

Passionate 751

Chapter 751

As soon as the phone was connected, the intermediary's excited voice came along the microphone, "Miss Song, your room has been rented out! The rent is three hundred thousand a month!"

"Three hundred thousand? Are you teasing me?" Song Xiaoya replied in silence.

The apartment she lives in is on the edge of the suburb. The house price is the lowest in the whole city. It's 50000 yuan per flat. Why don't you buy a new house and rent it?

"You don't believe it! I didn't believe in such a fool at first! I'll send the rental contract to your wechat and have a look!"

"Are you kidding me? Seriously?"

See the intermediary said seriously, song Xiaoya shocked to open his mouth.

Intermediary: "more real than gold!"

"....."

After hanging up, song Xiaoya can't wait to open wechat.

Sure enough, I saw the contract sent to her by the agency, which really said the rent of 30 thousand months!

Oh, my God! How can there be such a fool in this world?

Everything is abnormal, there must be a demon, this matter how to look at all problems.

She called back to the agency, "this is too unreliable. Nowadays, people have become elite. Is there such a fool?"

"The intermediary said:" I have just verified the identity of the other party, the other party is not poor money, work convenient, so just rent your house

"....." Although song Xiaoya has doubts in her heart, she doesn't say anything more when the intermediary says so clearly.

Some people want to be unjust and give her money for nothing.

Think of this month's mortgage finally settled, song Xiaoya just that unhappy, immediately swept away.

What is a man? Three legged frogs are hard to find, two legged men run everywhere, money is the most important!

Soon it was afternoon.

Tian Yaoyao came from the outside. She went to the image design room outside to have her hair cut and make up. Then she came back to the company.

Song Xiaoya looks up and looks at the girl with delicate makeup and a long yellow skirt.

His face is like the moon of Mid Autumn Festival, his color is like flowers of spring dawn, his temples are like knives, his eyebrows are like strokes, his eyes are like peach petals, and his sunshine is like autumn.

In Song Xiaoya's mind, this ancient description of beauty emerges.

He nodded. "It's really beautiful!"

It's Mu Junhao's favorite type.

Tian Yaoyao raised her proud chin and looked like a proud princess. "That's natural. I must take Mu Shao tonight! Be his girlfriend

Song Xiaoya forced a smile on her face, "I wish you success!"

Tian Yaoyao came over mysteriously, "remember to help me later!"

"Good!" Song Xiaoya agrees.

Even without her help, Mu Junhao would like Tian Yaoyao.

Floating world.

Tian Yaoyao and song Xiaoya arrive at the reserved box half an hour in advance.

Ukiyoe's business is excellent, Tian Yaoyao found a relationship to book this box.

They asked for a pot of tea, waiting for mu Junhao to come.

Just at dinner time, the parking space at the gate of Faust is limited, so mu Junhao has to park his car in the underground parking lot.

He locked the car, walked to the elevator, turned around and glanced at the corner.

Two hugging and kissing figures came into our eyes. A closer look showed that both of them were in suits, but they were two men!

Now the social atmosphere is open, this kind of thing is not unusual.

Mu Junhao smiles, raises his feet and wants to walk away. But the next second, he takes a whole meal and shoots sharp eyes at the two people in the corner again.

One of them, of course, he knew.

Isn't that song Xiaoya's boyfriend?

He likes men?

Like a man still with Xiaoya together, that is not to show the feelings of cheating Xiaoya?

Think of this, a nameless fire in the body rub ran up.

Mu Junhao clenched his fists and came over in three or two steps. He opened the two people who were hugging each other, wrung his fists and waved them to Li Xin's face.

"Scum! I killed myself today

"Ah

It happened so suddenly that Li Xin was caught off guard and was punched by Mu Junhao.

Suddenly, his right eye was green, and the pain made his eyes black.

No matter how good tempered Rao is, he gets angry. "Mu Junhao, what are you doing?"

The man who had just been kissing Li Xin couldn't turn around when he looked at the scene. A pair of injured eyes swept back and forth between them.

"You What's your relationship? Li Xin, you lied to me

With that, he stamped his foot, bit his lip and ran away.

"No, you don't go, you listen to me!"

The man with Li Xin is one of his younger brothers. It's not easy for them to walk together. The younger brother didn't accept this kind of relationship, but he forced him to follow him. But now it's better, because of Mu Junhao's blow, their relationship is back to its original shape.

Li Xin chases after him, but mu Junhao catches him by the back collar.

"Scum, why cheat song Xiaoya's feelings

"....."

Li Xin is so angry that he wants to hit people.

He likes men! Like men! Didn't he see it with his own eyes?

In Li Xin's eyes, Mu Junhao's action is a typical mischief.

Li Xin angrily waved Mu Junhao's hand, "let go, I don't need you to mind your own business with Xiaoya!"

After roaring, he strode to catch up with his younger brother.

Looking at Li Xin's back, Mu Junhao gritted his teeth with anger. But in an instant, he raised his lips, whistled in a good mood, straightened his messy hair, stepped forward and continued to walk towards the elevator.

Li Xin likes men, that is to say, the two are out of business.

He must tell song Xiaoya the news earlier!

Mu Junhao thinks so, the footstep cannot help but become brisk.

That brainless woman, knowing that Li Xin cheated her, must be very angry, right?

When he thought of that picture, he couldn't help clapping and humming to see if she would hang up on him next time?

When Mu Junhao opens the door and comes to the box, song Xiaoya obviously sees a smug smile on his face.

As she looked at him, the other side whistled at her frivolously.

Suddenly angry song Xiaoya tightened his fist, just want to wave a fist on this incomparably flat face.

But this action falls in Tian Yaoyao's eyes, how to see how handsome!

Holding chin, two eyes straight pink stars, "Mu Shao, you come, please sit down!"

Said, also motioned to pat the position beside her.

Mu Junhao turns a deaf ear and directly steps back. He sits in the empty seat beside song Xiaoya.

“I’ll just sit here! Xiao Ya knows what I like. You can order some food!”

Mu Junhao impolitely picked up the menu on the table and threw it in front of song Xiaoya.

That arrogant appearance, song Xiaoya is a burst of grinding teeth.

“I’m not your servant. Why do you command me? I’m not going to do it. I want to eat myself!”

Song Xiaoya throws the menu back to Mu Junhao.

Chapter 752

Mu Junhao is in a good mood now, and he doesn’t have the same opinion as song Xiaoya. He smiles like a monster, showing his big white teeth and narrowing his eyes.

“OK, I’ll order it, I’ll order it!”

The waiter timely appeared at the door, “Mu Shao, two ladies, what would you like to eat?”

Mu Junhao cocked his legs, and his slender fingers made a random pass on the menu.

“This, this, this...”

Song Xiaoya looks at the menu and shakes her face muscles.

Good guy, it's all expensive!

Daren Qing didn't really look at what he ordered. Instead, he decided which item was more expensive!

Song Xiaoya subconsciously looks at Tian Yaoyao's face.

Although Tian Yaoyao is not bad for money, the smile on her face has become a little stiff.

This meal is expected to eat her limited edition LV bag.

Mu Junhao ordered Datong in one breath, then closed the menu and looked up at Tian Yaoyao, “Miss Tian, what else do you want to eat?”

“No, no! That's it!”

Tian Yaoyao waved her hand again and again, only to cry.

After ordering so many dishes, won't she really go bankrupt?

Although she is a miss of the Tian family, everyone's pocket money is limited. What's more, she is usually extravagant and has no source of income. Today's meal is really going to impoverish her.

But he invited guests, with tears also want to finish.

Ukiyo dishes are very fast, and soon they are on a big table.

Song Xiaoya was not polite at all. She picked up the chopsticks and began to eat.

After eating, we have to make room for these two!

But she waited all night, and her stomach was empty. There were so many dishes that these two people could not finish.

If you can't finish eating, you'd better let her fill her stomach first.

Young masters and young ladies of the upper class, even if they are willful and difficult, table manners are the most basic, and every upper class family attaches great importance to them.

