CEO Daddy Is Too Passionate - Chapter 1531

With a strong anger, she was kissing her lips crazily.

Rude and disorganized to pry her teeth, to conquer her everything, her body, her heart

However, Xia Ye is also stubborn.

The more he did to her, the more she refused to bow.

A pair of beautiful big eyes glared at him, head left dodge right flash, is not willing to let him kiss himself.

Li Xingchen was completely annoyed.

Control her slender wrists with one big hand, and the other hand forcefully pinches her chin.

“Well...”

Summer leaves eat pain, exclaim.

The man’s strong tongue came in and wantonly occupied her territory in her mouth.

Summer leaves are going mad.

Open your mouth and bite.

But the man seemed to know that she would do so, and let her go first.

She had no time to stop and bit herself on the lip.

“Hiss ~ ~”

on the delicate lips, the skin was bitten immediately.

A burst of sharp pain came, and Xia Ye’s tears came out.

Li Xingchen’s eyes darkened without any hesitation. He lowered his head and held her lips again.

Warm lips, in her run on the wound strong lick.

Xia Ye was stunned.

What is he doing?

But soon, she was completely flustered.

Body suddenly a cool, package skirt was not pity to throw on the ground.

Xia Ye’s clear eyes widened to the limit and became flustered.

There’s a driver ahead. What does he want to do?

“No...”

Summer leaves struggle violently.

Li Xingchen roared toward the front cab, “put down the partition board.”

Originally pretending to be a deaf driver, Li Xingchen yelled and shook his back. He quickly replied, “yes, young master.”

The partition board rises to separate the wide car into two independent spaces.

Summer leaves flurried to look up, on a pair of eyes color deep blue eyes, that dangerous eyes is like a powerful vortex, the next second will absorb her.

“Li Li Xingchen...”

Xia Ye’s teeth trembled with fear. She finally gave up and begged for mercy with fear, “don’t Don’t do like that! My daughter is in the car in the back!”

The car behind is very tight, and the windows are transparent.

She’ll go crazy doing this in front of her daughter.

At ordinary times, he would feel pity for her panic, but now, he doesn’t want to be soft hearted at all.

Calm face, gradually emerged a trace of madness.

He crooked up the corner of his lips, lifted and loosened the bow tie, lowered his head and blocked her lips again.

.....

When the car came back to the villa in the suburb and stopped, Li Xingchen slowly fastened the button of his shirt.

He looked down at the woman who had passed out of sleep, and finally his eyes softened.

He picked up the black suit on the ground and wrapped it around her.

When Li Xingchen got off with Xia ye in her arms, Wang Ma was waiting at the door with the servants of the villa. Seeing this, she was shocked and strode forward.

“Young master Miss Xia ye, what’s the matter?”

The girl closed her eyes and lay down in Li Xingchen’s arms, but even when she fell asleep, tears hung on her long eyelashes, her little nose was red, her cherry mouth was red and swollen, her skin was broken in some places, and her hair was in a mess.

More importantly, even if she was wrapped in a suit, Wang Ma could still see that she was absolutely not wearing anything.

It’s just like being ravaged.

Have you been bullied?

Wang Ma was shocked and angrily scolded: “who killed a thousand swords and made Miss Xia Ye look like this? How can she be so wicked?”

However, as soon as the voice fell, the young master gave him a cold eye.

Wang Ma choked. What did she say just now?

Didn’t say anything?

Li Xingchen took back his sight and said without expression: "mother Wang, prepare some clothes for her to change and wash, and stew some chicken soup for her."

"OK, I'll be right there."

Wang Ma turned and left.

After two steps, Li Xingchen's voice came from behind, "wait a minute."

"What else can I do for you, young master?"

"Don't say I ordered it."

"Well? Young master Wang Ma looks at Li Xing Chen with a puzzled face.

Why did the young master treat Miss Xia Ye well, but didn't tell her?

But Li Xingchen didn't give her an answer, instead, she went upstairs with Xia ye in her arms.

.....

When Xia Ye wakes up, it's already night.

The sun had set, the sky outside the window was dark, and a dim yellow wall lamp was left in the room. By the weak light, just wake up big eyes, with confusion, quietly looking at the room in front of.

In the big bedroom with black-and-white style, the world's famous out of print paintings are hanging on the wall, and even the handicrafts on the cabinet are of great taste and value.

"Where is this?"

Before her brain was fully awake, she sat up from the bed with a confused murmur.

This move, the whole body like scattered frame, especially in a certain place, like a tear, pain her beautiful face wrinkled into a ball.

With this movement, the quilt slipped from her body, revealing her clavicle and a section of her arm.

The white skin is full of kisses and red cherry blossoms all over the body.

What has poured into the brain, summer leaves the whole person has been stunned, the brain a blank, like being struck by lightning.

She was invaded by Li Xingchen!

Thinking of this, Xia Ye's face turned white, even the fingers holding the quilt were shaking.

Just then, the door was knocked.

"Who?"

The summer leaves are wary.

A familiar and kind voice came along the door. "Miss Xia ye, it's me. Are you awake?"

It's Wang ma.

Summer leaves gnash teeth, more sure that this is a residence of Li Xingchen.

I don't know where xiaoyueyue is?

Seeing that she was silent, Wang Ma reached out and pushed the door open. She said with a smile, "Miss Xia ye, are you hungry? Why don't you get up and have some soup first?"

Xia Ye is startled, raise quilt hastily, wrap oneself firmly, show a head only.

"I don't drink it."

Although she only glanced at Xia ye, she could see the trace on Xia Ye's body, and her eyes showed a touch of heartache.

I'm just scared to see it. How can the young master do it? How painful is it?

Wang Ma was distressed. Instead of leaving immediately, she put the plate on the table.

Walking to the bedside, Wen Sheng advised: "Miss Xia ye, you have been with the young master day and night for more than a year. You should know his temper. He has a strong possessive desire for what he likes. Even if it is a toy, he would rather collect it than give it to other children.

Wang Ma can see that you also like the young master. Why should both of them be so stubborn? When a husband and wife get along with each other, someone has to bow his head first. Otherwise, how can we live this life?"

Summer leaf nose a sour, angry way: "who is husband and wife with him?"

CEO Daddy Is Too Passionate - Chapter 1533

Li Xingchen left without looking back.

In his heart, they never said "break up", so she is still his.

It can only be his.

Behind him, Xia Ye gritted her teeth with anger.

Xiaoyueyue is in the hands of Li Xingchen, where dare she lie on the bed.

Even if the body is very uncomfortable, or forced to support the body to get up.

But when I lifted the quilt and looked at the transparent lace pajamas, I was in a dilemma.

How do I get out in this dress?

“Li Xingchen, you bastard!”

At this time, in addition to swearing behind his back, I had a mouth addiction, and I didn't know what to do.

Her eyes swept around the room, and finally fell on the other end of the bedside table, slightly frowning.

Go over, pick it up and open it.

A nude dress appeared in front of my eyes, elegant and beautiful, even the tag on it was not removed.

It's not just one, it's a whole stack.

She looked at the other end of the bedside table with a puff of her mouth.

