CEO Daddy Is Too Passionate - Chapter 1512

The cell phone rings at this time.

Li Xingchen picked up the mobile phone and recognized it as a short message sent by Xia Ye.

There was a slight twinkle in his eyes.

Point to open, finger pauses for a while, look up to return a face puzzled to stand in front of him of assistant, command a way: "with public and over there of data hand over, you go."

"All right."

"For the acquisition, a celebration banquet will be held tomorrow evening."

"....."

Assistant is Leng first for a while, a long time to react, quickly nodded, "OK, I'll do it right away."

On Jiang He's side, looking at the 100 million yuan fund coming into the account, there is a huge surprise that he won the lottery and was hit by the pie falling from the sky.

Thinking of the celebration banquet tomorrow night, Jiang He was the first to think of Xia Ye.

He secretly called Xia ye to the office and said: "ye ye, a hundred million yuan has arrived. Do you have any favorite gifts for you from senior students? You must be my lucky star when you come to the company"

For Jiang He's inexplicable enthusiasm, Xia ye can't help laughing.

“Senior, I don’t need anything. Congratulations. I’m a billionaire at a young age.”

“Ha ha ha!”

Jiang He couldn’t close his mouth with a smile. When he had enough of it, he said to Xia ye, “remember to dress up a little prettily for the celebration party, so as to leave a good impression on the new boss.”

Smell speech, on summer leaf face flash a silk embarrassed, “that Senior, xiaoyueyue has no one to take care of her. I’m afraid I can’t go. ”

“Xiaoyueyue is sent back to my mother. Anyway, my mother likes xiaoyueyue very much. If it’s so good, you must attend, or I’ll be in a hurry with you.”

In fact, Jiang He has a little psychological compensation for Xia Ye. He said that Xia ye would help him. As a result, he sold the law firm. Is it a breach of faith to some extent?

Summer leaves see him say so, have to harden the scalp way: “that trouble aunt, I will go in the evening.”

Then he turned to go out. Looking at Xia Ye’s graceful and slender figure, Jiang He couldn’t help telling him, “remember to dress prettily. Maybe you’ll meet your prince charming!”

Summer leaves stop and sigh.

Where does she have any prince charming? Her prince charming has been lost for a long time.

Get so hot men, how can you like other men?

Xia Ye turns around and smiles at Jiang He. “I know, I will dress up well.”

“That’s right! Even if you don’t need a husband, xiaoyueyue also needs a father! ”

Jiang He’s casual words ripple in Xia Ye’s heart.

Jiang He is right. She didn’t want to marry anyone, but Xiao Yueyue can’t follow her all the time.

But can you really live with happiness?

Xia Ye doesn’t want to think about such a headache now. Her main goal now is to make money well. For others, she is not willing to think much, especially in the aspect of emotion.

In four or five years, she has emptied all her love and hate, and she is tired of facing any emotion.

What’s more, she takes xiaoyueyue, and how many men will really treat her well and accept other people’s children without any obstinacy?

Jiang He’s words are like throwing a small stone into the calm water. After gently rippling, it will be calm immediately.

Assistant get Li Xingchen’s instructions, personally went to the public and took Lu Jiang’s divorce information.

Assistant is a 30-year-old, wearing gold rimless glasses, smile warm, very friendly middle-aged man.

Xia Ye thinks that the assistant is the man who talks to her on the phone, but as soon as the assistant opens her mouth, Xia Ye is puzzled.

His voice is different from that heard on the phone.

Xia Ye was puzzled. She wanted to ask her assistant who was the lawyer she contacted yesterday, but she gave up the idea when she thought that they were not familiar with each other.

Assistant took the information and did not stay much, directly back to Jun Cheng, the first time the information to Li Xingchen.

When Li Xingchen took over the Yellow file bag, he made a pause, suddenly raised his eyelids and asked in a low voice, "did she say anything to you?"

"She?"

Assistant one face is muddled force, guess a way: "you say is the lawyer of numerous and?"

Li Xing Chen stares at him coldly, "you say!"

Who else but her?

The assistant thought to himself that he had never met anyone else except Zhonghe's trainee lawyer.

He scratched the back of his head. "No I didn't say anything

Strange, the boss asked why?

But think of each other's beautiful face, perfect figure, can't help but utter tut tut two exclamations, eyes full of gossip excitement, winking at Li Xingchen.

"However, lawyer Xia is so beautiful. She is even more beautiful than the female stars in the entertainment industry. She has 360 degrees of no dead angle, and she has a big baby face!" In fact, the assistant has no other meaning. He just wants to give a compliment when he sees beautiful things.

However, this word falls in Li Xingchen's ear, how to listen to how harsh.

He narrowed his eyes, quickly slipped by the extreme danger, and said: “next time I dare to look around, I’ll dig your eyes! Get out

“.....”

The assistant shook his back with fright.

It’s terrible.

What did he say just now?

Why did the boss suddenly dig his eyes?

Is it because he saw a beautiful woman?

He increasingly believes that the boss is psychopathic in the face of men and women’s feelings. He must have been stimulated!

Thinking of this, the assistant looked at Li Xingchen’s eyes and showed a touch of sympathy, “then I’ll be busy first!”

With that, the assistant slipped away with oil on the soles of his feet.

There’s something wrong with the boss’s mood. It’s better to leave with one look.

And Li Xingchen, after the assistant left the office, stood up from the chair and stood up to the window.

Take a cigarette out of your pocket and light it.

Looking out of the window at the crowd on the road, spitting out a beautiful white eye, my mind recalled the assistant's words just now, fell into the pink memories.

He knew she was beautiful, had not seen her for several years, and now she was more attractive.

Yesterday was just a glance, but her amorous feelings with tears, but printed in his mind, lingering for a long time.

What makes him crazy is that it's just a look in his eyes. Last night, he had a shameful dream.

In the dream, they were honest with each other. He pressed her over and over again. She cried and begged for mercy over and over again

How happy I am in my dream, how lost I am when I wake up.

He raised the cigarette between his long fingers and took another puff. Under the white fog, his handsome face was as cold as water.

.....

At seven o'clock in the evening, xiaoyueyue was arranged. Xia ye, who put on her dress, rubbed her colleague's car and hurried to the hotel.

In the distance, she saw several big words flashing at the door of the hotel.

CEO Daddy Is Too Passionate - Chapter 1513

"Congratulations on your cooperation with others..."

Juncheng?

Xia Ye Leng Leng, the man who bought Zhonghe is Juncheng's boss?

Before returning to B city, she heard of Juncheng.

At the beginning of its establishment, the law firm, which has risen the fastest in recent years, has turned around several complicated cases that have aroused social concern with an impossible task, thus gaining a great reputation.

Juncheng doesn't look like a law firm without integrity. Why do you want to take over Ma Chun and Lu Jiang?

What's more, a hundred million yuan will be offered to buy Zhonghe?

Juncheng's boss is really a man who doesn't play according to the routine.

Xia Ye didn't understand and shook her head.