So when Tian Yaoyao looks at Song Xiaoya's gobbling, she is shocked.

After all, Song Xiaoya is the one she brought here, which makes her a little humiliated, especially in front of the man she likes.

That pair of beautiful apricot eyes, toward Song Xiaoya crazy make eyes.

Mu Junhao mouth a draw, can't help but frown, "Song Xiaoya, how long have you not eaten?"? As for that?"

Just like the prisoners released from the prison, they put everything in their mouths and have no image at all.

In the past, any woman did not chew in front of him and did not dare to eat more.

It's the first time for him to see a woman like her who doesn't pay attention to image at all!

Think of Bai Yichen to say he likes her, he sends out a sneer in the heart, such a woman, how can he like?

What he likes is the kind of delicate and obedient woman.

Song Xiaoya receives Tian Yaoyao's eyes, so she can only quickly give the rice to Bala, and then put down her chopsticks.

"I'm full. I have something else to do. Take your time!"

He wiped his mouth, got up, grabbed his bag and was about to leave.

Tian Yaoyao was pleased, but frowned on her face and pretended to be surprised: "is there anything else going on so late? Mu Shao is still here. Can't we wait until tomorrow?"

"Do today's things, and tomorrow's things! I was going to work overtime tonight. Mu Shao is accompanied by a beautiful woman. Would you mind if I go first?"

When song Xiaoya said this, she did not forget to throw a look you know at Mu Junhao.

"....."

Mu Junhao gritted his teeth, grasped the finger of chopsticks, and poked at a prawn, "yes! With the company of a beautiful woman, get out of the way and don't get in the way of us."

Don't get in the way of him

What a bad attitude!

Song Xiaoya clenched her teeth, grinned, and showed a smiling smile. Her eyes were full of tears.

“Well! The little one will roll away!”

With that, Song Xiaoya took the bag and rolled away.

Out of the box door, the smile on her face collapsed, the whole person became dying.

In the box, Mu Junhao had no appetite, even the joy of knowing that Li Xin liked men rushed down.

Looking at the happy smile on Tian Yaoyao’s face, what else did he not understand.

Song Xiaoya! That’s great!

Time and time again, push him to another woman. When did she become a pimp?

He and Tian Yaoyao have been matched up again and again. Is that what she wants to see?

“Mu Shao ~ ~ thank you for getting the shooting quota for” Zhiyue “for me. Here’s to you!”

Tian Yaoyao takes the expensive red wine in front of her and raises her glass to Mu Junhao.

Mu Junhao frowned slightly, flashed a trace of impatience, “it’s just a little effort!” After that, drink it all.

Tian Yaoyao felt the perfunctoriness in Mu Junhao’s words, and the whole person was stunned.

She is not a dull woman.

Looking up at Mu Junhao, I saw his eyes staring at the closed door, with a trace of irritable anger on his face.

Suddenly, a strange feeling came to me.

Does Mu Junhao like song Xiaoya?

This idea jumped into my heart, and Tian Yaoyao was stunned.

Several times before, as long as song Xiaoya left, Mu Junhao's mood will become inexplicable and irritable.

Song Xiaoya said that they are brothers and sisters. Now it seems that they are not as simple as brothers and sisters, right?

"Mu Shao, what are you looking at? Is there anything at the door?" Tian Yaoyao asked knowingly.

"Nothing. I have something else to do. I'll go first! Today, thank you for your hospitality. Besides, I've got resources for you for song Xiaoya's sake. You don't have to worry about it."

Mu Junhao's words ended directly, leaving no room for reverie.

Tian Yaoyao's face turned pale.

It turns out that Mu Junhao really likes to send song Xiaoya away.

Think of this period of time, she jumped up and down, specially dressed up, she felt particularly ashamed, just want to find a hole to drill in, no longer face to see people.

Mu Junhao is so angry with song Xiaoya that he doesn't notice Tian Yaoyao's face.

He got up and chased out to the door.

Song Xiaoya sits in her scooter. As soon as she puts down her bag, before she can start the car, her mobile phone rings.

Eyebrows slightly close, pick up.

It's a call from my mother.

Listen to the urgent ring, you can know the purpose of this call.

It's a blind date.

It's worthy of mother and daughter. As soon as the phone was connected, song's mother's anxious voice came along the phone, "Xiaoya, how was your blind date with Lawyer Liu some time ago? How come I haven't seen you for such a long time?"

"Ma..." Song Xiaoya is helpless.

He rubbed his eyebrows wearily.

She has no plans to get married at all now. She just wants to work hard and become a successful woman.

chapter 753

Yu Qing made a fish soup, cooked a bowl of noodles and took it upstairs.

After some psychological construction, I thought about what I should say to my elder brother, then I raised my hand and knocked on the door.

“Dong Dong Dong!”

“Brother, are you in there?”

After several knocks, there was no sound in the study.

Looking at the noodles cooling down in her hand, Yu Qing was lost.

Big brother still doesn't want to talk to her?

Just when Yu Qing thought Li mingjue would not take care of himself and was about to turn around and go downstairs, the door of the study opened from inside.

Li mingjue stood by the door with a self mocking sneer on his thin lips.

This woman I keep saying that I love myself, but when I make a choice, I easily lose myself in the last place.

Even give him some food, can only insist on three minutes!

Is her love for him so shallow?

Seeing that Li mingjue finally opened the door for her, Yu Qing turned around and exclaimed with joy:
“big...”

However, to the cold eyes of Li mingjue, the joyful “big brother” was stuck in his throat before he could shout out.

Even the heart shook.

Li mingjue saw the change of Yu Qing's face, and his self mockery was even more serious.

Lengshen's eyes fell on the plate Yuqing was holding.

White noodles, covered with a few pieces of green leaves, sauce beef and a fried golden poached egg.

At first glance, she made it herself.

Put it on the table

Listening to the man's cold tone, Yuqing's nose is slightly sour.

She knew that she had done something wrong, but in the face of his cold attitude, she felt that something had bound her heart tightly, and it hurt indescribably.

The teeth of thin white bit to bite lip petal, lift a foot to walk toward the study inside.

Li mingjue leans slightly to make way.

Because of the difference in height, when Yu Qing passed in front of him, he could see her drooping head, and the whole person looked very aggrieved.

A thin and dense heartache came out from the bottom of my heart.

Almost instinctively, he raised his hand and tried to pull her into his arms.

Still can't do, as long as see her a little bit of grievance, he can't help but soften.

But the moment he raised his hand, he pinched his finger and forced the impulse down.

Yu Qing wanted to have a good talk with him, but in the face of such a cold Li mingjue, he couldn't say a word.

"Brother, eat while it's hot."

In the end, she just said that.

Li mingjue took a look at the chopsticks in her hand. Then he looked away and sat back on his desk and chair.

Coldly said: "put it down!"

"....."

Yu Qing put down his chopsticks and watched Li mingjue's slender fingers tapping on the keyboard. He looked very busy and stood in the middle of the study, slightly cramped.

After tightening his fingers, he hesitated: "that Brother, are you busy now? "

Hearing the words, Li mingjue stopped his action.

Lift eyelids to look at her, cold eyes, without a trace of emotion, "what else?"

"....."

Yu Qing grasped her finger. She had something to do, but she couldn't say anything in the face of such a big brother.

There was a smile on her face. "No don't worry! Since you are very busy, I will not disturb you! Noodles Eat while it's hot, it's not delicious when it's cold!"

"Well."

Li mingjue squeezed a word out of his nose and looked back at the computer screen.

I don't know if it's her illusion. She feels that elder brother seems even more unhappy!

"Then I'll go out first!"

Yu Qing didn't dare to stay any longer. She turned around and walked out of the study step by step.

Looking at the woman's thin figure disappearing at the door, Li mingjue stopped with his fingers.

Remove your eyes from the computer screen, loosen the tie on your clothes, get up, and stride to the table.

Pick up the chopsticks, pick up the noodles that have cooled down, put them in your mouth and chew them carefully.

It's the same taste as before.

Li mingjue looked at the door. The next second, he picked up the bowl and finished eating a bowl of noodles.

