

# Power and Wealth

## Chapter 231 – Do I have a chance?

Ding Dong, Ding Dong...

Dong Xuebing was still embarrassed when the doorbell rang.

Xie Huilan looked at Dong Xuebing. “Go and hide in my room first.”

“Huh? Ok.” Dong Xuebing quickly clear the candles on the table and enter the room with Xie Huilan’s stockings.

The moment Dong Xuebing closes the room’s door, he heard Xie Huilan opening the main door.

“Mayor Xie, sorry to bother you.”

“Haha... Director Sun, please come in. This is your wife?”

“Yes.”

Dong Xuebing could hear footsteps entering the living room and sounds of paper bags. He immediately knew this person is here to send gifts, and maybe he is trying to join Xie Huilan’s faction. He can’t be bothered to listen to their conversation and sat on Sister Xie’s bed. His eyes shifted to the black plastic bag and felt his body heating up. Xie Huilan was not only beautiful and charming; even her clothes and everything she touches is attractive.

Since Dong Xuebing had nothing to do, and Sister Xie is not around, he started to play with her underwear and stockings.

Five minutes passed...

Ten minutes passed...

Suddenly, Dong Xuebing heard the man outside.

“Mayor Xie, we will be going.”

“Ok. Oh... bring these back with you.”

“No... no... these are for you. You...”

“Haha... Just take it... I will do my best to help you. You don't need to give me any gifts, ok?”

“Err... errr.... Alright. Thank you.”

Dong Xuebing heard it and quickly stuffed the crumpled stockings, bra, and underwear back into the plastic bag. He took a book from the shelves and started to flip it. That man should have been gone, but Xie Huilan still has not entered the room. Dong Xuebing waited for a while and walked out of the room. Xie Huilan was still at the coffee table reading a document.

Dong Xuebing did not disturb her and top up her teacup with hot water.

Xie Huilan looked up at him. “Thank you.”

“What's there to thank?”

“Haha... Sit beside me. I need to amend this document for tomorrow's meeting.”

“Ok. Just do your work.”

Dong Xuebing felt his heart aching when he looked at Xie Huilan, working so hard. In Beijing, Sister Xie is also alone at home and does not have any recreation activities. She does not have anyone to chat with and spent her rest days at work. Dong Xuebing could not live like her. During rest days, he hates to receive calls from the Bureau.

Dong Xuebing walked behind the sofa and stood behind Xie Huilan. He kneaded her shoulders lightly.

Xie Huilan turned her head slightly and smiled. “No need.”

Dong Xuebing ignored her and continued to massage her shoulders. He just wants her to relax.

Xie Huilan smiled and continued with her work.

About 20 minutes later, Xie Huilan put down her pen and rotate her shoulders. “I'm done and is relaxed now. Thank you.”

Dong Xuebing replied. “Just sit down and don’t move. I will massage you a while more.”

Xie Huilan nodded. “Haha... I won’t insist then. It felt good.”

Dong Xuebing felt motivated to hear this. He moved his hands down to the upper arms for a while. After that, he made her bend slightly forward to massage her back. He pressed against her back and suddenly remembered something. Xie Huilan had got to the bathroom to remove everything and should not be wearing anything under her dress. His throat became dry and bent forward, wrapping his arms around the waist.

Xie Huilan was still facing in front and laughed. “Haha... What’s wrong?”

Dong Xuebing buried his face into the back of her head to sniff her hair. “Your waist is so slim.”

“Really? How come I didn’t notice it?”

“Sister Xie...”

“What?”

“Turn around.”

Today’s ambiance and settings are right, and Dong Xuebing decided to take this opportunity to do something. He knew it’s rare to get such chances in the future. He released his arms around Sister Xie’s waist and moved slightly backward.

Xie Huilan turned around and looked at Dong Xuebing, with her eyes narrowed.

