CEO Daddy Is Too Passionate - Chapter 1521

Thinking that her daughter is still in Li Xingchen's car, Xia Ye returns to her senses. She runs towards the car and takes Xiao Yueyue out of the back seat of the car.

That anxious look in the eyes, simply stabbed a hole in Li Xingchen's heart.

She had children with other men, but he was like a fool, still waiting in the same place.

Thinking of this, Li Xingchen was cold in his heart. He took back his eyes and stepped on the accelerator. The car flew out like an arrow.

Summer leaves eat a car exhaust, gas teeth.

"Asshole!"

I haven't seen him for several years. He's as bad as ever.

Xiaoyueyue saw that her father and mother had a quarrel, and she was not happy.

"Mommy, how can you do that? You scared dad away!"

Said, crystal tears down the corner of the eye.

Xia Ye looks at Xiao Yueyue's sad appearance, breathes out a long breath, and says in a lonely tone:  
"Xiao Yueyue, Mommy wants to correct one thing for you. The uncle just now is not your father, but you made a mistake!"

"....."

Originally, xiaoyueyue was just holding her mouth. At this time, after listening to Xiaye's words, she cried directly. Douda's tears rolled down from the corner of her eyes like the flood of breaking the dike.

Summer leaves flustered, quickly coax way: "baby, you don't cry! Mommy doesn't want to cheat you. He's really not your father! It's enough for you to have a mommy, isn't it?"

"Wuwuwuwu, other children have dads, but I don't, and I want dads too Burp..."

Xiao Yueyue cried with tears. She cried too much and burped a lot.

Xia ye saw that she was so excited that she was completely angry. As soon as she was about to get angry, she heard Xiao Yueyue saying, "the most important thing is that mummy needs protection. I don't want to make mummy so tired!"

Summer leaves in the heart of the fire is like a basin of cold water, a sour nose, even the eyes are red circle.

"Xiaoyueyue, it's enough for us to have each other. Just now that uncle has a girlfriend, let's not disturb his happiness, OK?"

On hearing Li Xingchen's girlfriend, Xiao Yueyue finally stopped crying and nodded, "well, mom and I will always be together."

Small moon meat toot small hand, holding the face of summer leaves Baji kiss a mouthful.

Xia Ye's heart melted and she burst into tears and said with a smile, "shall we not talk about Dad's business in the future?"

Although Xiao Yueyue didn't quite understand why she couldn't mention her father, she still nodded her head cleverly, "OK, I listen to Mommy. As long as I have Mommy, it's enough. When I grow up, I have to make a lot of money to spend on mommy to become a promising person."

Summer leaves heart like drinking honey, holding her daughter even kiss several.

Mother and daughter are talking and laughing here. Li Xingchen has been working with Jiang He.

In the evening, Li Xingchen took part in a dinner party. Because he was depressed, he was always strict with himself and got drunk.

Drunk also just, unexpectedly still see Jiang He embrace a tall beauty to walk past from his in front.

Without saying a word, Li Xingchen came forward and twisted Jiang He's back collar. With a heavy punch, he hit Jiang He in the face. He was knocked over on the ground and his two front teeth were knocked off.

Jiang He was stunned by him.

I have no idea why I was beaten.

The assistant came back and quickly grabbed Li Xingchen, "boss, he's President Jiang! Do you recognize the wrong person?"

"You let go of me, he dare to betray her, I want to beat him all over the floor looking for teeth!"

"Betray who?"

The assistant has a big head.

A few nights ago, they were still sitting together and calling each other brothers. Why did they hit people in a twinkling of an eye?

The beauty picked up Jiang He and said, “honey, are you ok?”

Jiang He bared his teeth in pain, covered his mouth and shook his head.

The goddess, who has been chasing for two or three years, finally let go and agreed to be with him today. Unexpectedly, she killed Li Xingchen on the way.

And say strange things, what’s wrong with “her”?

Who is he sorry for?

“Well...”

Jiang he worried that the beauty misunderstood him. He opened his mouth and wanted to explain, but when he opened his mouth, he was in pain.

He had to shut up, wrongly to the beauty coquetry, I am so, you can not misunderstand me!

But his appearance fell into Li Xingchen’s eyes, and the fire that he managed to stop was so big that he jumped up again.

“Turn black and white again and act like a fool!”

Li Xingchen waved his assistant’s hand, gritted his teeth, pointed at Jiang He, and strode toward Jiang He.

Jiang He opened his eyes wide in panic and ran to the elevator.

But Li Xingchen moves faster than him. He grabs his back collar and pulls him back again.

Jiang He didn't want to worry about him. After all, Li Xingchen is a big man. If he doesn't offend him, he won't offend him. After all, they had a good time drinking together two days ago, and Li Xingchen was full of wine. At first sight, he drank too much. Jiang He covered his mouth and dodged all the time.

"Li Er Shao, what do you mean I offended you? I'm Jiang He! Do you recognize the wrong person?"

"Scum, it's OK for you to let women protect you! Are you worthy of summer leaves? She's alone with her children, and she has to go to school to make money. She's so hard-working. You're flirting with other women outside. Are you worthy of her?"

"What what? Me and Xia ye

Jiang He was all muddled. "I don't think I have anything to do with Xia ye, do I?"

Beauty listened to, originally very worried about him, this also with cold eyes staring at him, "you and summer leaf is how to return a responsibility?"? Do you really have a leg

Beauty is Xia Ye's sister, naturally know the existence of Xia Ye.

Although Xia Ye has a good relationship with Jiang He at ordinary times, it's more like that between elder martial brothers and younger martial sisters!

Is it true that she is too big hearted to find that her younger martial sister has put a green hat on her.

The elder martial sister was very angry and immediately dialed Xia Ye's mobile phone.

When Xia Ye receives the call from her elder martial sister, she is taking a bath for Xiao Yueyue and preparing to go to bed.

"Elder martial sister? Why are you calling me so late? What can I do for you?"

Listening to the voice of Xia ye, the elder martial sister was so angry that she suddenly blew up.

“Xia ye, you are honest with me. Are you secretly with Jiang He without telling me?”

Xia Ye was stunned and retorted immediately: “no! Elder martial sister, I can swear to God that I have nothing to do with my seniors. ”

The elder martial sister’s delicate willow eyebrows wrinkled into a ball, “you come to the hotel and say it face to face.”

