Chapter 581

If she told ya Bei the secret and Liz killed Ya Bei madly, what would she do?

Wenjo's up there.

Yabei thought that she was scared, pulled her into her arms and comforted: "don't be afraid! I'll be fine with you

Wen Qiao grasped Ya Bei's chest, raised his head and said tentatively.

"Your Highness, there have been many accidents in the Duke's mansion. Would you like to check everyone in the mansion? Especially those unfamiliar faces

Like Liz or something

Yabei was acutely aware of the change of her tone and twisted her eyebrows.

"Do you know something? You can tell me anything."

Wenqiao's white teeth gently bit the scarlet lip.

"There's nothing wrong. I'm just saying that. Think about it, there have been two fires in the Duke's mansion. There have been two fires in a short month. It's not normal."

Smelling speech, Ya Bei's deep eyes flashed quickly, a touch of coldness, and said in a deep voice, "don't worry about this, I'll let Bernie do it! I'm tired today. I have a room cleaned up in the side hall. I'll take you to have a rest."

The main hall is in a miasma. I have to go to the side hall to stay for a while. I can't move back until I have cleaned it up completely.

Wenjo looked at Abel in shock.

She said so clearly, how could he not understand her mood!

It's terrible to think that there is such a fierce opponent as Liz in the Duke's mansion!

Yabei may not understand her meaning. She needs to be more specific.

Wenqiao stopped, took Yabei's hand, "Your Highness, wait a moment, I have something to tell you!"

"You say it

Yabei looks back, and his cold eyes lock on Wenqiao's serious face.

"The old woman who was newly recruited in the mansion last time had many scars on her face. Do you remember the one who was disfigured?"

Ya Bei's eyes flashed and he twisted his eyebrows. "What's wrong with her?"

"You know her?" Wenqiao was shocked that Abei remembered her mother-in-law.

You know, Yabei never remembers the identity of a servant.

"I think her identity is very suspicious, you must check her carefully!"

Yabei was stunned and said with a smile, "isn't she the one you left behind? Why did you suspect her instead? Did she do something?"

"No!" Wenqiao bit his lip. "I just want to remind you that you can't let anyone go."

"Well, I see."

Yabei said casually that he didn't pay attention to it.

She would never do anything to Wenqiao. After all, she has her grandson in her stomach.

If she wanted to do something to winjo, she would not have risked her life to get her out of prison.

"....." Wenjo was stunned.

Just now, Yabei was perfunctory to her?

According to Yabei's character, she said this, didn't she immediately arouse vigilance?

"Yabei, do you know this Liz?"

Is it that the people he cultivated were deliberately put in the Duke's mansion? No, it doesn't make sense!

Yabei rubbed her little head, "don't think about it! She won't do anything to you, you don't have to worry!"

"What do you mean it won't do to me?" Wen Qiao stares big eyes and looks at ya Bei incredulously, "you really know each other!"

Yabei Junyi's eyebrows wring unhappily, "we know each other. What's the fuss about this?"

"No!"

Wenqiao stepped back, avoiding the touch of Yabei. "You know each other. Why don't you tell me?"

She was so worried about his safety that she was afraid that she would be cheated by Liz.

Just now, Liz was so arrogant that she put the knife on her neck and wanted to kill her.

Before she racked her brains to kill her, she suddenly stopped killing her. Is it because of Abei?

The thought of Liz saying that she had come to the Duke's house in admiration for Her Highness made her unhappy.

Alice is so beautiful and powerful that Abei won't like her, will she?

In Wenqiao's heart, there are bursts of panic. Yabei, who has never been able to speak well for anyone, actually speaks well for the woman Liz!

Has he ever seen Liz? Are you confused by her beautiful appearance?

Wenqiao felt cold in his heart. Instead of thinking about it in his heart, he said, "Your Highness, do you know Liz's secret?"

Yabei's heart beat suddenly. He looked down at Wenqiao's disappointed eyes, and his dark pupil almost couldn't be heard.

"Joe, listen to me!"

Before her mother wanted to kill her, and repeatedly embarrassed her, she would have an opinion of her mother, he did not want any conflict between them.

“You know it!”Wenqiao thought that he knew the secret of Liz’s disguise and liked him.

He flustered appearance falls in Wen Qiao’s eyes, clear is to have something to hide from her.

Yabei didn’t expect that Wenqiao’s reaction was so big.

“Joe...”

“Your Highness, I don’t want to hear anything now. I’m so tired. I want to have a rest!”

She said in her heart that as long as Liz didn’t mean any harm to his highness, such a powerful opponent was not his opponent. Maybe she could help him. She should be happy for him!

But, why in her heart is not happy!

It’s Yabei who spoils her. She just hears other women’s names from his mouth. She will be jealous and angry. Is it her own narrow-minded?

Or do all women have the same idea when they encounter this kind of thing?

Yabei saw her face full of loss and didn’t go on.

“You have a good rest. Don’t think much about other things. Everything is under my control.”

Winjo pursed her lips and said nothing.

It’s all under his control, doesn’t it mean she and Liz?

Yabei thought that Wenqiao was suddenly cold to him, just because he was frightened and overworked today.

But at night, he felt something was wrong with her.

Usually as long as he lay down, she would automatically nest in his arms, must hold his waist to sleep.

But today, he curled up and gave him a cold back.

Yabei stretched out his hand to pull her shoulder, but said: "what happened? Why are you suddenly angry?"

Winjo didn't want to talk or pay attention to him.

There are so many things happening today that she needs to calm down and sort out her thoughts.

She closed her eyes and pretended to sleep, ignoring Abei.

"....."

Yabei forced her body and looked at her shaking eyelashes. Her voice was cold. "Are you angry with me? What did I do wrong to make you angry?"

It was the first time that Wenqiao was angry with him, and Yabei was puzzled.

Of course, he is not the kind of man who has excellent patience and knows how to fool people.

"....."

Wenqiao closed his eyes, but he was even more angry. He even attacked her?

Chapter 582

Seeing that she still ignored herself, Yabei said, "if you have any grievances, you can say them. I'll decide for you. If I do something wrong, you can also say them. I'll correct them next time."

Wenqiao had to open his eyes and said coldly, "Your Highness, I'm just too tired to sleep."

He's talking about it. Does she still want to be angry with him?

Yabei has always been coaxed by others. Even if she is still with Wenqiao, she is gentle and has never argued with him.

This is the first time that we have adopted a cold war attitude.

Yabei was a proud man, and now he was even more proud.

"Since you want to rest, have a good rest!"

Magnetic voice with a trace of anger, released Wenqiao's shoulder, pulled over the quilt cover on the body, sideways to Wenqiao, threw her a cold back.

Wenqiao's eyes were quickly covered with a layer of bright fog, which blurred his vision.

He was angry with her. Sure enough

He is no longer used to himself as before!

Vinjo, too, angrily lifted the quilt, turned over, turned to the other side, and closed his eyes.

In the dark, Yabei was stunned.

This dead girl, she knew he was angry, didn't she know to coax herself?

Before, as long as he was angry, she would coax him. How can she still get angry now?

One night, two people had a cold war for the first time, and they spent the whole night.

The next morning, Yabei opened his eyes, looked down at the woman in his arms, and silently hooked his lips.

I was so angry last night that I finally rolled into his arms?

He bowed his head and gave Wen Qiao a kiss on his white forehead.

"Little lazy pig, it seems that you can't do without me in the future!"

When Wenqiao opened his eyes, he found that the position beside him was empty, and his heart was empty.