I had prepared two kinds of clothes for her, but she was too anxious just now to see the normal clothes on this side.

Khan ~ ~

it seems that he was wronged just now.

But when she thought of the pain in her body, her shame disappeared immediately.

Xia Ye changed her clothes and walked out of the room strangely. From a distance, she heard a clear sound coming from downstairs.

“Grandma, you are so young and beautiful. You don’t look like a grandma at all.”

Grandma?

It’s xiaoyueyue’s voice.

Summer leaf heart a joy, speed up the pace of downstairs, the result involves the leg wound, pain a small face wrinkle, can’t help but slow down the pace.

Far away, she saw an elegant figure sitting in the living room on the first floor.

Although back to her, can’t see her face, but the rich temperament of the back is too familiar, Xia Ye subconsciously nervous.

To tell you the truth, the most frightening thing to go back to B city is to be afraid of meeting Wenqiao.

Aunt Wenqiao was so kind to her and treated her like a daughter, but she had no conscience and left without saying hello.

At the beginning of going to the south, my sister suddenly moved the fetal gas and ran in the hospital every day.

In addition, the elder sister's money was cheated out by the slag man, and their lives became a problem, so on the third day of the elder sister's stay in the hospital, she began to look for a job busily.

For two people's living expenses and medical expenses, she worked three odd jobs every day.

Every day from five o'clock in the morning to midnight, both physically and mentally very tired.

She's in such a mess. Where can I contact her?

In addition, every time she picked up her mobile phone, she would think of the laughter of Li Xingchen and Wang Xinran when they called that night.

It turns out that her love just moved her. Li Xingchen was so high up, how could the young master who was born with the golden key really like her /

at the beginning, every time she thought about these things, she couldn't help but want to contact Li Xingchen and come back to him.

At that time, I thought, when my sister is better, she will go.

But the idea didn't come true in the end.

The elder sister's health was good or bad. She had been lying in the hospital for seven months. On the day when Xiao Yueyue was born, the God of death didn't care for this miserable woman and took her life away.

When the doctor covered her sister with a white cloth, her world suddenly collapsed.

She always thought that she was strong enough, but when her sister never opened her eyes again, she found that her sister had always been her spiritual pillar.

Even if she is bullied and blinded outside, there is always someone waiting for her at home. She has relatives and a family.

But now, she has no family and no home.

It was not until the baby in her arms began to cry that she became strong again.

She is not without relatives, her sister's children are her children, she should take care of the children to grow up, do not let her repeat her sister's life.

From then on, she slowly stopped thinking about Li Xingchen.

Because some things, from the beginning is doomed to cross the horizontal ditch.

There is hope, because there is hope, if already desperate, but there will not be so much expectation.

However, she felt more and more guilty about Wenqiao. She always felt that she would never give her a good face when she met again

Summer leaf side remembers, already walked to sofa side.

Xiaoyueyue is too short. I didn't see her clearly just now. At this time, I found that Wenqiao was holding xiaoyueyue and was teasing her with a luminous toy.

She looked at xiaoyueyue's eyes are the light of love, and xiaoyueyue "giggle", smile is very sweet, even two big eyes are bent into two small crescent.

"Auntie..." Summer leaf tight tight tight finger, uneasily open mouth to shout a way.

Smell speech, Wen Qiao turns round, to go up summer leaf some flustered small face, eyes a bright, surprise tunnel: "small leaf, you finally willing to come back, can want to die aunt."

"Auntie..."

Summer leaves sour nose, eyes gradually become moist.

She had no parents since she was a child. When she was a child, she always picked up clothes that others didn't want. Too poor children would always suffer from all kinds of white eyes outside. Wenqiao was the first woman to give her mother's warmth.

"Come, good boy, come and sit down!"

Wenqiao originally wanted to say something about Xiaye and ask her why she left in silence, but looking at her red eyes, she sighed and waved to her.

Xia ye walked by and sat on the sofa beside her.

Wen Qiao took her hand and said with a smile: "just come back. My aunt misses you very much. Do you miss me?"

"Well."

Summer leaves busily nodded, "I want to, often want to."

Winjo grinned a little more. "If you want me, why don't you come back to me?"

When she thought of something, she looked down at xiaoyueyue in her arms and said, "you are still suffering outside with your child alone. How can you be so stupid to let that smelly boy be free here?"

“.....”

Xia Ye was still very moved, but her emotion got stuck in the middle of the road.

She looked at winjo’s serious face in shock and pulled the corners of her mouth twice.

Aunt Wenqiao doesn’t think xiaoyueyue is Li Xingchen’s child, does she?

“Well That... ”

Xia Ye tightens her fingers and wants to explain to Wen Qiao about Xiao Yueyue’s life experience, but she doesn’t dare to say it in front of her.

Although Xiao Yueyue is still less than four years old, she is half sensible.

She doesn’t want to let her know her life experience. It’s no good to know her life experience.

Xia Ye touched the back of her head and said awkwardly, “Auntie, don’t get me wrong about something. I’ll explain it to you later.”

“Well?” Wenjo was puzzled. “What did I misunderstand? What are you going to explain to me? ”

CEO Daddy Is Too Passionate - Chapter 1534

Xia Ye

“OK, you can explain to me later, but Xiaoye...” Wenqiao’s face flashed a little dignified as soon as his words changed. “Xiao Bao has not been happy in the years you left. He has been waiting for you to come back.

Now that you've come back, let's make it clear that you don't have five years in your life, especially your youth. Don't waste your time in vain."

"....."

Xia Ye quietly clenched her fingers on her knees. She did not dare to look into Wenqiao's eyes. She faltered and said, "he already has a girlfriend..."

"Well? Why don't I know?"

The doubt on winjo's face was even more serious.

Xia Ye looks at Wen Qiao seriously. She doesn't seem to be joking. She really doesn't know that Li Xingchen has a girlfriend. No, it's about his fiancée.

"Isn't miss sun his fiancée?" she asked, wide eyed and shocked

According to sun Xuefu, parents of both sides agree that they just wait for when they get married.

Moreover, she has seen sun Xuefu come to Li Xingchen several times in the office. It seems that her feelings are stable.

Wen Qiao was stunned by Wen Yan. After a little thought, he understood that Xiao Bao had a girlfriend. He asked in a funny way: "who told you that?"

"Sun..."

Xia Ye was interrupted by a strong voice behind her: "so you are a pig? Do you believe what others say? If I tell you to go away, you go away!"

"....."

Xia Ye immediately turns her head and sees Li Xingchen come to her with a long and slender step in anger.

He grudged her and poked her in the head. "If you listen to what others say, why don't you believe half a word of what I say?"

Xia Ye covered her head, thinking of so many people looking at them, she was embarrassed on her delicate white face.

Angrily roared: "Li Xingchen!"

Li Xingchen sat down on the sofa close to her, and her long, slender and straight legs overlapped casually. A pair of evil peach blossom eyes glared at her angrily and said: "what am I doing, isn't it?"

"You

Xia Ye was angry and cried by him.

She used to be a face loving and strong person. In front of her aunt and Xiao Yueyue, she was criticized by him for not saving face. Does she want face?

Before the tears came, Xia Ye gave a cold hum and wanted to leave.