Dong Xuebing mustered up his courage and leaned forward to kiss her lips. But he saw Sister Xie’s eyes twitched, and he quickly moves upwards to kiss her forehead.

Xie Huilan looked at Dong Xuebing and smiled. “Is there any dirt on my forehead this time?”

Dong Xuebing does not know if Sister Xie is angry with him or not, and he dare not move. His lips were still on her forehead.

One second...

Two seconds...

Three seconds...

Xie Huilan also did not move and was looking at Dong Xuebing with a smile.

Dong Xuebing swallowed his saliva and moved his lips lower and kissed her above her right eye. His lips could feel her long eyelashes, and it was ticklish. Xie Huilan's eyes are the most attractive to Dong Xuebing and felt the need to kiss them. At the same time, he wants to see how she will react.

In this position, Dong Xuebing could not see Xie Huilan's facial expression, and she just sat there without moving a muscle.

Dong Xuebing continued downwards and kissed the tip of her nose and cheeks. He slowly moves closer to her lips, and his heart was pounding. He could feel Xie Huilan's dimples on his lips and knew she is smiling.

Is she not angry?

Does that mean I got a chance?!

Dong Xuebing felt this is the moment!

He moved closer to the lips!

He finally kissed Xie Huilan on her lips!

Dong Xuebing was overjoyed and was excited. He is kissing the County's Mayor on her lips!

At the same time, Dong Xuebing's eyes met with Xie Huilan.

Xie Huilan had narrowed her eyes to a slit and was looking at him.

Dong Xuebing suddenly felt a chill and wonder if he should carry on. What if Sister Xie suddenly got mad? Can he handle her anger? But they had already kissed, and if she is angry, she would have stopped me. Dong Xuebing moved his lips and couldn't care less.

Xie Huilan's fluttered her eyelids without saying a word.

Dong Xuebing start to use all the tricks he knows to kiss her.

Xie Huilan just remained there and let him kiss. She did not even move an inch at all.

A few minutes later, Dong Xuebing stopped and looked at Xie Huilan. He wonders why she is not kissing him back.

Xie Huilan smiled. “What’s wrong? Why are you looking at me like this?”

Dong Xuebing was speechless. “Sister Xie... err.... Should you say something in this situation?”

“Hehe... what should I say?”

“Err... nothing. Pretend I did not ask that question.”

Xie Huilan was not blushing when she laughed. “Haha... this is the first time in my life to be kissed like this. You are daring.” She patted the empty seat on the sofa beside her. “Xiao Dong, sit beside me. My neck is aching from turning to my sides for more than 10 minutes.”

Dong Xuebing walked over and sat down and reached over for Xie Huilan’s hand.

Xie Huilan held his hand and played with his fingers lightly. “Now, it feels like we are dating, right?”

“Err... yes. I think so too.”

Xie Huilan lowered her head and looked at Dong Xuebing’s hand. “Your fingers are quite long and are suitable to play the piano.”

Dong Xuebing blushed and replied. “Play the piano? I don’t even know how to read musical notes.”

Xie Huilan laughed and pinched and rubbed Dong Xuebing’s index finger with her fingers.

Normally, when a couple holds hands, the woman will not have any small movements. But Xie Huilan is the opposite as her character is overbearing. Since the day both of them decided they will be dating, Dong Xuebing had a hunch that this relationship will be different. Now, Dong Xuebing’s intuition was right. They had kissed and held hands, but Xie Huilan was calm about it.

Dong Xuebing realized that it is her character that attracted him.

Dong Xuebing looked at his watch and wondered what time he should leave. Their relationship had just got a breakthrough, and he does not want to go.

Xie Huilan giggled and said. “Stay for the night.”

Dong Xuebing was stunned and pretended to ask. “Errr... is this alright with you?”

“Haha... just leave earlier in the morning. After all, no one had seen you entering my house, right?”

“... Ok.” Dong Xuebing’s heart started to beat faster. He will be spending the night with the County Mayor!