Meimei came up from behind and said with exaggeration: "Xiaye, you are so beautiful today. Where did you buy this dress? It's tailor-made for you

Xia Ye revived, followed Mei Mei's words, looked down at himself, and suddenly blushed and uncomfortable.

The naked pink diamond fishtail skirt is close to the figure of the front and back, sexy and elegant.

Before changing, she would never wear such clothes, but this dress was prepared for her by Mr. Jiang He. She did not prepare the dress in advance, and had no choice but to change it.

Meimei looked at the time, anxiously took her arm: "ah, let's go, we'll be late!"

"Good."

Xia ye put away her mind and followed Mei Mei to the hotel.

As soon as I got to the hall, I saw Jiang He in a stiff suit and black shoes coming out of the room. He was originally handsome and looked more energetic in a suit.

Seeing Xia ye, Jiang He's eyes flashed a thick surprise.

"I said it must be suitable for you. When I saw this dress for the first time, I had a intuition that it was made for you."

Summer leaves usually wear clothes, style is very conservative, the first time to wear so gorgeous, the whole body is uncomfortable.

"Senior, what you said is too exaggerated. I think it's a little small."

Meimei's deep eyes swept back and forth between them. She said with a smile, "you talk. I'll go first."

Discerning people can see that the boss has something to do with Xia Ye.

See, summer leaves helpless smile.

There is nothing between her and her seniors except the friendship between them.

Because Jiang He

Jiang He ignored Mei Mei's words and told him with a worried face: "wait a minute, I'll introduce you to boss Juncheng. He will be your boss in the future. It's good for your future development to give him a good impression."

“Senior I...”

Xia Ye doesn't like this kind of occasion most. She says the words against her will, but also with a smirk of flattery.

Jiang He knew her character and forced her to take her hand. He didn't allow her to run away. “Let's go, go first! Don't worry about me

By the man holding hands, even if he is very familiar with the people, also know that the other side has no idea of himself, but Xia Ye is still very uncomfortable.

Just as she was about to draw her hand back from Jiang He's, a neat and powerful sound of footsteps came from her ear.

Xia Ye Lengleng raised his head, and a tall and straight figure came into view without warning.

Li Xingchen is surrounded by a group of elites in the middle of the crowd and is coming here with a lot of talking and laughing.

Xia Ye is stunned, forgetting to draw his hand back from Jiang He's hand. His whole blood is coagulated, and his heart suddenly stagnates. Then he starts to beat at double speed.

Li Xingchen.

The day before yesterday, they were in a hurry. They didn't expect to meet again so soon.

Li Xingchen has seen her for a long time.

Today, she is very beautiful, pink polar skirt wrapped her perfect figure, beautiful like an elf dancing in the flower layer, dazzling people can not move their eyes.

His eyes gradually fell down on the fingers they held tightly. There was a chill in the deep of the pupils, but the smile on his lips still kept the right arc. Listening to the people around him, he nodded gently.

Xia Ye bowed her head along his line of sight, looked at the hand she and Jiang He held together, and quickly pulled it back.

Jiang He looked at her suspiciously, "what's the matter?"

After asking, he heard the footsteps behind him and turned his head doubtfully.

When he saw the visitor, he immediately put on a smile and shook hands warmly.

"Mr. Li, here you are!"

The smile on Li Xingchen's face widened a little bit, shook hands with Jiang He, and politely opened his mouth: "Mr. Jiang, it's hard for you tonight."

He was so polite and modest that Jiang He was flattered and said: "no hard work, no hard work! It should be

Only yesterday did he know that Juncheng's boss was the second young master of the Li family.

Li Jiakai is very generous. He is one of the most powerful families in the world. He can only see it on TV and on the news. I didn't expect that he would be so friendly in reality. At a young age, he is a gold medal lawyer and the boss of Juncheng. He is really powerful.

It is said that people are more popular than dead people. Some people are the end of others when they are born, and even their abilities are beyond people's reach. Such people are so beautiful and unreal that they are only for the world to look up to.

Jiang he sighed in his heart, and then he thought of Xia Ye.

He glanced at Xia ye and saw her standing in the same place, her eyes a little flustered.

Jiang He couldn't help laughing. He was a beautiful girl, and she had good grades and good personality. How many male gods despised her. Did she not expect that she would be shy?

Yes, Li Xingchen is such a good young master. How many women are not attracted?

Jiang He took Xia Ye forward and jokingly said, "can't you move your eyes when you see such a handsome boss?"

Xia Ye's face turned red and her mind was poked, which made her have a shame of nowhere to hide.

Jiang He knew that she was thin skinned, but of course, she had to grasp such a good chance of contact.

"Let me introduce you to Mr. Li, the new boss of Zhonghe and Juncheng."

"Mr. Li is young and promising, has a distinguished family background, is a talented person, and is..."

Jiang hebala flatters Li Xingchen. Xia Ye doesn't listen to a word. She just wants to leave here quickly.

Just when she was flustered and at a loss, and her heart was about to jump out of her throat, a low alcohol and pleasant voice came into her ears.

"Miss Xia is very beautiful."

Miss Xia?

Summer leaf one Zheng, Leng Leng ground looks up at of man.

The sunlight from the gap between the branches, shining on his side face, his gentle eyes looking at her, lip radiance slightly up.

That pair of dark pupil, like falling thousands of stars, beautiful people can not move their eyes.

But that polite "Miss Xia" let Xia Ye feel a stab in her heart.

Jiang He saw her staring at Li Xingchen, thought she was scared, gently pushed the back of her hand, lowered the voice to remind: "Li always calls you!"

CEO Daddy Is Too Passionate - Chapter 1514

Xia Ye tightened her fingers and tried to calm down.

She squeezed out a smile on her pale face and stretched out her hand generously towards Li Xingchen, “Mr. Li, Hello!”

Just now she was still thinking about how to face him and how to explain their relationship with Jiang He.

She thinks too much.

He is a shining star in the crowd. He is a gentleman with elegant demeanor. He enjoys endless praise from everyone. He is still a dandy in high school.

He has really changed, matured, more dazzling and better.

She should be happy for him.

Summer leaf thinks so, the tension in the heart suddenly disappeared a big half, she tiny smile, toward Li Xing Chen peep out a sincere smiling face.

In the past, lovers, goodbye does not have to be life and death, in this way, a relieved smile, for today's them, may be the best choice.

Li Xingchen was shaken by the smile on her face. Her eyes were slightly cool, and the air around her seemed to be cold for several degrees.

With his understanding of her, how can he not see the deep meaning of her smile?

Are you relieved?

Oh!

After greeting, Li Xingchen looked away and no longer looked at her. Instead, he raised his slender step and went to the room.

Jiang He looks at Li Xingchen's natural and unrestrained figure, can't help but feel a voice, "little leaf, do you think such a man can be regarded as the best?"

Summer leaf fingers tightly grasp the skirt under the body, think of five years ago to leave that scene, her heart is like what is tearing in general.

At the wine table, Li Xingchen, the new boss, drank too much.

Xia Ye sits in the most inconspicuous corner, but her eyes are always involuntarily glancing at the most central position.

