CEO Daddy Is Too Passionate - Chapter 1541

Xia Ye finally followed Wen Qiao back to Li's home.

Li family, we live together, do anything lively.

Now Li Fengbei has retired from the position of president of Li's group. An'an has become a little famous painter, and Li Qichen is now the president of Li's group, which has shouldered the burden of the family.

As the youngest Li Xingchen, under the protection of his elder brother, he can do whatever he wants and realize his dream of becoming a lawyer.

When Ann saw Xia Ye standing at the door, she was shocked to open her eyes and didn't dare to recognize her, "Xia ye?"

Xia Ye stands in front of An'an and smiles, "sister An'an, how are you doing?"

"Good, very good."

An an up and down a large number of summer leaves, eyes flashed a thick surprise, "summer leaves, you look so beautiful, just like the immortals, it's really female eighteen changes, people can't believe it."

Xia Ye was very embarrassed by her praise and her cheeks were red.

"Sister an is more and more feminine."

Over the years, An'an has been very happy. Her mother's family is also her mother-in-law's family, and her husband is her brother growing up. Everyone will let her, and her status in the family is obvious.

The skin is more and more white, the figure is also plump up, more and more feminine, smoke wave is clear, self flattery, only the woman who is loved will have such a state.

Ann said with a smile: "after coming back this time, won't you leave again?"

Thinking of her younger brother's life, she, as a sister and sister-in-law, really broke her heart. We can all see the changes of Li Xing these years, but all his changes are due to Xia Ye.

Xia Ye's face hasn't changed, but her eyes are firmer than ever.

"I won't go this time. It's here."

Ann grinned, and the smile on her face widened. "That's right. My silly brother has finally got his head."

"....."

Xia Ye pursed her lips with a smile. "Sister an, we haven't written a single word yet, and we have been separated for five years. Many things still need to be run in."

Two people will change, maybe some things just because they don't get, so they are the best. Once they get, they may lose.

Hearing the speech, An'an breathed a sigh of relief.

She was able to talk to herself about this topic frankly, indicating that she wanted to start over with her brother.

It's just I haven't seen you for five years. When I grow up, my mind is mature.

Love has always been something that can be met but can't be asked for. It's fate to meet, but it's also your own life not to meet. No one knows what will happen tomorrow, so as long as you live a good life today.

Li Anxin came home from school. When he heard that Xia Ye was coming home and the car wasn't stable, he jumped out of the car and yelled, "little sister-in-law, where's my little sister-in-law!"

Her voice is very loud. Xia Ye sits on the sofa in the living room and blushes like a shrimp in the face of everyone's joking eyes.

Li Anxin came home with his schoolbag on his back. As soon as he saw Xia ye, he ran to give her a big hug.

"It's so good, little sister-in-law, you are willing to come back at last, otherwise my silly second brother will be a bachelor all his life."

Xia Ye's heart stabbed, everyone said that he can't leave her, she can't, but she was blindfolded, can't put down the obsession in the heart, think that leave him is for his good.

Thinking of that fool, Xia Ye's eyes are moist.

Probably because the atmosphere of the Li family was so good, and because she met many people who made her feel warm, her expression was a bit out of shape.

She quickly wiped her eyes and said with a smile, "is it safe to go to junior high school now?"

"I'm in high school, and I'm going to take the college entrance examination next year."

"That's good. I said peace of mind is the best."

Li An said without modesty, "of course! My little sister-in-law is not bad. She quietly brought back such a big daughter for my second brother! "

” er Ha ha Ha ha

Summer leaves don't know what kind of expression to put out, we all default that xiaoyueyue is their child.

Li Anxin suddenly nodded and asked, “sister Xia, have you had a hard time these years?”

Xia ye light smile, “OK.”

It's not hard at all.

The hardest thing is to force yourself to forget Li Xingchen, but now all the hard work has become sweet.

Wen Qiao came out of the kitchen with fruit. His well maintained face looked at his early thirties at most, and he looked at his children contentedly.

“How about I take you to make delicious food today?”

Li Fengbei has his own business to do. Li Qichen is in the company, and Li Xingchen hasn't got off work yet. They are all women at home. Plus three children, there are many topics between women.

Li Anxin proposes to make cakes. Her favorite is making cakes.

Ann wants to make dumplings, because Li Qichen's favorite food is her dumplings. Xia ye thought and kneaded a rabbit with flour in silence.

I remember once, she and Li Xingchen passed by a newly opened steamed bun shop. The steamed buns in that shop were all kinds of shapes, lovely and exquisite.

Li Xingchen bought a little rabbit. He had to say that he was like her and ate the rabbit. She was so angry that she ignored him for three days.

In fact, at that time, he was young and shy. He was not really angry with him.

In the end, the fool really apologized to her and said that he would coax her into being a bunny for life when he grew up.

Thinking of this, Xia Ye unconsciously raised her lips.

I was so absorbed in my thoughts that I didn't even notice when we went out of the kitchen quietly.

It was not until a warm chest leaned over her back and a faint mint fragrance poured into her nose that she suddenly woke up.

She put down half of the rabbit and wanted to retreat, but before she could turn around, she was caught by the man's slender and powerful hand.

Unbearable waist was also held by the man, and his tall body completely leaned over.

Her back was close to his warm chest, and the two bodies were almost stitched together.

It can even make each other feel the different curves of each other's bodies.

"What are you doing?"

Li Xingchen swallows his mouth and opens his mouth in a low voice.

A man's low voice is like a silky chocolate, or a symphony on a cello.

Fall in her ears, like a small feather in the tip of the heart gently swept, legs a soft, almost directly kneel down.

Xia Ye's face turned red. At this time, she was completely surrounded by him in front of her chest and Liuli platform. She couldn't turn at all. She bit her lip and pretended to be angry: "let me go! Everybody's watching!"

"You mean we can do it without looking at it?" The man came to her ear and said.

Half of Xia Ye's body is numb, and his face is red and dripping blood.

"Li Xingchen..."

CEO Daddy Is Too Passionate - Chapter 1542

Xia Ye stretched out her neck and looked out.

In the hall, all kinds of voices are making a lot of noise.

Xia Ye's heart also warms up. She doesn't push away Li Xingchen any more. Instead, she stands on tiptoe in the man's shocked eyes and kisses him gently with her lips.

The warm touch came, and both of them were stunned.

Xia Ye blinked her eyes, pushed away the man and ran away.

I had a good day in the Li family, but in the evening, Xia Ye insisted on taking Xiao Yueyue back to the rental house.

Wenqiao is not good to insist, after all, now they are not married, the name is not right, but also for the girl's reputation.

When sending Xia ye to the door, Wenqiao couldn't help saying a lot.

"You're getting old. For the sake of Xiaoyue, you'd better consider getting married as soon as possible."

Xia Ye was moved.

She knows xiaoyueyue is her sister's child, but she can still say this.

"Auntie, Xiao Yueyue and I left first. We'll bring her to accompany you tomorrow. Good night."

Xia Ye leads Xiao Yueyue into the car and waves goodbye to Wen Qiao, but her eyes look behind her.

The figure has not appeared, do not know what is busy.

Xia Ye's eyes slipped a little bit of loss, but as soon as she turned her head, her eyes settled and her heart beat faster.

Shocked to ask: "Li Xingchen, how is you?"

Li Xingchen took control of the steering wheel, looked at her through the rearview mirror, and said jokingly: "I'll be the driver for my daughter myself. Do you have any opinions?"

"....."

Looking at the man's haughty appearance, Xia Ye has no choice but to help her forehead.

It seems that it's hard for this man to keep his head down.

All the way speechless, Xia ye turned to look out of the window, but Xiao Yueyue and Li Xingchen seemed to have some endless words.

“Uncle, can I call you ba ba? Everyone says you are my bully

“Of course, you’ll be dad’s sweetheart in the future.”

“Bully!”

“Eh!”

