### **The Policewoman Chapter 13**

At three o'clock in the afternoon, Tang Huimin finally called.

Lin Kai picked up the phone with anxiety and asked, "Auntie, how did you and Bo's talk go? Is Bo in a better mood?"

"Xiao Kai, I've already told you not to call me Huimin in the future, just call me Huimin." Tang Huimin said in a reproachful tone.

"Alright, I'll call you Sister Huimin from now on," Lin Kai asked eagerly, "Sister Huimin, did Xiao Bo not give you a hard time after I left your house?"

"What do you think?" Tang Huimin asked rhetorically.

"I don't know, that's why I'm asking you," Lin Kai told her, "After I went back to school, I've been so preoccupied with this incident that I'm afraid you'll be hurt, and I'm not even in the mood for class."

"Fool, what are you thinking so much about?" Tang Hui Min giggled over the phone and said, "I'm calling you because I want to tell you good news ....."

"What's the good news?" Lin Kai asked eagerly.

"Xiaobo has agreed to take you in and let you move in with us." Tang Huimin said eagerly.

"Really?" Lin Kai said with a look of excitement, "That's great, little aunt!"

"Nasty, still calling it that?" Tang Huimin said in a delicate voice.

"Hey," Lin Kai replied, "I can't change my name for a while, so you might as well just let me call you little aunt."

"Whatever," Tang Huimin didn't have time to flirt with Lin Kai over the phone and said, "By the way, tonight, I have a dinner party, you can pick up Bo for me at the entrance of Chengguan Primary School before five o'clock, and take him out for a bite to eat to bond."

"As you wish!" Lin Kai readily agreed.

After putting down Tang Huimin's phone call, Lin Kai seemed to have received a shot of stimulant and became energized all of a sudden.

Now that his cousin's work had been done, he could be assured that he could stay with his little aunt, and he was naturally in a very relaxed mood.

What he had to do now was to go and fix Yang Xiaobo up himself and integrate into their family.

Five o'clock in the afternoon.

Lin Kai appeared at the entrance of Chengguan Primary School on time.

Yang Xiaobo, carrying a small school bag along with his classmates, poured out from the entrance of the school. Upon seeing Lin Kai, he first froze for a moment, then came to Lin Kai with a stiff upper lip.

“Cousin ....., you ..... what are you doing here?” Yang Xiaobo blushed and seemed a little embarrassed.

Lin Kai explained, “Your mother called me and said she had a dinner party in the evening, so she asked me to come and pick you up and take you home and give you a tutorial on the way.”

Yang Xiaobo looked around and saw that the students around him had been picked up by their parents one after another and did not notice anything fishy between him and Lin Kai, so he put his mind at ease, nodded and followed Lin Kai out of the school entrance.

On the way, the two of them had their own thoughts and could not find a proper topic of conversation.

When the two were almost at the entrance of the public security compound, Lin Kai took the lead and said, “Xiaobo, what do you want to eat, I’ll take you to dinner!”

Yang Xiaobo pointed to a shop in front of him and replied, “I want to eat a hamburger.”

“Okay, I’ll go over and buy it for you now!” Lin Kai said and walked in the direction of the burger shop.

Yang Xiaobo followed closely behind.

There were many people inside, mostly parents bringing their children to spend money here.

After arranging for Yang Xiaobo to sit down at an empty table, Lin Kai went ahead and queued up to buy two hamburgers and two Pepsi Colas.

After the table was set, Yang Xiaobo didn’t even bother to be polite with Lin Kai, he picked up the hamburger and started to gobble it up.

After eating dinner, Yang Xiaobo wiped his mouth and said to Lin Kai, “Brother Xiaokai, thank you for the dinner, tonight, I want to go to my grandparents’ house.”

“Why?” Lin Kai understood what he meant, but still asked deliberately.

“Hey,” Yang Xiaobo said with a sly smile, “I want to leave space for you guys so you and my mum can have a good talk at home .....”

“But, I don’t have the key to your house?”

“I’ll give it to you!” Yang Xiaobo said, taking off one of the keys hanging around his neck and handing it to Lin Kai, saying mysteriously, “Don’t bully my mum when I’m not at home, yo .....”

“Little brat, what do you know?!”

Lin Kai knocked Yang Xiaobo’s head, and then after sending him to his grandparents’ house, he immediately called Tang Huimin.

When Tang Huimin heard about this, she had mixed feelings in her heart, but more than that, she was vaguely happy.

So she decided to go home to see Lin Kai when the evening dinner was over, but remembering that she would definitely have to drink at the dinner and could not drive herself, she said to Lin Kai.

“Do you know how to drive?”

“Yes, what’s wrong?” Lin Kai replied.

“Then how about this, tonight at half past nine, you come to the entrance of Yanjing Hotel and call me, then take my car and we’ll go home together.” Tang Huimin instructed.

“Sure,” Lin Kai said readily, “By then, I’ll just come to the hotel early!”