After drinking a lot of wine, he would not refuse anyone who came. He always had the right smile on his face to deal with everyone who came to toast.

Summer leaf's heart high ground is pulling, even she herself all didn't notice, the delicate willow leaf eyebrow has deeply wrinkled up, full of worry.

Meimei sits beside her and looks along Xiaye's line of sight. Then she sees that Jiang He is drinking with Li Xingchen. Seeing this, she vaguely approaches her and says, "do you feel sorry for the boss drinking?"

"Boss" refers to Jiang He.

Summer leaves heart suddenly a stagnation.

She suddenly remembered the woman who held hands with him yesterday.

They are so close that they should be girlfriends or fiancées, right? Maybe even his wife.

Thinking that he had someone else, Xia Ye suddenly felt that her secret concern had become very shameless.

He is no longer her boyfriend. What position does she care about him?

Xia Ye flashed a trace of embarrassment in her heart. She drank the juice in her hand and said hello to her colleagues at the same table. Taking care of her daughter as an excuse, she picked up her bag and walked out of the hall.

Originally, Xia Ye wanted to say hello to Jiang He before she left, but she gave up the idea.

As one of today's protagonists, Jiang He always accompanies Li Xingchen. She doesn't want to face Li Xingchen again.

After five years, facing him again, there is always a strong sense of depression.

Xia ye walked out of the hall, took a deep breath, picked up her mobile phone and sent a message to Jiang He.

I didn't expect that Jiang He's call came just after it was sent successfully.

Xia Ye Leng next, quickly pick up, "senior?"

Jiang He was drunk, and his tongue couldn't straighten, "Ye Leaf, where are you? Did you drink? "

Xia Ye thinks that Jiang He cares about her. She goes home alone and feels warm. "I didn't drink it. I didn't touch a drop of wine. Don't worry about it."

Since five years ago, after drinking, she has been in a mess with Li Xingchen in the hotel all night, and she has never been a drinker.

Wine, this thing can really kill people.

As soon as her words were finished, Jiang He's voice was heard again.

“Just in time, Mr. Li is drunk. You take him home.”

“What?”

Xia Ye Leng for a long time to digest what Jiang He said, shocked stare big eyes, he even let her send Li Xingchen home?

She said quickly, “senior, it’s not He has an assistant who can...”

“Assistant also drank wine, here only you didn’t drink, what a good chance, others want to give it away

Xia Ye rubs her temple with a headache. She doesn’t want this opportunity. She says helplessly: “senior I have something else to do. I’ll take xiaoyueyue home.”

“Xiaoyueyue is very good, don’t worry! Come back

Speaking of the back, Jiang He’s tone was a little worried.

Although he drank too much, he was not confused.

Li always said to let her send, such a good opportunity to approach the new boss, her brain is not kicked by the donkey?

So, leaving the sentence “come back soon”, Jiang He directly hung up Xia Ye’s phone.

Xia YePut away the mobile phone, reluctantly walked back to the hall.

Li Xingchen holds his forehead with one hand and lowers his head. He looks very uncomfortable.

Summer leaves wring eyebrows, isn't Li Xingchen a good drinker? How did you get so drunk tonight?

"Mr. Li, are you ok? Or Shall I take you home? "

Li Xingchen smell speech, raised head to see her one eye, immediately seem to mock not to mock ground to hook a thin lip.

"Miss Xia, please."

Then he got up and said to Jiang He, "Mr. Jiang, excuse me first! You have a good time

Jiang He quickly stood up, but he was drunk, and he staggered for several steps.

"Ye Ye ye, I'll give Mr. Li to you. You must send him home safely, according to Take care of him, you know? "

Xia Ye rolled her eyes silently.

What's it like to be drunk?

"I see!"

Xia ye did not agree.

Out of politeness, Xia yexu holds Li Xingchen.

Leaving the noisy hall, both men were silent.

Li Xingchen suddenly shakes off her empty hand and strides forward.

Summer leaves a Leng, speechless blink an eye.

What does he mean by that? Looking at his steady steps, he doesn't look like he was drunk just now!

Xia Ye hesitated for a moment, and finally followed.

Li Xingchen doesn't talk to Xia Ye either. He opens the back door and sits directly on it.

Xia Ye looked at his dragging and turned her eyes silently.

Like she's willing to put it up?

But She really can't do it and just leave him here.

Xia Ye opened the door of the cab and fastened the seat belt. There was a silence in the car.

Xia Ye holds the steering wheel in both hands, looks up through the rear-view mirror and looks at the back seat of the car. He looks at the man who keeps his eyes closed and asks carefully: "Mr. Li, where are we going?"

"The Pearl of all ages."

Li Xingchen didn't open his eyes, and his low tone was filled with a trace of impatience.

"All right!"

Xia Ye quickly picked up her spirits and started the car.

CEO Daddy Is Too Passionate - Chapter 1515

Baishi pearl is a newly developed property of Li family. It is located in the heart of the city. It is not only a wealth, but also a symbol of identity to own a house here.

It's not far from the city center. It's half an hour's drive.

Xia Ye holds the steering wheel tightly with her fingers, looks up and peeps carefully at the man in the back seat of the car through the rearview mirror.

It seems that he is stronger than he was in high school. He has wide shoulders and narrow waist. His short black hair is all combed to the back of his head, revealing a handsome face with deep outline, thick eyebrows and nose, and thin lips. He is sexy and distinct.

It's probably uncomfortable to drink too much, and his eyebrows are slightly frowning, but it doesn't affect his handsome at all. On the contrary, he has a certain desire to be taken care of.

Just a sneak look, her heart began to accelerate in frustration, "bang, bang, bang" like a drum.

Summer leaf steady steady mind, dare not see more, quickly take back the line of sight, concentrate on driving.

But she didn't know that at the moment when she turned her head, the man who had closed his eyes opened his gloomy eyes.

Looking at her white and delicate side face, the deep eyes flashed a touch of free will be paranoid.

There was nothing to say all the way, and half an hour passed quickly.

Arriving downstairs, Xia Ye breathes a long sigh of relief, but Li Xingchen doesn't mean to get off the bus.

After waiting for two minutes, Xia Ye finally couldn't bear to remind her, "that Mr. Li, here comes the Pearl of all time."

Mr. Li?

Li Xingchen crooked his lips and looked at Xia Ye's eyes.

Want to draw a line with him?

Good!

At the moment of getting off the bus, Li Xingchen's tall figure swayed to the side.

The summer leaf is startled, the eye is quick to hand out a hand, hold Li Xing Chen.

"Be careful, are you ok?"

Li Xingchen tightly pursed his lips, suddenly stretched his slender arm, and next second tightly hugged Xia Ye's shoulder.

Xia Ye was startled, her face turned white, and she pushed Li Xingchen in a panic, "Li Xingchen! Let go of me

"Why don't you call me Mr. Li? Well

Li Xingchen low a smile, can if star's eyes, smile not to smile ground looking at her.

Xia Ye's white face turned red instantly. In front of this person, she had no way to calm down.