After a bowl of noodles, my stomach is full, and my heart seems to be full too. My anger seems to be depressed by this bowl of plain noodles.

At this time, I came back to myself. When I was in the hospital that day, Yuqing's expression was not right.

He said, how could she agree to marry him so easily?

It turned out that she was just fooling him!

Li mingjue laughed at himself, and his anger, which he managed to suppress, became irritable again. When Yu Qing came back to the room, her heart ached when she thought of her elder brother's eyes just now.

After listening to the old lady's words, her determination to leave began to waver.

She doesn't want to fight with big brother! More do not want to let big brother sad misunderstanding!

So he made noodles and wanted to have a good talk with the elder brother. He confessed the agreement between Wang Wei and her and discussed what to do next. But the elder brother had a giant attitude

No way!

You can't let big brother be angry with you any more!

Yu Qing bit her lip. Thinking of what the old lady said in her ear at dinner, her cheek burned.

She grasped the mobile phone, opened the text message and sent a message to Li mingjue.

She didn't feel anything when she usually sent this kind of news, but her nervous fingers were shaking when she thought of the old lady's words.

To put it simply, it took a long time to send it successfully.

After sending the message, she got up from the bed and pulled out a set of black pajamas from under the chest of the wardrobe.

Looking at the cool design of pajamas, Yuqing's face burns up again.

Li mingjue spent three days in the police station, squeezing a lot of work.

Can think of a woman, or no way to concentrate on work, and even feel a trace of unprecedented irritability.

Just at this time, the private mobile phone sounded a prompt tone.

He turned on his mobile phone, and when he saw the content of the message clearly, the whole person was shocked.

Staring at text messages for a long time, sexy lips gradually evoke a touch of radiant.

Only way language Qing this is to coax him, others dare not think much.

I put down my cell phone, processed five files at a time, and didn't go back to my bedroom until 10 p.m.

Back in the bedroom, the first look is to see the ksize bed in the room.

The big bed is empty. Knowing that Yuqing is sleeping in her bedroom tonight, I feel a little lost.

He first went to the bathroom to take a bath. When he got back to the bedroom, he found that the light in the bedroom had gone out.

The room fell into darkness, only the faint warm yellow light from the window came in.

Is the light in the room broken?

Li mingjue didn't do it. He thought, taking advantage of the weak light outside the window, he walked towards the big bed.

He untied his bathrobe, threw it on the sofa, opened the quilt and went in.

Chapter 754

"....." Li Xin had no choice but to help him. He just didn't want to believe him. No matter how good his temper was, his tone became heavy. "What do I do to you? Do you want to doubt my sincerity to you?"

"....."

The little object was roared by him, and he bit his lips to shed tears.

That's pathetic. I can't help but feel sorry for it.

"Alas Li Xin sighed helplessly. A cold corner in his heart softened in an instant.

Just then, the cell phone rang.

Li Xin looked at the display on the mobile phone screen. When he saw song Xiaoya's name, he was obviously stunned, and then the expression on his face softened.

"Xiaoya? Why do you call me at this time? What can I do for you?"

When Li Xin spoke to song Xiaoya in such a gentle way, his face, which had just calmed down, became cold again. He turned his lips, shook his face and wanted to leave.

Just went to a man, came to a woman, this day can't pass!

Li Xin quickly grasped his wrist and gave him a deep look, indicating that he could not go.

Although the small object is entrusted to Qu Baba, Li Xin has a lot of strength in his hand, and he can't get rid of it at all.

Song Xiaoya didn't beat around the bush and said directly, "Li Xin, are you free tomorrow? I have something to cooperate with you!"

"Cooperation?" Li Xin raises his eyebrows.

"Yes Song Xiaoya turned her eyes and said, "what's the specific cooperation? Let's meet tomorrow. It's the last time we met in the cafe where we were on a blind date!"

Although sexual orientation is everyone's freedom, after all, men like men, and they are not open enough to talk about it in public. She is worried that Li Xin will feel embarrassed and will not talk about it in detail. She plans to talk about it in person when she meets tomorrow.

When the mobile phone was opened, Li Xin felt a thump in his heart and looked at the small object.

The little object clenched his fist and looked at him with his watery eyes, like a wounded animal.

Meeting at a blind date place

All of a sudden, Li Xin became more and more confused.

"Well, that's it. I'll see you at noon."

Song Xiaoya recognized the urgency in his words and scratched her head awkwardly, "I seem to disturb you, so you should be busy first! See you tomorrow. Goodbye

"Good!"

Hang up the phone, small object a shake off Li Xin's hand, angry.

"It's a blind date and an ambiguous one, Li Xin, you liar!"

Li Xin grabs his hand so strongly that he can't move. His helpless voice, accompanied by a warm breath, blows past his ears.

"Ilan, come with me at noon tomorrow."

My brother's name is Yi An.

Smell speech, Yi an more angry, can't believe that looking at Li Xin, eyes wrongly red circle, "you go to blind date, even let me go with you, you are not human?"

Li Xin said helplessly, "don't you suspect that I'm going on a blind date and have an ambiguous partner? I'll show you who my blind date is

That means he knows the blind date?

Yi An realized that he might have misunderstood something, and his anger was instantly reduced by half.

The delicate eyebrow picked to pick, hook up lip Cape to smile, expose two small tiger teeth, look incomparably lovely.

"Is this man special? Do I know him? "

“You don’t know me for the time being, but I’m sure you will know me in the future!” Li Xinchun rubbed Yi’an’s soft hair, pretending to be mysterious.

“Well?” Yi An was more curious and blinked his big eyes. “Just tell me, who is it?”

“It may be our sister-in-law in the future.”

“Sister in law?” Yi An’s beautiful Phoenix eyes are slightly enlarged, “it’s her!”

“Well!” Li Xin nodded.

“Then how do you go on a blind date with her? Are you not afraid of brother Leng splitting you? ”

Although he said that the other party was his future sister-in-law, Li Xin quietly went to have a blind date with another woman, which made him feel bad.

Li Xin curled his fingers and played on Yi An’s bright and clean forehead, with a tone of helplessness, “naturally, brother Leng asked me to go!”

“Ah?”

“Fool! As for brother Leng’s cold temper, he immediately scares people away as soon as he sits there. ”

Yi an a face suddenly realizes, “originally is such, no wonder!”

“Don’t you get angry now?”

Li Xin raised Yi An’s chin with his slender fingers and bit him lightly on his Cherry Blossom lips.

Yi An's pretty face turned red with shame.

He pushed Li Xin away angrily. "Don't move your hands and feet in public!"

Li Xin cheekily chased after him, deliberately came to his ear and said in a dumb voice: "you mean Can I do nothing when I close the door? ""I am not! I didn't! Nonsense

Yi an a small face such as jade quickly red to ear root, cover a face, shyly ran away.

.....

The next day, as soon as song Xiaoya arrived at the company, he felt that the atmosphere was not right.

Push open the door of the office, the cold feeling is even worse.

Just put down the bag, open the computer, even the water did not come and pour, the office door was angrily pushed open.

Tian Yaoyao hands akimbo, delicate face full of anger, "Song Xiaoya, come to my Lounge!"

"....."

Song Xiaoya finally knows where the unfounded coolness just now comes from.

Tian Yaoyao!

Last night, after she left, Mu Junhao chased her out. Tian Yaoyao will not let her go today.

Alas!

What's the matter! Her life is so miserable!

Song Xiaoya has to follow Tian Yaoyao to the rest room.

As soon as she entered the door, Tian Yaoyao closed the door with her backhand. Her bewitching apricot eyes narrowed dangerously, her hands around her chest, and walked towards song Xiaoya step by step.

Song Xiaoya unconsciously stepped back and looked at Tian Yaoyao warily. "Tian Yaoyao, what do you want to do?"

"Song Xiaoya! You lied to me?" Tian Yao squinted and gritted her teeth.

Thinking of her being cheated by song Xiaoya, she wants to tear song Xiaoya's hand.

Although we say that we should pay attention to our feelings, she is not the kind of person who can't open her eyes.

