

# Passionate 30

Although Suman was talking to Ann, he kept listening to the door.

She looked at the time on the wall, found an excuse to leave, and walked towards the study.

Just raised his hand to knock on the door, but the door was forced to open from inside.

For a moment, I was startled by the beautiful face of a demon.

“Ah! Don’t look! Hooligans She quickly covered her chest, but she could not cover the top but the bottom.

In order to seduce Li Fengbei and better stimulate his efficacy, Suman took a bath in An’an’s room before going out, took a sweet rose milk bath, and put on a thin to transparent lace nightgown.

This dress is not so much a nightdress as a love and fun dress.

“Shit

Caught off guard, Mu Junhao burst into a rude sentence with big eyes.

What’s not clear about this scene? Li Fengbei, this is a fire in the backyard!

However, as one of Li Fengbei’s few friends, I naturally know that Suman has no attraction for Li Fengbei. It is said that he is not interested in lying in bed even if he takes off his clothes

However, this is not an ordinary woman, is Ann’s mother!

It’s not good. He’d better run away! It’s important to find a woman!

He gambled that the Suman would be thrown out in less than two minutes.

It’s a pity that no one bet spicy bar with him, he is so lonely!

“Hello, Xiao Lin? Make sure the women you recruited are clean and send them to the castle quickly

Hung up the phone, thought about it, sent a text message to song Xiaoya in the past, “baby, I want to eat spicy bar (???)!”

“Go away!” Soon received a reply from Song Xiaoya.

Mu Junhao looked up and put away his mobile phone. He’d better go to find a woman for Li Fengbei!

These women may not be able to do it, but that woman last night must be able to do it!

.....

Wen Qiao and song Xiaoya are taking Wen Qichen out shopping.

Knowing what happened in the playground today, song Xiaoya directly pulled them out, saying that they were distracting him.

She licked the ice cream in her hand and said angrily, "Joe, why do you have such a good temper? According to me, this kind of man should beat him all over the floor looking for teeth

Wenqiao recalled the scene at that time, the row of fierce bodyguards, as if to eat people, shivered.

"I don't want Chenchen to have anything to do with lifengbei! It's better not to see each other in the future!" Wen Qiao looked at the morning with relish and lowered his voice to song Xiaoya.

In Song Xiaoya's mind, there was a flash of light. In an instant, she widened her beautiful eyes, as if she had found something extraordinary. She screamed, "is it so serious? Is Li Fengbei the man of that year Well..."

"My auntie, can you take it easy?" Wenqiao scared directly covered song Xiaoya's mouth, "what are you thinking? It's not him

In her heart, she was very resistant to Li Fengbei, so she didn't want to think about it.

Song Xiaoya raises her eyebrows and looks at Chenchen.

Chen Chen saw the godmother looking at her, and immediately grinned, revealing her two sharp tiger teeth. She was so cute!

Song Xiaoya's heart is sprouting. She wants to give him what she has done.

How could such a lovely child be the kind of seed that the inhuman man of Li Fengbei could sow?

She held Chenchen's face and kissed again and again, "what else do you want to eat in Chenchen? Go and buy it for you, godmother!"

"Godmother, I'm full. Let's go home." Chenchen is a sensible child since childhood, because it's not easy for mommy to bring him up by herself.

It's sad that the children of the poor should be in charge of the family early.

"Good boy! Let's go home!" Wenqiao smiles and fondly touches Chenchen's head.

Song Xiaoya thought of the message just now, hesitated and said: "Qiao Qiao, you wait for me here for a while, I'll go shopping!"

Damned Mu Junhao, what's wrong today? How can such a big person even want to eat spicy noodles? He can't be killed!

Song Xiaoya just left the front foot, hind foot, a windy Orange Super run on the cool to stop in front of Wenqiao and Chenchen.

When the door opened, a man with dark brown glasses and a face full of demons came down from the car.

"Miss wenjo, please come with me?"
