

Power and Wealth

Chapter 319 – Let's do it again!

The warm and bright sunlight lit up the room.

Ti-ta... ti-ta... ti-ta... the second hand on the wall clock reached 8 am.

Dong Xuebing slowly woke up. He rubbed his eyes and look at the clock. It's only 8 am, and he was about to go back to sleep when he opened up his eyes wide. A beautiful and mature face is right beside him. His heart started racing and no longer felt sleepy as he recalled what happened last night. He smiled to himself and hugged Yu Meixia tightly in his arms.

Yu Meixia's eyes fluttered, and she woke up.

Dong Xuebing said softly. "Sorry. Did I wake you up?"

Sister Yu was still in a daze as she looks around her. But when she saw Dong Xuebing, she quickly squeezed her legs together and covered her chest. "You are awake?"

"We had already done it. Why bother covering up?"

Yu Meixia tried to change the topic. "What... what time is it?"

"8 am." Dong Xuebing laughed. "Get some more rest. We got nothing to do today anyway."

Yu Meixia nodded and laid down on the bed unnaturally. Her body is very tense.

Dong Xuebing stroked Yu Meixia's hair and gave her a kiss. "I'm sorry for what happened last night. I was too impulsive. I..."

Yu Meixia lowered her head. "It's not your fault. I... I had given you permission to do

it.”

Dong Xuebing looked at Yu Meixia’s expression and asked. “Errr... are you regretting your decision?”

“No.” Yu Meixia paused for a few seconds and said. “We must not let my daughter know about this. I... I don’t know how Qianqian will react.”

Dong Xuebing nodded. “Then, we shall not tell her.”

Yu Meixia nodded and blushed.

It became awkward in the room, and Dong Xuebing tried to get the conversation going. “Since we are not in a hurry to return to the county, let me bring you around Beijing. What you saw yesterday was only the tip of an iceberg. You still have not been to the Forbidden City, Central Radio & TV Tower, Xiangshan Park, etc. Oh, you still have not tried the local cuisine. I will bring you to try the roast duck and mutton soup.”

“... Ok.”

The room becomes quiet again.

Dong Xuebing rubbed his nose and felt awkward.

Both of them were awkward. In the past, although Dong Xuebing had touched Yu Meixia several times and even talked about had a conversation on sexual topics, but they had never crossed the line. Last night, they had done it for the first time and even did it twice. This made their relationship complicated. Their age might not be a problem, but Sister Yu is older than Dong Xuebing by 9 to 10 years. Even Dong Xuebing felt slightly uncomfortable lying in bed with an older woman.

“The weather is fine today.”

“... yes.”

“It’s suitable for us to go out, right?”

“... yes.”

Dong Xuebing felt uncomfortable trying to strike a conversation. Damn! It’s too embarrassing!

Yu Meixia blushed. “No...”

“It’s so soft and nice to touch.”

“No... that’s not true.” Yu Meixia turned her head away, embarrassed.

Dong Xuebing continued to stroke Yu Meixia’s thighs. “Sister Yu, move closer. I want to kiss you.”

Yu Meixia mumbled something but did not turn her head. Dong Xuebing had no choice but to stick his hand into her hair and turned her face towards him. Their lips touched, and her lips are soft and tender. It tastes sweet like nectar, and Dong Xuebing is reluctant to stop kissing her. Yu Meixia tried to resist Dong Xuebing a while but gave in after a few attempts. Even after they had done it twice last night, Yu Meixia is still shy.

The kiss lasted for a few minutes.

Yu Meixia pants as she pushed Dong Xuebing. “Xiao Bing, it’s time to get out of bed.”

Dong Xuebing got horny again. “How about... we do it one more time? Anyway, we are not dressed yet.”

“Ah?” Yu Meixia quickly clamped her legs shut. “No... we should not be doing this... last night is... it’s daytime now, and the sun is up.”

“Why can’t we do it again?”

“We... we must not let anyone know about us.”

“There are only the two of us here. Who will know?”

“But...” Yu Meixia could not retort Dong Xuebing and keep quiet.

“Since you are not saying anything, I will carry on.”

Dong Xuebing made a comical pose like a tiger going to pounce onto Yu Meixia, and Yu Meixia quickly hides under the blanket without saying anything. Dong Xuebing knew she agreed to his request and grabbed a condom by the bedside. After that, he got under the blanket, and Yu Meixia’s moans filled the room.