She glanced wrongly at her little mouth. "You called me Miss Xia first."

Smell speech, Li Xing Chen eyes a dark, deep and clear handsome face toward her to gather past.

Xia Ye thinks that he wants to kiss her, his head is empty, so he hides, but the man puts his head in her neck.

“Ah! Don’t do that

“It’s hard. I’ll do that. Is that ok?”

The man spoke weakly.

Warm breath with strong wine, spray on sensitive and fragile skin, summer leaves scalp numb.

He’s obviously drunk like this.

When she thought of her surprise, she thought he was going to kiss him. She was very embarrassed.

Five years have passed. Now that he has a girlfriend, how can he kiss her?

Summer leaves for their own amorous crazy sweat unceasingly, eager to give themselves a slap in the face.

He’s like this, he can only be sent home.

Just, for the sake of their former classmates, sending Buddha to heaven.

Xia Ye seems to have made up her mind and clenched her teeth. “I’ll take you home.”

In the direction she couldn’t see, Li Xingchen raised his lips slightly. He didn’t say much. The importance of the whole person was hanging on Xia Ye.

“How heavy!”

Xia Ye’s face turned red, and he struggled to support him and walked to the elevator.

“Li Xingchen, what floor do you live on?”

Li Xingchen did not answer, directly raised his hand to press the 17 button.

Elevator soon, blink of an eye to the seventeen.

Xia ye can’t help feeling that money is different, and elevators are faster than others.

Opened the door, put Li Xingchen on the sofa, summer leaves tired out a thin sweat.

It’s too heavy.

It’s really rare that her small body hasn’t been crushed.

Li Xingchen opens his eyes and looks at the woman who is raising his hand to wipe sweat. A pair of evil Danfeng eyes are burning with a touch of freedom.

Xia Ye moved her arm for a while. Then she looked at Li Xingchen again and said, “I’m going back. You have a good rest.”

With that, she didn’t wait for his answer and walked towards the door.

But just came to the door, ready to open the door, I heard a click, the door was locked from the inside.

Xia Ye was stunned for a moment. She pulled the door handle and pressed it down, but the door couldn't be opened.

Xia Ye's delicate eyebrows twisted up and looked at the man lying on the sofa.

He locked the door just now?

She looked at Li Xingchen for help, but the latter closed her eyes, frowned, and looked drunk and uncomfortable."Li Xingchen, this door..." How to open it?

Before he finished speaking, he suddenly saw Li Xingchen turn over, and his tall body rolled down from the sofa.

Xia ye, with a tight heart, rushed to help him.

"Be careful!"

Because of her reminder, the man raised his eyes, and the obvious worry in her eyes was clearly reflected in his dark pupil.

The sharp pupil was instantly ignited a cluster of flames, burst out of a strong aggressive, like a hungry wolf to see the mouth of the prey, danger is imminent.

"....."

Summer leaf heart a Zheng, suddenly stare big eyes.

The eyes were familiar, but when she realized the danger, she got up and wanted to leave, but it was still a step late.

A long, powerful hand reached out and grabbed her slender wrist.

“Ah

A whirling, she was a man's strength thrown to the sofa, the next moment, the man's body strong a turn over, will her under the body.

Xia Ye was pale with fright. She pushed his hard chest and began to struggle.

“Li Xingchen, what are you doing Well

Her disorderly hands were held by one of his hands and raised over her head.

Is he crazy? Why do you do this to her?

Doesn't he already have a girlfriend?

Thinking of this, Xia Ye suddenly didn't know where to generate a force, broke free from his shackles, pushed him away, got up and ran to the door.

“Open the door! Li Xingchen, open the door

Unable to open the door, Xia Ye stares at Li Xingchen angrily. In her beautiful big eyes, this layer of water mist gradually diffuses.

That tearful eyes hazy appearance, wronged extremely.

Why do you do this to her?

Even if he is not sincere to her, she still can't forget him. When she tries to persuade herself to let go, he comes out to provoke her!

Does he really think she's such a bully?

If you want it, call it and wave it.

She's not!

CEO Daddy Is Too Passionate - Chapter 1516

Xia Ye roared in her heart. Her anxiety and loss of soul all burst out at this moment.

"Wuwuwuwu ~ ~ Li Xingchen, you bastard!"

Xia Ye covers her face and squats on the ground, sobbing sadly.

Li Xingchen was pushed down, so he leaned back on the sofa and looked at her in his spare time.

She couldn't get out of the room without his fingerprints.

So he was not worried at all. He appreciated her angry look, and even had a kind of abnormal pleasure.

However, looking at her falling tears, his heart began to shrink. For a second, he wanted to run to hold her and comfort her.

However, this idea only appeared in my mind for a second.

She left him for so long that he didn't even have a chance to explain. After stirring up a pool of spring water and playing with his feelings, she left him completely.

Has she ever thought about how he came over these years?

Every time in the dead of night, he felt the cold loneliness of his heart being hollowed out.

At that time, he really hated her.

He thought many times that he would strangle her next time he saw her.

When he received the call, listening to the familiar voice on the phone, listening to her sweet voice to introduce herself, she was “Xiao Xia”, that second, his breathing stopped.

His strong beating heart told him clearly that he was alive again.

Summer leaf is a rib on his Li Xingchen’s body, a wound engraved in his heart.

Li Xingchen raises his feet and walks towards Xiaye step by step.

His long and slender steps are elegant, and his long legs are comparable to those of top models. He has a clear gait, but his cold blue eyes make people shiver.

Xia Ye looked up at him, subconsciously stopped crying, and moved back vigilantly.

Li Xingchen squatted slowly in front of her, and his powerful arms stretched out to hold her.

“Baby, I’ve been playing for five years, and I should know to go home!”

The sound of “baby” is cold without any emotion and ups and downs, just like a cold machine, falling in the ears of Xia Ye. Instead of feeling sweet, it shakes a little.

His paranoid manner is frightening.

“Li Xingchen, you let me go!”

Li Xingchen holds her and puts her on the sofa. Her fingers with thin cocoons flash a thick layer of paranoia on her face because she is white and red.

The low voice was affectionate and cold, and said: “summer leaf, why do you want to leave me? Is he better than me? ”

Does that man named Jiang he treat her better than him?

Where on earth can't he compare with that man?

He? She?

Who is better than him?

Xia Ye's two big wet eyes looked at the man who was close at hand. His expression made her feel terrible.

She shivered to open a way: “Li Xingchen, I want to go home, you let me go home!”

His eyes let her have a bad premonition. At this time, he suddenly remembered that he deliberately pretended to be drunk and asked her to send him home. I'm afraid it was because she left without saying a word and wanted to revenge her.

However, it was he who was sorry for their feelings!

At that time, even if she did not take the initiative to leave, he would break up with her, right?

What's more, she now has xiaoyueyue, and there are others around him, they are impossible.

Li Xingchen looks at her vigilant appearance and suddenly laughs at herself.

“You just don’t like to see me. I’ll run when I sleep. Who do you think you are?”