“Ba Ba, Ba Ba!” Xiao Yueyue yelled twice in a row. Her voice was loud and her smile was very satisfied.

“What does your daughter want? Will your father buy it for you in the future?” Li Xingchen looked at xiaoyueyue in the rearview mirror, with a loving face.

Outside the window, the cool wind at night blows slightly, and the heart of summer leaves is more peaceful than ever.

An hour later, the car stopped under the apartment.

Xia Ye gets off with Xiao Yueyue in her arms. Unexpectedly, Li Xingchen also follows her.

Summer leaf turns to look at him, one face doubts, “Li Xingchen, what do you want to do?”

Li Xing Chen white her one eye, “go home!”

“What? Hello, what are you doing? ”

Li Xingchen has selfishly pulled out a key from his pocket and swaggered to open the door.

Xia Ye was stunned, “where did you get your key? Li Xingchen, you are a law student. You don’t even know this, do you? Breaking into a private house without permission is a crime. Do you understand?”

Li Xingchen turns his head and grins, showing a most evil smile.

“Miss Xia, I’m officially informing you that I’ve become your landlord. It seems that you only rent one of these rooms? I want to live in the other one myself. How can I have a problem?”

Xia Ye is shocked, her eyes are about to fall out, “Li Xingchen, you are shameless!”

Li Xingchen spread out his hand, and the smile on his face was deeper. “If you want to say that, I have no way. It’s up to you!”

“You!”

The summer leaves were so angry that they rolled their eyes.

This man has a thick skin.

Li Xingchen took xiaoyueyue away from her arms and sat on the sofa with a smile, “Yueyue, do you want your father to live with you?”

Xiaoyueyue’s eyes brightened, and without thinking about it, she said, “of course

Smell speech, Li Xing Chen is proud to look at eye summer leaf, “that father moves to live together with you, OK?”

“Yes

Xiaoyueyue clapped her hands happily and jumped up, “Mommy, dad said he would live with us!”

“Er...”

Summer leaves help the forehead.

The little guy is so simple and easy to cheat. We should take good care of him in the future.

That night, Li Xingchen stayed in Xiaye’s house for a whole night. The next morning, it was Wang Ma’s brilliant smile that welcomed Xiaye.

“Good morning, Miss Xia!”

“Wang Ma, why are you here?”

Xia Ye is shocked to see Wang Ma busy in the kitchen with her apron.

Wang Ma said with a smile, “I came here at six in the morning, didn’t wake you up, did I?”

“No, it’s just...”

Wang Ma interrupted: “I was asked by the second young master to come here. In the future, I will follow you and take care of the food and living of your family. This is my breakfast. There are steamed buns and roast wheat, and some pancakes and milk. If you have anything else you want to eat, you can tell Wang Ma, “Wang Ma will make it for you.” Xia Ye looked at the table and couldn’t help laughing: “it’s all my favorite food.”

“This is what the second young master told me to do!” Wang Ma said.

Summer leaves listen, heart warm, like winter cold lake gradually by spring sunshine, cold gradually unsealed.

Xia Ye holds Xiao Yueyue and sits down at the dining table. She looks at the guest lying behind her and asks, "what about him?"

"The second young master went to the company early in the morning. He said there was something wrong. He asked you to go to the company after breakfast."

Xia Ye nodded to show that she knew.

After breakfast, Wang Ma put a heat preservation box in Xia Ye's hand, "the second young master didn't eat breakfast, you help him take one."

Xia Ye smiles and says, "thank you, mother Wang."

When Xia Ye arrives at the office, Li Xingchen is making a video phone call with a foreigner.

A fluent foreign language, look focused.

Outside the window, the golden sun covered him through the gaps between the branches and leaves. His face was clear and his eyebrows were handsome. The whole person seemed to glow.

Xia Ye's heartbeat suddenly missed half a beat.

Maybe her vision is too strong, Li Xingchen turns his head.

Four eyes opposite, she a Zheng, quickly away from sight.

Li Xingchen raised the corner of his lips and pointed at her, "come here!"

Xia ye thought that he had hung up the video and walked over with his lunch box.

“Mother Wang asked me to bring it to you. She said you didn’t have breakfast in the morning.”

As soon as the voice fell, an exclamation came from behind, saying in broken Chinese: “Chen, who is this beautiful lady? Are you married?”

Xia Ye was startled. She turned around and saw a pretty handsome foreigner with blonde hair and blue eyes looking at him with a smile.

“Hi, beauty, how are you!”

Xia Ye blushed and stammered: “you Hello, you talk!”

With that, Xia Ye ran away with her face covered.

If she chooses to look back at her at this time, she will be able to see Li Xingchen looking at her with her eyes full of doting.

“Chen, can you drink your wedding wine right away?”

Li Xingchen takes back his sight, raises his lips and opens his mouth: “of course!”

CEO Daddy Is Too Passionate - Chapter 1544

The world is big, but sometimes it’s small.

It’s like this time.

Xia ye and Li Xingchen just went to a shopping mall to buy a clean dress and put it on. Then they met sun Xuefu.

Sun Xuefu is not alone either. There is a well-dressed boy with a humble and flattering face following her. She has two mouthfuls of milk tea and a dozen beautiful shopping bags in her hand.

Two people and two people face to face, everyone subconsciously stopped.

The first thing sun Xuefu saw was Xia Ye. There was a touch of surprise and anger in her eyes.

“You didn’t...” Let’s go.

Glancing at the tall man standing next to Xia ye, he quickly swallowed his words.

There was a trace of chagrin on his face. He almost said that sentence just now.

She was angry with the delicate makeup of her face, and immediately became chatty. She came forward to pull the star’s arm, with a delicate face.

“Brother star, how can you be with her?”

Li Xingchen lazily opened his eyes, arm slightly a hide, stagger her hand toward him.

Indifference of the eyes become no temperature, coldly curved, dark eyes with obvious dark awn.

“Miss Sun, I seem to have warned you that you are not qualified to take care of my private affairs. I have never promised you anything, and my parents have never admitted you. As a girl, please respect yourself!”

Self respect

Sun Xuefu’s arm was stiff in the air, staring at Li Xingchen, and the crystal clear tears welled up in her beautiful eyes.

“Brother star, how can you say such hurtful words? You love you so much, can’t you pity me a little bit?”

Li Xingchen looks at her artificial tears coldly.

Why does summer leaf cry, he can feel distressed only, this woman cries, can so disgusting?

“Oh

Li Xingchen’s eyes are cold, holding someone who is standing beside to watch the play, cold and unfeeling, “it’s your business!”

“I...”

Sun Xuefu’s pupil widened, and the whole person was stunned.

Looking at the two people left the back, suddenly covered his face, the sound of crying.

“Li Xingchen, how can you do this to me? How can you...”

Sun Xuefu cried so miserably that she was immediately surrounded by people watching good plays.

“What’s the matter? Why does this beautiful woman cry so sad?”

Someone pointed to Li Xingchen and Xiaye, “it’s estimated that they were abandoned, or they were caught in a split.”

“Girl, what are you crying for? It’s not worth crying for such a scum man!”

“Yes, yes, girl, you are so beautiful. You must be pursued by many boys. Why should you hang yourself in a tree...”

Sun Xuefu just cried, as if to verify the idea of these people.

Someone picked up the mobile phone and began to video, “such a scum man, should be photographed and put on the Internet to expose him!”

Li Xingchen doesn't look askance. As the second young master of the Li family, he has long been used to being surrounded by people. Therefore, he doesn't bother to waste his time in this kind of gossip.

Xia Ye suddenly stops, “Li Xingchen...”

Li Xingchen had to stop and turn his head. His eyes were full of doubts and looked at her, “what's the matter?”

“Wait for me!”

Summer leaf hands from Li Xingchen hands to break free, turn around, toward is still crying in front of sun Xuefu.

