The Policewoman Chapter 8

After a good drenching, Lin Kai turned on the tap of the water heater and rinsed his bronzed skin with a pouf in hand.

The water was the right temperature to wash his body.

A feeling of comfort came over him as he thought of his sister-in-law's pretty face, her charming body and the white body he had seen of her.

I don't know which bastard said that a man can fall in love with a woman in three minutes, but it takes a woman three years to really fall in love with a man.

The most direct thing between men and women is sex, and that aspect is a constant topic between men and women.

The kind of relationship between a man and a woman that shortens the distance between them, that binds two strangers who don't know each other, and then, like lotus roots, breaks the bond.

What this beautiful sister-in-law gave Lin Kai was the charm of a mature woman, the longing of a lonely woman for that, the physical solace of a long absence of a man.

Although they had not yet had sex, Lin Kai believed that as long as they were staying at his sister-in-law's house for a long time, their real union would not last too long.

In the beginning, little aunt should be shy and half-hearted, once she got into her role, she would be more active, more flirtatious and more flavourful.

Because, Lin Kai many times in yy novels read this saying, mature women are like adult old wine, the longer the time, the more mellow and stronger the taste

After taking a shower, when Lin Kai walked out of the bathroom wearing his brother-in-law's clothes, Tang Huimin had already cleaned up his room for him and brought her son to sleep in his own master bedroom.

At this moment, she was sitting on the sofa in the living room, watching television while waiting for Lin Kai.

When she saw Lin Kai come out of the bathroom wearing her late husband's clothes, she froze for a moment.

Because, Lin Kai's demeanour and walking posture was so much like her husband, it was almost like a replica of him. She really doubted if she was mistaken and that her husband had not died and had come home again.

When Lin Kai saw Tang Huimin staring at herself like a nymphomaniac, he couldn't help but frown and asked in disbelief.

"Little aunt, is there something wrong with me?"

“No nothing is wrong,” Tang Huimin then slowed down and said nervously, “too much like you simply too much like”

“Too much like what?” Lin Kai asked in amazement.

“Too much like your brother-in-law.” Tang Huimin said slyly.

“Oh, you don’t think I’m an appendage of my brother-in-law, do you?” Lin Kai half-joked.

“Cut, no talking poorly in front of little aunt,” Tang Huimin blushed pink and pouted, “I’ve already cleaned up the room for you, go inside and sleep now!”

“Okay, you too, have an early night, good night!” Lin Kai said goodbye to Tang Huimin and headed in the direction of Yang Xiaobo’s bedroom there.

“Good night!” Looking at Lin Kai’s tall figure, Tang Huimin felt a little lost and suddenly spat out, “Well Xiao Kai, didn’t you find anything in the bathroom just now?”

“What what was it?” Lin Kai turned his head.

Thinking about the time he took the white lace lingerie she had placed on the bathroom sink and sniffed it up his nose, as well as when he used it to lace his body, his heart was in a panic

Lin Kai hesitated slightly and responded with a stutter, “No no ah”

Tang Huimin asked directly, “Little Kai, I want you to tell Little Aunt honestly, after returning to the dormitory today, did you take my bra and underwear to do bad things?”

“Ah me,” Lin Kai’s heart shook and his head was immediately confused for a moment.

This morning’s scene appeared in his mind.

When he left Tang Huimin’s house as if he had fled and returned to the student dormitory, he took advantage of his roommates’ absence from the dormitory to take his little aunt’s underwear and curl up under the covers to do his bad deed.

However, he couldn’t lie under the gaze of his sister-in-law staring straight at him, so he smiled sarcastically and said.

“I I have it”

The words just fell, only to see Tang Hui Min at this point pursed her lips, slightly pulling the strap of the halter pajamas from the fragrant shoulders

Snow white and proudly erect, this caused Lin Kai’s key part to become instantly erect, straight up against the small of her back.

Tang Huimin let out a cry