“You What do you mean

Xia Ye’s face turned white by his words and asked in an inconceivable way.

How did she sleep with him? Isn’t he

What’s wrong?

Li Xingchen’s sharp eyes fell on her red and swollen lips, his eyes darkened, “five years ago you slept with me, five years later, you have to compensate me!”

“What Make up for What is the compensation? ”

Xia Ye was angry with his shameless words. The next second, her chin was lifted up by the man’s bone-saving fingers, and his hot lips fell down again.

Suddenly a cool body, is the underwear button was a man familiar to open.

Aware of what he wants to do to himself, Xia Ye’s heart is like soaking in cold water, a chill rising from the sole of her feet.

Without thinking about it, she slapped the man in the face.

“Pa” ground one, two people were stunned.

Li Xingchen's face was beaten, and five red fingerprints immediately appeared on his white cheek.

Xia Ye is stunned by her subconscious action, and her fingers can't help clenching. She hit him just now!

Before the tears broke down again, Xia Ye got up and ran to the door.

When I got to the door, I remembered that she couldn't get out at all.

She turned to look at him, eyes already blurred into a mist, his handsome face has become blurred.

"Li Xingchen, five years ago, if you think I'm sorry for you, I'll take the initiative to leave and make you lose face, then I apologize to you, please open the door, we are not children, please don't do such childish things again!"

Every word she uttered was powerful and angry.

The sarcastic smile on Li Xingchen's face widened a little bit. She has always been a gentle kitten, and she has always had a pair of sharp claws. Every scratch on her heart can make you hurt.

However, as long as she tears, a grievance, he began to take her helpless.

Li Xingchen pursed her lips, with an imperceptible prayer in her cool eyes: "summer leaves, do you feel so painful because of my existence?"

Xia ye did not want to answer: "if I say yes, can you let me go?"

Li Xingchen Leng Leng, then cold hiss a laugh, stretch out a hand in the sofa side wall to switch a press.

With a click, the door opens automatically.

Xia Ye didn't stay for a moment. She opened the door and ran out.

Until running far away, Xia Ye's heart is thumping, heart beat fast as if to jump out of the throat.

She didn't understand why Li Xingchen did this to her?

Two people suddenly meet, kill her a sudden hand less than, she does not know next she should how to face him.

When she thought that he was her boss and that she had to face him almost every day, she was even more upset.

Dark wind, with a slight coolness, blowing from the sole of the foot, all the way cool to the heart.

After being blown by the cold wind, Xia Ye's brain wakes up. She takes a taxi to Tianxi apartment and receives Xiao Yueyue from Jiang He's parents.

It's too late to go. Xiao Yueyue has fallen asleep.

Jiang's father and mother asked her to stay and let them sleep in the guest room at night, but Xia Ye didn't bother the two old people.

CEO Daddy Is Too Passionate - Chapter 1517

"Xiaoyueyue, mommy has come to pick you up. Shall we go home and sleep?"

Xiaoyueyue heard mummy's voice and opened her eyes in a daze. Her big watery eyes were cute and cute. She blinked twice.

In response, standing in front of her was her dear mother. She immediately showed a sweet smile, opened her arms and rushed into Xia Ye's arms. She said softly, "Mommy, have you come to pick me up?"

Xia Ye's heart was sprouted by her daughter. She hugged her and gave her two kisses on her face. "Yes, Yueyue, let's go home!"

"Good!"

Xiaoyueyue has been clever and sensible since she was a child. Every time Xiaye heard her call herself "mommy", she felt that no matter how hard she suffered, it was worth it.

"Goodbye to your grandparents."

"Goodbye, grandma and grandfather, you have a rest early!"

"Oh, can't you take a night off before you leave?"

"Uncle and aunt, I've been bothering you for a long time. I can't bother you any more."

"You child, what do you say to disturb me? My wife and I like xiaoyueyue very much."

Jiang's father and mother like Xiao Yueyue very much, and they can't bear to let her go, but Xia Ye insists, so they have to let her go.

Downstairs, the mother and daughter stood by the side of the road for two minutes, then took a taxi to leave.

No one found it. It's not far away.

Dark street lights, a black Maybach hidden in the dark, quietly parked at the side of the road.

The man sitting in the driver's cab, at the moment of xiaoyueyue's appearance, his breath suddenly stagnated, his whole blood seemed to be coagulated, and his fingers with smoke were shaking.

The child looks about three or four years old. Is it his child?

She and Xia Ye look so close, just like a mother and daughter.

Li Xingchen how all didn't expect, he don't trust ground follow summer leaf to come out, can see such a scene.

It's like seven souls lost six spirits.

For a long time, the cigarette end between his fingers fell down automatically and burned the back of his hand. Then he recovered in a panic.

Seeing the taxi go far away, he quickly started the car and ran after the taxi in front of him.

An hour later, Xia ye returned to the rental apartment.

Children sleep early, xiaoyueyue once again nest in the arms of summer leaves fell asleep.

Xia ye came down from the car with her in her arms and stood on the side of the road. She could not help kissing her fleshy cheek. The light was shining on her back, and her whole body was full of maternal love.

Li Xingchen sees this scene, excited ground red eye socket.

He had a strong feeling that the child in her arms was his!

He put his hand over his face and put it on the steering wheel. When he raised his head again, he laughed with pride.

How wonderful!

He has such a big daughter!

He gave birth to such a big daughter, even want to marry another man?

I didn't even think about it.

Recalling what happened tonight, Li Xingchen's eyes flashed a trace of irony.

That Jiang He is really not a thing, if you really love Xia ye, you will not be willing to let Xia ye send him home at night.

Doesn't he know what it means for a beautiful woman to send a drunk man home alone?

Mutton tiger mouth, ah!

Xia Ye takes her daughter to the elevator. She doesn't know that someone has been following her secretly. What's more, she doesn't know that Xiao Yueyue's existence has been known by Li Xingchen.

One night, I hardly fell asleep. The next day, I had a pair of black eyes.

Xia Ye looked at the haggard and listless woman in the mirror and sighed a long time.

Just a kiss last night made her sleepless all night. After that, she stayed in a company every day. I don't know what will happen?

No, it can't go on like this.

He is poison to her. The closer she gets, the more she falls. The only way is to stay away.

After thinking about it all night, she had to resign from the company.

It's embarrassing for two people to work in the company of their ex boyfriend.

Xia ye made up her mind to send her daughter to kindergarten, and then submitted her resignation report to the Ministry of personnel.

Because he was an employee of the new company, the HR department told the director of the company about it at the first time, and the director reported it to Li Xingchen.

Therefore, Xia Ye has just submitted her resignation report, and the report is in the hands of Li Xingchen.

Li Xingchen calmly read Xia Ye's resignation report and put it on the table.

"Call Xia ye to my office."

"Yes

After the acquisition of Zhonghe, he moved to Juncheng as soon as possible.

Xia Ye's desk is the most left position on the first floor. When she hears Li Xingchen calling her to go to the office, she tightens her fingers, subconsciously nervous.