“Miss Sun, I understand and like a person's mood, because my mood is the same as yours. I want to see that person all the time. If I can't see that person, it's like I'm empty in my heart, and I can't even be free. Once I'm free, my mind is full of him. I want to grow a pair of wings and fly to him. I'm confused, lost, and I don't know what to do What to do.”

Xia ye said a lot at one go, and the onlookers looked at her with a puzzled face.

“What are you trying to say? You don't see her crying so sad. Do you want to stimulate her?”

Xia Ye's cold eyes swept the crowd one by one.

All the people held their breath, and the crowd gave out a kind of amazing low breath.

Beautiful eyes, clear lips smile, but that pair of beautiful eyes indifference can not see any temperature and emotion, sweet and cold.

You can't force someone who doesn't like you to like you just because you like it, and it's hard to choose to be a third party. A smart person like Miss Sun should be able to understand that! ”

Xia Ye's words were over, and all of a sudden, the surroundings were completely quiet.

At this time, everyone remembered that just watching the girl cry, they subconsciously thought that she was dumped by the slag man.

However, everyone forgot, you can like a person, that is your freedom, but the other side does not have to respond to your reason. Everyone looked at Sun Xuefu, the “third party” fell in her ears, blushed with shame, and the embarrassment flashed in her eyes with tears.

“I I It's not... ”

Li Xingchen turns back and puts his long arm around Xia Ye's shoulder. He is as handsome as a sculpture and as cold as a snow peak on the top of a mountain.

“Sun Xuefu, the only person I love in my life is my girlfriend, and we are going to get married soon. Please don't disturb me again, she will care.”

The only person I love in my life is my girlfriend Getting married?

Xia Ye was stunned and looked at the man beside her.

His cold eyes are like the deep sea, the whirlpool of strong wind and waves, instantly absorbed her.

Her heart is like being hit by something, and starts to “bang, bang, bang” to jump up, palpitating inexplicably.

Li Xingchen turns his head to look at the woman in his arms. He looks at her with silly eyes, raises his lips and shows a smile.

“Gone!”

At that moment, his smile in her heart, Xia ye can't help grinning, give him a smile back, “OK, let's go.”

When the crowd looked at this, they understood everything. It turned out that it wasn't the scam man and the scam man, but the girl who “touched the porcelain” and stuck to it when they saw that their parents were handsome.

“Tut Tut, how can women be so shameless now? If other people ignore you, they still have to stick on and pose as victims.”

“Yes, let's go. Let's be wasted.”

“Wuwuwuwuwu ~”

SUN Xuefu couldn't stand it any more, covered her face and ran out of the shopping mall. She pitied the man behind her with more than a dozen handbags, and also prevented the milk tea from spilling out and chasing after her.

“Snow, slow down! Be careful to fall down

Sun Xuefu turned around and threw all the things in the man's hand on the ground, yelling: “why aren't you him! Why can't he look at me! ”

“Xueer...”

The man's worried eyes gradually became dim and cold, "you take care of yourself, I'm gone."

CEO Daddy Is Too Passionate - Chapter 1546

"Tut! Goldfish, how do you talk? My sister-in-law is so beautiful, how can she be old-fashioned! Besides, is the boss the kind of person who looks at faces? What the boss likes is his sister-in-law's inner, inner, do you understand? "

Wang Xinran interrupted.

Qi Jinyu stares at Wang Xinran, but now he doesn't dare to retort and nods to Xia Ye.

"What Wang Xinran said is right. My eyes are not good. My sister-in-law is a celestial being."

"All right!"

Xia Ye couldn't listen any more. She had to spit it out. She said with a smile, "the past has passed. It's been four years. How can you remember so clearly?"

"Yes, four years have passed. The most important thing is that you're coming together again. It's so good!"

“Sister in law, if you don’t come back, I’m afraid the boss will be single in his life. In the past four years, we can all testify that the boss is really not close to women, and no woman has ever been close to him!”

“Qi Jinyu, you will die if you don’t speak!”

Li Xingchen’s handsome face, forehead straight jump.

He doesn’t want face! Damn goldfish!

Xia Ye “poof Chi” a smile, this awkward man, really as always love face.

She gave up, just like Wang Ma said, there must be someone between them to give each other a step down, two people can not be so high.

Xia Ye suddenly took Li Xingchen’s hand in his backhand and said with a smile: “Wang Xinran, Qi Jinyu, you made such a joke four years ago, but I’m going to be angry. Let’s give you two a chance. Wait a moment, each of you will punish yourself for three cups. If I’m happy, I’ll forgive you!”

“OK, no problem!”

Qi Jinyu and Wang Xinran looked at the look on Li Xingchen’s face, quietly relieved.

Xia ye came back, and finally could not bear the boss’s attack from time to time. They were so happy that they wanted to cry.

Li Xingchen looks down at the fingers they hold tightly, listens to her smile, and raises her lips involuntarily.

Waiting for them to sit down, Wang Xinran and Qi Jinyu introduce the woman sitting next to Xia Ye.

It turns out that both of them have their own girlfriends. So, is this a party between lovers today?

Xia ye thought in her heart.

She and Li Xingchen Also a couple

Wang Xinran and Qi Jinyu kept talking about Li Xingchen's embarrassing events over the years. Xia Ye listened with relish.

At this time, the door was pushed open again, and a handsome figure came into the room.

Hearing the sound of opening the door, Xia Ye turns to look at the door.

Lu Jiang came into the room with a gloomy face. The low air pressure was like everyone owed him millions.

When he came into the room, everyone saw the woman behind him.

The woman is tall and thin, dressed in a white pleated skirt, intellectually elegant, with a pair of big black sunglasses on her face and a big silk scarf on her head.

Er

This dress is so weird.

Summer leaf thinks in the heart, but see the appearance of the woman and vaguely with a sense of familiarity.

Until the ear sounded a few surprise "white goddess", Xia ye this just remembered, no wonder familiar, originally is white pure.

Bai Chun takes off his sunglasses and silk scarf, walks out from behind Lujiang and cheerfully greets everyone one by one.

“Hello, Li Er Shao, Xinran, goldfish, how are you

Different from Lu Jiang’s gloomy face, her smile was brilliant.

“White goddess, how can you come out today? I haven’t seen you for a long time! ”

“Isn’t that busy? I’ve been filming all this time! ”

Bai Chun and Wang Xinran are chatting without a word.

Xia ye in real life to see their idol, heart faint excited.

It can be seen that Bai Chun has a good relationship with everyone, and it seems that she often has dinner together.

Bai Chun and Lu Jiang sit down together, only to find the woman sitting beside Li Xingchen.

Bai Chun immediately showed a coveted expression and blinked meaningfully at Li Xingchen and Xia Ye.

“Li Er Shao, it’s not bad. The ten thousand year old iron tree has finally blossomed, and it has a good vision.”

Li Xingchen chuckled and said half jokingly, “I can’t compare with you. You’re going to divorce, and you can go out on a date secretly. You’re not afraid of being caught by fans.”

The smile on Bai Chun's face was really stiff. He took a look at Lu Jiang sitting beside him and gave a cold hum.

"Well, who's dating him?"

The radiance of Li Xingchen's lips was a little deeper, with a little sarcasm, "we all come out in pairs, aren't you and Lu Jiang suitable to sit here?"

"Why not?" Bai Chun stares at Li Xingchen.

Lu Jiang also stares at Li Xingchen, whose eyes seem to say who wants a divorce!"Oh, really? No divorce? "

The smile on Li Xingchen's face is not smiling. "If so, when will the lawyer's fee be settled?"

Now it's Lu Jiang's turn to choke. He put his fist in his mouth and coughed gently. Jun's face flashed a trace of embarrassment.

"You need her for money."

As soon as he said this, other people in the private room threw him a coveted look.

Some time ago, there was a rumor that Bai Chun's money was controlled by Lu Jiang. Lu Jiang was called the rich second generation. In fact, he was a white rice eater.

A burst of astonishment in Xia Ye's eyes, the change to Lu Jiang immediately disappeared.

