## Chapter 128 – Pushing Xuan Xuan down

“Eh, Yunxuan, why did you close your door? The warm air from the air conditioner will not enter your room.”

“Mum, I’m not cold.”

“Then I will switch the air conditioner off. Don’t waste electricity. Sleep early.”

“Ok. Goodnight.”

After Qu Yunxuan finishes talking to her mother from her room, she switches off the lights. She sat down in her skinned-colored long johns and took off her socks. She turned to look at Dong Xuebing and then got under her pink blanket. She laid on her pillow and moved to the right side of her small double bed.

Dong Xuebing stood beside the bed and called out softly: “Aunt Xuan.”

“.....”

“Let’s surf the net for a while. I’m not sleepy yet.”

“.....”

“How about playing some cards?”

“.....”

Dong Xuebing was disappointed when he saw Qu Yunxuan was ignoring him. He could only take off his clothes and place his coat and pants neatly on the nightstand. Dong Xuebing thought for a while and then take off his long johns. Wearing only his underpants, he got under the new blanket. It was cold.

Qu Yunxuan, who was back facing him, stirred: “Why are you shivering?”

Dong Xuebing rubbed his hands under the blanket. “It’s too cold. Your heater is even worse than my unit. Those heating companies are so stingy. How much more does it cost if they turn up the heat slightly? We are paying them for heating services.”

Qu Yunxuan turned slowly and faced Dong Xuebing. “It is the same every year.”

Faint moonlight was coming through the windows, and Dong Xuebing was looking at her. “Aunt Xuan, why are you so beautiful?”

“Shut up……” Qu Yunxuan was smiling. “You are just saying this to make me happy.”

“Huh? Didn’t you say I only know how to make you mad? When did this change?”

Qu Yunxuan got her hand out from her blanket and hit his thighs.

Dong Xuebing grumbled softly: “Aunt Xuan, I am also a small leader now. Can you stop hitting me like this? It’s embarrassing.”

Qu Yunxuan laughed, but she felt she was too loud and quickly covered her mouth with her hand. “Who ask you to keep touching me?”

“That’s because I like you.” Dong Xuebing blinked and asked: “Do you like me?”

“Nonsense. I will tear your mouth.” Qu Yunxuan stared at him.

“Why do you always stare at me like this when I mention this? Xuan Xuan, we have held hands and kissed. Now we are even sleeping on the same bed. Are we in a relationship?” Dong Xuebing’s hand reached under Qu Yunxuan’s blanket and held her hand. “Be my girlfriend. Don’t let me wait any longer. My mum had called to ask me to look for a girlfriend.”

Qu Yunxuan laughed: “Go and look for someone else.”

Dong Xuebing replied unhappily: “If you say this, I will go and look for a girlfriend. I will really look for someone else.”

“……” Qu Yunxuan did not say anything and slapped Dong Xuebing’s hand away. She then hugged her blanket and turned away from him.

“Aunt Xuan, say something.” Dong Xuebing pushes Qu Yunxuan’s back lightly. “Give me an answer.”

Qu Yunxuan seems to be deliberating about something. She tosses and turns for a while and then looked at Dong Xuebing. “Xiao Bing, give me some time to consider can? To me, getting into a relationship is not a joking matter. I need to consider this seriously. I will only get into a relationship for marriage. If I agree to be with you, do you think we will get married? Even if we got married, I am so much older than you. Your colleagues and leaders at your workplace will know and gossip behind your back.”

Dong Xuebing opened his eyes wide: “I shall see who dares to talk behind my back.”

“Look at yourself.” Qu Yunxuan pinched Dong Xuebing’s cheeks. “You think you can stop everyone from gossiping about you?”

“Let them gossip. I don’t care. Errr..... Will you be bothered by this?”

“..... I..... don’t care.”

“That’s it. This will not be a problem. Be my girlfriend, ok?”

Qu Yunxuan blushed slightly and then cleared her throat. “Hmmm..... Let me think about it.”

“What’s there to think? Although I have ordinary looks, height, character, family backgrounds and does not have high IQ or EQ, but..... but I am still good in many areas, like..... like..... Damn. What am I talking about? No..... What I want to say is that there are still some good points about me. Right? Right? You know, right?” Dong Xuebing said so much but could not come up with any good points about himself.

Qu Yunxuan laughed and poked his head with his fingers. “Stupid.”

“See, you are doing this again. I’m stupid? I just can’t articulate well and not smart enough. But my IQ should be around the national average, and definitely not below it. Stop calling me stupid. You make me feel like an idiot in front of you.” This was something Dong Xuebing could not change. But he knew his EQ had increased a lot after he entered the workforce. He was much better than before.

Qu Yunxuan laughed. “You..... I am praising you when I call you stupid. I don’t like those people who are smooth-talking.”

Dong Xuebing looked at her: “Then you like me?”

“I did not say that.”