But Wenqiao took her hand and comforted her: "don't listen to him. He is cheap."

Wen Qiao coldly stabbed Li Xing Chen one eye, almost biting a tooth way: "smelly boy, try to be brave again, daughter-in-law ran, I see you look for who cry!"

"....."

Li Xingchen doesn't speak. He takes a look at Xia Ye. He feels soft to the woman's red eyes.

Wenqiao this just satisfied, pull summer leaf to sit down again.

Slightly slant head, see the red kiss mark on Xia Ye's neck, suddenly eyes a bright.

It seems that she is in vain, this fierce look, you can imagine how much love.

Wenqiao put down her heart, but pretended to scold her son, "little leaf, the children are born for you, you can't let her be wronged, hurry to find a time to do the wedding!"

"What?"

Xia Ye's eyes were about to stare out. She shook her head and waved her hand, "no, no! Xiaoyueyue is not him..."

Why did you suddenly talk about the wedding?

It's all about what!

But the explanation was interrupted by Li Xingchen again, and he said seriously: "OK, Mommy, I'll find a day as soon as possible!"

Listen to Li Xingchen even directly recognize the next small moon, but did not refute, Xia Ye heart shock is bigger, ten thousand black crows fly overhead.

"Li Xingchen!"

Li Xingchen took out her ear impatiently, stood up, grabbed her wrist and went upstairs, "what are you doing with that loud voice? I'm not deaf! If you have anything, go upstairs first."

“You let me go, I have something to say to my aunt!”

Xia Ye struggles, grabs the armrest of the sofa and refuses to follow Li Xingchen upstairs.

Seeing this, Li Xingchen directly bent down, hugged her waist and forced her away.

Xia Ye twisted his fist and beat him on his back. He yelled angrily, “Li Xingchen, you let me go, I don’t want to go with you, I don’t want to go!”

She’s so bad.

Li Xingchen’s eyes are one Lin, raise palm, on her quite cocky buttock, heavily clap.

“Pa” ground one, lively room is quiet finally.

Xia Ye subconsciously looks at the sofa. Between Wen Qiao and Xiao Yueyue, she looks straight at her and her face turns red.

“Ah

Xia Ye buries her face on Li Xingchen’s shoulder and pretends to be dead like an ostrich. No face to see people!

Li Xingchen, you This the big bad wolf!!

Xia Ye scolded Li Xingchen hundreds of times in her heart.

Li Xingchen saw her completely good, this just satisfied ground to hook a hook lip, “again not good, I am more impolite.”

Xiaoyueyue saw them like this, and she was so scared that she cried directly.

“Mommy, I want mommy! Bad Dad, let go of my mommy

Xiaoyueyue threw away her toy and jumped from Wenqiao’s arms.

“Xiaoyueyue, be careful!”

Wenqiao’s face changed in fear that xiaoyueyue would fall down.

And the chubby little fantuan ran to Li Xingchen in front of them, and his chubby little hand hugged Li Xingchen’s thigh.

With a small mouth and tearful eyes, he said, “bully, don’t beat Mommy, or I won’t bully.”

A pair of big eyes, cute and lovely, tearful, can melt people’s hearts.

Li Xingchen’s heart was so soft that his voice became more tender than ever. “Yueyue baby, Baba didn’t beat mummy. Baba is loving your mummy!”

Listen to his serious nonsense, Xia Ye blushes with shame and wants to find a seam to bury herself.

“Li! Star! Chen

But the man didn’t pay attention to her at all, just continued to cheat his daughter gently.

“Xiao Yueyue goes to grandma’s first. Ba Ba has something to say to Mommy, and then she will take you out to play. ”

xiaoyueyue looks at Xiaye which is resisted on her shoulder with half doubt, and nods happily.

“Well, you and Mommy should finish soon.”

Li Xingchen nodded with a smile, “go to grandma.”

Wenqiao follows xiaoyueyue and holds xiaoyueyue. Seeing that Li Xingchen and Xiaye can make a lot of noise in front of everyone, he tells Xiaobao anxiously, “don’t be too overbearing. Your daughter-in-law should love her.”

Li Xingchen rubbed his eyebrows with a headache. “I know, Mommy.”

“You just know, don’t just talk about it!”

But think of two people face noisy, who turn to think is also a kind of alternative show love.

Wen Qiao rang out the kiss mark on Xia Ye’s neck just now and said with a smile: “you can consider giving Xiao Yueyue a younger brother or sister. Xiao Yueyue is less than four years old now, and the generation gap with her younger brother and sister is not so deep. Moreover, the younger a woman is, the easier her body is to recover. You should feel that if you have a child, there will be no freedom. I will help you when the child is born.”

“.....”

Xia Ye closed her eyes and tried to find a piece of tofu to kill her.

Why is it that the more you talk about it, the more you talk about getting married, and now you talk about having children?

Li Xingchen pour is a face calm, just cooperated the ground to nod, “Mommy says of right.”

Smell speech, summer leaf spine a stiff, to your head, Li Xing Chen, you son of a bitch!

To get a positive answer, Wenqiao happily took xiaoyueyue out to play.

And Li Xingchen carries Xia ye back to the bedroom upstairs and throws her on the bed.

CEO Daddy Is Too Passionate - Chapter 1535

Xia Ye's body shakes several times and then recovers calm. She gets up and stares at the man standing in front of her.

“Why did you just admit that Xiao Yueyue was your daughter? You know she's not! ”

Li Xingchen walked toward her, and her chin was pinched by her clear-cut fingers. She said with a smile: “do you think xiaoyueyue has a better choice besides recognizing my father?”

Summer leaves choke.

She could not refute that.

She pities Xiao Yueyue's life experience more than anyone else.

Her physical father, she secretly went to understand, is a scum, and the scum's wife is very strong, certainly can't accommodate xiaoyueyue.

If you let xiaoyueyue know her life experience, how to get along with her and be sad at that time.

However, Xiao Yueyue is a member of her Xia family. Li Xingchen has no responsibility and obligation to raise her sister's daughter with herself.

Xia Ye quieted down for a long time, then whispered: “fake is fake after all, aunt will know, and you will get married in the future, your wife will also mind this.”

As long as she thinks that Li Xingchen will marry other women and raise several lovely children with other women, she is very uncomfortable.

Li Xingchen listens to Xia Ye’s words and wants to beat her up.

“My wife will love her!” he said, almost gnashing his teeth

“Ah?”

Xia Ye looked at him perplexedly and retorted, “no woman will be happy in her heart, will she?”

She doesn’t think there will be such a generous woman in the world who is willing to raise her ex girlfriend’s children for her husband.

Who knows, summer leaf just finish saying, meet the cold eye of Li Xing Chen.

With a little anger, he yelled at her: “it’s deceitful of you to say that you love her, isn’t it? Thinking of another woman as her mother?”

“I No!”

Xia Ye quickly explained.

But on second thought, no, what does he mean?

Xia Ye looks at him with a muddled face. Li Xingchen is looked at by her clear and muddled eyes. Her ears are slightly hot, and she stabs her with an unpleasant look.

Xia Ye

What does he mean?