Listening to the elder martial sister’s anxious tone, Xia Ye didn’t seem to be joking, but something really happened. She didn’t dare to delay. She left home with her daughter in her arms, took a taxi, and came to the hotel anxiously.

She called the elder martial sister.

Elder martial sister reported her a specific address.

The conflict between Li Xingchen and Jiang he attracted many people’s attention, so they had to open a box.

When Xia Ye pushes open the box door, he sees Li Xingchen pressing Jiang He on the ground. Jiang He’s blue and blue, and his beautiful face is swollen like a pig’s head, and his heart is about to jump out.

“Li Xingchen, what are you doing to beat people?”

CEO Daddy Is Too Passionate - Chapter 1522

She is shocked to stare big eyes, can’t believe geology to ask a way: “Li Xing Chen, what do you do to hit a person?”

Wasn’t the last two days fine?

I'm crazy today.

Li Xingchen saw that she was still protecting Jiang He at this time. The green tendons on her forehead jumped straight. She hated the iron and roared: "are you a pig brain? He's behind your back and flirting with other women outside. You even talk for him. Are you short of brains?"

"....."

Summer leaf heart a jump, be roared by him is more confused.

Jiang He and his elder martial sister have been on and off for many years. What does it have to do with her?

Looking at the serious expression on Li Xingchen's face, Xia Ye's eyes became strange and guessed: "do you think there is something between me and Jiang He?"

"Isn't it?" Li Xingchen glared at her.

Summer leaves help the forehead, wry smile can't, "I and the elder in addition to friendship, there is no ambiguous relationship."

After Xia Ye reminds her, the elder martial sister and Jiang He suddenly realize that Li Xingchen misunderstands that Jiang He is Xia Ye's boyfriend. Then just now, Jiang He and his elder martial sister are intimate, fighting for Xia Ye.

Jiang He and his elder martial sister looked at Li Xingchen and quickly nodded to agree with Xia ye, "hum, Li Er Shao, it has nothing to do with Xia Ye."

Li Xingchen choked, and suddenly a group of crows flew over his head.

He misunderstood?

He looked at Jiang He who was pressed on the floor by him, raised his finger and pointed to Xia ye, "does she have a boyfriend?"

Jiang He shook his head quickly, "no..."

Li Er Shao is so strange. Why are you staring at Xia ye?

When Li Xingchen heard the words, there was a trace of joy in his eyes.

I didn't have a boyfriend

To get the answer he wants, Li Xingchen releases Jiang He and goes to Xia Ye. He can't help holding her hand.

"Come with me! Make it clear

He wants to find her to settle accounts, clearly no boyfriend, why do you have to say his boyfriend, give him a misunderstanding!

Xia Ye was led by him, his face changed.

"Li Xingchen, don't do that. You let me go, my daughter is still in the room!"

Smell speech, Li Xingchen stops a pace, two words don't say, turn round to return to the room, embrace small month.

After a while, he came back and said, "can we go now?"

Finish saying, can't help but say, pull summer leaf's wrist to walk toward elevator.

Behind him, the assistant, elder martial sister and Jiang He watched the scene of the three people leaving, one by one almost stunned.

God, what's going on? Why is it more and more like a family of three?

What's the matter with this secret matchmaker? It's like the three of them should be!

At this time, Jiang He thought of Li Xingchen.

Now in retrospect, it's clearly a sign of jealousy! Thought he was Xia Ye's boyfriend!

Is Li Xingchen Xia Ye's legendary ex boyfriend?

By the way, if you think about it, everything will work out.

I'm afraid it's Xia ye that makes Juncheng acquire a Zhonghe office with mediocre qualifications in all aspects!

Spend a lot of money for beauty!

God, God, Jiang He felt that he knew a great secret.

This girl is so nice. She has a super rich ex boyfriend like Li Xingchen. She doesn't even reveal anything about her. She's so strict.

Xia Ye is forced into the car by Li Xingchen, and then she throws her daughter on her. Li Xingchen starts the car and leaves without giving her the chance to refuse.

Xia Ye's body falls in front of her because of her inertia. She hugs her daughter and says wordlessly, "Li Xingchen, what are you crazy about?"

Li Xingchen looked at her in the rearview mirror, and said coldly, "what you owe me five years ago

"....."

This guy repeatedly said that she owed him something. What did she owe him?

Xia Ye rubbed her brows with a headache, "what do I owe you? Young master Li Er, I'm just an ordinary boss. I have a daughter to raise. I don't have much time to play cat and mouse with you. "

"Oh

The man snorted coldly, and the temperature around him dropped sharply. "When you're with me, it's just a waste of time playing games?"

"....."

Summer leaf a choke, don't want to make him angry, had to shut up.

She doesn't want to quarrel with xiaoyueyue in front of him, which will destroy xiaoyueyue's gentle mother image.

Li Xingchen takes them to a revolving restaurant.

From the top floor of the revolving restaurant, through the floor to ceiling windows, you can see the whole Denis across the road.

Xiaoyueyue looked at the princesses several meters high and happily took a good picture.

“It’s beautiful here, Mommy. I want to go there too.”

“No...”

Xia Ye wanted to refuse without thinking about it. Because of xiaoyueyue’s special constitution, she is doomed not to go to these crowded entertainment places, otherwise she will get sick.

But the words haven’t finished, Li Xingchen walked to two people after death, stretched out a hand to touch the head of small month, a face dotes on drowning tunnel: “uncle takes you!”

“Yes

Xiaoyueyue was very happy, but thinking that Mommy would be unhappy, she carefully pulled Xiaye’s sleeve and said innocently: “Mommy, you just let me play once! Just once, I will be very careful!”

Xia Ye frowned, “be obedient! I can’t go

Li Xingchen is puzzled, “Xiao Yueyue is still a child, why are you so harsh to her?”

Smell speech, summer leaf pursed lips, the eyes show a trace of sadness, “you know what? Xiao Yueyue was born with dystocia and congenital malnutrition. When she was born, she stayed in the incubator of the hospital for a month. Her lungs were underdeveloped and her resistance was very poor. No matter it was raining or the weather was hot, she would get sick with a little wind and grass.”

Li Xingchen listened to, the whole person all Leng several seconds, looking at the summer leaf’s eyes full of love.

I don’t know how she came here with her children all these years?

“Her...” Who is the father?

Li Xingchen thought and hesitated.

But in the middle of the words, I can't ask the last half of the clear eyes of Xiao Yueyue.