But what happened between Song Xiaoya Mingming and Mu Junhao deceived her into nothing, which made her lose face in front of Mu Junhao. This is unforgivable.

Song Xiaoya's big eyes are bigger than the bell. "Tian Yaoyao, when did I cheat you?"

Tian Yaoyao is angry and reaches out her hand to support on the wall behind song Xiaoya.

"You want to cheat me? Say it! What's the relationship between you and Mu Shao?"

Song Xiaoya is not short among women, but she can't bear that Tian Yaoyao is taller than her. In addition, she is ten centimeters tall. Song Xiaoya directly feels the pride from Tian Yaoyao.

Chapter 755

Song Xiaoya helplessly rubs her forehead, "I have nothing to do with Mu Junhao? If it really matters, he said he wanted to be my brother. I really didn't cheat you!"

"Well! I don't believe it

"If you don't believe it, you can't help it. That's the truth!"

The two men were choking their necks, and no one was allowed to confront each other. Suddenly, the door of the rest room was opened from the outside.

Little assistant Xiao Tao opened his eyes and looked at the situation in front of him.

From her point of view, Song Xiaoya leans shyly against the wall, while Tian Yaoyao holds her hand beside Song Xiaoya's head.

Tian Yaoyao's head leans forward. It looks like she wants to kiss Song Xiaoya.

The assistant's eyes were wide open, and he couldn't speak easily, "Yao Sister Yao Yao, you You In What are you doing?"

Hearing the voice of how little Taohu, Song Xiaoya looks up to TIANYAO, Tian Yao also looks down at Song Xiaoya.

In this moment, Song Xiaoya's lips once wiped Tian Yaoyao's face.

Suddenly, both of them were stunned.

Song Xiaoya blinked, then fell to one side and vomited disgustedly.

“Ouch ~ ~” she even kisses Tian Yaoyao?

Oh, my God! She’s going to poke her eyes!

Tian Yaoyao’s expression of holding excrement is no better than song Xiaoya’s.

The little face, as white as jade, turned red, and pointed to song Xiaoya angrily, “Song Xiaoya, did you kiss me just now?”

“Bah! What kiss you? You’re going to hit it yourself, okay? Oh, let me throw up again

As a straight woman, she really can’t accept that she just kissed a woman!

Tian Yaoyao’s reaction is no better than her. Seeing that song Xiaoya’s reaction is so fierce, her face turns green with anger. “Song Xiaoya, I don’t dislike you. You dare to dislike me. Don’t you hear me?”

She was so tender face was her kiss, she did not vomit! What does she vomit?

Is her face so dirty?

Tian Yaoyao glares at Song Xiaoya.

Song Xiaoya feels that her stomach is tumbling. She pushes Tian Yaoyao away, covers her mouth and runs to the bathroom.

With the past Tian Yaoyao see she really spit out, small face Shua to black.

“Song Xiaoya, am I that sick? As for a kiss on my face and I’m going to vomit?”

“Don’t come here Vomit ~ ~”

Song Xiaoya smelt the perfume smell on her body, even more vomit, and spit out just once.

“.....” Tian Yaoyao clenched her hand and was so despised that her eyes turned red. She stamped her feet fiercely. “Song Xiaoya, you are really too much!”

With that, daddada, stepped out of the bathroom with high heels.

Song Xiaoya lies on the edge of the washbasin until she vomits everything in her stomach, and finally feels better.

When she came out of the bathroom, she looked pale and haggard, like a wind could blow her down.

Tian Yaoyao sits on the reclining chair and looks at Song Xiaoya. She snorts coldly, pouts her lips and glances angrily to the other side.

Song Xiaoya doesn’t want to say anything now. With a heavy step, she walks in front of Tian Yaoyao and goes straight back to the office.

Colleagues looked at her with concern, “Xiaoya, are you ok?”

“Nothing!” Song Xiaoya replied feebly.

She’s just kissing a woman. She’s a little nauseous!

Thinking of that moment, she couldn’t help vomiting again.

Unfortunately, the stomach is empty, and there is nothing to vomit.

The whole morning was empty. Until noon, he came to the cafe agreed with Li Xin.

Song Xiaoya is sitting by the sunny glass window. When Li Xin gets out of the car, he sees her at a glance.

Straight to her side, song Xiaoya is still in a daze. She can't help but smile and knock on the table.

“Xiaoya?”

Song Xiaoya instantly recovered and looked at the people with a smile, “Li Xin, you're here! Sit down

As soon as he turned around, he saw the white man behind Li Xin, and his expression became meaningful, “who is this?”

“He's my schoolboy, Yi An!” Li Xin is concise and comprehensive.

“Oh ~ ~” Song Xiaoya meaningfully lengthens her voice, with an expression I understand.

Thinking of the deal to be discussed with Li Xin today, he said directly, “I know he's your target!”

“.....”

Li Xin and Yi An, who are preparing to sit down, choke together.

Then a little embarrassed nodded.

Sister in law is sister in law, direct enough!

Song Xiaoya squinted, a face of gossip expression, "just don't know is a boyfriend or a girlfriend?"

"Er..."

Li Xin said with a smile: "I formally introduce him to you. He is my girlfriend Yi An." Yi An blushed to her ears, and immediately raised her paws, like an enraged kitten, "I'm a man! I'm my boyfriend"

"Good boy

Li Xin looked at her lovely daughter-in-law, her eyes filled with a gentle smile.

Reach out to hand, on Yi An's hairy head, the kitten patted along the hair.

Yi An, who was angry and hairy a second ago, was like a kitten in Fushun. She was very clever.

Someone who has been stuffed with a mouthful of dog food for no reason

Where is she? What is she doing?

Yi An is the kind of clean and pure boy. Li Xin smiles like an old fox. As expected, one thing comes down one thing. It looks like a good match.

Oh, poor lings!

"Sister in law? What are you talking about? You were shouting "big brother!"

Yi An's clear and pure voice, as clean as his own temperament, has been passed on to song Xiaoya's ears and is very useful.

Song Xiaoya looked back and blinked, “ah, what sister-in-law? What big brother?”

Yi An realized that he had made a slip of the tongue and waved his hand with a smile, “what sister-in-law? I didn’t say anything just now

“?” Song Xiaoya frowned suspiciously.

Did she just listen? She clearly heard him calling for his sister-in-law!

However, how could she be his sister-in-law? She must have been hallucinating!

“Cough!” Song Xiaoya straightened up and said, “Li Xin, I’m here today because you don’t like me, or you don’t like my attributes, so I want to cooperate with you!”

“What do you say?”

Li Xin sat down in the seat opposite her, looking very attentive.

“Didn’t you say that you had to go on a blind date with me because of the pressure of your family last time? I happen to be pressed at home. You don’t like me, and I don’t mean that to you. Let’s pretend to communicate, so that we can perfectly block the mouth of both parents. ”

Song Xiaoya’s words, Li Xin is no accident.

He investigated her information and knew that song’s mother was pressing hard.

He doesn’t care. He just doesn’t want to go on a blind date with other women, but it’s song Xiaoya. I’m afraid it’s hard for him to explain

When Li Xin was still hesitating, suddenly a figure rushed out beside him.

Before people arrive, the fierce cold wind comes first.

Then, the cold voice with ice toward her smashed, "Song Xiaoya, are you a pig?"

Chapter 756

Song Xiaoya heard the familiar voice, immediately turned back, on a dark handsome face.

Suddenly, the clear pupil opened wide, a face surprised: "Mu Junhao? What are you doing here?"

These days is the ghost, where can meet this person!

Mu Junhao saw her early in the morning, and just wanted to come and say hello to her. He found that Li Xin was there, too. He was so angry.

He has made it clear to her that Li Xin likes men. Why doesn't she listen to advice?

Does she like Li Xin so much

As long as Mu Junhao thinks that song xiaoyaming knows that Li Xin likes men and has a blind date with him here, he is very angry.

He grabs song Xiaoya's hand and takes her to the door.

"Follow me!"