Then Bai Chun said, "it's you who want to give me the money. It's mine in my hand. You can't take it back. You said you wanted a divorce. You asked Li Er to fight a lawsuit. You paid for it yourself. "

Lu Jiang's face flashed with embarrassment, "cough You're dead if you don't talk! "

“Well! Then don’t ask!”

As soon as they couldn’t say a word, they began to pull out their swords. As if they were going to work, Xia Ye gathered in Li Xingchen’s ear and asked softly, “what’s the matter with them? I’m confused!”

Li Xingchen chuckles, “all the bank cards and accounts of Lujiang are in Bai Chun’s hands, and all the movable and immovable properties are written in Bai Chun’s name.”

Xia Ye suddenly realized, “no wonder he doesn’t want to divorce. It turns out that all the money is in Bai Chun’s hands!”

Words fall, she sees Li Xing Chen to look at her with the eyes of a pair of idiots.

Xia Ye touched her nose, “Why are you looking at me like this? I’m wrong?”

“Why don’t you think, what does it mean that a man gives all his money and wealth to another woman?”

“.....”

“Idiot!”

Li Xingchen shakes his head. It seems that he is really a little idiot. He does well in his studies, but he is a slow mouse emotionally.

Summer leaf heart suddenly, the original network those words really can’t believe!

Lu Jiang and Bai Chun are not what they say on the Internet at all. It seems that Lu Jiang cares about Bai Chun very much.

CEO Daddy Is Too Passionate - Chapter 1546

“Tut! Goldfish, how do you talk? My sister-in-law is so beautiful, how can she be old-fashioned! Besides, is the boss the kind of person who looks at faces? What the boss likes is his sister-in-law’s inner, inner, do you understand?”

Wang Xinran interrupted.

Qi Jinyu stares at Wang Xinran, but now he doesn’t dare to retort and nods to Xia Ye.

“What Wang Xinran said is right. My eyes are not good. My sister-in-law is a celestial being.”

“All right!”

Xia Ye couldn’t listen any more. She had to spit it out. She said with a smile, “the past has passed. It’s been four years. How can you remember so clearly?”

“Yes, four years have passed. The most important thing is that you’re coming together again. It’s so good!”

“Sister in law, if you don’t come back, I’m afraid the boss will be single in his life. In the past four years, we can all testify that the boss is really not close to women, and no woman has ever been close to him!”

“Qi Jinyu, you will die if you don’t speak!”

Li Xingchen’s handsome face, forehead straight jump.

He doesn’t want face! Damn goldfish!

Xia Ye “poof Chi” a smile, this awkward man, really as always love face.

She gave up, just like Wang Ma said, there must be someone between them to give each other a step down, two people can not be so high.

Xia Ye suddenly took Li Xingchen's hand in his backhand and said with a smile: "Wang Xinran, Qi Jinyu, you made such a joke four years ago, but I'm going to be angry. Let's give you two a chance. Wait a moment, each of you will punish yourself for three cups. If I'm happy, I'll forgive you!"

"OK, no problem!"

Qi Jinyu and Wang Xinran looked at the look on Li Xingchen's face, quietly relieved.

Xia ye came back, and finally could not bear the boss's attack from time to time. They were so happy that they wanted to cry.

Li Xingchen looks down at the fingers they hold tightly, listens to her smile, and raises her lips involuntarily.

Waiting for them to sit down, Wang Xinran and Qi Jinyu introduce the woman sitting next to Xia Ye.

It turns out that both of them have their own girlfriends. So, is this a party between lovers today?

Xia ye thought in her heart.

She and Li Xingchen Also a couple

Wang Xinran and Qi Jinyu kept talking about Li Xingchen's embarrassing events over the years. Xia Ye listened with relish.

At this time, the door was pushed open again, and a handsome figure came into the room.

Hearing the sound of opening the door, Xia Ye turns to look at the door.

Lu Jiang came into the room with a gloomy face. The low air pressure was like everyone owed him millions.

When he came into the room, everyone saw the woman behind him.

The woman is tall and thin, dressed in a white pleated skirt, intellectually elegant, with a pair of big black sunglasses on her face and a big silk scarf on her head.

Er

This dress is so weird.

Summer leaf thinks in the heart, but see the appearance of the woman and vaguely with a sense of familiarity.

Until the ear sounded a few surprise “white goddess”, Xia ye this just remembered, no wonder familiar, originally is white pure.

Bai Chun takes off his sunglasses and silk scarf, walks out from behind Lujiang and cheerfully greets everyone one by one.

“Hello, Li Er Shao, Xinran, goldfish, how are you

Different from Lu Jiang’s gloomy face, her smile was brilliant.

“White goddess, how can you come out today? I haven’t seen you for a long time!”

“Isn’t that busy? I’ve been filming all this time!”

Bai Chun and Wang Xinran are chatting without a word.

Xia ye in real life to see their idol, heart faint excited.

It can be seen that Bai Chun has a good relationship with everyone, and it seems that she often has dinner together.

Bai Chun and Lu Jiang sit down together, only to find the woman sitting beside Li Xingchen.

Bai Chun immediately showed a coveted expression and blinked meaningfully at Li Xingchen and Xia Ye.

“Li Er Shao, it’s not bad. The ten thousand year old iron tree has finally blossomed, and it has a good vision.”

Li Xingchen chuckled and said half jokingly, “I can’t compare with you. You’re going to divorce, and you can go out on a date secretly. You’re not afraid of being caught by fans.”

The smile on Bai Chun’s face was really stiff. He took a look at Lu Jiang sitting beside him and gave a cold hum.

“Well, who’s dating him?”

The radian of Li Xingchen’s lips was a little deeper, with a little sarcasm, “we all come out in pairs, aren’t you and Lu Jiang suitable to sit here?”

“Why not?” Bai Chun stares at Li Xingchen.

Lu Jiang also stares at Li Xingchen, whose eyes seem to say who wants a divorce!”Oh, really? No divorce? ”

The smile on Li Xingchen’s face is not smiling. “If so, when will the lawyer’s fee be settled?”

Now it's Lu Jiang's turn to choke. He put his fist in his mouth and coughed gently. Jun's face flashed a trace of embarrassment.

Summer leaf heart suddenly, the original network those words really can't believe!

Lu Jiang and Bai Chun are not what they say on the Internet at all. It seems that Lu Jiang cares about Bai Chun very much.

CEO Daddy Is Too Passionate - Chapter 1547

Thinking of that night, Bai Chun came to pick up the drunk Lu Jiang in her costume. At that time, her distressed eyes couldn't be wrong. She absolutely had Lu Jiang in her heart.

Xia Ye's whole body was in a mess. She couldn't figure it out. She murmured, "it's clear that two people are in love. Why torture each other like this?"

Li Xingchen smell speech to see to summer leaf, don't answer to ask a way instead: "yes, I also want to know, clearly love two people why want to torture each other like this?"

The summer leaf turns a head, to the eye son of Li star deep feeling, heartbeat suddenly missed a beat.

Four eyes opposite, what in the air out of a collision sparks, until it was broken by a sound.

“Xia ye, when we meet for the first time, don’t just eat. Tell us how you and Li Er Shao get together. As far as I know, Li Er Shao is not so difficult.”

As soon as Bai Chun’s words were finished, Lu Jiang looked at her discontentedly, “what do you want to do? You’re a woman. Pay attention to what you say!”

White pure molars, “dead River, I talk to people Xia ye, let you plug in what mouth!”

“You! You tell me to try again

“Dead River, I called. Why do you want to hit me? Come on, you hit me

“Bai Chun, you!”

Lu Jiang’s green tendons on his forehead jump straight, his fingers creak, but it’s obvious that Bai Chun’s naughty appearance is out of his way.

Xia ye can’t laugh or cry, these two people are just a pair of happy enemies!

A meal to eat bumpy, more time is listening to Lu Jiang and Bai Chun bickering.

After dinner, Xia Ye couldn’t stand it, so she came to Li Xingchen’s ear again and said, “they can’t get divorced like this, can they?”