This guy really ignored himself all night?

Wenqiao is in a daze on the bed holding the quilt. She can't do this. She will only push Yabei to other women's arms.

Looking out of the window with a sigh, the door of the bedroom was knocked.

“Come in!”

The man outside pushed in, revealing Liz’s hideous face.

At the sight of her face, wenjo, subconsciously frightened and nervous, took a step back in silence.

Tiya put the food in her hand on the table, with a smirk on her face. With that terrible face, she couldn’t say how terrible it was.

“It’s breakfast time, madam. Get up and have breakfast!”

“I’m going to eat downstairs!”

With that, wenjo lifted the quilt, put on his shoes and went to the door.

Tiya stepped forward and stood in front of Wenqiao, with the same smile on her face. “Your Highness said that you like to eat the food I cook, and let me take care of you in the future.”

Yabei told her that?

Wenqiao small face pull deaf, “I don’t eat what you do, you want to kill me yesterday, who knows if you poison in the food!”

“How could I poison you? Come on, eat! Eat while it’s hot

It was about the growth of her beloved grandson, and she would never let Wenqiao be willful.

“I don’t eat it!”

“Eat Tiya took the bowl to Wenqiao’s mouth and suddenly said in a loud voice, “even if you don’t want to eat, you can eat it all for me!”

“You are a servant and I am the master. How dare you be arrogant in front of me? Are you not afraid that I will tell your highness?” Wenjo gets angry when she sees Liz’s arrogance.

“Good! Go and tell me, and see if your highness will listen to you!”

“Liz, don’t sow discord here.”

Wenjo still has that confidence.

If she’s just fooling around trying to get rid of Liz, Yabei will promise herself.

After all, he will spoil his own North Asia.

Tiya ignored Wenqiao’s eyes, slowly picked up chopsticks and put a mouthful of food into her mouth.

“I’ve tried. If it’s poisonous, I’ll poison myself first. Eat it quickly! Even if you are not hungry, you have to think about the baby. The baby can’t be hungry.”

“.....”

Wenqiao’s clear eyes flashed slightly.

Liz’s words came to the heart of winjo.

Even if it’s not for yourself, at least for the baby in the belly, you can’t eat nothing just to be angry.

Wenqiao took a bowl and put a mouthful of porridge into his mouth.

Millet porridge stewed soft glutinous, almost into a state of paste, but no taste.

Wenqiao knew that Liz was trying to embarrass herself and drank up her porridge in a huff.

“Finished, take it away!”

Liz glanced at the empty bowl and put a bowl of black soup in front of winjo. “It’s good for the baby. Drink it while it’s hot.” Wenqiao looked at the dark medicine bowl, a fishy smell of stimulation into the nose, had not begun to drink a kind of vomiting impulse.

His face changed and he ran to the bathroom with his mouth covered.

It was not until I vomited out all the rice porridge I had just eaten, that I finally felt better.

Liz had not left when she came out of the bathroom.

Seeing her coming out, she pushed the bowl of black medicine in front of her again. “This bowl of medicine is a prescription that I personally went to the experienced old doctor to ask for. I have to drink it.”

Wenqiao looked at the black thing, had the impulse to throw the bowl, and looked at Tiya warily.

“Are you so kind as to ask for medicine for me? What’s your purpose?”

Tiya chuckled, “I think you still need to use this way? I’ll knock on you, and you’ll be dead. You need to use this kind of means?”

Wen Qiao: “I’m not sure.”

That's what she said, but she just didn't want to drink.

Tiya's eyes glared, pretending to be fierce: "drink or not? If you don't drink it, I'll force you to drink it!"

"You dare!" Wenqiao covered his mouth and tried to rush out of the door. "Help

Tiya easily grabbed her collar, dragged her back, threw her beside the medicine bowl and said, "drink it."

"I don't drink, I don't drink!"

Wenqiao slapped the medicine bowl and looked at Tiya stubbornly, "I won't drink it!"

With a bang, the black medicine bowl fell on the ground and spilled all over the floor.

Tiya's ferocious eyes flashed with a cold light.

Wenqiao immediately felt nervous and stood up vigilantly, saying, "don't mess with me! I will tell your highness that you bully me!"

"Good! Go and Sue Tiya has no fear.

Winjo's heart sank as she looked at her face.

Why does she feel that her highness will not make decisions for her? Why is she so righteous?

Is there a secret between Yabei and her?

Wenqiao suddenly became timid, in case

In the end, winjo was silent, but she would never take the medicine.

This woman was going to kill her yesterday, but now she's cooking medicine for her?

She's not a fool!

It's a fool!

Tiya saw that she was quiet and didn't say anything more. She cleaned up the medicine bowl and went out.

Chapter 583

Today, Chinese food and dinner are all arranged for her by Tiya.

They're all light food, and they don't put any seasoning except salt. Even if it's salt, it's just a little bit.

Wenqiao finally couldn't stand it and said to Bernie, "manager Bernie, I don't want Liz to cook for me. I want to eat the food made by the chef."

"This..." Bernie looked embarrassed. "This is an order from his highness. I'm sorry I can't obey it."

"....."

Wenjo didn't embarrass Bernie any more. He turned around and went upstairs step by step.

Look up and look at the high revolving stairs.

Castle architectural style, along the revolving stairs, Zhuliang painted buildings, beautiful.

So luxurious, so strange.

Suddenly looking back, I found that she was so strange here.

She had never even looked at the Duchess house carefully?

Even I have never found that the Duke's palace is so magnificent.

Here, all her eyes and thoughts are on Yabei, hoping that he can look back at himself.

He doted on himself, and she was overjoyed.

Naive to think that he is his all.

As everyone knows, Yabei always has a lot, but she has too little

At half past five, Abel was ready to return to the Duke's palace.

As usual, Wenqiao would run downstairs happily, but now he couldn't lift his spirits.

Yabei opened the door and saw the woman sitting by the window. She twisted her eyebrows and walked over.

"Why don't you go down to meet me? Are you still mad at me?"

Wen Qiao turns his head and looks at ya Bei's familiar eyebrows.

Pursed his lips, explained: "you are off work, I feel a little tired, so I did not go downstairs."

This reason, Yabei reluctantly accept, toward her hand, "come on, today at home good?"

Wenqiao Leng for a moment, put his hand into the palm of Yabei, Du Du mouth, "which day am I not good?"

"That's true!"

With a smile, Yabei took Wenqiao's hand and went to the door. "I'm hungry. Go to dinner with me."

Wenjo's eyes lit up.

Does eating with him mean that you don't need to eat the bad food made by Tiya.

"Well, I'm hungry, too. Let's go down quickly! I want to eat braised pork! "

These two days, she is porridge cabbage every day, and the birds can fade out of her mouth.

"Look at your greedy, I don't know that I abused you." The tone of Yabei's doting is a touch of helplessness.

It's OK not to mention this. As soon as Wenqiao said this, he was angry. He waved away Yabei's hand and said, "it was."

The food Liz cooked every day, she had a bad appetite, and she forced her to eat it every day.

She's going to throw up when she looks at the food.

“.....” Yabei looked at the empty palm and finally had no choice but to smile.

Wenqiao, who is a little short tempered, is also good. She is his woman!

Your own woman will be spoiled.

Yabei leads Wenqiao to the restaurant. Looking at all kinds of dishes on the table, Wenqiao can't help swallowing.

Stomach is very suitable for the “grunt” call.

“I'm so hungry. Let's eat quickly.”

