Chapter 721

“Bata!” The room was locked.

Song Xiaoya has a knot in her heart. She takes several steps back warily. She reaches for her pocket and wants to call Wenqiao for help.

But it took me a long time to remember that my mobile phone just fell into the riverside.

There was a strong fear in her heart.

Biting his teeth, he forced himself to calm down and try not to look too flustered. “Who are you? Who asked you to come?”

The man approached her, grabbed song Xiaoya’s thin chin and said with a smile, “didn’t you invite me in?”

“Let go of me, don’t touch me with your dirty hands!”

Song Xiaoya’s eyes show a touch of disgust and wave away the man’s hand.

But at this time, she has no strength at all.

Hitting a man’s hand is not like hitting him, but like teasing him.

The man was in a good mood and began to laugh.

He used to be an errand man in the kitchen. Before that, he committed a crime outside and hid around. Finally, he found an acquaintance and got himself into the Lishi group and became a top-level employee.

But how can he be reconciled to such a life?

Just now someone came to him and gave him a million checks as long as he had sex with this woman.

How did he hit the good thing that pie fell from the sky?

bestie that this woman is the princess's bestie, and what is the princess's lady's honey? Even if she were her royal highness, he would go to her.

When he got the money, he fled abroad and was happy from then on.

“Beauty, you’d better not move around and let your brother hurt you, or you will suffer.”

The man laughs obstinately, showing his big yellow teeth, and even smelling the bad breath in his mouth.

Song Xiaoya's stomach churns, and she wants to do evil.

But I also know that in this situation, no one can save her except self-help.

Women face this situation, the more flustered, the more unfavorable to themselves, can only force themselves to calm down and then try to escape.

Song Xiaoya did some construction in her heart, then pretended to be obedient, nodded and said weakly: “brother, you’re right. At this time, I can’t escape anyway. I accept my fate. Wait a moment, you should be gentle with me!”

The man didn’t expect song Xiaoya to be so open.

But just now inside the overpowering drug, he added a trace of emotional ingredients. I think she looked like this because she inhaled the drug.

At present, men feel interesting, but not anxious, loosen song Xiaoya's chin, good time to look at Song Xiaoya.

"In that case, take off your clothes yourself."

"....." The expression on Song Xiaoya's face was stiff for a moment, but then she narrowed her eyes again and said with a sweet smile: "brother, I know you must have taken advantage of someone who let you destroy me? Otherwise, this is Li Shao's territory. You dare not do it. Am I right

The man's eyes twinkled slightly, "don't try to take words out of my mouth. If you don't take them off, I'll take them off for you."

Say, the salty pig hand of the man can't wait to extend toward song Xiaoya.

"Why! No! I'll do it myself

Song Xiaoya quickly stopped her. She put her finger on the button of her pajamas. Just as she untied the top one, she seemed to think of something. Her big eyes turned and said softly, "brother, I'm unlucky enough to be calculated. If I get pregnant, I'll have to have an abortion at that time. It's very harmful for me and you. Can you help me Take a t? "

Song Xiaoya's words are true and sincere, and there are many kinds of emotions between her eyebrows and eyes.

The man had never slept with such a beautiful woman as song Xiaoya, so he couldn't control it immediately. He felt like he could, but I didn't prepare that thing

With that, the man comes forward in a hurry and reaches for song Xiaoya's clothes.

Song Xiaoya's face changed slightly. She sidestepped away from the man's hand and pushed the man's hand. She said with a smile: "don't worry, you don't have it. I have it!"

"How could you carry that with you? Looks like a slut, too!" A thick disdain flashed in the man's eyes.

Song Xiaoya wanted to curse disgustingly, but with a perfect smile on her face, "you wait for me!"

She got up and went to the wardrobe.

The man looked at her in his spare time and said, "hurry up!"

Song Xiaoya smiles and nods. At the moment of turning around, she bites the lip hard. The pain makes her sober.

In addition to no strength, a nameless evil fire came up from the sole of the foot and spread quickly all over the body.

She knew what it was, and if she delayed, she would die today.

Song Xiaoya opens the wardrobe, takes out the bag in the wardrobe, touches something in the bag, and holds it nervously.

The body seems to have no strength, lazily leaning against the wardrobe door, but listening to the movement behind."What are you doing? Did you find it?" Men are impatient to wait.

"I can't walk!" Song Xiaoya said on purpose.

Women's delicate and weak posture, men can't wait any longer, stride forward, want to hold song Xiaoya from behind.

"Brother, come and hold..." You

Unfortunately, before the last word you said, the man was stung by something on his arm. When he realized it, he waved away Song Xiaoya's anti wolf stick.

Anti wolf stick was severely hit on the ground, the man's body also fell down.

Song Xiaoya runs to the door, opens the door and stumbles to Wenqiao and Lifengbei's room.

In the case of not knowing who wanted to hurt her, the one she could trust most now was Winjo.

Gold inlaid brand, in the line of sight shaking, "309!"

Yes, 309!

Song Xiaoya raised her hand and wanted to knock on the door, but her hand had just been raised, but it had not yet fallen on the door. The door of the room was pulled from inside.

Before she could see what was going on in front of her, she lifted her wrist and was caught by a powerful big hand.

The next second, a whirl, she was dragged into the room, the next second was pressed on the door.

Ear, sounded the man's heavy breathing.

It's heavier, like a broken bellows.

nose, which can smell the familiar perfume of men.

"Don't..."

Song Xiaoya realizes that the man wants to do something to her. She is so scared that she loses her face. But before the voice of exclamation, her lips are blocked by a warm thing.

At the moment when her lips were touching each other, she felt a distinct shiver in her back.

Waves of Joy came up from the foot, and the reason in my mind gradually dissipated.

In the mind a stirs up the spirit, at that moment, has the moment pure bright.

She knew who the man was kissing herself. She knew that it was impossible. She put her hand on the man's chest and tried to push him away.

But a man's chest is like an iron wall. Her strength can't shake him at all.

The man felt her resistance and held her tighter.

Chapter 722

"Well..."

At first, song Xiaoya could resist. She didn't know if the man's kissing skill was too good. In the end, her legs were so soft that her toes curled up.

Push the man's fingers, and gradually grasp the man's chest skirt.

Close your eyes and can't help responding.

When dry wood meets a fire, it will burn as long as it is a little bit.

In the early morning, a red sun is rising, reflecting on the clear river, like a huge red wheel.

The birds on the river began to get up and look for food. An unknown water bird fell in front of the window, pecking and tinkling on the window.

Song Xiaoya wakes up from her confusion and moves her arms a little. Her whole body is weak and weak, like moving bricks all night.

I'm too tired to lift my eyelids again.

But soon, she felt a pair of arms on her waist.

The warm and real touch, the original chaotic brain, a spirit, the whole person is awake.

Song Xiaoya suddenly opens her eyes and looks to her side.

As soon as I lift my eyes, I face a pretty face with clear outline.

The man closed his eyes, long and curly eyelashes, cast a dark silhouette on his eyes, like the two wings of a butterfly, which made her jealous.

