

Poor Husband 261

C261 A Feeling That Shouldn't be Felt

This is different from the recent rumors out there!

Hsu Yan and Zhan Shishen had not returned for such a long time, and they did not attend the public event together. They thought that the two of them had changed their marriage!

Zhan Shishen reached out his hand and suddenly grabbed Hsu Yan's five fingers. The words he said changed so quickly

C262 Battle

Zhan mansion, Main Hall Restaurant.

"What? Did Jiu really say that he wouldn't come to eat with us even if he ate with that witch? ! Did he not see the latest newspaper, or was he really captivated by this witch?!"

Nan Yun could not believe that the housekeeper had come to report that she had not seen her son for another month. Even Zhan Shishen's villa had been banned recently

C263 Invite Her to Breakfast

The woman said, "This Miss Su seems to be in a trance after she was discharged. She called the Su family a few times, saying that it was not good for her to accompany Madam. This Miss Su's body was originally weak... "

"I don't care if she invites to leave or not! Tell her! I'll give her one last chance! If I don't do it well, I'll switch!"

Nan Yun's delicate features suddenly became darker

C264 Conflict

Su Rongyin, who was cowering in fear, could no longer look straight at the handsome Zhan Shishen in front of her.

Nan Yun made a phone call and requested that she come with Ninth Master Zhan and Hsu Yan to beg for children

C265 I Misunderstood Him

The guilt in her heart became deeper. Su Rongyin bit her lips and said, "Sister Hsu Yan, listen to my explanation! Brother Zhan Shishen and I are not what you think. I just like him. But... I also know the difference in identity. I know that he has someone in his heart. Sister Xu, can you stop being angry at me? "

Hsu Yan heard it with disgust," Sorry

C266 The Love in Jiu Ye's Heart

Did he clean up the bad news for her so early in the morning?

Hsu Yan pretended to be flattered and said casually, "Ninth Master really believes in these things?"

Being infertile was her pain. Even if it was a coincidence, she did not want to be randomly spoken.

Ninth Master Zhan seemed to have seen through her thoughts and said. " My mother has arranged for someone to supervise here

C267 Doubt

Zhan Shishen suddenly coughed, "The truth will always come out. Teacher Fan, let me introduce you. This is my lover."

He specially introduced Hsu Yan to the people around him and then suddenly doted on her and said, "She is a little shy!"

Hsu Yan's hand was pulled by the man and was pushed to the front just like that

C268 They Took a Medicinal Bath Together

As for Zhan Shishen's wet nurse, she had just gotten to know her in a hurry. The old man only wanted to tease her, but he didn't leave her any contact details.

Now that there was another person staring at her schedule, she could only suppress her urges. Only then did she realize that the place she was staying at was a completely transparent place

C269 The Core of the Codex

Hsu Yan almost did not hear it and immediately ran away from this place.

Fortunately, from the looks of it, it was not in a bathtub.

This place was like an antique villa, far away from the city's clamor. Hsu Yan also gradually understood why so many people came here to ask for children.

The pears of modern people were so big. If they came to such a place and calmed their heart for two days

C270 Once Again He Inquired about Lord Jiu

Speaking of Mr. Jin, a world-class doctor of medicine, Mr. Fan was full of admiration.

If such a person's granddaughter's reputation had never been ruined, she would definitely be worthy of Zhan Shishen's illustrious status as the head of the family