Are you really going to marry her?

What is in the mind, gradually emerged, her heart gradually accelerated, face also gradually red.

But I don't think it's possible.

She is not a lady of gold, nor an immortal. There are countless more beautiful women than her. As Li Xingchen, what kind of women can't get it, so it's absolutely impossible.

Summer leaf thinks in the heart, but still not reconciled ground hair asks a way: "Li Xingchen, do you still like me?"

"Don't be narcissistic! Who wants to like you! "

Li Xingchen's ears are more red, and he roars angrily.

Like her after five years apart. She's a little proud, isn't she?

Xia ye took it seriously, and the light in her eyes dimmed. She tooted her little mouth and said, "yes, after all, it's been five years..."

"What are you talking about?"

Li Xingchen wants to pry this guy's head open to see if it is bean curd dregs?

Isn't it usually smart?

Why is it that when you encounter the problem of emotion, it's like a wooden head, not at all enlightened.

If he entangles with her again on this issue, he must be furious with her.

Li Xingchen looked at the trace on her neck, her eyes became soft, and a trace of heartache flashed from the bottom of her heart.

She was so angry that she lost her sense of propriety yesterday.

Wang Ma said that she was injured

Li Xingchen takes out a small white porcelain vase from his suit pocket, walks up to Xia ye and suddenly grabs her shoulder.

"Lie down and I'll give you some medicine."

With that, in Xia Ye's muddled eyes, he pushed her to the front of the door.

He was a little shy when he did this for the first time, but it was his fault that he couldn't evade his responsibility.

Li Xingchen hardly hesitated. He reached for her skirt and lifted it up.

"Ah! What are you doing? "

Suddenly a cool body, summer leaves like a frightened little lion, scream.

He quickly covered the skirt with his hands. His beautiful big eyes were full of tears. He was scared to cry because of his rude behavior.

“You bastard, I didn’t call the police. I’ve been lenient. If you dare to bully me again, I’ll be rude to you!”

Li Xingchen frowned and looked at her strangely. “I’ll give you medicine. Where do you want to go?”

Even if he was a beast, he would not go to her when she was injured.

Cough, although I miss the taste.

Xia Ye tears a stiff, aware of their misunderstanding, but think of yesterday he treated her like that, she was wronged. Why did he do this to her?

But she did not win, reluctant to call the police to arrest him.

For a time, angry stars, and angry himself, Xia ye can’t help crying.

Li Xingchen is completely flustered.

“You Don’t cry, OK, I won’t force you, you can apply the medicine yourself

Li Xingchen put the small porcelain bottle into Xia Ye’s hand. Thinking of the doctor’s advice, he was worried that she would not use it. He explained, “just put it on the place where you were injured, then It’s going to be painted and torn I’m going

Li Xingchen thinks that he is calm enough, but he is not a prodigal son after all. He stutters in front of Xia ye for the first time.

With that, he strode out of the room.

Summer leaf opens hazy tears eyes to look up, just see his red ear tip, a Leng.

“Poof!”

Clearly very angry, but can not help laughing out.

She spread out her hand and looked at the white porcelain vase in the palm of her hand. Her face turned red

Xia Ye has a day's rest in the villa, but Xiao Yueyue takes Xiao Yueyue to Li's old house in the name of not disturbing her rest.

Thinking of Wenqiao's kindness to xiaoyueyue, she felt guilty of deceiving others.

Aunt wenjo was so kind to her that she shouldn't have cheated her.

She wants to find an opportunity to tell her xiaoyueyue's identity alone, and she will keep it a secret for her.

Although, after these two days, Xia Ye feels that Li Xingchen doesn't have no feelings for herself, and knows that sun Xuefu is misleading herself, she still doesn't dare to let herself expect too much.

After all, now she, with a child, is not worthy of Li Xingchen.

Summer leaves in the villa rest all day, the body is finally comfortable.

Li Xingchen doesn't go home until ten in the evening.

As soon as I got home, I saw that she was still lying on the bed. With a cold face, I pulled her out of bed and put her in the chair in the dining room.

Xia Ye is very dissatisfied with his behavior of forcibly controlling her behavior.

“Li Xingchen, what do you want to do?”

Jump down and leave.

Li Xingchen once again held her, like an emperor, with a natural tone, “I haven’t eaten yet.”

CEO Daddy Is Too Passionate - Chapter 1536

“I haven’t eaten yet!”

“So? This is your house. You can eat it if you want to! ”

“You eat with me!”

“Why should I...”

“Just because I work hard, I work for you.”

“.....”

The summer leaves blinked.

Why is she more and more confused about this guy’s brain circuits?

He works hard for her? What strange words!

Wang Ma came out of the kitchen with a portion of stir fried beef and a pile of clear fried cabbage. She saw that they were bickering again and said helplessly, "Miss Xia ye, the young master hasn't had dinner yet, and you haven't eaten much at night. The young master is worried about you and wants you to have more with him."

Li Xingchen said: "Wang Ma, don't talk to her."

"That's what you're talking about

Xia Ye takes it back impolitely.

Wang Ma looked at them tit for tat and shook her head helplessly.

As Wang Ma walked in, the smell of stir fried beef came out.

Summer leaves at night really no taste, casually eat two, at this time did not strive to swallow saliva.

Wang Ma saw this, quickly took out two pairs of chopsticks, "you eat slowly, I went to the room, you eat it, put it here, I'll take it down."

Wang Ma laughed and left the room for them.

Love cannot be hidden.

Although they are always noisy, there is light in each other's eyes.

After Wang Ma left, Xia Ye sat there with her hands around her chest and chin raised.

Li Xingchen pushed the chopsticks in front of her, then took the bowl in front of her and began to eat.

He ate so fast that he seemed to be very hungry.

But the action is not rude, and there is no other sound. A simple action of eating with vegetables is as elegant as playing the piano.

Xia Ye licked her saliva unconsciously.

Subconsciously, she looked at the pile of stir fried beef in front of her. Just after dinner, Wang Ma stewed chicken soup. She had no appetite, only a little.

It seems that the stir fried beef is very good. It's delicious.

Summer leaves stomach greedy insects were hooked out, swallowing saliva.

Li Xingchen looked up at her and said with a smile: "if you want to eat, do you want to keep your image in front of me?"

"No way!"

"Then eat it!"

"Eat it

Xia Ye is really hungry, picked up chopsticks, quickly put a piece of beef into his mouth.

Well, it's delicious. That's the flavor. It's fragrant, spicy and delicious.

Ten minutes later, Li Xingchen put down his chopsticks, smiling, quietly watching Xia Ye eating happily.

When a bowl of rice reaches the bottom, Xia Ye finds out that she has eaten such a big bowl of rice, more than Li Xingchen.

There was a trace of embarrassment on her white face, but now what made her even more embarrassed was that she was too full and a little bit full.

Neither of them spoke, and the atmosphere was a bit awkward.

Xia Ye pretends not to see Li Xingchen's eyes, gets up and starts to clean up the dishes.

Wang Ma is already old. If she goes to bed too late, she will lose her spirits the next day. So don't wake her up.

As soon as I got up, I was caught by a big hand.

