C191 He's Here to Support Us

Every single person in the music department was an expert in music. Hsu Yan's words were spoken without any pressure at all.

She directly retorted, instead appearing fresh and refined, with no ill intentions. Ning Ya's singing and piano skills relied on hard work to bring them up, but because of her lack of talent, she was still much worse than Hsu Yan.

Sure enough

C192 It Was Not Tiring to Sing with a Male and Female Duo

"Zhan Shi...!"

The prelude sounded. Just as Hsu Yan was about to sing, she suddenly saw a man's charming figure walk in just like that.

Her small face instantly turned red. She was so frightened by Zhan Shishen's sudden arrival that she almost forgot the lyrics of the next song!

"Baby! Didn't husband tell you to go and buy you a gift? Why can't you wait for so long?"

When Zhan Shishen

C193 Sister Do You Want Roses

Hsu Yan and Zhan Shishen held hands as their voices rang out in the private room.

"If you don't want to let go of your hand, can you stop now?"

The song of love is still playing in my heart. How can I let it go tonight?

My feelings are the same as yours!

I don't want to slip away like a little girl! I have stars as my witness for your heart!

Love surged like the wind and clouds! Once again

C194 Ning Ya Panicked

"Sister, do you want roses?"

The girl asked Ning Ya again, her eyes staring straight at the woman.

The girl was Lele and she was wearing a white dress today. She held many roses in her hand and one of the roses was facing Ning Ya.

It looked like a normal child giving flowers

C195 Real Hammer

Suddenly, she pushed Lele away and shouted nervously, "Someone, quickly pull this little thing out! Quickly pull it out!"

"Miss Ning, when you and Mr. Wang Minghong secretly gave birth to this child in Yu An Hospital, I took a photo! And this is proof that Lele is left-handed. It should be the same as Mr. Wang Minghong, who kept you as his mistress! As your mother

C196 He Had a Nightmare

After Hsu Yan and Zhan Shishen came out, Zhan Shishen sent them back to the impoverished area.

Hsu Yan was busy comforting Lele and the landlord to go back. When she returned to the rented house, she was already very tired. She did not notice that this man suddenly deliberately brought her into the room, as if to prevent something dirty from being seen outside

C197 Can You Hold Back a Little

"Zhan Shishen, why did my father kidnap my mother's student? Why did the people around me become so strange after my mother left? My head suddenly hurts... "

Hsu Yan was still in her dream of fear. She relaxed her vigilance as she leaned into Zhan Shishen's arms. This was the first time she was so helpless

C198 Hearing Su Rongyin's Secret Confession

"Honey, I want to get rid of your fear. It's my duty! Relax!"

A certain man closed the curtains in a serious manner. He kissed the lips that he could not stop wanting to kiss again and again, and just so gently covered them.

The old man was now under pressure from the law... Some things were like an arrow on the bow.

Furthermore

C199 You've Made My Wife Unhappy Again

When it was over, Hsu Yan put on her clothes and went out. She only picked up the love letter that Su Rongyin dropped on the floor and a box of heart-shaped imported chocolate!

"Zhan Shishen, look what you did!" She took the things into the house and wished she could find a hole to hide in and never come out again.

Zhan Shishen, who had put on his clothes

C200 Zhao Tong Tong Cried on the Phone

Zhan Shishen held the roses in his hands and walked over elegantly. He took the food from Hsu Yan's hands. "Wife, did you buy these vegetables to wait for me to come back? Coincidentally, I also want to eat the food you made."

These few days, this man was like this every day! He either brought some gifts or a bunch of real roses to coax her.

What should he do if he made his wife unhappy? Thus
