

## **Poor Husband 211**

### **C211 Do You Mind**

"What do you think is better now?" Zhan Shishen took off the voice-changer and returned to his original voice. His voice was very deep.

He also wanted to be clear with Hsu Yan. Not only was it beneficial to their relationship, but it was also beneficial to many aspects.

... ""

Qii Zhan was silent. It seemed like it was true. He could not think of a reason to speak

### **C212 Who Is the Real One**

I don't want women to be so honest.

Looking at those sincere eyes, Zhan Shishen could not bear to destroy them. He was silent for two seconds and said firmly, "Of course I mind!"

Hsu Yan clenched her fist and did not dare to look at anyone with her big eyes. Her God... Zhan Shishen knew a lot of people in the Zhan's. What if the window was torn open one day?

Zhan Shishen suddenly laughed again

### **C213 Who Wrote Such a Nauseating Thing for You**

"Hsu Yan, you are here too! Come and drink the soup. Seeing that your stomach hurts just because you have an aunt, your old illness will not change. It must be due to lack of exercise! Look at how good my grandson-in-law's physique is. In the future, he will often let my grandson-in-law take you to exercise! "

Only then did Sun Ruiqiu look at Hsu Yan unhurriedly

### **C214 She will Never be Allowed to Escape**

"What? It should be for Zhao Tongtong. At that time, there were many people chasing after her! They often asked me to help them send love letters. Maybe it was the wrong one. "

Hsu Yan felt a chill run down her spine. Who did she provoke? Was it wrong to be good-looking?

She tried to run away, but was ruthlessly discovered by Zhan Shishen

### **C215 They Agreed to Get Married**

Zhao Tongtong replied, "Yes, don't be polite with this kind of woman! She said that she had a very important secret to tell you. I guess it was just some nonsense to lie to you about your soft heart. Expel yourself! You must not listen to her! This kind of woman who has committed all kinds of evil deserves to have this kind of outcome!"

"I'm fine. I'm just sleeping with a man. I, Zhao Tongtong

### **C216 Suspicion of Identity**

The more Sun Ruiqiu spoke, the more unusual her expression became. After her condition worsened, her memory deteriorated! That was why she remembered some things, such as when she ate yesterday. She saw Hsu Yan wearing such an expensive bracelet! The old lady wanted to ask, but she only remembered it in the morning. Only then did she rush over anxiously

### **C217 You Did It Yourself**

The raw material market.

Hsu Yan bought the rare medicinal herbs she needed and also bought some beeswax and some basic medicinal soap on the market.

Before she left, she was at an acquaintance stall and suddenly asked the stall owner, "Sister Tan, I remember that your generation makes crystals

### **C218 What Was the Reward**

"I came today to tell you that Lele is the most innocent person in your incident! If you still have some conscience, then confess your crimes and serve your sentence properly. After you get out of prison, treat your own child kindly! Only you can atone for your crimes! "

At this moment, perhaps Hsu Yan still could not completely let go of the harm that Ning Ya had caused over the years

### **C219 How Much Was This Bracelet**

"But don't worry Little Mom. You will only feel itchy and restless day and night. This will not directly destroy your face. I advise you not to scratch your skin, otherwise it will definitely fester. At that time, no one will want it even if you get out of prison. "

She was calm and collected, without a doubt

### **C220 Admit He Likes It**

Like a bet, the woman took the bracelet off her wrist and questioned.

The two of them had known each other for almost half a year. From the hotel to the Zhan family to the rented house... They had been getting along very well and had never been so stiff before.

Zhan Shishen pulled her hand and casually rubbed her white fingers