"You go upstairs and I'll clean it up."

A man's deep voice, like a subwoofer, rings in his ears, just like a shake in Xia Ye's heart.

"Will you?"

Xia Ye looks at him with sneering eyes.

The implication is that if you don't touch yangchunshui, you'd better not make trouble.

Li Xingchen snorted, "you don't need to manage this."

Five years ago, he specially studied cooking with Wang ma. He thought that after college, they would live outside and he would cook for her.

She is as thin as bean sprouts. The food outside is not nutritious.

But this heartless man left him and ran away.

Thinking of this, Li Xingchen's anger surged up again, which made his teeth itch.

Li Xingchen stares at Xia ye, and then grabs chopsticks from her hand.

Xia Ye looked at him like singing Sichuan Opera, suddenly speechless, this face is not a bit too fast.

She didn't know why he was fine just now, and suddenly he got angry again.

However, Xia Ye is too lazy to understand his mood.

She went upstairs with a cold snort.

Subconsciously, she walked towards the master bedroom, but when she opened the door and looked at the decoration in the room which was obviously of men's taste, something flashed in her mind.

No!

This is Li Xingchen's bedroom. Do they want to sleep in the same bed?Of course not!

Xia Ye patted her forehead with chagrin. She was secretly chagrined. Why didn't she leave in the afternoon just now?

Well, as soon as she was in bed, she fell asleep and woke up at night.

It's too late to call yourself stupid.

This evening, there is no taxi at the door of the villa. If you want to leave, you can only wait for tomorrow.

Summer leaf turned a body, toward guest lie to walk.

But the door of the guest bedroom was locked and couldn't be opened from the outside.

"What's the matter?"

Xia ye said to herself in shock, "did that guy do it on purpose?"

Deliberately lock up the guest bedroom and keep her away?

She was so angry that she patted the door, and suddenly there was a faint voice behind her.

"What are you doing here? I broke my door, but I have to pay for it? "

"....."

Suddenly, Xia Ye was startled by the sound in her ears. She turned around and leaned against the door. A pair of big eyes stood guard against the man close at hand.

Her eyes flashed a touch of guilty, light cough a way: "so a bed, or you send me to the road, I take a taxi home."

"Are you sure?"

Li Xingchen looked at the western wall clock on the corridor. The pointer had already indicated 11 o'clock in the night.

It's more than an hour's journey from here to the house she rented. It's at both ends of the city. Now it's a little or two when I go out and get home.

But Xia ye said firmly, "if you lend me a car, I'll give it back to you tomorrow."

Li Xingchen refused without even thinking about it: "no! Cars and women are not allowed to borrow! "

"You

At this time can't offend him, summer leaves face squeeze out a false extreme smile, "don't be so stingy, I'll give it back to you tomorrow!"

"No way!"

Li Xingchen hands ring chest against the corridor wall, a pair of frivolous peach blossom eyes slightly narrowed, smilingly looking at her, "you don't think I will take advantage of you?"

Summer leaf a choke, bite a tooth way: "isn't it?"

I took advantage of her yesterday. This guy is so cheeky!

Li Xingchen didn't answer, but coldly hummed, "if you want to see xiaoyueyue tomorrow, roll in for me."

After that, turn around and go back to the bedroom.

Xia Ye looked at the open bedroom door in front of her. She tightened her fingers and licked her lips. Suddenly she was a little nervous. Even her heart began to beat faster.

She slapped herself in the face.

Summer leaf, summer leaf, can't you have a little promise?

CEO Daddy Is Too Passionate - Chapter 1537

Xiaye finally slowly came to the master bedroom.

However, he would not sleep on his two meter bed as Li Xingchen said. Instead, he opened the wardrobe and found a quilt in the cabinet and spread it on the sofa.

Li Xingchen looks at her a series of actions, displeased ground sinks facial expression.

Clench your teeth in silence.

This guy

Hum!

Li Xingchen hummed coldly in his heart and went to the bathroom angrily.

Xia Ye was lying on the sofa, but she couldn't sleep. Just now, she was gluttonous. She was so full that she felt very uncomfortable.

But at this time, the sound of flowing water came from my ear. It should sound like Li Xingchen was taking a bath.

The only man and the only woman in a room, the other side is also across a wall in the bath, Xia Ye's mind more floating up, small face also can't help but dye a suspicious blush.

When Li Xingchen came out of the bath, he glanced at the sofa.

The woman curled up on the sofa, her little body wrapped in a quilt, leaving a round back of her head facing him.

Li Xingchen is more angry.

Atmospheric open the quilt, lying in bed, but also the way to turn off the light in the room.

It was so hard that the mattress shook several times.

You don't have to open your eyes to see how bad a man's mood is.

The summer leaf that pretends to sleep intentionally curled his mouth and despised him in his heart.

However, the space on the sofa is too narrow. If you lie on the sofa in one position, you will soon feel uncomfortable all over.

In the dark, Xia Ye secretly opened her eyes, then the white moonlight outside the window quietly turned to look at the bed.

The man lay on his side with his back to her.

Summer leaf secretly turned over a body, who knows, just the body just turned over, the room light once again.

The next second, she saw the man lift the quilt, went directly to her, pulled her out of the quilt and threw her on the big bed.

Xia Ye is so confused that her head is short circuited that she can't react.

"Li Xingchen, what are you doing?"

“Sleep!”

The man went to bed with him and yelled angrily.

The slender arm is strong to put on her body, press her.

Xia Ye struggled, “you let me go, I sleep on the sofa, if you dare to do something to me, I will really call the police!”

“I’m not interested in bean sprouts!”

Li Xingchen mockingly hooks the corners of his lips, and the evil peach blossom eyes are full of frivolity.

Xia Ye stabbed in her heart and said, “I’m bean sprout. Why did you use it to me yesterday? Stay away from me if you can

Li Xingchen is a Leng, realize oneself really let her angry, silent down.

It’s just that the hand on her still doesn’t move.

Xia Ye struggled a few times and didn’t break away. She was so angry that she patted him with her hand, “you let me go!”

“No!” The man opened his mouth domineeringly and turned around. On the contrary, he held her with both hands and shackled her firmly in his arms.

“Let go...” Summer leaf where willing obediently let him hold, in the heart is angry.

But as soon as I lifted my foot, I suddenly met something unspeakable.

“Er ~ ~”

an intolerable Er hum rang out in the room. Li Xingchen’s forehead jumped straight, gritted his teeth and said, “don’t move!”

“.....”

When she realized where she had just met, Xia ye did not dare to move.

The little face couldn’t help getting hot and cursed this guy a hundred times in her heart.

What a jerk, hooligan.

For a moment, they did not speak and hugged quietly. From the outside, they were like a conjoined baby, closely connected.

Xia ye thought she couldn’t sleep, but gradually, I don’t know how long it took to sleep.

Like a child in general, no matter how much movement around, always sleep sweet.

The next morning, Xia Ye was woken up by the alarm on her mobile phone.

Confused to open his eyes, found Li Xingchen has got up, is standing in front of the mirror to change clothes.

Looking from the back, he has a wide shoulder and a narrow waist. He is 1.9 meters tall and has a perfect proportion. His sight gradually falls down on the man’s upturned hips

Ah! blamed!

