

Passionate 701

Chapter 701

Old house.

After Li Fengbei and Wen Qiao left, Li mingjue put down his dishes and left the restaurant.

From the beginning to the end, his eyes did not fall on Yu Qing.

Yu Qing was so sad that she bit chopsticks and chewed rice grain by grain.

The old lady looked in her eyes and sighed deeply, "Qing'er, do you have something on your mind? If you believe your mother, can you tell her what's on your mind?"

"Mom, I'm fine." I'm just a little sad.

The old lady said, "I can tell what happened just by looking at you? Children, don't always put everything on your own. Sooner or later, you will be unable to bear it and collapse. You should remember that there are many solid backing behind you."

"Ma!"

Smell speech, language Qing suddenly collapsed to cry out.

Mom, Joe, and nephews No matter which one, she would not give up.

But she promised Wang Wei. Now that her elder brother is president, she can't break her promise.

“Alas

The old lady got up, gently hugged Yu Qing, patted her on the head and comforted her: “don’t cry, baby! Remember what I told you last time? I promised you that no matter what decision you make, I will support you!”

“Mom!”

Yu Qing lay down in the old lady’s arms and began to cry sadly. “My elder brother and I can’t be together. I promised someone else...”

The old lady was surprised, “Qing’er, what did you promise others?”

Yu Qing wiped the tears on her face and said, “Mom, do you remember last time? Three days before the election, you and your elder brother were talking in the study. Actually, I stood at the door that day, and I heard them all.”

“What? And then what?”

The old lady thought of a possibility and her heart beat suddenly.

Yu Qing had stopped crying. “Wang Wei and I have been acquaintances for a long time, so I went to beg him.”

“He put forward some conditions?” Asked the old lady, with a flash of affirmation on her face.

The old lady must be angry when Yuqing knows that she is in charge.

Hesitated for a moment, then gently nodded his head.

“I promise to leave my elder brother completely after he wins the election!”

“You’re so good!” The old lady pointed at Yu Qing, and could not find any words to scold her. “How can you be so confused? You know that the child of mingjue has been waiting for you for the first half of his life. How many years do you want him to wait for you?”

Speaking of this, Yu Qing’s heart began to cramp.

“I know. I’m sorry, brother! But there is no way, I am in the border Seeing that he has put so much effort and painstaking effort into this election campaign, I can’t let all his efforts be wasted, or even have no qualification to participate in the election campaign. It’s very unfair to him!”

“But do you know what the Baron wants most? Do you know what he told me when he told me he wanted to run for president?”

After listening, Yu Qing’s heart closed more tightly.

She knew that what big brother said must have something to do with her.

The old lady sighed and then said, “he knelt down in front of me and begged me to take you back from Jun yechen. He said you are not well and Jun yechen doesn’t cherish you!

Jun yechen is the president of our country, the most honorable person. If you want to take you away from such a person, he can only make himself strong and stand in the same position as his opponent, so that he can have a little chance.

Maybe he has always been an aspiring person, and does not deny that he will be a good president!

But his original intention, he never for that position, but for you

The old lady seemed to be several years old at once. She wiped her eyes and choked in her voice. “He has grown so big that he has only knelt in front of me twice. Once, she begged me not to marry you to Jun yechen. Once, this time, it’s all for you! But now you say, how can you make him stand if you want to leave him?”

Yuqing has been crying for a long time. She knows that the elder brother is still the one who will be desperate for her.

But She knows what Wang Wei is.

He is now the chairman of the election Supervision Committee and the chief cabinet officer. To put it bluntly, he is a post to supervise the president's behavior.

Offending him is definitely not a good thing for big brother.

And Wang Wei is a man who is strict in his work, but not pedantic in his work. He is a man who does not look at his face at all. He is dedicated to the interests of the country.

Yu Qing was once Jun yechen's wife, but also with the show of love all over the world, suddenly divorced, in the twinkling of an eye with the next president.

This kind of thing does not happen to ordinary people, but when it happens to the president of a country, it becomes a big problem.

The president, in a way, is the image of the country. The appearance of such a stain on this spokesperson is not good for the image of the whole country.

Naturally, the old lady knew something about Wang Wei and the importance of this to her son.

But at her age, she has long been open to everything.

A lot of things, to care about, until the eyes closed, everything is empty talk.

So when you want to do something, and when you can do something, you must seize the opportunity.

“Qing’er, have a good talk with the famous Baron! There must be a solution to this matter!”

Yu Qing sniffed and nodded heavily, “OK, I’ll discuss it with elder brother!”

Li mingjue has never come out since he shut himself up in his study.

Yu Qing didn’t plan to marry Li mingjue at the beginning, not only because of Wang Wei, but also because she felt shameless.

After all, big brother is the president of a country. Even if the people of Ningguo don’t say it, what about the foreigners?

Do you have to endure the ridicule of others when you are sent to other countries?

She followed her brother silently, and she was satisfied to see him every day.

But the elder brother proposed to him again and again, and he didn’t give up if she didn’t agree. How could she enjoy his care with ease?

All afternoon, Yu Qing was listening to the study.

As long as there were footsteps in the corridor, she could not wait to open the door, but she was lost every time.

Li mingjue didn’t go out of his study all afternoon. He didn’t even go downstairs for dinner.

Looking at Yu Qing’s dejected appearance, the old lady patted her hand and encouraged her: “men are all arrogant! He won’t be angry if you send him some food by hand later.”

With that, the old lady turned her eyes and said a few words in Yuqing’s ear.

Yu Qing's face flushed, biting her lips, and answered with embarrassment, "well."

Looking at Yu Qing's reaction, the old lady was deeply gratified. An old face was smiling so much that all the wrinkles came out. She waved her hand in a good mood, "go, go!"

"Then I'll go."

Yu Qing goes to the kitchen briskly and prepares food for Li mingjue again.

Looking at Yu Qing's back, the old lady raised her lips and said to herself, "son, I can only help you here!"

Chapter 703

As soon as I lay down, I felt a pair of water snake like arms wrapped around me.

Li mingjue's eyebrows were awe inspiring. Driven by conditioned reflex, he reached out to push away the woman.

But I don't want to touch a large area of greasy skin.

The people under his command are as slippery as a smooth fish.

Over the years, many people have sent women to his bed, but this is the first one who dares to send them to Li's old house.

"Who?"

Li mingjue's face became ugly. Turning over was like turning on the bedside lamp, but he was held down by a pair of soft hands.

The woman's nervous voice trembled, "brother, don't Don't turn on the light..."

Yu Qing is about to cry nervously. She thinks that she has made enough psychological preparation, but she is still so nervous that she shivers.

So active oneself, even oneself can't help but want to find a hole to drill into.

But the elder brother was very worried about what happened in those years. If she didn't take the initiative, he would never touch her in his whole life.