Knowing that it must be resignation, she had already thought of a set of words in her heart. She opened the door and found that there was no one else in the office except Li Xingchen. She felt nervous.

She raised her foot and walked over, and asked softly, "Mr. Li, what do you want me to do?"

Li Xingchen points the resignation application on his desk and says with no expression: "why do you want to resign?"

"It's a little far from my home. It's inconvenient to take a bus!"

Summer leaves face unchanged to the early thought of a good reason to say.

Li Xingchen stares at her with sharp eyes, looks at her quietly for a while, gets up and walks around the desk towards her.

"It's an excuse! I want to know, the real reason! "

He walked toward Xiaye. Xiaye subconsciously retreated and was soon forced to the corner by him.

Xia ye went to the door, put her finger on the door handle, and made a gesture to escape at any time. Her big black and white eyes stared at him warily.

"It's not an excuse, that's why!"

Li Xingchen's sharp eyes looked up and down at her, and suddenly stretched out his arm to support her side. He crooked the corner of his lips and said: "you are hiding from me!"

"No way!"

Mind was exposed, Xia Ye raised his head, watery eyes glared at him, angry, "why should I avoid you?"

Li Xingchen thought of the little girl last night. He was in a good mood all night and excited all night. Now he is still in a good mood.

He raised his hand and grabbed her thin chin. He thought that this guy had secretly given birth to a daughter without telling him. He didn't want to worry about any fault with her. He even wanted to hold her, kiss her hard and reward her.

Li Xingchen thinks so, also did so really.

He bowed his head and bit her in the mouth.

Yes, it's not a kiss, it's a bite.

It's hard for this woman to keep it from him.

"Ah

Xia Ye screamed with pain and pushed Li Xingchen away. After several steps, she covered the corner of her mouth and said, "Li Xingchen, are you crazy?"

Bite without saying a word. Does he belong to a dog?

Crazy!

Li Xingchen crooked the corner of her lips and stared at her red and swollen lips, saying: "you stole my things, you can't resign."

CEO Daddy Is Too Passionate - Chapter 1518

"I steal from you? When did I steal from you? "

Xia Ye looked at Li Xingchen in shock and said anxiously, "I went to your house yesterday, but I didn't take anything. Did you lose something? Please call the police quickly!"

I'm in a bad mood to be accused of stealing.

In particular, he was misunderstood by his ex boyfriend. In his heart, is she just this character?

Li Xingchen has a smile on the corner of his mouth. It doesn't look like being stolen.

"How dare you argue! If you want to quit, you can give up what you stole from me!"

"Li Xingchen, can you stop making trouble for nothing? When did I steal your things?"

Xia Ye looked at his handsome face and wanted to give him a punch.

She took a deep breath, and then managed to maintain the smile on her face, "Li Xingchen, I think you must have made a mistake. As I said, I didn't take anything from your home yesterday. You can search or call the police. You need to disgust me with such a tone."

Li Xingchen quietly looked at her angry appearance, slowly took out the mobile phone, dialed a phone to go out.

In front of Xia Ye's face, he asked the phone, "has the child received it?"

"Mr. Li I'm sorry, kindergarten doesn't let it go..."

His subordinates are helpless. What's wrong with the boss's orders? He has to come to the kindergarten to hold the children like a peddler. Is this a human thing?

Fortunately, the boss's next sentence made him feel relieved.

Li Xingchen light way: "you come back."

His subordinates immediately released their felony and said, "yes, I'll be right back!"

Listening to their conversation, Xia Ye squints and looks at the man suspiciously, "Li Xingchen, what child did you just say?"

Is he talking about xiaoyueyue?

Li Xingchen threw her a meaningful look, ignored her and walked towards the door.

The radius of Xia Ye's eyebrows is getting bigger and bigger, and a bad premonition suddenly springs up in her heart.

He doesn't really mean xiaoyueyue, does he?

He thought Xiao Yueyue was his child!

Xia Ye is startled and catches up with Li Xingchen. She grabs Li Xingchen's arm and says, "wait a minute, who are you talking about?"

Summer leaf this anxious appearance falls in his eyes, the typical is guilty.

According to the age of children, it should be their children, right!

He wanted to strangle the woman when he thought she was so hard to hide from him.

But when he thought that she had been taking her children with her all these years, not only to finish her studies, but also to take care of her children, he would like to make up for her and love her.

Love and hate is about his mood now, right?

Li Xingchen pushes away her hand, a ruffian smile on her face, "I'll pick up my child. What's the problem? Xia ye, if you dare to steal my child, will you follow my legal summons? "

Legal summons?

Xia Ye's eyes were staring at Li Xingchen, "what are you talking about? Have you misunderstood something? "

"Misunderstanding?"

Did not expect that she is still refuting, Li Xingchen enchanted peach blossom eyes flash a cool, sarcastic smile way: "is my daughter met, I naturally know, don't need you to rush to refute!"

He bit the words "hurry to refute" very hard.

That tone seems to be saying that Xia Ye is a liar.

Er

Summer leaves helplessly help the forehead.

"That child is not yours. It has nothing to do with you!"

Xia ye said very seriously, let Li Xingchen face radian more and more cold, eyes sharply staring at her serious face.

The two faced each other in silence.

Her expression told him that she was not joking and that the child was not really his.

Like a basin of cold water directly splashed on Li Xingchen's face, let his face changed and changed.

He stares at Xia ye and turns his sharp eyes into substance. Through her skin and bones, he stares into her heart. He shouts in disbelief: "impossible! You lied to me

Xia Ye tightened her eyebrows and said helplessly: "it's really not yours..."

The words haven't finished yet, was pulled by Li Xingchen collar, pressing her petite body to push to the door, a press.

His handsome and handsome face flushed slightly because of anger, and his deep eyes were full of dark blue light, "you say it again, you say it again, it's not my daughter, try it!"

How long has she been away from him? Having a baby with another man?

"Xia ye, why are you so cheap!"

Just climbed down from his bed, immediately climbed up another man's bed, she is so cheap!

Xia Ye's face turned pale, and even her fingers on her side trembled with anger. Her eyes gradually blurred, fingers on the side of her body clenched into a fist, and finally couldn't bear it. She raised her hand and fanned Li Xingchen's face.

"Li Xingchen, you bastard! What qualifications do you have to say about me? "

However, the raised wrist was caught by the man, the strength was so strong that it seemed to crush her bones, and she only frowned in pain.

Li Xingchen looks at her painful appearance, his eyes are cold, he strongly holds her hand and goes to the office door, gritting his teeth and roaring.

“Since you say it’s not my child, show me the evidence!”

He still didn’t believe it. He still didn’t give up. The cute child like glutinous rice dumpling must be his.

If the lovely child who can make the mood sprout at a glance is born by her and other men, he doesn’t know what kind of things he will do!

Xia Ye is wearing high-heeled shoes on her feet, half dragged and half dragged down by Li Xingchen. She looks very embarrassed.

“Li Xingchen, let me go first, let me go!”