"Hello, Mu Junhao! What are you up to? Let me go quickly Song Xiaoya didn't know what happened, and she was speechless for a while.

"Song Xiaoya, you are a pig!" Mu Junhao gritted his teeth and cursed.

Li Xin frowned and immediately got up, holding Song Xiaoya's other hand.

He asked Mu Junhao in a cold voice: "Mu Shao, what are you doing?"

"Let go of your hand!"

Mu Junhao's cold eyes fall on Li Xin's hand holding Song Xiaoya.

If his eyes were a knife, Li Xin would have died at this time.

Li Xin was angry and laughed by Mu Junhao's unreasonable appearance, "is it you Mu Shao who make trouble for no reason?"

Because of the movement here, the other guests in the coffee shop looked towards this side one after another.

Whisper.

"What happened?"

"It seems that two men are robbing a woman..."

"It's a good play!"

"....." Song Xiaoya shook off their hands and said in silence, "what do you want, Mu Junhao? What do you have to say here? What does it look like?"

"You

Mu Junhao's chest heaved violently and his lung was about to explode.

Good heart as donkey liver lung!

Come on! He's a meddler!

He put out his finger and poked Song Xiaoya's head, "pig brain! Don't cry when you are sold!"

With that, he seemed to be annoyed by her. He threw off his sleeve and left the cafe.

Big long legs strode to the door and muttered angrily: "pig! Pigs are not as good as pigs"

"I don't know!" Song Xiaoya rubs the head that is pricked by him and scolds Mu Junhao in a low voice.

Li Xin looks at Mu Junhao's angry back, and then looks at Song Xiaoya's dislike. His eyes flash a little light under the lens.

Mu Shao won't like Song Xiaoya, will he?

Fortunately, Song Xiaoya doesn't seem to like Mu Shao.

Do you want to report this to elder brother?

When Li Xin was struggling, Yi'an pulled his sleeve behind him. He was angry on his white face and said in a low voice, "isn't that man who hit you yesterday?"

"Well." Li Xin said with a smile: "now I know you have wronged me, right?"

"Sorry..." Yi An Gu puffed up her cheeks and lowered her head in shame.

“Fool, just trust me next time!” Li Xin said gently.

Yi An thought and nodded heavily.

“.....” Li Xin looks at Yi An’s lovely appearance, and her eyes turn dark.

My daughter-in-law is so lovely. I really want to kiss her.

But I held back.

So many people look at them. If he dares to come, Yi An will not pay attention to him for a month.

Originally the mood is very good, because Mu Junhao this make, song Xiaoya mood depressed to the extreme.

“Li Xin, I’m sorry! That’s what he is

“Nothing!” Li Xin magnanimously waved his hand, eyebrow tail a pick, tentatively asked: “Xiaoya, I can ask you, what is the relationship between you and Mu Shao? If it is not convenient to answer, you may not answer this question!”

It’s her privacy, after all.

Song Xiaoya frowned and looked at Li Xin with a serious face.

Why are people asking about her relationship with Mu Junhao these days?

They have nothing to do with each other!

Song Xiaoya thought about it carefully and replied cautiously: "he said he would be my brother! He used to be my boss! "

"Just my brother?"

"Of course!" Song Xiaoya frowned a little more and asked with some doubt: "Li Xin, why do you ask like this?"

"Nothing!" Li Xin breathed a sigh of relief.

I almost thought my sister-in-law would fly with other men!

However, to be on the safe side, he had better tell big brother about it as soon as possible!

"Xiaoya, I have something to do today. That's what I want to say today?" Li Xin looked at the diamond watch on his wrist. He has something else to do today. He takes time to meet Song Xiaoya at noon.

"I'm sorry to trouble you all the time when you are so busy!" Song Xiaoya felt very ashamed, but he thought of something and said, "Li Xin, can I ask you something?"

"You say it

Sister in law's business is his business.

Even if he can't handle things, big brother will handle them for her!

I didn't expect Li Xin to say that. Song Xiaoya scratched her head in embarrassment. "It's my mother's side. She called me to go home on Sunday yesterday. Can you go back with me?"

Li Xin chuckled, "I thought it was something! No problem, call me then! "

“Thank you

Song Xiaoya sincerely thanks.

She knew that Li Xin was very busy, and she didn't forget to help her when she was busy, which made her very moved.

Li Xin said with a smile, “didn't we reach an agreement just now? Why are you so polite? Maybe I need your help too! ”

Song Xiaoya immediately patted her chest and promised, “it's easy to say. If you need my help, you can say it directly! As long as I can do it, I will be duty bound! ”

“That's settled!”

“Goodbye!”

“Goodbye!”

It's Sunday in the twinkling of an eye.

These days, Mu Junhao did not appear in front of her again, and after the tenant paid, there was no information. Song Xiaoya soon forgot about it.

These days, life is quiet, and she also from the beginning of the loss, loneliness, to now accept.

After a short period of ups and downs, the day returned to the sunrise and sunset, a dull but full life.

On Sunday, song Xiaoya comes to her mother's home with the clothes and nutrition she bought for her.

Four years ago, song's mother found a new wife, Wang Jianguo.

Wang Jianguo used to be a people's teacher. Now he retired and wrote in a magazine.

The most important thing is that he is very kind to his mother. Song Xiaoya is very happy for her.

But there was a strange man at home. She couldn't live at home any more, so she gritted her teeth and bought the small apartment.

Although the room is small, she has a small nest to accommodate herself.

Chapter 757

Song's mother was very happy to see her go home. She happily took the bag in her hand. She said with a pretentious reproach: "go home, how can you buy so many things?"

"It's cold. I bought you a sweater. Let's see if it fits! This is Uncle Wang's, and yours is for lovers

Song Xiaoya pushes her mother to the room to try on her clothes and winks at her.

It happened that Wang Jianguo was also at home.

Hearing song Xiaoya's voice, Wang Jianguo poked his head out of the kitchen.

"Xiaoya, you're back!"

“Uncle Wang!”

Song’s mother greets Wang Jianguo with a smile, “old man, Xiaoya bought clothes for you. Come and have a try!”

Wang Jianguo was very happy. After washing his hands, he came out of the kitchen, took his clothes and went to the bedroom to try them on.

Soon, they changed their clothes and came out.

Song Xiaoya has a good eye. Her clothes fit well, just like those made to measure.

Looking at the price on the label, song’s mother felt a pain, “you child, I should say you are good. You told me not to buy clothes, but you didn’t listen. Such expensive clothes are a waste of money!”

Although the mouth blame, but in fact the heart can not say happy.

Who is not happy that their children are filial to themselves?

Wang Jianguo was also very happy, “thank you, Xiaoya. Uncle likes your gift very much! I’ll stay here for lunch today. My uncle cooks himself!”

Wang Jianguo is a good cook.

Song Xiaoya said, “I want to eat squirrel mandarin fish!”

“Little greedy insect, your uncle Wang knows you love to eat, and has already prepared it!” Song’s mother joked.

Song Xiaoya was moved, "Uncle Wang is so nice!"

Wang Jianguo said, "don't stand and talk. Go to the sofa and eat some fruit."

"Come on, eat the fruit!"

Song's mother takes Song Xiaoya to the living room.

After chatting for a while, Song's mother talked about what she was most concerned about.

"Xiaoya, how are you getting along with that lawyer Li?"

Song Xiaoya knocked apple, "Mom, wait a moment, lawyer Li will come home, I'm afraid you will be scared, so I'll come back to tell you."

She knew that that was the point. Fortunately, she had already made plans.

Song Xiaoya just finished, the mobile phone on the table rang.

Take it up and it's Li Xin.

"You see, I just mentioned him and he called. I'm going down to meet him now."

On hearing that Li Xin came to the house, Song's mother became nervous, "did you say he came to the house? Why didn't you say that earlier? I'll clean up my house. Look, I'm not ready for anything? Don't neglect others

"Mom, you don't need to be so nervous. Just be casual."

“What’s the point? I’ll go out and buy some more vegetables!” With that, song’s mother got up and went out.