Just now Jiang He said that she didn't have a boyfriend, and that Xia ye and that scum didn't get together. He asked this question to poke the sad things in her heart.

They had dinner together, because xiaoyueyue adjusted the atmosphere in the middle, and the dining atmosphere was quite pleasant.

Just go back, Xiaye said nothing to Li Xingchen, take xiaoyueyue to take a taxi home.

The next day, Xia Ye was called to the office by Li Xingchen as soon as she went to work.

"What are you doing standing up for? I'm afraid I'll eat you?"

Li Xingchen angrily stares at the woman standing by the door.

Xia Ye slowly moved over and asked seriously: "Mr. Li, what's the matter with you?"

Since Li Xingchen led her out of the office yesterday, today she has been noticed and baptized by the colleagues in the whole office.

That gossip look, can swallow her alive.

But this man didn't know how to avoid suspicion at all.

When he called her to the office, a colleague looked at her with a special look. It felt like they were having an affair.

CEO Daddy Is Too Passionate - Chapter 1523

Li Xingchen frowned unhappily, “are you afraid that I will eat you?”

“.....”

Summer leaves choke.

Can she say yes?

With that look in his eyes, didn't he want to eat her?

Xia ye walked a little bit, and didn't want to be connected with her ex boyfriend. She tooted her little mouth, “what do you want to say quickly? When it's done, I still have something to do!”

“Ha ha, are you the boss or am I the boss?” Li Xingchen asked in a cold voice.

Summer leaves have nothing to say, spread out a hand, “you are boss, so excuse me boss, what instruction do you have!”

“Xia ye, please correct your attitude!”

“.....”

Come on, the tiger is angry.

Xia Ye looked at the tip of her shoes and kept her head down.

Li Xingchen this just satisfied, light cough two, opening a way: “have a dinner party tonight, you go with me!”

“Dinner in the evening?”

“Well, what’s the problem?”

“I’ll pick up Xiao Yueyue after work. I’m afraid I don’t have time to go with you.”

“You don’t need to worry about xiaoyueyue. As a lawyer, you don’t have so much energy to take care of a child.”

Smell speech, summer leaf eyebrow a wrinkly, “you this words is what meaning?”

“Just as you think, I found a professional nanny for xiaoyueyue.”

“..... No need! ”

“Don’t get me wrong. I don’t mean anything else. I just don’t want my employees to be delayed by family chores.”

Li Xingchen said seriously.

Xia Ye is stunned.

It’s really rare for the boss to make him look like this. How can he care about the situation of every employee’s family?

“No, I’ll find someone to take care of xiaoyueyue. I won’t delay my work.”

“The baby sitter has gone to your home. You don’t need to pay for it. There is an extra bedroom in your rented room. I will pay you half of the rent. After school in the afternoon, the baby sitter will pick up Xiao Yueyue. You can work overtime in the company with peace of mind!”

Let the baby sitter take care of the child directly?

Xia ye said anxiously, “no, I don’t understand nanny. How can I give Xiao Yueyue to a strange nanny?”

“Nanny is the one who brought me up. You know Wang Ma!”

Xia Ye is shocked that her eyes are about to fall out.

This man sent Wang Ma to take care of Xiao Yueyue?

This

“Mr. Li...” Summer leaves bite teeth, straight to the point, refused: “I don’t want to have extra involvement with you, this is good for you and me.”

After all, he has a girlfriend. It’s not suitable for him to get involved with his ex girlfriend. It’s not suitable for other girls.

Who knows, Li Xingchen doesn’t listen at all, cold voice way: “you give me to go out, this I don’t need you to remind!”

“.....”

He this appearance, let summer leaf in the mind of words all blocked in the throat, a word all can’t say.

As soon as Xia Ye comes out of the office, sun Xuefu rushes into Li Xingchen’s office dressed like a butterfly in high heels.

“Brother Xingchen, I heard that you like a single mother. Is that true?”

Sun Xuefu heard from her sister that she saw Li Xingchen having dinner with a woman with a child in the revolving restaurant. She pushed the announcement today and couldn't wait to come here to ask him for an explanation.

The elders of the two families have expressed their intention to get engaged. Even though Li Xingchen never relented, in sun Xuefu's heart, she has long regarded herself as Li Xingchen's fiancée.

Li Xingchen glanced at Sun Xuefu coldly, “who do I have dinner with and when do I need to report to miss sun? Does Miss Sun think highly of herself?”

Sun Xuefu's heart jumped, her tears stopped, and she looked at Li Xingchen in a panic.

In fact, Li Xingchen's temper has always been very good. He treats people around him with tenderness and smile, but once something happens that makes him unhappy, his rebellious and stubborn will burst out.

Sun Xuefu was frightened by his one look and even retreated two steps. Only then did she realize that she was too impulsive just now. She shouldn't rush in directly and brush his face.

Sun Xuefu quickly wiped away her tears and said pitifully, “I'm sorry. I'm also concerned. I don't mean anything else...”

“Oh! Miss sun, how many times do I have to tell you that I will never marry you!”

Li Xingchen is bothered by sun Xuefu.

She was very direct and didn't leave any feelings for her.

Sun Xuefu's face was blue and white with delicate make-up, almost unable to maintain the smile on her face.

"Brother Xingchen, are you too tired to work? I won't disturb you today. I'll go first!"

With that, sun Xuefu walked out of the office as if someone was chasing her. In the office, Li Xingchen leans back on the chair and pinches his eyebrows helplessly.

As soon as sun Xuefu walked out of the office, she took out her mobile phone and called her sister, who revealed her information. At first, she was scolded.

"Can't you see me? Why do you want to send me pictures of brother Xingchen eating with other women? I tell you, I don't need you to be a scheming friend. Don't say you know me in the future!"

After roaring, sun Xuefu hung up and blocked the number of the other party, no matter what the other party's reaction was.

In the evening, Xia Ye follows Li Xingchen to attend the dinner.

As soon as I got on the bus, Xia Ye began to talk to Xiao Yueyue on the phone.

"Baby, mommy has something to do tonight and can't go home until later. You have a good meal and sleep with nanny. Mommy will come back later!"

"Mommy, you work hard and don't need to worry about me. Nanny is very lovely and Yueyue likes her."

Nanny grandma is Li's nanny, Wang's mother, who takes care of Li Xingchen.