Black bangs, casually on the forehead, blocking most of the forehead, but lining the nose more straight, the skin more white.

Eyes down quietly, falling on the pale pink lips.

The corner of the lip has been bitten a small piece and has scabbed. With this upside down face, it's extremely sexy.

Thinking of what happened last night, song Xiaoya's face turned red.

Maybe her movement disturbed the man, and the next second the man turned over.

Fortunately, I didn't wake up.

Looking at the man's generous back, Song Xiaoya sniffed. His nose was sour and he wanted to cry.

After one night, she completed the transformation from a girl to a woman.

Some things, once lost, will never come back.

Song Xiaoya lifted the quilt and got up. She picked up the clothes on the ground and put them on her body. She picked up her shoes and twisted them on her hands. She opened the door gently and ran out like a thief.

Song Xiaoya's figure just disappeared at the corner, a graceful posture came out from behind the pillar.

Li Qianqian was very upset. She hardly closed her eyes all night.

As soon as it was light, she came here to watch.

Last night, she and her father's plan is to give Mu Junhao and Song Xiaoya medicine at the same time, find a ruffian rascal to put Song Xiaoya to sleep, and she pretends to care about Mu Junhao, came to his room.

Wait until dawn, my father will bring to knock on the door, in front of the public, the relationship between her and Mu Junhao solid.

Last night, the whole process was very smooth, but they did not expect that Song Xiaoya was drugged and could even run out of the hooligans.

On Mu Junhao's side, when she pretended to care about him, the door of his room was locked. No one paid attention to the knock.

She was worried that Mu Junhao would recognize her. Her father had already bribed people and put double doses of medicine into Mu Junhao's red wine.

If not relieved by women, Mu Junhao will suffer and die.

But soon, she heard an ambiguous voice coming out of the room through the door.

Suddenly the whole face turned white, and it was obvious that someone rushed into Mu Junhao's room in front of her.

Damn it! All night long, she made her wedding dress!

Li Qianqian was uneasy.

She has a hunch that the woman in the room must be song Xiaoya!

So when the talent was bright, she went to the back of the pillar and squatted. She must find out the woman who robbed her credit last night.

When she saw song Xiaoya wring her shoes and sneaking out of Mu Junhao's room, jealousy made her beautiful face distorted.

But soon, a bold idea jumped to my heart, and my eyes suddenly brightened.

She tightened her fingers and ventured into the room.

The room was in a mess. Men's shirts and trousers were scattered at the foot of the bed. A corner of the quilt was lifted. On the light colored sheets, a touch of dry dark red hit the bottom of the eye.

Li Qianqian squeezed her fingers tightly, and a strong jealousy flashed in her beautiful eyes.

Hum! I didn't expect that song Xiaoya was still here!

This is just right, let Mu Junhao think he took his first time, in the heart will be more guilty of her!

The next second, she loosened her ponytail, crumpled her hair, and reached out to unbutton her shirt.

Just as she was about to pretend that she was the woman of last night and lay in the quilt, there was a sound of footstep at the door.

Li Qianqian finger meal, busy to untie the shirt button, one by one to button back. Last night, he gave Mu Junhao the medicine, and the dosage was double. Maybe he didn't know who he was sleeping last night, but Li Qianqian felt guilty.

If Mu Junhao knew that she had drugged him, her fate would be miserable.

Li Qianqian is still a girl in her early twenties. In the face of such things, she can't be as calm as Li Guozhong.

Just as she was shivering and buttoning, the sound of footsteps had reached the door.

"Brother Hao, something's wrong, get up quickly!"

Rongba walked in front of the crowd, pushed open the door of the room, and took the lead in entering the room.

Looking at the scene in the room, the pace suddenly stopped.

Behind him, Bai Yichen and Li Feng frowned.

Messy bed, the room is also diffuse with the smell of ambiguity.

Mu Junhao didn't wear anything. He was lying on the bed. Beside the bed stood a woman with a trembling button and a frightened face.

Such a scene naturally reminds people that Mu Junhao slept with this woman last night.

Listen to the door movement, the sleeping man opened his eyes, just wake up brain, also with a trace of loss.

Mu Junhao first saw the brothers standing at the door, with their unique sexy and hoarse voice in the early morning. He said lazily, "Why are you here? What time is it?"

Bai Yi Chen didn't have too much facial expression, way: "you wear good clothes first! The cruise ship will come ashore immediately, and there's something wrong with the company."

People have long been familiar with Mu Junhao's sleeping with women.

All the women this guy's slept with are supposed to form a platoon.

As soon as he heard of the company's accident, Mu Junhao immediately turned over.

But do not want to, a look up, on the timid eyes of Li Qianqian, not from a Leng.

"Why are you here?"

Li Qianqian is nervous. Does he remember the woman last night?

Big eyes stare at Mu Junhao's face without blinking, for fear of missing any expression on his face.

“Mu Mu Shao Last night I We...”

That flustered appearance, looks like is anxious to explain anything, lets the human imagination on the contrary.

Mu Junhao’s eyebrows gradually closed, and the light in peach blossom’s eyes gradually cooled down.

Always cynical man, for the first time show this kind of serious and indifferent expression, that pair of dark pupil bottom, look obscure.

Chapter 723

Li Qianqian couldn’t understand the emotion on Mu Junhao’s face, so she became uneasy.

She is not sure whether Mu Junhao can remember who the woman was last night? I don’t dare to talk too much.

What if he remembers who he slept with last night?

“Mu Shao...” Li Qianqian bit her lip and cried pitifully.

Mu Junhao turned a deaf ear, tensed his face, stood up with his arms and lifted the quilt.

Under the palm of my hand, I felt a hand like thing. Looking down, a blue earring appeared under the palm of my hand.

Next to the ear nail, a dark red blood stain came into the eye.

Man's cold eyes, pupil suddenly shrink.

Quietly grasp the earrings into the palm, away from sight, as if nothing had happened to lift the quilt, got up and went to the bathroom.

Li Qianqian looks at Mu Junhao's tall and straight back, with a trace of obsession in her eyes.

Men's lean waist, typical dress show thin, strip have meat, complete eight abdominal muscles, Sexy Mermaid line, let a person see one can't help but blush heartbeat.

From his expression, he should not know that the woman last night was song Xiaoya, right?

Li Qianqian was quietly relieved and proud.

Song Xiaoya, don't blame me, blame yourself for being stupid!

.....

Song Xiaoya ran out of the room, but she didn't dare to go back to her room. She was worried that the man was still there last night.

It's too early in the morning to find Wenqiao. After all, she has a husband.

Thinking about it, I came to the door of white star's room.

White star wearing a pink princess skirt, kneading the eyes, open the door.

Looking at Song Xiaoya, all the sleepers ran away and asked in surprise: “sister song, you What do you do?”

She has to doubt, standing in front of her eyes, or is not that bright, vivid song Xiaoya?

The woman’s face was pale, her hair was messy, her face was haggard, and her neck was covered with red marks. She looked startling.

It’s a pity that white star is still a maternal solo. I don’t know what these things stand for. I just think something happened to song Xiaoya.