Wenqiao looked at the colorful food, and immediately opened his index finger, as if he had never eaten anything in his life.

She clamped the biggest piece of braised meat, opened her mouth and tried to put it into her mouth.

But one hand grabbed the chopsticks.

Liz's gruff voice came from her head. “Here's your meal, ma'am. These are for your highness.”

“.....”

Winjo looked at the plate in front of TYA, and when he saw the white sticky paste, he almost spat it out.

“I don't eat these things, take them all away!”

“Madam, these foods are elaborately developed by nutritionists. They are most suitable for pregnant women. Although the taste is a little lighter, pregnant women can’t eat heavy taste food. Heavy taste food is not good for the development of young children.”

Little prince Little prince!

This man is always threatening himself with his own children. What’s the matter?

Wenqiao angrily dropped the chopsticks, while Yabei was also there, she said, “are you a servant or are you the master! I said, I don’t eat these things!”

Tiya was yelled, her shoulders shrunk, and she looked at Yabei with an uneasy look, “Your Highness...”

That pitiful, Wei Qu Baba’s appearance, see Wen Qiao a burst of fire big.

When Yabei was no longer at home, she was domineering in front of her and did not pay any attention to herself. She immediately changed her face in front of Yabei. “Don’t pretend, Liz. You deliberately make trouble of me. The food you give me every day is very bad. You mean to disgust me, don’t you?”

Wenjo has never been so out of control.

But in the face of Liz’s provocation, she couldn’t bear it.

“Your Highness, how can I make trouble for Madame? Xiaoshizi in his stomach is in the first stage of development. He can’t eat those heavy food. Eating those food will only aggravate the edema, and it’s not good for the child’s development.”

“.....” Wenjo looked at Liz in a daze.

She even dare to complain to Yabei.

Yabei frowned and said to Wenqiao, “well, since it’s bad for the baby, we won’t eat it! Good boy

Wen Qiao looked at ya Bei incredulously, his nose sour and his eyes red.

“You helped her? Don’t help me! Can’t you see that she’s acting like that? ”

Can’t he see that Liz is so arrogant?

Smell speech, Ya North facial expression taut tightly, low voice chills, “she is also for your body good, she has experience to this respect, listen to her.”

“.....” Wenqiao blinked. The tears he could not help falling down. He pointed to Liz with white fingers.
“Do you have to protect her?”

It’s hard to get pregnant and vomit. During this time, Liz forced her to eat food with no flavor. She didn’t have a full meal for several days.

I thought I could have a nice dinner with him today, but he helped Liz!

What exactly did Liz give him?

“That’s what I’m going to eat today!”

Wenqiao grabs the chopsticks, grabs the braised meat that Liz robbed just now, and shoves it into his mouth.

The feeling of fat and greasy, just a mouth has not begun to chew, then feel a tumbling in the stomach.

“Ouch ~ ~”

Wenqiao covered his mouth and ran to the washbasin.

Yabei lost her chopsticks, followed her up and said, "what's the matter?"

"Vomit ~ ~" Wenqiao was lying on the sink, retching.

There are not many things in the stomach, even the bitter gall water in the stomach spit out, very uncomfortable.

Looking at her pale and haggard face, Yabei felt distressed. "Just now Liz said that pregnant women can't eat these heavy taste things. You won't listen to her!"

Chapter 584

It's not wrong to say that in normal times.

Pregnant women should not eat too heavy food, but everything should have a degree.

Pregnant women's mood is fluctuating and unstable.

Hearing that Yabei was still helping Liz to speak at this time, Wen Qiaoben's eyes were red and tears fell down again.

She pushed Yabei away, wiped her tears and ran out the door.

"Yabei, I hate you! I hate you

"Wenjo! You stop for me

Yabei was pushed away, eyebrows slightly a convergence, cold angry voice toward Wenqiao back roar.

As if Wen Qiao didn't hear it, he kept running until he reached the palace gate.

Damn Abel!

He helped a servant to bully himself!

Her wife is too failed to do, she was bullied by a servant. Even her husband helped other women!

When he thought of this, he felt that the sky and the earth were eclipsed.

In front of a blank, eyes closed, eyes will faint.

"What's the matter with you, Joe?"

A worried voice came from my ear, even if I caught her.

Before she fainted completely, she seemed to hear a familiar voice coming from a distant place, but it was so real.

What the hell!

How could she hear Xu Tianyu's voice?

She is in Liluo. How can she hear his voice?

She must be dreaming!

Wenqiao slowly opened his eyes and was surprised by the golden ceiling, strange room and strange furnishings.

In retrospect, she fainted and was caught by a man.

This man is

This cover head, carefully recall, “squeak” a, the door was opened.

The sun was setting outside the door. The afterglow of the setting sun fell on the visitors. Wenqiao was there.

“Xu Tianyu! Is it really you Her beautiful face, eyes staring big, growing mouth can put an egg, so unbelievable to look at people.

Xu Tianyu’s handsome face and warm smile.

“Don’t you see me happy? What’s that look like? ”

Xu Tianyu put a bowl of chicken soup on the table and said in a soft voice, “I’m hungry. Come and have a taste. I cooked the chicken soup myself.”

Wenqiao had not recovered from shock, and let Xu Tianyu help her, “Xu Tianyu, how did you come here? Are you really him? ”

Hearing this, Xu Tianyu jokingly said, “is the person standing in front of you a ghost?”

Wenjo did not recover from the shock and murmured, “how did you come here?”

“If I say I’m here to find you home, believe it or not? ” Xu Tianyu asked jokingly as he drew the end.

“.....”

She knew how much she had done and how many things she had met in order to come to Liluo.

I didn't expect that seniors could do this for her!

Xu Tianyu took the chicken soup and fed it to her mouth, "the doctor said you Pregnant, malnutrition just fainted, come on Have some chicken soup. "

Xu Tianyu's gentle words and concerned expression almost made Wen Qiao cry.

In this foreign land, when she was helpless, Xu Tianyu appeared out of thin air. How could she not be surprised?

However, according to the state regulations of Liluo, foreigners enter Liluo

But the next second, Wenqiao thought of something, eyebrow a twist, flash urgent.

"No, I don't mean that. The country of Liluo is very dangerous, and the people here are against foreigners. Please leave here quickly!"

"Joe I'm here because I have something important to tell you! "

Xu Tianyu's elegant eyebrows are dignified.

Wen Qiao's heart was tight, "what What's the matter? "

Is it serious? So serious that we need to get rid of so many difficulties to catch up with Liluo?

There was a bad feeling in her heart.

What happened in B city?

Xu Tianyu's eyes flashed slightly and said, "you promise me that no matter what you hear, you should be calm. You are still pregnant with a baby. Your body is important."

Wenqiao's heart tightened, and a bad idea came into his mind. His big eyes looked at Xu Tianyu nervously.

"What happened to Chenchen and Ann?"

Xu Tianyu pursed his lips and remained silent for a while. He said, "Joe, don't worry, they will be OK! But now only you and Li Fengbei can save them! "

"What happened?"

Winjo turned over and felt that his whole brain was empty.

"When you left city B, my uncle and your father competed for the presidency, your father..." Xu Tianyu pauses for a moment, and wants to say nothing.

"Tell me, I know he is a hypocrite. In my heart, he is not worthy to be a father at all!"

When Jun yechen designs to blow up Li Fengbei, in her heart, Jun yechen is no longer her father and does not deserve to be a father.

Xu Tianyu was relieved to see that she had no special feelings for Jun yechen.