Li Xingchen chuckles, “who knows!”

Xia ye, “I don’t think they will divorce. Just like them, they will never form a tacit understanding overnight.”

It seems that the things reported by the media are too misleading.

This is a lesson for her. What she hears is not necessarily true, and what she sees is not necessarily true. She has the right to speak only after she understands.

Li Xingchen looked at her, “whether they will divorce or not is still unknown. After all, just now they are opposite each other. You have seen it. Now you need to start.”

“Me?”

Xia Ye pointed to herself in shock, “what should I do?”

“Talk with Bai Chun in private to find out what she thinks.”

Xia ye thought about it and nodded, “OK, it’s on me.”

Xia Ye toward the front side bickering, while sitting on the car two couples went up.

“Excuse me, sister Bai Chun.”

Bai Chun turned to look at her, immediately put away the fierce expression on her face, and said with a smile: “Xia ye, what’s the matter?”

Xia Ye’s white cheek flashed a little shy toughness, “sister Bai Chun, in fact, I’m your fan. I’m really excited to see you today. I don’t know if I have the honor to ask you out shopping next time.”

“You’re my fan? Really? ”

Bai Chun looked incredulous. “It’s not easy to ask me out. When you are free, you’ll call me. Here, give me your cell phone. ”

Xia Ye hands her mobile phone to Bai Chun. Bai Chun takes it and saves her number. Her smile is full. Her two beautiful eyes are bent into the shape of crescent moon.

“Remember to call me!”

Xia ye took the phone and replied with a smile, “sure!”

Looking at the car driving away, Xia ye walked back to Li Xingchen’s car and couldn’t help saying: “Bai Chun looks very bright, which is totally different from the noble and elegant goddess image on TV.”

“It’s just human. It’s normal.”

Xia Ye nodded, thought about it, and said unnaturally, “I misunderstood Lu Jiang before.”

“And then?” The man looked at her brightly.

Xia Ye hesitated and said: “I misunderstood you too! I’m sorry

Before she scolded Li Xingchen, said he was a mercenary person, unexpectedly this kind of heartless lawsuit also took.

Li Xingchen then took back her sight with satisfaction and told her, “just now you saw that the problem between the two people is not small. Whether they can not divorce depends on how you persuade Bai Chun. Now her main problem is that she doesn’t believe that Lu Jiang loves her.”

“But Lujiang’s love in his eyes is so obvious that Bai Chun doesn’t believe it?” Xia Ye is shocked.

Li Xingchen smell speech, dark Mou son turned a head to see her one eye, self mockery that kind of smile opening mouth: “that I say I love you, do you believe?”

If “love” is so easy to be believed, there will not be so many mad men and women in the world.

“.....” Xia Ye is a resident.

On the man’s serious expression, uncomfortable to look away at the window.

The heart began to accelerate and her face turned red.

At this moment, Li Xingchen gave her a lesson with a scene in reality, what is called “fans of the game”. Like Bai Chun, she can’t see each other’s heart clearly. Even if others say that they love each other, they don’t believe it.

But how do they know what they think?

Whether they know it or not is not that they don’t believe it, but that they can’t believe it.

The taste of love is very sweet, but sometimes it is too hurtful, so I can’t believe it. I don’t want to become a fool in love.

.....

The next day, Xia Ye contacted Bai Chun and they agreed to meet at a cafe outside.

“I’m sorry, I met some fans just now. I’ve delayed you for a long time!”

Bai Chun armed herself and puffed open the door of the private room.

Xia Ye looked at her packing herself as a hen and couldn’t help laughing.

“Sister Bai Chun, why are you in such a hurry? Come in and have some water. ”

Xia Ye gives Bai Chun a cup of boiled water.

Bai Chun sits down in front of Xia Ye. As a result, she drinks the boiled water in her hand.

“Oh, Ma, I’m so thirsty! Just now, I ran three blocks to get rid of those fans!”

“Sister Bai Chun, there are many difficulties in being a star, right? Freedom is limited, and you can’t even make friends and fall in love like ordinary people.”

Summer leaves this sentence, simply said white pure heart pain point.

The smile on her face faded away. She took a sip of water and sighed.

“Isn’t it? There is no so-called freedom. Even the small matter of drinking water will cause controversy, not to mention feelings.”

Xia Ye thinks of Li Xingchen’s explanation to her, her eyes twinkle slightly.

“Then what is the reason for your divorce with Lu Shao? Sister Bai Chun, with all due respect, I feel that you all love each other.”

Bai Chunyi was stunned. Her beautiful eyes were in a trance. She mumbled: “what’s the use of loving each other? Can we tolerate each other? Can we live on is the most important thing.”

CEO Daddy Is Too Passionate - Chapter 1548

Bai Chun paused and sneered coldly, “what’s more, he didn’t like me so much. It’s just my wish all the time.”

Looking at the self mocking expression on Bai Chun’s face, Xia Ye couldn’t help feeling sad.

“Sister Bai Chun, in fact, I can understand your feelings.”

Bai Chun was stunned and joked with a smile: “Li Er Shao has never had an affair with any woman. He has been waiting for you wholeheartedly for so many years. You are very happy. Don’t be in the middle of happiness and don’t know it. You should know how to cherish it.”

Xia Ye laughs meaningfully, “you’re right. No matter what you say, he loves me, I always have no sense of security in my heart. Because they care too much about each other, they worry that they can’t bear the consequences of injury.”

Bai Chun’s hand holding the teacup suddenly froze, and he looked at Xia Ye quietly, then the two of them laughed.

Xia Ye raises her eyebrows to Bai Chun, “so Shall we give them a chance and give ourselves a chance?”

Bai Chun pretended to be discontented and said, “it’s fake to ask me to go shopping. It’s true to be a lobbyist for someone.”

The purpose is punctured, Xia Ye is not embarrassed, smile sweetly, “that white pure elder sister this is talked about?”

“Well, it depends on his performance.” White pure a face proud Jiao, “Oh, we don’t care to say them, say something else.”

Xia Ye is relieved to know that Bai Chun is half moved by himself.

.....

At 12 o’clock at noon in the law firm, Li Xingchen didn’t know how many times he looked at the watch.

What’s that guy doing? I said I would go shopping with Bai Chun, but I’ve been out all morning and haven’t come back yet.

Finally, he can't bear it. He dials Xia Ye's mobile phone number, but it turns off.

"Sorry, the number you dialed has been turned off..."

Listening to the voice from the phone, Li Xingchen frowned subconsciously, and a bad premonition welled up in his heart.

He dials Bai Chun's cell phone again. After a while, the other party is connected, and a neutral voice comes.

"Li Er Shao? Are you looking for our Bai Chun?"

The person who answers the phone is not Bai Chun, but Bai Chun's assistant.

"And she?" Li Xingchen's voice is a little heavy.

The assistant said, "she left her cell phone at home. She said to go shopping with a friend."

Smell speech, Li Xing Chen originally the eyebrow of Cu wear again deep a few minutes, "she goes shopping to still have not come home?"

"No..."

"I see."

Li Xingchen was suddenly worried.

This guy won't run away without a word, will he?

Just thinking about whether to send someone to catch Xia ye back, I suddenly received the latest news.

Li Xingchen casually points to open, the vision settles, even the brain also a blank.

Five minutes ago, there was a gas explosion in a restaurant in the city center, which affected several nearby shops, especially a cafe next to its kitchen.

This cafe is exactly the one Xia ye and Bai Chun have arranged.

A few seconds later, Li Xingchen got up from the chair and ran towards the door like a burst of time.

When I got to the door, I was too worried. I tripped over the stool next to me and fell directly.

Knee “Dong” of a kneel down, issued a bone slightly brittle sound, but Li Xingchen as if can’t feel pain, get up and run downstairs.

Summer leaves

Summer leaves!

Personally driving the car, all the way to the site of the accident.