Summer leaves feel a warm current flowing out of their nose.

She quickly covered her nose and turned to look out the window.

Don't have nosebleed!

She recited the pure heart mantra several times in her heart, and it was not easy to suppress her desire.

Think about it. She's in her twenties today. She's a vigorous young woman. She's in good health. She's in need and normal.

In fact, in the car yesterday, he forced me at the beginning, but later I pushed it half way.

In the face of the man you like, especially the other side or a man who is the best in both appearance and figure, it's strange to be Liu Xiahui. However, she certainly won't admit that she enjoys it.

Summer leaf is thinking wildly, suddenly, a slender hand stretched out, lifted the quilt on her body.

Summer leaves vigilantly from the bed to get up, a face speechless to look at the man in a bad mood early in the morning.

"What's the matter?"

Li Xingchen's handsome face is big with two faint cyan black circles under her eyes. Seeing the girl's ignorant look at her behavior last night, she is so angry that she just wants to twist her up and beat her.

"Oh

The man sneered and didn't want to talk more.

Cold face, carrying her to the bathroom, “wash quickly, go to work with me.”

“To work? I’ve resigned?”

Xia Ye pleaded.

Li Xingchen stabbed her hard, “I’m your boss, I didn’t agree with you to resign.”

“Er...” Xia Ye opened her mouth and wanted to refute something, but in the eyes of the other party, she finally closed her mouth.

Well, I don’t know why he’s angry, but she’d better not pluck the tiger’s hair.

Xia Ye accepted her fate and began to wash.

Pick up the toothbrush, this just found that she and Li Xingchen are lovers, in the heart flashed a little don’t pinch.

Why do they live together as lovers?

Xia Ye realized that she was thinking in a mess. She didn’t dare to look up at the stars, but she couldn’t help looking at them.

Through the mirror, she secretly looked at the man standing behind her with a cold face.

Suddenly, his eyes widened in shock.

There is a deep red kiss mark on Li Xingchen’s neck.

Although there is only one, I can see it very clearly.

The summer leaves suddenly became angry.

What I said yesterday seemed like I had no more love for her. In the twinkling of an eye, I made a mess of it.

Xia Ye is angry, brush a few times at random, put down the cup, wash a face at random.

Li Xingchen looked at her “rough” washing way and frowned.

“As a girl, life is so rough? Have you washed your face?”

Smell speech, summer leaf walks to his in front, provocative ground stares at him one eye.

CEO Daddy Is Too Passionate - Chapter 1538

Xia ye said, “what I want to do is my business. It’s none of your business! But some people, when they become two faces, at least in the past the bastard is a little bit, but at least disdain to lie, now everything is said

Li Xingchen brow again deep a few minutes, “what do you mean?”

There are only two of them in this room. Xia Ye’s strange words can only refer to him.

When Xia Ye turns around, Li Xingchen twists her eyebrows and grabs her shoulder.

“Make it clear, when did I lie?”

Xia Ye looks up, and they are closer. She can see the trace on his neck more clearly.

It's a kiss. That's right!

"Well! You know what you've done

Li Xingchen droops along her line of sight, sees her staring at his neck, he subconsciously looks at the mirror behind her.

You can see the conspicuous hickey on your neck.

Li Xingchen's evil fire, which is hard pressed down, surges into his heart again.

There was a sneer on his handsome face. "What do I know? Do you really have no impression of the things around your neck? "

"Me?"

Summer leaf is roared by him, in the heart inexplicable to feel guilty for a while.

Wait

Suddenly, something came to mind.

Xia Ye is frozen. Er

This kiss mark, can't be It can't be. Did you dream about it last night?

Last night I had a dream that they were still in high school. It was raining that night. Li Xingchen sent her home.

In the dark alley of the community, when she waved goodbye and was ready to go home, Li Xingchen suddenly grabbed her wrist and turned around to press on the wall behind her.

Xia Ye is confused.

The boy's hot, clean kiss fell.

At first, she was shy, but later, somehow, she wrapped her arms around his neck.

They began to kiss.

Recalling the scene in the dream, Xia Ye is a soul stirring.

She won't hold Li Xingchen's neck, will she?

Seeing her guilty face, Li Xingchen knew that she had remembered what she had done last night.

Soft jade again Huai, he can sleep just strange, this guy sleep sweet don't say, still hold him to kiss and gnaw, but don't allow him to move.

Poor him, he just put up with it all night.

Now it's good. She'll wake up and forget all about it.

Li Xingchen silently clenched his teeth, and the green tendons on his forehead jumped straight.

"Hum!"

If you don't want to talk to her again, you have to be very angry.

Li Xingchen turned around and went out.

Xia Ye quickly changed her clothes and went downstairs.

Li Xingchen stood at the door waiting for her, and from time to time he raised his wrist to look at the time, his eyes full of impatience.

Summer leaves quickly follow up, "I'm ok, let's go!"

Xia Ye wears a light blue skirt, a white shawl and two horsetails with long black hair. She looks like a college student in the period of the Republic of China. She is pure, intellectual and elegant.

Li Xingchen's eyes flashed a trace of astonishment. He hummed twice coldly without any trace, and then turned around and left.

Xia Ye looks down at her skirt, which he prepared. Is there a problem?

Cut!

Xia Ye raises her feet to keep up with her. After two steps, Wang Ma stops her.

"Wait a minute, Miss Xia Ye. You and the young master haven't had breakfast yet. Take them to the company."

"Oh, thank you!"

Xia Ye didn't want to disappoint Wang Ma, so she said thanks.

Li Xingchen had already got on the bus. She didn't dare to delay. She hurriedly carried her breakfast.

All the way speechless, Xia Ye holding breakfast sitting in the co pilot, eyes embarrassed, turned to look at the window, is afraid to look at the people sitting around.

Seeing that the car was about to arrive at the office, she changed her eyes and said anxiously, "stop, I'm going to get off here!"

Li Xingchen twisted his eyebrows and said in a cold voice: "I'm so shameful?"

"There will be a misunderstanding!" Xia ye said anxiously.

"What's the misunderstanding?" Li Xingchen's voice is colder.

"Oh, anyway, get off here!"

Summer leaf also don't know how, don't want to let others see her and Li Xing Chen appear together.

Last time, the two of them had caused a big stir in the office. If people saw her get off from Li Xingchen's car, it would definitely cause a sensation.

Li Xingchen finally stopped the car.

As soon as Xia Ye got out of the car, she didn't fully stand. The car drove past her like an arrow.

Xia Ye stamped her feet in anger, "Psycho!"

Xia ye walked five minutes and came to the office. She was just about to sit down and start her day's work. Unexpectedly, Li Xingchen's assistant came to her."Lawyer Xia, boss asked you to go to the office!"

“What’s the matter?”

Obviously someone forgot something.

The assistant chuckled and said, “I’ll probably have breakfast with you.”

“I...”

The conversation between the two is not big or small, and the eyes of the colleagues around them look at Xia ye together.

In a panic, Xia Ye waved her hand, “I’m not It’s not what you think! ”

As soon as the voice fell, Li Xingchen’s voice came up from the building, “lawyer Xia, do you want me to come down and invite you in person?”