Song Xiaoya grabs her, presses her shoulder, and asks her to sit back on the sofa. “There are enough dishes. There’s no need to do anything more! Make yourself at home, or people will be scared away by you. I don’t know, I think your daughter can’t get married!”

“All right, it’s up to you!”

Song’s mother couldn’t stop being happy.

When her daughter can find such an excellent boyfriend as lawyer Li, she can raise her head in front of the neighborhood leaders.

Especially in front of the Song family, let those people see that her daughter is no worse than her son!

Song Xiaoya changed her shoes and went out to the gate of the community.

Sitting in the car, Li Xin sees Xiaoya’s figure, opens the door and gets out of the car.

“Xiaoya!”

Song Xiaoya looked at a lot of gifts in Li Xin’s hand and was very embarrassed, “how can I buy gifts? How funny that is

“I didn’t buy these gifts!”

“?” Song Xiaoya took the gift.

Li Xin explained, “brother Leng bought this. Just now Brother Leng and I just went out to do something.”

“Leng Si?” Song Xiaoya looks into Li Xin’s car and vaguely sees a figure of Wei’an in the back seat.

“.....”

Leng Si is here, and the gift is bought by Leng Si. It seems that people can’t say without inviting her.

Song Xiaoya knocked on the car window and said politely, “Mr. Leng, if you don’t dislike it, would you like to come down to my house for a meal?”

With Leng Si’s temperament, song Xiaoya thinks that most of him will not agree with himself.

In his cold appearance, he was like a banished immortal, who didn’t eat fireworks.

However, to her surprise, Leng Si actually opened the door and got out of the car.

Without a word of courtesy, he said in his usual cold voice, “that’s the trouble!”

“.....”

Why doesn’t this man play according to common sense?

Take two men home at the same time, won’t mom be scared? But all the words have been said, and there is no reason to take them back.

Song Xiaoya put a smile on her face and said politely, “please!”

Back home, song’s mother looked at the two tall and straight men standing at the door, a little stunned for a moment.

Song's mother saw Li Xin's photo and knew that Li Xin was handsome, but she didn't expect that she was more handsome.

"Hello, aunt, I'm Li Xin!"

"How are you, lawyer Li! Ouch, you come to your house. What else do you buy? "

Song's mother was very satisfied with Li Xin. She was even more happy to see the big and small bags of expensive gifts.

"It should be! This is my friend, Lance

"Hello, Mr. Leng!"

"Hello, aunt!"

Ouch, mother song is full of joy and can't express her satisfaction.

This man, lengsi, is a little taller than Li Xin. His facial features are more profound, but his breath is cold.

"Lawyer Li, Mr. Leng, please take a seat quickly!"

The clothes on Li Xin and Leng Si are either brand-name or custom-made, which is not in line with the simple painting style of the room.

Song Xiaoya's heart is actually a little uneasy, they will not dislike it?

But her worry was totally superfluous. Leng Si and Li Xin didn't change their faces. They naturally sat down on the sofa.

“Auntie’s home is very warm!” Li Xin looked at the room and said with a smile.

“What is warm is that the house is small and everything is crowded together. Xiao Li, your mouth is so sweet!”

Li Xin’s mouth is so eloquent that his mother is very happy to be coaxed by him.

Even call call from polite lawyer Li, into Xiao Li.

When the two young people sat down at home, they felt that the small room was even more crowded, which made her think of a word, “pengbi Shenghui!”

Song’s mother looked up and down at Leng Si with a pair of smart eyes.

A stiff suit wrapped in a model like figure, black shoes, wrist between the diamond watch shining, full of noble, a look is not ordinary people.

Song’s mother smiles and asks, “Mr. Leng, are you also a lawyer?”

Leng Si slightly bowed his head and truthfully replied, “I’m not. I don’t have a regular job.”

No fixed movement?

Song’s mother’s enthusiasm suddenly cooled down, but she didn’t show it.

“Xiao Li, Mr. Leng, you are welcome to eat fruit!”

“You are welcome, aunt.”

When Leng Si talks, he can’t help looking at the busy song Xiaoya.

Chapter 758

Song's mother saw a flash of light in her eyes.

While cooking, song's mother pulls song Xiaoya aside, "Xiaoya, what's going on? Does Mr. Leng like you?"

"No! Mom, don't talk nonsense! Leng is always a famous producer in the circle. He is worth hundreds of millions. How can he look up to me!" Song Xiaoya thinks that his mother is talking nonsense.

"Worth hundreds of millions?" Mother song's eyes brightened.

Isn't that richer than Li Xin?

Song Xiaoya frowned and looked at the door. She put it in Song's mother's ear and whispered, "Mom, that's Li Xin's friend. A man like that can't take a fancy to me. Don't make a fool of yourself

"I know! Do you want to tell me such a simple truth?"

Song's mother said with regret.

Leng Si looks better than Li Xin. It's a pity.

If a woman can marry this lengsi, she will have a better future than Li Xin.

Wang Jianguo quickly cooked a table of food, and he kept the Baijiu he kept for a long time.

“It’s a wine I’ve treasured for several years. I don’t know how it tastes. Let’s try it together.”

Wang Jianguo likes that wine.

What he said about the fine wine that has been treasured for several years is nothing more than a thousand yuan wine on the market.

This kind of wine is not enough to see in front of Li Xin and Leng Si, but it is already a wonderful thing in their eyes.

That’s the difference between the rich and the ordinary.

Song Xiaoya is biting the chopsticks, and suddenly he has some bad taste in his heart.

A single bottle of wine can separate people from each other.

She and these people are not in the same world at all.

Leng Si stretched out his long white fingers and took the wine cup in Wang Jianguo’s hand very gentlemanly. “Thank you!”

With that, he put the glass to his mouth and tasted a little, “good wine! Thank you, uncle! ”

Li Xin waved his hand, “don’t blame Uncle Wang! I’ll drive later. Let brother Leng drink with you! ”

“.....” Song Xiaoya biting chopsticks, looking at Leng Si’s eyes become sympathetic.

Li Xin is so good to Yi’an, but to Leng si It’s not as close to Yi’an in any way.

Thinking of this, it's not worth a while for Leng.

At the same time in the heart of the Li Xin labeled slag man!

Alas, your circle is so chaotic!

But in other words, Leng Sina's aura of being able to freeze to death is obviously stronger than Li Xin's, and Yi'an is a obedient little sheep. No wonder Li Xin is more gentle to Yi'an than Leng Sina.

Maybe Leng Si and Li Xin, Li Xin is the "girlfriend"?

Song Xiaoya slowly chews the white rice and shakes her head in her heart.

Song's mother slapped her on the forehead and said, "what's the matter? Give Mr. Leng a meal!"

"Mom, why are you hitting me on the head?" Song Xiaoya almost choked on a mouthful of rice and rubbed her head in pain.

"Dinner for Mr. Leng!" Mother song gouged out her eyes.

"Yes..." Song Xiaoya pursed wrongly.

Leng Si's indifferent eyes fell on Song Xiaoya's angry face, her thin lips slightly hooked, and said with a smile, "I'll do it myself."

This smile, like spring flowers, branches out of the bud, suddenly the whole world is beautiful, full of laughter.

It turns out that Leng Si looks so good when she laughs!

“How could you laugh?” Song Xiaoya opens her mouth with exaggeration.

It’s the first time she’s ever seen lengsi smile.

It turns out that ice pimple looks so good when she laughs!

“Mr. Leng, you have a good smile. You should smile more often.”

Leng Si coughed awkwardly, and her ears turned red. “Later I’ll laugh more.”

Li Xin looked at Leng Si’s shy appearance and worried about him in his heart.

So thin skinned, when can I catch my sister-in-law?

At the dinner table, Wang Jianguo kept adding wine to lengsi.

And Leng Si even refused to come, just accompanied Wang Jianguo to have a good drink.

A bottle of wine bottomed out, Wang Jianguo drank a big red face, and Leng Si’s face did not change.

For a long-term social person like him, this wine is nothing at all.

Looking at Leng Si without any dislike, song Xiaoya is relieved.

