“Well?” Wen Qiao looked at Su Yue’e suspiciously, “Mom, what happened?”

Although Su Yuee was indignant, she was more afraid.

She had never seen such a posture today. She was a housewife, and her thoughts were feudal. She felt that if the big people could not offend them, they would not offend them, and they could not afford to.

She said, “Joe, these people say they want to detain Chenchen...”

Wenqiao was shocked. “What What?”

Words fall, obviously feel behind a strong sense of oppression, then came a familiar low cold hiss, voice with a trace of imperceptible sneer.

Li Fengbei?

Winjo’s brain is blank.

The first thought that flashed through my mind was, is Chenchen really the seed of the Li family? Now they know that they want to take Chenchen back by force?

She turned her head slowly and looked over there.

It was found that ten meters away from them, Li Fengbei was sitting in a chair with a little girl in his arms.

Like an old man.

A pair of sharp eyebrows, awe inspiring powerful, sharp and charming black eyes flashing clear all the high above.

Behind Li Fengbei stood more than a dozen bodyguards, all of them tall and fierce, as if they were going to eat people.

Wenqiao was startled. What the hell is this? Do you think she was scared?

There’s no way to rob her son!

“Li...” Wenqiao opened his mouth and called.

“Joe, Joe!” Su Yue’e patted her on the shoulder. Her voice was always gentle and worried. “Don’t be impulsive. If you have something to say! This gentleman said that Chenchen kidnapped his daughter. This is a misunderstanding...”

Smell speech, Wen Qiao’s tight nerve a loose, quietly relaxed a breath, as long as not with her grab morning good!

However, one breath has not been relieved, another breath, the whole people are angry.

“What? Kidnap his daughter?” With trembling fingers, she pointed to Li Fengbei and asked again in disbelief, “Mom, just now, he said that Chenchen kidnapped his daughter?”

Su Yuee hastily explained: “how could Chenchen do such a thing? They misunderstood Chenchen and kidnapped this gentleman’s daughter. This gentleman didn’t listen to the explanation and insisted on sending Chenchen to the police station! Qiao Qiao, I’m sorry, it’s mom who didn’t take care of Chenchen...”

With that, Su Yuee was anxious to cry.

If she had not brought Chenchen out to play, this would not have happened.

This man is not easy to get into trouble. If she does harm Chenchen to the police station, how can she face her daughter!

Listening to Su Yuee’s words, Wen Qiao clenched his fist.

Of course, she knew that her son couldn’t do such a thing. It must be Li Fengbei who deliberately made trouble for her son!

Wenqiao calmed himself down and took Chenchen, who had been silent, into his arms.

It’s all because she’s useless as a mother, so she’ll let him be bullied outside.

Unknowingly red eyes, soft voice asked: “Chenchen, you tell mommy, what’s the matter in the end? Why do they say you kidnapped the little sister?”

Wen Qichen raised his head and shook his head firmly. His big eyes were stubborn and distressing.

“I didn’t kidnap that little sister. She was kidnapped. I saved her!”

“So it is! It’s OK. Don’t be afraid. There’s a mother here!” Wen Qiao breathed a sigh of relief and patted Chen Chen’s little shoulder lovingly.

It’s said that being a mother is just, no matter who you are, as long as you bully her son, the lamb can turn into a little hedgehog in a second and stab whoever you see.

She turned to lifengbei and said in a loud voice, “lifengbei, my son didn’t kidnap your daughter. He saved her! You can’t force my son to stay here with no distinction between white and blue!”