And the old lady said, mainly He'll take it easy!

Thinking of this, Yu Qing summoned up courage, raised his body by the weak light, and touched his lips.

When Li mingjue heard Yu Qing's soft voice, his back was crisp, and he was stunned.

But what surprised him even more was that she would take the initiative!

"Qing'er?"

Li mingjue frowned, not surprised, but such a surprise came too quickly, too suddenly.

He stretched out his hand to push away Yu Qing, but touched her waist, smooth, whole body, eyes all dark.

It's like turning on a taboo switch, and the wild beast is released from its cage.

The sexy Adam's apple rolls up and down, and the hoarse voice makes people feel numb. "It's your own initiative. Don't regret it!"

Although I can't see the big brother's expression clearly, the strong aggressive atmosphere poured out, which made her subconsciously want to escape.

That night twenty-five years ago, even after a long time, she still remembered it vividly and her legs trembled with it.

Unfortunately, there is no time to escape, a whirling, two people changed a position, tall man negative in her body.

"Big Big brother..."

Yu Qing closed her eyes tightly, her long eyelashes were like two butterfly wings, constantly trembling.

"Qing'er, I'll hurt you. Don't be afraid."

Li mingjue leaned over and gently kissed her shaking eyelashes.

He knew she was afraid.

That night's tragic experience, not only her, he also engraved it in his heart.

This time, he will take good care of her.

Feeling that Li mingjue was comforting her, Yu Qing relaxed gradually, but still asked: "brother, you Will you be gentle?"

“I will! Don’t be afraid of me

Although Li mingjue endured to the extreme, he still appeased her patiently.

This night, the night is still very long, and he is the most patient hunter, tonight must give her a different experience.

.....

The next morning.

The golden sun broke through the sea level, blooming the first ray of light in the morning.

In the garden, the unknown birds began to chirp.

The warm yellow golden light shines on the sleeping people through the heavy European curtains.

Li mingjue narrowed his eyes and looked lazily at the woman in his arms, like a satisfied cat.

The woman’s small cheek is red, and there are crystal tears on her eyelashes.

He hugged her tightly for a few minutes, and bowed his head to kiss her bright forehead. He could not express his love in his heart.

He keeps fit all the year round and is in good health. In addition, he has been abstinent for so many years for her. At the beginning of last night, he was a little modest, but later he couldn’t control it.

Yuqing was really tired. Seeing that he was kissing himself again, he didn’t open his eyes, so he hid his face in the pillow.

“Brother, I’m so tired!”

Li mingjue swallowed his throat and looked at her in a funny way. “Go to sleep. I won’t touch you again.”

“Er ~ ~”

with the man’s guarantee, Yuqing falls asleep in one second.

At 8:30 in the morning, the old lady looked at the empty restaurant, took off her reading glasses and put down the newspaper.

Looking at the wall clock, he said to Hua Guanjia, “let’s have dinner.”

“Not waiting for Mr. and miss?” Flower housekeeper doubts.

Mr. and miss usually get up on time, and Mr. has the habit of running in the morning.

But today, the sun has been basking in the buttocks, and there is no movement!

These two children are grown up with the help of flower housekeeper. They really love each other.

“Wait a minute, the food is getting cold, I’ll go up and wake them up!”

As soon as the old lady heard this, she called to her in a hurry, “come back to me! Don’t go” Ah?” Flower housekeeper doubtfully blinked an eye, “how?”

The old lady showed a mysterious smile, “if you don’t go, don’t go, listen to me!”

Flower housekeeper with the old lady for decades, the old lady a look, she immediately understand, immediately happy.

“I see. I’ll make two more soups myself.”

The old lady looked up the stairs and said with a smile, “don’t worry! It’s OK to go later. It’s estimated that they won’t get up for a while and a half.”

“Yes

The flower housekeeper waited on the old lady and happily finished her breakfast. He assigned the servants out of the house. Don’t disturb the rest of the husband and the young lady. The two old men helped her out for a walk.

“Ding Ding Ding!”

At nine o’clock in the morning, Yu Qing’s hand on the bedside table rang.

Yu Qing sleeps in a daze, turns over in Li mingjue’s arms, mutters something, and then goes to sleep again.

Li mingjue looked at her tired appearance and reached for her mobile phone. He wanted to press it, but found that the note was an express service number.

Thinking of something Yuqing had bought online, Li mingjue connected the phone quietly.

“Hello? Who are you looking for? ”

“Hello, is that Ms. Yuqing?”

Li mingjue looked at the woman with her eyes in her arms. He couldn’t help raising his lips and whispered, “yes!”

“You have an express delivery. I have arrived at your door, but there is no one in your house. Could you please come back immediately?”

At home? Express? Nobody at home?

“Wait a minute, I’ll be right down.”

Li mingjue let go of Yu Qing and gently lifted the quilt to get up.

Dressed, casually put on a pair of slippers, then went downstairs.

This just discovered, in such a big villa, the room is quiet, unexpectedly nobody.

Open the door.

The courier looked at a lazy and sexy man in a housecoat with slippers on his feet. For a moment, he didn’t connect the man in front of him with the grim, dignified and elegant next president on TV. He just felt a little familiar.

When I finished signing the list and walked out of the door, I patted my head.

Isn’t the person who signed for the express delivery to Yuqing just now the next president Li mingjue?

They really live together!

Li mingjue looked at the express bill in his hand. The gorgeous package was tied with a red ribbon. At first glance, he thought it was a gift.

A closer look, the lower right corner of the location of a prominent reflection of the airline logo.

Thinking of the last time Yuqing quietly bought a ticket to leave, Li mingjue felt a knot in his heart. He quickly untied the red ribbon and opened the small package.

It was a ticket.

Looking at the name above, Li mingjue's fingers holding the ticket turned white because of exertion.

He strode up to the bedroom.

With a bang, the bedroom door opened.

Hearing a loud noise, Yu Qing wakes up from her sleep, rubs her confused eyes and looks at the door.

Against the light, a man's handsome face is not very real.

The voice of soft Nuo Nuo, the ending up, "big brother, what happened?"

"....." The green veins on Li mingjue's forehead beat faintly.

How dare she ask herself what happened?

It turned out that last night, I took the initiative to throw myself in my arms. My unprecedented enthusiasm was that I wanted to leave him alone after a long night with him.

As he approached, the evil expression on the man's face gradually became clear under his eyes.

Yu Qing shivered for no reason. He was so excited that all the sleepers ran away!

She grasped the quilt and asked, "brother, what's the matter?"

Li mingjue strode into the room and patted his ticket on the sheet.

Yu Qing with his action, drooping eyes, in see the Yellow ticket on the sheet, the whole person is stunned.

Flurried, he began to explain, "brother, it's not..."

"Not what?"