“.....”

Office inexplicably sounded a low voice, eyes all become ambiguous.

The eyes of female colleagues are sour.

We are all employees. Why can the new lawyer Xia get such treatment?

Xia ye had to go upstairs.

“Li Xingchen...”

Once in the office, Xia Ye wants to make it clear to Li Xingchen. After all, this kind of action is not appropriate.

But he was interrupted by a man's voice, "are you guilty? Or angry! "

Summer leaf a Leng, quite quite chest, "which have! I'm not! "

"Then get out of here!"

Xia Ye is thinking about whether there is something wrong in her mind, but her steps have been lifted up and walked towards Li Xingchen.

After sitting down on the sofa, Xia Ye realized a serious problem.

Just now, she wanted to make it clear to him. As a result, every conversation was guided by him, and even her behavior unconsciously followed him.

A pair of bone clear fingers stretched out in the past, chopsticks on her face.

"Eat quickly. It's bad for your stomach if it's cold."

Xia Ye's face turned red

Cough, why does this person suddenly become gentle?

Damn it.

If you just follow her to the end, she will never admit defeat, but such a gentle Li Xingchen is really irresistible.

Summer leaf light cough voice, light voice way: "thank you!"

Li Xingchen raised his eyelids and looked at her. Without speaking, he picked up his chopsticks and began to eat.

The atmosphere in the room suddenly became warm. Although they didn't speak, there was a strange feeling surging.

However, just then, the door of the room was pushed open, and a banter sounded.

, "Oh, am I looking at the old fellow? The old tree of thousand years is actually blooming!"

CEO Daddy Is Too Passionate - Chapter 1539

Xia Ye's chopsticks froze and looked at the door.

A pretty man in a purple shirt and white suit pants was standing at the door, with a pair of fox eyes looking up and down at her.

"Wang Xinran?"

Xia Ye hesitated.

In high school, Wang Xinran was so naive that he always followed Li Xingchen. How did he become like this in a twinkling of an eye.

Er It's like I just came back from the show.

Wang Xinran a listen, immediately happy, a pair of fox eyes blinked, began to discharge.

"Little girl, do you know me? Are you a fan of me, too? "

Xia Ye's intuition is right. Now Wang Xinran is really famous. He has become a male model and is famous in the world. He just thinks that Xia Ye doesn't pay much attention to this circle, so he doesn't know.

Little girl?

Summer leaf mouth a smoke.

When did this person become so glib? It seems that everyone has changed a lot over the years.

Li Xingchen drank a mouthful of white mouth, light mouth way: "she is summer leaf!"

Wang Xinran blinked his eyes at Xia ye and said with profound meaning: "you are also Xia Ye. Before, there was a girl named Xia ye in our class. It's really a coincidence."

"Poof!" Xia Ye couldn't help laughing.

"What's the matter? Is what I said funny?" Wang Xinran asked with a smile.

Xia Ye shook his head speechless, "Wang Xinran, I'm the Xia ye in your class. Don't you know me?"

Wang Xinran was stunned. He looked at Xia Ye's delicate and beautiful face, almost startled his chin.

"You You are Xia Ye! You look so good

Don't blame him for not recognizing that Xia Ye is fashionable and elegant. Where is the image of a bumpkin who wore big glasses and rustic clothes in high school.

Wang Xinran was shocked and opened his mouth wide. "It's so surprising. It's just like a fairy. Did you go for plastic surgery?"

Wang Xinran still can't believe that a person will change so much.

Li Xing Chen coldly stares at him one eye, "look for me what matter, have words to say quickly."

This sentence "have words to say quickly", don't know how, Li Xingchen heard "have fart to put quickly" meaning.

He said with a smile, "I just passed by and wanted to see you."

In fact, he just came to sit down on purpose and wanted to know what happened to him and Xia Ye.

Come on, it looks like he doesn't need to ask. His worries are superfluous. People are better!

Wang Xinran turned a corner of his mouth and said with a smiley face: "just want to ask, when can I have a drink of wedding wine?"

The boss has been waiting for so many years, and finally the beauty.

Li Xingchen snorted coldly, and said ambiguously, "well, can I get less of you?"

Wang Xinran saw this, the smile on his face more interesting, "OK, then I have to work hard to make money, when the best man."

Listen to two people you a I a, summer leaf wants to cut in, feel this topic embarrassed again.

So he put down his chopsticks and said, "I'm full. You talk. I'll go out to work first."

Wang Xinran waved with a smile, "goodbye, I'll go to chat with you later."

"Anytime."

Xia Ye chuckles, nods and walks out of the office.

As soon as Xia Ye left, Wang Xinran went over and said, “boss, are you making up?”

Li Xing Chen picked next eyebrow, “sooner or later matter.”

“Oh, it seems that we haven’t made up yet.”

Li Xingchen moved his wrist for a while, and suddenly an evil smile appeared on his face. “Wang Xinran, didn’t you say you wanted to learn Taekwondo last time? I’m just free today. I’ll teach you! ”

Wang Xinran felt a steaming sense of killing and said with a smile: “no need, no need Ah

Downstairs office, listening to the scream from upstairs, one by one to look forward to the good play.

Wang Xinran is very familiar with the company. There have been a large number of small fans for a long time. Many people still knock on the CP of Wang Xinran and Li Xingchen.

Xia Ye listened to Wang Xinran’s scream and couldn’t help laughing.

I didn’t expect that when they grew up, they were still the same as before. Wang Xinran, the unlucky guy, was always beaten.

Ten minutes later, Wang Xinran ran out of the office with a painful face, holding his waist.

It’s terrible to be a man who wants to be dissatisfied.

The fall almost killed him.

Wang Xinran's appearance of being trampled by others caused a round of onlookers.

Wang Xinran saw Xia Ye looking at himself. As soon as his eyes brightened, he immediately straightened up. His waist didn't seem to hurt any more. He strode toward her.

"Xia ye, let's go out and have a talk."

"Now? I'm at work" It doesn't matter. He's the boss. What does it matter?"

Wang Xinran twisted her back collar and forced her to leave.

Summer leaves a burst of shame, but help the forehead, "you first release me, I'll go with you."

Wang Xinran released her with satisfaction.

It's the same cafe next to me.

Xia ye came here for the second time, and she came with sun Xuefu for the first time.

Wang Xinran sat down with the same smile on his face. Wen Sheng asked, "Xia ye, where have you been all these years?"

"I went to the South..."

Two people simply talked about the situation, Wang Xinran received a phone call, had to leave.

Before leaving, his expression suddenly became a little serious, "Xia ye, the boss has not been easy these years, he has been waiting for you, don't let him down."

Finish saying, also wait for Xia ye to reply, walked out of the cafe.

Xia Ye looks at Wang Xinran's back, and her mind still hovers with his words just now, "he has been waiting for you..."

Li Xingchen heard that Wang Xinran called Xia ye out. He was worried that he would speak in a hurry.

As a result, Xia Ye was sitting alone in the card seat, with clear big eyes, looking at him strangely.

Li Xingchen in the heart a clap Deng, stride toward him to walk past.