Song Xiaoya raised her hand to cover the traces on her neck. She coughed with a guilty heart and said, “it’s OK. I fell just now.”

White star does not doubt him, “good end how can fall, next time you be careful, must be very painful?”

Listen to white star care words, song Xiaoya eyes a red, almost Biao tears.

“Star, lend me a clean suit. I’ll take a shower in the bathroom.”

“Yes.”

White star hurried to the wardrobe, looking for a suit of not through the pajamas out.

However, her pajamas are lovely pink, sister song’s clothes are sexy pajamas, I hope you don’t dislike them.

“Sister song, I put my pajamas at the door for you, and I also put my medicine box at the door. If you need help, you can say that you are sleepy...”

It's a brilliant day. They went to bed late last night. At this time, they couldn't even open their eyes. They went to bed and fell asleep.

Song Xiaoya takes off her clothes and looks at the ambiguous traces in the mirror. Her face turns red again.

As a modern woman, she is not the kind of woman who will seek life and death when she is gone for the first time.

But the first time it was gone, the whole person could not say the grievance.

Thinking of the man who pretended to be a waiter last night, Li Qianqian's arrogant and threatening look appeared in her mind.

She didn't have any contact with other people. She didn't work hard and risked offending Li Fengbei to calculate her.

Besides Li Qianqian, she couldn't think of a second person to calculate her.

There was no hatred between her and her. Why did she think of such a vicious way to treat herself?

Thinking of this, song Xiaoya clenched her teeth and clenched her fist.

Put a full jar of warm water, the whole body into the water, comfortable sigh.

It hurts everywhere on the body, especially between the legs. Every step is hot.

Last night, she didn't know anything. At the beginning, she was controlled by drugs, and her sense was blank.

But in the middle of the night, she was completely awake, but the man didn't intend to let her go at all.

Over and over, tossing her over and over again, there is no half pity, also did not worry about her for the first time.

Think of this, song Xiaoya hard to press down the grievances, and then come together, eyes immediately red circle.

“Asshole! Lust! Stallion

I don't know what's going on, cursing and cursing, the tears of grievance can't help but flow down.

White star just closed his eyes, fell into a dream, the door once again sounded the knock.

Dong Dong Dong's voice, has her to ignore greatly, can knock the posture of the end of time and the end of time.“.....”

The young lady who gets up in the morning is obviously angry.

He opened the door and yelled: “who is that?”

Bai Yichen looked at the disordered hair in front of her. She was wearing a lovely pink nightgown. She frowned and her voice was cold. “You don't ask who you are, and you dare to open the door?”

Listen to the man's low roar, white star immediately wake up.

“Brother, why are you? What are you doing now? I don't want to run! ”

Obviously, white star is still dazzled in his mind. He hasn't come to his senses yet. He thinks they are in the White House.

The white also Chen originally wrinkly brow, wrinkly tight again a few minutes, “white star, what exactly is in your brain everyday thinking to write?”? Where are we going to run on the cruise? ”

“Ah?” The white star is roared by the man, completely sobered up.

It reminds me that they are on the cruise ship, not at Bai’s home.

As long as it’s not going to run, it’s all said.

In the face of Bai Yichen’s ice face, the white star immediately put on a standard smile and said, “brother, what’s the matter with me so early?”

“Pack up and get ready to go home!”

“Why? Aren’t you going to spend three days on a cruise? ”

A listen to say to want to go home, white star quite regretful way.

Yesterday a lot of fun have not played, will go home?

The girl slapped her small face and wrinkled it together.

Bai Yichen heart a corner suddenly become very soft, deep eyes become spoiled and helpless, “next time have time, I take you to cruise to play, our family also has cruise.”

We also have cruise ships at home

White star turned his lips, don’t open his eyes, carefully muttered: “that’s not our home, that’s your white home.”

She is just carrying the surname "Bai". She is just a small oil bottle that her mother brought into her husband's house when she remarried. She has nothing to do with the Bai family.

Every time she looks at her mother trying to please uncle Bai, she can't help but want to escape from the suffocating home.

What she wants to do now is to grow up quickly, be able to be independent and move out of the White House as soon as possible.

Chapter 724

Of course, these words she is impossible to tell Bai Yichen, this nominal "big brother" has unprecedented control over her.

"What did you say?"

But she didn't know that men had heard her murmur for a long time.

Junlang's chin line is tight, and her dark eyes sweep a circle of coldness. It seems that the next second will freeze her.

White star immediately recognized counsels, small head shaking like a rattle, said with a smile: "I didn't say anything, I said big brother is really handsome! Ha ha

"....."

Bai Yichen clenched his teeth, took a deep breath, and resisted the impulse to beat others.

This little fool!

Always want to escape from the White House, escape from the White House, where can she go?

“Go and pack up!”

“Good! I’ll go at once

White star turns into a good pupil, standing upright, only for Bai Yichen salute.

Bai Yichen thought that she was angry with her words just now, but she was so cute that she wanted to laugh.

To white star, he always feels a deep helpless.

Pinched to pinch eyebrow center, lift foot to walk toward the room inside, “quick, tidy up clothes first.”

Bai Xingxing listens to the sound of water in the bathroom, which reminds her of song Xiaoya in her room.

Suddenly a clap head, turned a body, block in front of white also Chen, “big brother, there is someone in my room, you come in now inconvenient, I pack things, you wait for me outside.”

White also Chen Hang Mou, see toward that only arrive at that small hand on his chest, eyebrow center once again tighten, the facial expression is black of can drip water to come.

“Is there someone in your room? Who is it? ”

Bai Xingxing originally wanted to say that it was song Xiaoya, but thinking of Bai Yichen’s control over her, she swallowed it again.

Big brother has to take care of her everything, even what kind of friends she makes, but she won’t let him.

“A friend of mine Ah... ”

White star's words have not finished, the arm was caught.

The next second, she hit a stiff chest.

A man's chest is like an iron wall. It hurt her body. Before she had time to exclaim, she felt the man's powerful big palm stretched out, grabbed her collar and pulled it down.

Head down, most of the shoulders out.

The whole person of white star is stupefied, wait for reaction to come over, fiercely struggle up, angry tears are about to come out.

"Brother, how can you do this? I'm a girl

Didn't see some kind of ambiguous trace on the white star, white also Chen this just loosen her.

Dark eyes, a touch of dangerous luster, quickly across the mouth of the voice is extremely gentle, "next time don't say this kind of misunderstanding to deliberately anger me! You know, I've already warned you that no other man is allowed to touch your body without my permission."

"....."

The white star gave birth to a shiver, and even the heart shrunk.

Big brother's abnormal control over her makes her just want to escape.

Isn't it true that men only have control over their own women?

For example, beige vs. Wenqiao

And she's just the elder brother's sister. No, she's not even a sister. She's just a little oil bottle that the stepmother brought home.

Is big brother doing this to her because he doesn't have a girlfriend and has a strong desire for control?

"Why don't you talk?"

Bai Yichen is condescending, glaring at the small face that white star tangles, know this small head is thinking some strange things again.

"I remember, never let a man touch me at will!" White star did not have much expression, very clever answer.

