

Power and Wealth

Chapter 375 – Sweet

Saturday morning.

Qu Yunxuan's parent's apartment.

Sparrows are chirping noisily on the trees outside.

When Dong Xuebing woke up, Qu Yunxuan was still sleeping soundly. He looked at her and got up for a smoke. But he remembered Qu Yunxuan is pregnant and stopped reaching out for his cigarettes. He returned to bed and hugged her with one hand, and his other hand is caressing her tummy. Dong Xuebing is not someone who likes kids, but after knowing he will be a father, he changed. He can't wait to carry his baby in his arms.

Dong Xuebing caressed Qu Yunxuan's tummy, hoping he can feel his baby kicking him.

"Huh?" Qu Yunxuan turned. "Stop fooling around."

Dong Xuebing kissed Qu Yunxuan's back. "Don't turn around and let me touch my son a while longer."

"Let me sleep a while more." Qu Yunxuan pushed Dong Xuebing's hand away from her tummy. "Be good. Stop disturbing me."

Dong Xuebing refused and continued touching Qu Yunxuan all over. He even grabbed her butt a few times.

Qu Yunxuan had no choice but to get up, and she gave Dong Xuebing a stare. "Stop making me mad. What time is it?"

"It is almost 8 am. Don't go to work today, and let me bring you and our baby out."

"My whole body is aching after what you did to me last night. Do you think I still have the energy to go out?"

“Oh...” Dong Xuebing blinked and lift up Qu Yunxuan’s face. “I still have not got enough last night. We stopped after your mum interrupted us. Err... it’s quiet outside, and I think your parents are still sleeping. Let’s have another round now. This time, they will not hear us.”

Qu Yunxuan blushed. “You still dare to mention last night? It’s too embarrassing.”

“Huh? It’s only calling me Gege a few times. What’s wrong with that?”

“You still dare to talk about this? You want to get a beating from me?” Qu Yunxuan raised her fist to scare Dong Xuebing.

After fooling around for a while, the blanket was kicked aside, and Qu Yunxuan’s naked body was exposed to Dong Xuebing. Dong Xuebing got aroused and insisted they do it one more time. But Qu Yunxuan refused and even pinched Dong Xuebing a few times. In the end, she had to use her baby as an excuse to stop Dong Xuebing. The doctor said they should not have vigorous sex, and Dong Xuebing had no choice but to lie down on the bed again. Qu Yunxuan saw Dong Xuebing is unhappy and is ignoring her despite her pinching and shaking him for a few minutes. She bit her lips and got under the blanket. She kissed Dong Xuebing from his chest downwards, and the next moment, Dong Xuebing felt her warm mouth sucking him.

Twenty minutes later.

Dong Xuebing’s face turned red and finally released everything.

Qu Yunxuan stuck her head out from the blanket with her mouth shut tightly. Her mouth is full, and she points at the box of tissue paper.

Qu Yunxuan got mad and slapped Dong Xuebing’s arm. “Hmph... hmph...!”

Dong Xuebing ignored her and hugged her waist tightly to prevent her from getting off the bed.

Qu Yunxuan is mad but doesn’t bear to hit Dong Xuebing hard. This lasted for a few minutes, and she had no choice but to swallow everything in her mouth. She saw Dong Xuebing looking at her, and she blushed. “You idiot! Stop bullying me every time! What else do you know other than bullying me?!”

Dong Xuebing laughed. “You are carrying my baby now. I don’t dare to bully you.”

Qu Yunxuan glared at Dong Xuebing and wiped her lips. “You idiot! Get up now.”

Under Dong Xuebing's persistent demands, Qu Yunxuan puts on a pair of tight black pants, a white shirt, and a grey woolen sweater. Her shoes are a pair of pointed black high heels, and her hair is pinned up. Although most middle-aged women will wear tight black pants, Qu Yunxuan did not look old in them. In fact, it enhanced her legs more and make her mature body stands out.

Dong Xuebing admired Qu Yunxuan for a while and started to stroke her legs.

Qu Yunxuan gave him a stare and refused to let him touch her.

After brushing their teeth, Qu Yunxuan went to the kitchen to prepare breakfast. Dong Xuebing does not want to be away from her and also entered the kitchen. He hugged her from behind and rested his chin on her shoulder.

Qu Yunxuan turned and laughed. "Stop being so sticky."

"You are shy and are older than me. That's why you feel embarrassed to be pestering me. Since you are not willing to pester me, I will pester you."

