C231 Make Mistakes and Admit Your Mistakes

One night is ridiculous.

The atmosphere of love in the tent had yet to dissipate when Hsu Yan got up. The sun was already high up in the sky and it was difficult for her legs to even stand up. It was really not inferior to the sour feeling of being crushed by a truck as written in the book!

"Zhan Shishen, how can I go out to see people like this?"

Today

C232 When Are You Going to Treat Me to a Wedding

The English teacher looked at his shoes in disbelief and rubbed his eyes.

His room was on fire yesterday, but it didn't burn his eyes.

Of course, this shoe was purposely thrown out by Zhan Shishen just now.

After confirming that it was a pair of men's shoes and hearing the strange sounds of men and women inside, Mead suddenly felt like he had received a huge blow. "Yes

C233 Nurse

"There's a chance."

Hsu Yan nodded. With so many sunflowers blooming in a few thousand acres of farmland, even if it was a paradise overseas, it would be hard to have such beautiful scenery.

After she finished talking with the female teacher, she also planned to go back and find Zhan Shishen to go home. For a man to do this, she was also relieved a lot. If he did not know what was good for him

C234 I will Repay You

She lowered her head and clicked her tongue. An old man in a rich suit fell alone on a gravel road by the paddy field?

Ever since the phone was turned on, Zhan Shishen had never stopped 'supervising' her. At this moment, the two of them were still on the phone.

Zhan Shishen did not know what kind of problem he had encountered

C235 This Place Is Very Private

Hsu Yan,...

Did she run into an authentic old man?

Not only did the old lady say it was natural, she even used the old man's trick. "Miss, you are a beautiful woman with a good heart. You shouldn't be able to bear for an old lady like me to feed mosquitoes

outside? But if it's not convenient for you, then forget it... Then let me stay here for the whole night and starve! "

..

C236 The Relationship Between the Granny and Zhan Shi Was Deep

"Grandma, you can't sleep in this tent. The cushion here is too hard. I'll take you to the house in the village!"

Seeing Hsu Yan blocking in front of her, her small face was slightly red. The old lady had an idea in her heart and was even more interested in saying, "Miss, you don't have to be polite. Take the herbs to treat my leg. Just now

C237 Strange Blog

Hsu Yan felt thirsty and was drinking a bottle of mineral water. The people here saw that the medicinal food she made was delicious and the medicinal soap she gave was also very useful! The gifts were mutual, so there was a lot of water and food in her tent. The treatment was very good.

When the woman heard those three words, the mineral water in her mouth almost sprayed out

C238 A Cold Attitude

Even though she had turned off her phone, Hsu Yan still couldn't get rid of that terrifying blog post with a picture of a withered rose.

"I miss my mother, who is as warm as the moon... mother, sister! Soon, we will be able to meet."

...

He didn't know if he had seen this blog's relationship. Hsu Yan had nightmares all night. In her dreams, she saw a boy

C239 He Really Liked His Granddaughter-in-law

"Is she really your nanny?"

Hsu Yan asked one question after another, hoping that Zhan Shishen would take the initiative to explain.

The man only gave a simple answer, "Yes, a wet nurse comes from a rich family. Her temper might be a little picky. As her granddaughter-in-law, you need to be more careful!"

Just like that, just like that?

Hsu Yan was depressed in one breath. Unaccustomed to it

C240 Su Rongyin Complained

When the day was almost done, Hsu Yan showed the old lady her teeth and pressed her back. She even went to a nearby store to buy some herbs to treat her legs, to make up for Zhan Shishen saying that the old lady was so angry that she lost her head.

"En... Hsu Yan, your hands are soft and tender. Are you really willing to wash my feet for this old woman?"

At night