Before Xia Ye met a kind and amiable old man.

Xia Ye gave some advice and hung up.

Li Xingchen brings Xia ye to the hotel. As soon as he enters the private room, the people in the room greet him warmly. Xia Ye is pushed back several steps by them.

“Welcome, Li Er Shao. I’m flattered that you can come.”

With a perfect smile on his face, Li Xingchen glanced at the seat, then said a few polite words to the visitor, and then walked towards the opposite side with a slender step.

Xia Ye looked up and saw all the faces she had seen on TV, familiar and strange.

She didn’t want to deal with these old foxes. She quickly followed Li Xingchen and took the initiative to live beside him.

After all, it’s safer to sit with people you know.

Looking at Xia Ye’s subconscious action, everyone’s eyes changed and became ambiguous.

“Li Er Shao, who is this beautiful lady? I haven’t seen it before.”

“My assistant, Xia ye, you should take care of me in the future!”

There’s no problem with Li Xingchen’s introduction. She was his assistant, but with the words “pay more attention”, we have to think more.

These words fall in the ears of all the people here, but also interpret a different taste.

CEO Daddy Is Too Passionate - Chapter 1524

How dare you take care of Li Er Shao’s woman.

Everyone rushed to toast with Xia ye, “assistant Xia is so beautiful and beautiful. If you can be an assistant of Li Er Shao, you must have great ability. You need to take care of us more in the future!”

So many big men smile at her, Xia Ye is really flattered.

“Hello, everyone. My name is Xia Ye. Please take care of me in the future. I’ll give you this cup!”

Where dare to let these bigwigs toast themselves? Maybe she will go to one of these bigwigs for an interview one day after she resigns, so it’s better to keep a low profile.

She is not a good drinker, but for the sake of a better workplace life, she gave up.

However, as soon as the wine cup was put on her mouth, she stretched out her big hand and snatched the wine cup from her hand.

Xia Ye looks at the man around her suspiciously.

Li Xingchen doesn’t look at her either. He smiles at all the elites and says gently, “my assistant is too strong to drink. I’ll drink this for her.”

“No, no, we’re here for you!”

Originally, we just guessed in our hearts that the relationship between the two of them was unusual. Now we don’t need any questions at all. “Li Er Shao is too face saving, drink!”

Everyone toasted Li Xingchen one after another. After all, Li Xingchen is the second young master of the Li family. Everyone wants to give him face.

But there are always two exceptions.

She saw a tall and handsome man sitting next to Li Xingchen, leaning his head towards Li Xingchen, and obviously disdained this kind of scene.

Xia Ye takes a closer look. This is one of the protagonists in the divorce case, Lu Jiang, the second son of Lu!

She picked eyebrow center, looked at Li Xing Chen one eye, "this is how to return a responsibility?"? Why is Lu Jiang here? "

Li Xingchen leaned over and said in a low voice: "don't you want to sue him? Naturally, only by understanding this person can we achieve hundred battles and hundred generations! "

"....."

Summer leaf picked eyebrow unexpectedly, in the heart gush a small guilt.

I thought Li Xingchen would bring her out to socialize, just to make trouble for her. I didn't expect that it was really business.

Xia ye can't help looking at Lujiang again.

It's said that many women are rare for their handsome facial features, slender figure and the identity of the second young master of the Lu family.

However, this is not the reason why he can cheat.

Lu Jiang's appearance is somewhat different from what is said in the rumor. He looks down at his mobile phone and doesn't pay any attention to Li Xingchen. He looks totally different from other people's flattery.

Xia Ye is more interested in Lujiang.

Her eyes twinkled slightly. She took up her glass and said to Lujiang, "Mr. Lu Er, I'll give you a toast."

Lu Jiang put down his mobile phone and looked at her. There was a trace of sarcasm on his handsome face. Then he took his glass and drank it all.

"I heard that you are Zhonghe's intern lawyer. Because you don't want to take my case, you almost quarrel with the boss!"

"....."

Keke, how can she answer such a straightforward conversation!

The summer leaf awkwardly drew to draw a corner of mouth, smile a, with the eyes of asking for help to see to Li Xingchen.

Li Xingchen put his hand around Xia Ye's shoulder and said with a smile: "this is my assistant, this is Lu Er Gongzi!"

Xia Ye looks at Li Xingchen's arm on her shoulder, biting her teeth, and almost wants to chop off his arm.

She said in a soft voice: "Li Xingchen, you can stop it. If you do this again, I won't give you face!"

Li Xingchen came over and took a bite on her soft little ear.

"Try it!"

Lu Jiang hooked the corner of his lips and said in a meaningful way: "Li Er Shao, who is not close to women, has such a side. It's really rare to see him."

Summer leaves a Leng.

Li Xingchen is not close to women? ha-ha!

Why do you take advantage of her every time you see her?

She shakes off Li Xingchen's hand and hums coldly: "Lu Shao must be wrong."

Lu Jiang was stunned and laughed, "lawyer Xia really has personality. You are the first woman who dares to treat Li Er Shao like this."

"Dare not, dare not!"

Xia Ye looks at Li Xingchen provocatively.

Li Xingchen's face is always with a faint smile, looking at Xia Ye's vivid eyebrows.

"Fool."

"....."

Xia Ye stares at him, and her white cheek turns red in a moment.

Lu Jiang looked at their sweet appearance, his eyes darkened.

Slightly hook the corner of the lip, tone low tunnel: "in fact, I quite envy you!"

Summer leaves a Leng, Lu Jiang said envy Li star?

Li Xingchen patted Lu Jiang sympathetically on the shoulder. "Since you care, don't care who paid more. Compared with the pain of losing each other, some small details can be ignored. You are a man, be tolerant

Lu Jiang drank a mouthful of wine in silence, but with a bitter smile, "now it's not that I don't want to make up, but that she doesn't want to believe me!" "That's what you deserve. You don't give her enough security."

Lu Jiang was stunned, then he raised his glass with Li Xingchen with a smile, "you're right. It's my fault, so I don't want to divorce her now. Please help me."

"It's up to her!" Li Xingchen raises his chin towards the summer leaves.

Xia Ye was listening quietly and was called by Li Xingchen. She was shocked and pointed at herself.

"Me?"

Why do you look at her!

However, Xia Ye's heart was shaken.

Is there really a misunderstanding between Ma Chun and Lu Jiang?

It seems that Li Xingchen and Lu Jiang are very familiar.

