normal for them to get married?

Clearly is a very normal thing, why the heart will be so painful?

Sad as if to die.

Summer leaves sad to cover the heart, pale, as if born a very uncomfortable illness, pain shoulders are shrunk up. Four years ago, after she left B city with her sister, she went to the far south.

At the beginning, she thought about Li Xingchen every day. She was crazy, wanted to call him, wanted to send him a message, wanted to question why he lied to her, wanted to ask him for an explanation

But she could not say anything at the thought of her and her sister's situation.

What identity should she use to stand beside him, and what identity should she use to ask him?

In addition to a broken family, she has nothing and needs to hide around the world with her third pregnant sister.

Such she, take what match with him?

What's more, there is a fact that she doesn't want to believe. That man doesn't love her as much as he imagined!

In the eyes of these child brothers, a woman is a plaything for entertainment, and the one who can marry them must be the right lady.

Stepsister had always supported her to be with Li Xingchen, but at that time, looking at her tragic end, she was afraid of the men in the rich family and realized that women without money and background could not play with them, and no longer dream of marrying into the rich family all day long.

It never rains but it pours. When my sister was on the run, she had to lie down carefully in the hospital.

The elder sister no longer urges her to go back to find Li Xingchen. As soon as she lies down, her health is getting worse day by day, and she has no energy to take care of her affairs.

And she originally planned to go to Li Xingchen to find out when the limelight passed, but in this way, she did not dare to leave at all, and had to take care of her sister day and night.

Unexpectedly, it will be four years.

In four years, everything has changed.

Li Xingchen resisted the impulse of looking back and walked to the office mechanically.

Who was that man just now?

She's looking for someone? Or married?

Thinking of this, Li Xingchen's face became very ugly. He pushed sun Xuefu's hand away and went upstairs to the office without saying a word.

Sun Xuefu was thrown away, and her face was stiff.

But soon he raised his lips again, and his eyes showed a trace of obsession.

Brother Li Xingchen didn't push her away just now. Does it mean that she is different in his heart?

She waved to the man on the stairs and said with a sweet smile, “goodbye, brother star! I’ll come back to see you tomorrow. Work hard and don’t be too tired!”

Facing the girl’s concern, Li Xingchen didn’t even look back. He was full of Xia Ye’s intimate figure with other men.

He remembered now that he had met the man once, who seemed to be the boss of Zhonghe.

And Xiaye is now an employee of Zhonghe office!

On his handsome face, a cold light flashed, like a storm before the wind and rain, and his anger was about to burst out.

He grabs his cell phone and dials out.

“I want to acquire Zhonghe law firm! No matter how much it costs, buy it right away!”

If you want to abandon him and live with other men, don’t even think about it!

An hour later, Jiang He and Xia ye came to the kindergarten. At this time, Xiao Yueyue woke up and fell into the teacher’s arms crying for her mother.

Summer leaves see this scene, distressed.

“Teacher, how about xiaoyueyue?”

When the head teacher saw Xia ye, he was relieved, “the doctor said hypoglycemia. It seems that he should pay more attention to Xiao Yueyue in the future. He just ate a piece of glucose, and now it’s OK.”

“Thank you for your trouble!”

Xia ye took her daughter from her teacher’s arms and said in a soft voice: “xiaoyueyue, my mother is here! Sorry, mom is too late! ”

Xiaoyueyue pours into Xiaye’s arms and cries uncontrollably. She says, “Mom, I’m so scared. I want you to accompany me!”

Xia Ye painfully kisses Xiao Yueyue’s tearful face and comforts her by saying, “OK, mom is with you today. I won’t go anywhere!”

If she wants to earn money to support her family, how can she stay with her daughter all the time?

Looking at her daughter’s expectant eyes, her heart seems to be crushed by something, so helpless and helpless.