"What about Wang Xinran?"

Xia ye said, "he's gone."

"He I didn't tell you anything, did I? " Li Xingchen asked nervously.

Xia Ye's nose was sour and her eyes were suddenly moist, but she soon forced her down.

Face squeeze out a relieved smile, "mutual greetings a few words, after all, is a few years did not meet the old classmate."

Smell speech, Li Xingchen breathed a sigh of relief, again cold under the face, proud Jiao way: "now is working time, innocent leave work post, deduction salary."

"....."

Xia Ye looks at him speechless.

This man is more and more proud.

However, at this moment, she didn't want to talk back to him.

With Li Xingchen behind, looking at his awe inspiring high back, looking at his shaking hands around, she had the impulse to come forward and hold him.

She's not a wooden person.

These days together, she can feel this person's duplicity.

But between the two, there is a lack of relief.

She also realized that both of them were too stubborn to admit defeat in front of each other.

CEO Daddy Is Too Passionate - Chapter 1540

Back to the office, Xia Ye's mood is not calm for a long time.

The dusty heart is like opening Pandora's box at that moment, which makes her feel uneasy.

When a person is too fanatical, he may not be able to do a good job, so Xia Ye packed up his things and sneaked away before he got off work.

Instead of going to other places, she went directly to the kindergarten and wanted to get there before the Li family went to pick up Xiao Yueyue.

Unexpectedly, I saw Li's car parked by the side of the road from a long distance.

Wearing cheongsam, Wenqiao stood beside the school gate with the nanny and craned his neck to look inside the school.

"Ma'am, there's the little lady. She's looking at us!"

“Where? Why didn’t I see it? ”

Wenjo’s voice was anxious.

Summer leaves see this scene, the guilt in the heart reached the peak.

Aunt must be mistaken for xiaoyueyue is her granddaughter, will be so happy.

We can’t cheat any more.

Summer leaves pluck up courage, a few steps to Wenqiao and nanny behind, “aunt.”

Wenqiao heard the voice, first stunned for a while, then turned his head, on the pure face of summer leaves, immediately showed a smile.

“Little leaf, why are you here? Did you come alone? ”

Then she looked behind her.

Xia ye knew what she was looking at, and truthfully replied, “I left work early, and I’m off duty.”

“Skip work? It’s quite good! Little leaf, do you have something to say to me? ”

“I do have something to tell you. Please follow me!”

Wenqiao was puzzled, but he followed Xiaye to the side for a few steps.

“Little leaf, what do you want to say to me?”

Looking at the dignified expression on the girl's face, a bad premonition welled up in Wenqiao's heart.

Xia Ye tightened her fingers and took a deep breath. Then she bravely said, "aunt, in fact, Xiao Yueyue is not Li Xingchen's daughter..."

"Little leaf, what are you talking about? She's not the daughter of stars. Can she be someone else's daughter?"

Wenjo said with a smile.

With his son's temper, he didn't have so much tolerance to recognize other men's children.

He doesn't have that measure.

Xia Ye sighed and said, "Xiao Yueyue is my sister's child. Five years ago, my sister was chased and killed, so we had to flee to other places overnight. Originally, I thought I would come back soon, but I never thought that my sister was in childbirth, so I had to bear the responsibility of raising Xiao Yueyue."

"This..."

The amount of information was so great that Wenqiao was stunned and stammered, "this How could that be? But Xiaobao said, "xiaoyueyue is his child..."

Speaking of this, she suddenly laughed, "my stupid son, is really very affectionate to you."

Recognize xiaoyueyue, this is worried that she does not agree with his mother and Xiaye together.

I didn't expect that her mind would be so delicate even if she looked like a slothful child.

I can't help but feel angry. Is she the kind of mother-in-law who does not know what is wrong?

Xia ye thought that Wenqiao was angry with her. She didn't dare to raise her head and apologized, "sorry, I didn't mean to! I didn't mean to cheat you, really! I swear, I really did not want to cheat you, I am so good to me, even if I cheat anyone, I do not want to cheat you!"

Therefore, I choose to be frank with you today. I hope you can forgive me!"

Looking at her nervous appearance, Wenqiao said helplessly: "you two are really One desperately wants to hide, the other desperately wants to explain."

"Auntie, I'm sorry Do you think I'm particularly bad or bad?"

Summer leaf's heart is pulled high, especially uncomfortable.

She was very sorry that winjo had been so kind to her.

Wenqiao stepped forward, took Xiaye Bainen's hand and said with emotion: "although young is good, people's life is very short. It's very irrational to hurt people who love themselves for the sake of a moment's bravado and a moment's emotion. My aunt hopes that you two can understand your heart, face your heart calmly, and never do things you regret."

Summer leaf Zheng Zheng ground looks at Wen Qiao, suddenly laughed, "good! I know!"

Aunt this is not angry with her, but hope she and Li Xingchen don't waste time.

Xiaoyueyue, with a small schoolbag on her back, came bouncing over.

"Grandma, Mommy, why did you pick me up today?"

Wen Qiao and Xia ye turn their heads together and look at the head of Xiao Luo who is just a little higher.

Their eyes are full of loving light, and subconsciously they open their hands to xiaoyueyue.

Xiao Yueyue was stunned for a moment, but then she jumped into Wenqiao's arms.

"Grandma, I miss you in class today." "Really? Just a few hours apart and I miss grandma?" Wenqiao is flattered, looking at xiaoyueyue's eyes, full of love.

Xia Ye looks at the interaction between the two people. She is moved in her heart. Even the sight in her eyes becomes a little blurred.

Aunt Wenqiao is the warmest woman in the world. She knows xiaoyueyue is her sister's child, but she is cheated, but she still loves xiaoyueyue.

Her kindness and love, this life she is not clear.

Xiaye originally wanted to take xiaoyueyue back to the rental house, but xiaoyueyue relied on Wenqiao and refused to come down.

Look at that, I'm determined to rely on this grandmother.

Xia Ye was very angry, but she didn't dare to attack in front of Wen Qiao.

"Xiaoyueyue, be good. Go home with mommy first. When grandma is free, Mommy will take you to see her."

This, Wenqiao is not happy, "xiaoyueyue, you don't listen to Mommy, grandma is free any time."

Wen Qiao looked at Xia ye, “Xiao Ye, come back to Li’s house with me. Now the public security environment is not safe, and Xiao Yueyue is always allowed to eat the food outside. You have to take care of your children and work. You can’t be too busy.”

“It’s too much trouble...”

“Say what trouble, I still hope you and Xiaobao have another one. Even if I bring more, I will be happy.”

“Auntie! Nothing...”

Xia Ye is blushing and shy.

Wenjo stopped teasing her. “Well, it’s up to me. It’s settled.”

“I...”

Summer leaf still wants to say what, but by Wen Qiao a look to stop.

Summer leaves immediately quiet down, shut up, dare not say anything more.

Aunt is very gentle, but angry, it is also very terrible.

No wonder Li Xingchen is afraid of her.

But when I think about it, Xia ye can’t help lifting her lips.

In fact, it’s not fear, but because of respect, because of love, so I don’t want to make her angry.