Li Xing Chen light a smile, also don't know to say, seem to hit a riddle like, "after you know!"

Xia Ye was more puzzled.

What's going on?

Banquet is not a good place to talk, because soon someone will pull Li Xingchen to talk.

As soon as Xia ye turned around, a fashionable and beautiful woman came to her with a wine glass and said with a smile, "Miss Xia, I'll give you this cup."

Xia Ye couldn't name her and nodded politely, "thank you."

With this woman taking the lead, he soon toasted with other women.

One by one, they looked at her with envious eyes, complimented and said, "Miss Xia is really beautiful, talented and learned. At first sight, she is a blessed person."

Xia Ye discovered that almost every man present had a female companion, except Lu Jiang.

Those women are very young, but the middle-aged men with big stomachs are not their wives.

Among these people, only Lu Jiang has no female companion.

After three rounds of drinking, suddenly the door of the box was pushed open.

Two beautiful women came into the room.

These two women are not unfamiliar to everyone. One of them seems to be one of the main characters in the divorce scandal some time ago.

Ma Chun's younger martial sister, Lu Jiang's cheating partner, song Siyi.

When song Siyi saw Lu Jiang, her eyes lit up and she came shyly to him.

“Road less ~ ~”

CEO Daddy Is Too Passionate - Chapter 1526

I haven't seen him for several years, but he is still a vegetarian.

When they got home, Xiao Yueyue had fallen asleep.

Wang Ma is sleeping next door with Xiao Yueyue in her arms.

I haven't seen her for several years. When I was in the Li family, Wang Ma was very kind to her. So Xia Ye plans to go to the guest bedroom to say hello and take Xiao Yueyue back to the master bedroom to sleep.

But as soon as I got to the door, I was held by Li Xingchen.

Xia Ye frowned and looked at him unhappily, “what are you doing? I'll take my daughter to bed!”

“She saw what time it was? It's time for her to grow up. Are you sure you want to disturb her at this time?”

“You don't need to take care of my daughter's business!”

Xia Ye stabbed Li Xingchen fiercely. Although she said so, her feet turned a corner and went to the master bedroom.

Li Xingchen looked at the room and followed Xia ye to the bedroom.

Xia Ye listened to the footsteps behind her, frowned suspiciously and stopped.

Li Xingchen didn't look at the road ahead at all. His hard chest directly hit Xia Ye's back. Xia Ye's petite body was directly hit several meters away by him.

"Be careful! Are you ok? "

Li Xingchen's eyes were awe inspiring, and he quickly hugged her.

He put his hand around her waist and put it on her chest

Xia Ye's face turned red. She pushed him away and turned around.

His heart beat faster and faster. The place he touched was like a fire.

"Li Xingchen, you Why don't you go home? "

"You want to drive me away?"

Li Xingchen looked at the pink side face, white ears, small hair can see clearly.

Li Xingchen also drank a lot of wine this evening, and the smell of wine with warm breath sprayed on her ears.

Summer leaves uncomfortable to shrink shoulder, originally red face, is red to be able to Biao bleeding.

She turned around, took two steps back, opened the distance between them, and glared at him angrily.

"As you can see, there are only two rooms in my house. There is no place for you to sleep. Please go quickly."

Li Xingchen not only didn't walk, but walked gracefully towards the big bed, kicked off his shoes and lay on the pink big bed.

The appearance of the old man was so angry that Xia Ye gritted her teeth.

She was stunned, went over and gave Li Xingchen a push.

"Go away, this is my bed!"

Li Xingchen lazily raised his eyelids and looked at her. There was a trace of impatience in his eyes. "I seem to have paid half the rent, right? You have no reason to throw me out!"

"You

Xia Ye is vexed and cheeky by Li Xingchen, and almost laughs.

"Can you still order a face? I didn't say to let you pay any rent, it's you who are directing and acting there by yourself

Li Xingchen long arm pillow in the back of the head, a pair of dark eyes looking at the woman angry but can't dry out his appearance, in a good mood to hook the lips.

"When can I take back what I said? When I say I'll pay you the rent, I'll pay the rent, and You can't refuse even if you want to

"What are you doing..."

"You know I'm a jerk, so don't reason with me!"

Li Xingchen is very brazen.

Xia Ye is so angry that she turns her eyes. She goes to pull him by the arm and tries to force him out of her bed.

But Li Xingchen is one meter eight, she is no match at all.

On the contrary, Li Xingchen grabbed her wrist with his backhand. With a little effort, her body fell to him uncontrollably.

“Ah

Xia Ye closed her eyes and stretched out her hand to his chest.

Her lips, so coincidentally, touched his Adam’s apple.

Both were stunned.

Li Xingchen raised her eyes and looked at her. Her deep eyes were like the endless deep sea, and they were like two groups of flames. Looking at her eyes, they were like the prey to her mouth.

Xia Ye is looked at by his such eyes, a clatter in the heart, push him to turn over and rise.

But just walked two steps, waist again by the man’s arm entangled, the next second, a whirl, she was once again under the man’s pressure.

Men’s warm lips, mixed with a touch of wine, strong squeeze into the mouth.

Her hands and feet were crushed, and she couldn’t struggle at all.

“Well...”

Xia Ye stares in shock and struggles with all her strength.

But a woman's strength is not a man's opponent at all, she is tired and panting, and the man is indifferent at all.

A burst of despair in Xia Ye's heart, the grievances in her heart just like the tide.

He would call her and wave her as he wanted, and he would do whatever he wanted. He didn't care about her feelings at all. He clearly has a girlfriend, and he still treats her like this, doesn't he think she is easy to bully?

Summer leaves no longer struggle, close your eyes, a drop of crystal tears down the corner of your eyes.

Li Xingchen closed his eyes and kisses him deeply.

For her body, he did not feel strange at all, not only the years of love, but also the dream of repeated practice over and over again.

He was full of joy at her sudden cleverness.

For her five years of abstinence, it's time to charge some interest.

However, his movements stopped, because he tasted the bitterness of the corner of his mouth.

Salty, astringent.

Li Xingchen's whole body was stiff. He looked up in dismay and saw the woman's tearful face.

Li Xingchen immediately flustered God, quickly released her, a trace of urgency and panic flashed across her handsome face, "you don't cry, I won't do anything to you without your permission."

Originally, I used to be strong to her for a second, but now I use such a gentle voice to tell her that "it won't do anything to her."