Dong Xuebing felt he stands a chance. He kicks his blanket away and quickly got under Qu Yunxuan's blanket. "Give me an answer now. Are you willing to be my girlfriend?"

"What are you doing? I told you not to touch me." Qu Yunxuan pushes him angrily. "Get out of my blanket, or I will hit you."

"You promise to be my girlfriend, and I will get out."

"Let me think about it. Why are you so anxious?"

"Ah? You ask me why I am anxious? I am already in my twenties and have never dated before. Now, I finally found someone I like, and this person I like still let me hold her hands, kiss her, and she even show some interest in me. Tell me, why shouldn't I be anxious? Let me have a feel of being in a relationship, ok?"

Qu Yunxuan heard what Dong Xuebing and stop pushing him out of her blanket. "I have also never dated anyone before. Why am I not anxious?"

"Balls! You are almost 30, and you are not anxious? Who would believe you?"

Slap. Qu Yunxuan hit his arms. "Stop swearing."

Both argued on the topic of being anxious for several minutes when Dong Xuebing felt this was a meaningless argument. He rolled his eyes and stopped. Then he hugged Aunt Xuan's curvy body from her back and pulled her back against his chest. His hand on her tummy pinched her fats lightly. "I don't care whether if you are anxious or not. I only know that I am anxious. If you refuse to give me an answer, then I..... I will touch you."

Qu Yunxuan used her head to push back against Dong Xuebing, hitting him on his chin lightly. "What are you saying? I will kill you!"

Dong Xuebing replied: "You will also agree to be my girlfriend eventually. Just let me touch you in advance. Furthermore, I have also touched you before."

"Who will agree to you? Fat hope!" Qu Yunxuan pinched the hand on her tummy and kept quiet for a long time. She turned her head slightly towards Dong Xuebing and covered her chest area with her left hand and covered her bottom part with her right. "Don't be too much, or I will not allow you to touch me. Do you understand?"

Dong Xuebing got excited and nodded.

“Pervert!” Qu Yunxuan scolded and then closes her eyes.

Dong Xuebing could felt his throat feeling dry from the excitement. He moved his hand down to Qu Yunxuan’s butt and squeezed outside her long johns. He lowered his head and kissed her ear lightly. He could feel her jumped slightly and he continued to kiss her ear lobes. Dong Xuebing had touched her thighs and legs before and thought he should try some other places. This time, he decided to try the upper body. He moved his hand around her waist and found the opening of her long john top. He immediately put his cold hand under it.

“It’s cold! Take it out!”

“Hehe, it will warm up soon.”

“..... You can only touch me outside my clothes. Do you hear me?”

“Hah, it’s the same inside and outside. My hands are cold. You can help me warm it.”

“Then you are not allowed to move upwards! Stop! This is the furthest you can touch! Don’t move upwards anymore, or I will hit you.”

“Eh, this is only your tummy. I will just move upwards slightly. Hmmm..... 5 cm ok?”

“At most 1 cm.”

“How about 4 cm? 1 cm is too little.” Dong Xuebing bargained.

“2 cm. If you move any higher, you will touch my..... You can take your hand out if you think it’s too little.”

“Ok. 2 cm will do. Release my hand.”

Dong Xuebing moved his hand higher and at the same time, pulled up her top slightly.

A few seconds later, Qu Yunxuan panicked. “Idiot! I told you not to be too much! Is this 2 cm? It is more than 6 cm! Stop fooling around! No! You cannot touch there!”

“Just for 1 minute. I will take my hands away after 1 minute.”

“Eh..... you are being.....”

“Only 1 minute, ok? Please.....”

“You think you are allowed to touch anywhere you like? You will be the death of me! You..... At most 10 seconds. I will count for you. 1..... 2..... 3.....” After counting 10 seconds, “Your 10 seconds is up. Move your hand away!”

“A while more. Give me a few more minutes.”

“You don’t want to listen to me, is it? I am getting mad! Are you going to move your hand away?”

“Aiya, just give me 1 more minute. Only 1 minute.....” Dong Xuebing continued to bargain.

5 minutes passed.....

10 minutes passed.....

Qu Yunxuan’s top was crumpled and pushed up all the way to her armpits. Her bottom was much better. Only the area around her butt was crumpled. Her long johns looked like it was just taken out from the washing machine.

At this moment, Dong Xuebing was supporting himself with his arms above Qu Yunxuan. He was sweating. “Aunt Xuan, can I?”

“What can?” Qu Yunxuan was blushing. Both her hands were covering the part between her legs. She opened her eyes wide and scolded: “I already let you touch all over my upper body. Now you want more? No! Absolutely no!”

Dong Xuebing knew this will end up in a debate again. He decided to save his breath and reach over to pull her pants.

“Do you believe that I will bite you to death?”

“..... No.”

“You..... stop. How can you..... Wait! Stop! Wait, wait, wait.....”

“Huh? How long do I have to wait?”

“Let me consider about our relationship first. We cannot do this now!”

“Then you can consider now and tell me.”

