

## **Policewoman 1**

### **The Policewoman Chapter 1**

At noon that day, Lin Kai received a call from his sister-in-law Tang Huimin, saying that the computer at home was broken and asking if he had time to go over and help take a look at it.

“Of course I do, I don’t have class today, wait for me at home, I’ll be there in ten minutes.” After saying that, Lin Kai immediately went out the door.

After ten minutes or so, Lin Kai arrived at the door of Tang Huimin’s house, just as Tang Huimin opened the door, after seeing her, Lin Kai almost stared out his eyes, too beautiful!

In fact, Tang Huimin was already a beautiful woman, but she was a police officer by profession, so she always wore formal clothes, which was fresh and clean, but also less feminine. This was the first time Lin Kai had seen her in a dress today!

Tang Huimin wore a lavender lace half-sleeve blouse today, a very light and tight kind, with a high chest that spurted out and a slim waist that could be held in the hand.

Lin Kai had never imagined that his sister-in-law’s uniform hid such a sultry figure underneath.

Tang Huimin had big eyes, but perhaps because of her profession, they would never be big and godless, instead, the heroic aura in her pupils could not be concealed.

Her features are fine, her skin is fair and rosy, and although she cannot be described as a city-dweller, she has a unique beauty, especially today when her long, dark, beautiful hair is tied casually behind her head, but she exudes a strong feminine charm.

Looking at his sister-in-law’s delicate figure, Lin Kai felt a sense of amazement, and for a moment his heart beat faster.

Seeing Lin Kai’s dazed look, Tang Huimin was also stunned for a while, then she smiled, lifted her slender hand and gave Lin Kai a knock on the shoulder: “Silly boy, what are you looking at?”

“Silly boy, what are you looking at? It’s not like you haven’t seen your aunt before, come inside!”

“Little aunt, didn’t you say the computer was broken? I’ll go and take a look for you now.” Lin Kai pretended to look around the room, but in fact his intention was to cover up his embarrassment.

“It’s right over there on the table, that there’s no rush, it’s so hot you’ve run over here Xiao Kai is also thirsty, I’ll pour you a glass of water first!” Tang Huimin said as she walked over to the water dispenser in the living room and bowed to get a disposable cup from the water dispenser storage cabinet.

As she was very tall and slim, the fitted lavender dress showed off the delicate, firm and graceful undulations of her torso.

Her buttocks looked extremely round and there was a slit at the back of the narrow skirt, and a thigh was vaguely visible, crystal white and lustrous as the bright moon .....

The first time I saw this, Lin Kai’s nosebleed almost spurted out.

So he changed his angle to admire the curves of Tang Huimin's beautiful body, and then he felt an extreme desire to pounce on her and crush her warm and soft body beneath him.

When Tang Huimin finished pouring the water and turned around, Lin Kai hurriedly turned his head to face the window and seemed to be looking out of the window, with a look of inactivity that made Tang Huimin hook the corners of her mouth –

What a delicate smile, how could she not understand that this hairy boy was in fact admiring himself, and in her heart, while she was shy and embarrassed, she was actually a little pleased.

Even though she was a policeman, she was also a woman at the same time, and a woman's little heart was still there.

"Let me see what's going on first." Lin Kai sat down on one of the sofa chairs in front of the computer and flipped the switch, while at the same time Tang Huimin put the water on the table.

After booting it up, he clicked on the ie browser with his mouse. Only to see the screen flashing wildly and countless windows popping up, followed by a pair of naked bodies of a man and woman on the screen –

The woman used her hand to put that key part of the man into ..... and their exaggerated movements and poses were all too clear.

Hot, titillating, blood-spurting and crime-inducing .....

In a flash, both of them froze, and the room was silent.

The air also seemed to freeze, and all that could be heard was the sound of the two men's rapid breathing and heartbeats.

"Yah, turn it off soon ....." Tang Hui Min was the first to react, suddenly exclaiming.

This kind of picture was so tempting that Lin Kai had wanted to see a few more, and only after Tang Huimin reminded him of this did he fumbled and clicked the shutdown button.

However, what he didn't expect was that not only did the computer not shut down, but the windows popped up one after another like a slideshow with countless pictures.

The pictures showed men and women making out in different positions and in many different ways, each one clearer than the other, each one hotter than the other, each one bloodier than the other .....

The screen flickered and went black.

The two men looked at each other, so embarrassed!

Tang Huimin's delicate face flushed for a long time, her lips moved, as if she wanted to say something but did not know how to speak, a look of being peeped into privacy .....

The actual fact is that you can find a lot of people who have been in the business for a long time.

However, what Lin Kai did not understand was that my aunt-in-law was also a woman, and I was a young woman in her prime, and she had her own physical needs as well.

Tang Huimin's husband is also a police officer who was killed a year ago by a gang of thugs in retaliation for solving a major case, and those thugs are still at large.

Moreover, Tang Huimin is very discerning and is very attached to her dead husband, so she is reluctant to remarry and takes her son, who has just started primary school, with her.
