### **The Policewoman Chapter 15**

“Stop shouting,” Zhao Wenlong pressed up and kissed her snow-white pink neck, whispering breathlessly, “This is a high-class suite, the room is soundproof, no one will hear it, it’s useless for you to scream any louder, besides, you don’t want people in your police station to know what’s going on between us, do you?”

Tang Hui Min’s voice stopped for a moment, she knew that Zhao Wen Long’s words were true.

“Oh, that’s right, as long as you do as you’re told, I’ll be gentle with you.” Zhao Wenlong smiled smugly and reached out to undo Tang Huimin’s clothes.

.....

This evening, Lin Kai was eager to see Tang Huimin.

After talking to her on the phone, he took a city bus directly to the Yanjing Hotel and only waited until nine o’clock before calling to pick her up.

When I arrived at the entrance of the Yanjing Hotel, I looked at the time display on my mobile phone and found that it was not yet seven o’clock in the evening, so I had to wait for two two or three hours.

However, he couldn’t stay in the hotel either, so he wandered around the hotel.

As night fell, the lights came on.

The colourful neon lights decorated the busy city of Yanjing, and a fresh breeze was blowing in the air, with the heat of the blazing daytime sun still lurking in the air.

Lin Kai walked aimlessly along the street, his heart stirring as his mind flashed from time to time to the scene when he was with his sister-in-law Tang Huimin.

“Brother-in-law won’t go into the house drunk and have something happen to her, will she?” Lin Kai’s heart pounded as he remembered that Tang Huimin had told him on the phone that she would be drinking tonight.

After walking for several blocks, Lin Kai found himself tired of walking, so he returned to the entrance of the Yanjing Hotel and sat down on a communal reclining bench by the green belt, looking forward to 9:30 and dreading that moment.

However, as if rusting, time moved rather slowly.

Lin Kai was staring at the hotel door, pulling out his mobile phone, checking the time and tucking it away, all of which he had repeated hundreds of times.

7:00, 8:00, 8:30, 9:00 .....

The time is finally approaching.

Just at 9:30, Lin Kai could not resist calling Tang Huimin.

Beep beep beep .....

It rang for a long time, but no one ever answered.

“Why isn’t anyone picking up?” Lin Kai was a little puzzled in his heart, a black line showing on his forehead.

He pressed the redial button again, and still no one answered the phone. The uneasiness in Lin Kai’s heart rose up, so he stood up and wanted to go into the Yanjing Hotel’s restaurant to see what was going on.

Lin Kai walked into the lobby desk on the ground floor of the Yanjing Hotel, asked the receptionist for the location of the hotel restaurant and took the lift up to the sixth floor.

A welcoming lady stood at the entrance of the room.

With a professional smile, she asked Lin Kai, “Sir, we are closed here, may I ask if you need any help?”

“I’m here to find someone.” Lin Kai replied.

“Looking for someone? Looking for who?” The welcome lady asked in surprise.

“Tang Huimin from the Criminal Investigation Team of the Municipal Public Security Bureau, her phone couldn’t be reached, so I came to your hotel restaurant to look for her.” Lin Kai answered truthfully.

“Oh, you’re talking about Captain Tang?”

“Yes.”

“Who are you to him?”

“I’m her nephew.”

“She was drunk and was sent to the guest room department to rest.”

“Which room?”

“Not quite sure,” said the welcoming lady, thinking, “I think it’s on the 10th floor .....”

“Thanks!”

Lin Kai thanked her and turned around to go back to the lift and took it to the 10th floor.

He stepped out of the lift and found the corridor empty.

As he didn’t know which room Tang Huimin was resting in, Lin Kai had to press his ear to the door of the room one by one to listen for any movement inside .....

Suddenly, Tang Huimin’s voice came out from room 1008.

“No, let go of me, you beast!”

“Not good, Little Aunt is really in danger!” Lin Kai’s heart tightened as he lifted his foot and kicked up towards the door of the room recklessly.

Bang!

With a muffled sound, the door to the room was kicked open from the outside.

Zhao Wenlong was taken aback and hurriedly got off of Tang Huimin.

When Lin Kai saw Tang Huimin lying naked on the bed, he immediately understood what was happening and lifted his foot towards the stunned Zhao Wenlong.

Zhao Wenlong gave an “ouch” and crouched on the ground, covering his stomach.

Lin Kai was furious and kicked Zhao Wenlong again, but when he saw that he had fainted, he hurried up to help Tang Huimin put on her clothes and carry her out of the room.

Then, he helped her into the lift and took it down to the car park on the negative ground floor, where he went to her Mitsubishi police car and then took the keys out of her pocket.

Lin Kai opened the door and helped her to lie down on the back seat of the car, then drove the police car away from the Yanjing Hotel .....

Under the night.

A Mitsubishi off-road police car turned sharply along the neon-lit street into what was the public security family courtyard and came to a halt under the building where Tang Huimin’s house was located.

Lin Kai jumped down from the driver’s side, the door opened and carried the half-drunk, half-awake Tang Huimin off the car.

“Wow!” A mouthful of alcoholic, foul-smelling dirt spat out of Tang Huimin’s mouth, splashing Lin Kai all over.

Lin Kai hurriedly took out a wad of tissues from the car and simply cleaned up his clothes before helping her to the door of Tang Huimin’s house.

He then used the key that Yang Xiaobo had given him to open the door of the house, helped Tang Huimin into the house, and then, pressed the roof light switch in the living room.

He placed Tang Huimin on the bed in the master bedroom where Tang Huimin was staying.

Seeing that she did not respond at all, he ran up to the bathroom, turned on the tap, hastily washed the dirt from his body and hurried back to the bedroom.

By now, Tang Huimin’s medicine had taken effect.

She was rolling all over, her mouth kept making murmuring sounds, while her lips kept looking like they were allowing something to be sucked, writhing on the bed like a snake.

“Ah, hot, so hot, I can’t stand it .....” Tang Hui Min lifted her clothes off her body and a hysterical cry escaped her lips.

She could see her legs spread wide, her left hand touching her body and her right hand touching her peaks, like an animal in heat, her desire making her unable to control her actions.

Her full peaks were like volcanoes on the verge of eruption, that enchanting place, full of wetness and slipper, her face as red as drunkenness, her soft hair covering half of her pretty face.

Her eyes were full of anticipation, her nostrils flared and her little mouth twitched like the gills of a fish breathing.

Like a fried salted fish, she tossed and turned on the big bed. At this point, Tang Hui Min was already burning with desire and seemed eager to let the man invade, to enjoy the pleasure to the fullest .....