Then he angrily continued: "Jun yechen couldn't do it for my uncle, so he designed to bring down Li's group and put my uncle in jail for a false accusation."

"How could that be..."

Wenqiao had never thought of such a situation, but from Jun yechen's behavior, he could really do it.

"He not only arrested my uncle, but also took Chenchen and An'an back to the presidential palace. Jun yechen was completely insane in order to be in the top position. I was worried about the safety of Chenchen and An'an, so I sent someone to the presidential palace to inquire about the situation. Unexpectedly, no one had seen them in the presidential palace."

"What?" Wen Qiao's heart contracted instantly, and the whole person was in a mess. He was so anxious that he was about to cry, "where did they go?"

Where does Jun yechen settle Chenchen and Anan?

Chenchen and An'an are his grandsons and granddaughters. He should not be so crazy as to do something to his grandsons and granddaughters?

Wenqiao suddenly thought of something and asked eagerly, "what about my mother?"

Xu Tianyu frowned slightly and said, "the first lady is still the same as before. She talks with Jun yechen all over the country. She looks very loving."

Wenqiao's face changed and he exclaimed, "no! My mother and father have no feelings at all. Their love is fake! It must be the father who threatens his mother with Chenchen and An'an to help him do things."
"

Xu Tianyu was stunned and then clenched his fist angrily.

"Jun yechen is despicable and shameless. He maliciously oppresses his uncle and makes him suffer injustice. He confiscates the property of Li's group. Grandma can't stand such stimulation. Now she is ill in bed. The doctor says that she can't stand half a year."

Wen Qiao's face turned white, and his white teeth clenched his white lips. "I must tell Li Fengbei about it as soon as possible, and let him go back to B city..."

“Now it’s the only way! But... “

Chapter 585

Xu Tianyu’s vision swept over Wen Qiao’s haggard face, and the meaning was quite obvious, “is this OK?”

Xu Tianyu asked hesitantly.

Li Fengbei is now the Third Prince of Liluo!

Along the way, he only lingered in Liluo for half a month, where the degree of wealth and luxury far exceeded his imagination.

If it wasn’t for what he saw, he couldn’t believe there was such a rich country in the world.

He also heard that Li Fengbei was the most favored prince. With his strength, he could soon ascend the throne.

Will he give up everything here for the Li family who has no blood relationship with him in B city?

Obviously, wenjo thought about it as well.

However, what she worried about was not Li Fengbei’s unwillingness to save people, but If so, all his efforts here will be in vain.

Moreover, offended the aristocratic family, once he can not sit on the top of that position, then his life will have endless trouble.

No, she can't put him in that position.

Wenjo is in a dilemma.

On the one hand, they are their own children, on the other hand, they are their loved ones.

But soon she came up with an answer.

Chenchen and An'an are the grandsons of Junyechen. Junyechen should not do anything to them madly, but Yabei can't leave Liluo at this time

"Senior, he can't leave here now. He's in a bad situation. If he doesn't, he will fall into the abyss. I can't destroy him."

Xu Tianyu sighed heavily in his heart. He knew that this would be the result. This woman would put Li Fengbei in the most important position in everything.

"But Chenchen and Ann..."

"Don't worry, Jun yechen is my father. No matter how animal he is, he won't do anything to his grandson and granddaughter. Besides, his mother is still here, and she won't let them do anything.

As for my father and grandmother, they raised Li Fengbei. Li Fengbei can't ignore his kindness. I'll tell him and find a way to solve this problem."

Although we can't let Li Fengbei go back to B city immediately, it's still feasible for him to help Li family.

With that, Wenqiao didn't want to wait for a second. He lifted the quilt and got up. He wanted to go back to the palace.

But Xu Tianyu pressed her shoulder, "drink chicken soup and then go, your body is still very weak, you can't make fun of your body."

Thinking of what the doctor said, Xu Tianyu twisted a frown and clenched his fist angrily.

"I don't know how he took care of you. He made a pregnant woman faint due to malnutrition."

Is it malnutrition that she fainted?

Think of what happened during this period of time, Wenqiao eyes gradually dim down.

"Here, drink the soup first."

In a daze, Xu Tianyu picked up the steaming chicken soup and scooped it up to her mouth.

The steaming heat made her eyes swell.

Wenjo closed his eyes and covered up the surge of emotion in them.

"Thank you, senior. I'll drink it myself."

She reached for the chicken soup, but didn't know it was so hot.

"Ah Wenqiao screamed, chicken soup spilled all over the floor, even on her number suit.

Xu Tianyu quickly took the bowl over, but said, "I just said I'll feed you, but you won't listen."

Wen Qiao suffered a small face, even facial features are wrinkled together, “you can carry a bowl, I thought it won’t be very hot! It’s so hot. Don’t you think it’s hot? ”

“.....” Xu Tianyu’s eyes flashed slightly.

Hot! It’s not hot!

In order that she can drink a mouthful of hot soup, she can endure it no matter how hot it is!

Xu Tianyu lowered his eyes and cleaned Wen Qiao’s fingers with a paper towel. He pretended to be indifferent and said, “who is as delicate as you?”

Fingers touching.

Wen qiaose drew back his finger, but he saw that Xu Tianyu’s finger was red.

Suddenly, he grabbed Xu Tianyu’s hand with his backhand, “senior, your fingers are red. You just...”

“Nothing!”

Two people are talking, “bang when” a, the door was badly kicked open.

They were startled and looked up to the door.

The tall man appeared at the door, his expressionless face was like a moving icehouse, and his face was very ugly.

Especially that pair of ice blue eyes showed a strong anger, so straight looking at their hands.

Wenqiao did not expect that Yabei would suddenly appear here, and his face changed.

The next second, I heard a man's cold voice, gnashing his teeth like that, word by word from his teeth.

"Come here!"

Wen Qiao came back to his senses. He was in a panic and quickly pulled his hand back from Xu Tianyu's palm. He got out of bed, walked towards Yabei and explained, "Your Highness, it's not what you see. He is..."

"I have eyes, I can see!"

Yabei cold voice interrupts her words, Falcon's vision falls on Xu Tianyu's handsome face, never look at Wenqiao.

This man, he recognized it at a glance.

Wenjo's ex boyfriend!

In the investigation data, the figure of this man is everywhere, just like a dog skin plaster sticking to Wenqiao.

Did you find the country of Liluo?

Should he praise them for being stronger than Jin, and then they'll have a renewed love?

"Take it away!" Finish saying, don't want to see them again one eye, turn round to leave.

Two bodyguards came forward and grasped Xu Tianyu's arm.

Wen Qiao was shocked and looked at ya Bei's back. He stepped forward and hugged Ya Bei's waist.

"No, your highness! He is my senior, not a bad man

Yabeidun stopped walking, turned around, pinched Wenqiao's chin with his slender fingers, looked down at her flustered and beautiful little face, and opened her cold lips gently. "I don't think it's in your face to abduct the woman of my highness

The strength of his hand was so great that wenjo felt that his chin was about to be crushed by him.

The little faces wrinkled with pain, "pain! Your highness, let me go first! Let me explain!"

Yabei's face became colder and colder. He threw away Wenqiao's chin. His calm appearance could not fit any more. He roared angrily.

"I've seen it with my own eyes. How can I explain it? Do you think I'm so playful? Or do you think I don't want you in North Asia, so I have to tolerate you wearing a green hat on my head..."

"Pa!" With a sound, Yabei's face was missed and he was slapped.

Wen Qiao's big watery eyes looked at the man at hand with great disappointment.