Li mingjue clenched his fingers. His anger was like a volcano about to erupt. "Isn't that your idea? Last night, I took the initiative to throw myself in my arms. Did you feel that I was very proud of you refusing other women for so many years? You think I'm pathetic? So last night was my reward for so many years?"

Li mingjue's words made Yu Qing's face turn white and her eyes turn red. "Brother, it's not like this! I don't think so!"

Li mingjue's dark eyes looked at her, and he was suddenly disappointed.

He wiped his face, turned to the wardrobe, turned over his clothes and threw them on Yu Qing. With a cold voice, he ordered, "put them on!"

"....." Yu Qing feels unspeakable grievance.

Before that, she did order air tickets online. She had planned to leave, but after listening to what the old lady said, she gave up the idea.

I wanted to explain to him when he was in a better mood last night, but There was no chance for her to explain last night

As she thought, she grabbed the clothes wrongly and put them on her body.

Li mingjue looked at her tears will not fall, the poor appearance, on the side of the fingers to grasp up.

Yu Qing put on her clothes and explained: “brother, I’ll listen to my explanation. I really wanted to leave before, but later Later...”

“Oh Li mingjue’s sharp eyes are full of irony.

The appearance of Yu Qing’s confused explanation, in his view, is a kind of cover up.

He won’t believe her any more!

The last time I left without a word, I almost took away his heart, this time again Always quietly give up on him!

Tired, really tired!

I don’t want to hear her nonsense to make him happy any more!

Li mingjue grabs Yu Qing by the wrist, picks up the ticket on the bed, pulls her out of the door.

The man’s legs are long, and Yuqing’s body still hurts, especially between the two legs Every step is a burning pain.

Almost half dragged forward by men.

Yu Qing had never seen such a Li mingjue. In her impression, although the elder brother was alienated from others, he was always gentle to her.

Her heart can not say the fear, struggling not to go.

“Brother, listen to me, I don’t want to leave! I can’t bear to leave you!”

“Oh

Li mingjue gave a cold hum from the bottom of his throat.

At this time, no matter what she said, Li mingjue would no longer believe it.

This woman is a living liar!

She was able to devote herself last night. Now it’s not easy to coax him with some nice words?

Li mingjue’s face was even more heavy. He took a car key in the cabinet at the door.

Drag Yuqing to the basement garage, open the door, put Yuqing into the back of the car, then he will sit in the cab.

The window is locked by remote control.

Yu Qing patted the car door in panic, “brother, where are you taking me? I don’t go! You drop me off, I’m going home!”

However, no matter how Yuqing slapped the door, Li mingjue was indifferent. The next second, the car is like an arrow off the string.

“Ah

Yu Qing leaned back and turned pale. “Brother, stop! parking! Let me down

She didn’t understand why big brother just didn’t want to listen to his explanation?

She really knew she was wrong and wanted to stay!

Can’t big brother believe her this time?

No matter what Yu Qing asked, Li mingjue frowned and said nothing.

An hour later, the car braked hard and stopped at the gate of the airport.

“Get out of the car!”

Li mingjue put on his big black sunglasses, opened the door of the back seat, and stood beside the car with a cold face.

Yu Qing looked out of the window at the familiar scenery, pulled the door and refused to get off, “brother, I don’t want to get off, I want to go home!”

“Get out of the car!” Li mingjue growled angrily.

Yu Qing reached out to close the door. “Brother, let’s go home. I don’t want to get off the car. I don’t want to leave!”

Li mingjue grabs Yu Qing’s wrist and pulls her out of the car.

“Don’t you want to leave? Go away

Before he goes back, leave.

Otherwise He really can’t help building a pair of gold chains to lock up this cruel woman, so that she can’t go anywhere and can only stay with him all her life.

“Brother, I don’t want to go, I don’t want to go!”

Yu Qing struggled desperately, beating Li mingjue’s arm.

But a man’s arm is like an iron pestle, which can’t be shaken at all.

A man’s strength came from his wrist, which was about to crush her wrist.

“Brother, it hurts. Let me go! I’m not going

Li mingjue was indifferent and easily took Yuqing to the front.

Check in, the plane to Turkey is checking in.

The beautiful stewardess looked at them and asked sweetly, “are you going to Turkey, sir, madam?”

“She’s going!”

Li mingjue shoves the ticket into Yuqing’s hand, pushes Yuqing to the air passage, and then leaves without looking back.

Yu Qing looks at Li mingjue’s heartless figure, grabs the ticket and squats helplessly on the ground to cry.

“Big brother!”

Chapter 705

“Big brother!”

Why does big brother not want to believe her?

She really doesn't want to leave him!

But big brother no longer willing to believe her, is really desperate for her!

The stewardess couldn't bear to look at the woman squatting on the ground crying.

I shivered at the thought of the man with dark glasses and cold face just now.

I think that men want to drive women away, women don't want to leave, so I cry so sad, I can't help fighting against injustice.

“Lady, stop crying! It's not worth grieving for such a man! The plane is about to take off. Are you still going

“.....”

Language Qing Leng for a while, know the stewardess misunderstood big brother.

She dried her tears and got up from the ground.

“Thank you for your comfort, but my elder brother is not that kind of man, I am not good!”

At this time, Yu Qing's face was pale, her hair was messy, and she was in a mess. No one recognized her as the elegant and dignified first lady Yu Qing on TV.

Yu Qing tore up the ticket, threw it into the garbage can, and then dragged out to the airport.

The thought that Li mingjue really wanted to send her away made her tears flow down.

Li mingjue stood behind the pillar in the corridor, watching Yu Qing squat on the ground and cry so sad that he pulled his heart hard.

This woman has the ability to make him worry at any time.

But such a woman will drive him crazy sooner or later.

Looking at Yu Qing crying enough, slowly stood up, his heart also followed high hang up.

Will she really leave?

Li mingjue didn't feel relieved until he saw Yu Qing tearing up the ticket and leaving it in the garbage can.

In just a few seconds, he seemed to have fought a hard battle, with a cold sweat on his back.

Yu Qing anxiously looks for Li mingjue in the crowd.

There are so many people, none of them is his big brother.

Thinking of her at this time, she has no money on her body and no mobile phone beside her, so it's hard to go home.

Inevitably, I thought of my brother's cold and serious expression just now. For a moment, I felt sad.

Red eyes, drooping eyes, forced to endure tears, a broken heart into a piece.

But don't want to, bow to walk of she, directly bump into the person in front.

Looking at Yu Qing's messy appearance, the man said with profound meaning: "little sister, be careful when you walk!"

"I'm sorry! I'm sorry Yuqing apologizes quickly.

At this time, a cold voice towards her hit over, "do not come quickly!"

Yu Qing looks up in surprise and sees Li mingjue standing in front of her coldly.

With that, the man turned and left.

