C18 He Wanted to See His Future Mother-in-law

"Hsu Yan, you have gone too far!"

Ning Ya angrily walked out of the ward and was about to complain to Liu Yanqiu. How could she kowtow to a dead person?

When she turned the corner, she suddenly saw an extremely handsome figure!

There was actually such a godlike handsome and noble man in this world?

Ning Ya was instantly attracted and her eyes actually revealed a peach heart.

But the man did not even look at her and his straight figure walked into the ward and she hurriedly followed.

In the ward, the old man held Hsu Yan's hand and praised her performance. " You've done a good job, my dear granddaughter! I told you long ago, those who look charming are not good things. Don't be polite to vixens in our family. Your mother is too kind. It's all your fault... "

"Okay, Grandma. Don't worry. I won't let anyone bully us anymore. I was taught by you!"

Hsu Yan patted her chest and suddenly saw her grandma smile like a flower. "Aiya, this isn't my grandson's son-in-law coming. Come and sit!"

"Grandma, did you remember wrongly again? Zhan... Zhan Shishen!"

Hsu Yan was just about to say where did her grandson-in-law come from? She was shocked by Zhan Shishen who suddenly appeared in front of her.

Behind the door, Ning Ya took out her phone and took a few clicks. She was angry and jealous! Good, Hsu Yan even dared to raise a gigolo. Now I want to see if you will still be crazy.

Zhan Shishen walked into the ward and looked at the position of the camera. His eyes were as cold as a king's and Ning Ya was instantly scared out of her sight.

"Hello, grandma!" Zhan Shishen put his hands in his pocket and saw the man giving a standard charming smile to the kind looking old man.

"Good, good, good, good. My grandson-in-law! You should have settled the marriage with Yan earlier. Grandma will be fine no matter what!" Grandma's aunt smiled.

Please, this is the first time you two have met?

Hsu Yan's ears turned red. "Grandma, I'm going out for a while."

She pulled Zhan Shishen to the corridor. "Why are you back?"

Zhan Shishen smiled with his phoenix-like eyes and said in all seriousness, "Yan, although you are my woman, you are still the wife of Zhan family. Women cannot go home after six o'clock at night!"

Since he had brought her out, he naturally had to bring her back! It was much more dangerous outside, so he could only relax under his eyelids.

"Ah? There was such a discriminatory rule in the 21st century?"

Hsu Yan frowned and felt the man's deep gaze. Her cheeks were slightly hot. "Also, who agreed to be your woman? Don't speak nonsense!"

She originally wanted to spend more time with her grandmother. Her grandmother still needed surgery and treatment. Before that, she wanted to investigate the cause of her mother's death and take back the inheritance rights of the Hsu family from Ning Ya! It would be best if she could clear her relationship with the Zhan family!

Zhan Shishen took a look at the woman's small expression. It was like the handsome face of a god. Suddenly, he moved closer to her lips wickedly and said, "Okay, whatever you say. Who asked me to remember you?"

"Sleep your head!" Hsu Yan was extremely embarrassed and quickly pushed him away. How could this person be so shameless?

Zhan Shishen returned to his serious attitude and said seriously to the woman. "Alright, stop teasing me, Yan. I have to remind you of something. Your mother-in-law, Mrs. Zhan of Zhan family is coming to your wedding villa. Ninth Master's business trip is a secret. Other than me, you are the only one who knows that he is not in the villa. You must cooperate with me and not expose me. When Ninth Master is done with his business and returns, I will naturally beg him to betroth you to me! "

She was someone he had taken a liking to, so the first impression she left on his mother was naturally not bad.

"Wh, what?" Hsu Yan was stunned. The amount of information was too much.

This ugly wife of hers was going to see her mother-in-law so soon?

This Ninth Master Zhan was already extremely abnormal... Could his biological mother be easily dealt with?

And most importantly, who was going to be betrothed to him, Zhan Shishen?