The little devil in her heart has already opened her teeth and claws. Of course, she won't let the man touch her casually, but she doesn't necessarily want the man she likes.

Bai Yichen raised his lips with satisfaction, followed his long hair like white star seaweed, like teasing a little cat with fried hair, "this is good."

"....."

With the action of Bai Yichen, the white star seems to be surrounded by Bai Yichen.

Only belong to the hormone breath of the man, overwhelming influx of her chest.

The white star shrinks his neck, and the whole person becomes uncomfortable.

I always think the distance between her and big brother is too close.

“Big brother...”

White star hands support on the chest of white also Chen, stretch out a hand to want to push him to open.

Just at this time, there was a sound of footwork behind him.

Song Xiaoya came out of the bathroom and saw Bai Yichen and Bai Xingxing “hugging” together. She was stunned for a moment, then said with a smile: “you go on, go on, I don’t see anything!”

“No, no, nothing happened to me and big brother!”

White star is surprised, push aside white also Chen, anxiously explain. Bai Yichen, caught off guard, was pushed back several steps by the white star. Subconsciously, he frowned, but when he saw song Xiaoya, his eyebrows relaxed.

It turns out that the friend white star said is song Xiaoya, not a mess.

Regardless of what she did just now, she patted white star’s hairy head in a good mood and said with great magnanimity: “go and pack up, I’ll wait for you outside the corridor!”

“I see.” The white star casually answers a way, the whole person looks languid.

As soon as the door was closed, the white star took song Xiaoya and anxiously explained, “sister song, don’t get me wrong. I didn’t really have anything to do with my elder brother just now!”

Song Xiaoya continued to brush her hair and rolled her eyes. “You and Bai Yichen are not brothers and sisters. Even if you two are together, it’s nothing!”

I don’t know what she’s worried about?

“No!” Hearing this, the white star stamped his feet anxiously and said, “how can I be with my elder brother? Sister song, please don’t say that in the future!”

What she hates most is big brother.

Her mother married her into a rich family, but life was not as good as she thought.

Mother always said to her, “stars, the white family is willing to take us, is our great blessing, you have to be obedient, especially your brother’s words! In the future, this huge family business will be handed over to your elder brother. Now your main task is to please him and make him happy. Do you understand?”

At that time, little she did not understand the meaning of her mother’s words, very clever nodded, “I understand!”

So, at the first meeting with Bai Yichen, she put her favorite doll in front of Bai Yichen and said, “brother, this doll is for you.”

The tall boy in a white shirt, with a gloomy face, reached out and pushed her away.

“It’s filthy. Get out of here!”

With that, he put his hands in his pocket and left without looking back.

At that time, she sat on the cold ground, looking at the heartless back of her elder brother, and began to cry.

From that time on, she especially hated Bai Yichen in her heart, and was also afraid of him.

Chapter 725

I thought it was a beginning, and it would get better gradually.

But later, mother intensified, almost put this kind of words in her mouth, every day in her ear nagging countless times, want to please big brother, as her life creed.

There is a saying that where there is oppression, there is resistance.

The more her mother said that, the more disgusted she was with Bai family.

Of course, the person that she dislikes the most is Bai Yichen that mother mouth lets her key please.

“Well, don’t cry, I won’t say it!” Seeing that white star was about to cry, song Xiaoya had to change the topic and said, “what did your elder brother come here so early in the morning to do? What happened?”

“Big brother said that the lacrosse group had an accident, and the cruise ship had to dock ahead of time.”

“What happened? What’s the matter? ”

Now all over the country, even three-year-old children know that the Richter clique and the lacrosse clique are the solid backing of the president. Who dares to look for trouble at this time?

Accompanied by white star, song Xiaoya returns to her original room.

There was no one in the room, the beds were neat, and it looked as if nothing had happened.

Song Xiaoya’s eyes flashed slightly.

She could have found out the people behind her, but there was something wrong with Lacrosse group. She could not delay so many people’s journey because of her.

She wrote it down in her heart.

This time, let Li Qianqian go. Next time I touch her hand, she will never forget it.

Just gnashing his teeth, Mu Junhao came from the end of the corridor.

Tall men, dressed in a straight handmade suit, wrapped in a perfect proportion of the body.

Black short hair combed to the back of the head, revealing a clean and full forehead, delicate facial features, clear water chestnut, especially the pair of charming peach blossom eyes, a black tear mole at the end of the eye, add a bit of charm out of thin air.

When Song Xiaoya looks up at Mu Junhao, the other side also looks at her.

Two people's eyes collided across the air.

Song Xiaoya's face turned red. She immediately looked away and ran away, holding the hand of the white star, "star, let's go first!"

When she woke up in the morning, she didn't know how to face him, so she ran away.

When I saw Mu Junhao again, I didn't even know where to put my eyes. My heart was beating. I didn't know how he would deal with last night's affairs.

Li Qianqian follows Mu Junhao. When she sees that Song Xiaoya turns around and leaves, she curls her lips with a triumphant smile.

Step forward, take Mu Junhao's arm, voice coquettish way: "Mu Shao, let's go!"

Li Qianqian!

Hearing the speech, Song Xiaoya stops and turns to look behind her.

I saw Li Qianqian holding Mu Junhao's arm intimately, her whole body leaning on Mu Junhao's body. When she looked past, Li Qianqian showed a provocative look at her.

Song Xiaoya's brain muddled for a moment, there is a moment of blank.

Bai Xingxing can't stand Li Qianqian. She thinks that this woman is the kind of person who has a plan.

She thinks that brother Hao is a good match for sister Song, but brother Hao is seduced away by this evil thing.

Close to Song Xiaoya's ear, he whispered: "I just heard that this woman climbed up brother Hao's bed last night and was knocked out in the morning."

"What?" Boom, a thunder in Song Xiaoya's mind, his face turned pale instantly.

It was her last night. How to become Li Qianqian and Mu Junhao?

What the hell is going on?

She was biting her pale lips, but she was not shy any more. She looked straight at Mu Junhao.

Is he a fool? Don't you even know which woman you slept with?

Or He clearly knew that she was the woman last night, but he would rather find a woman to replace him, worried that she would let him be responsible?

Think of this, like a basin of cold water head-on spilled over, a chill full of the body.

Mu Junhao pursed his lips tightly. He was always chuckling and cynical. His expression converged and he didn't say a word. He seemed indifferent and alienated.

Song Xiaoya's heart is like being stung by something, and the pain flashed by.

All of a sudden, he raised his lips and showed a self mocking sneer.

This is good, as nothing happened, at least after meeting will not be embarrassed.

Take back your sight and lead the white star.

White star almost fell, can't help exclaiming: "sister song, didn't you say you fell in the morning and hurt your foot? Slow down

White stars speak a little loud.

Smell speech, Mu Junhao Junyi eyebrow a tight, sharp eyes toward song Xiaoya looked in the past.

Did she fall in the morning?

When seeing song Xiaoya's awkward walking posture, her ears turned red slightly. It turns out that's what she told White Star. She said that she fell

After getting off the cruise ship and saying goodbye to everyone, song Xiaoya can't wait to return home.