Yu Qing was surprised and rushed to catch up, "elder brother, wait for me!"

Li mingjue has long legs. Yu Qing almost trots all the way to keep up with him.

Worried that Li mingjue would leave her at the airport, she directly opened the door of the back seat and got on the bus with a quick action.

Close the door and lock it, as if you have a sense of security.

Li mingjue's face was calm, and through the rearview mirror, he saw her movements.

The frown of this wrinkly heart, wrinkly again tight a few minutes.

Start the car, speechless all the way.

Back at the old house, Li mingjue got out of the car and ignored Yu Qing.

“Big brother! Wait for me

Yuqing quickly opens the door and follows up.

But her action was too urgent. When she got out of the car, she accidentally kicked a stone and fell.

Embarrassed lying on the ground, elbow and knee came a burst of hot pain, even lost a shoe.

But when he thought of Li mingjue’s angry appearance, he didn’t care so much, so he got up and caught up with him.

“Brother, you wait for me, you listen to my explanation!”

The old lady has come back from a walk with the flower housekeeper, and is sitting on the reclining chair at the door, eating a snack comfortably.

Just now, they were still talking and laughing. These two children haven’t got up so late. Do you want to go up and shout.

In a twinkling of an eye, I saw the two people appear in front of us.

The old lady looked at Yu Qing’s messy hair, her eyes were red and swollen with tears. She even lost one of her shoes and was limping behind Li mingjue.

That's pathetic.

Suddenly surprised, "Qing'er, what's the matter with you?"

Although the words were to ask Yu Qing, his dissatisfied eyes deeply gouged out Li mingjue in front of him.

Li mingjue's face was cold and heavy. He ignored the old lady's warning and walked towards the hall almost without stopping.

Straight up the stairs and back to the bedroom.

"You..." In that way, it is clear that his silly son bullied Qing'er, and the old lady was distressed!

Distressed to embrace language Qing, doubt ground asks a way: "how good end of quarrel?"

In the morning, two people are still in love

She was sure that Yu Qing was sleeping in Li mingjue's room last night, because she went to Yu Qing's room secretly in the morning.

Did nothing happen to them last night?

The old lady is not respected for her old age. She looks at Yu Qing's neck quietly.

At the sight of the red marks on the slender clavicle, the corners of the lips were almost imperceptible.

She took Yuqing's hand and patted it. With a sad face, she said, "tell mom what's going on? Mom, get justice for you!"

Yu Qing emptily dropped her eyes and shook her head. "It's my fault. It's none of brother's business."

She wanted to return the ticket yesterday, but she was angry with him yesterday. She put all her heart on him and forgot about it.

Unexpectedly, she accidentally wrote the address as the default address of the old house, and was also received by the elder brother.

She suffered all this for herself!

Her eyes reddened at the thought.

"Oh, don't cry, don't cry! You cry, mother's heart is broken, the ground is cold, put on shoes quickly

The flower housekeeper has brought a pair of slippers for Yuqing, put them in front of Yuqing and put them on for her.

Take language Qing back to the hall, small hand a cold.

Flower housekeeper distressed way: "how hand so cold, fast into the house!"

Yu Qing was led to the hall by the old lady and the flower housekeeper.

Wrapped in a warm blanket and steaming ginger tea in her hand, Yuqing finally felt better.

Li mingjue cleaned himself up, changed his clothes and went out with his briefcase.

Down the revolving stairs, you can see the woman surrounded by the old lady and the flower housekeeper.

I know two old people are comforting her.

The brow center can't hear the ground Cu tight a few minutes, even the cold idea of the eye eye is about to overflow the eye socket.

Hearing the sound of footsteps coming down the stairs, the three women on the sofa in the hall looked up to the stairs.

Li mingjue has come to the stairs, "mother, I'm out. I won't eat at home at noon."

The old lady looked at the briefcase in his hand and said, "I haven't had breakfast. I'll have breakfast with Qing'er before I leave."

The man's voice was very cold. "I have something else to do."

The whole person is indifferent and detached.

Chapter 706

Listening to Li mingjue's indifferent words, Yu Qing's heart pricked again.

A pair of big watery eyes fell on Li mingjue without blinking.

But the other side, until she walked out of the house, didn't even give her a look from the beginning to the end.

Fingers grasp the cup, just warm up the body, once again cold down.

Looking forward to the eyes become lost, small shoulders down, directly vent gas.

The old lady frowned and reproached unhappily, "why is this child so determined? Qing son explained with him, still put a facial expression

When he turned around and looked at Yu Qing, he immediately became amiable and said earnestly, "Qing'er, you are a good boy. Don't give him the same opinion. This matter It's true that you have something wrong. Next time something happens, don't make decisions without authorization. You must discuss it with the famous baron. The so-called husband and wife should have business and quantity, which is called trust!"

Hearing the word "husband and wife", Yu Qing blushed.

Biting his lips, he said in embarrassment: "we are not husband and wife..."

Hearing this, the old lady pretended to be angry. "You child, if you let the famous Baron listen to this, you will be angry again."

"....."

As long as they can stay by their elder brother's side and get married or not, it doesn't affect them at all, and it also saves them a lot of trouble.

She believed that her elder brother would be good to her, and she didn't care about the piece of paper or the wedding.

The old lady clapped her shoulder solemnly, "when there is a contradiction, talk about it well. Mingjue is just angry. When his anger is gone, he will treat you as well as before."

Originally, Yuqing thought the same.

He felt that Li mingjue was just angry. When he was relieved, he would not treat her so coldly.

But the next few days, he didn't go home at all, he just stayed in the office.

Even the clothes he changed were taken by his assistant at home.

Three days later, Yu Qing didn't explain to him, even his people couldn't see him.

.....

A low-key and luxurious cafe.

Wang Wei and Li mingjue sat face to face.

Li mingjue's legs overlapped, and his tall posture casually leaned on the chair, but he was graceful and gorgeous.

Between the fingers holding a cigarette, put into the mouth, smoked a mouthful, spit out a beautiful smoke.

Under the white smoke, that beautiful face, the expression is not true.

Wang Wei sat opposite and looked at the man who sat opposite and said nothing. He had no bottom in his heart.

Getting to know Li mingjue has been a matter of months since he took part in the presidential election. It took him only half a year to sit in the president's seat as a nobody or even a prisoner.

This man is really not simple!

Just a simple sitting posture, domineering cold, a look can make people bow.

Such people are called natural kings.

Wang Wei could not help showing a trace of respect and took the lead in saying: "Mr. Li, when do you think it is appropriate to hold your inauguration ceremony? Jun yechen has gone crazy. I'm afraid the handover ceremony can't be held as scheduled, but the country can't have no owner for a day. Please make a decision as soon as possible."

Li mingjue's face was light when he heard the words.