When Dong Xuebing made love with Aunt Xuan, she was also shy at first. But after a few times, she becomes accustomed to it.

But Yu Meixia is different. She is older than Qu Yunxuan by a few years and had a kid

before. But she is still very shy and doesn't know where to look or place her hands. From the start until the end, her face is all red, and even when she is reaching her climax, she moaned shyly. It's only until almost to the end, she got into the mood and kept shaking her head. It's as if telling Dong Xuebing that she 'can't stand it anymore' and asking him to stop.

Dong Xuebing likes looking at her this way.

After they ended, Dong Xuebing hugged Yu Meixia in his arms and kissed her shoulders. "Sister Yu, you are so cute."

"Ah..." Yu Meixia was still gasping for air and could not reply to him.

Dong Xuebing knew she is satisfied. "Do you want to get out of bed, or do you want to rest a while longer?"

"I will get up." Yu Meixia is afraid of Dong Xuebing wanting to go for another round and quickly sat up. She reached over to get her long johns and bra at the end of the bed/

Dong Xuebing laughed and hugged Yu Meixia from her back.

Yu Meixia panicked. "Xiao Bing, get up."

"Let me hug you a little while more. You feel so good."

Yu Meixia held her underwear and bra in her hands and couldn't put it on with Dong Xuebing hugging her. She could only sit there and look at Dong Xuebing with a red face. She is confused and wondered why did she give in to Dong Xuebing last night. What will happen to them in the future? Yu Meixia looks down at her body full of marks from last night and this morning's battles and bit her lips.

At around 9.30 am, Dong Xuebing and Yu Meixia got dressed and left the bedroom.

"I will smoke first. You can go and brush your teeth." Dong Xuebing took out a packet of cigarettes from his bag.

"Ok." Yu Meixia entered the bathroom and asked. "Xiao Bing, do you have any toothbrush at home?"

"Huh? I don't have any new toothbrushes. There are two used toothbrushes by the sink. The blue one is mine, and the pink one is my mum's."

"Ok..."

After finishing his cigarette, Dong Xuebing stretched and felt refresh. He walks over to the bathroom and saw Sister Yu applying medicine to her face. He took a glance at the toothbrushes in the mug and saw some water droplets on his blue toothbrush. Yu Meixia should have used his toothbrush.

Dong Xuebing laughed. “Did you used my toothbrush?”

Yu Meixia nodded and acknowledge quietly.

Dong Xuebing is glad as this shows that Sister Yu no longer treats him as an outsider. He stepped forward and picks up his toothbrush to brush his teeth.

Yu Meixia secretly took a glance at the toothbrush in Dong Xuebing’s hand and quickly look away.

Breakfast.

But there are no ingredients at home. Yu Meixia could only manage to cook two bowls of Dough Drop soup without tomato or spring onions.

“Sorry. I don’t know what else to cook.”

“I don’t blame you. There are no ingredients at home.”

“I will buy some groceries later. Let’s eat this first.”

“It’s alright.” When someone is in a good mood, even cold-water taste good. Dong Xuebing looked at Yu Meixia, drinking her soup beside him, and patted his lap. “Sit on my lap and eat.” After everything that had happened, Dong Xuebing is no longer shy.

Yu Meixia shook her and look down.

Dong Xuebing smacked his lips. “Hurry up. I want to hug you while eating.”

Yu Meixia continued to shake her head, but this time, she did not reject Dong Xuebing as firmly as before.

“I am getting angry. Are you coming over or not?” Dong Xuebing tries to scare her.

Yu Meixia hesitated for a while and got up slowly. “I... I...”

“Sit down.” Dong Xuebing laughed and pulled her onto his lap. Hehe... She quite

heavy but felt good. Dong Xuebing hugged Yu Meixia with one hand and drank his soup with the other. Hmm... this soup tastes better while hugging Sister u.
“Delicious. Why are you looking at me? Try it. It is delicious.”

Yu Meixia paused for a while before reaching out for her bowl and drink her soup.

After they finished their soup, Dong Xuebing did not let go of Yu Meixia. He still hugged her tightly and rest his face on her back.

“Xiao Bing?” Yu Meixia called out to Dong Xuebing.

“..... Huh?”

“Can I get up? I need to clear the table.”

“Ok.” But Dong Xuebing did not let go of her.