This apartment with two bedrooms and one living room was bought by her with a down payment after years of hard work.

After paying the down payment, there was no extra money to pay the mortgage, so she rented out another bedroom.

So far, she has not figured out why Mu Junhao became her tenant in the end?

He is the master of Mu family and her boss. Do you want to live anywhere? Why do you just squeeze her into this small apartment of more than 30 square meters?

Before She did have a little expectation, maybe in his heart, she is different.

But from now on, this idea will be strangled in her heart, sealed up forever and never mentioned again.

And this closed room, she thought She has to get it back.

This sleep is very deep, has been sleeping from the day to the next morning.

The sun has been hanging high above. In the room with tight curtains, the warm sunlight is isolated by the heavy curtains, and the narrow room is particularly cold.

Song Xiaoya was awakened by the ring of her mobile phone.

Vaguely grabbed the phone, connected, powerless way: "hello? Who are you looking for?"

The person on the other end of the phone was obviously stunned for a moment, and then mother song's excited business rang out, "Xiaoya, it's mother! Please don't forget to meet lawyer Li at two o'clock in the afternoon!"

"....."

Smell speech, song Xiaoya chaotic brain, instantly wake up.

“Mom, I’m so tired today. Can I...”

“You child, lawyer Li is a graduate student of a famous university. You have not graduated from any university. How can you choose someone else? It’s twelve o’clock now. Where are you? Make yourself beautiful and don’t be late! If you don’t have enough of yourself, please lower yourself. Today you must take lawyer Li down!”

Listening to song’s mother’s excited voice, song Xiaoya’s fingers holding the mobile phone are slightly white.

After a long time, he swallowed his bitter throat and said, “OK, I know! I’ll be there on time

Chapter 726

Hung up the phone, song Xiaoya looked at the ceiling for a while, picked up the phone again.

She has the habit of writing news at any time.

On the Internet, the news of Li mingjue and Yuqing’s marriage is everywhere. Looking at the picture of Li mingjue and Yuqing embracing and kissing, song Xiaoya can’t help but lift her lips.

I feel better at last.

In a small corner, she suddenly saw a familiar figure.

In the picture, Mu Junhao appears in the street with a petite figure.

It's just a figure in the back. It's a candid photo, but Song Xiaoya recognizes it at a glance.

The fingers are slightly stiff.

It turns out that I didn't come back last night. I took Li Qianqian to Hawaii for a holiday.

Isn't he very busy? Is the matter of Junye group solved?

Heart slightly consistent, inexplicably become irritable, lost the cell phone, get up, wash.

Looking at myself in the mirror, I was almost startled.

The woman in the mirror was pale and haggard, even her bags under her eyes were swollen.

How can we get rid of it?

Going out like this really scares people!

She drew a light makeup to cover up her pale face. Thinking of what her mother said, she hesitated for a moment and finally chose a formal dress to put on.

He put on lipstick and walked out of the bedroom with his bag.

When I got to the door, I couldn't help but stop and took a look at the master bedroom beside me.

The door was closed, and only the ticking of the clock on the wall could be heard in the quiet room.

Song Xiaoya's heart flashed an imperceptible loss.

Although Mu Junhao is a big turnip, he is a grade 10 bed patient. He never sleeps outside. It seems that he likes Li Qianqian very much!

Song Xiaoya shook her head and said to herself, "who is he? What do you care where he is?"

With a bit of anger, she pulled open the door, but do not want to, almost into the door of the man's arms.

The man, who was supposed to be on holiday in Hawaii, stood in front of her in a white suit, with a bunch of keys in his hand, looking like he was about to open the door.

Hearing the sound of opening the door, he seemed stunned.

They stood face to face. At the moment when their eyes collided, Mu Junhao immediately looked away. "You're at home. I didn't think you were at home."

Song Xiaoya looks behind him. Sure enough, Li Qianqian follows him and looks at her with a proud face.

"What's the matter?" Song Xiaoya's face becomes ugly, and her tone is naturally not good.

Mu Junhao frowned, "Song Xiaoya, can't you talk well?"

Li Qianqian stepped forward, took Mu Junhao's arm and said to Song Xiaoya with a smile: "Hello, Miss Song."

"....." Song Xiaoya clenched her palms and looked at Mu Junhao angrily, "explain, what's going on?"

They clearly agreed in the contract, during the rental period, he can't bring messy women home!

Mu Junhao pursed his lips and frowned a little. Jun's face was a little irritable. "I'll pack up. From today on, I'll move out. I've already marked the rent of this quarter on your card."

Song Xiaoya

She pushed away Mu Junhao and walked towards the door. "Whatever, I will refund you the extra money. I have to go ahead. Remember to clean the room and don't make it too messy."

Mu Junhao was pushed away by Song Xiaoya and retreated two steps in a row.

Li Qianqian's small face changed, and she came forward with heartache: "Junhao, are you ok? Miss Song, what's the matter with you? How can you push people?"

Song Xiaoya didn't expect that Li Qianqian would protect her. Originally, Li Qianqian didn't talk. From then on, they didn't cross the river, and she didn't want to make trouble.

Anyway, this guy Mu Junhao is a pig. He doesn't even know who he is sleeping with.

It's no good for her to expose the matter. She doesn't know how to deal with it in the future, but the premise is that Li Qianqian doesn't provoke her again.

After listening to Li Qianqian's accusation, a nameless fire ran wildly in my heart, and I couldn't help it.

"Li Qianqian, shut your mouth!"

Li Qianqian is already petite. When Song Xiaoya yells at her, her eyes turn red. She looks miserable and looks like she is about to cry, just like Song Xiaoya has bullied her.

"I didn't mean that Don't be angry, Miss Song I won't say it!"

Mu Junhao see two people quarrel, saw Song Xiaoya one eye, cold voice way: "go in to pack things."

“Honey, I’ll help you!” Li Qianqian immediately put away her tears and walked into the master bedroom behind Mu Junhao with a smile.

Song Xiaoya gritted her teeth and took a few deep breaths before she could hold back and beat Mu Junhao.

“Hum!”

Just out of the door by a gas, song Xiaoya gas is about to explode in situ.

When she came to the cafe where she had an appointment with her blind date, she asked for a cup of warm water and took several mouthfuls of it before choking on the feeling of a dog in her heart. It’s good to move out. From now on, you don’t need to open the door to that guy in the middle of the night. You don’t need to clean him and act as a free nanny. This is a good thing.

But think of his attitude just now, a nameless fire in the bottom of my heart, angry, song Xiaoya heavily put the cup back on the table.

Did not expect that the table is made of glass, with her action, issued a “bang” sound.

Suddenly, everyone in the coffee shop looked at her.

Song Xiaoya is surprised, and immediately wants to find a hole in the ground. At this time, a clear and pleasant voice comes from her ear.

“Excuse me, is that Miss Song?”

Song Xiaoya quickly released the cup, sat up straight, turned his head and looked over, “are you lawyer Li?”

“It’s me. Can I sit opposite you?”

The man in front of him was tall and thin, with a delicate face and a pair of gold rimmed glasses. He looked gentle.

