Su Yuee thought that her daughter went to work in that kind of place for money, and now she was taken advantage of by others. She felt uncomfortable.

It's all their parents who are useless to make their children suffer from these grievances.

If that didn't happen It's time for Wenqiao to graduate happily, and then find a reliable man to marry. There's no need to suffer like this.

The more I think about it, the more sad I feel. I wipe my tears with Wenqiao on my back.

Wenqiao was helpless: "Mom! Please! Don't cry for me any more. I know what I'm doing! I've quit the job, you believe me

"Really?"

"Well! Stop crying! Miss Su, I'm afraid of you! "

on the edge of the sea, far away from the noise of the city, the towering imperial castle is brightly lit by the stars.

Through the lawn as big as several football fields, a lengthened black RV cuts through the tranquility of the sky and stops steadily in front of the castle gate.

The well-trained bodyguard opened the rear door of the car, and the first one who came into sight was a pair of long legs wrapped in hand pants. His eyes moved up and fell on the handsome man and the cute little girl in his arms.

The eyes of the people waiting at the door lit up.

The first woman to rush forward is a beautiful and charming woman. From a distance, she looks like a rose blooming in the dark. She is wearing a fiery red fishtail skirt and outlines a perfect concave convex figure.

The amorous feelings of the big eyes, look between the fish and geese.

With her swaying wind, her chestnut wavy hair swings back and forth, sexy.

"Daughter! My baby girl! You're in a hurry, Mommy

With a worried clear voice, the woman stepped on the high-heeled shoes of 10 cm and ran towards the father and daughter here.

Then Li Fengbei's arm was encircled.

Li Feng's pen fell straight on the woman's arm holding him. His thick eyebrows began to wring up gradually, and his face became gloomy. His thin lips opened and he spat out two words: "loosen up!"

Suman looked at the tall and powerful man in front of him and felt his whole heart shaking.

This excellent, noble and cool man is her fiance, her husband after Suman!

Although not reconciled, in the end dare not presumptuous, slowly released the hand.

“Feng Bei, don’t be so fierce with me, OK? I’m worried to hear that Ann is missing! Fortunately you found ANN, otherwise I don’t know what to do, how about our daughter? Is there any injury?”

The beauty’s tearful and tearful appearance makes men feel the most distressed, but Li Fengbei is an accident.

Sharp black eyes quickly looked around at the woman, and a trace of disgust and impatience flashed across the bottom of the eyes. The sexy thin lips made a clear sneer, “Miss Su, what about your daughter? Don’t you have eyes to see?”

“I...” All of a sudden, Suman was speechless.

Since the car stopped, her eyes have never moved away from the man, and her focus is not on her daughter at all.

There is no way to explain, all of a sudden tears fell wrongly.

“Fengbei Why do you humiliate me so much? The child is my flesh born in October, how can I not love her? Ann Ann! Come on, let mommy hold you

Suman couldn’t get a good deal from Li Fengbei, so he turned to An’an.

“Mommy...” When Ann saw Suman extending her hand to her, her little body shrunk like a reflex.