Palm numb, hanging on the side of the body slightly shaking.

The voice choked and asked, "is that what you think of me? Am I such a woman in your heart?"

If she is a woman with a good disposition, and if she can accept Xu Tianyu, why should she go to Liluo to find him?

He protected other women and let them bully her. Now, without asking anything, he slapped his hat on her head.

Does he really think she's easy to bully?

Chapter 586

Yabei tasted the bloody smell of the corner of his mouth. He threw off his bangs and crooked his lips in an evil way. He laughed angrily.

"What? Get angry? I'm not allowed to tell you what you can do?"

Ice blue eyes inch by inch dyed violent red, Wenqiao subconsciously afraid to step back.

Xu Tianyu thought that Yabei wanted to beat Wenqiao, struggling: "Li Fengbei, what do you want to do while I'm here? Don't bully Qiao."

"Joe, Joe?" Yabei laughed at himself.

How intimate!

"Take it away!" Yabei roared, the blue veins on his forehead jumped, turned and strode away from the ward.

If he stays any longer, he is worried that he will not be able to help himself

Looking at Yabei's cold and resolute figure, Wenqiao suddenly remembered that she had something important to tell him now.

"Yabei, wait for me. I have something important to tell you."

However, no matter how hysterical she yelled, Yabei never looked back.

After the bodyguard took her back to the Duke's house, he locked her in the bedroom and locked the room from the outside.

Winjo kept patting the door. "You let me out. I really have something important to tell your highness."

The bodyguard said without expression, "please don't embarrass us, Mrs. Wenqiao. This is your Highness's order."

"And your highness? Where his highness is, he says that I have something urgent to tell him and ask him to come here to see me."

"This..." The bodyguard was in a dilemma.

Just then, Jennie and Annie appeared at the door and saw such a scene.

They couldn't stop sneering in their hearts.

"Go down, all of you, and keep your posts. Don't worry about what you shouldn't!"

"Yes

The guard retreated. There was no one at the moment.

"Ha ha ha ha ha..."

Annie burst out laughing. The magic laughter came into the room through the crack of the door.

"Wenqiao, you are as arrogant as you are today. The higher you stand, the heavier you fall! When your highness completely dislikes you, you will only be in a worse situation than you are now."

Annie laughed enough, and then said with pride, "by the way, there's one more thing I forgot to tell you. Did I take you and your traitor down to the palace to find them? Should you thank me for that?"

Wenqiao clenched his teeth, fingers on the door gradually clenched, and a strong anger welled up in his heart.

She's put up with Annie long enough.

"Annie, do you think your highness will like you if you take me away? Just you stupid brain, all your intelligence quotient is used to grow skin. Even without me, your highness will not like you!"

Annie didn't expect that winjo, who is always a bully, would say such words to fight back at her.

He said angrily, "no! It's you who selfishly dominate your highness and envy us."

"....." Why should I be jealous of you? I just don't think you should waste your youth in Duke's mansion

Annie grabbed the blue jewel necklace around her neck and said, "the blue jewel necklace around my neck was given to me by his highness. He bought it for me himself! It proves that he has me in his heart, but he was confused by you later."

Winjo shook his head and suddenly felt that Anne was very sad.

"Annie, I have a lot of necklaces like this. What does a necklace mean? At the banquet that day, you received countless such gifts, didn't you?"

This just hit Annie's pain.

Hearing this, Annie screamed out of control, "you're talking nonsense! That's not the truth! Your highness must be different to me!"

“Annie, I really feel sad for you. Your highness doesn’t like you. You have to come up and be used for nothing

Wenqiao is right. Annie was used by Jennie once, and now her highness is even colder to her.

“.....” Annie glared at Jennie beside her.

Jennie quickly said with a smile, “sister Annie, I really didn’t mean to use you. I just told you the secret I knew. I didn’t expect you to tell this secret regardless of everything! We are now in the Duke’s palace. We are integrated with your highness. How can you embarrass your highness by doing so?”

Annie gritted her teeth. “Next time you dare to use me, I will never spare you.”

“No, no, I said I never wanted to use my sister.”

“Hum!” Annie grunted at Jennie, turned to the door and said, “wenjo, don’t you mean to stir up the relationship between me and the princess? Your highness is not your highness alone. We are all women of your highness. You can see that. Don’t wait for you when you are in trouble. No sister will help you!”

Wenqiao stood behind the door and felt a pang at Anne’s words.

In the state of Liluo, it is normal for a man to have three wives and four concubines, but it is abnormal for a man to be monogamous. Anne said: “in our country of Liluo, men can’t have only one woman. Men are happy with the new and tired of the old. Today, they can treat you well. Once the freshness is over, they can treat others well. Men’s love is not long! Why do we women embarrass women?”

Wenqiao was upset and covered his ears in agony.

Yabei is not such a man!

“Annie, you don’t have to say any more. You can’t understand what happened between my highness and me!

Unless his highness pushes me away that day, I will not let him out, and I will never allow him to look at other women.

You have told me so much, but you want me to help you get your Highness's favor. Don't waste your time. I won't promise you. "

She's not a fool to push her man to another woman?

Does Annie really treat her like that?

"You don't listen to my advice now, you will suffer later!"

Annie clenched her teeth and snorted, holding Jennie's arm. "Princess, let's go, leave her alone."

Wenqiao's ear was close to the door. Listening to the footsteps outside, he went farther and farther. He cried anxiously, "Hey, don't go. Please open the door for me. I have something urgent to tell your highness."

Bernie came downstairs and said helplessly, "madam, why are you doing this? Your highness is very angry. He won't show up for anything you say now. Don't waste your efforts. "

"Manager Bernie, how's the senior? Where did your highness get the seniors? "

Bernie sighed: "master Xu is OK, but you must not premise him under the hall, otherwise your highness will only be more angry."

Wenjo pursed her lips.

She knows about Yabei, who is angry now and won't listen to any explanation.

Moreover, the more anxious she was, the more uncomfortable he was, which was counterproductive.

“Bernie, I have something very important to tell your highness. Please let me know.” Asked winjo.

Chapter 587

Bernie said helplessly, “tell me? I’ll pass it on to you, too!”

Wenqiao bit his lip and hesitated for a moment. “No, it must be told to your highness.”

You’d better tell ABI about city B yourself.

It’s not that she doesn’t believe in Bernie. It’s complicated. She’s worried that she won’t be able to explain it clearly.

Bernie no longer reluctantly, “well, your highness just went out. I’ll pass it on to you when your highness comes back.”

“Going out?” Wenqiao looked out of the window at the dark sky and frowned. “It’s evening. Where else is he going?”

“This I don’t know. Your highness didn’t tell me

“Thank you, manager Bernie!”

“This is what I should do, madam. You’ve been working hard all day. Have a good rest!”

Bernie looked a little hesitant and said: “madam, Bernie relies on the old man to persuade him to have a good talk with his highness calmly.

You also know his Highness’s temper. Since he was with you, his temper has changed a lot. But after all, he is the prince. He may not be able to bow his head for anything.”

“I know.” Wenqiao frowned and sighed, “don’t worry, manager Bernie.”

“If Madame knows, Bernie won’t disturb.”

It was not until late at night that Yabei came back from outside with a chill.

It’s late autumn, the temperature difference between day and night is big, and the temperature at night is only a few degrees.

All the servants had rested except the guard on duty, and Bernie was still waiting in the hall.

Hearing the sound of the car engine, Bernie quickly opened the door and opened the door of the rear seat.

“Your Highness, you are back!”