I didn't expect to be so polite.

And judging from his dress, he obviously dressed himself up.

Song Xiaoya is sorry to think that when she goes out, she puts on her work clothes on purpose.

"Sit down, sit down!"

The man sat down, raised his finger, pushed his glasses, straight to the point, and his voice was very gentle.

"Miss Song, I have a general understanding of your situation. I heard that song Xiaoya pushed more than ten blind dates before he went on a blind date with me, and the blind date failed more than 20 times. Am I right?"

Song Xiaoya didn't expect him to say this directly. He was embarrassed for a moment, "you How do you know? "

"Sorry, I didn't mean to upset you. I'm a lawyer. I know everything I want to know, and I never fight unprepared battles. "

"....." Song Xiaoya looked up and down at the man, just listen to the tone to know that the man is not interested in her, hesitated and asked: "then why do you want to go on a blind date with me?"

Speaking of this, the man had no choice but to smile, "in fact I don't want to go on a blind date, either

"....." Song Xiaoya didn't expect that the man was direct enough. She said, "it seems that our ideas are the same. Then we..."

It has been made clear that there is no need for blind date to continue.

“I guess Miss Song is in the same situation as me? My parents are in a hurry!”

“.....”

It's the first time that Song Xiaoya met such an honest person on a blind date. She has a better impression on men.

The key is that they have the same attitude towards blind date.

Song Xiaoya's mood is not as tense as before. Instead, she is relieved, nods and says with a smile: “understand, it seems that we are all reduced to the end of the world!”

“Miss Song, you are so beautiful. Do you still need a blind date? There should be a lot of men pursuing you?”

The two chatted.

Which woman doesn't like others to boast about her beauty, Song Xiaoya is happy and modest: “no one chases me anywhere! But Mr. Li, you're a lawyer, you're a top student, and you look good. Why do you need a blind date?”

“It's true that no girl wants me. Maybe I'm too boring at ordinary times!”

The man shrugged and had no choice but to smile.

The two of them seem to have found a confidant. In addition, the man is humorous and elegant. Song Xiaoya likes him very much.

The two exchanged mobile phone numbers and added wechat to each other.

Without the burden of blind date, they finally went to a buffet and separated.

When separated, the man proposed to send song Xiaoya home, song Xiaoya also regarded him as a friend, and did not refuse.

Chapter 727

Lawyer Li sends song Xiaoya downstairs.

Song Xiaoya is puzzled about whether to invite a man to sit down. After all, people send him downstairs, but selfishness doesn't want him to go up.

Unexpectedly, before she spoke, lawyer Li took the initiative to leave.

"Miss Song, it's getting late. Please go upstairs! I had a good time today. I'll ask you out next time!"

Song Xiaoya felt guilty. "Lawyer Li, drive carefully. Thank you for sending me back!"

Unexpectedly, the man suddenly said: "Xiaoya, can I call your name like this?"

Song Xiaoya was stunned for a moment, but the gentle man, no one can refuse, "of course!"

"Then don't call me lawyer Li any more. Call me by my name! My name is Li Xin

“Li Xin, thank you for taking me home! Goodbye

“Goodbye, Xiaoya, and rest early in the evening!”

Li Xin waved to song Xiaoya and then bent down to get into the car.

Song Xiaoya stood on the side of the road and didn't rush to walk. She watched Li Xin's car turn around and leave, then turned and went upstairs.

As soon as I turned around, I turned to a pair of dark eyes.

Startled, song Xiaoya patted her chest in fear, “Why are you standing there without saying a word? Frightening people will frighten to death! ”

Mu Junhao is standing at the elevator entrance, a pair of dark eyes fall on her face smile, voice line is a little chilly, the shape seems to inadvertently ask: “just made a boyfriend?”

Song Xiaoya is too lazy to pay attention to his boring questions. Instead, she asks, “didn't you move away? More than half of this month has passed, I will charge you one month's rent, and I will refund you the rent for the next two months! ”

“No

“I, song Xiaoya, don't accept other people's things for no reason!”

Especially his stuff!

Her tone, inexplicably with anger.

Mu Junhao pursed his lips. As song Xiaoya passed him, he suddenly said, “wait a minute, I'm here to return the key. You were not at home just now.”

Song Xiaoya's steps stopped, her eyes moved down, looking at the key in the man's hand, snatched it, and said coldly: "I've got the key, you can go."

With that, press the button and walk into the elevator.

Mu Junhao looked at the elevator door closed, even he did not want to understand why to do so, has reached out, pulled the elevator door.

"Wait a minute!"

Song Xiaoya's eyes fell on his slender fingers, frowned, raised her eyelids and looked at the man, "what's the matter?"

The elevator door opened again, and Mu Junhao flashed into the elevator.

"I'll go up with you and see if there's anything left!"

"....." Song Xiaoya gritted her teeth, "don't worry, I will never want your things!"

Mu Junhao, the old God, glanced at the woman's sulky face and said, "who knows?"

"You Song Xiaoya is impatient. Looking at the flat face in front of her, she really wants to slap her face.

Take a deep breath, clench your teeth, and smile, "go if you want! Check carefully, don't blame me for taking your things when you lose them! "

"Thank you for reminding me!"

"You

Song Xiaoya's lungs are about to explode. Who does he regard her as?

Does she want something from him?

Open the door, the key to the door of a shoe cabinet lost, no good airway: "go!"

Smell speech, Mu Junhao really big stride into the room, first in the living room to find a circle, and then the toilet.

Song Xiaoya hands ring chest, silent behind Mu Junhao.

In the bathroom, only one of the two gargle cups, one red and one blue, was left, standing alone, like an abandoned dog.

Originally belongs to the man's towel, toiletries are missing.

Song Xiaoya's clear eyes are dim.

Mu Junhao opens the cabinet and finds a razor in it.

Song Xiaoya hissed, "I don't need such a thing as a woman."

The man picked the next eyebrow, "who knows? Maybe you want to keep it as a souvenir

Song Xiaoya was angry smile, gorgeous turned a white eye, "cut, speechless!"

Looking at the woman's indifferent appearance, Mu Junhao felt a trace of discomfort in his heart.

Picked to pick the eye son of evil spirit, joke that way: "I moved, you have nothing to want to say"? Won't you give up on me?"

Song Xiaoya was stunned for a moment, then covered her face and laughed.

Laugh forward and backward, flowers tremble.

"Mu Junhao, you occupied my spacious master bedroom, but you also instructed me to clean up this, clean up that, and act as your free nanny. Now that you are finally moving away, I can't wait to be happy!"

"....."

Words fall, see the man's face half already blue come down. In her heart, is he really not half good? Just treating him like a problem?

Clench your teeth, every word seems to jump out of your teeth like that, "don't forget who saved you at the beginning, dare to ridicule me like this!"

"....."

Mentioning the incident, song Xiaoya's smile on her face became stiff, her eyes were a little dim, she quickly crossed, bit her lip and whispered: "that thank you! If I can help you in the future, just say it

Five years ago, she was cheated into being a club lady.

If Mu Junhao had not saved her, she would have

Because of this For so many years, she listened to him and worked as his free nanny without complaint.