When I came down from the second floor and passed the office area on the first floor, my colleagues all put down their hands and looked at the two people who were pulling and pulling, almost startled.

Lawyer Xia seems to be the original lawyer of Zhonghe, right?

It’s a good way to talk with my wife on the first day of work!

Who doesn’t know that Li Xingchen is not only the boss of their company, but also the second son of the Li family.

Is lawyer Xia crazy to marry a rich family?

That’s good. Have you been thrown out by the boss?

Everyone looked at them with good eyes.

However, they were doomed to be disappointed. Instead of throwing Xia ye out, Li Xingchen forced her into his global limited edition car and drove away, leaving a crowd of melon eaters in a mess in the wind.

“What’s the matter? It looks like they knew each other before. ”

“Hi, what do you think? Lawyer Xia looks poor. Do you think he is someone who knows the boss? ”

“But Lawyer Xia looks elegant, too! ”

“No! The boss’s girlfriend is Miss Sun Xuefu. They are the best match! ”

“Cut, sour, like you are sun Xuefu!”

“You...”

“It’s working time now. I don’t have to work!” The manager stood up and yelled.

The noisy office was quiet again.

CEO Daddy Is Too Passionate - Chapter 1519

Xia ye, who was forcibly taken away by Li Xingchen, was ignorant.

Why does Li Xingchen react so much to the truth?

Does he really want to be a father?

But xiaoyueyue is not his daughter!

The car was drifting along the road at a very fast speed, and Xia Ye was pale with fright.

With one hand tightly holding the armrest and the other hand holding the safety belt, he carefully glanced at the man beside him.

His eyes are terrible!

Xia Ye originally wanted to explain again, but when she saw this, how could she dare to say more?

Alas

She sighed helplessly in her heart, which made him misunderstand. Anyway, when she saw xiaoyueyue, he would give up this idea.

The car stopped quickly at the gate of the kindergarten. As soon as Xia Ye unfastened her seat belt, the man grabbed her by the wrist rudely and pulled her out of the car.

“Go

Xia Ye’s face twisted, and her small facial features wrinkled with pain. She said pitifully, “Li Xingchen, can you slow down, slow down!”

“You slowly swallow, don’t you dare to let me confront?”

The way she showed weakness in his eyes was a sign of guilt.

He is paranoid to think that she is a liar, is cheating.

Xia Ye

She rolled her eyes helplessly.

It's terrible that this man can be stubborn sometimes.

Just let him take xiaoyueyue to do a paternity test. When he gets the result, he will die naturally.

Li Xingchen sees her suddenly quiet, displeased ground chills a face, "how don't talk?"

The way she doesn't talk will only make him more uneasy, as if she's not cheating.

Summer leaf hand pulled out from his palm heart, helplessly spread out hand.

"Since you don't believe it, you can go to the hospital to have a paternity test with your child!"

Li Xingchen glared at her fiercely, "still need you to say!"

Although the mouth proud, but in the heart after hearing this sentence has long been a click, the bottom is not as strong as just now.

There is a question in my heart, isn't it really cheating him?

Is that girl really not his child?

No! impossible!

He had a hunch that the child must be his, theirs!

Find the kindergarten teacher, explained the intention, Xia Ye successfully received the small month.

The teacher thought that a stranger had just come to the school to pick up the child, pulled Xia ye and said, "Mom xiaoyueyue, just now another strange man wanted to pick up xiaoyueyue. I didn't let her go. What happened?"

Xia Ye is grateful for the teacher's conscientiousness. "Mr. Zhou, there are no strangers. The man I know just now. There's something wrong at home. I want to take Xiao Yueyue home."

"Oh..."

The teacher was relieved, "it's OK. Goodbye, xiaoyueyue!"

"Goodbye, Miss Zhou!"

Li Xingchen stood at the door of the classroom, staring at the door.

From the moment they walked out, his eyes never moved.

Yes, that's the child!

It was her that I saw last night.

His face is pink and tender, and his eyes are dark. They look like two black jade grapes. They are black and bright, like stars inlaid in the sky. If you look at each other, you can sprout his heart.

There is a small prick hair on the head, and there is a unique crystal crown on the hair.

It's so cute. I want to be hugged by people and kiss them.

When Li Xingchen looks at Xiao Yueyue, Xiao Yueyue looks at him curiously up and down. He looks at Li Xingchen's beautiful face and his two big eyes are red.

This uncle is really too handsome, even more handsome than the male star on TV, just matching her beautiful and lovely Mommy.

All of a sudden, she opened her arms to Li Xingchen and asked for a hug. Naimeng's voice called out:
"Uncle Shuai, you want a hug!"

"....."

Summer leaf extract.

He gave his daughter a disgruntled look.

No integrity guy, since childhood like handsome, I don't know who this character is, she doesn't seem to be like this, right?

However, her character is like

Xia Ye's eyes darkened when she thought of something.

Li Xingchen was still very nervous. He worried that xiaoyueyue was not his daughter, but at this time, listening to xiaoyueyue's crisp "handsome uncle", his cold heart became very soft.

He took xiaoyueyue over, with a mild expression on his face, like the spring breeze in March, with a bit of happy surprise.

"What's your name, baby?"

"My name is Xia Yue, you can call me Xiao Yue!"

After introducing herself, Xiao Yueyue gave him a kiss on the face without reserve."Baji", a very loud kiss.

The warm and soft touch came, and Li Xingchen was stunned. His heart was warm, and his eyes turned red involuntarily.

He thought about it, and bowed his head to kiss xiaoyueyue on her forehead.

“Do you like uncle?”

“Yes!” Xiao Yueyue’s black eyes dribbled around. She looked at her mother and uncle Shuai with profound meaning, and asked, “uncle, are you pursuing my mommy?”

“.....”

Li Xingchen subconsciously glances at Xia Ye’s face and looks at it carefully. His ears are a little red.

Xia Ye was stunned and glared at her daughter angrily, “no! Don’t talk nonsense

Li Xingchen’s eyes darkened and he quickly changed the topic and said, “uncle, take you to play and eat delicious food, OK?”

Originally, Li Xingchen planned to take xiaoyueyue to have a paternity test. He used the paternity test to block Xiaye’s mouth.

But now he changed his mind. Xiao Yueyue is his daughter. He has a heart to heart relationship with her.

I heard that there was something delicious. Xiaoyueyue’s eyes began to shine, patting her hands and jumping, “OK, I want to eat hamburgers and ice cream!”

Xia Ye looked at the scene of “father’s kindness and son’s filial piety” in front of her, and she couldn’t laugh or cry.

This is a big misunderstanding.

Seeing that they had left her far away, she quickly followed.

Walking to Li Xingchen's side, he said softly, "Li Xingchen, didn't you just say to have a paternity test?"

Li Xingchen stabbed her one eye, threw him a cold look, holding xiaoyueyue to continue to move forward.

"Er..."

Xia Ye is so anxious.

How can she explain to him that xiaoyueyue really has nothing to do with him?

