The Policewoman Chapter 10

At this point Lin Kai's breathing became ragged as his hands lifted Tang Huimin's nightgown up to her waist, sliding it down her soft waist to her round, beautiful buttocks and pressing hard, causing her lower body to press even closer to his own.

"Mmmm", Tang Hui Min moaned with a heart-stirring wooing sound in her throat, unable to control her moans as electricity seemed to strike the underside of her belly.

Her petite body turned limp and seemed to run out of strength, her heart beating so fast and her breath very muddled.

Lin Kai cooperated well, his lower body lifting lightly, his panties sliding down to the crook of his legs while Tang Huimin's knees brushed into Lin Kai's legs and moved downwards.

Tang Huimin, her senses obliterated by the searing lust inside her body, needed to be filled even further and took the initiative to reach down with her luxuriant hands.

She wanted to free herself, she wanted to accommodate him.

.....

Ring, ring, ring!

Suddenly, an ear-splitting mobile phone rang.

"Let go of me, I I'll answer the phone" Tang Hui Min woke up from her passion all of a sudden, her pretty face turned to to him, her small mouth gasping and spurting with fragrance.

"I I want to" Lin Kai was on fire down there, a little reluctant, through the lace lingerie he could feel her very wet there, all the more so as he couldn't let go of this hot soft delicate body of hers.

"No not now," said Tang Hui Min, holding back her desire and picking up the phone that she had left on the bedside table when she first touched into the house.

When Tang Huimin saw that it was her own man Zhou Peng calling, she slowed down a bit, pressed the answer button and asked, "Little Zhou, what do you want to call me about at this late hour?"

"Team Tang, according to your instructions, we squatted near the suspect Wang Jianqiang's house and really captured Wang Jianqiang, at the same time, we also caught a big fish" Zhou Peng's mood was incomparably excited and overwhelming, their squatting for so many days had not been in vain.

"Very good, where are you guys now?" Tang Huimin could not contain her excitement once she heard that the suspect, Wang Jianqiang, had been caught.

"We're on our way to escort them to the detention centre, waiting for you to come over for interrogation!" Zhou Peng replied.

“Okay, I’ll be right over!” Tang Huimin said and immediately hung up the phone, then she said to Lin Kai, who was still lying on the bed, “Xiao Kai, we have an urgent matter at the bureau, I need to go ahead and take care of it, you stay and help me take care of Bo at home, is that okay?”

“No problem, you go ahead!” Lin Kai sat up, reached out and hugged Tang Huimin, said fondly, “Little aunt, you have to go and come back soon, I miss you!”

“Don’t worry, I’ll be back as soon as I’ve finished with my business!” Tang Huimin kissed Lin Kai on the cheek, got up, put on her pajamas and walked out of the bedroom.

Looking at the figure of Tang Huimin disappearing at the door of the room, remembering the scene when they were entwined just now, imagining the beautiful life they were about to start, Lin Kai felt his heart boiling and his heart surging

After leaving Lin Kai’s bedroom, Tang Huimin found herself sticky, so she went to the bathroom and took a shower to wash off the sweat and body fluids before returning to the master bedroom.

When Tang Huimin returned to the master bedroom, Yang Xiaobo had long since returned to bed, closing his eyes and pretending to sleep.

“Xiaobo, Xiaobo” Tang Huimin called out twice, and when she saw that her son did not answer, she put on her police uniform and tiptoed towards the door of her room.

“Mom, where are you going?” Yang Xiaobo turned on the roof light at once.

When Tang Huimin turned her head and saw him sitting on the bed, making a very angry face, she felt a little bad and asked in a nagging voice.

“Xiaobo, what’s wrong with you?”

“Nothing,” Yang Xiaobo wanted to scold his mother for what had just happened, but fearing that she would be a little embarrassed if she knew she had spied on their good deed, he said instead, “I just wanted to ask you, where else are you going at this late hour?”

“Our criminal investigation team caught a murderer, I’m going over for interrogation.” Tang Huimin answered truthfully.

“What am I going to do at home when you’re gone?” Yang Xiaobo questioned.