It seems that the person who is going to be president is not him, but an insignificant person.

Qu Zhi, playing the ash, the voice is cold, "we'll talk about this later. Today I'm going to ask chairman Wang to come here, mainly to ask you to say one thing."

"What's the matter?" Wang Wei felt guilty when he thought of the agreement with Yu Qing.

"I want to get married with Yu Qing first. I'll take office after the wedding."

"This..." Wang Wei's face slightly changed, "Mr. Li, although you are the next president to be, you should know that this is not the reason why you can be willful."

"Oh! "Willful?"

Li mingjue snorted coldly, as if what Wang Wei said was a funny joke.

All of his going to this position is because he wants to get Yuqing back from junyechen.

As for whether or not to sit in this position, without one of them, there will be no shortage of others.

Wang Wei felt a lump in his heart when he heard the threat in his words.

The election campaign is over, and Li mingjue has not officially taken office. It is not impossible to change a candidate temporarily at this time, but Li mingjue is the most suitable candidate.

And a natural leader.

Only such people can lead the whole country to a more prosperous era.

“Mr. Li, I don’t understand. Although Yuqing is very good, there are thousands of women in the world, and she is Jun yechen’s wife. Don’t you hate Jun yechen the most? How could he be willing to accept the woman he used to be!”

I don’t know if it’s his illusion.

He felt that his words had not been finished, and the air in the room was cold for more than one degree. Li mingjue had a pair of sharp eyes and looked at him coldly.

Curved lips, with irony, “without her, what’s the point of this position?”

“What?” Wang Wei looked at him in shock.

Before he paid attention to the news, he only knew that Yu Qing was glued to Li mingjue. Unexpectedly, Li mingjue told Yu Qing

Realizing that Li mingjue was not joking with him, he broke out in a cold sweat.

In the heart inexplicably appeared a kind of feeling, as long as he said don’t agree with him and language Qing marriage, then he really would rather not sit this position.

Looking at Wang Wei's stupefied appearance, Li mingjue didn't want to say anything more.

I got up and patted the folds on the handmade suit, which did not exist.

"I'll go first. Minister Wang thinks slowly."

Wang Wei also stood up and watched Li mingjue leave respectfully.

Looking at Li mingjue's determined figure, he sighed for no reason.

It was not until Li mingjue's car had left that he slowly sat down in his seat. He was lost in thought.

After a long time, I took out my mobile phone and sent a message.

Yuqing receives the information of Wang Wei's appointment and cleans up. Just as she is about to go out, she sees Li mingjue's car coming in from outside the gate.

"Big brother!"

All of a sudden, he welcomed it with joy.

But Li mingjue walked directly in front of her as if he had not seen her.

The smile on Yu Qing's face suddenly stiffened.

But the assistant behind Li mingjue couldn't bear to see Yu Qing's lost expression on her face, and quietly explained.

"Miss Yu Qing, my husband is in a bad mood now."

It means it's better not to provoke him at this time.

Yu Qing is very sad.

He turned and watched Li mingjue's back disappear at the door, taking a deep breath.

Forget it. When she tells Wang Wei about it, she'll apologize to her elder brother when she comes back.

When she explains clearly, he can do whatever he wants to do with her!

Just as the driver of the old house drove the car over, Yu Qing took back her sight and sat in the car.

Hearing the sound of the car engine outside, Li mingjue frowned. Thinking of Yu Qing's bright make-up, he immediately turned and looked at the door.

Just saw the scene that Yuqing stooped to sit in the car.

Chapter 707

The man clenched his teeth, and the anger in his heart came up.

She didn't say a word, and where did she want to go?

As soon as the assistant stepped into the room, he heard Li mingjue's cold voice, like ice dregs in his ears, "send someone to stare at her! If she does, break her leg!"

He wanted to see where she wanted to go?

This time, if she still wanted to leave, he didn't mind. He broke her wings, made a gorgeous cage for her and locked her up.

“Yes, I’ll do it right away!”

The assistant knew that Li mingjue was only angry when he said this.

If you dare to break Yu Qing’s leg, he will not see the sun tomorrow.

He didn’t need to break her leg at all. As long as she lost a hair, he estimated that there would be no good life in the future.

But It’s the first time that Li mingjue is so angry!

If Miss Yuqing really dares to leave quietly, then waiting for her is not so simple as anger.

Miss Yuqing, I hope you don’t do anything stupid.

According to the address Wang Wei sent her, Yu Qing came to a meeting room of the supervision committee.

She was very sorry to think of what she had promised Wang Wei.

“I’m sorry, chairman Wang! I’m afraid I’ll break my promise! ”

Wang Wei looked at the slim and graceful woman in front of him.

There is a saying that “Xu Niang is half old, and her charm still exists.”

Where is she?

The years seemed to give her special treatment. She looked like a young woman.

Such a beautiful woman, it's no wonder that Li mingjue is so thoughtful that even such a noble position as president can be avoided.

"Sit down!"

"Thank you

Originally agreed to a good thing, but now he is about to break his promise for no reason. Yuqing feels very embarrassed and sits on the chair, a little embarrassed and uneasy.

Wang Wei thought of Li mingjue's attitude just now, and his expression became helpless.

"Yuqing, you know who I am. I have devoted all my energy to my career in my life. It's not too much to say that I have contributed to this country! For so many years, I have never seen anyone like Li mingjue, who can quickly ascend the post in such a short time. He is still the first one! "

"He's a born king, you know what I mean?"

Yu Qing's eyes flashed slightly.

How could she not know?

Elder brother is actually a person with great ambition, but she hurt too much at that time, so he chose to live in semi seclusion.

"Chairman Wang, I know what you mean. I was Jun yechen's wife before. If I marry my elder brother again, I will make people laugh at my elder brother behind his back!"

Speaking of this, Yu Qing stopped for a moment, and her eyes became firm. "But after these days, I seem to understand one thing. The mood of elder brother is what I want to care about most. It seems that I don't have so much energy to care about what other people think."

Big brother is angry, she is anxious.

Big brother is sad, she is more sad than him.

From what the old lady said to her, she always wondered whether it was worth it.

Big brother can ignore anything for her, even if the road ahead is full of difficulties.

In order to take her away from the terrible man Jun yechen.

But what about her?

Always easy to ignore his ideas, easy to let the feelings between them make sacrifices.

As if in so many things, the consequences of any one thing are above their feelings.

But never thought, what does big brother really want?

That's what's wrong with her.

Wang Wei looked at Yu Qing's firm eyes, and his lips were filled with a sneer of self mockery. "I was really amorous before. I thought this was the most suitable way for Li mingjue, the president to be, but he didn't seem to appreciate it!"

"Well?"

Language Qing Zheng Zheng, delicate eyebrow flash doubt.

Did big brother come to Wang Wei?

