The Policewoman Chapter 5

After Lin Kai escaped from Tang Huimin's house, his heart was pounding.

He never expected that when Tang Huimin called him to come to her home to fix her computer, he would find that kind of film on the computer, and that he would see her body at the door of the bathroom when she had finished her shower and he was helping her with the bath towel.

Because of his own fantasies about his beautiful and sexy aunt-in-law, he actually stole a pair of bras and a pair of underwear from her in the bathroom, by mistake, and was caught by her in the living room.

He was ashamed and chagrined that he had gone along with it and done this kind of thievery, but fortunately his sister-in-law did not reprimand her and gave him the bra and underwear in a generous manner, to his surprise and amazement.

After leaving the public security compound, Lin Kai was afraid that the bra and underwear he had tucked in his trouser pocket would fall out again and be discovered, so he dared not take a bus and took a taxi to the entrance of Yanjing University.

According to the meter, Lin Kai painfully took out his 20 yuan from his pocket and paid for the ride, then walked into the entrance of the university.

He then walked along the tree-lined avenue of the campus and, like a thief, entered the male dormitory building, heading towards the male dormitory where he lived.

There were four high and low beds in this dormitory, with seven people living in the bunk beds.

After entering the room, Lin Kai saw that there was no one inside, so he closed the door and climbed onto his top bunk, then took out his bra and underwear from his trouser pocket and stuffed them under the pillow, then lay on his back.

At this time, his mind flashed back to the white body of his sister-in-law, Tang Huimin, and remembered the fragrant images he had seen on the computer screen with his sister-in-law, as well as the image of her standing naked at the bathroom door when he brought her the bath towel, and a hot current of taboo-breaking excitement welled up in his heart.

So he couldn't resist unzipping his trousers and taking them down to his knees, taking out the underwear he had just put under his pillow and wrapping it around his key parts –

At this time, the delicate and charming look of his sister-in-law Tang Huimin and her unflinchingly charming manner rolled through Lin Kai's mind.

He uncontrollably laced his little aunt's underwear up against his body.

A burst of pleasure hit him and went straight to his head. Knowing that an even stronger storm was about to hit, he accelerated the movements of his hands, getting faster and faster and tighter.

Suddenly, a wave of overwhelming sensation overwhelmed him, making him feel slightly suffocated.

The whole space felt like it was going to freeze, and this oppressive aura threatened to burst at any moment. Just then, his spine went numb, his body trembled, and his key parts bounced in quick succession.

With each bounce, a cloud of viscous fluid erupted from his body like a volcano, rushing straight towards the strip of underwear and the clean white sheets held in his hand

Suddenly, the door to the dorm room was opened from the outside with a key.

It turned out that the roommates from the same dormitory had returned.

With a startled heart, Lin Kai immediately woke up from his passion and found that his sister-in-law's underwear and bed sheets had been wet and were damp and sticky everywhere.

So he hurriedly puckered up and curled up under the covers, wiping himself and the sheets with his underwear.

Fortunately, his roommates did not notice that Lin Kai had taken his sister-in-law's underwear and was doing something bad under the covers, otherwise, he would have made a big fool of himself.

The whole afternoon was spent immersed in thoughts of Tang Huimin.

.....

Night fell and the moon was shrouded.

Lin Kai strolled alone on the boulevard of the campus, his mind kept going to the scene when he was with his little aunt Tang Huimin.

"Am I in love with my little aunt?" Lin Kai asked himself, "No, she's my brother-in-law's woman and she's about ten years older than me, I can't fall in love with her!"

"As the saying goes, age is not a problem, height is not distance, weight is not pressure, finances are not ability, if two people love each other, God's horses are all floating clouds" Lin Kai reassured himself, "Since my brother-in-law is no longer alive, how come I can't fall in love with her?"

Ringing bell!

While he was thinking about his own thoughts, the mobile phone in his pocket rang.

Lin Kai took it out and saw Tang Huimin's name on the screen.

He tried to stabilize his emotions before picking up the phone and asked in a trembling voice: "Little aunt, you hello, you have you eaten yet... .."

"Brother Xiao Kai, it's me, it's Xiao Bo!" The voice of his younger cousin Yang Xiaobo came from the phone.