Yabei’s slender steps, coming down from the car, are full of coldness.

Handsome eyebrows, with a thick tired.

Bernie took a coat in his hand and put it on Yabei. “Your Highness, Mrs. Wenchao wants to see you. She says she has something important to tell you.”

Smell speech Asia North originally gloomy facial expression more chilly, dark Mou son, facial expression is indisputable.

What can she do that matters? It's just that he let her go.

Instead of answering Bernie's question, he said, "her senior, let him stay in the side hall and treat him well."

Bernie was stunned and said, "yes, after all, he is not a member of our country. If he is found out, he will be in trouble."

At the same time, I feel in my heart that your Highness has really changed a lot.

For the sake of winjo, he can treat his rival calmly.

Yabei came to Wenqiao's bedroom, steady pace with a trace of slowness, stood at the door, and finally gently opened the door.

The sound of footsteps was hidden on the heavy blanket without a sound.

Then, the soft big bed sank on one side.

Yabei looked at the woman who was sleeping with her pillow in her arms. She sighed in her heart.

The bony fingers raised and touched her face gently.

In the dark room, the beautiful white moonlight is thrown into the room through the complicated and elegant curtains.

Shine on a woman's delicate face.

The room rang out a burst of helpless low sigh, “silly girl, how can you not understand my mind?”? You have to make me angry

First Anthony, and now Xu Tianyu.

Didn't she know that he would be jealous, too?

He has forgotten their past. His feelings for them are blank. He doesn't know the extent of their previous feelings.

So He's just flustered!

He can't help comparing those people Would it be more important than him in her heart?

“Silly girl, what do you want to do, you can only put all your eyes on me!”

In the dark, Yabei said, with a beautiful face like sculpture, and laughed at himself, “if I don't allow you to associate with those people, you will be angry with me again?”

His warm fingers are like a feather on his face, tickling.

The man on the bed waved and turned over, shrinking more tightly.

“Cold?” Yabei immediately tightened his eyebrows and asked softly.

But Wenqiao was too tired and too sleepy to answer him.

Yabei helped her to tuck in the corner of the quilt, and raised the temperature of the room's heating. Then she took off her shoes, clothes, and gently hugged her.

Wen Qiao smell familiar taste, even in sleep, also don't forget to drill into his arms.

Nephrite in Huai, North Asia but not many pajamas.

Drooping eyes, looking at her sleeping appearance, whispered a sigh in her ear and talked to herself.

"Actually I'm not angry with you. I'm just angry with myself."

"I shouldn't have forgotten you..."

"But You can't make me... ""Even if I know I'm wrong, I need time to reflect and to adapt!"

"I know that in the time when I didn't show up, Anthony and Xu Tianyu helped you a lot. Your feelings towards them are very special. I shouldn't stop you from communicating with each other!"

"But I'm a man. I don't want your eyes to stay on any man. Then I'll be jealous. Do you understand?
Little fool

He babbled a lot, in response to the snoring of winjo.

"Aj ~ ~"

with a heavy sigh, Yabei hugged Wenqiao for a few minutes and closed his eyes.

Wenqiao had a deep sleep. She felt a warm embrace and hugged herself tightly, dispelling the restlessness and troubles in her sleep.

She opened her eyes slowly and reached for something warm.

All of a sudden, the whole person was sober.

She suddenly opened her eyes, looking at the smooth and sexy chest muscles and eight complete abdominal muscles of Yabei.

Up the line of sight, that abstinence Department of the handsome face, eyebrows closed, like a prince out of comics as perfect.

“Er...”

Blood gas upwelling, feel something in the nasal cavity flow out, Wenqiao no backbone to spray nosebleed.

This guy, why don't you get dressed when you sleep?

With a low curse, Wenqiao raised his head and reached for a paper towel from the bedside table.

But in this way, I couldn't see the position beside me clearly, so I stepped on it all at once.

“Ah Winjo was so frightened that she fell uncontrollably to the foot of the bed.

Yabei suddenly opened his eyes, flashed, firmly caught Wenqiao, and successfully acted as a human flesh cushion.

Wenqiao opened his eyes and gazed at the man under him. “I was scared to death just now!”

She is pregnant now. If she falls down, the consequences will be unimaginable.

Yabei knocked on the back of his head, and suddenly felt something warm dripping on his face.

Regardless of the pain, he suddenly opened his eyes and was shocked at Wenqiao's face.

“What’s the matter with you, Joe? Where did it hurt? “

Chapter 588

“Ah?”

Wenqiao suddenly remembered that he was still bleeding.

It’s so humiliating. I was seduced by a man to have a nosebleed, and I was caught.

She blushed, choked her neck and explained, “I didn’t!”

“Nothing?” Yabei frowned. He was afraid that he was not stupid. Junlian was worried. “You’re bleeding. Don’t you know? Did you get hurt somewhere? Come on, let me see! ”

Winjo was so embarrassed that he wanted to find a hole in the ground.

Avoid the hand that North Asia extends to come over, force to pretend calmly to climb up from North Asia body.

He pulled a piece of paper into his nostril, glanced at Yabei’s naked upper body, and immediately moved away like a guilty heart.

“I’m fine. I’m fine.”

“Are you...” Looking at Wen Qiao’s little white face gradually climbing up the rosy clouds, Ya Bei looked down at himself and said: “you don’t have Nosebleed because you peep at me, do you?”

“How can it be? There’s nothing wrong with it Wenjo immediately denied it.

I can’t admit it when I’m so ashamed!

“Is it?” Yabei has a long ending, with a little bit of banter.

Staring at her shameful appearance, her teeth swept gently at the root. Suddenly, with a smile, she grabbed her hand and put it on her eight perfectly tight abdominal muscles.

“I’m your man. You don’t have to peep. You can look at it openly, not only but also touch it.”

“Ah That ambiguous tone, color gas full of action, Wenqiao face more red.

Small hands like being burned, guilty like hands back, “I want to get up!”

Then he ran away like that.

But he was caught by Yabei and reprimanded coldly: “don’t move! Do you really think you can get nosebleed when you look at my abdominal muscles?”

Did you see less before? No nosebleed!

“Ah?” Wen Qiao is stupefied, does not understand ground to look at Asia north.

Then he thought of something and puffed up his cheeks angrily. “You just teased me!”

Yabei put away his joking expression, and a trace of worry flashed through his gentle eyebrows. "I'll let the doctor show you later. It should be angry."

"Oh..."

Sweat, still think oneself so useless, originally was on fire.

In the early morning, I forgot my business.

Yabei rang the inside line, "call the doctor to come home and give Wenqiao a good check."

On the other end of the phone, Bernie was very nervous. "What's the matter, madam?"

"I only know after seeing it. You should be careful and take care of her in the future."

"Yes, your highness."

Wenqiao has gone to the bathroom to wash himself. Yabei is worried. He just wants to go to the bathroom, but he hears a knock on the door.

"Are you up, your highness?"

At the door came the voice of Tiya.

Last night, he didn't go home until late at night. TYA took him to visit the families close to the ONO family one by one.

Yabei looked at the bathroom and finally walked towards the door.

"What's the matter?" The voice is cold, without much emotion.

Even though Tiya is trying to please him now, she is really making up for her regret of abandoning her, but Yabei still can't let go of her heart.

Of course, it's not good for TYA.

Tiya's heart flashed a touch of injury, but this did not hit Tiya's good interest.

"BEI'ER, I told you last night that I'm going to take you to meet a very important person today. Don't forget."

"I see."

