

Poor Husband 321

C321 Call Zhan Lianchen

Zhao Tongtong had always been afraid of Zhan Shishen's aura. She did not have many men who were afraid of her. Zhan Shishen was one of them.

Now, her best friend Hsu Yan had been angered. Although she was quite afraid of Ninth Master, she still had to do her best to protect Hsu Yan, this poor little friend of hers.

Zhan Shishen looked at the domineering woman and said, "Miss Zhao

C322 The Woman That Lord Zhanjiu Truly Loves

Zhan Lianchen didn't know if it was because he was waiting for her to call, but he answered the call immediately.

"Hsu Yan, you finally answered the phone. I saw the news! Gu Mo had gone too far this time! When Grandfather's birthday is over

C323 What Did You Say to Bai Xin

Not to mention Bai Xin, her return was not a simple dream chasing. From the moment Hsu Yan bumped into the two of them, she could tell that Bai Xin treated Ninth Master differently.

If she did not admire this man, why would she use this kind of gaze?

Hsu Yan held her phone and looked at the dozens of messages that Bai Xin sent.

That time

C324 What a Heart-wrenching Forbearance

He spoke with a tone full of suspicion never before.

Hsu Yan was a little petrified and only answered after a long time, "Zhan Shishen, what are you talking about? Bai Xin is your ex-girlfriend and I am all under your watch. What can I do to your ex-girlfriend?"

She felt a little uneasy in her heart. She just deleted Bai Xin's contact details.

Hsu Yan was also a person with a lot of personality. If the man she loved dared to mess with another woman, she would have exploded on the street long ago, just like how she was rude to Gu Yun.

But now, she was like an adult who grew up overnight. For the sake of her brother and grandmother, she suddenly matured. It was so mature that it made one's heart ache

C326 There's Nothing to Talk about with a Liar

Hsu Yan's heart was suddenly filled with a nameless fire. She refused, "Put it there. I don't want to see it now."

Hsu Yan had just married in the past, even though she was also crowned as an unlikeable wife.

But at that time, she was still full of energy and vitality. She had never been so negative towards things like this.

Lan said with some heartache, "Madam

C327 Is There Anything Wrong with Your Ears

Zhan Shishen stood where he was without moving. His black eyes, which could see through everything, stared at the woman. "Hsu Yan, you are my wife! This is the attitude you have when you see my husband go home?"

Hsu Yan suddenly smiled. "Husband? Ninth Master Zhan is joking. My husband is the driver of the rented house. He has already divorced me. The marriage between Ninth Master and me

C328 Enrage

And this sentence thoroughly angered the flames in the air.

Zhan Shishen felt as if he had received some kind of enormous stimulation. He had never been so furious before. His voice trembled. "Good, good!"

She had only thought that they were playing a game. She had never loved him!

If it wasn't for the fact that their hearts were as one

C329 Embarrassed

Lan still looked around worriedly.

The two of them quarreled in the living room. Zhan Shishen's gaze was like he wanted to eat her. She had seen it with her own eyes. How could she not be afraid?

But no one had the courage to touch that door.

...

When the door of the living room opened, the sky was already dark.

When this forced love ended

C330 The Great Vinegar King

Hsu Yan was not the only one who was shocked. The servants were also unable to understand the thoughts of their master.

Perhaps because they knew Zhan Shishen would not play according to the rules, Hsu Yan opened the door a few minutes later.

"Madam, it was all a misunderstanding yesterday... Ninth Master was busy with this season's leading project