Xia Ye raised her hand to cover her face and cried sadly.

"Wu Wu Wu ~ ~"

in the past five years, she has been very hard, but it is far less painful than now.

She still loved him, but he had someone else.

When she made up her mind to give up and hid her feelings for him in her heart, he entangled her again.

If you don't want to, you can't get rid of it.

He didn't know it was a great ordeal for her?

Li Xingchen looked at her cry so sad, the heart has been sinking to the bottom, sexy thin lips evoke a ray of irony arc.

Does it hurt her to be with him?

Five years ago, it was deceiving to say that I liked him and wanted to be with him?

Sitting on the bed, Li Xingchen reaches out and touches his pocket. He suddenly wants to smoke a cigarette, but finally gives up.

For a long time, wait for the mood of summer leaf to stabilize a bit finally, Li Xingchen just opened a mouth.

“Summer leaf, I ask you, have you ever liked me?”

Smell speech, summer leaf cries.

She wiped her tears and looked at him dimly.

CEO Daddy Is Too Passionate - Chapter 1526

I haven't seen him for several years, but he is still a vegetarian.

When they got home, Xiao Yueyue had fallen asleep.

Wang Ma is sleeping next door with Xiao Yueyue in her arms.

I haven't seen her for several years. When I was in the Li family, Wang Ma was very kind to her. So Xia Ye plans to go to the guest bedroom to say hello and take Xiao Yueyue back to the master bedroom to sleep.

But as soon as I got to the door, I was held by Li Xingchen.

Xia Ye frowned and looked at him unhappily, “what are you doing? I'll take my daughter to bed!”

“She saw what time it was? It's time for her to grow up. Are you sure you want to disturb her at this time?”

“You don't need to take care of my daughter's business!”

Xia Ye stabbed Li Xingchen fiercely. Although she said so, her feet turned a corner and went to the master bedroom.

Li Xingchen looked at the room and followed Xia ye to the bedroom.

Xia Ye listened to the footsteps behind her, frowned suspiciously and stopped.

Li Xingchen didn't look at the road ahead at all. His hard chest directly hit Xia Ye's back. Xia Ye's petite body was directly hit several meters away by him.

"Be careful! Are you ok? "

Li Xingchen's eyes were awe inspiring, and he quickly hugged her.

He put his hand around her waist and put it on her chest

Xia Ye's face turned red. She pushed him away and turned around.

His heart beat faster and faster. The place he touched was like a fire.

"Li Xingchen, you Why don't you go home? "

"You want to drive me away?"

Li Xingchen looked at the pink side face, white ears, small hair can see clearly.

Li Xingchen also drank a lot of wine this evening, and the smell of wine with warm breath sprayed on her ears.

Summer leaves uncomfortable to shrink shoulder, originally red face, is red to be able to Biao bleeding.

She turned around, took two steps back, opened the distance between them, and glared at him angrily.

“As you can see, there are only two rooms in my house. There is no place for you to sleep. Please go quickly.”

Li Xingchen not only didn't walk, but walked gracefully towards the big bed, kicked off his shoes and lay on the pink big bed.

The appearance of the old man was so angry that Xia Ye gritted her teeth.

She was stunned, went over and gave Li Xingchen a push.

“Go away, this is my bed!”

Li Xingchen lazily raised his eyelids and looked at her. There was a trace of impatience in his eyes. “I seem to have paid half the rent, right? You have no reason to throw me out!”

“You

CEO Daddy Is Too Passionate - Chapter 1527

Why do you think his back is so lonely?

It's like he cares about her.

Head down, subconsciously grasp the quilt, fingers because of force and white.

She didn't want to lie or answer this question.

Her silence, but Li Xingchen misunderstood her meaning, thought she did not love him.

Li Xingchen sniffed, the light in his eyes dimmed, and his hoarse voice said: “if you want, I won't disturb you again.”

With that, Li Xingchen picked up his coat and walked out of the bedroom. After a while, he heard the sound of the living room door being closed.

He's gone!

Xia Ye looks at his back when he leaves, and suddenly his heart is empty.

"Li..."

At that moment, she felt that something very important had left her.

Her heart a fluttered, subconsciously want to open mouth to retain, but the throat is like what bet, words to the mouth how can't say.

Outside the door, Li Xingchen closed the door with his backhand, but didn't leave immediately.

The tall and lonely figure leaned back on the door panel, took out a cigarette from his pocket, put it between his slender fingers and lit it.

Spit out a beautiful eye, his deep eyes, dark unknown.

He smoked two cigarettes in a row, and then he chuckled twice from his throat.

It's ridiculous. How could she chase him out?

If you don't stop, lift your feet and leave.

Li Xingchen out of the community, took out the phone to dial a phone out.

An hour later, late at night.

Wang Xinran, who was pulled out of his dream by a phone call, looked at him, pouring himself cup by cup and snatching his wine cup without saying a word.

“Boss, do you have something to say when you pull me out of bed in the middle of the night? You look like you’ve been lovelorn!”

“Ha ha! Lovelorn?”

Li Xingchen sneered sarcastically, “never liked it, where did you get lovelorn?”

“.....”

Wang Xinran was shocked to open his eyes, “boss, don’t tell you that you are really lovelorn? Hey, which girl is it? Besides summer leaves, this is the first time that I’ve ever picked it up and cared for a woman.”

“Don’t mention that name!”

Before Wang Xinran’s words were finished, Li Xingchen put his wine cup heavily on the counter.

The scarlet eyes glared at Wang Xinran, and the powerful oppression seemed to have substance. As long as he dared to speak more, he would fight with him.

Wang Xinran choked and suddenly had a bold idea in his heart. He inquired tentatively: “boss, don’t tell me, Xia Ye is back?”

Li Xingchen touched his face and took up the wine cup in front of him again.

“It’s really...”

When Wang Xinran saw him like that, he didn’t know what to say. Was it true that his enemies didn’t get together.

Xia Ye is good at it.

The boss is still like this five years ago. She appeared when she left without saying goodbye. I didn't expect that five years later, the boss's irrational appearance is still because of her.

Wang Xinran patted Li Xingchen on the shoulder and said with emotion: "boss, if you like, go after him. Don't wait until you regret it later."

"Ha ha!"

Li Xingchen has no choice but to smile bitterly.

At this moment, he finally understood Lu Jiang.