With that, Yabei turned back to his bedroom.

Before the door was closed, TYA took a blind look inside, just to see wenjo come out of the bathroom.

Hook the lips, the expression on the face becomes interesting.

Abel clasped the back of her head, raised her chin with one hand, and examined her nose carefully.

"Anything else?"

"It's OK. There's no bleeding."

"I asked Bernie to call a doctor for you. Wait a minute, let him have a good look at you!" Yabei's uneasy advice.

"I see!"

Yabei said nothing more. He went into the cloakroom and changed his clothes.

Wenqiao looked at his movements and asked, "Your Highness, are you going out now? Isn't it a day off?"

It's hard enough to take a day off for half a month. I didn't expect to go out today?

"Well, when you go down to meet very important people, you stay at home. I'll try to come back as soon as possible and take you to the seaside to relax."

Winjo was stunned.

I thought I had time to stay with Yabei today, but he was in a hurry to go out. She had something to tell him!

"Wait a minute, your highness. I have something important to tell you..."

Yabei frowned. "What can I do when I come back?" "Your Highness..." Winjo still wants to talk.

With a little impatience, Yabei interrupted again, "well, when I come back, I'll promise you anything you say!"

What she's going to say is to let her senior go, right?

When he comes back, he can promise her anything she says!

Wen Qiao clenched her lips, and Yabei said that. No matter how ungrateful she was, she would not let him go.

Small face barely squeeze out a smile, helpless way: "good, go back quickly, your business is important."

In this way, Yabei's frowning brow finally stretched out a little, holding Wenqiao's small face and pinching it. His low voice was dumb.

"Be good at home. Eat more during this time. If you don't want to eat something made by Liz, we won't eat it. You can eat anything you want."

When he heard that she fainted because of malnutrition, he couldn't express his remorse in his heart.

This period of time is really too busy, ignored her.

She always does not like to show her weak side and carry everything in her heart.

He asked the doctor, said that early pregnant women easy to vomit, these he did not know.

Thinking of this, he would like to do nothing but stay with her.

Unfortunately, for them now, this is just a distant dream.

"When it's over here, I'll take you wherever you want to go."

Yabei went to the door, stopped and said to her.

Wenqiao stood by the bed and watched him leave. Unexpectedly, he suddenly said such a word to himself.

Wen Qiao nose a sour, in front of blurred, swallowed throat, forced to suppress the untimely mood.

"Well, go and do it quickly!"

When is the end of everything here?

She can see that he wants that position, he wants to be on top of thousands of people, he is born king, like to conquer, how can he stop for her?

“Go, get busy!”

Yabei’s sexy lips lift and turn to leave.

If he doesn’t leave again, he’s really worried that he will be reluctant to leave.

This girl always makes him uneasy.

Wenqiao watched Ya Bei’s back disappear at the door of the house, and the whole person was empty. Thinking about B city, the whole person fell into uneasiness again.

Anne was upset.

I couldn’t sleep all night. I got up early in the morning and watered the flowers on the balcony.

Just as she was about to get up, the corner of her eyes saw that Yabei and Liz came out of the gate one after another. Liz followed Yabei into the car.

Anne’s slender willow eyebrows twisted slightly in doubt.

“Liz? Where is your highness taking Liz? “

Chapter 589

She was stunned for a moment, then put down the watering can and rubbed her eyes in disbelief.

She can't be wrong, can she?

How could your highness be with that ugly old lady Liz?

There must be something hidden about it. Annie is excited!

Cunning eyes a turn, grab a mobile phone dial a phone out, "with a person."

Two hours later, Annie got a call back from the man.

Listening to the phone report, Annie's eyes were wide open. She couldn't help rejoicing, as if she knew something terrible.

"Well done. I'll put ten million on your card right away."

Annie hung up and wished to tell the news to winjo immediately.

Hum! Isn't your highness just spoiling you?

I'll show you how he's dating other women.

Let her have a good experience, the higher you stand, the heavier you fall.

Wenjo was sitting in the room, his eyelids dancing as if something was going to happen.

When Annie came to knock, winjo was standing in front of the French window and looking out of the window.

Yabei is a man with a strong sense of time. He said that he would come back to take her to the seaside to relax. But it's almost noon. Why hasn't he come back yet?

Is something wrong?

Wenjo's unspeakable worry.

Just then there was a knock at the door.

Thinking that Yabei was back, Wenqiao ran to the door in surprise and opened the door. "Your Highness, you come back..."

"It's me!"

On Annie's cold face, Wenqiao's smile froze. "Annie, how are you?"

"You think it's your highness? Unfortunately, your highness is having tea and chatting with the beauty, so he has no time to accompany you! You, your Highness has no interest in you for a long time

Annie covered her mouth and chuckled.

Wen Qiao's face is a tiny white, "you don't talk nonsense here, your highness is not such a person!"

"Tut tut! Wenqiao, I say you are stupid. You are really so stupid. Do you really believe that a man as noble as your highness will devote himself to you? "

Wenjo's heart suddenly tightened and the fingers on his side held together.

But he pretended to be calm and said, "I believe your highness, you don't need to gossip in front of me!"

"Since you don't believe it, I'll show you!"

Annie especially wants to break the disguise of Wenqiao's calmness. She can't wait to know what she looks like when she sees Yabei intimate with other women.

She was excited at the same time, in the heart of a doubt, that Liz in the end is who? How can you let your highness go to such a place?

What a shame that old woman is!

If you know that your highness is pulled away by this old immortal, Wenqiao's face must be wonderful.

If she remembers correctly, this old man was left by Wenqiao himself.

Annie can't wait to see the big play. She takes Wenqiao and leaves, regardless of Wenqiao's resistance.

"I won't go, you let me go!" he struggled, holding the doorpost

Anne's eyes turned and she let go of her hand.

"OK, you're pregnant now. I'm talking to you like this. If there's something wrong with the child, I can't bear the responsibility."

"What on earth do you want to do?"

Wenjo was sorting out her clothes, a little annoyed.

Annie's hands were around her chest, and her beautiful little face was slightly provocative. "You don't go because you don't dare? Are you worried that I'm telling the truth?"

"No!" Wenqiao said firmly, "I believe your highness, your highness is definitely not such a man!"

“It’s a pity that you don’t go.”

With that, Annie said nothing and left on her high heels.

Wenjo knew she shouldn’t believe Annie, but she couldn’t stop her curiosity.

“Wait a minute, where is your highness?” he asked

Annie stopped and sneered, “I thought you didn’t really care? It turns out that those high sounding words just now are deceiving.”

“.....”

Wenjo didn’t think Anne was being kind and frowned slightly.

Annie leaned up to Wenjo’s ear and said, “by the way, guess who your highness took out just now?”

“Who?”

Looking at Annie’s proud look, Wenqiao’s face suddenly flashed in front of her eyes.

Women’s sixth sense is sometimes terrible.

Annie smiles mysteriously, “a person you can never guess...”

Before Annie had finished speaking, she was interrupted by Wenqiao and said definitely, “it’s Liz!”

“.....” Annie was stunned. “How do you know it’s Liz?”

Liz is an old woman. She usually walks with her head down. She can't see any place for her highness to look up? There was something wrong with winjo's conviction that she was Liz.

"Congratulations! Your highness is now at No.18 Tianxiang street. Just go and have a look!"

Tianxiang Street

When Wenqiao came downstairs, Bernie came to her with Dr. Fu.

"Madam, your highness told me to ask Dr. Fu to examine you. Let's go over there."