Because of this, she was sleeping by him, and she silently thought that nothing had happened

As long as he does not want to do, she never give up his embarrassment!

The two little men of the Mu family, what they want, and the gang of iron friends like Li Fengbei and Bai Yichen, can't help her, can they?

But apart from that, she didn't know how to repay him for saving his life!

“.....”

Mu Junhao was also angry just now, and then he blurted out subconsciously.

Looking at Song Xiaoya's dim face, I realize that I accidentally exposed song Xiaoya's wound just now.

He didn't even think about it.

At that time, she was saved just because she was pitiful. I didn't expect to ask her for repayment one day.

But if you are proud of him, it is impossible to apologize to song Xiaoya.

Cover lip, light cough, change the topic that way: “say again, I go to bedroom to have a look!”

“Well!”

Think of five years ago, song Xiaoya originally angry mood, but calm down.

That night, something was obviously wrong with him. He should have been drugged.

That night, for the first time Take it as his reward for saving her!

For the first time In fact, she didn't regret it.

Song Xiaoya follows Mu Junhao, looking at the empty bedroom, holding her fingers tightly.

Usually such a littering person, the room was cleaned up clean, as if so many years, here has never been filled.

There are not many things in the bedroom, such as a bed, a wardrobe and a TV cabinet, which can be seen at a glance.

Mu Junhao opened the cupboard and flipped something in the cupboard. Suddenly, a cellophane box came out with a clear appearance. "I said that I forgot to take something important. It really fell here!"

Song Xiaoya doubts, what important thing didn't take away just now?

Driven by curiosity, she leaned over and looked at what he held tightly in his hand, "what is it..."

The words haven't said to export, see the thing that the man long finger pinches.

Two big words on the glass box were introduced into the eyeground, and all the words were stuck in the throat.

In Mu Junhao's hand, it was like a box of TT that had not been opened.

Song Xiaoya stares big eyes, and her face turns red like a cooked shrimp.

This man, as expected, has lived up to his reputation as a playboy. He even keeps this kind of thing with him!

Mu Junhao saw song Xiaoya's expression in his eyes, and suddenly began to tease her.

Carelessly playing with the box, Xie Si's lips slightly hook, suddenly seized song Xiaoya's hand, put the condom in her palm.

"I'm moving away, and I don't have any gifts for you. I'll give you this one! Now there are a lot of swindlers in the society. You haven't made a boyfriend. You should be careful not to be cheated."

Song Xiaoya is just like being scalded. She pulls her hand back and blushes even more.

But without time to be shy, I suddenly thought of a very serious problem.

He didn't do anything about the chaotic night on the cruise!

It's been two days since it happened. Emergency contraceptives are effective within 72 hours. The later you eat, the more likely you are to get pregnant!

Thinking of this, song Xiaoya's face turns pale.

There is no leisure to pay attention to Mu Junhao, turned around, took the key and went out of the door.

"Hey, I'm kidding! Can't you make a joke?"

Mu Junhao didn't expect that song Xiaoya's reaction was so big. He thought song Xiaoya was angry and yelled after her.

But a woman is like a wolf chasing after her. She doesn't even change her shoes. She opens the door and rushes out.

Suddenly choked, he carefully recalled what he had just said.

He doesn't seem to have said too much, does he?

Before the change, they made more excessive jokes, and did not see her so angry!

I always feel that something has been forgotten by myself.

Worried about what happened to Song Xiaoya, Mu Junhao pocketed the condom and ran after it.

Chapter 729

She's now a little assistant to the company's troupe, but that's what she's satisfied with.

She studied acting in college, and then she was forced to quit school, thinking that she would never have a chance to pursue her dream.

So now, even if she is just a little assistant, at least, this job is closest to her dream, and she cherishes it very much.

Painted a light makeup, put on work clothes on the door.

Just arrived at the company, her boss Sister Li came over, knocked on her desk and said, "come to the office with me."

"Oh, good."

Song Xiaoya follows Sister Li, uneasy.

Sister Li is the company's gold broker and her immediate superior.

Usually, she can't even say a word to Sister Li. How can Sister Li suddenly find her?

Standing in front of the desk, Song Xiaoya couldn't help asking, "Sister Li, what can I do for you?"

Sister Li sat down behind her desk and asked gently, "well, you've been in the company for almost a year. What do you think?"

Song Xiaoya heart pimple, "Sister Li, where do I do not good?"

Sister Li shook her head. "Don't be nervous. I just want to hear about your future plans."

Song Xiaoya next meaning clenched palm, that pair of big black and white eyes flash a trace of hesitation.

Li Jie is a famous agent of the company. The people she brings out are all super front-line, with first-class business ability.

Maybe many girls like to be big stars, but Song Xiaoya's childhood dream is to become an agent.

She vaguely felt that Sister Li was not malicious to her. Maybe it was a rare opportunity for her.

Song Xiaoya said excitedly: "Sister Li, my dream from childhood is to become a broker. No matter what kind of person you are, you can become a first-line star through your packaging. I also want to be a person like you."

Sister Li didn't expect that she would say that. She looked at Song Xiaoya's gorgeous face and chuckled, "I thought you would like to be a star."

"No, no, no!" Song Xiaoya held hands and looked very serious. "In fact My idol is you

Li elder sister a meal, immediately smile more open-minded, "in this case, then you follow me! The company decided to bring out a new person. Since you don't want to be a star and want to be an agent, you should be an agent for the new person."

"Really?"

Sister Li hasn't brought a new person for a long time. What does this mean is that she wants to cultivate her in person?

Song Xiaoya's eyes are wide open. She can't believe it's true. It's like being hit by a pie.

She bowed deeply to Sister Li, "thank you, Sister Li. I will work hard and never let you down."

Sister Li said: "some time ago you took Wenqiao, but Wenqiao has not yet officially appeared on the star entertainment, you are a brand new person, but don't worry, I will teach you! The new person the company is going to cultivate is Tian Yaoyao."

Tian Yaoyao?

Song Xiaoya's clear pupils are slightly enlarged when she hears the name.

Tian Yaoyao It shouldn't be Tian Yaoyao, right?

Seeing that her face was not right, Sister Li raised her eyebrows and asked, "what's the matter? Do you know each other?"

Song Xiaoya shook her head, "I don't know."

"It doesn't matter. I'll be familiar with it soon. Stars and agents are partners. Everything has to be business and quantity. So as a suitable agent, the first thing is to have a good relationship with artists."

“I see.”

“Wait for Tian Yaoyao to come to the company. Let me introduce you first.”

“Good!”

As they were chatting, there was a sound of ticking and high heels trampling on the marble floor at the door.

Sister Li took a look at the door and said, “here you are. Talk about Cao Cao. Cao Cao will arrive.”

Song Xiaoya looks along her line of sight.

A tall woman in a yellow skirt and sunglasses came into the room surrounded by them.

Women don’t look very old. They can’t be more than twenty at most.

A long chestnut hair casually aside, big red lips slightly pursed, not losing the charm of a woman, but also with a trace of naive, plus just the right temperament, a proper beauty.