"You..." Qu Yunxuan laughed and flicked Dong Xuebing's nose. "You are full of excuses."

"Hehe... you are cutting spring onions, and you dare to wipe it on my nose?! Are you looking to get a beating from me?" Dong Xuebing repeated Qu Yunxuan's favorite phrase.

Qu Yunxuan smiled. "I dare you to beat me up."

Dong Xuebing cleared his throat. "I don't bear to hit you. I just want to dote you."

"Sweet talker. Haha..." Qu Yunxuan turned and kissed Dong Xuebing on his forehead. "Stop fooling around. I need to prepare for breakfast. You go and wake my parents up."

During breakfast, Qu Yunxuan's mother kept looking at Qu Yunxuan.

Qu Yunxuan felt embarrassed and said. "Mum, hurry and eat while it's hot."

Dong Xuebing also felt embarrassed about what happened last night. "Un... Dad, Mum, let me help you with the porridge."

After breakfast, Qu Yunxuan's mother reminded her of the things to take note of during pregnancy. For example, her diet, sexual activities, etc. She seems to not notice Dong Xuebing and Qu Yunxuan's embarrassed look on their face and repeated about

their sexual activities several times. In the end, Qu Yunxuan could not stand it and made up an excuse to leave the apartment with Dong Xuebing.

On the way down, Qu Yunxuan asked. “How long will you be in Beijing?”

Dong Xuebing is in a good mood. “I will stay as long as you want.”

Qu Yunxuan laughed as she brushed Dong Xuebing’s hair. “You are the head of a department now, and your work must not be delayed. I will be fine. Just go back.”

Dong Xuebing nodded. “Let’s talk about this later. I want to accompany you today.”

“Then... why shall we go now? You said you want to bring our baby and me out.”

“Haha... let’s go to a hot spring and watch a movie? Relaxing yourself will be good for our baby.”

“Ok. Are we driving your car or mine?”

“My car’s registration plate is not from Beijing, and it will be inconvenient. Let’s drive yours.”

Qu Yunxuan brought Dong Xuebing to her Silver Mercedes Benz parked at the car park. She had maintained her car well, and it looks newer than Dong Xuebing’s Mercedes MPV. This 350L looks like it is brand new, and Qu Yunxuan should have sent it for polishing every month.

They boarded the car and drove towards the cinema.

Along the way, Dong Xuebing asked. “Is the company busy?”

“How can it not be busy?” Qu Yunxuan laughed. “It’s so busy that I can hardly rest. But luckily, my efforts are not wasted. The last time you come, our company’s assets are worth around 40 million, including your prize money from the lottery. Now, our company is worth slightly more than 50 million RMB. The past few auctions were successful, and we had gotten high commissions. I am preparing for next Spring Auction now.”

Dong Xuebing replied. “You can never earn all the money in the world. What’s most important now is for you to take care of your health and give birth to a healthy baby.”

“I know.” Qu Yunxuan smiled. “I had already delegated most of my duties to others. Xiao Tao is smart, but not wise enough. I have a Deputy General Manager, who is quite good. I am thinking of promoting him to be the General Manager. In the future, I

will slowly let go of Yunde Auction House's daily operations and let them handle it. My biggest concern is our baby now." Qu Yunxuan smiled sweetly as she rubbed her tummy. "I wonder if our baby will be naughty or now. I think I will be very busy after he is born."

Dong Xuebing laughed. "He will not be naughty, and his character should be very gentle like you."

Qu Yunxuan nodded. "Haha... It will be a disaster if our baby has your character."

"Heh... why are you always mocking me?" Dong Xuebing rolled his eyes. "If our baby follows my character, he or she will definitely be successful in life. In the past, I imagined myself to enter the Political Section if I were to enter the government service. Thinking back, I was such a fool. It's a miracle for me to become a Deputy Director within two years now. I can't enter the Political Section in this lifetime. But my son or daughter will definitely fulfill this dream of mine."

Qu Yunxuan laughed and knocks on Dong Xuebing's head lightly. "Boasting!"

"Alright. If you don't believe me, wait and see." Dong Xuebing paused for a second and continue. "I think our child should inherit your looks. My look is too ordinary."

"Hmph! You are not allowed to say such things again!" Qu Yunxuan pinched Dong Xuebing's nose. "What's wrong with your looks? I think you are handsome."

"Hahaha..."