Bernie pointed to the rest room.

Wenqiao had doubts in his heart, and could not wait any longer, "I'm ok, my own body, I know, the weather is dry and inflamed, you take me to 18 Tianxiang street."

"....." Smelling speech, Bernie looked at Wenqiao suspiciously and asked, "madam, are you talking about 18 Tianxiang street?"

"Yes, that's it."

Bernie frowned almost imperceptibly, and looked at winjo, and said nothing.

What does Madame do in that place?

But Wenqiao is the master. The master says that what he wants to do is what he wants to do. He doesn't dare to ask any more.

The car stopped steadily in Tianxiang street, and Wenqiao finally understood why Bernie looked at him like that just now.

Tianxiang street is called Tianxiang because the whole street is full of fragrance.

With a strong smell of rouge powder.

In Liluo, clubs are legal.

All operations in the club are legal.

Tianxiang street is known as the paradise of men in Liluo, and it is also a nightmare for women.

Men linger on the ground and don't want to leave.

Wenjo's heart beat faster.

What does Yabei bring Liz to the club for?

Thinking of this, Wenqiao's original uneasy heart became more uneasy. Standing at the gate of the 18th, looking at the flashing neon lights in front of him, his heart jumped nervously to his throat.

"You say, do men like new things?"

She asked Bernie, who was standing behind her.

Bernie didn't understand what winjo wanted to do just now, but he probably guessed it.

Frowned, some embarrassed way: "madam, men sometimes act on occasion, don't take it too seriously."

During this period of time, the whole Duchess of Duchess of China saw his Highness's love for lady Wenchao.

I didn't expect that your highness could not escape the habit of being fond of the new and tired of the old.

"Madame, let's go back?"

Chapter 590

Bernie knows the character of Abei. If they rush in so rashly, they will make his highness angry.

In the state of Liluo, Wenqiao's behavior is a man's taboo.

Her rash appearance will make your highness lose face.

"Bernie, let's go in and have a look."

Venjo took a deep breath, tightened his fingers, and stepped inside.

Bernie couldn't stop her, so he had to follow her.

At the front desk, the beautiful woman gently asked, "do you have an appointment?"

Winjo stopped and looked into the club.

In the hidden corner, in broad daylight, there are men and women entangled together, extravagant and licentious, ugly.

“Which room is the third prince in?” Wenjo heard himself speak with difficulty.

The beautiful woman was stunned for a moment, looked up and down at Wenqiao, and then said: “all the guests here are equal. I don’t see any third prince.”

The privacy of customers here is very high, and the woman in front of her is fierce, so she can’t disclose the real information.

Wenqiao ignored the obstruction and walked inside.

The woman sees her to lift a foot to rush toward inside, quickly block in front of her, threaten a way: “young lady, you can’t go in, again forward rush, I am not polite.”

“Get out of the way!” Wenqiao looked at the woman fiercely, “I have your Highness’s child in my stomach. If you can afford the consequences, you will stop me!”

“This...”

The woman looked at her still flat abdomen, but just now the third highness entered the room, she knew that this woman would not really be pregnant, right?

If so, she can’t bear the consequences of anything.

Wenjo pushed the woman away and went on inside.

The woman refused to tell her which room Yabei was in, so she searched room by room.

Finally, in the most secret private room at the end of the corridor, she saw Yabei’s figure.

He sat with his back to the door and could not see his face, but he could see the woman's face clearly.

Liz!

There is something fishy between them!

It's ridiculous of her to leave her regardless of Jennie's objection. As a result

She raised her hand and tried to open the door.

But his hand on the door stopped again.

The next second, she suddenly tightened her fingers and turned away.

Bernie looked at her sad look, hesitated and said: "madam, don't be sad, your highness may go there to talk about things, and, men are so normal, you just look at it."

During this period of time, the servants of the Duchess all felt a sincere love for the lady who was close to the people.

Wenqiao looked up at the sky and forced the tears in his eyes back.

"Thank you for comforting me. It's OK. Let's go back."

Bernie is right. It's too common in Liluo.

When wenjo returned to the Duke's house, Annie was sitting on the couch in the garden at the door, basking in the sun.

Seeing Wen Qiao's dejected look, he gloated and said, "Hey, are you back so soon? Have you found your highness?"

Wenjo, with no expression on his face and ignoring Annie, went straight upstairs.

Seeing that she ignored herself, Annie gritted her teeth and jumped down from the reclining chair. "Hey, stop here. I'll ask you something."

No matter how she jumped, winjo didn't look back.

Annie, looking at her bewildered appearance, drew her lips with pride, regardless of her attitude of ignoring her.

Liz is really good at taking her highness to such a place

The cell phone on the couch rang, and Annie answered, "do you have it?"

"I'm sorry, madam. We can't find out about this person."

"No?" Annie put away her casual expression and looked dignified.

When she hung up, Annie fell into thinking.

Can't find just explain the problem!

It seems that she has to tell her father about it!

It wasn't long before Wenqiao returned to the Duke's house that Yabei returned.

Although she was lying in bed, her ears were listening to the movement outside the door.

Listening to the sound of the car engine, her heart beat fast uncontrollably.

She covered her heart and tried to calm it down, but it didn't work.

How should she face him when Abei comes back? Should we question him?

In the mind disorderly thought, waited for most half an hour, also did not see Asia north to come upstairs.

She was even more restless.

In the past, Yabei didn't see her at the first time when she came home, so she would get angry. This time, she didn't go upstairs immediately?

She got up with the quilt in her arms. Just as she was ready to put on her shoes, the door of her bedroom was pushed open. Aman came in in a hurry and held her anxiously, "madam, you go down to have a look, your highness Your highness is back

"When your highness comes back, why are you so anxious?"

Wen Qiao's heart is a tight, suddenly thought of a bad idea, "is your highness hurt?"

"No! No

Aman's face turned red. His wife loves his highness so much. How can I tell you the news.

Wenqiao looked at aman's appearance, guessed a seven or eight points in his heart, but calmed down, "aman, you say it, I'm ok."

“Oh, your highness Your Highness has brought a woman back!” Aman is speechless.

“.....”

Wenjo’s heart suddenly tightened and sank.

This woman must have been the one who had just been in the club. Besides Yabei and Liz, there was another woman in the room at that time.

It’s just that the woman is sitting behind the door. She doesn’t see her.

“Madam, the princess and the side concubine are all downstairs. Go down and have a look!”

“Go down and have a look?” Muttered winjo.

She should go down and have a look. Why does Yabei take other women home?

But what can we do? What can she do?

“Ma’am, let’s go!”

Wenqiao is like a puppet carrying string. She is led downstairs by aman.

When walking to the hall, Yabei came back from the side hall and saw her. Her elegant eyes flashed a little flustered, but soon disappeared.

Strode up, hugged her waist, “why did you come down, why didn’t you stay upstairs?”

Why don’t you stay upstairs?

Does he really think she shouldn't come down? Don't want her to see the woman he brought back to the mansion!

"Your Highness Who did you just bring back?" Wenjo swallowed his throat, grinned and spoke carefully.

"Joe, I..."

Yabei put Wenqiao's expression under his eyes and pursed his lips. Just as he wanted to open his mouth, he was interrupted by a thick voice behind him.

"Your Highness, it's all arranged. Alan likes it very much!"

A LAN

It turns out that the woman your highness brought is a LAN!

Nice name.

Wenjo stares at Abel to see how he reacts.

Yabei felt Wenqiao's sight and looked down at her. His voice answered vaguely, "HMM."