When comforting others, it's easy to know the helplessness and suffering of the parties.

Is it possible to solve emotional problems in a few words?

Li Xingchen is drunk, lying unconscious on the counter.

Wang Xinran shook his head helplessly. Originally, he wanted to send him home, but after a second thought, he stopped, took out a mobile phone from Li Xingchen's pocket and opened the address book.

An unknown number suddenly appeared in front of us.

Wang Xinran intuition, this is Xia Ye's mobile phone number.

I tried to dial, but there was no answer for several times.

He thought, maybe Xia Ye didn't answer on purpose, so he dialed the number with his mobile phone.

Xia Ye hasn't fallen asleep yet. Since Li Xingchen left, she sat on the bed with her knees in her arms and looked at the white moonlight outside the window.

His head was in a mess, but the more he thought about it, the more sober he was, and he didn't feel sleepy at all.

Looking at Li Xingchen's call reminder on her mobile phone, she tried to get through several times, but each time she raised her finger, she lacked courage.

Finally, the phone rings a few times and then it doesn't ring at all.

Xia Ye gave a bitter smile.

This is good, from now on, the two people do not have any relationship, long pain is better than short pain, the biggest taboo in the feelings is broken ties.

Just when she thought the phone would not ring again, her cell phone rang again.

This time it was a strange number.

Xia Ye immediately frowned, and a bad feeling welled up in her heart.

Is something wrong with Li Xingchen? Even she didn't realize it. She was completely flustered at the thought of this possibility.

Can't wait to answer the phone, "I'm Xia Ye. Who's calling, please?"

"Xia ye, it's really you!"

There is a familiar and surprising sound on the other end of the mobile phone.

Summer leaf one Leng, "Wang Xinran?"

"You remember me!"

Xia ye said, "Wang Xinran, why do you call me at this time?"

She looked up at the wall clock, which showed that it was two o'clock in the morning.

Wang Xinran looked at the man lying on the counter and sighed helplessly, "the boss is drunk. Can you come to pick him up?"

Xia Ye

A trace of concern flashed in the clear eyes, and the white fingers subconsciously grasped the sheets under the body.

Wang Xinran's voice came again, "Xia ye, can you come out to see me? Maybe there is some misunderstanding between you

Xia Ye was entangled in her heart, but after hearing this, she suddenly made up her mind and refused firmly: "he will be fine with you. It's too late, so I won't go out. I'll ask you out for dinner next time."

With that, Xia Ye didn't wait for Wang Xinran's answer, but hung up directly.

Taking advantage of the drunkenness to make do with others, she just did it with Li Xingchen, so she should not take the initiative to send it.

What about going there?

He has someone he should be responsible for. Because her old love has returned, let him abandon his new love. Is it fair to other girls?

It's good to say that she is arrogant. She can't do such a thing.

Wang Xinran listened to the busy sound from his mobile phone and scratched the back of his head helplessly.

I haven't seen you for a few years. I'm still stubborn.

These two people are really no one, the character of a than a stubborn, let them do a good job.

Wang Xinran hung up and turned around to find that the man who had been lying on the counter had disappeared.

He looked up to the door and found the drunk man walking straight to the door.

What Wang Xinran doesn't know is that Li Xingchen was not drunk at all just now. He knows that Wang Xinran will call Xia Ye.

It's just that the woman is really cruel.

Wang Xinran pinched his eyebrows with a headache, and quickly strode to keep up.

CEO Daddy Is Too Passionate - Chapter 1529

The first thing you see is a pair of diamond studded high-heeled fishtail shoes, a pair of white legs, a sexy hip skirt, a modified black suit, and a cold and sulky face.

Summer leaves beautiful eyebrow, slightly wrinkled.

When Xia Ye looks at Sun Xuefu, sun Xuefu also looks at her quietly.

What a beautiful woman.

Even if I don't want to admit it, my fair skin is as delicate and smooth as milk. It's full of collagen, especially the eyes, which are inlaid with stars. It's just the type that men like.

"What a fox! Come out with me

Sun Xuefu clenched her teeth, snorted coldly, put her hands around her chest, turned around and left the office.

Many people in the office, see this scene, began to whisper.

"What's going on?"

"What else? Two women fighting for a man! "

"Tut Tut, the boss has a lot of romantic debts. I don't think lawyer Xia is sun Xuefu's opponent."

Summer leaves drooping eyes, long eyelashes cover up the mood in the eyes, on the side of the fingers clenched up.

She stood up slowly and followed sun Xuefu out of the law firm.

Not far from the office is a cafe.

Sun Xuefu asked for a private room.

Xia Ye stood at the door, looking at Sun Xuefu with an angry face, calmly said: “what do you want to say to me?”

Sun Xuefu slaps her hand on the table and looks at Xia Ye coldly with her beautiful big eyes painted with heavy makeup.

“Leave him!”

Xia Ye frowned, “I have the right to freedom.”

Hearing this, sun Xuefu sneered sarcastically, “don’t you think you are ridiculous? Now that I left, why did I come back? Now he is my man, your behavior is Xiao San! Do you know what Xiao San is? ”

“.....”

Xia Ye stabbed in her heart and swallowed her throat. Her clenched fist turned white because of her strength.

“I am not! I never wanted to destroy your relationship. ”

“Oh

Sun Xuefu sat down on the chair, opened the bag, took out a bank card from it, patted it in front of Xia ye, raised her chin, and looked like a peacock.

“Here’s half a million. Leave him!”

Xia Ye rubbed her eyebrows. “Miss Sun, what are you afraid of? Are you worried that I’ll take him? Are you so insecure about yourself? ”

Sun Xuefu didn’t expect that Xia ye would even talk back. She was very angry and laughed back.

“How can you be so cheeky and feel superior as a junior? I tell you, you don’t want to use your daughter to threaten brother star. The Li family won’t allow you to come into the house without a poor Cinderella of any background.”

Xia Ye looks at Sun Xuefu’s proud face, her eyes suddenly darken, and even a trace of guilt flashes in her heart.

Aunt Wenqiao never despised her identity. Even if she knew that she was in love with Li Xingchen, she never interfered with them, and even hinted that they would get married as soon as they graduated.

Li family is not what sun Xuefu looks like in her mouth at all. She is sorry for aunt Wenqiao.