A table of people are enjoying themselves, song Xiaoya’s mobile phone on the table rings.

She picked up her mobile phone and saw that it was Mu Junhao.

“You eat, I’ll take a call.”

Song Xiaoya got up and came to the balcony to pick up the phone, "Mu Shao, what's the matter?"

Song Xiaoya is a nervous person. Although she knows that she likes Mu Junhao, she is not the kind of person who can't think of it. Since she knows that there is no result with Mu Junhao, she won't be entangled in this matter any more.

Mu Junhao holding a bat, listening to the voice on the phone, Jun face unhappy to sink down."Can't I call you without anything?"

Song Xiaoya

He is neither her boss nor her tenant. Does she have to contact him?

Mu Junhao thought of the purpose of the call, no good way: "where are you now? Come to Chenxin golf course at once. You can get there in half an hour

Song Xiaoya said, "why should I listen to you? No

"Song Xiaoya, you are so beautiful!"

Mu Junhao was so angry that his liver ached.

He made an appointment with Gao Dao of global entertainment to play golf today.

I want to introduce song Xiaoya to Gao Dao and open up her contacts in the entertainment circle.

This guy looks ungrateful!

Mu Junhao forced his temper and took a deep breath. "I asked Gao Dao to be here, and I'll be there in half an hour."

Gao Dao?

There is no doubt about Gao Dao's position in the entertainment circle. All the films he deals with are very popular.

This is really a good opportunity.

But

She turned and looked into the room.

Cruel cruel, refused: "I have guests at home, I will not go, I wish you have a good time!"

"What?" Mu Junhao instantly became angry, "what kind of guests, is it important to have a job?"

He'll regret it after yelling.

He really had a temporary idea today. He didn't consider whether Song Xiaoya had time or not.

Song Xiaoya is roared by his bad attitude, and doesn't want to go any more.

She really wants to get to know her own contacts, but now she doesn't want to get involved with Mu Junhao any more.

Li Xin came home to help her. She can't leave him here.

"Mu Junhao, thank you for your kindness. I really have something to do!"

“.....”

Song Xiaoya serious tone, let Mu Junhao Leng for a while, in the heart unexpectedly flashed a little lost.

In the past, song Xiaoya called and waved to him, and never refused his request. But since the incident happened on the cruise ship, she began to treat him coldly and never listen to him.

“What kind of guest makes you attach so much importance to...” Don’t even get to know Gao Dao?

Before Mu Junhao’s words were finished, a clear male voice came from the other end of the phone.

“Xiaoya, do you have a tissue?”

“Yes, I’ll come right away!”

Song Xiaoya rushed to the end of the phone and said, “I have something to do. Hang up first!”

Mu Junhao was stunned.

Was that Li Xin’s voice just now?

Chapter 759

Mu Junhao recovered from his stupidity and yelled at the phone: “Song Xiaoya! Is Li Xin in your house? Are you with him?”

“Yes! Is there a problem?” Song Xiaoya casually replied, “I’m dead!”

Listening to the blind voice on the phone, Mu Junhao is a fool.

“Damn it

Rongba came over and patted him on the shoulder, “brother Hao, what’s the matter with you? I called you a long time ago. What happened?”

Mu Junhao turned his head and looked at Rong Ba, “Xiao RongZi, let me ask you a question.”

“What?”

“A woman knows her boyfriend doesn’t like women, so why do she associate with this man?”

“..... Wait, I’m confused by you. What boyfriends like men and women?”

“.....” Mu Junhao helps the forehead.

On emotional issues, he discussed with solo, a mother and fetus.

“Come on, it’s OK. Let’s play again!”

“That’s right! Don’t worry about it. Love is the most complicated thing in the world. If you like to be together, don’t force yourself to be together. It’s so simple!”

“You son of a bitch, you can’t see that there are still a lot of principles.”

Rong Ba said: “brother Hao, you have been staying in the women’s pile for a long time. Have you been numb to your feelings for a long time?”

“.....” Crouching trough, this guy is right!

Mu Junhao took hold of Rong’s neck and said, “smelly boy, you dare to tease me, or I will beat you!”

As soon as Mu Junhao’s threatening words came out, Rong Ba covered his head and exaggerated: “brother Bei, brother Hao is going to beat me!”

“.....”

What’s the matter with him today? One or two of them are riding on his head.

What’s the matter with him recently? Why do you always think about song Xiaoya?

It must be because I am ashamed of her, so I want to make up for her! It must be!

However, this silly woman, mixing with that man Li Xin, has a worrying IQ!

.....

After a meal, song Xiaoya gets up to say goodbye to his mother.

This day is probably the happiest day for song’s mother. Before she left, she secretly took song Xiaoya’s hand to her bedroom and told her again.

The main idea is to firmly grasp Li Xin and this kind of son-in-law, Balabala

When Song Xiaoya heard that her ears began to cocoon, her left ear went in and her right ear went out, but she didn't care at all.

"Ma, I see. You can rest assured now! Don't look for a blind date for me in the future!"

"OK, you think Mom likes to do this kind of thankless thing, not for your own good!"

"I know Mom's good for me. I'll go first!"

Li Xin and Leng Si also bid farewell to Song Mu and Wang Jianguo.

Go to the community downstairs, Song Xiaoya quite embarrassed, "today's reception is not good, please forgive me!"

"Don't be so polite!"

"Very good!" Leng Si spoke solemnly.

That pair of black Yaoshi eyes, probably because of drinking wine, like a pool of spring water.

Song Xiaoya saw Leng Si for the first time and was amused by his serious manner.

He didn't know he was being polite?

"I'll go back to my apartment, you two, be careful on the way!" Song Xiaoya said goodbye to them.

Li Xin took a look at Leng Si and received the look in each other's eyes. He said: "Xiaoya, I have something to do at noon. Leng Ge drank some wine. Can you help me send Leng Ge home?"

"Ah?" Song Xiaoya blinked.

She's not really familiar with Leng Si.

Besides, Leng Si is full of cold breath. She has no confidence to get along with him alone.

"Is there any difficulty? What are you doing

"It's all right, it's all right! It's just

It's fine today and Sunday, but I'll take Leng Si home alone

Forget it, if you can have a good relationship with a big man like Leng Si, maybe you can get some more resources for Tian Yaoyao.

Thinking of this, Song Xiaoya happily promised: "OK, I'll send Mr. Leng home."

Mr. Leng?

Leng Si frowned and looked colder.

She didn't really like herself!

She would call Li Xin's name affectionately, but she always called him Mr. Leng politely and distantly.

Li Xin understood Leng Si's thoughts in a second, and laughed: "Xiaoya, don't call Leng Zong Leng, you can call him by his name. We all know him. It's also a kind of fate to have dinner at a table. If you call him that again, you'll see it!"

Song Xiaoya: "cold Leng si..."

Wen Yan, Leng Si's face finally eased a little, nodded, "I'll call you Xiaoya later."

"....."

Can't you show an expression for this ice lump? How could she shiver on this sunny day?

After Li Xin greets song Xiaoya, he says goodbye to them. Alone, song Xiaoya feels embarrassed, "Leng Si, please!"

Leng Si bent down and sat in her little polo. She always felt Leng Si couldn't even straighten her back.

Song Xiaoya scratched her nose sheepishly, "that I'll take you home now. Where's your home address? "

Leng Si casually reported an address, "Wangchen garden."

Wangchen garden is a real estate of Diwang in B city. Every inch of land and money can't be bought.

Song Xiaoya smacks her tongue secretly. If she is really rich!

Song Xiaoya doesn't speak any more and drives silently with the steering wheel.

But always feel behind a pair of eyes staring at the back of her head, that eye is too hot, even if she wants to ignore are difficult.

"....." Song Xiaoya's subconscious mind is tight.

In addition to the sound of two people breathing in the car, one is more silent than the other.

Song Xiaoya couldn't stand the atmosphere and racked her brains to think about the topic.

When waiting for the red light, Song Xiaoya asked casually: "Leng Si, you must not be used to eating just now?"

"Well?"