Wang Wei chuckled and nodded, "it's true that you're sitting in such a position. Two hours ago, he just sat there."

"....." Yu Qing was stunned.

Wang Wei waved his hand, "let's go, I won't take care of your business any more!"

Yu Qing's eyes widened in surprise.

She has to doubt whether she has a auditory hallucination. Otherwise, how could she hear that Wang Wei, who has always been strict in his work, has changed his words?

In response, he said incoherently: "Chairman Wang, thank you! Thank you

Wang Wei laughed. "I'll help Mr. Li well in the future. I appreciate your talent."

"Yes! I will help you! I'll live up to your kindness

With a satisfied smile on his face, Wang wei walked out of the meeting room with his porcelain cup in his hand. Yu Qing has been back home, still thinking about what happened just now.

She couldn't believe that Wang Wei was so easy to speak.

But I also know that it must be what the elder brother said to him that made him change his mind.

She felt even more guilty when she thought that big brother could solve the problem easily.

Can't wait to go upstairs and open the bedroom door.

The room was as empty as she had just left.

She went to the study again, but there was no one in the study.

"Where's big brother?"

Yu Qing ran down the stairs.

Looking at her eager steps, the old lady reproached, "slow down! What can I do if I fall down?"

"Ma! What about big brother? I'm looking for big brother!"

"He went to the office."

Office?

Yuqing knows that the old lady is talking about the temporary office on the top floor of international trade summer.

"Mom, I have something else to do. I'll go first."

Yu Qing can't wait to see Li mingjue.

The old lady looked at her and called to her, "wait a minute!"

"Well?"

Yuqing stops.

The flower housekeeper came out of the kitchen with a three-tier food box and said with a smile, "Mr. won't go home for lunch. Please send some food to him by Miss Yuqing."

Yu Qing happily takes over, "no problem, I'm leaving."

"Let's go!"

Yuqing comes to the top of the world trade center.

By the door, the four secretaries in the secretary room don't know where they are.

Yu Qing goes to Li mingjue's office with a lunch box.

Just ready to raise his hand to knock on the door, found that the door is not closed tightly, leaving a small gap.

Thinking of the cold war with big brother these days, all the problems have been solved.

Yu Qing is in a good mood. She quietly holds the door handle and pushes the door open to surprise Li mingjue.

"surprise ! "

But before her words were finished, a charming voice came into her ears, "nobility ~ ~ I love you so much, you want me!"

In the office, a cool, sexy and plump woman in a red dress sits in Li mingjue's arms.

And Li mingjue's hand held the woman's arm, as if he was going to kiss her next second.

“Boom”, the brain becomes a blank.

Yu Qing's face turned pale, as if she had been pointed at the door.

How can big brother hold other women in his arms?

“Bang!” There was a loud noise.

The two people in the office were stunned and turned to the door one after another.

Chapter 708

Li mingjue was shocked to see the pale woman standing at the door.

He reached out to lift the woman who was hanging on him mercilessly and stood up from the chair.

“Yuqing! Listen to me...” It's not what you see!

Unfortunately, before his words were finished, Yu Qing hugged the lunch box and ran away.

She felt that there was a hungry wolf chasing behind her. She pressed the elevator button desperately.

“Come on! Hurry up

She only prayed that the elevator would open quickly and take her away from the door.

She has no way at this time, calm ground to Li mingjue!

She's in such a mess that she can't get a clue.

She doesn't want to make any decisions impulsively!

Li mingjue's eyes were cold, and he ran after him, "Qing'er, stop for me!"

But just raised the foot, was hugged by the woman thigh.

"Mingjue, how come you don't know how to be compassionate?"

This woman is the daughter of the president of Gu's group, who is one of the four chaebols in Ningguo.

Li mingjue has just won the presidential election. I don't want to let the four families feel that he is superior at this time, so I met Mr. Gu.

Unexpectedly, Mr. Gu found a reason to leave and asked his daughter to stay and talk with him.

What made him even more unexpected was that the woman began to take off her clothes without a word and sat on his lap.

He didn't have a good face to deal with this kind of woman who came to the door voluntarily, so he immediately wanted to push her away.

But just at this time, Yu Qing appeared at the door of the office, just to see him and a woman entangled scene.

There was a conflict between them. During the cold war, Yu Qing finally came here to find him.

I've been stirred up by such a woman!

Li mingjue's face was so cold and dark that he could drip water.

Women still don't know what kind of trouble they have caused?

Blinking that pair of innocent big eyes, pitifully looked up, tenderly stretched out his hand toward the man, coquetry way: "do not quickly pull others!"

Li mingjue raised his foot to kick the woman away.

She should be glad that he is a gentleman and never beats a woman!

"Let go!"

"I don't know!" The woman continued to be coquettish, but held Li mingjue's thigh tighter.

The waves in front of the body are choppy, deliberately twisting and scraping on the man's thighs.

She knows how to interest men and how to show the beauty of women.

From a man's point of view, as long as he looks down at the scenery in front of her, coupled with her provocative posture, she can handle any man.

What's more, it's a man like Li mingjue.

It's said that he and Yuqing are entangled. She thinks that a man as domineering as Li mingjue can't like a married woman like Yuqing.

And how young and beautiful she is, how tender she can pinch water, and who has eyes knows who to choose!

Li mingjue looked down at the confident woman crawling under his feet.

The woman thought there was a play, and then she twisted her shoulder and said, “people fall so hard. Help them up quickly!”

“Oh

Li mingjue gave a sneer from the bottom of his throat. The tip of his tongue swept the root of his teeth. His evil lips rose, and his sexy voice rang out, “can’t you get up? Want me to help you?”

“I hate it! Just give me a hand!”

The woman turned her face aside and stretched out her hand to Li mingjue.

Li mingjue’s smile suddenly subsided, and he suddenly raised his foot and kicked the woman away.

Grabbing the internal phone on the desk, he said coldly, “come to my office and throw out the women in the office! From now on, I will never see her again in Ningguo!”

“It’s Mr. Li. We’ll be right there!” There was a respectful voice on the other end of the phone.

“What What?”

Sexy woman listen to Li mingjue’s words, can’t believe it is true.

“Why do you do that? Am I not beautiful enough? Am I not young enough? Am I not in good shape? Whatever Yuqing can give you, I can give you. Whatever she can’t give you, I can give you!”

She is younger and more beautiful than Yu Qing, and Gu family can help Li mingjue. Although Gu family is not B city, it can be compared with Yu family.

He is with language Qing together, isn't for the sake of the mother family influence behind her?

Li mingjue was too lazy to pay attention to her. Seeing her saying so, he stopped walking away.

Condescending, glanced at the woman lying on the ground, sneered coldly, "you are not worthy to be compared with her, even to her shoes, understand?"