Thinking that she might have had an accident, he was flustered and repeated, “it’s going to be OK, it’s going to be OK. Xia ye, hold on for me, or I will chase you back even if I chase you to hell.”

All the way to the red light, half an hour’s drive was ten minutes to him.

From a distance, I heard the sound of the police car alarm.

Police were controlling the scene, firefighters were saving people, and ambulances were standing by.

Looking at the wounded carried out by firefighters, Li Xingchen's hands and feet were cold, like falling into a cold lake.

Brain "buzzing" to ring, Li Xingchen felt around what sound he can't hear.

He pushed away the crowd and went directly to the ambulance. He grabbed a doctor's collar and said, "where's Xia ye?"

"What are you doing, sir?" The doctor was startled by the man who came out suddenly. "If you have something to say, don't move your hands and feet. We are saving people."

"What about summer leaves? Is there a girl named Xia ye

Li Xingchen repeated.

"Nerves..." The doctor was very angry at first, but he swallowed his scarlet eyes at the corner of his mouth and said, "are you looking for someone? You release me first. The wounded are all over there. I'll take you to find them."

Smell speech, the fierce eyes of Li Xing Chen turned a little, loosened the doctor. Li Xingchen followed the direction pointed by the doctor and ran towards the wounded.

This is a very tragic disaster. Some people were blown up beyond recognition, some people were burned in large areas, or some people lost their arms and legs

Li Xingchen's cold eyes swept over the wounded one by one, and finally settled on the bodies covered with white steps.

He went over and opened the cloth one by one. His fingers were shaking and he could hardly keep the expression on his face.

Until he saw the last one, he was in a cold sweat.

“Summer leaves! Xia ye, where are you?”

Li Xingchen said to himself confusedly that no one could answer this question.

Looking at the huge fire in front of him, Li Xingchen suddenly runs towards the burning cafe.

The police pull the cordon to maintain order, see Li Xingchen don't life like rush over, immediately stop him.

“You can't go in here. Please don't interfere with the performance of official duties.”

Li Xingchen ignored the police and directly stretched out his hand to open the warning bar in front of him and turned inside.

“Hey, don't go in, you can't go in! DANGER! Hold on to him

When Xia ye and Bai Chun came up from the crowd with milk tea, they saw a man standing not far away.

He was wearing a bathrobe. His white face was black. His handsome hairstyle had been burnt out. He looked like a big shaved Rooster and lost one of his shoes. He looked funny and embarrassed.

But the scarlet eyes were staring at them.

No, it's Bai Chun who stares at her.

“Little way? What's the matter with you?” Xia ye asked in shock.

Lu Jiang did not answer, but step by step, limping toward Bai Chun.

Bai Chun was also shocked and frightened by Lu Jiang's appearance.

His eyes are very strange, not simply angry or angry, or afraid to describe, is a collapse to the extreme, and suddenly the kind of terrible eyes.

"The road Well... "

Bai Chun didn't shout out, but Lu Jiang held him in the back of his head and gave him a kiss.

CEO Daddy Is Too Passionate - Chapter 1549

Tearing and biting, with a strong and irresistible aura.

"Well..."

The sharp pain came from her mouth. Bai Chun's upper body kept hiding behind, and her body was almost arched.

But Lu Jiang caught up with her and still did not let her go.

"Lujiang..."

The oxygen in the lung is about to run out, and Bai Chun is breathless by her. Because of lack of oxygen, there are bursts of white light in front of her eyes, so that Bai Chun reaches out and wants to push Lujiang away.

However, when her palm touched his trembling body, the whole person was stunned.

She couldn't believe looking at the man in front of her. Did he just think that something had happened to her? That's why it looks like this?

Xia Ye looks at the two people kissing and shows a smiling face happily.

It seems that Lu Jiang thought something had happened to Bai Chun, so he came to see her?

Look at him, should go to the coffee shop to look for a circle, otherwise why even the hair is scorched?

Just now Bai Chun told her that in fact she likes milk tea very much, but she hasn't drunk it for two years in order to keep fit.

So they came out of the cafe and went straight to the wanghong milk tea shop on another street.

I didn't expect to escape.

Lu Jiang loosened Bai Chun's red and swollen lips and held her tightly with his powerful arms. He kept saying, "baby, we don't fight any more. We make up. I admit defeat and you win. After that, I will listen to you and never interfere with your freedom. You can do whatever you want except divorce."

At the end of the speech, his voice choked and hot liquid rolled down.

Bai Chun was stunned.

The temperature along the skin has been hot to the bottom of her heart, the heart becomes very soft, like a sponge soaked in warm water, extremely distressed.

Being held by his powerful power, I feel that my breath has become miserable, but I can't bear to push him away.

On the contrary, he stretched out his hand and hugged Lu Jiang's thin waist.

“If we don’t divorce, we don’t divorce. I’m also wrong. We’ll live a good life in the future.”

Bai Chun and Lu Jiang freely embrace and kiss on the street, and soon someone recognizes their identities.

“Isn’t this Lu Shao and Bai Chun?”

“How could it be them? Didn’t you see that they were so embarrassed?”

“It’s really them. I want to take photos and post them on the Internet. They don’t want to divorce at all. They have a good relationship! It seems that those on the Internet are rumors! ”

The sound of the shutter came from his ear. Lu Jiang’s eyes were awe inspiring and he pulled Bai Chun away.

“Let’s go!”

Bai Chun thought of Xia ye at this time, “wait, Xia Ye! Wait for summer leaves

How can Xia ye be their light bulb at this time? She looks at Bai Chun with blessing, “don’t mind me, you go first, I’ll go home by myself.”

Xia ye said and walked away, but heard a familiar voice in her ear.

“Get out of here, I’m the second young master of the Li family. Who dares to stop me?”

“Er Shao, don’t blame us. We can’t help it. If you have an accident here, we are all to blame. Ten lives are not enough.”

“Well, let’s all go together!”

Xia Ye was surprised.

If you are such an asshole, only that asshole can say it.

She pushed away the bustling crowd and pushed to the edge of the cordon. The scene made her gasp.

Wearing a white shirt and black trousers, the tall man is fighting with the police in a battle against ten.

What is he doing here? Can't you see what happened here?

Xia Ye remembers jumping feet. On the one hand, she is worried that the police will hurt him. On the other hand, she is anxious to delay the police work.

She stretched out her hand to make a microphone and called to Li Xingchen, "Li Xingchen, stop it! Stop fighting

Originally a face of fierce man, hear her cry, as if by what hold open key, straight back rigid standing there.

Xia ye saw that he was still there, pulled the cordon and ran towards him.

Anxiously pulling him away, "Li Xingchen, what are you doing? How can you fight with the police? Don't you see they're on business? What can we do if we delay saving people..."

Xia Ye Yan red mouth is still "Ba Ba Ba Ba", chattering, suddenly, the silence behind her Li Xingchen threw away her hand, stopped.

Xia Ye looks at the empty palm, stops doubtfully, turns around and looks up at him.

On his angry blue eyes, Xia Ye's heart suddenly jumped and subconsciously stepped back two steps.

"Li Xingchen, you Why Look at me like this? "

Li Xingchen looked at her face with an unknowable look. The scene on her forehead faintly jumped straight, and the burst veins were about to jump out of the blood vessels. He stared at her sharply, gritted his teeth and roared: "where's your mobile phone?" "Cell phone?"

Xia ye took out her cell phone from her handbag. Although she didn't understand why he suddenly wanted her cell phone, she honestly explained, "there's no electricity, I forget to charge when I go out!"

Listening to her voice, Li Xingchen felt that there was a fire in her heart, and almost endured the explosion.

He sneered, "cell phones can forget to charge. What else can't you forget? What else do you need a cell phone for? "

"....."

By Li Xing Chen made a fire, summer leaves the whole person are baffled.

"Where did my cell phone offend you?"

Li Xingchen looks at her displeased eyes and takes a deep breath. If he goes on like this, he must be angry to death by her.