“Let’s talk about this a few days later. How can I..... Eh! I told you to stop! Why are you so anxious? You will tear my pants..... You..... no..... how about I show you

that part, but you are not allowed to touch. This is the furthest I will go. Ok?” Qu Yunxuan gave in slightly.

Seeing Qu Yunxuan giving in, Dong Xuebing took the chance. “We are already like this, what’s the difference with me looking and doing it?” Actually, he did not expect Qu Yunxuan to give in to him. After all, they are still not considered lovers. He was only trying his luck.

“Of course. There is a big difference. You don’t..... Wait..... Errr..... I..... will let you touch that part, but we cannot do it, ok? You..... Why are you still pulling my pants down? Stop it.....” Both of them wrestled under the blanket for a while, and Qu Yunxuan gave up. She hit him on his arm. “Ok! Fine! Let go! I will take it off myself!”

Dong Xuebing’s heart was racing and let go of his hand.

Qu Yunxuan gave him a stare and pulled down her long john pants slowly. She was so slow that she took 1 minute to take it off.

Dong Xuebing swallowed his saliva and asked: “Can we do it now?”

“Let me think about it.” Qu Yunxuan took in a deep breath and exhaled. “You really want to do it?”

“Yes!”

“But..... that.....”

“What’s wrong?”

Qu Yunxuan looked at him and then relaxed. “..... Nothing. Then you..... you.....”

She agreed? Dong Xuebing was excited and pressed down on her.

“Stop..... wait a while. Let me think about it. Stop first. I need to consider this.” Qu Yunxuan curled up and covered all her important areas.

“What’s wrong?”

Qu Yunxuan tapped her face with both her hands to calm herself down. She looked at him and then looked at the door. Qu Yunxuan covered her chest and sat up, pushing Dong Xuebing away. “Move aside. I will go and hear if my Mum is asleep or not.” She got off the bed, tip-toed to the door and pressed her ear against the door for a few

minutes. She could hear faint snoring sounds in her living room and returned back under the blanket.

“Ok now?” Dong Xuebing asked eagerly.

Qu Yunxuan rubbed her face and asked: “Are we really going to do it? How did things end up like this? I am not prepared at all..... Xiao Bing, can we do this tomorrow? Give me some time to prepare myself. My mother is still outside, and if we are too loud, she might hear us. Be a good boy and listen to me. Tomorrow. I promise to do that with you tomorrow. I will let you do whatever you want, ok?”

“Is there any difference between today and tomorrow?” Dong Xuebing had been waiting for this for a long time. “I can’t even wait a single minute.”

Qu Yunxuan hesitated and said: “Then..... then.....”

“Then what?” Dong Xuebing grabbed her hand, who was covering her lower body and lift it up above her pillow. He lowered himself and kissed her on her lips.

Qu Yunxuan looked at him and returned the kisses. “..... let’s do it then..... you only know how to take advantage of me. You know that I can’t bear to hit you for real.”

Dong Xuebing was afraid that she will shout out “wait” at the final minute. “I am going to do that now.”

“Ok.....”

“You cannot ask me to stop now, ok?”

“Hmmm.”

Hahaha. Success!

Dong Xuebing was looking forward to this day. He was more excited now than he got the results of the civil servant exams and his promotion. The woman lying on the bed beneath him was Aunt Xuan. A woman he secretly admired for years. She was his goddess, the perfect goddess!

Now, Aunt Xuan had agreed to let him do that with her? Dong Xuebing felt he was dreaming.

“What are you thinking?” Qu Yunxuan gave him a stare. “Are you going to do it? If you are not going to do it, I will sleep.”

“No, no, no.....”

Dong Xuebing was afraid that they would be too loud, he used the blanket to cover both of them. It was dark inside, but Dong Xuebing could feel and found the right places. The wriggled inside the blanket for a while, and then a corner of the blanket was lifted up, and long john pants were thrown out. After a while, a skinned-colored panty was thrown out.

About a minute later, Qu Yunxuan shouted out in pain.

Qu Yunxuan’s mother asked: “Yunxuan, why are you shouting? What happened?”

Dong Xuebing froze in his tracks. He dares not move.

Qu Yunxuan was in pain and was covering her mouth. She heard her mother asking and quickly stick her head out of the blanket and took a deep breath, before saying: “I accidentally touched my wound when I turned. I’m fine.”

“I thought something had happened. Go back to sleep.” After saying that she yawned and outside became quiet again.

Qu Yunxuan whispered in pain. “Wait for my Mum to sleep first. Can we stop now?”

Dong Xuebing, who was overcome with lust, did not want to wait a single second more. He immediately starts to move again.

“I told you to wait a while..... Ahhh.....”

10 minutes.....

15 minutes.....

The blanket was moving up and down, and the bed was shaking with a steady rhythm. This was the first time Dong Xuebing touched a woman. He also did not know what to do. He just moved based on his feelings. Up, up, down, down, left, left, right, right..... This feeling was terrific!!