I don't deserve to lift my shoes Women suddenly decadent down, eyes flashed a trace of unwilling.

The newly made big red fingernails got deeply into the palm of his hand and bit his teeth and said, "Li mingjue, you cheat. You are a liar. I don't believe you really love Yuqing. You just want the power behind her Well Put Let me go... "

Unfortunately, before she finished her words, she was dragged out by several bodyguards.

Even Gu's family will be removed from the four plutocrats because of this.

From then on, a big family of a hundred years gradually went down in this country.

These are afterwords.

Now Li mingjue is most worried about the woman.

She must have misunderstood him now. She would have taken the chance to leave him.

Now see he and other women ambiguous, will not hesitate, no psychological burden to leave?

Think of this, the man startled a cold sweat.

After catching up to the gate, the old house's car has left.

As soon as the receptionist saw him, he immediately came forward with a sweet smile, "Mr. Li, this is what Miss Yuqing left you just now."

Li mingjue looked at the lunch box in the front desk, which was engraved with the unique logo of the Li family, and his heart tightened.

Took the lunch box, eyebrow condensation, "where is she?"

"Well Miss Yuqing put down her lunch box and left!"

Obviously, the receptionist also knew the relationship between Yu Qing and Li mingjue. She hesitated for a moment and then reminded him, "Mr. Li, when Miss Yu Qing left just now, it seemed that I'm crying

Li mingjue's deep eyes flashed a dark light, pinched the painful forehead, "I know, thank you."

To be able to say a word or two to someone like Li mingjue, the front desk immediately turned into a fan Mei's face, "you're welcome, you're welcome! A little help

Dear president, I didn't expect to be such a gentle man.

Li mingjue, carrying his lunch box, walked towards the underground parking lot.

Directly drove back to the old house, a door, did not have time to change shoes into the hall.

See the old lady sitting in the living room eating fruit, watching funny TV programs, a look of no trouble, quietly relieved.

It seems that Yuqing didn't want to leave, otherwise the old lady would be in a hurry with him now.

Chapter 709

"Mother, where's Qing'er?" He asked casually.

Hearing Li mingjue's voice, the old lady turned her head and watched the man who should have worked in the office appear at the door of her house. A trace of doubt flashed across her face.

"Why are you back at this time? Didn't Qing'er say you were busy?"

"....."

The man's eyes were dim.

It turns out that Qing'er didn't tell her mother the truth. That fool must be very wronged now.

Although there is nothing wrong with her, I feel guilty.

"Something happened. I came back to get a file." Li mingjue casually found an excuse.

When the old lady lived to this age, she had already become a human spirit.

Just looking at his eyes, they knew that something must have happened between them. They looked at the kitchen quietly and said, "cooking in the kitchen."

“Cooking? Isn’t there a servant at home? How do you make her cook?”

Li mingjue immediately frowned to show his dissatisfaction.

When the old lady choked, how could she listen to her son’s voice as if she had abused Qing’er?

Doesn’t Qing’er cook occasionally?

Li mingjue didn’t tell the old lady any more and strode to the kitchen.

Although the action across the big, the pace is also very urgent, but stepped on the floor, but there is no sound.

From a distance, you can see a busy woman in the kitchen.

Tied a floral skirt, casually tied a horsetail, low head, fingers quickly busy.

Even he didn’t find it. The corners of his lips were tinged with pleasure.

Probably in every man’s mind, they all expect their beloved woman to wash her hands and make soup.

Looking at the busy woman, I suddenly feel that the scenery in front of me is as beautiful as a picture. I can’t bear to disturb her.

It’s a pity that this kind of picture didn’t last long. There was a cry in the kitchen.

“Ah

Although Yu Qing's fingers are busy, she thinks that she saw that scene in the office just now. She is absent-minded and cuts her fingers.

"What's the matter?"

Li mingjue strides over and grabs Yu Qing's injured finger. A trace of red blood on the finger drips down the white finger.

The man's handsome eyebrow immediately frowned, took her to the living room and turned out the family spare medicine box.

Seriously for her to clean up the wound, "how so careless?"

Drooping eyes, looking at the man's expression of concentration, Yu Qing's tears of grievance suddenly gushed out, "I'm ok!"

Say, try to be brave will take back.

Li mingjue looked at the tears on the woman's face. His heart was broken.

Camouflaged a few days of indifference, can no longer pretend.

A floor live language Qing, soft voice coax a way: "don't cry! You are the first-class tears, I have no way to take you, your heart is about to be broken

Listening to Li mingjue's affectionate words, he looked up at the man. When he saw the red lipstick on Li mingjue's light shirt, he cried even more fiercely.

"Don't touch me!"

She struggled not to let the hand of another woman he had just touched touch her.

Li mingjue sighed helplessly, squeezed her chin strongly and let her look into her eyes. "I have nothing to do with that woman. You believe me!"

"I don't want to hear it. You're lying!" Yu Qing was so emotional that she covered her ears and didn't want to hear his sweet words.

I didn't clean the lipstick on my shirt, so I wanted to come back and cheat her!

"I didn't lie to you. I swear, I've never lied to you in my life."

Li mingjue raised three fingers and swore to heaven, "I Li mingjue swore to heaven that if I cheat Qing'er, I will die."

Language Qing a Zheng, quickly stretched out his hand, anxiously covered the man's mouth, "don't swear!"

This kind of vicious oath, just listen to, enough to make her panic.

Li mingjue knew that Yu Qing was still concerned about himself. With a sharp move in his heart, he grasped her hand.

Holding the soft and boneless hand tightly in the palm of your hand is like holding the whole world.

For this woman, there is always unspeakable helplessness, "Qing'er..."

Language Qing nose a sour, suddenly rushed into Li mingjue's arms, "big brother, don't look for other women, don't leave me!"

Li mingjue pointed to her black hair and said in a low voice, "you don't want me, not I don't want you!"

Yu Qing thought of the things she had done some time ago, and she cried more.

“No, brother! Never again! I will never leave you again! Will you not leave me

This sentence, he has been waiting for too long!

He was restless all the time, even dreaming that Yuqing had left him again.

And the night between him and her is just his own wishful thinking, a dream. Surrounded by great joy, the glow of joy gradually emerged from the bottom of her eyes. Stroking her cheek, Li mingjue asked incredulously, “Qing’er, are you telling me the truth? Are you really not going to leave me again?”

“Yes Yu Qing nodded heavily, put his hands around Li mingjue’s neck, and tears surged out again.

“Brother, can you promise me not to look at other women, not to have other women, not to empathize, not to love, not to deceive me, not to play with me, not to do with me!”

Once she loves, she will give everything without reservation. From then on, she will never look back and cut through the thorns until she dies.

If he failed her, his heart would die.

Just looking at him embracing with other women, her heart was aching to death.

“Fool!”