"Hello, Li Xingchen, wait for me! You wait, I have something to tell you! "

Li Xingchen doesn't care about Xia ye at all, holding Xiao Yueyue and speeding up to the school gate.

Xia Ye watched them walk faster and faster, with black lines all over her head.

Xiao Yueyue lies on Li Xingchen's shoulder and looks at the mother who is anxious to catch up with her. Then she leans to Li Xingchen's ear and says softly: "uncle, are you my bully? Why else is my mommy so worried? "

"Well, hum!"

Li Xingchen complacently picked next brow tip, "do you like father?"

"Yes! How handsome Ba Ba is

Xiaoyueyue has a good laugh. She has a bully like other children. The most important thing is that someone takes care of mummy, so mummy won't work so hard.

CEO Daddy Is Too Passionate - Chapter 1520

See two people only difference on the spot, summer leaf heart anxious and helpless.

She strode to catch up, trying to take back her daughter from Li Xingchen.

"Li Xingchen, you give my daughter back to me! She's not you..."

She took a look at xiaoyueyue, and looked forward to her daughter's big eyes. Suddenly, she couldn't say a word.

She leaned over, lowered her voice and said, "it's not your daughter!"

See Xiaye repeatedly said not xiaoyueyue is not his daughter, Li Xingchen's face Shua ground sink down, cold way: "say one more no word, we directly see the court!"

Take xiaoyueyue in the back seat of the car.

When he came, he drove the car himself. Xia ye saw him sitting in the back seat of the car and looked at him with a muddled face. "You sit here. Who drives?"

Li Xingchen threw her an idiot's eyes and directly threw the car key at her.

Xia Ye subconsciously raises her hand to catch it.

"....."

Let her drive, and he's holding his daughter in the back?

Not so shameless!

See her standing there motionless, xiaoyueyue that pair of big and bright eyes blinked a few times, urged: "Mommy, you hurry to drive! Ba ba Uncle, take us to eat delicious food, I want to eat ice cream, but also eat hot pot

"Ha ha, don't even think about it!"

For Xiao Yueyue's beautiful fantasy, Xia Ye directly throws her a look that she can't even think about.

She's not in good health. She hasn't had ice or spicy food since she was a child.

Li Xingchen can't help but frown, "it's OK to eat less. Don't be so strict."

Don't be so strict?

Does he know xiaoyueyue's physical condition?

Summer leaf suddenly very fire big, toward Li Xing Chen roar a way: "do you know what?"? Don't talk about things you don't know. "

"....."

By her such a roar, Li Xingchen face a burst of embarrassment.

But he really didn't think it was necessary to ask for a child like this.

Small month shriveled mouth, watery eyes full of tears, that commissar aggrieved appearance, let people's heart all melt open.

Just with his baby daughter, Li Xingchen is very distressed.

He gently coaxed: “don’t cry, we don’t listen to your mommy, dad takes you to eat.”

Xia ye turned her eyes several times and corrected: “Li Xingchen, how many times do you want me to say that you are not her father!”

The temperature of Li Xingchen suddenly dropped.

He put xiaoyueyue on the seat and patted her round little head. The magnetic voice was very gentle.

“You sit here and wait, dad and Mommy have a word!”

“Ba Ba, have a good chat and don’t quarrel.”

Xiaoyueyue raises her head and tells her anxiously.

“Well!”

Li Xingchen showed a reassuring smile toward her, “I’ll be right back.”

As soon as he closed the door, his face became cold and he took Xiaye’s hand and went to the next big tree.

Xia Ye’s face turned red, and he quickly shook off his hand, “don’t pull and pull, if you have any words, please tell me!”

Li Xingchen suddenly turned around, sharp eyes like a cold pool, flashing cold light, staring at her flustered face.

Xia Ye's heart beats suddenly and stares at him warily. She keeps retreating. "Li Xingchen, what do you want to do?"

Li Xingchen big long legs, a few steps forward, tall figure will Xia Ye small body forced to the tree.

He grabbed her collar with one hand, and his handsome face was full of fierce wind and rain. He gritted his teeth and said, "you said repeatedly that xiaoyueyue is not my daughter. What do you mean? Do you want me to be separated from my daughter? Xia ye, don't be naive! My daughter, Li Xingchen, will never let her be a vagabond!"

"No..."

Summer leaf is anxious unceasingly, don't know how to explain with Li Xingchen.

"Xiaoyueyue is..." It's her sister's daughter!

My sister died of dystocia when she gave birth to xiaoyueyue. In addition, xiaoyueyue's scum male father worried that she would bring trouble to xiaoyueyue, so she always said that xiaoyueyue was her daughter.

I didn't expect to give him such a misunderstanding.

However, xiaoyueyue's life experience, she intends to hide for a lifetime, do not want her to worry about her identity.

What's more, her sister is no longer there. She is xiaoyueyue's only relative, her mother.

Xia Ye rubbed her eyebrows and said helplessly: "xiaoyueyue She is really not your daughter. You can go to the hospital for paternity test. You are the second young master of the Li family and have a distinguished life experience. If she is really your daughter, I have no reason not to let you recognize her. After all, with such a wealthy father as you, she won't have to worry for the rest of her life."

Xia Ye is right in her analysis, but Li Xingchen wants to strangle her.

He released Xia ye and began to laugh, “whose child is she with? That Jiang HeShe really

Five years ago, he left without giving an explanation. He always felt that he was sorry for her, but in the end, people didn’t care about his explanation.

Xiaoyueyue seems to be more than three years old. It seems that after climbing over his bed, she immediately went to bed with xiaoyueyue’s biological father!

Thinking of this possibility, Li Xingchen is heartbroken.

For a moment, I suddenly felt what his five years of waiting and persistence was for.

He wiped his face and laughed angrily, “good, good, I’m interrupting!”

Li Xingchen turns around and goes, but Xia Ye stops him.

“Wait!”

Li Xingchen frowned and couldn’t help stopping.

Although he didn’t turn his head, he couldn’t help looking forward to it.

The next second, her voice came to her ears, “can you approve my resignation right away?”

Smell speech, Li Xingchen self mockingly hook the corner of the lip, eyes cold like the ice in the December, “wait for the end of the Zhuang divorce case, I will promise you to resign.”

Xia Ye's delicate brow was severely wrinkled, "why do you have to take on such a case? Are you not rich enough?"

Li Xingchen turned to look at her, sharp eyes like a sword, with a trace of irony, "Xia ye, in your heart, I am such a man?"

Think he's just for profit?

Summer leaf a choke, intuition he is not the kind of money will lose his conscience.

"I just don't understand why?"

Li Xingchen raised Yang handsome eyebrows, staring at her pure face, meaning to point to the way: "probably can't stand irresponsible slag girl!"

Then he turned and left, leaving Xia Ye standing in the same place with a confused face.

Irresponsible scum girl?

What does he mean by that?

How do you feel like you're talking about her?

She knows that many things in entertainment reports are untrue, and that there are stars and people.

But the young master Lu has been arrested and raped in bed. What's the question about this?

Hum, it must be his abnormal heart that makes him treat her goddess with such a state of mind.