This kind of condition even in the entertainment industry is a perfect beauty.

But Come what you fear!

Isn’t this Tian Yaoyao, one of Mu Junhao’s many ex girlfriends?

Sister Li got up, laughed affably and said, “beauty Tian, please sit down.”

“Sister Li.” Tian Yao, as her name suggests, is not only sweet in appearance, but also sweet in voice.

Li elder sister looks at Song Xiaoya who is pestle in place, frowns slightly, "Xiaoya, don't you come here? I'd like to introduce you to Tian Yaoyao, the new person our company is going to support this year. "Song Xiaoya took a deep breath and stepped forward, "Hello, Miss Tian Yaoyao!"

Tian Yaoyao's eyes were still smiling a second ago. When she was familiar with song Xiaoya's face, her smile suddenly cooled down and brought her own cool wind.

"Song Xiaoya!" Tian Yaoyao called out her name word by word. Her beautiful big eyes looked up and down at her and raised her voice. "It's you. I almost didn't recognize you just now."

"....."

Song Xiaoya from her tone, hear the taste of contempt.

I met Tian Yaoyao. She works in Meiyue.

Work needs, she painted heavy makeup every day, wearing exquisite evening dress, high-heeled shoes, at this time, she was wearing ordinary black suit pants and white shirt.

It's really changed a lot.

"Miss Tian, I'm glad to cooperate with you!"

Ignoring her hostility, song Xiaoya steps forward with a smile and reaches out to Tian Yaoyao.

They did have a festival before. If they could, she would never want to see Tian Yaoyao again in her life, but for her dream, she could put down the grudge.

After all There was no deep hatred between them.

Through that Mu Junhao, she is her imaginary rival of Tian Yaoyao.

In front of Li Jie's face, Tian Yaoyao's smile is impeccable. She reaches out to song Xiaoya and shows a sweet smile. "Xiaoya, it's great to work with you! It's just

Speaking of this, her tone stopped for a moment, looked at Sister Li, "but, I listen to Mr. Zhang say, I am the focus of the company's work in the next year, is to follow Sister Li you, how suddenly changed people? Is it because I'm so ignorant that I don't know that there's another gold medal agent in the entertainment industry?"

Song Xiaoya's smile suddenly cools down. Even Sister Li feels that Tian Yaoyao deliberately taunts song Xiaoya and frowns.

Chapter 730

Sister Li frowned and said, "although Xiaoya is a newcomer like you, she is also the focus of the company. There is a close cooperation between artists and agents. Only by uniting as one can we do a good job. I don't want anyone to be either public or private. If you really have a problem, then let it go and I will arrange another agent for you."

The expression on Tian Yaoyao's face was slightly stiff.

I didn't expect that Sister Li would protect song Xiaoya like this!

She came in on a relationship.

Song Xiaoya dressed like this is the company's uniform, just a bottom employee here.

The nail just made fell into the palm of her hand. Tian Yaoyao was gnashing her teeth in her heart, but she was smiling on her face. She spat out her tongue and said, "Sister Li, Xiaoya and I are old acquaintances. Old acquaintances have more tacit understanding. I was just joking."

Sister Li picks her eyebrows and looks at Song Xiaoya, "Xiaoya, do you want to be Tian Yaoyao's agent? I won't force you, you choose!"

Song Xiaoya has been in the company for one year. She has been diligent all the year, and she has seen it in her eyes.

Now most of the little girls are ambitious, just want to fly to the branches overnight when the Phoenix, not willing to do a good job in their hands.

In Song Xiaoya, she found her shadow when she just graduated.

The company only cultivates a new person in a year. Those artists must have agents before.

If song Xiaoya refuses, that is to say, she can only continue to go back to do odd jobs.

Worried about Sister Li's repentance, song Xiaoya didn't even think about it, so she quickly replied, "I do! I believe that the unpleasantness between Miss Tian and me is just a misunderstanding and will not affect our work."

Sister Li nodded with satisfaction. "In this case, I won't be too wordy. Now you can get to know each other. Tomorrow, Xiaoya will give me a package plan of Tian Yaoyao."

"Yes

"Let's do it first. You're all busy!"

"Yes, Sister Li." Tian Yaoyao got up first and walked towards the door in her high-heeled shoes.

“Sister Li, I’m going too.”

“Go

Wait for the two to leave the office.

Sister Li immediately took out her mobile phone from the drawer and dialed a phone to go out.

Then she got through, and her attitude became respectful. “Mr. Chen, it’s all arranged. Next, I’ll take her myself.”

“Thank you for your hard work! I’ll talk to you about the TV play you said On the other end of the phone, there was a nice voice from a gentleman.

Sister Li was surprised and said, “this is what I should do. You can rest assured that I will make Xiaoya the gold broker of the year.”

.....

Song Xiaoya follows Tian Yaoyao and walks out of the office.

Tian Yaoyao stepped on high-heeled shoes and twisted her waist to walk in front of her. She didn’t intend to pay attention to song Xiaoya at all.

While walking forward, he complained to the assistant behind him, with a trace of anger on his beautiful little face.

“Zeng Li really bullies people too much. She says I’m going to talk to her, but she finds me a new person who doesn’t know anything. It’s obvious that she bullies people! What is it? ”

She knows that song Xiaoya is right behind her, so she doesn’t want to keep her tone.

Song Xiaoya frowned into a “Sichuan” word, thinking of the task assigned to her by Sister Li just now, she cried out: “Tian Yaoyao, please wait a moment!”

Tian Yaoyao snorted coldly. As she didn’t hear it, she continued to walk forward.

Song Xiaoya knows that Tian Yaoyao is trying to embarrass herself.

If she can’t handle Tian Yaoyao, then she doesn’t need to be an agent.

Her voice raised a few points, and she said again, “Tian Yaoyao, I know you are still angry with me, but I didn’t mean to!”

Hearing this, Tian Yaoyao finally stopped.

The eyes under the sunglasses swept fiercely towards song Xiaoya, almost gnashing his teeth and growling: “Song Xiaoya, how dare I mention this to me? Hum, you wait and see. I’m sure you can’t stay in the company!”

Song Xiaoya helplessly pinched her eyebrows and explained earnestly: “I really didn’t mean to...”

Before Song Xiaoya finished, she was interrupted by Tian Yaoyao, “well, if you want to be my agent, it’s not impossible, as long as you do one thing.”

“What’s the matter?” Song Xiaoya asked in doubt.

Tian Yaoyao raised the corner of her lip, stepped on her high heels, and said a few words in her ear.

“Er...”

Song Xiaoya felt her nose awkwardly, “this kind of thing How could he listen to me? I really have nothing to do with him. I didn’t mean to break it last time...”

“Well, I won’t mention it. Don’t get excited! Tian Yaoyao, although I’m still a newcomer, I will work hard to make you a first-class star. “Tian Yaoyao’s beautiful little face showed a trace of impatience. “I don’t want to hear these words. I just ask you, do you agree? If you can call Mu Junhao to me and repeat what you interrupted that day, I will promise you to be my agent. ”

Song Xiaoya helped her forehead, “you are...”
