C171 Teaching How to Seduce Men

Su Rongyin's tone was filled with hesitation. It turned out that Zhan Shishen's plan had backfired on Su Peirong. Zhan Lianchen was sent to the branch, and the Su family was severely injured as well.

Now, Su Peirong was putting pressure on Su Rongyin in order to make a comeback. Su Rongyin had fallen in love with Zhan Shishen in her heart

C172 Check His Cell Phone

Although the child had been sold long ago, she wasn't worried at all that this would be exposed.

Su Rongyin returned to the room and Liu Yanqiu's figure wearing a qipao appeared. The surrounding servants all moved aside.

She coughed and walked in front of her daughter.

"Ya Ya, your Uncle Su's relationship with Zhan's is now very close

C173 A Jealous Little Jealous Girl

It doesn't matter if a driver keeps a lot of phone calls.

But Su Rongyin's name was interesting.

Hsu Yan's expression suddenly turned cold. She said that she was not allowed to interact with the opposite sex. Zhan Shishen secretly kept in contact with Su Rongyin. The latest phone call was in the morning! He didn't have time to delete it, did he? He had thought that he had found a real shelter

C174 A Fresh and Refined Way to Coax His Wife

Oh?

He seemed to be really angry!

Seeing that the woman didn't even turn around to get off the car, Zhan Shishen frowned. This was beyond his expectations.

He also did not expect Su Rongyin to not answer the phone.

He had no experience in coaxing women!

"Hello, a woman is angry. She walks alone on the road and can't get into my car

C175 Making a Mascot for Him

Back in the rented house, Hsu Yan found her home ground.

"This is where you sleep tonight! Mr. Zhan, take care of yourself."

If she didn't go to KTV, Zhan Shishen would have skinned her alive. Now, the tables had turned!

But just as the door was about to close, the man's hand accurately blocked the door.

"Su Rongyin did not have a good time in Su family. She asked me to talk to her

C176 He Would Never Miss This Woman

Zhan Shishen kept staring at the shell of the phone on Nokiya. The shell was brown with stripes, which matched his temperament very well.

On the top of the shell, there was also a shiny gold Bodhi Fruit pendant. It was very small and exquisite. One look and one could tell that it was carefully polished and made

C177 They Were both Left-handed

The landlord called a few times, and Hsu Yan hurried out the door. It was a very troublesome matter to hold a graduation meeting for a few years old brat. Lele was studying in a private kindergarten, so she did not have enough teachers. Parents needed to be in the kindergarten for a day, accompanying with makeup and so on.

"Zhan Shishen

C178 The Family Heirloom Medicine Book

There was a flash in the landlord's eyes. "Yes, I've been like this since I was a kid. Let's get out of here!"

Hsu Yan did not ask any more questions.

The kindergarten was just one kilometer away from a new construction site. Lele did not seem to be in a good mood and did not pay any attention to Hsu Yan along the way

C179 Who Was Plotting Against His Woman

At first, maybe just to get something close to her.

Of course it wasn't like that now.

He was so busy, but he still remembered the child Hsu Yan asked him to investigate, a child of unknown origin.

It could be seen that he was relieved in his heart.

"This child, Zhi, is even more bizarre. He seemed to be Hsu Yunshan's illegitimate son, but he had never revealed his identity

C180 We'll Carry out the Plan Together in the Future

After walking out of the kindergarten, Hsu Yan first stopped Zhan Shishen's bleeding and then called the landlord to explain the situation. Then she immediately looked at the man.

"Zhan Shishen, do you know whose child Lele is?"

She thought about it and could only ask the man suspiciously.

Zhan Shishen had no reason to say that Lele's parents would come to answer.

He was just a driver now