Li Xingchen pushes away Xia ye and walks towards the car.

Xia Ye is confused, but he also knows that Li Xingchen is very angry now. If he doesn't follow up, the absolute consequence will be very serious.

She quickly raised her heels and took the initiative to sit in the co pilot's seat.

She just sat down and the car flew out like an arrow.

“Ah! Slow down

Xia Ye leans forward and turns pale.

“Li Xingchen, what are you crazy about?”

Xia ye also has a lingering fear when she thinks of what happened just now. If she didn't go to the next street to buy milk tea with Bai Chun, she might be dead now.

But this man is still angry with him?!

I'm angry when I think about it.

“Hum!”

Xia Ye hummed coldly, turned her face out of the window and threw him the back of his head.

Li Xingchen see she still don't know where he is wrong, angry a foot accelerator to add to the end.

When the car stops at the flat floor apartment purchased by Li Xingchen in the most prosperous area of the city center, Xia Ye's small face is pale, covering her mouth painfully and unable to vomit.

“Li Xingchen, I Shit You... ”

Even the rude words burst out, and there was no image at all.

Li Xingchen glanced at her, his eyes were cool, and he didn't come forward to comfort her. He put his hands in his pocket and walked up the elevator.

Xia Ye feels that she shouldn't follow, but her feet are not very obedient. She has already spontaneously followed up and stepped into the elevator.

CEO Daddy Is Too Passionate - Chapter 1551

After a while, Xia Ye changed her clothes and came out. It was only then that she found that her clothes and Li Xingchen's clothes were lovers' clothes.

Her face, which was already hot, was as red as a cooked shrimp.

It's embarrassing. What did she do just now?

I thought Li Xingchen wanted to do that. It turned out that he just wanted her to change clothes. She thought he wanted to do that

Think of this, she would like to give her two slaps, nothing brain fill so much, what to do?

They went out one after the other. Xia Ye bowed her head, cocked her mouth and followed him like a daughter-in-law.

"Li Xingchen, where are we going?"

Li Xingchen turned his head and glanced at her. His eyes were soft, and his voice was deep and pleasant. Instead of answering, he asked, "do you have your certificate with you?"

"What document?" Xia Ye looks up at him with confused eyes.

Li Xingchen: "ID card, registered residence..."

“No

“Where is it?”

“What do you want to do?” Xia ye knew later and frowned suspiciously.

Two sat on the car, Li Xingchen eyes straight ahead, fingers holding the steering wheel, voice is very light, “to get married!”

“Marriage Ah? Get married

Xia yedun a moment just reaction come over, almost startled jaw, “wait, wait, get married?”? What kind of marriage? ”

Smell speech, Li Xing Chen quickly cold next face, not pleased ground glanced at her one eye, “you just said love me is false?”

“.....”

Xia Ye choked, her face was slightly hot, she twisted her fingers and said, “when Of course it’s true! But is it too early to get married? ”

They just got together It’s not right. They’ve been together for a long time, but they just separated for five years.

It is said that good feelings need to be run in, and they have never run in before, so she is not ready to get married at all.

Li Xingchen looks at her tangled expression faintly, her eyes are slightly cool, and her tone is quiet and quiet. “Not for the purpose of marriage, love is playing hooligans. Do you think I will give you a chance to play hooligans on me?”

“.....”

Xia Ye is stunned, this logic ability cow!

But

Xia Ye touched her nose and said awkwardly, “it’s almost evening now, and the staff have already left work.”

“You don’t have to worry about that.”

How can Li Xingchen not know that she is looking for an excuse.

He has been waiting so long for this day. How could he give her the chance to repent?

She would not understand how, when he saw the news, his heart and soul were shaking, shaking violently.

At that time, there was only one thought in his heart. If she died, what was the meaning of his life?

So, I don’t want to wait for a moment, just want to have her completely.

In Xia Ye’s puzzled eyes, he picked up his mobile phone and dialed a phone to go out.

Li Fengbei, who receives a call from his son, is enjoying his wife’s gentle massage. However, there is something unexpected. The son is not very close to him all the time.

Instead of rushing to answer the phone, he took his wife’s hand and shook his cell phone in front of her.

“Xiaobao’s phone.”

Wenqiao knew what he meant, but he patted his chest. His beautiful eyes glared at him in a coquettish way. All of a sudden, he had all kinds of feelings.

“You, be patient with the children. Don’t teach them all the time. Everyone is afraid of you, just like a mouse meets a cat.”

Li Feng North picked a narrow long eyebrow, can’t deny to the words of the wife, smile a way.

“If this smelly boy can call me, he must have something to deal with, or he will ignore me all year round.”

“Don’t complain. I’m afraid you should be serious at ordinary times. Please answer the phone quickly. Maybe there’s something urgent for you.”

Facing the accusation of his wife, Li Fengbei put his arm around her shoulder and bit her lip, with a trace of doting on his face. “Yes, madam is right, it’s all my fault.”

Wenqiao’s face was stained with a touch of gorgeous pink, and he gently pushed away with shame and annoyance. “I’m so old, and I’m not serious. Please answer the phone. Xiaobao should be worried.”

Li Fengbei looked at his wife as if she were a mimosa. Although she was old enough to be a grandmother, the years did not leave too many marks on her face. Instead, she was more intellectual and elegant.

Li Feng North Adam’s apple rolling, can’t help but kiss on her mouth again, you complain way: “you only have children in your heart, I don’t know where to row.”

“.....”

For this “big boy” who often competes with children for favor, Wenqiao can’t smile bitterly.

After thinking about it, he leaned over and gave him a quick kiss on the face.

Dragonfly like a kiss, immediately back away, "now you can answer the phone?"

"One more kiss and I'll take it!" Li Fengbei was cheeky and aggressive.

Wen Qiaoming knew that he was deliberately making trouble of himself, but Wen Qiaoming still gave him a submissive kiss on the face.

After the kiss, they both smile like each other. Their eyes are full of love.

This way, they are very close to each other.

This head, Li Xingchen does not give up to dial the third time.

At last, the phone was connected.

"What's the matter?" Cold voice, can not hear what emotion.

Li Xingchen has long been used to his own daddy's style. Holding his mobile phone, he says with a smile:
"Daddy, my son wants to ask you a favor!"

"Help?"

Li Feng North subconsciously looked at Wen Qiao, eyes through the inquiry.

Wenqiao showed up and said he didn't know what it was.

He heard Li Xingchen say: "I'm going to get the license now. Please give me a hello there."

Li Fengbei almost thought he had heard wrong and asked: "What proof? Lawyer's card?"

"..... Marriage certificate

Who wants to talk about lawyer's certificate!

Hearing the word "marriage certificate", Rao was used to the storm, and Li Fengbei's face changed, "who are you going to marry?"

"Xia ye, who else?"

Li Xingchen worried that Li Fengbei didn't agree. After all, getting married was not a child's play. He grinned with a playful grin, "just help me this time. When I get married, I'll listen to you."

Li Fengbei was stunned.

In the past, these sons were against him one by one.

In order to obtain the certificate, I have to say such a thing.

Son all said like this, Li Feng North where to still have the reason not to help?

Hang up the phone, Li Feng North looking at Wen Qiao, silly, "finally someone took this smelly boy away."

Wenqiao was funny and angry. "How much do you dislike our son?"

"Who says I dislike it? As long as it's you, I like it!"

Li Fengbei hugs his wife and kisses her.

Wenqiao heart sweet honey, but a broken mouth, “for the old do not respect, grandchildren are so big, serious point.”

This words Li Feng North does not approve, stem a neck way: “who let me be serious in front of his wife, I with whom urgent!”

“.....”

Wenqiao shook his head helplessly. All the men in the family were stubborn, one by one.

However, it’s true that one wife is better than the other.

Xia ye will be happy if she marries Xiao Bao.

After a while, Xia Ye changed her clothes and came out. It was only then that she found that her clothes and Li Xingchen’s clothes were lovers’ clothes.