Listening to Yu Qing’s words, Li mingjue couldn’t express his love for her. How could he hurt her?

It’s too late to love and pity her!

He bowed his head and kissed her bright forehead. "Besides you, where can I see other women? As long as I can empathize, I've been with other women for so many years."

Not to mention him, just in his capacity, there are many women flocking.

But no matter how good those women are, they are not her.

Yu Qing's heart swelled with sweetness. When she thought of something, her little face collapsed again.

Duqi mouth, a pair of watery eyes with a strong complaint, "who knows?"

"....."

Li mingjue's forehead was supported by crows.

It never makes sense to reason with women.

There's only one way to keep women quiet.

The man's slender, well-defined fingers raised her chin, head down, did not give her any chance to respond, blocked her red lips.

"Ah..."

Yuqing just wanted to resist, but all her discontent was swallowed by the man, and she couldn't send out a word.

Gradually, I feel that the person in my arms is soft and obedient.

That's how I let her go.

Yu Qing's big eyes were covered with mist, and her cheeks were covered with lovely rosy clouds.

Chapter 710

Brain a cloud, fog, the whole person is light, do not know where they are.

There is only one idea in my mind. At this time, even if the man sold her, she would not resist.

No, what was she trying to say?

The lost reason only ran away for a few minutes and returned to its original position.

"You lied to me!"

Yu Qing reaches out her hand and pushes the man away. She takes two steps away from him.

The explosive power of women who settle accounts after autumn is also amazing.

Li mingjue didn't have the slightest precaution. His tall body was really pushed away by Yu Qing.

Sexy corners of the lips, with a trace of helpless doting, rubbed the eyebrows, "didn't you explain clearly just now? What's the matter?"

"You lied to me? I don't believe you said you didn't have any other women

"Really not!"

"Liar!" Women are very angry.

Think of that time in the disaster area, she went to find him full of worry, but saw him sitting by Su Xue's bed, is gently coaxing Su Xue to drink medicine, so that she ran away.

If this is an accident, what about that one?

In her missing time, Su Xue accompanies him. Does he really have no feelings for Su Xue?

It's the most irrational behavior to reason with women, and it's also unclear.

Li mingjue felt headache, had to coax: "then you tell me, which time did I do wrong?"

"Hum!" Yu Qing's big watery eyes gave him a sharp slant and said in a sour tone: "you don't know. I actually went to the disaster area to find you, right? I saw with my own eyes that you were sitting by the bed, feeding Su Xue with medicine."

Listening to the complaint of women's dissatisfaction, Li mingjue's frown was even tighter.

When did she go to the disaster area? He didn't even know!

"And then?" The tall figure of the man approached her.

He didn't like to be separated from her.

"And then?"

The language Qing is uncanny to stare big eyes, the whole person is more angry, he unexpectedly still meaning to ask her then?

What did he do to Su Xue, he didn't know?

Like a goldfish, he held out his finger and poked at the man's hard chest, "then you coax her to drink medicine, and said that she was good, and you would give sugar after drinking medicine."

"Hum!"

Think of this, language Qing in the heart is a burst of exasperation.

But more is helpless.

This is what she owes her elder brother. He has worked hard enough to be alone for so many years. She would be grateful if someone would accompany him to avoid the loneliness.

But love is selfish, even if the heart knows what is going on, but want to be magnanimous, but more difficult.

Li mingjue gently stroked her head, cold eyes extremely serious, "Qing'er, I have never said such a thing! That time, in order to save me from being injured, Qianxue sent her to the hospital and did take medicine for her, but she would never say such words. I only said such words to you. "

Yu Qing tilted her mouth, her small face was extremely aggrieved, and whispered: "I've seen it with my own eyes!"

"So even what you see with your own eyes is not necessarily true! For me, please listen with your heart! Don't you understand my love for you? In this world, except for you Yuqing, other women are no different from men to me. "

Qian Xue is just an assistant and an employee.

Usually, the communication between two people is limited to the normal communication at work.

"....."

Yu Qing bit his lip, "but..."

That day she really heard At that time, I was sad for a long time, but now I haven't been able to let go completely.

Li mingjue knew what she was struggling with. For a while, he couldn't remember what she said.

When I think about it carefully, I suddenly think of it. I pick my eyebrows and ask, "at that time, did you just take a look at the door, didn't figure out anything, turned around and ran away?"

"....." Yu Qing blinked, as if it was true.

In the face of Yu Qing's suspicious eyes, he pinched his eyebrows and flashed a trace of helplessness.

"At that time, I was not the only one in the ward, and other colleagues were also there. That sentence should have been said by another colleague standing beside me. They had a good relationship."

"....."

So it is!

Now in retrospect, when the door of the ward was half open, she couldn't see the scene in the room clearly.

I only blame her for being too timid. At that time, she didn't dare to open the door to make things clear.

Let alone open the door, even let big brother know that she went to the disaster area have no courage.

If it wasn't for today, she would have cherished it in her heart all her life?Li mingjue pinched the woman's red face and jokingly said, "don't you make trouble with me now?"

“.....” Yu Qing bowed her head with a guilty heart.

Big brother’s feelings for her, she should believe him.

“What else do you have to worry about? Just say it at one time today, so that you won’t hide and worry about my love.”

Yu Qing bit her lips, and her guilty head dropped down to her chest.

Compared with big brother, she really shouldn’t be.

This also can’t blame her, she follows in Jun yechen’s side, has seen the person of deep color, everybody has two faces respectively, let her have doubt to human nature for a long time.

In this world, the only thing you can firmly believe in is yourself, other people’s thoughts, even the closest people around you. You can’t control them, and you can’t completely know what kind of person they are.

So much so that she often doubts her love for her elder brother.

In other words, she just doesn’t have enough confidence in herself.

Big brother is so excellent, and she Just a married, divorced woman.

How to get such love, such infatuation?

Yu Qing shook her head and said in a low voice, “sorry, brother, I shouldn’t doubt you!”

“Fool!” Li mingjue put her in his arms, and a powerful voice came out of the shaking chest, “I don’t want you to say sorry, as long as you promise me, never leave me again!”

“No!” Yu Qing nodded solemnly.

As long as the elder brother doesn’t drive her away, no one wants to open them!

When she thought of something, Yu Qing’s eyes flashed slightly. Looking into Li mingjue’s eyes, she suddenly became erratic. “Big brother I have a secret to tell you

“There are secrets?” Li mingjue picked his eyebrows, and a smile flashed on his handsome face.

Yu Qing bit the corner of her lip and looked at the door. When she saw the servant not far away, she raised her body and whispered a word in Li mingjue’s ear.

Yu Qing’s voice had just fallen, and Li mingjue’s dark eyes were like stars in the night sky, dark and bright, with uncontrollable joy.

I see!

No wonder her reaction that night was so green