Sun Xuefu saw that she didn’t speak, and yelled angrily: “speak! Do you think that if you don’t say anything, I have nothing to do with you? I’m miss sun. You’re nothing. If you don’t think too much of yourself, I’ll be blamed for being rude! ”

Xia Ye looks at Sun Xuefu’s angry appearance, like a clown.

However, she should like Li Xingchen very much, right?

Otherwise, I would not be so worried.

When sun Xuefu saw that she was still indifferent, she suddenly gave a sneer. There was a dangerous light in her beautiful eyes.

“You’re not going, are you? OK, if your daughter has an accident at school, don’t blame me! ”

Smell speech, summer leaf white small face, facial expression drama however a change, “Sun Xue Fu, what do you want to do?”? If you dare to touch my daughter, I’ll never end with you! ”

“Well! Do you dare to see me? ”

With that, sun Xuefu turns on her mobile phone and clicks on a video.

In the video, Xiao Yueyue is playing the slide happily with her children.

Xia Ye's heart beat, throat, eyes red, staring at a proud woman.

"Where did this video come from? You have my daughter under surveillance

"How is it? I tell you, if you don't take your daughter out of B city, it's not surveillance."

Back in the office, Xia Ye was in a muddle.

Sun Xuefu is a miss of the sun family. Her family is powerful and powerful. It's easy to kill her.

If it's before the change, she probably doesn't care.

But now everything is different. She is xiaoyueyue again. She must take xiaoyueyue's comfort into consideration.

Xiaoyueyue is the only blood left by her sister in the world. She can't let her suffer any harm. Perhaps, she should not have returned to B city, should not expect to see that person again.

Xia Ye quietly packed up her things and went home to collect some things in advance. On the excuse of going on a business trip, she said goodbye to Wang Ma and went to school ahead of time to pick up Xiao Yueyue.

Even when I bought a plane ticket, I took my daughter to the south.

At five o'clock in the afternoon, Wang Ma and the driver happily went to school to pick up Xiao Yueyue.

When all the children left the school and found the head teacher, they knew that Xiao Yueyue had been picked up by Xia Ye.

Wang Ma yelled “no good”. She didn’t dare to delay for a moment. She called Li Xingchen flurriedly.

When Li Xingchen received the call, he was sitting at home watching TV with Wen Qiao.

Wenqiao has a bad headache recently. Li Fengbei is not at home. Li Qichen is busy, so Li Xingchen is at home with his mother.

In fact, Li Xingchen did it on purpose.

Wenqiao was a little angry about the thing that summer leaves left without saying goodbye.

She really took Xia Ye as her future daughter-in-law, half a daughter, but she didn’t even say hello when she wanted to leave.

Li Xingchen tentatively reveals the news of Xia Ye’s return to Wen Qiao these two days.

How could winjo not know what his son was thinking.

I can’t fix it, so I asked her for help!

Wen qiaodang said: “I haven’t seen Xia ye for several years. When she has time, I’ll get her together at home.”

I can’t help laughing. This child and his father are the same virtue. They are both dead ducks with stiff mouths and suffer from their own troubles.

Li Xingchen listens to Wen Qiao so readily agree, haven't had time to be happy, receive Wang Ma's phone call.

"Second young master, no! Miss Xia Ye has gone with her

Li Xingchen's face is gloomy, and a coming storm is sweeping under his calm appearance.

"I see."

Hung up the phone, got up and went to the door.

Wenqiao saw this, a worried face called him, "Xiaobao, you don't mess, have a good talk."

Xia Ye squatted down, holding her daughter, "sorry, mommy has a reason to leave."

"But..."

Xiaoyueue's big black-and-white eyes were full of crystal clear tears and looked pitiful.

The crowd uttered an inexplicable scream and low cry. Xia Ye's heart jumped inexplicably and immediately turned to look at it.

Only a dozen tall bodyguards in black suits separated the crowd and blocked her way.

Immediately, she saw Li Xingchen's assistant come from behind the crowd, "lawyer Xia, please come back with me, don't make boss angry."

Xia ye, holding xiaoyueyue in her arms, takes a step back vigilantly.

"No..."

After being stopped by bodyguards, she could escape in five ways.

Summer leaf is startled to stare big eyes, "you let me go! I broke up with him a long time ago, and our affairs have been over a long time ago."

The assistant's face was expressionless. He helped the frame on the bridge of his nose. "I'm sorry, you know the boss's temper. If you let him come in person, I'm afraid..."

Xia Ye is desperate.

She knows Li Xingchen.

If you don't annoy him, he is a docile cat. If you annoy him, he is a fierce lion. He can come and bite you at any time.

Xia Ye knows that she can't escape.

He followed the assistant out of the airport.

A black Rolls Royce phantom parked at the side of the road, the assistant personally opened the back door for her.

"Lawyer Xia, go in, boss is waiting for you!"

Then she reached out and took the little moon in her arms.

“Don’t...”

Xia Ye reached out to grab it, but the assistant said, “lawyer Xia, some things are not very good in front of the child’s interview.”

Assistant’s words, let Xiaye successfully give up the idea of holding her daughter back.

She looked at the man in the back of the car.

At this time, he was looking out of the window, long legs overlapping, handsome side face expressionless, can not see the slightest emotion.

Summer leaf tight tight tight finger, repeatedly hesitated, finally got on the car.

The car began to start slowly.

Li Xingchen looked at her frightened appearance, reached out and gently stroked her face, and said in a low voice: "Xia ye, you listen to me clearly, I can give you time to accept me again, but who allows you to leave without permission? Do you want to leave me in silence as you did five years ago?

"Li Xingchen, five years ago, you played with me, you were sorry for me, but now you are posing as a victim. Are you still not a man?"

"I'm sorry? I haven't seen you for five years. I'm good at reversing black and white. Can you tell me who you gave birth to xiaoyue?"

Li Xingchen squeezed her wrist and pressed her arm.

He was afraid that he would strangle her by mistake.

Xia Ye's eyebrows are wrinkled with pain, and her small facial features are wrinkled into a ball.

She felt that her wrist was about to be crushed by him, but she didn't want to beg for mercy in his scarlet eyes.

Her eyes are stubborn, but smile, deliberately stimulate: "whose child is she, what do you care?"

"You

Li Xingchen narrows her eyes dangerously. She doesn't know how to repent at all. She smiles angrily.

"Well! Are you good to me? "

Xia Ye stares at him and hums coldly, "why don't you say Well

The next words were all blocked in the throat by men.