Her face, which was already hot, was as red as a cooked shrimp.

It’s embarrassing. What did she do just now?

I thought Li Xingchen wanted to do that. It turned out that he just wanted her to change clothes. She thought he wanted to do that

Think of this, she would like to give her two slaps, nothing brain fill so much, what to do?

They went out one after the other. Xia Ye bowed her head, cocked her mouth and followed him like a daughter-in-law.

“Li Xingchen, where are we going?”

Li Xingchen turned his head and glanced at her. His eyes were soft, and his voice was deep and pleasant. Instead of answering, he asked, “do you have your certificate with you?”

“What document?” Xia Ye looks up at him with confused eyes.

Li Xingchen: “ID card, registered residence...”

“No

“Where is it?”

“What do you want to do?” Xia ye knew later and frowned suspiciously.

Two sat on the car, Li Xingchen eyes straight ahead, fingers holding the steering wheel, voice is very light, “to get married!”

“Marriage Ah? Get married

CEO Daddy Is Too Passionate - Chapter 1552

(THE END)

Wen Qiao excitedly pulled Li Feng to the north and said, “are we going to prepare for our son’s wedding? It’s too sudden. I’m a mother-in-law. I haven’t had time to prepare for anything yet!”

Li Fengbei looked at her worried look, laughing and crying, “is Xiaobao married, not you married, what do you do so nervous? It’s too late to ask them what kind of wedding they want and then prepare for them.”

Wen Qiao chuckled at what Li Fengbei said.

“You’re right. There’s still time. The wedding is their young people’s business. Let them do it by themselves.”

She sighed with satisfaction at the thought that her youngest son was going to get married, her eldest son had a happy family and a successful career, and her two daughters, one was the queen and the other Xueba.

In this life, she’s worth it.

rash and too much in haste, he took the summer leaves to the rental room, took the ID card and registered residence, and then registered the wind and fire.

Xia Ye is dizzy by Li Xingchen’s operation. It’s like a ball of wool in a mess. I don’t know where to start.

Her whole person is Leng Leng, from get off to Civil Affairs Bureau, has been led by Li Xingchen.

It was not until a marriage grade form was put in my hand that a question suddenly occurred to me.

Is she being calculated by this guy?

“.....”

Xia Ye didn't finish writing. She turned her head and looked at someone who was seriously filling in the form. Her eyebrows were frowning tightly.

Li Xingchen quickly filled out the form and handed it to the staff, with a pair of puzzled eyes.

With a stare, he pretended to be fierce and said, "what are you looking at me for? Sign it

Summer leaf a choke, see this person attitude, this is to get the marriage certificate of the person should have attitude?

Xia Ye quit, "Li Xingchen, you've calculated all this, haven't you?"

Li Xingchen hears speech, black Mou light deeply coagulates her, "is now the time to discuss this kind of trifle?"

That look, as if she is not very sensible.

Summer leaf heart crazy unceasingly, was about to die by this popularity, "small matter? Is that a small thing?"

How can marriage be regarded as a trifle!

What's more, he didn't kneel down to propose. There were no diamond rings, flowers or sweet words. She didn't do it until she was threatened by him!

Li Xingchen see her slowly swallow, a mobile phone from the summer leaves grabbed the data sheet, bow to fill up.

Seeing this, the staff reminded with a smile: "Li Er Shao, you can't sign the marriage data sheet on your behalf."

Wen Yan, Li Xingchen stopped writing and photographed the information in front of Xia ye, “sign first, and talk about it after signing.”

“.....”

Xia ye nuzui, reluctantly picked up the signature pen, signed his name, and was pulled by Li Xingchen to take photos.

People have already arrived here, and it’s meaningless to be hypocritical, but I’m not reconciled, which is totally different from what she imagined.

Other people’s marriage is so romantic. Why does she get married without anything, and she will be punished by him? Why? It’s not like she can’t get married!

Well, actually she wants to marry him.

From high school to now, she has dreamed of marrying this man.

Xia Ye finds that she is not striving for success. She thinks that she should fight for it. After all, marriage is only once in her life, but she is very counseling and worried that she will annoy this person.

Three minutes later, two big red marriage certificates appeared in her hands.

Summer leaves the whole person are light floating, like floating in the clouds, everything seems so unreal.

So she got married, with her beloved.

She opened her marriage certificate and looked intently at the line on it.

Name: Xia Ye

spouse: Li Xingchen

Xia ye can't help giggling.

Spouse It's a shame who invented the word.

Summer leaf's face is red, the mood is very excited.

At this time, a big palm stretched out and forcibly snatched the marriage certificate from her hand.

Xia Ye looks at the man who has become her husband in front of her and says, "why do you rob my marriage certificate?"

She hasn't seen enough!

Li Xingchen folded the two marriage certificates together and carefully put them into the lining pocket of his suit.

"I'll take the marriage certificate in case you lose it."

"....."

Xia Ye was speechless, "Li Xingchen, do you treat your new wife like this? If you don't want to get married, you can die. I didn't force you to marry me!"

Xia Ye is so angry that her eyes are red. It seems that he forced her to get married? Why is he the one with such a bad attitude!

Li Xingchen looked up at the time on his wrist, and a flash of anxiety flashed across his beautiful face.

Step forward, a button on the back of her head, involuntarily gave her a warm kiss. "Well..."

Xia Ye struggles subconsciously, but the man holds her closer and kisses her more strongly.

Gradually, the whole body's strength was drained, constantly beating his hand, stopped, and even unconsciously put his hand around his neck, unconsciously began to respond.

At the end of the kiss, her legs softened and she lay in his arms like a meek kitten.

Li Xingchen reached out and touched her head, and said with a smile: "good boy! You will be my wife in the future. Do you want to listen to my husband?"

Smell speech, summer leaf watery big eyes glared at him one eye, dissatisfaction way: "why not everything listen to me?"? Why should a wife listen to her husband?"

Li Xingchen grabbed her hand, put it on her lips, and pitifully dropped a kiss, "you listen to me, I also listen to you! Everything I have is yours, including my body and my money

Summer leaves blush unceasingly, in the heart is suffused with bursts of sweetness.

Li Xingchen held her face in both hands, forced her to look up at him, bowed her head and gave her a kiss on her red and swollen lips, and said affectionately: "Xia ye, marry me, you will be happy!"

Xia Ye was too shy to look up. After thinking about it, she plucked up her courage, stood on tiptoe and gave him a kiss on his sexy chin. "Li Xingchen, I love you!"

His face was as red as a red apple. He was so embarrassed that he turned around and left.

Li Xingchen is a Leng first, labial horn rises gradually, laugh finally.

Xia Ye listened to the laughter coming from behind, and her pace could not help speeding up.

“Wife!”

Li Xingchen yelled, big long leg a step, three or two steps to catch up with her, a pull her hand to run ahead.

When they get on the helicopter, Xia Ye looks at Li Xingchen in shock.

“Li Xingchen, where are you taking me?”

“Stupid, of course, to take you on your honeymoon!”

“But But we haven’t had a wedding yet? ”

“Just leave the wedding to Mommy. Don’t you want to travel and get married? Let’s go on a trip and come back in a month to go through the show! ”

As the second young master of the Li family, the wedding is naturally to be held wantonly, otherwise the outside world does not know what it will be like.

Xia Ye looks at the man close at hand. At this moment, her eyes are slightly red.

He never said “I love you” to her, but he will remember every word she said and every hobby she likes.

“I love you” is indeed a beautiful word, but practical action is far more important than this sentence.

Xia Ye suddenly shouts: “Li Xingchen!”

Li Xingchen turns his head and raises his eyebrows, “eh?”

Xia Ye grabs his tie and kisses his lips.

Li Xingchen’s whole body froze. Just for a second, she raised her thin lips and put her arms around her waist, turning passivity into initiative.

Kiss, this life is his people, summer leaf, I love you, life.

(grand finale)