“I’ll let your cousin take care of you,” Tang Huimin admonished when she saw that her son didn’t seem to find out about her and Lin Kai, “Be good, mommy will be back when she goes”

“I don’t want him to take care of it, tell him to get lost!” Yang Xiaobo wanted to say this, but afraid of his mother’s sadness, the words reached his mouth and swallowed back, saying, “Mom, after you finish your business, come back early, I’m afraid”

“Okay, if you’re scared, sleep with the light on, if you can’t, go to the next room and sleep with your brother Xiao Kai!” Tang Hui Min nodded and said.

“Then okay!” Yang Xiaobo put on an obedient face.

Tang Huimin turned around and left the room, went to Lin Kai's bedroom door, twisted the door handle with her hand, said goodbye to Lin Kai, walked out of the house, drove her Mitsubishi cross-country police car out of the public security compound and headed to the Yanjing City Detention Center located on the outskirts of the city.

.....

Shortly after Tang Huimin left the house, Lin Kai jumped out of bed and left the room, arriving at the door of the master bedroom.

He reached out and twisted the door open, and seeing Yang Xiaobo lying quietly on the bed, his eyes staring dully at the ceiling, he walked over to the bed and asked with a concerned look on his face.

"Xiaobo, why haven't you gone to bed yet?"

As soon as Yang Xiaobo saw Lin Kai, he sat up from the bed as if he had been struck with chicken blood, and sternly yelled.

"Get lost, I never want to see you again!"

"Xiaobo, what's wrong with you?" Lin Kai asked in amazement.

Yang Xiaobo pointed his finger at Lin Kai's nose and questioned loudly, "Why are you bullying my mother?"

"Does this little brat know everything?" Lin Kai's heart tightened and he hurriedly defended himself, "I I didn't I"

Yang Xiaobo hurriedly covered his ears with his hands and said loudly, "I don't want to hear it, get lost, I never want to see you again"

Seeing that his cousin was a bit agitated, Lin Kai did not dare to stimulate him and left the master bedroom in a huff.

.....

When he drove the Mitsubishi police car to the detention center, the police had already arranged for the suspects, Wang Jianqiang and Wang Jianqiang, to be held in two separate rooms.

"Team Tang, you're here?" Zhou Peng greeted her, warmly greeting her.

"Little Zhou, well done, you've worked hard!" Tang Huimin praised Zhou Peng and asked, "Where is the suspect?"

"We've asked the guards to put them in custody." Zhou Peng looked exceptionally excited and in one breath recounted to Tang Huimin in detail how they had set up the ambush to capture Wang Jianqiang.

"Good, bring them to the interrogation room immediately!" Tang Huimin said in a commanding tone.

"Okay, I'll arrange it right away." Zhou Peng nodded, and then dialed out a call on the office landline.

When the two walked into the interrogation room together, the suspect, Wang Jianqiang, was already being escorted by two guards to a special interrogation chair.

Tang Huimin immediately interrogated him.

Wang Jianqiang confessed to the murder, the reason being that, when he returned home, he found a man molesting his wife and when the two got into a fight, he accidentally killed him.

“After the killing, why did you run away?” Tang Hui Min asked inquiringly.

“I was terrified before I fled from my home and hid in the house of an old countryman in the countryside.”

“And why did you run home?”

“I was mainly uneasy about my wife, so I sneaked back,” Wang Jianqiang told a brief account of his murderous absconding.

Tang Huimin raised her eyebrows, slapped the table with her hand and said in a stern voice.

“You’re talking nonsense!”

.....

The company’s main business is to provide a wide range of services and services to the public.

According to Wang Jianqiang, he was one of the members of the Black Dragon Gang.

His boss nickname is Black Dragon, carrying a number of lives, last year, because of resisting arrest, but also accidentally killed a public security officer of the Municipal Public Security Bureau.

After listening to Wang Jianqiang’s confession, Tang Huimin was angry and anxious.

Having finally found a clue to her husband’s murderer, and having the opportunity to avenge his death, Tang Huimin could not miss it and immediately asked the police to escort Wang Jianqiang to Black Dragon’s residence.

However, apart from catching a few of the Black Dragon Gang’s shrimp soldiers, Black Dragon had long since fled on the wind.

So, Tang Huimin bypassed Deputy Director Yan Zhengkuan, who was in charge of criminal investigation and public security, and reported the situation to Director Xiao of the Municipal Public Security Bureau, and issued a Class A wanted notice for Black Dragon nationwide.