Leng Si's sexy voice comes out from the throat, sexy and provocative.

"You're not used to plain food, are you?" Song Xiaoya said again.

"No! The food is delicious

Leng Si takes back his eyes and looks out of the window. Suddenly, his eyes become lonely.

He had eaten the worst food in the world, robbed food from beggars under the bridge, and almost died of starvation and freezing

Song Xiaoya sees the expression on Leng Si's face clearly through the rear-view mirror, and she has a good heart.

Did she just say something she shouldn't have said?

Why does he look unhappy!

What an elusive man.

Song Xiaoya shakes her head, purses her lips tightly and doesn't speak any more.

More said and more wrong, a little inattention may make him angry.

An hour later, the car stopped at the gate of Wangchen garden.

“Leng Si, the outside car can’t get in. I can only take you here!”

“Trouble you!”

Leng Si’s fingers on his side were tightly held together, and the sentence “do you want to go up and sit down?” was held in his throat.

Song Xiaoya looked at him suspiciously, “do you have anything else to say?”

“No No, Be safe on the way back! ”

Still can’t say!

Leng Si finished in a hurry, ran away and strode to the gate.

“.....” Song Xiaoya scratched her head.

Does she look terrible?

What a freak this Leng Si is!

Song Xiaoya’s car left, Leng Si just came out of the shadow.

Looking at the direction of the car driving away, the cold corners of the lips evoke a gentle smile.

Now is not the time to tell her the truth. When she accepts him, he will tell her that!

Would she dislike him when she knew the truth?

Thinking of this problem, his heart became uneasy again.

Chapter 760

As soon as Song Xiaoya arrived at the company, Sister Li patted her on the shoulder and said, "I'll take you to a dinner party at noon and arrange the work in the morning!"

"Dinner?" Song Xiaoya said in surprise, "what kind of dinner? Do I have anything to prepare?"

"Don't be nervous. They are all my friends in the circle. The main purpose is to introduce you to everyone. Just be polite and smart."

"Good! Thank you, Sister Li

Sister Li personally brings her to know the people in the circle, which makes Song Xiaoya feel very excited. At the same time, she is very grateful for her appreciation.

On such occasions, Song Xiaoya, as a junior, naturally wants to drink.

I don't know how much I drank. When my brain was dizzy, the mobile phone in my bag rang.

Song Xiaoya took out her mobile phone and saw that it was a strange phone number.

"Excuse me, I'll go out and answer the phone!"

“Go on, come back and let’s drink again!”

Song Xiaoya’s drinking capacity is very good. She drinks a table of people by herself.

In addition, song Xiaoya is sweet and industrious. She is also the person that Sister Li brought with her. Everyone likes her very much.

Song Xiaoya said with a smile: “OK, come back and drink!”

When she went to the quiet corridor and rubbed her temples, she picked up the phone and said, “Hello, this is song Xiaoya. May I ask you for Who are you looking for

“Miss Song, please come to the police station!”

“What? Police station? ”

Hearing the speech, song Xiaoya wakes up more than half.

Hung up the phone, song Xiaoya immediately turned back to the room, pushed open the door, toward the people all over the table, sorry to say: “I’m sorry! I have something urgent to leave now. ”

Sister Li asked anxiously, “Xiaoya, what happened? Can you leave alone as you are? ”

Song Xiaoya had drunk a lot of wine just now, but Sister Li was a little worried.

In fact, song Xiaoya is drunk, but she doesn’t want to trouble Sister Li. She insists on her spirit and shows a reassuring smile, “I can, I’m not drunk!”

And People from the police station

If you let Sister Li know that two big men do such things in the street, it will make people laugh.

Li elder sister didn't force, but still not at ease to tell a way: "that you should be careful on the road!"

"Thank you, Sister Li. I'll go first."

After saying goodbye to everyone, song Xiaoya takes a taxi at the door of the hotel and goes directly to the police station.

Explained the intention, the police took song Xiaoya to an office.

Looking at the two awkward men in the room, the police officer shook his head helplessly, "you go in and have a good talk with them. They fight because of you."

An hour ago.

Mu Junhao inspected Lacrosse's department store. Unfortunately, he happened to see Li Xin and Yi An buying clothes in the store.

Mu Junhao was furious immediately.

Without saying a word, he wriggled his fist and hit Li Xin in the face.

Li Xin was stunned by him.

Last time I was beaten by Mu Junhao, I was already tolerant. Once again I was beaten, and my temper was drawn out.

Not at all polite, the backhand returned Mu Junhao one punch.

One to two, two people in front of a shopping mall, scuffle together.

It is said that the police did not separate the two until they arrived.

Song Xiaoya a burst of embarrassment, “trouble the police officer.”

Mu Junhao and Li Xin fight because of her?

She felt that it must be a beautiful mistake.

Mu Junhao and Li Xin are sitting on the bench in the office, facing both sides, ignoring each other.

Yi An sits beside Li Xin, his big watery eyes glare at Mu Junhao fiercely, as if to make a hole in Mu Junhao’s noble figure.

And Mu Junhao, with an unlighted cigarette in his mouth, with his legs up and his nostrils up in the sky, has the most tugging expression of Laozi in the world.

Song Xiaoya looked at the two men’s black and blue face, some can’t laugh or cry.

Her eyes stayed on Mu Junhao’s face for two seconds, then she looked at Li Xin and asked anxiously, “Li Xin, are you ok?”

When Li Xin saw song Xiaoya, his face was a little better. “I’m fine. I’ll let you go. I’m in trouble!”

Song Xiaoya turned her eyes slightly and asked, “what’s the matter with you?”

“Mu Shao seems to have misunderstood something. Why don’t you explain it to him?” Li Xin glanced at Mu Junhao and said knowingly.

“Misunderstanding? What misunderstanding?” Song Xiaoya is at a loss.

She did not know that Mu Junhao had beaten Li Xin in the parking lot.

Before Li Xin could answer, Yi An gave a cold hum and said angrily, “you have to ask your friend this question! Brother Xin, let’s go

Yi An is more angry than Li Xin when his lover is beaten.

He had never seen such a vexatious person come up and beat people without saying anything. Isn’t that a bully?

Yi An pulls Li Xin to leave.

Li Xin gets up with the strength of Yi An’s hand and says to song Xiaoya, “Xiaoya, let’s go first.”

“All right, you go first! Be careful on the way Song Xiaoya waved to them.

At first, Mu Junhao was facing the other side. At this time, he subconsciously moved his body and turned his face to song Xiaoya.

Since Song Xiaoya came in, he has never said a word.

His heart was very depressed.

Although Li Xin didn’t get anything good from him, he was caught by Yi An and left a red nail mark on his face.

His beauty was destroyed by that sissy!

Depressed! I don't want to say anything!

Song Xiaoya sees his little actions in her eyes, and her anger rushes upward.

With a strong temper, he yelled at the man: "come out with me!"

"Hum!"

Mu Junhao snorted coldly, cocked his legs and didn't even bother to give her a look.

Song Xiaoya

Today's dinner party is full of big men in the same trade. It's hard to see each other at ordinary times. It's this guy who makes her miss such a good opportunity.

Think of this, song Xiaoya a burst of liver pain.

What's more, she drank a lot of wine and came to the police station to pick him up. He didn't know how to repent at all. On the contrary, what's the matter with the expression that she owed him?

If this person was her son, she would have beaten him so hard that he didn't even know his mother!

This person is typical of beating!

"Do you like to go or not? Since you like this place so much, you'd better stay here!"

With that, song Xiaoya ignored him, stepped on high heels, turned and walked out of the room.

"....."

Mu Junhao was stunned for a moment. Seeing that Song Xiaoya really left, he quickly got up and went out with him.

“Song Xiaoya, wait for me!”

Song Xiaoya stops, suddenly turns back, reaches out her hand, and looks at Mu Junhao’s flat face. Without thinking about it, she shoots it directly.

A series of movements, even without breathing.

“Pa!” Let’s hear it.

Mu Junhao’s face was deflected, and the whole person was dumbfounded.
