

Policewoman 6

The Policewoman Chapter 6

Yang Xiaobo is Tang Huimin's only son, and because of her husband's sacrifice, Tang Huimin dotes on her son even more, obeying him in almost everything.

Just before Yang Xiaobo made this call, this happened –

In the evening, after dinner, Tang Huimin cleaned up the dishes and came into the living room, and saw her son, who had just come home from school, still sitting on the sofa, watching cartoons on the TV screen with his eyes fixed on it.

So she walked over to her son and sat down, asking, "Bo, didn't your teacher assign homework?"

"Mmm!" Yang Xiaobo nodded ambiguously.

"Then go and bring your homework book to mum for a look." Tang Huimin continued.

"Oh!"

Yang Xiaobo responded, and smoothly picked up his small schoolbag that was on the coffee table, flipped a workbook out and handed it to his mother.

Tang Huimin flipped open the workbook and couldn't help but raise her eyebrows and asked, "Why did you get so many questions wrong? You can't even do such simple questions?"

"I" the little boy wanted to say but couldn't.

"I what?" Tang Huimin questioned, "Did you desert during class and didn't listen to what the teacher was saying at all?"

"Well" Yang Xiaobo nodded his head.

"Why?" Tang Huimin stared straight at him.

"I miss my dad." The little boy's face turned red.

"Your dad is dead, what's the use of thinking about him? You are only in primary school and your academic performance is so poor, how will you go to secondary school and university in the future? I'll have to hire a tutor for you," Tang Huimin asked in a cold voice, and when she saw her son scowling, she continued, "It looks like I'll have to hire a tutor for you."

"I don't want to hire a tutor." Yang Xiaobo shook his head and said.

"If you don't hire a tutor, how can your academic performance go up?" Tang Huimin asked rhetorically.

Yang Xiaobo shook his head and said, "I don't know, anyway, I don't want strangers coming to my house!"

Tang Huimin thought about it and said in an enquiring tone, "In that case, what do you think about inviting your brother Lin Kai over to tutor you in your homework?"

“Sure,” Yang Xiaobo replied readily, “I haven’t seen brother Xiao Kai for a long time and I miss him, so you should call him over quickly.”

“Solve your own problems, call yourself if you want!” Tang Hui Min said deliberately.

“But, I don’t know Xiao Kai’s brother’s phone number?” Yang Xiaobo said helplessly.

Tang Huimin took out her mobile phone from her satchel, then flipped out Lin Kai’s mobile phone number from the phone book and said to Yang Xiaobo.

“This is the number, call it!”

“Okay.”

Yang Xiaobo took the phone from his mother’s hand and immediately pressed the send button

Hearing his cousin Yang Xiaobo’s voice on the phone, Lin Kai finally slowed down and asked

“Oh, Xiaobo ah, what do you want to see me about?”

“Brother Xiao Kai, are you free now?”

“Yes, what’s wrong?”

“My mother wants you to come to our house to help me with my homework, are you willing?”

“Sure, when?”

“Now!”

“Huh? Now?”

“Yes, can’t you?”

“Sure, I’ll take the bus right away.”

“Okay, we’ll wait for you at home!”

Without waiting for Lin Kai to say anything, the little one had already hung up the phone.

Thinking of this naughty cousin, Lin Kai shook his head and then walked briskly to the entrance of the school and took a city bus to the public security compound.

As there were not many people on the bus and few passengers getting on and off, it did not take long for Lin Kai to reach the entrance of the public security compound.

The police and their families live in the community, and the management of people entering and leaving is relatively strict, so Lin Kai explained to the gatekeeper, registered with his ID card, before the gatekeeper let him into the community.

Lin Kai arrived at the door of Tang Huimin’s house with trepidation and raised his hand to knock on the door.

Duk Duk Duk!

As soon as he heard the knock, Yang Xiaobo ran over to open the door.

“Brother Xiao Kai, you’re here? Come in quickly!” Yang Xiaobo took Lin Kai’s hand and let him in, sitting together on the sofa in the living room.

When Lin Kai saw that Tang Huimin was not in the living room, he asked, “Xiao Kai, where is your mother?”

“She’s in the bathroom taking a bath.” Yang Xiaobo replied.

Lin Kai’s mind immediately flashed back to this morning, when Tang Huimin was standing naked at the bathroom door when she finished her bath and asked him to deliver the bath towel, and he couldn’t help but swallow.

At this time, Tang Huimin came out of the bathroom after her shower and stood at the bedroom door.

She was wearing a pink halter top pyjama top with a body full of moisture, her figure was convex and shapely, displaying a mature beauty that was like a burning fire that flared up in the living room.

The slender, delicate figure, with its slender, young waist, its firm breasts, its chiselled jade neckline and its white skin, was charming and bright.

The contours of her face have a rare and clear sculptural beauty, her eyes are clear and lucid, and her eyebrows are long and slanting towards her temples, accentuating the brightness of her eyes.

This seductive beauty of hers shocked people, making them feel that as a policewoman’s posture was exceptional, with a unique and mind-blowing beauty.

In a flash, Lin Kai’s eyes lit up, his eyes shining, a strong sweep to her body, causing Tang Hui Min shy with timid, full of red haze
